Ramblers working hard in preparation of upcoming season

By Chris Fiel

"The conference championship, that battle for that is going to be exciting to watch, I think there are going to be a lot of schools in the run for that and I hope that at the end of the season, we're in a position where we can have a chance at that and more."

-Coach Hills

BOYNE CITY — A new season, a new conference.

With the Lake Michigan Conference and the Northwest Conference having merged together the creation of a new conference has been born. The Northern Michigan Football League, there will be two divisions, I and II.

The Ramblers will be participating in the NMFL Division I, but were still able to keep some of their competition from last year, although those contests will now be considered non-conference games.

"It's a new conference, but a lot of the names on the schedule are the same however," Boyne City coach David Hills said. "I was very happy with how the league merger shaped out and we were able to maintain our games with our close rivals. We have a long standing rivalries with Harbor Springs, East Jordan and Charlevoix. That was the most important thing to us, in all of that process that we had to maintain those game and we're happy that they were on the schedule."

Coming off a successful 8-3 season, in which the Ramblers finished with a 5-1 record in the Lake Michigan Conference and included a trip to the second round of the playoffs, Boyne has their sights set on competing for a league title and looking for a re-

2014 Boyne City Football coaching staff (L-R) assistant Mike McShane, head coach David Hills, assistant Dave Bricker and assistant Rick Applin. (PHOTO BY CINDA SHUMAKER)

turn to the postseason.

"In terms of playing for a conference championship, it's a little different, we've been bumped up into the larger school division, with schools like Benzie Central, Kingsley and Glen Lake," Hills noted. "The conference championship, that battle for that is going to be exciting to watch, I think there are going to be a lot of schools in the run for that and I hope that at the end of the season, we're in a position where we can have a chance at that and more."

So far this preseason,

coach Hills likes what he sees.

"The practices have been pretty good, a vast majority of the kids are in good shape, as a lot of them worked really hard this summer and it makes the first couple of practices go better. So from that standpoint, the kids are working really hard."

Hills also noted that things have gone much quicker than normal due to the experience of his squad.

"We have a lot of kids that have played a lot of football in our program, so in terms of offense, de-

fense and special teams, all of those have moved quicker. It has been a fun week in regards to that."

Coach Hills also doesn't put a lot of thought into expectations. "Every season takes on a life of its own and every season is different. Our concern is getting to the point to where we're prepared and as good as we can be."

"We're going to do a lot of the same stuff, we have a very athletic squad, so we're doing a lot to take advantage of that in different positions," he added. "On offense, we have kids that we will try and work

to get the ball to in space, and on the defensive side, were fast and physical, that's probably our strong point. We've got some talent that has played a lot of games there."

The Ramblers open the 2014 football season in a non-conference matchup on August 28 as they travel to East Jordan.

EAST JORDAN VOLLEYBALL SEASON PREVIEW

Red Devils looking to improve

By Chris Fiel

EAST JORDAN — With another season fast approaching, Red Devils veteran coach Anne Crick is looking forward to the start.

“We had a young team last year,” coach Crick said. “It will be good to see the improvement that experience has brought them this season.”

The Red Devils return some key members from last year's team in the form of seniors and third year varsity players; middle hitter, Kirsten Malpass as well as outside hitter and all-around player, Katie Spence.

“We will be counting on these girls for some big plays as they lead our team this season,” Crick added.

Also back on the hardcourt for EJ are senior Bailey Sweeney, where her

back row experience will be counted on along with juniors Jill Atwood (setter) and Adriana Dixon (libero) as well as outside hitter, sophomore Miranda Burkes.

The Red Devils will be welcoming some new faces to the varsity as sophomores Kassey Wojan (right-side hitter) and Mazzy Pepin (middle hitter) and a pair of freshman; all-around player Keegan Malpass and setter Abigail Peterson join the team.

“Many of our girls put in extra time this summer attending open gyms and scrimmages as well as attending a volleyball camp held in EJ put on by the “All American Volleyball Camp”. “I am excited to see all their hard work come together on the court.”

Northwest BASS Anglers Lake Charlevoix Tournament

First place Goober Berry(l) and Brian Webber(r)

Second Place - Mark Wilfong(l) and Ryan Koehn-Lofts(r)

Third place : Jeff McFarland(l) & Will DeBartolo(r)

SUNDAY AUGUST 17, 2014- The great Northwest BASS Anglers held their fourth tournament of the season on Lake Charlevoix. After heavy rains the day before the fish were again on the same bite the club has seen at the other three events; a tough bite. That said there are always some anglers who figure out a pattern to the fish and catch themselves a limit. That is always what it takes to getting the bite, the correct pattern. Some days it is more than one and others it is a single pattern that works. This tournament was mainly a jig bite in 10 to 16 feet of water.

The angler of the year race seems to be one where one angler has separated himself from the pack. Ryan Koehn-Lofts has developed a lead that will be very hard to beat in the final classic series event on Sage Lake in mid September.

In 3rd Place with 22&1/2 lbs was the team of Jeff McFarland and Will DeBartolo.

Second Place went to the team of Mark Wilfong and Ryan Koehn-Lofts with a team weight of 29 lb 6oz.

And the first place team with a winning weight of 33 lb 3oz was Brian Webber and Richard (Goober) Berry.

Brian also caught the big bass of the day with a not so smallmouth bass of 5 lb 11/2 oz.

If you would like to learn more about bass fishing and club fishing please give Jerry Hepner or Dan Miller a call. Jerry is 231-350-8500 and Dan is 231-350-0118

With the addition of Durango, the Dodge brand now offers the Blacktop Appearance Package on seven of its 2014 model year vehicles, including Charger, Challenger, Dart, Avenger, Journey and Grand Caravan. PHOTO COPYRIGHT CHRYSLER GROUP LLC.

2015 Chevrolet Colorado Starts at \$20,995

Includes extended cab, 200-horsepower 2.5L engine, 6-speed manual transmission

Suggested retail prices for the 2015 Chevrolet Colorado extended-cab pickup will start at \$20,995, including an \$875 dealer freight charge, Chevrolet announced today.

Standard features will include a 200-horsepower 2.5L four-cylinder engine with direct fuel injection and continuously variable valve timing for strong midrange torque; a 6-speed manual transmission; power windows with express up for the driver; a rear-vision camera with dynamic guide lines; and a locking tail-

gate.

"Colorado is an all-new mid-size pickup that offers truck customers great versatility and great value," said Tony Johnson, Colorado marketing manager. "It will also have strong appeal for people who know they want a truck, but want one that is easier to maneuver in traffic and easier to park at work or at home."

Available options will include a 305-horsepower 3.6L V-6, also with direct fuel injection and variable valve timing; a 6-speed automatic transmission; 4G LTE with a built-in WiFi hotspot; Forward Collision Alert and Lane Departure Warning; and the GearOn™ accessory system, a comprehensive solution for organizing and carrying bikes, paddle boards and other equipment.

Colorado customers can choose from two cab configurations, ex-

tended-cab and crew-cab. Crew-cab Colorados will offer a choice of 5- or 6-foot boxes; extended-cab models come with the 6-foot box.

Other Colorado models also will offer great value. For example, the Colorado LT crew cab with 2WD and the 5-foot box has a starting price, including dealer freight, of \$27,985. The Colorado Z71 crew cab 4x4 with the 5-foot box starts at \$34,990.

Colorado will be available in Chevrolet dealerships nationwide in the fall of 2014. Detailed pricing and EPA fuel economy estimates will be available closer to launch.

VehProf-GMColoradoPhoto; The all-new 2015 Chevrolet Colorado Z71 is built with the DNA of a true Chevy truck and is expected to deliver class-leading power, payload and trailering ratings. Colorado goes on sale in fall

Question & Answers About Selling Real Estate

Steps to get your lawn ready for fall

Compliments of Mike Stark, Coldwell Banker Schmidt Realtors East Jordan. (231) 536-7700

PART 2 OF 3

3. Rake the leaves

Raking leaves is no one's idea of fun, but it's important to remove fallen leaves from your lawn as soon as possible. Don't wait until all the leaves have fallen from the trees to start raking. If you do, the leaves will become wet from rain and morning dew, stick together and form an impenetrable mat that, if left there, will suffocate the grass and breed fungal diseases.

An alternative to raking leaves is to use a lawn mower with a collection

bag or vacuum system. This is ineffective if you have a large yard with many deciduous trees. Regardless of whether you use a rake or a lawn mower, be sure to remove the leaves before they turn into a soggy mess.

4. Fertilize for future growth

Most lawn experts agree: If you fertilize your lawn only once a year, do it in the fall. The reason? Grass leaves grow much more slowly as the weather turns cool, but the grass roots and rhizomes continue to grow quickly. Rhizomes are the horizontal plant stems that lie just beneath the soil's surface; they produce the blades

of grass above and the roots below.

A fall application of fertilizer delivers essential nutrients for the grass to grow deep roots now and to keep nutrients in reserve for a healthy start in the spring.

Wait until mid-to-late fall, then apply a dry lawn fertilizer to all grassy areas; don't miss any spots. You could use a crank-style broadcast spreader, but for optimum coverage, consider using a walk-behind drop spreader. It takes a little longer, especially on hilly yards, but a drop spreader provides the best way to apply an even, consistent layer of fertilizer.

Spacious East Jordan ranch has many recent updates

By Jim Akans

This spacious, elegant East Jordan ranch home ready and waiting for the new owner to move right in and the perfect place to call home.

There is just under 3,000 square feet of living space in this three-bedroom, three-and-a-

half bath residence. Among the many updates are Bruce oak flooring with a lifetime warranty, a new furnace and water heater, and new paint throughout. The rooms are generously sized and the main living and kitchen areas flow together seamlessly...great for entertaining. There is a stately stone fire-

place in the living room and the home also features central air conditioning and a hot tub! A breezeway (that could also make a great game room) leads to the attached garage that is big enough for three cars.

Outdoors there is over one-half acre of property and a second detached garage that is the

great spot for a workshop or hobby room. Located at 701 Josephine Street in East Jordan, this spacious, updated home is listed \$189,000. For additional information or to arrange for a tour, please call Jennifer Burr at Coldwell Banker Schmidt - East Jordan at 231-536-7700 or email Jennifer.burr@cbgreatlakes.com
