BOYNE CITY -- The Charlevoix Major Girls Little League Softball team bowed out of the State Finals with a 23-9 loss to Portage Lake on July 12 at the Boyne City Little League complex at Rotary Park.

In their final contest of the 15

team tournament, Charlevoix opened the scoring in the top of the first inning with a four run inning as Hannah Solomon walked to start the game and then stole her way to third and then scored on a delayed swipe of home to give the District 8 Champions a 1-0 lead.

Number two and three hitters; Krista Dorst and Annie Joy each followed Solomon by drawing walks of their own as did Marissa Salas the Charlevoix five hitter. Dorst, Joy and Salas would all come around to score with the aid of a few passed balls. The Portage Lake pitcher would walk six of the first seven batters before settling in and getting the final two outs of the inning.

Portage Lake would respond in the bottom half of the inning with a five spot of their own aided by a pair of hits and two Charlevoix errors.

The District 11 Champions would then add another three runs in the second and another run in the third for a 9-5 cushion as Charlevoix was limited to one run over the same time frame.

Portage Lake would then score six more times in the fourth to give them a 15-5 lead. Facing an early exit from the contest, Charlevoix dug deep and managed to push two runs across the plate as Solomon and Dorst each drew walks and motored around the basepath before scoring to keep the contest going.

Portage Lake then took advantage of the Charlevoix pitching change and added another eight runs to their total for a 23-7 spread headed into the bottom of the fifth.

Charlevoix's Maddie Lee earned a free pass just ahead of a Micayle Vondran single to start the inning, giving them two runners on with the top of the lineup coming up in the form of the speedy Solomon.

Hannah then took the first pitch she saw and ripped it into the outfield for a stand-up, two RBI double, but that's all the offense they would be able to put together, falling to Portage Lake 23-9.

Offensively for Charlevoix, Solomon doubled and Vondran singled, while the team was aided by 11 walks.

Solomon started in the circle with relief help from Ellie Louiselle. The two combined to strike out two and walk nine.

### Game 2

The Charlevoix Major Girls Softball team got off to a strong start on Friday, July 11, as leadoff hitter Hannah Solomon went 4-for-4 and scored four times and pitcher Baby Hang took control in the circle in leading the charge over Rochester Hills, 13-3.

Solomon doubled to start the bottom of the first and would come around to score, giving Charlevoix a 1-0 lead after one inning of play as Hang sent Rochester Hills down in order, striking out two in the process in the top portion of the inning.

inning, as Sophie Haan and Helen Hanchin walked to start the inning and came around on a Solomon single.

Rochester Hills would respond with a solo run of their own to tie the game at 1-1 before Charlevoix responded with three runs of their own in their half of the second inning.

Sophie Haan and Helen Hanchin walked to start the inning and came around on a Solomon single for a 4-1 lead headed into the third.

Rochester Hills would score once in the top of the third, cutting the lead to 4-2.

But the Charlevoix third would start much like the previous inning as Haan, Hanchin and Maddie Lee all walked to load the bases before Solomon singled, chasing in a pair of runs.

Hang and Annie Joy then belted back-to-back singles before scoring on a triple by Ellie Louiselle, giving the District 8 champions a 10-2 lead.

The District 4 champions would score their final run of the game in the top of the fourth, while

Charlevoix would add three more runs over the next two in-

nings as Elyssa Seger and Solomon crossed the plate in the fourth and Joy scored in the fifth, enforcing the 10-run mercy rule and a 13-3 Charlevoix victory.

At the plate for Charlevoix, Solomon had the four hits, Louiselle tripled, Marissa Salas doubled, while Hang, Krista Dorst and Joy all singled.

Hang picked up the win in the circle, allowing three runs on four hits, no walks and struck out 10.

### Game 1

Charlevoix opened the 2014 Little League Major Girls Softball State Finals with a tough draw against a strong District 10 Champion Gladstone team.

Charlevoix was limited to one hit in the four inning contest, a first inning single by Annie Joy.

Baby Hang took the pitching loss, allowing 12 hits and no walks in the four inning contest.

## Ford reveals new Focus ST at Goodwood Festival of Speed

The 2015 Ford Focus ST makes its global debut today at Goodwood Festival of Speed in the United Kingdom – the ideal venue for showcasing the enhanced driving dynamics of Ford's global performance version of the new Focus.

“Since its debut, Focus ST has been bringing our fun-to-drive DNA to the hot hatch segment with a uniquely Ford blend of driving dynamics, performance and style,” said Raj Nair, Ford group vice president, Global Product Development. “Now, with improved dynamics, an updated suspension, new styling and a more sophisticated cabin, we expect the 2015 Focus ST will remain the hottest hatch worldwide.”

Focus ST will benefit from technology and craftsmanship first revealed earlier this year for the new Ford Focus – the world's best-selling global nameplate. Ford introduced the first Focus ST in 2002; since then, more than 140,000 examples have been sold in more than 40 countries worldwide. Refinements for the upgraded 2015 Focus ST include:

- Redesigned, sportier front and rear fascias
- HID headlamps standard with ST2 and ST3 trim levels with Recaro seats
- Standard LED signature lighting
- 18-inch Rado Gray alloy wheels standard
- Available new 18-inch alloy wheel design with red painted brake calipers
- New exterior color, Magnetic Metallic, replaces Ingot Silver
- Two over-the-top stripe choices now available – Satin Black and High Gloss Red, stripes come with matching mirror skull caps
- Redesigned instrument panel center stack with improved climate controls and new finishes
- New center console with more storage space including a

new media bin with USB smart charging port, which charges two times faster than previous USB port

- Updated front door storage with cupholders
- New flat-bottom steering wheel to provide extra leg clearance for the driver
- Available heated steering wheel
- Available eight-way power driver's seat
- Revised steering for improved feel
- Rear view camera standard

Ford Team RS, the award-winning European arm of Ford's Global Performance Vehicle group, made improving the entire driving experience the No. 1 objective for the new Focus ST. The sports suspension features all-new front springs and sportier shock absorber tuning front and rear to deliver even sharper dynamic performance. The electric power-assisted steering has also been revised to provide the Focus ST driver with improved steering feel.

“We are proud Ford has long enjoyed a reputation for producing performance hatchbacks with superb driving dynamics, and the new Focus ST further ups the ante,” said Nair. “The en-

gineering enhancements to the suspension and steering deliver greater responsiveness, agility and precision – all of which will reward the performance enthusiast with an exhilarating driving experience.”

Ford's 2.0-liter EcoBoost® engine uses turbocharging, twin independent variable camshaft timing and high-pressure direct injection to deliver uncompromising performance. Peak output of 252 horsepower is available at 5,500 rpm, while torque peaks at 270 lb.-ft. at 2,500 rpm. The engine is paired exclusively with a six-speed manual transmission with a performance-oriented, short-throw shifter. The gear ratios – exclusive to ST – deliver rapid acceleration in lower gears and comfortable cruising at speed.

“The design of the new Focus is stronger and sportier, and that allowed us to make the new ST even more aggressive and dramatic,” said Moray Callum, Ford group vice president, Global Design. “The front bumper is deeper, the honeycomb upper grille is higher and more upright, and the lower grille is larger. The deeper rear bumper really emphasizes the width of the car.”

## Question & Answers About Selling Real Estate

### A Timeline for Your Summer Move

Part 4 of 5

#### 1 WEEK FROM MOVE DATE:

Set aside valuable items and keep those with you. Clean before moving and leave your house or apartment as clean as it was when you moved in.

Tip: Make sure the details for paying the moving company are taken care of. Some will require money orders or cashier's checks upon delivery; know their policy in advance to

avoid stress on moving day.

Tip: Start eating all the frozen foods you have, or give them to a neighbor or friend. This way you won't have to throw them away on moving day, or worry about packing an ice chest.

Tip: Also think about necessities for managing moving day like confining your pets and anticipating the amount of time you will need.

Tip: Place necessities such as toiletries, toilet paper, rags, "must-have" cooking supplies and organize

them in boxes marked "open first" so it's easy to find the initial items you'll want handy on those first few days of being in your next home. Don't forget the flashlight!

Tip: If possible, take one last tour of the new location and identify water and gas shut off locations, as well as the electrical breaker box just in case something happens in the first few days so you're prepared. Might be smart to drop off a fresh box of light bulbs too!
