## Ramblers post dominating win over Miners for District title

By Chris Fiel

### Boyne City 47, Negaunee 0

BOYNE CITY — They say a good offense wins games and a great defense wins championships!

Both were on display for the Ramblers as they piled up 377 yards of total offense, while limiting the Miners to 102 yards and only four first downs as the Boyne City football program saw everything come together as planned after waiting nearly one year as they prepared for a rematch opportunity against Negaunee, a team that, ironically handed the Ramblers their last defeat 42-19 in the district final during the 2013 season.

This time around Boyne City would make sure the result would be much different as they dominated the contest in every aspect from opening kickoff to the final horn in downing the Miners 47-0 for their first district title since 2001, moving the Ramblers to 11-0 on the season.

The Ramblers wasted little time in letting the Miners know that they would be in for a long night as Boyne City took their opening drive and marched 73 yards in five plays in two minutes and fifty seconds, capped by a 35 yards touchdown run by Maceo Vroman as the senior took a pitch from quarterback Max Cuper and scooted around the left side and raced untouched into the south end zone for an early 6-0 lead.

Boyne City's defense was not to be outdone with the stellar opening drive of the offense as the Rambler D held Negaunee to a three and out.

The BC special teams would return the ball to the Negaunee 40 yard line and after the Miners held the Ramblers to eight yards on three plays, Boyne would draw Negaunee offside on a fourth and two, giving the Ramblers a first down. Three plays later and Vroman would add his second score of the evening on a 23 yard run down the right side of the field behind a couple of lead blocks from Luke Sage. Tack on a Vroman two-point conver-

Rambler quarterback Max Cuper (12) comes to the line as center Spencer Joles (55) awaits his signal. (PHOTO BY CINDA SHUMAKER)

sion and Boyne City was up 14-0 with 3:33 left in the first quarter.

Boyne would add two more scores in the second quarter as Sage got in on the act, plowing through a hole created by the offensive line from one yard out for a 20-0 lead with just over two minutes to go in the half.

Negaunee would then fumble their next possession away to the Ramblers, giving Boyne a short field from the 18 yard line. One play and five seconds later and Vroman would have his third touchdown of the game, this time on an 18-yard run that saw him dart left, cut right and weave his way through the defense to paydirt and following a successful conversion attempt, the Ramblers would lead 28-0.

"Its no real surprise we play real solid defense," Boyne City coach David Hills said. "Look at some of our kids and they have a lot of game experience, they

know what to expect and how to adjust during the game. This team just keeps getting better, they are a lot of fun to be around."

Once the second half began, the results were much the same for both teams as the Miners struggled to move the ball against the physical defense of the Ramblers, while Boyne continued to find gaps in the Negaunee defense through both the air and on the ground as Cuper connected with Vroman for a 15 yard touchdown, his fourth score of the contest, giving the Ramblers a 34-0 lead through three quarters of play.

Boyne wasn't quite finished yet in the fourth quarter as Cuper called his own number and after busting a few tackles, it was off to the races as the senior signal caller motored past the Miner defense for a 55-yard touchdown, and after a successful Dalton

Gardner extra point attempt, it was 41-0 with just over seven minutes left in the game.

Mac Alexander got in on the scoring action late in the contest as he broke free down the right sideline for a 23 yard score at the 3:47 mark of the fourth quarter.

The Boyne City defense would then hold the Miners on their last drive, securing the shutout and putting the finishing touches on a district championship in grand fashion.

"We're a tough team offensively," Hills noted. "We're able to stretch a defense horizontally and we have guys that can pound it inside. We've had some changes (positions) and kids have stepped up. We have a lot of different way we can get to you."

Vroman would pace the offense with 138 yards rushing on 20 carries and three scores, while hauling in one pass for 15 yards and a touchdown.

Cuper added 87 yards on the ground on five attempts, including a 55-yard score, while Sage added 63 yards on nine carries and a score. Alexander chipped in with 60 yards rushing on four attempts and a touchdown.

On the defensive side of the ball, Sage totaled 10 tackles to lead the team, including four of the teams seven stops for a loss, while Alexander had six stops. Malik Smith, Dom Archey and Will Calo each added five tackles.

"This is a result of a lot of hard work," coach Hills added. "The kids weren't real happy with the way things ended last season and they put in the time over the summer, preparing themselves for this opportunity."

The Ramblers advance to regional semifinal play, where they will host Leroy Pine River at 7 p.m. at Earl Brotherston Field on Friday, November 14.

# Rayders win district title

By Amanda Monthei

For the two seasons following a Class C state semi-final berth in 2011, the Charlevoix volleyball team has made it to district finals, only to lose in five sets both seasons.

“One of the big things we’ve learned is to not take anything for granted,” Charlevoix head coach Audra Randall said, summarizing the take away of her team’s two previous seasons and their heartbreakingly similar conclusions.

But with an energetic three set win (25-18, 25-14, 25-17) over Harbor Springs in the Division 4 district finals on Thursday in Indian River, it appears the Rayders have stepped beyond the bad luck streak that has defined their district finals performances since 2012.

“We’ve made it to the finals the last two years and failed,” Randall said. “This is really sweet after we’ve lost in five the past two years.”

The Rayders faced little adversity in their defeat of a young Harbor Springs team, trouncing a burst of momentum from the Rams in the third game to ultimately come out on top in three sets. Ultimately, with the help of a dominant squad of seniors — made up of Gloria Greene, Madeline Boss, Olivia Storm, Yogi Hang and Alexis Tribfelner — Charlevoix made its defeat of Harbor look simple.

“I’m thrilled with the senior leadership,” Randall said. “Even when they got under a little stress and were down a few points, they still held it out and maintained focus. Even when some of the seniors faltered, the three others were right there to push her up and help the team.”

However, Randall asserts that her team’s best is yet to come, as the Rayders move on to regionals with a match against Gwinn High School on Tuesday at

Inland Lakes.

“(We have been) doing some more creative offensive things along the net,” Randall said. “We didn’t want to show too much of that in these two matches because we weren’t sure if we’d have to use it, so we’re hoping to get the next step of creativity next game.”

In Thursday’s game, Boss lived up to her last name with a team-high 19 kills and 11 digs, while Greene contributed 13 kills, 10 digs, two aces and a block to the Rayder’s district efforts.

Also for Charlevoix, Tribfelner complemented 15 for 15 on serve receive with a team-high 21 digs. Storm put up 35 assists for the Rayder offense, while juniors Emily Zabawa and Hannah Zipp helped out with six and seven digs, respectively. Zabawa also had five kills, while Zipp added the same number of aces to the statbook.

“After looking at the stats, I thought we had great balance from the girls — it was truly a team effort,” Randall added.

With the win on Thursday, Charlevoix enters regionals with a 38-7-5 record on the season.

For the Rams — which are undeniably young as they lose only two seniors with Thursday’s district final loss — a lack of experience surely contributed to the defeat. According to Harbor Springs’ head coach David Thom, his team of 11 underclassmen were playing in Harbor Spring’s first district final in recent memory, if not ever (check in with Harbor Springs athletic director).

“They’re a young team so for them to put up this much of a fight against a team like this, I’m proud,” Thom said.

Charlevoix faced off against Gwinn High School on Wednesday night in Indian River.

### DNR NEWS

## DNR confirms U.P. cougar sightings

### Trail camera photos taken in Mackinac County and Chippewa County in recent weeks verify cougars

MACKINAC COUNTY – The Michigan Department of Natural Resources has confirmed two recent photos of a cougar in the eastern Upper Peninsula, marking the 25th and 26th times cougar evidence has been verified in the U.P. [This trail camera photo of a cougar was taken on public land in western Mackinac County in early November. Another photo was confirmed in Chippewa County in late October.]

The DNR uses this trail photo to confirm a cougar sighting in Mackinac County on Nov. 1. (COURTESY OF DNR)

One of the photos was taken with a camera phone in late October on private property near Chippewa County's Raber Township. The other was taken in early November by a trail camera on public land in Mackinac County near Garfield Township. With the verification of these

two photos, the DNR has now confirmed the presence of cougars in 11 Upper Peninsula counties 26 times since 2008. The animals are believed to be young individuals dispersing from established populations in the

Dakotas in search of new territory; there is no evidence of a breeding population of cougars in the state.

The DNR's Wildlife Division welcomes citizen reports of possible cougar evidence or sightings. Cougar photos and other evidence - such as tracks, scat or cached kills - should be reported to a local DNR office or through the DNR's online reporting form at [www.michigan.gov/cougars](http://www.michigan.gov/cougars).

The Michigan Department of Natural Resources is committed to the conservation, protection, management, use and enjoyment of the state's natural and cultural resources for current and future generations. For more information, go to [www.michigan.gov/dnr](http://www.michigan.gov/dnr).

# Automotive Review

The all-new 2015 Chrysler 200 has earned a five-star overall safety rating from the U.S. National Highway Traffic Safety Administration (NHTSA). Five stars is the highest possible safety rating given by NHTSA. PHOTO COPYRIGHT CHRYSLER GROUP LLC.

## All-new 2015 Chrysler 200 Earns Five-Star Overall Safety Rating

The all-new 2015 Chrysler 200 has earned a five-star overall safety rating from the U.S. National Highway Traffic Safety Administration (NHTSA). Five stars is the highest possible safety rating given by NHTSA. The Chrysler brand's all-new midsize sedan scored five stars in NHTSA tests that evaluate performance in:

- Frontal collisions
- Side-impacts simulating a two-vehicle collision
- Side-impacts simulating a single-vehicle collision with a pole

These latest test results complement the Top Safety Pick+ rating previously given to the 2015 Chrysler 200 by the Insurance Institute for Highway Safety (IIHS).

"The Chrysler 200's superior performance in such safety tests validates our continuing efforts to deliver the latest advancements in both passive and active safety technologies," says Scott Kunselman, Chrysler Group's Senior Vice President and Head of Vehicle Safety and Regulatory Compliance.

Passive safety systems help mitigate the effects of a crash; active systems help drivers prevent crashes.

"The 200's robust construction helps absorb energy in the event of a collision," Kunselman says. "This benefits occupant protection."

Approximately 65 percent of the Chrysler 200's body structure consists of hot-stamped, high-strength, advanced high-strength and boron steels. Such construction helps maintain the vehicle's

integrity during collisions.

"The 200's active-safety equipment shatters the barrier that once restricted advanced driver-assist systems to expensive luxury-brand vehicles," Kunselman adds.

Among the active safety systems available on the 2015 Chrysler 200 is Full-speed Forward Collision Warning-Plus. It combines camera and radar technologies, which is a first for a mainstream-brand mid-size sedan. Such redundancy affords greater object-detection precision. Similar systems on competitive vehicles feature one technology or the other. Full-speed Forward Collision Warning-Plus provides alerts, autonomous braking and, under certain circumstances, slows or brings the all-new Chrysler 200 to a full stop when a frontal collision appears imminent.

NHTSA's safety ratings web page awards special designations to vehicles equipped with active safety systems, though the systems do not factor into the ratings. Collision-warning systems are a prerequisite to achieve IIHS Top Safety Pick+ status.

The 2015 Chrysler 200 boasts 60 safety and security features – the most in its class. Among these is the segment-exclusive Electronic Park Brake (EPB) with SafeHold.

Offered as standard equipment, EPB with SafeHold automatically activates the 200's parking brake if the driver's seatbelt is unlatched and his or her door is opened while forward or reverse gears are engaged. This feature is designed to prevent rollaway situations.

Other standard and available features include Electronic Stability Control (ESC), electronic roll mitigation, four-wheel anti-lock disc brakes, ParkSense rear backup sensors, ParkView rear backup camera, blind-spot monitoring, Rear Cross Path Detection and LATCH child seat anchors. The 2015 Chrysler 200 also notched four stars in NHTSA's rollover resistance evaluation, which is calculated using vehicle dimensions. This result contributed to the car's overall five-star rating. NHTSA is the only safety agency that evaluates rollover resistance.

Launched in May, the all-new 2015 Chrysler 200 charts a new course for mid-size sedan customers. It leapfrogs expectations for a mid-size car with its elegant exterior design and thoughtful, beautifully crafted interior. The 2015 Chrysler 200 delivers an exceptional driving experience, enabled by features such as a segment-first nine-speed automatic transmission – which comes as standard equipment – and an available, best-in-class all-wheel-drive system. Further, it boasts a highway-cycle fuel-economy rating of 36 miles per gallon.

The 2015 Chrysler 200 is designed, engineered and built with pride at Chrysler Group's Sterling Heights Assembly Plant. Chrysler Group invested more than \$1 billion in facility upgrades to produce the all-new 2015 Chrysler 200, including an all-new paint shop and a new, fully robotic body shop.

## Real Estate Corner

### Do You Have Buyer's Paralysis?

Compliments of Mike Stark,  
Coldwell Banker Schmidt Realtors  
East Jordan. (231) 536-7700

SCHMIDT REALTORS

#### Part 3 of 3

**Fear of the future**  
Fear takes the fun out of a lot of things, but there is reasonable fear and unreasonable fear. Unreasonable fears have no basis in reality, so there is little you can do beyond getting professional help for your anxiety. Reasonable fears you can handle on your own with a little common sense.

Fear can be tamed by looking at the worst case scenarios compared to the best case scenarios. So examine the questions that are really bothering you.

What if we can't make our payments? This question can be balanced by a best case. What if we manage our money so well that we can make double payments? So the fear here is manageable - it comes down to how confident you are about managing your money. If you aren't sure of yourself, get help. Ask someone whose money management style you admire for advice on how to manage your money better. Then stick with it.

What if the value of our home goes down in value? Would you feel as fearful if you asked yourself whether your property will go up in value? Property can go up or down, but all property re-

quires maintenance or it surely will deteriorate in value. This can be easily prevented by having enough budgeted or in your reserves to perform scheduled and unscheduled maintenance. Look at the properties surrounding the home you are considering. Are they maintained with pride? Are they being updated? Then your chances are good that the neighborhood and your home will retain its value. Rest assured that there will always be a buyer for an attractive, well-maintained property.

Because it is not a liquid asset, real estate is not as volatile as you think. It goes down slowly and rises comparatively slowly. And home values even when depressed may get a resuscitation after a few years. Your best hedge against the future is to keep your property in desirable condition.

You can't predict the future. The only thing you can do is prepare yourself to handle what may happen.

So money isn't the root of all evil, but it is the root of indecision - at least when you are paralyzed about buying a home. Thinking through the money issues can help you get moving one direction or the other. For some of you, just reading this article will put your jitters to rest. For others, you may realize that

a home isn't in the cards for you right now, and that's OK. Wait a few days or weeks if you need to. Use the time to regroup. It is far better for you to work through a few obstacles than to jump into the largest investment of your life without confidence. If you can work through your fears, get your finances in tip top shape and proceed, you'll find buying a home doesn't have to be a paralyzing decision. In fact, it can be one of the most exhilarating things you'll ever do.

If you are worried about cash flow, then making disproportionately large house payments will tarnish the joy of home ownership, unless you can find ways to cut down the other pie pieces. Work to improve your cash flow. Accelerate your credit card pay-offs Don't incur new debt. Re-budget your expenses and eliminate unnecessary expenditures. Make compromises - vow to cut down if you can't cut something out. Be willing to move timelines for meeting your goals. Don't be influenced by others to live beyond your means. Set your sights on an affordable home, and you may find your dream home will appear right before your very eyes.

### Featured Property

## Spacious log home with over 100 feet of Six Mile Lake frontage

By Jim Akans

This week's feature listing is a log home situated on over 100 feet of Six Mile Lake frontage near East Jordan.

Originally the main lodge for Sunset Cabins, this home sits on just over one-and-a-quarter acres of property...not a typical find for a lakeside home. The home has approximately 1,991

square feet that includes three bedrooms, two baths and separate main living and family rooms. So there is plenty of room to roam indoors as well as lots of property to enjoy outdoors.

That room to roam continues on Six Mile Lake. The lake is part of the Chain O Lakes, so once out on the water from your own private shoreline there is

plenty of opportunity to water ski, fish, or just cruise the lakes. There is also a break wall at the waters edge.

A bonus is that the home is being offered mostly furnished and includes all the appliances. Moving in to this lakeside retreat will be a breeze!

Located at 4987 Dingman School Road near East Jordan, this spacious log home on over

100 feet of Six Mile Lake frontage is listed \$189,900. For additional information or to arrange for a tour, please call Mike Stark at Coldwell Banker Schmidt - East Jordan at 231-536-7700 or email [mike.stark@cbgreatlakes.com](mailto:mike.stark@cbgreatlakes.com)

#### RECREATIONAL VEHICLES
