# Ramblers down Elks in close contest

By Chris Fiel

## Boyer City 28, Elk Rapids 23

BOYNE CITY — It wasn't pretty, but a win is a win.

The Boyne City football team came away with a hard-fought, back and forth, down to the wire, Northern Michigan Football League I victory over the visiting Elk Rapids Elks 28-23 on October 17 at a rain soaked Earl Brotherton Field.

Boyer City survived a late drive by the Elks, which had marched inside the Rambler 10-yard line with under 20 seconds to play, but when Elk Rapids quarterback Adam Trautman brought his team to the line of scrimmage to set up a quick spike of the ball to stop the clock, he lost control of the rain slicked football and it slipped out of his hands as he fumbled it across the line and Boyne City's defensive linemen Connor Beebe pounced on it, giving the Ramblers possession and the ability to run out the clock and secure the win.

With the victory, Boyne City clinches at least a share of the Northern Michigan Football League I title in the league's inaugural season.

Things got off to a rocky start for the Ramblers, as their first play from scrimmage deep in Boyne territory, a botched handoff squirted free and into the hands of the Elks defense, giving Elk Rapids the ball and a short field to work with just 10 seconds into the contest.

The Elks would waste little time in finding the endzone as Trautman would hook up with a wide open Kole Douglas for a 13-yard touchdown pass at the 10:23 mark, a successful extra point by Rob Wolfington and Elk Rapids was up 7-0, putting the Ramblers behind and in unfamiliar territory this season.

Boyer City however, would respond on their next drive from their own 32, as senior quarterback Max Cuper connected with a wide open Tanner Kruzell and the junior tight end raced up the right sideline for a 67-yard touchdown. A Dalton Gardner point after attempt would knot the game at 7-7 not even two minutes into the game.

Trautman and the Elks would answer the Ramblers long pass play with a 74-yarder of their own as his

favorite target, Douglas found a seam in the defense and looked to be off to the races, only to be chased down by Rambler defensive back Gardner at the Boyne City 1-yard line. One play later and the quarterback would take it in on a keeper for a 14-7 Elks lead at 9:25 of the first quarter.

Boyer would again, bounce back with a long drive of their own, capped off with a Malik Smith 8-yard touchdown run, a missed extra point and the Elks held a slim 14-13 lead with just over five minutes remaining in the quarter.

On the Elks next possession, Trautman once again looked to thread the needle,

only this time, Rambler Mac Alexander was there waiting as he picked off the pass and returned it to the Elks 9-yard line.

Maceo Vroman would eventually take it in from 5-yards out and tack on a Cuper keeper for the two-point conversion and Boyne took their first lead of the contest 21-14 with 3:26 to go in the opening quarter.

During the second quarter, both teams would move the ball, only to have their drives stall, and the score at the break would remain 21-14.

After intermission, Elk Rapids would chew up four and a half minutes on the

clock, marching down the field to within field goal range, setting up a 25-yard boot by Wolfington to pull the Elks to within 21-17.

On the Ramblers ensuing possession, they would take their shot at eating up some valuable time on the clock, moving down the field to the 3-yard line as the third quarter expired.

Smith would open up the fourth quarter, finding paydirt from 3-yards out, giving Boyne a 28-17 lead with 11:57 to go in the game.

Boyer would stop the Elks on their next two possessions as Cuper and Kruzell took turns making huge third down sacks, forcing Elk Rapids to punt

on both occasions.

Elk Rapids still wasn't done as they forced the Ramblers into punting and then pushed downfield in just over two minutes, capped by a Trautman keeper from 1-yard out, pulling the Elks to within 28-23 with 3:24 remaining in regulation.

Boyer City's Logan Sulak recovered the Elks attempt at an inside kick, the Ramblers looked to run out the clock, but on fourth and one from the 40-yard line, the Elks made a push and stopped the Ramblers, forcing a turnover on downs with 1:44 left setting the stage for the Elks to drive deep into Boyne territory before the turnover inside the 10-yard line.

"Big win for us!" Rambler coach David Hills said. "We controlled large portions of the game, we just gave them too many chances with turnovers and penalties."

Offensively for the Ramblers, Smith led a ground attack that amassed 292 total yards with 158 yards of his own on 30 rush attempts, while Vroman zigged and zagged his way to 89 yards on 12 carries, Cuper added 28 yards on five attempts and Alexander chipped in with 17 yards on the ground.

also led the hard-nosed Rambler defense with nine stops to go with his big sack, while Luke Sage added eight tackles; Alexander tackled on seven in addition to his interception and Kruzell recorded six tackles.

Boyer City, 8-0 overall, 5-0 league, will host Grayling on October 24 in their regular season finale, looking to finished with a 9-0 record and an outright conference title.

"This week will be a tough test against Grayling, who have a similar style of play as Elk Rapids," Hills added.

## Red Devils come up short

By Chris Fiel

### Harbor Springs 8, East Jordan 6

EAST JORDAN — The East Jordan football team put up a valiant effort, but came up just shy in battling both Mother Nature and the Harbor Springs Rams in falling 8-6 in a Northern Michigan Football League II contest on October 17.

"The kids played hard, but just came up short," East Jordan coach Allan Peterson said. "We're proud of their effort and never giving up."

The Red Devils dominated the time of possession, holding the ball for 37:30 compared to that of the Rams 19:19, but could only find the end zone one time.

With the contest going back and forth on the rain soaked field for a majority of the first two and a half quarters, the Rams were finally able to get on the scoreboard as Jason Wixon took a handoff and plowed his way in from two yards out. Following a successful two-point conversion by Jack Carter, Harbor led 8-0 with 4:20 remaining in the third quarter.

East Jordan would then punt away their next possession, setting the stage for a big defensive stand by the Red Devils which held the Rams to a four and out, resulting in a punt attempt on fourth down that was successfully blocked by EJ's Marco Mata and recovered by teammate Wyatt Crick at the Harbor 15 yard line.

13 yard run on second down. Mata would then plunge in from that point on the very next play, pulling EJ to within 8-6 with 11:12 to play in regulation

following a missed extra point attempt.

The Red Devils would get two more cracks on offense over the remaining part of the quarter

only to have a pass picked off and then turned it over on downs, allowing the Rams to run out the clock.

Offensively for EJ, Jordan Peterson and Mata each rushed eight times for 37 and 30 yards respectively, while Graham added 28 yards on eleven attempts and Trey Peterson added 12 yards.

Through the air, Jordan Peterson was 3-of-5 passing for 26 yards and an interception, Noah Raymond hauled in two of those for 22 yards.

Bob Sherman led the Red Devil defense as he was in on nine tackles, while Raymond and Mata each added seven stops. Jack Manwell, Andrew Drenth, Jordan Cartwright and Jordan Peterson each had six tackles.

Jordan Peterson and Raymond each picked off a Harbor pass.

"Ryan Graham had a great game," coach Peterson noted. "Bob Sherman and Herschel Sutton played very good on defense."

The Red Devils close out the 2014 football season in Elk Rapids on October 24, game time is 7pm.

## Tough Defense! Rayders within one win of playoffs

By Chris Fiel

### Charlevoix 27, Frankfort 6

FRANKFORT — Every game counts!

As the Charlevoix football teams clings to hopes of their first trip to the playoffs since 2009, not only does each game count, but every snap counts.

The Rayder football team inched closer to the reality of a postseason appearance as they picked up a much needed victory on the road over Frankfort, 27-6 to give them a 5-3 overall, 3-1 NMFL II, record on the season, making their magical number one, with one regular season contest remaining.

Charlevoix's defense set the tone for the game, setting up the first score of the contest by recovering a fumble at the 3-yard line.

"We came after them, we flew to the ball and the kids played really hard," Charlevoix coach Ron Bindi said. "We came in not wanting to let their running back beat us, and also got after their quarterback."

Rayder running back Ben Boss made sure to capitalize for the team, taking it in for an early score and with a successful Hunter Cox extra point, a 7-0 Charlevoix lead.

The Charlevoix defense wasn't done as on Frankfort's next possession, Nate Moon intercepted a pass and returned it 20 yards for a pick-six and a 13-0 Rayder lead as the point after was no good and that would be all the scoring for the remainder of the quarter and first half.

Once the second half began, the Rayders got things rolling again as Boss busted free for a 47-yard run to paydirt and tacking on a Moon to Will Telgenhof two-point conversion, Charlevoix extended their lead to 21-0.

Boss would add his third score of the night on a 15-yard run and a 27-0 lead as the conversion attempt failed.

Frankfort would take the Rayders kick and return it on the next play for their only points of the contest.

The Charlevoix defense limited the Panthers to 38 total yards on offense, led by Bryan Noiro, Spencer Kilpatrick, both of whom spent an abundant amount of time in the Frankfort backfield, recording six sacks and a trio of tackles for lost yardage.

Austin Putman also had an interception for the Rayders.

The Rayder offense was paced by the north-south running of Ben Boss, who tallied 135 yards on 21 carries and three scores.

Moon finished 3-of-7 passing for 35 yards as Noiro caught two of them for 25 yards.

"Our defense set the tone, were really pleased with both sides of the ball," Bindi added. "Offensively, we took care of the ball and got out of trouble when we needed to."

Charlevoix can assure their postseason appearance with a win over Harbor Springs at home on October 24, game time is 7 pm.

came into the contest with 18 wins under their belt, including a pair of those over the Harbor Springs Rams.

This time around it would be the Rams coming out on top with a 2-1 Division IV district final victory over the Rayders on October 17.

The Rayders got on the board first as Noah Carson booted

home the score with 1:20 to go in the first half on an assist from Walker Drost, staking Charlevoix to a 1-0 lead.

After the break, Harbor's Kolton Jacobs would knot the score at 1-1 with a goal at the 29:28 mark.

Both team would go back and forth, slipping and sliding all over the marsh like field, thanks to the rain over the next 15 plus minutes when Harbor's Nick Bontor took a pass from Lamp-ton Kamalii and found the back of the net with 12:21 to play for a 2-1 Ram lead and the final score of the contest.

J.J. Wachler made nine saves in goal for the Rayders in taking the loss, while Harbor's Parker Fairbairn had seven for the win.

Charlevoix closes out an 18-5 campaign.

### Ramblers fall to Elks

## Question & Answers About Selling Real Estate

### Lifestyle Choices Affect Bottom Line

Compliments of Mike Stark, Coldwell Banker Schmidt Realtors East Jordan. (231) 536-7700

SCHMIDT REALTORS

When it comes to eventually moving into that dream home you've always wanted, keep in mind that many of the choices we make on a house are really driven by lifestyle desires, rather than lifestyle needs.

More bedrooms means more time to clean, more expensive to repaint and carpet/floor in the future. The bigger the house and the larger the lot, the more you're going to pay for it both in time and financial resources. The main three decision factors are larger lot, more space and more stuff. Each of these come with a price tag.

Larger lot  
Depending on the acreage, this is going to cost the owner in regards to acquisition, monthly payment, and upkeep. First is the acquisition. Larger lot means larger price, thus larger down payment and monthly

payment. In metropolitan areas, the closer in to the epicenter of town, the more the extra space is going to cost you. If you decide to get it cheaper by moving out of town, then you'll be paying more for gas and be losing the ever elusive minutes of your life.

A friend of mine is dying for a couple of acres. He's moving into the area from a community where houses with 2 acres are common and they are within minutes of the job centers. No problem. In this market, however, it means possibly driving 30 miles or more for what he's looking for. It also means a longer commute — upwards to 90 minutes — in morning and evening rush hour. If that's 30 minutes longer per day than what he does now, that's 2.5 hours per week longer on the road — folks that's 125 hours per year just on the road to work and back per year — MORE —

than living closer in. (That's three weeks worth of working hours.)

The larger lot also means more upkeep. If you have teenagers, maybe it's not your problem, you think with a wry grin. Nevertheless, the larger lot that is cleared off and landscaped will take longer to mow, require more gas and possibly even more equipment. In addition, there's the landscaping that you may not have needed to fret about before.

Even in a wooded lot, you'll now have to start watching the trees that border your house. A neighbor told me before he was moving that he was spending about \$500 per year taking down trees that were threatening his house. Once he did move, the new owners had a tree fall on their home within a few weeks, causing damage to the roof and patio.

The 2015 Jeep® Grand Cherokee and Dodge Durango (shown here) are Must-Shop SUVs for Towing according to AutoTrader.com, which recognizes SUVs that offer the perfect combination of towing ability and interior luxury. PHOTO COPYRIGHT CHRYSLER GROUP LLC.

## 2015 Jeep® Grand Cherokee and Dodge Durango Named Must-Shop SUVs for Towing From AutoTrader.com

The 2015 Jeep® Grand Cherokee and Dodge Durango are Must-Shop SUVs for Towing according to AutoTrader.com, which recognizes SUVs that offer the perfect combination of towing ability and interior luxury.

"Having both the Jeep Grand Cherokee and Dodge Durango make AutoTrader's list of Must-Shop SUVs for Towing recognizes our commitment to offer our customers best-in-class towing designed for maximum capability and optimum fuel economy without sacrificing vehicle performance or luxury," said Reid Bigland, Head of U.S. Sales, Chrysler Group LLC. "These SUVs provide the ultimate combination of power, towing and efficiency all rolled into one great package."

Producing a class-leading 240 horsepower and a massive 420 lb.-ft. of torque, Jeep's award-winning 24-valve dual-overhead cam 3.0-liter EcoDiesel V-6 delivers clean-diesel technology with low CO2 emissions. Capable of towing a best-in-class 7,400 pounds, the EcoDiesel-powered Jeep Grand Cherokee delivers 22 miles per gallon (mpg) city / 30 mpg highway in 4x2 models, resulting in a best-in-class fuel economy and a best-in-class driving range of more than 730 miles.

Featuring variable-valve timing (VVT), the standard flex-fuel Pentastar 3.6-liter V-6 delivers 290 horsepower and 260 lb.-ft. of torque. Pentastar-powered Grand Cherokee models tow up to 6,200 pounds and get 17 mpg city / 25 mpg highway on 4x2 models and 17 mpg city / 24 mpg highway on 4x4 models. A driving range of more than 600 miles is best-in-class for gas-powered SUVs.

The available 5.7-liter V-8 packs 360 horsepower and 390 lb.-

ft. of torque with best-in-class towing capacity of 7,400 pounds. With VVT and Chrysler Group's seamless Fuel Saver cylinder-deactivation technology – V-8 fuel economy is 14 mpg city / 22 mpg highway on 4x2 models, and 14 mpg city / 20 mpg highway on 4x4 models.

The Durango's standard 3.6-liter Pentastar V-6 engine generates an impressive 290 horsepower (295 horsepower on Rallye, Blacktop and Citadel) and 260 lb.-ft. of torque. The Pentastar V-6 engine allows Durango to tow a best-in-class 6,200 pounds, and delivers up to 25 miles per gallon (mpg) on the highway.

The 5.7-liter HEMI V-8 engine produces a best-in-class 360 horsepower and 390 lb.-ft. of torque with a best-in-class tow rating of 7,400 pounds. The 5.7-liter engine's Fuel Saver Technology with cylinder-deactivation seamlessly alternates between smooth, high-fuel-economy four-cylinder mode, when less power is needed, and V-8 mode when more power is in demand. This optimizes fuel economy when V-8 power is not required, without sacrificing vehicle performance or capability, delivering up to 23 mpg highway.

Jeep Grand Cherokee — the most awarded SUV ever and the vehicle that has long defined what a premium SUV should be — receives even more content for the 2015 model year. The Grand Cherokee Summit models receive added features as well as a new Summit California Edition appearance package that further enhances Summit's premium exterior aesthetics. Jeep Grand Cherokee delivers best-in-class 30 miles per gallon (mpg) highway courtesy of an available 3.0-liter EcoDiesel V-6 engine and stan-

dard eight-speed transmission. The 3.0-liter EcoDiesel V-6 boasts an unmatched driving range of more than 730 miles.

Legendary Jeep capability comes courtesy of three available 4x4 systems, Jeep's Quadra-Lift air suspension system and class-leading Selec-Terrain traction management system. Grand Cherokee boasts best-in-class towing of 7,400 pounds, and a crawl ratio of 44.1:1.

With a standard eight-speed automatic transmission, improved fuel economy and performance, LED exterior lighting, two interior touch screens, a programmable instrument cluster and an available high-definition dual-screen Blu-ray entertainment system, the 2015 Dodge Durango reaches even higher levels of sophistication building on its proven performance, utility and comfort.

Named one of Ward's 10 Best Engines for three years, Durango's standard 3.6-liter Pentastar V-6 engine paired with the standard eight-speed transmission generates an impressive 290 horsepower (295 horsepower on Rallye, Citadel and select Blacktop models) and 260 lb.-ft. of torque, and can tow up to a best-in-class 6,200 pounds. The V-6 powered Durango also features a best-in-class driving range of over 600 miles on a tank and up to 25 miles per gallon.

The available 5.7-liter HEMI V-8 engine produces a best-in-class 360 horsepower and 390 lb.-ft. of torque with a best-in-class tow rating of 7,400 pounds. The 5.7-liter engine's Fuel Saver Technology with cylinder-deactivation allows the HEMI V-8 engine to achieve up to 23 miles per gallon.
