Boyne City rumbles past Charlevoix as ground game racks up 313 yards

By Chris Fiel

Boyne City 42, Charlevoix 0

BOYNE CITY — It didn't take long for either team to showcase how they prepared for each other as the two school longtime rivals met up in a non-conference battle in week two of the high school sports season at Boyne City's Earl Brotherston Field, where the Ramblers would come out on top 42-0 on September 5.

The Rayders received the opening kickoff and used their physical style of play to pound the ball on the ground behind the rushing of senior running back Sam Hovie as they marched down to the Boyne City 20-yard line and following a Rambler sack, the drive would stall and Charlevoix would eventually turn the ball over on downs.

In similar fashion to week one, the Ramblers would take the ball on their own 33 and on their first play from scrimmage, senior Maceo Vroman would take the ball and scamper around the right end and zig-zag his way around and through the Charlevoix defense with the assistance of some great downfield blocking by his fellow Ramblers, resulting in a 67-yard touchdown run and a quick Boyne City lead at the 5:24 mark of the opening quarter. The point after attempt by senior Dalton Gardner would be successful, giving Boyne City a 7-0 advantage.

On Charlevoix's next drive, the Rayders would again move the ball against the Rambler defense, highlighted by a Nate Moon to Will Telgenhof 33-yard completion.

Boyne's Cole Butler would then sack Moon and on the next play, the Ramblers Mac Alexander would force a fumble that would be recovered by teammate Will Calo.

Following a Rambler penalty, Boyne fullback Malik Smith would help move the chains as he plowed his way for gains of 13 and 10 yards respectively. Vroman would then get the carry on the next play and once again blitz his way through the Rayder defense finally being pulled to the ground near the goal line before being called down at the ½ yard line. BC quarterback Max Cuper would take the next snap and sneak it in for a 1-yard touchdown run, and following the extra point, Boyne City would lead 14-0.

On the ensuing kickoff, the Ramblers surprised everyone as kicker Tanner Kruzel booted an inside kick that Boyne would recover in Rayder territory. After a few runs by Smith the quarter would end.

The Ramblers would open the second quarter by handing the ball to Smith once again and the junior would deliver, moving

swiftly up the middle for a 25-yard score, just seven seconds into the quarter for a 21-0 lead.

"We got out on top of them quick and handled them appropriately," Boyne City coach David Hills said. "The kids didn't relax and continued to pressure them and get after it."

Following an interception by Cuper, Boyne would add another score before the half as Cuper found Kruzel for a 15-yard scoring strike for a 28-0 lead at the half.

The first half would be played with the physicality and edginess one would expect from such an intense rivalry contest, with a lot of talk and some extra bumping after the plays.

"It was a typical physical game that we always seem to have against Charlevoix," Hills added. "The kids played well and they handled the game and responded to some adversity well. We knew they (Charlevoix) would move the ball against us, so we had to make the necessary stops."

Following intermission, the Ramblers Vroman would add to his total as he once again take off on a long run, this time for 75 yards, giving BC a 35-0 lead after the extra point. Vroman would tack on another touchdown run of five yards with seven minutes left in the contest.

Place kicker, Gardner was 6-of-6 on the night for the Ramblers.

"We aren't the type of team that handles adversity well," Rayder coach Ron Bindi said. "We lacked mental concentration, we would move the ball, turn it over and they scored."

Offensively for Boyne City, 2-0, Vroman would rush for 157 yards on four carries and three scores, while Smith would add 108 yards on eight rush attempts and a

Red Devils fall to Hillman

By Chris Fiel

Hillman 42, East Jordan 0

HILLMAN — The Tigers got out to a slow lead before eventually pulling away from the visiting Red Devils as Hillman defeated East Jordan 42-0 in non-conference action on September 5.

The Tigers were able to get on the board in the first quarter for a 6-0 lead and then added 14 more points in the second quarter for a 20-0 half-time lead.

Hillman would tack on 16 more in the third quarter and an additional six in the final stanza for the final scoring.

The Red Devils 0-2, would be lead offensively by Rylee Kibler with 48 yards rushing on 12 carries, Trey Peterson added 16 yards on nine attempts, while Wyatt Crick chipped in with 12 yards on four carries.

Peterson finished 1-of-4 passing for 9-yards and an interception, while Marco Mata

grabbed the reception.

Defensively for East Jordan, Mata finished with seven tackles, Bob Sherman added four and Bailey Sargent had three. Noah Raymond added an interception.

“We were hurting a bit without our starting QB, but all the credit goes to Hillman, they outplayed us,” East Jordan coach Allan Peterson said. “We ended our first two series in the red zone, but were shut down. Our kids kept fighting and never gave up.”

The Red Devils travel to Kalkaska on September 12. Game time is 7 p.m.

Results from September 6.

East Jordan PeeWee Red fell to the Petoskey Bulldogs, 12-6.

DJ Wheeler rushed for 70 yards on five carries, Jonathon Aungst added 20 yards rushing, while Hayden Peck added 20 yards receiving and Weston Dean played a solid QB, going 2-of-4 passing.

Wheeler led the defense with seven tackles, while Peck and Aungst added five and four re-

spectfully.

East Jordan Midgets were defeated by the Petoskey Wildcats 12-0 in a hard fought battle.

Levi Pepin carried six times for 42 yards to lead the ground game and Dominic Williams had a 12-yard reception.

JJ Weber led the team with six tackles, while Pepin and Caleb Boyer finished with four tackles each.

Weber was also credited with a 45-yard punt and Judy Veldboom

played a strong offensive line with no defensive advancement on her position.

East Jordan PeeWee Black lost to the Petoskey Spartans 18-0.

Carter Sherman, Mason Malpass, Ethan Antaya and Granger Kitson played a good defensive front with five tackles each. Sherman and Kitson each recorded tackles for a loss.

touchdown, while James Roberson finished with six rushes for 33 yards. The Ramblers finished with 313 yards rushing on the night.

Cuper went 2-of-6 passing for 21 yards and a score, Kruzal caught both passes and the touchdown.

On the defensive side of the ball, Vroman finished with nine stops from his defensive back position, while Luke Sage and Kruzal each added seven stops. Sage added two sacks and an 81-yard fumble recovery that came up just short of the end zone.

"We got beat on all aspects, mentally and physically," Bindi noted. "We can't do that against good teams like this. Boyne City is a very good football team. Those are things we have to work on to be at that level."

"Hopefully we can rebound and get back on the right track," Bindi added. "We have to move ahead and can't look back."

For the Rayders, 1-1, Hovie led the offensive ground game with 37 yards on 12 carries, while Moon finished 10-of-20 passing for 135 yards and an interception.

Telgenhof grabbed four passes for 34 yards, while Austin Putman hauled in two passes for 74 yards and Hovie added a catch for nine yards.

Defensively, Hovie recorded seven tackles to lead Charlevoix, while Telgenhof and Bryan Noiro recorded five stops each.

The Ramblers travel to Harbor Springs on Friday, September 12 at 7 p.m., while Charlevoix hosts Coleman at 3 p.m. on Saturday, September 13.

Boyne City senior, Maceo Vroman (10) avoids the grasp of Charlevoix's Austin Putman (6) for a long gain. Vroman would finish the game with three scores and 157 yards rushing. (PHOTO BY CINDA SHUMAKER)

SCHMIDT REALTORS

Part 2 of 2

Real estate ads are usually full of acronyms and terms that are unfamiliar to first-time buyers. Here's a cheat sheet to let you in on the lingo.

HDW, HWF, Hdwd — hardwood floors

hi ceils — high ceilings

in-law potential — potential for a separate apartment, subject to local zoning restrictions

large E-2 plan — this is one of several floor plans available in a specific building

listing — an agreement between a real estate broker and a home owner that allows the broker to market and arrange for the sale of the owner's home. The word "listing" is also used to refer to the for-sale home itself. A

home being sold by the owner without a real estate agent isn't a "listing."

lo dues — low homeowner's association dues. But find out how "low" the dues are compared to other dues in the area.

lock box — locked key-holding device affixed to a for-sale home so real estate professionals can gain entry into the home after obtaining permission from the listing agent

lsd pkg. — leased parking area. May come with additional cost.

MLS — Multiple Listing Service. An MLS is an organization that collects, compiles and distributes information about homes listed for sale by its members, who are real estate brokers. Membership isn't open to the general public, although selected MLS data may be sold to real estate

listings Web sites. MLSs are local or regional. There is no MLS covering the whole country.

nr bst schls — near the best schools

pot'l — potential

pvt — private

pwdr rm — half bathroom or powder room

REALTOR® — a real estate broker or sales associate who is a member of the National Association of REALTORS®. Not all real estate agents are REALTORS®.

title insurance — an insurance policy that protects a lender's or owner's interest in real property from assorted types of unexpected or fraudulent claims of ownership. It's customary for the buyer to pay for the lender's title insurance policy.

upr — upper floor

Price just reduced on custom home in wooded setting near Boyne City

By Jim Akans

Tucked neatly into a gorgeous wooded setting, this custom built classic colonial style home offers a plethora of amenities and options for virtually any lifestyle.

The three-bedroom home features over 1,900 square feet of living space. The versatility of this home begins with having potential for fourth bedroom and it is also plumbed for a second full bath. There is bonus space above the garage just waiting to be transformed into a game room, media center, guest apartment or nearly anything the new homeowner desires.

Interior highlights include an open main level floor plan that is perfect for entertaining family and friends. Among the home's many amenities are wood floors, wood burning stove, a stately fireplace, durable metal roof, and a full walkout basement.

This custom built and versatile home is located at 2405 Er-

ickson near Boyne City and the listing price has just been reduced to \$159,900. What a value! For a more information or to arrange a home tour, call Marty

Moody or Christopher Christensen at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email Marty@lyndas-realestateservice.com or

Chevrolet Silverado Gears Up for 2015

New 8L90 eight-speed automatic supports capability, enhances efficiency

The all-new, GM-developed Hydra-Matic 8L90 eight-speed transmission is matched with the available 6.2L EcoTec3 V-8 engine in the 2015 Chevrolet Silverado 1500, supporting the pickup's capabilities with greater efficiency and refinement. It was designed with 11 percent greater torque capacity than GM's 6L80 six-speed automatic transmission, complementing the output of the 6.2L, which – at 420 horsepower and 460 lb-ft of torque – is the most powerful engine offered in a light-duty pickup. EPA estimated fuel economy will be announced closer to the start of production in the fourth quarter of 2014.

“The new 8L90 eight-speed is designed tougher to handle the greater power of the Silverado's powertrains, with great improvements in spin loss to complement that capability with greater efficiency,” said Kavos Kaveh, global chief engineer for eight-speed automatic transmissions. “It is a marvel of packaging efficiency and driving efficiency that has garnered more than two dozen patents for General Motors.”

With four simple gearsets for optimal efficiency and five clutches (two brake clutches and

three rotating clutches), creative packaging enables the new eight-speed automatic to fit the same space as the previous six-speed automatic, with a lower weight. A wider 7.0 overall gear ratio spread provides a numerically higher 4.56 first gear ratio, helping drivers start off more confidently with a heavy load or when trailering.

The 2015 Silverado 1500 equipped with the 6.2L engine and eight-speed automatic transmission will have a maximum available trailer rating of 12,000 pounds, based on

Smaller steps between gears, compared to the 6L80, keep the engine within the sweet spot of the rpm band, making the most of its horsepower and torque to optimize performance and efficiency. They also enable numerically lower rear axle ratios, which reduce engine rpm on the highway for reduced fuel consumption.

Additionally, friction-reducing design features – including all-new synthetic fluid – and lower spin losses via a powerflow that uses only two open clutches contribute further to efficiency. A new torque converter design with turbine damper enhances refinement, particularly during low-speed gear changes, for smoother performance when the truck is loaded or pulling a trailer.

More than 550 computer-aided engineering analysis were made during the development of the 8L90 to ensure strength, durabil-

ity, performance and refinement. The architecture features a one-piece case with an integral bell housing for enhanced powertrain stiffness.

Similar to GM's six-speed automatic design, the eight-speed's architecture locates the grounding clutches rearward of the middle of the structure, outside the gearsets. However, the grounding clutches are splined to the case, eliminating the center support, which reduces weight.

This architecture also features a turbine shaft node that reaches to the outside of the barrel, enabling easy execution of a high-resolution magnetic speed sensor. The turbine shaft itself is very short, keeping oil channel drill lengths to a minimum. The rotating clutches are located near the front of the transmission, with short oil feed channels, supporting very fast shifts.

Shift time quickness and improved responsiveness are accomplished with a new Gen II controls system. VFS solenoid technology and three internal speed sensors give the 8L90 the capability for world-class shift performance. The new transmission controller is mounted external to the transmission and has processor that executes hundreds of calculations and commands every 6.25 milliseconds.

The 8L90 is built at GM's Toledo, Ohio, transmission facility.
