## Player of the Year, Boyne City's Emma Shumaker Rambler's Sandy Clausen selected as Coach of the Year

By Chris Fiel

CHARLEVOIX COUNTY — After getting a late start on the season due to the Northern Michigan winter that nearly refused to leave, softball, much like the rest of the area high school spring sports, had to scramble to fit in games over a much shorter time frame.

Once the season got rolling, Boyne City looked like a team on a mission and when the area season finally wrapped up, it was those very Ramblers that enjoyed the most successful season and longest tournament ride, where they fell in the regional finals to eventual state champion Gladstone.

In addition to the Rambler team, there were plenty of area athletes that helped their teams compete on a nightly basis.

So after selecting the top players in the area, the Charlevoix County News is proud to announce that the 2014 Player of the Year is Boyne City sophomore Emma Shumaker. Shumaker, the Ramblers pitching ace, finished 18-6 on the season for the Division III District champion and Lake Michigan Conference co-champions.

Emma faced 619 batters this season, tossing 135 innings, while striking out 130, walked 44, allowed 43 earned runs and finished with an ERA of 1.92.

Defensively from inside the circle, Shumaker had a .900 fielding percentage with seven putouts and 20 assists.

And while her ability to keep hitters off balance with her outstanding control by changing speeds and locations, Emma's biggest contribution may have come from the offensive side of the plate.

Shumaker finished with a .333 batting average (more than .100 points higher than her freshman season), pounding out 26 hits in 78 trips to the plate, including six doubles, one triple and two home runs, while walking 13 times, and knocking in 19 RBIs from the top of the Rambler lineup. Her slugging percentage was .513 and had a .430 on-base percentage.

Emma was an All-Conference, All-District and All-Region selections and an All-State honorable mention as a pitcher.

“Emma's biggest attributes this year, is she is mentally a stronger pitcher,” Boyne coach Sandy Clausen said. “She improved her overall game with a lot of hard work.”

Joining Shumaker on the 2014 Charlevoix County All-Area Softball “Dream Team” are fellow Ramblers, Paige Hornbeck, Katelyn Banner, Hannah Hoth and Rainy McCune; Boyne Falls is represented by Kathryn Miller and Kurstin Wilson; Charlevoix offers a trio of players in Yogi Hang, Skylar Herriman and Kelsey Pischner; East Jordan has a triple-threat in Tommie Outman, Lindsey Graham and Lindsay Schroeder; and Ellsworth boasts Ashley Drenth and Hannah Heard.

### BOYNE CITY

#### Katelyn Banner, junior.

It didn't matter where you put this young lady in the line-up, she just flat out would put the ball between the lines.

Banner led the Ramblers with a .485 batting average, thanks to a .926 contact percentage. Katelyn pounded out 33 hits in 68 at-bats, including six doubles, a triple and added 19 RBIs, while also walked 12 times and scoring 31 runs for Boyne.

She finished with a .603% slugging percentage and a .568 OBP. Katelyn also only fanned five times the entire season.

On the defensive side, Banner spent most of her time in the outfield (98 innings) and committed only one error. She was an All-Conference, All-District and All-Region selection.

“Katelyn is a solid, smart player, she loves the game and worked very hard at batting,” coach Clausen said. “Were looking forward to having her back next year and the leadership she brings.”

#### Paige Hornbeck, junior.

Paige led the Ramblers in hits with 35 on the season in 76 at-bats for a .461 average, including an .803 slugging percentage and a .506 on-base percentage.

Hornbeck blasted five home runs, added seven doubles, a pair of triples and knocked in 35 runs from the four spot in the line-up. She also drew six walks.

Paige had a vacuum for a glove, anchoring the “hot corner” at third, she had a fielding percentage

of .893, with 26 putouts and 41 assists.

Hornbeck was an All-Conference, All-District, All-Region and All-State selection this season at third base.”

“Paige is a solid player for us,” coach Clausen noted. “She's an asset to our team both offensively and defensively.”

#### Hannah Hoth, sophomore.

Hannah was the battery mate for the pitching staff. Only allowing two passed balls all season. Hoth fielded the catcher position well, with a .923 fielding percentage. She picked off five runners, and threw two out trying to steal.

“Her caught stealing numbers are low, because people don't run on her,” coach Clausen said. “She has a great arm and once opponents see that, they won't attempt to steal.” “She's a good player that loves the game and works hard at it, and we look forward to having her back.”

Offensively for Hoth, she finished with 25 hits in 76 trips to the plate for a .329 batting average, with six doubles, one triple, two home runs, 19 RBIs and 18 walks (team-high).

Once on base, Hannah tore up the basepaths with a team-high 23 stolen bases and scored 36 runs.

Hoth was an All-Conference, All-District and All-Region selection for the Ramblers.

#### Rainy McCune, senior.

The three-year starter, played four different positions this season for Boyne, showcasing her versatility.

ity on the mound, at short-stop, at first and in center-field.

Rainy had a fielding percentage of .806 and tossed a no-hitter against Inland Lakes towards the end of the regular season with 13 K's.

At the dish, McCune had 30 hits in 80 plate appearances for a .375 average, with an OBP of .419 and a .575 slugging percentage. She had five doubles, four triples and her first home run of her career, which just happened to be a grand slam shot in the Ramblers pre-district victory over Charlevoix.

She walked five times, swiped 10 bags and added 21 runs batted in. McCune also

only fanned six times on the season and made contact .925% of the time.

"Rainy is a true competitor and a team leader," coach Clausen said. "She will definitely be missed on the team."

### BOYNE FALLS

#### Kathryn Miller, senior.

The middle anchor for the Loggers at the shortstop position, Kathryn did not commit an error and made 26 assists.

"Kathryn did a real nice job for us at short this year," the Logger coaching staff of Richard Matelski and Al Gasco said. "She was also a good hitter to have as our lead off."

Offensively, Miller finished with 12 hits in 26 trips to the plate for a .461 average, including three double

and two triples and added eight RBIs. She also stole 13 bases and scored 16 times.

Her on-base percentage was .533 for Boyne Falls, which ended up second in the Northern Lakes Conference with a 7-3 record.

#### Kurstin Wilson, sophomore.

Kurstin solidified the Logger catching position this season, catching all but two innings in the Boyne Falls schedule.

"Kurstin has a great attitude, is a ferocious competitor as well as a great practice player and team leader," the Logger staff said. "She also did an outstanding job behind the plate."

Wilson finished with 15 hits in 32 trips to the plate

for a .468 batting average, including three doubles and a home run and scored 17 runs. She also finished with a .531 on-base percentage.

### CHARLEVOIX

#### Yogi Hang, sophomore.

Yogi led the Rayder team with a .513 batting average, pounding out 38 hits, including six doubles, three triples and two home runs.

Hang had an on-base percentage of .750 and stole 10 bases.

"Yogi loves softball, she has the best looking swing I've seen in high school," coach Tom Mielke said. "She hits the ball hard and with power. She is also very smart on the basepath."

Yogi also did a majority of the pitching for the Rayders this season, pitching in all 28 contests, with 25 starts.

#### Skylar Herriman, sophomore.

Coming back from offseason ACL surgery, and released to play on April 24, no one quite knew if Herriman would return to her form from her freshman year.

It didn't take long to get those questions answered as the powerful swing returned to Skylar's bat, as she proceeded to hit .425, with 25 hits, including four doubles, two triples and a pair of home runs. She also finished with a .661 slugging percentage.

"Skylar is the most competitive player on the team," coach Mielke noted.

#### Kelsey Pischner, senior.

If the rest of the infield was able to get the ball in the

vicinity of first base before the runner got there, you may as well chalk up an out as the rock solid defense of Pischner turned would be throwing errors into outs with her magnet like glove.

She finished the season with a .994 fielding percentage, making only one error in 156 total chances.

"Kelsey is an outstanding fielder, and she brought the best attitude an athlete could have to the field everyday," coach Mielke said. "She would consistently stay after practice to work on aspects of her game. A very smart kid and great to coach."

Pischner finished with a .243 batting average, connecting for 17 hits, including six doubles and a home run.

### EAST JORDAN

#### Lindsey Graham, senior.

Lindsey finished the season batting .325 for East Jordan, with an on-base percentage of .386 and a slugging percentage of .458 and led the Red Devils with 20 RBIs.

Defensively, Graham finished with a .911 fielding percentage (combined centerfield and first base).

Lindsey also received the East Jordan Coaches' Award for 2014.

#### Tommie Outman, senior.

Tommie played multiple positions this season for

Meg Kitson's Red Devils, spending time behind the plate, on the mound and at either second base or shortstop and did so with great precision as her fielding percentage was .966, and when behind the plate, she threw out 58% of those trying to steal on her.

Outman finished the season with a .246 batting average and an on-base percentage of .494 from the top of the line-up.

She also spent 29  $\square$  inning in the circle, facing 162 batters, striking out 22 and walking 16.

#### Lindsay Schroeder, junior.

The very athletic pitcher/shortstop had another outstanding season for the Red Devils, batting .329 with a .433 OBP and a slug-

ging percentage of .565 and led the team with 48 total bases.

Schroeder also had a fielding percentage of .922 (combined pitcher and shortstop).

In the circle, Lindsay went 4-7 on the season, facing 300 batters, walking 21 and striking out 71 for an ERA of 4.91.

### ELLSWORTH

#### Ashley Drenth, senior.

Ashley was a solid force for the Lancers this season, winning seven games and improving as a pitcher each time she entered the circle.

Drenth was also a force at the plate, where she hit .410 for Ellsworth.

#### Hannah Heard, junior.

Hannah took over the

shortstop position this season, a position that was previously anchored by the 2013 graduation of Kari Steenwyk and she played the position well with a fielding percentage over .900.

Heard had a batting average of .500 and was credited by coach Linda Steenwyk as a good team leader.

### COACH OF THE YEAR

Coach of the Year honors for to Boyne City's Sandy Clausen. Clausen a 15 year veteran at the Rambler helm, helped direct the talented Boyne squad to a 19-7 season, one of the most successful years in recent history, which just happened to include a Lake Michigan Conference co-championship, their second straight district title and advancing to the regional finals before falling late in the contest to

eventual state champion Gladstone.

"We had good team chemistry, and just a bunch of kids that really like to play ball, and a lot of it," Clausen said. "It's that extra time in the offseason that makes them better ball players."

"I have to credit the kids that put in the work," she added. "They are the ones that work hard and make themselves better." "We have a number of kids that just enjoy the game."

Clausen also noted that one of the many highlights this season was the fact that the team blasted 18 home runs as a group, with eight of the twelve players on the roster going yard.

"I'm very proud of the way the team played as a team," Clausen noted. "Everyone filled their role, and we stayed strong together."

With the Ramblers only graduating two players in Rainy McCune and Katria Wilkins, the future looks just as bright as it ever has for the Boyne City softball program.

The All-Area "Dream Team" is selected based on coach nominations, the student-athletes character, performance and statistical data.

Those earning honorable mention are: Celena Brzezinski and Jordan Weiss - Boyne City; Sarah Benedetti and Calsey Matelski - Boyne Falls; Jennifer Archey - Charlevoix; and Tori Goodrich - East Jordan.

## Hubbard Lake tournament and Club picnic dinner

June 11 Club meeting and picnic,

1st place Ryan on left and Andy Colyer right

3rd place Mike McCain left, Jeff McFarland right

The Great Northwest BASS Anglers held the 2nd tournament of the season on Sunday June 8th on Hubbard Lake. The lake has been featured on a television series shot last year and shown during the winter and spring months. The professionals would have been impressed with our club results, especially considering how the weather was. Winds blew at a steady 20 mph first from the north then switched to the west making fishing conditions very difficult. As always however, someone will figure out what it takes to catch them and this event was evident of that.

The size of the bass on Hubbard Lake is definitely larger than the state average. While the length wasn't as we have seen on other lakes the weight for the length is superior. The fish were fat

and healthy. The diet for them on Hubbard is crawfish. And at times the bottom looks like its crawling from so many of the little crustaceans moving in herd like fashion.

The results finished with Mike McCain and Jeff McFarland winning with a sack of 10 fish weighing in at 35# 41/2oz. Second place was awarded to Joe Blossom and Jerry Hepner 30# 1oz and Third place was Andy Colyer and Ryan Koehn-Lofts with 28# 12.5 oz caught by Koehn-Lofts.

Club Meeting and picnic Great Northwest BASS Anglers know that fishing is fun. That is what the club is about; it isn't the only thing however. Family is still our number one priority and twice a year we get together with our wives to include them in our club. We do at

the end of the year and then in June we have our meeting and picnic on our regular scheduled meeting night.

A good time was had by all who attended and great food prepared by our in house chef, Andy Colyer. What is great from a membership level is how well everyone gets along. We have a great group of anglers and a great group of wives who genuinely like one another.

If you as a reader would like to know more about our club and are interested in joining. Contact Dan Miller club president at 231-350-0118 or email ejtv2674@yahoo.com or call Jerry Hepner at 231-350-8500 or email jerryhepner@yahoo.com

## Ford Explorer updated for 2015

New colors, features and a sporty new look ideal for summer

Ford Explorer brings new options to utility vehicle customers for 2015, including a sport-inspired appearance package that raises the bar on comfort and technology without breaking the bank, as well as new colors and features.

"Customers asked for more and this is our answer," said Matt Zuehlk, Ford Explorer brand manager. "We know consumers love the look of Explorer Sport; with this package, you get that for Explorer XLT. It looks bold and rugged, and offers impressive technology at a surprising value."

Available later this month, the new option brings even greater variety, as customer demand for utility vehicles increases. Explorer sales topped 20,000 in May for the first time since July 2005, with 20,346 vehicles sold. This is a 21 percent increase compared to May 2013.

Based on Ford analysis of Polk new vehicle retail registration data from IHS Automotive, Ford is gaining share in the millennial demographic, defined as buyers ages 18-34. According to the analysis, as vehicle registrations within this demographic have increased 33 percent since 2009, Ford's share has increased 72 percent, more than double the industry pace. That means retail share for the Ford brand in this age group grew from 9.4 percent in 2009 to 12 percent today.

Since 2009, Explorer has contributed 21 percent to Ford's overall growth in retail registrations within this coveted demo-

graphic.

"Explorer contributes more to Ford's millennial sales and share growth than any other passenger car or utility vehicle in the lineup," said Erich Merkle, U.S. sales analyst for Ford. "This is more proof Explorer attracts all types of customers with great looks and third-row versatility."

The new appearance package for Explorer XLT includes striking exterior details, with 20-inch machined aluminum wheels featuring painted pockets, black body-side cladding and roof rack rails. Other features include a Magnetic Metallic painted grille, mirror caps and liftgate appliqué, "EXPLORER" hood badge and body-color door handles.

Interior details include

leather-trimmed, heated front seats featuring Miko® suede inserts and contrast stitching, floor mats with special badging and auto-dimming rearview mirror. The package also features technology upgrades such as SYNC® with MyFord Touch®, two 4.2-inch color LCD screens in the instrument cluster, an 8-inch color LCD touch screen in the Meteorite Black center stack, two USB ports and an SD card reader.

## Question & Answers About Selling Real Estate

### A Timeline for Your Summer Move

#### Part 1 of 5

Compliments of Mike Stark, Coldwell Banker Schmidt Realtors East Jordan. (231) 536-7700

SCHMIDT REALTORS

Your best bet for a move that goes smoothly is to plan for it.

If you're one of the millions of Americans who have picked the summer months to move into a new home, you might see stress in your future.

But if you're organized, you can minimize the impact moving has on your family. Moving.com has created a timeline with useful tips on how families on the move can quickly get prepared for a seamless transition to their next home.

Moving Timeline and Tips for Summer Moves

4 weeks from move date:  
Get organized and start notifying the right people and companies that you'll be moving soon and give them a date to forward or terminate service. Start looking for licensed and professional moving companies, moving guides and relevant coupons.

Tip: If you're using a professional mover, get quotes from multiple moving companies to get the best deal that is right for you and your needs. Ask plenty of questions, like whether or not they give binding quotes and what kind of insurance is included. Be sure to talk with them about the different options available with full-service moves such as packing and unpacking services and providing boxes and packing supplies.

Tip: Important documents such as your child's school records may need to be accessible during your transition. Make sure to put these items aside and make copies of any records for yourself, in case you forget what box they're packed in.

Tip: Use the free Moving.com Address Changer service to save time and to ensure you've covered all the ground necessary to better ensure your move is seamless. Fill out change of address forms for creditors, doctors and personal providers. Schedule account closings for trash removal, gardeners, pest control, etc., and transfer utilities or other services that'll go with you.
