CHARLEVOIX COUNTY — With the 2014 volleyball season closing a few weeks ago, the Charlevoix County News is proud to announce the annual All-Area Volleyball "Dream Team".

This season the team is led by Player of the Year, Charlevoix senior co-captain, Madeline Boss. The Rayder multiple position player helped lead the Charlevoix team to a district title, their first since 2011 and a 41-8-5 overall record-high. She is also a three time All-Area selection.

Madeline finished with 756 kills, which was a team high. She also had 76 aces, another team high and served at a 96 percent rate in five postseason matches.

Boss also recorded 518 digs, a team high, made 427 serve receptions, 90 percent accuracy and finished the year with 54 blocks.

"Maddie had an exceptional year in all aspects of the game," Rayder coach Aurda Randall said. "She was incredibly versatile at the net making many teams fear the heat of her hits. This year Maddie made all the effort to increase her kill efficiency and to step up her defensive play. Also as co-captain on the team, helped lead her team during match play. Her sheer athleticism made watching volleyball a lot of fun."

Some of Boss's season highlights include a 31 kill match in the regional semifinals against Quinn, which will earn her a place in the MHSAA record book. Her career total for kills should also

place her in the top 15.

Madeline was also a first team All-State selection for Class C, in addition to All-Region and All-Conference Dream Team selections.

Joining Boss on the 2014 All-Area Volleyball "Dream Team" are fellow Rayders; Olivia Storm, Gloria Greene and Alexis Tribfelner. Boyne City is represented by Paige Hornbeck, Ashlyn Kartes and Abby Gardner, while East Jordan offers Kirsten Malpass, Katie Spence and Mazzy Pepin. Ellsworth showcases Amanda Veenstra and Maddie Steenwyk.

Charlevoix

Olivia Storm, senior. The Rayder setter and right back defensive player was another key component for Charlevoix this season.

Olivia finished the season with a team-high 1042 assists, while recording 323 digs and making 54 kills. She also blocked 20 shots and served at a 94 percent accuracy clip, which included 26 aces.

"Olivia and Maddie were quite a duo at the net," coach Randall said. "Olivia as a senior, really make a difference on the court in keeping the team calm, she really kept herself poised on the court and played with a positive attitude and truly believed in her teammates."

"At the net, Olivia made some pivotal blocks in some big matches blocking some of this area's biggest hitters. I think that was always a highlight for Liv in a match," the coach added.

She had some stand out matches throughout the season that were spectacular to watch her play the game and really enjoy the moment and experience.”

Gloria was also an All-Region and All-Conference selection. She is also a two-time All-Area team selection.

sophomore this year, with so much potential!”

SCHMIDT REALTORS

No Major Purchase of Any Kind

Don't Buy a Car or any major purchase that would create debt of any kind. This includes furniture, appliances, electronic equipment, jewelry, vacations, expensive weddings, etc.

Don't Move Money Around

When a lender reviews your loan package for approval, one of the things they are concerned about is the source of funds for your down payment and closing

costs. Most likely, you will be asked to provide statements for the last two or three months on any of your liquid assets. This includes checking accounts, savings accounts, money market funds, certificates of deposit, stock statements, mutual funds, and even your company 401K and retirement accounts.

If you have been moving money between accounts during that time, there may be large deposits and withdrawals in some of them.

The mortgage underwriter (the person who actually approves your loan) will probably require a complete paper trail of all the withdrawals and deposits. You may be required to produce cancelled checks, deposit receipts, and other seemingly inconsequential data, which could get quite tedious.

Perhaps you become exasperated at your lender, but they are only doing their job correctly. To ensure quality control and

eliminate potential fraud, it is a requirement on most loans to completely document the source of all funds. Moving your money around, even if you are consolidating your funds to make it easier, could make it more difficult for the lender to properly document.

So leave your money where it is until you talk to a loan officer. In addition, this would be a bad time to change banks.

Location, curb appeal and value combined in this Boyne City home

By Jim Akans

This week's feature listing combines location, curb appeal and value together in a wonderful in-town Boyne City home.

Situated adjacent to Rotary Park, this two-bedroom charmer offers approximately 1,052 square feet of living space plus it has a full basement for additional

space and lots of extra storage potential. The main living room is huge and it opens to the adjoining dining room making it ideal for entertaining family and friends. The spacious kitchen has an abundance of cabinetry storage space and includes a full compliment of appliances.

Outdoors the back yard is fenced in for keeping family pets

secure, and there is a detached two-car garage so vehicles will be nice and clear of snow in the morning. The location offers convenient access to downtown Boyne City and with Rotary Park close at hand nature is just a few steps away.

Combining excellence in location, curb appeal and value, this home is located at 509 Hannah

Street in Boyne City and it is listed at just \$87,900. For more information or to arrange a home tour, call Marty Moody or Christopher Christensen at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email Marty@lyndasrealestate-service.com or Chris@lyndasrealestateservice.com
