Red Devils that they were ready for the start of the 2014 football

Boyne City jumped out to an early lead and went on to defeat host East Jordan, 54-0 at Boswell Stadium.

The Ramblers (1-0) exploded out of the gates, taking a 7-0 lead just under two minutes into the game on a Maceo Vroman 43-yard punt return and Dalton Gardner extra

On Boyne's next possession, Malik Smith took the Ramblers first play from scrimmage and took off on a 23-yard scamper for a 14-0 lead as Gardner booted the point after.

Gardner would add a 67-yard touchdown run and a 32-yard punt return, sandwiched around a 15yard touchdown reception from Max Cuper for a 35-0 lead.

The Ramblers would eventually take a 41-0 lead at halftime, before adding 13 more points in the second half with a running clock.

Gardner would finish the game with 187 all-purpose yards and

four touchdowns, including two return scores and finished 6-of-8 on extra points.

The Boyne City ground game was led by backup James Roberson, who carried 24 times for 115 yards and a touchdown.

Tanner Kruzel finished with eight tackles to lead the Rambler defense, while Cole Butler and Luke Sage added seven apiece. Butler also added a sack.

"Boyne is a great football team, bigger, faster and stronger than we were," East Jordan coach Allan Peterson said. "(Rambler coach) Dave Hills has done a great job."

Boyne City will host Charlevoix on September 5 at 7pm, while East Jordan (0-1) travels to Hillman the same night. Both are non-conference contests.

Strong ground game/solid defense proves to be difference in opening week victory

By Chris Fiel

Charlevoix 13, Elk Rapids 12 ELK RAPIDS — Nate Moon and Will Telgenhof connected through the air for a 6-yard touchdown and Sam Hovie scrambled in on a 4-yard run as the Charlevoix Rayders defeated Elk Rapids 13-12 in the season openers for both schools on August

The Elks got on the board first as Kollyn Wilson picked off a Rayder pass and took it in from 55 yards out to give Elk Rapids an early 6-0 lead.

Charlevoix would respond late in the first half when Moon found an open Telgenhof along the right side and Telgenhof would muscle his way in from 6-yards out, knotting the game at 6-6.

"We had to overcome a lot of adversity in certain points in the first half," Charlevoix coach Ron Bindi said. "They capitalized on our mis-

Will Telgenhof (3) drags an Elk Rapids defender along for the ride as he crosses the goal line for the Rayders first score of the

take, but the kids stayed after it and played hard, which is a positive

The Rayders would strike first in the second half as Hovie took a handoff from Moon and rumbled in from 4-yards out. Hunter Cox would boot the extra point, which would turn out to be the difference in the game, for a 13-6 Charlevoix lead.

Elk Rapids would respond on their next possession following a long kick return as Wilson took off on a long touchdown run, bringing the Elks to within one after a failed two-point conversion attempt.

"Both teams had opportunities to score in the second half, but were unable to," Bindi added. "Good team win and start to the season."

Charlevoix would rush for 208 vards as a team, lead by Hovie who tallied 111 yards on 15 carries, while Moon added 36 yards and Bryan Noirot added 34.

Moon finished with 106 yards through the air and a touchdown on 7-of-10 passing. Austin Putman proved to be a go-to target as he caught three passes for 56 yards, while Telgenhof added three receptions for 17 yards and a score, and Ben Boss finished with 23-yards on one reception.

On the defensive side of the ball, Putman finished with eight tackles and Noirot added six to lead the

"We had good play from our defensive secondary," coach Bindi said. "Also, our offensive line did a really good job."

Charlevoix (1-0) travels to Boyne City (1-0) on September 5 for a nonconference matchup, kickoff is 7pm.

Charlevoix's (12) turns the left corner and makes his way upfield against the Elk's defense. (PHOTO BY SCOTT RICHARDS)

VARSITY VOLLEYBALL

Rayders host conference quad-meet

By Chris Fiel

CHARLEVOIX — The Rayder volleyball team hosted their first conference quad meet of the season, welcoming Grayling, Harbor Springs and Traverse City St. Francis on August 27.

Charlevoix defeated Grayling 25-21, 25-19 and 25-21.

"We tried a new rotation (against the Vikings)," coach Audra Randall said. "We definitely had some obstacles but the girls overcame it and that is growth in itself.'

Against St. Francis, Charlevoix would fall, 18-25, 10-25 and 22-25.

"We were much better on serve receive than in the past and still did some good things, especially in the third set tied up with several lead changes by one point," the coach added. "I still think we can be more competitive with TCSF. We never seemed to get on a continuous roll to make a run at any point."

In their final match of the day against the Rams, the Rayders were victorious. 24-14, 26-24 and 25-14.

"The girls had fun in this match and after having a team meeting after the TCSF game, they realized there was no fun in the TC match and that's when they play their best," Randall noted. "They brought that element to the court with Harbor Springs and it show in their execution of the game in games one and three."

On the day for the Rayders, Alexis Tribfelner finished with 27 digs, seven aces and 94 percent serve receive, while Madeline Boss added 32 kills, 29 digs, four aces and four blocks.

Also for Charlevoix, Olivia Storm had 43 assists, 12 digs and four aces; Yogi Hang contributed 46 digs and eight aces; Gloria Greene had 24 assists and 16 kills; Emily Zabawa added 19 kills;Hanna Zipp finished with nine kills; Hailey Berry had 12 aces and eight kills, and Becca Moon chipped in with eight kills.

"Alot of good things showed itself in these matches other than the loss to TCSF," coach Randall said. "We continue to want more out of our team realizing how important it is to function as a team and not individuals. This a great group of girls who want to play better together. They have the pieces and we are putting it together. Its early in the season and taking a second at our opening tournament was definitely a boost

too, indicating we can work as a team." The Rayders improve to 7-2 overall, 2-1 Lake Michigan Conference on the sea-

Charlevoix travels to East Jordan on September 11 for a LMC Tri-meet at 5:30pm.

DNR NEWS

Elk Season round two begins next week

By Amanda Monthei

Largely because of the wildlife management practices that went into its reintroduction and current well-being, the Pigeon River Country elk herd is heralded as an environmental success story.

An annual average of less than 1,000 animals make up the winter elk herd in the large expanse of state land between Indian River and Atlanta. These elk are descendants of the seven western breed elk that were reintroduced to the central region of northern lower Michigan in 1918 following a total eradication of the native Michigan elk herd in 1875. Since their reintroduction, the herd has grown so large that it is now known unofficially as the largest elk herd east of the Mississippi River.

Taking this all into account, having the opportunity to hunt the Pigeon River Country elk herd is truly a once-in-a-lifetime experience for those lucky enough to araw an eik tag. in fact, once an individual is awarded a license — whether

they harvest an elk or not they cannot again apply for or receive another elk license in their lifetime. Most hunters have gone decades (the elk hunt began on an annual basis in 1984) without ever being randomly selected to pull a tag.

In 2003, with the introduction of a new weighted licensing process, those who apply every year are given additional 'chances' at the hunt for every previous year they applied for the hunt. For example, 3,066 of the 29,997 individuals who applied for an elk tag this year were 12-time applicants having applied for an elk tag every year that the new system has been in place but with no luck and as such would have 12times the chance at a license. But with only 100 total (30 anyelk licenses and 70 antlerless licenses) licenses given out this year, the chances remain out of the applicant's favor.

Still, the 100 hunters who were chosen this year down from 200 out of 32,578 total ap plicants in 2013 began the first series of elk hunts last week.

Three series of hunts will continue throughout the month of September, during which the DNR hopes to reach a quota of 15 filled any-elk tags and 35 antler-less elk tags. An additional hunt in December will hopefully fill the remainder of each hunts quota (15 any-elk tags and 35 antlerless) but an 'overtime' hunt in January may be utilized to top off any unfilled quotas.

Historically, however, quotas are filled quickly, and to make the process even more revered, the limited tags that are licensed can only be issued to Michigan residents.

Prior to taking to the elk habitat near the Sturgeon and Pigeon Rivers north of Gaylord and just east of Wolverine, hunters are required to take an elk hunt orientation course.

According to the DNR website, because of seasonal mating behavior, the month of September is also an ideal time to view elk. Bulls typically begin demonstrating their dominance to the females during in the early fall, and can be

seen vying for mating rights by bugling and pushing brush with their antlers.

For those interested in finding elk, DNR offices in Gaylord and Indian River have physical maps of typical elk viewing sites, while the DNR website also highlights good places to find an elk herd. Still, it should be noted that elk are wild animals and are not all that easy to find patience and persistence will be helpful for those looking for elk this fall.

The first of three early fall elk hunting periods lasted from August 26-29. The next will cover three days in mid-September (12-15) and the final September period will land on the 26-29. The early fall elk hunting season excludes a large portion of Pigeon River Country from the hunting unit, including small sections of Cheboygan, Otsego, Montmorency and Presque Isle between Onaway and Atlanta. A map of the early fall as well as the early winter found on the DNR website.

Automotive Review

The Insurance Institute for Highway Safety (IIHS) today named the all-new 2015 Chrysler 200 mid-size sedan a 2014 Top Safety Pick +, its highest rating, when equipped with front crash prevention. PHOTO COPYRIGHT CHRYSLER GROUP LLC.

2015 Chrysler 200 Named a 2014 Top Safety Pick Plus by the Insurance Institute for Highway Safety

The Insurance Institute for Highway Safety (IIHS) today named the all-new 2015 Chrysler 200 mid-size sedan a 2014 Top Safety Pick +, its highest rating, when equipped with front crash prevention.

"The 200 aced the challenging small overlap front test with a good rating in every measurement category," said IIHS President Adrian Lund. "Chrysler should also be commended for offering forward collision warning with autonomous braking on this mainstream midsize car. Our research shows that these systems are effective in preventing some kinds of crashes from happening altogether."

IIHS testing simulates a side impact with a large SUV or pickup truck, front moderate-offset impact, roof-crush consistent with a rollover, a rear collision capable of inducing whiplash, a new smalloffset frontal impact and new crash prevention evaluation. In the small overlap test IIHS notes that "the driver's space was maintained well, and injury measures recorded on the dummy indicated a low risk of any significant injuries in a real-world crash of this severity." In each of the tests the 2015 Chrysler 200 recorded the highest ratings.

"The all-new 2015 Chrysler 200 will be the new benchmark for mid-size sedans, offering customers a beautifully-crafted sedan loaded with features drivers and passengers appreciate, an exceptional driving experience, fuel economy of up to 36 mpg highway, all at an exceptional value" said Al Gardner, President and CEO -Chrysler Brand, Chrysler Group LLC. "With a standard nine-speed transmission, innovative available

all-wheel-drive system and 60 safety and security features, the IIHS Top Safety Pick + rating for the new 200 is the icing on the cake for customers, giving them added peace of mind."

The 2015 Chrysler 200 is all-new from the ground up, charting a new course for mid-size sedan customers.

The 2015 Chrysler 200 debuts a beautiful exterior design featuring the new "face" of the Chrysler brand – a thoughtful, exquisitely crafted interior and an exceptional driving experience, complements of a segment-first nine-speed automatic transmission and full electronic shifting. With the choice of two world-class engines, an innovative all-wheel-drive system, available sport mode and paddle shifters for an engaged driving experience, and highway fuel economy of 36 miles per gallon (mpg), the 2015 Chrysler 200 makes the commute something drivers will look forward to.

The 2015 Chrysler 200 is a showcase of advanced safety and security technology, offering a comprehensive array of driver warning and assist systems and state-of-the-art occupant restraints. The 2015 200 offers the most available safety and security features in the segment with 60.

The new 2015 200 features multiple segment-exclusive features, which utilize sensing elements that leverage available ultrasonic, radar, camera and other technologies for a 360-degree view of the road. Segment-exclusive available features include:

Adaptive Cruise Control-Plus: that, under certain circumstances can bring the all-new 2015 Chrysler 200 to full stop without driver intervention

- Full-speed Forward Collision Warning-Plus: a Chrysler Group first that provides autonomous braking and, under certain circumstances, slows or brings the vehicle to a full stop when a frontal collision appears imminent

- ParkSense Parallel/Perpendicular Park Assist: uses ultrasonic sensors to guide the driver into parking spaces. The perpendicular park assist function is a segment

- Also unique to the 2015 Chrysler 200 is the segment-exclusive standard electronic park brake with SafeHold, which secures the vehicle if the driver opens the door and unlatches the seat belt while forward or reverse gears are still engaged.

Other standard and available features include electronic stability control, electronic roll mitigation, four-wheel anti-lock disc brakes, ParkSense rear backup sensors, ParkView rear backup camera, blind-spot monitoring, Rear Cross Path Detection and LATCH child seat anchors. In addition, the all-new 200 is constructed with approximately 60 percent advanced-technology steel, which contributes to a strong safety cage

and robust crashworthiness. The 2015 Chrysler 200 is designed, engineered and built, with pride, in Michigan. With a major investment of more than \$1 billion, Chrysler Group's Sterling Heights (Mich.) Assembly Plant (SHAP), once slated for closure, sports an all-new paint shop using leadingedge technology, a new, fully robotic body shop and an upgraded assembly area, setting the stage for the world-class craftsmanship found in the all-new 200.

Real Estate Corner

Question & Answers About Selling Real Estate

A Short Guide to Real Estate Lingo and Acronyms

Compliments of Mike Stark. **Coldwell Banker Schmidt Realtors**

SCHMIDT REALTORS

East Jordan. (231) 536-7700

Part 1 of 2

Real estate ads are usually full of acronyms and terms that are unfamiliar to first-time buyers. Here's a cheat sheet to let you in on the lingo.

4B/2B — four bedrooms and two bathrooms. "Bedroom" usually means a sleeping area with a window and a closet, but the definition varies in different places. A "full bathroom" is a room with a toilet, a sink and a bathtub. A "three-quarter bathroom" has a toilet, a sink and a shower. A "half bathroom" or powder room has only a toilet and a sink.

assum. fin. — assumable financing closing costs — the entire package of miscellaneous expenses paid by the buyer and the seller when the real estate deal closes. These costs include the brokerage commission, mortgage-related fees, escrow or attorney's settlement charges, transfer

taxes, recording fees, title insurance and so on. Closing costs are generally paid through escrow.

CMA — comparative market analysis or competitive market analysis. A CMA is a report that shows prices of homes that are comparable to a subject home and that were recently sold, are currently on the market or were on the market, but not sold within the listing period.

contingency — a provision of an agreement that keeps the agreement from being fully legally binding until a certain condition is met. One example is a buyer's contractual right to obtain a professional home inspection before purchasing the home.

dk — deck

expansion pot'l — expansion potential mean that there's extra space on the lot or the possibility of adding a room or even an upper level, subject to local zoning restrictions.

fab pentrm — fabulous pentroom, a room on top (but under the roof) that has great views

FDR — formal dining room fixture — anything of value that is permanently attached to or a part of real property. (Real estate is legally called "real property," while movables are called "personal property.") Examples of fixtures include installed wall-to-wall carpeting, light fixtures, window coverings, landscaping and so on. Fixtures are a frequent subject of buyer and seller disputes. When in doubt, get it in writing.

frplc, fplc, FP — fireplace gar — garage

(garden is usually abbreviated as "gard.")

grmet kit gourmet kitchen

Featured Property

Classic Cape Cod on nearly five acres close to East Jordan

By Jim Akans

The Cape Cod is a classic style American home. That architecture perfectly fits the scenic landscape for this week's feature listing situated in near the charming town of East Jordan.

Set upon four point eight acres of rolling countryside, this four-bedroom, two-bath

home has a spacious 1,600 square feet of nicely appointed living area on the main two floors. Plus the full basement level has walls that have been wired for electric and finished in drywall. So there is even more space ready for expansion.

Highlights of this freshly renovated home include hardwood flooring in many of the living

areas and new carpeting in the bedrooms. The kitchen is nice and open, and it is filled with new stainless steel appliances. There is a raised deck on the rear of the home overlooking the wonderful grounds, and the home has an attached two-car garage for added convenience.

This is classic American living in classic American style.

Located at 9113 Graham Road near East Jordan, this Cape Cod on nearly five acres is listed \$134,900. For additional information or to arrange for a tour, please call Mike Stark at Coldwell Banker Schmidt - East Jordan at 231-536-7700 or email Mike.stark@cbgreatlakes.com
