CHARLEVOIX COUNTY – From the opening kickoff this season, Northern Michigan football looked to provide something special, and that it did.

The Boyne City Ramblers put together one of the best fall seasons ever and pushed defending Division 6 champion Ithaca to the limit in their state semifinal matchup. The Charlevoix Rayders hit their stride mid-season and earned a trip to the playoffs, their first postseason appearance in five years, and nearly got past Negaunee in their opening round contest. The East Jordan Red Devils went through some growing pains with a young team progressed as the season went on and showed promise for the future.

But all that aside, there were a number of very talented area athletes from each squad that performed as big playmakers in key situations and those athletes have been selected to the 2014 Charlevoix County News All-Area Football "Dream Team".

Leading this pack of athletes are offensive Player of the Year,

Maceo Vroman (10) of Boyne City is the 2014 Charlevoix County News Offensive Player of the Year. Vroman set a new school record for touchdowns with 28.

Maceo Vroman of Boyne City, and defensive Player of the Year, Luke Sage, also of Boyne City.

Joining Vroman on the offensive squad are fellow Ramblers; Malik Smith, Cole Butler, Will Calo, Lee Rainey and Carter Wilmot. The Rayders boast Adam Michaud, Austin Putman, Devin Largent and Sam Hovie. The Red Devils are represented by Her-

schell Sutton and Jordan Peterson.

The All-Area defensive team consists of Boyne's Sage, Tanner Krugel, Mac Alexander, Dalton Gardner, Max Cuper and Connor Beebe. Charlevoix offers Justin Adkins, Ben Boss, Nate Moon and Spencer Kilpatrick. East Jordan showcases Bob Sherman and Wyatt Crick.

All-Area Team Coach of the Year award goes to Boyne City's David Hills.

Luke Sage (2) of Boyne City is the Charlevoix County News Defensive Player of the Year. Sage is shown here picking up a safety against Ithaca.

#### OFFENSE

**Maceo Vroman, senior (#10)  
Boyne City.**

Even though the Ramblers had multiple weapons at their disposal, no one was more dangerous than the speedy Vroman. The senior halfback scored 28 combined touchdowns this season, a

new school record, breaking the 26 of Carl Charon (1956) and Doug Grubbe (1961).

Vroman was a Detroit Free Press All-State Division 6 first team selection and an Associated Press Division 5-6 All-State special mention selection this season.

son as well.

Maceo could and would change the game just by being in the contest as defenses had to be aware of his location at all times. The fleet-footed speedster racked up 1,567 yards on 160 carries, good for a 9.79 yards per carry average and 24 touchdowns on the ground.

Vroman also hauled in nine passes for 161 yards and three scores. He also returned six punts for 110 yards (18.33 avg) and a touchdown. Maceo also returned seven kickoffs for 124 yards (17.71 avg) and scored five two-point conversions.

The combination of Vroman's speed and Smith's power, had defensive coordinators choosing which to try and contain as there was no stopping them.

Smith recorded 33 tackles from his safety position and recovered a fumble.

**Cole Butler, senior (#82) Boyne City.**

Butler was another threat for the Ramblers from his tight end position. Whether it be springing a teammate for a big gain following a block or hauling in a pass, the senior played his role well.

Cole caught three passes for 59 yards, a 19.67 average per catch and one touchdown.

Butler was also a defensive presence for Boyne, tallying 71 tackles, including three sacks.

**Will Calo, senior (#54) Boyne City.**

Putman was also the leading tackler for the Rayders with 62 this year, including three sacks and six tackles for a loss, a fumble recovery and an interception.

**Sam Hovie, senior (#20) Charlevoix.**

Sam was the motor that moved the Rayder offense throughout much of the year, until a late injury forced the running back to the sideline.

Hovie still managed to lead the team in rushing yards with 736 on 84 carries, an 8.76 yard per carry average and seven scores in seven games.

He also recorded 31 tackles

for the Rayders.

other key to the Charlevoix offense, handling snapping responsibilities and never had a mishandled snap the entire season out of the Rayder pistol set.

Adam made nine stops on the Rayder defense, including two for a loss.

**Herschell Sutton, senior (#65) East Jordan.**

The senior lineman helped the young Red Devils hone their craft. "Great young man and hard worker," EJ coach Al Peterson

said.

**Jordan Peterson, senior (#6) East Jordan.**

Peterson was the team leader for the Red Devils this season and great all-around athlete.

## DEFENSE

bler defense. The junior leader led Boyne with 146 total tackles, including six sacks, five fumble recoveries, one interception, a safety and a blocked punt.

"It's an honor being selected as the defensive player of the year," Sage said. "It's nice to be recognized for putting in all the hard work in the weight room and from a team standpoint, I don't think I'd get this recognition without them. They help push me

through things that have helped me get to this point.”

When asked what drives him, Sage responded, “As I’ve gotten older, I find I’ve paid more attention to the coaches and my dad (a former MSU football player) and I want to get to that next level. In addition to that, my team drives me and I always want to try and be better than everyone else out there.”

Luke was a Detroit Free Press All-State Division 6 first team selection and an AP Division

5-6 All-State special mention selection.

In addition to forcing teams to try and run their offense away from him, Sage was also a big contributor on the offensive side of the ball.

Luke gained 261 yards on the ground on 37 carries and scored six touchdowns and caught two passes for 22 yards and a score, while also adding a two-point conversion.

“We’re happy with the season, but not satisfied.” Sage added. “All

the hard work we put in paid off, and we proved ourselves.” “There’s always room for improvement, so we hope the underclassmen coming in, see what it takes and will put in the time to help us make another run.”

**Mac Alexander, senior (#5) Boyne City.**

Another hard hitting Rambler defensemen, Mac would make offenses pay if they somehow were able to get to an opening from his

strong safety position.

Alexander finished second on the team with 103 tackles, including three fumble recoveries and two picks. Mac also blocked an extra point attempt.

He was also another fleet footed running back in the Rambler offense, carrying the ball 35 times for 343 yards and two scores, while also catching six passes for 61 yards and a touchdown, and adding two conversion attempts.

Gardner finished the season with 45 tackles, one fumble recovery and three interceptions.

Dalton was also the Boyne place kicker and punter. He finished 44-of-60 in extra point attempts and added a two-point conversion and punted 16 times for 493 yards, a 30.81 average.

Gardner chipped in with a 31 yard touchdown pass, added 96 yards rushing on eight attempts with a score and hauled in a 15-yard pass for a score as well.

In addition to those numbers, Dalton returned 13 punts for 163 yards (12.54 avg) and a touchdown and added 10 kickoff returns for 259 yards (25.9 avg) and another score.

**Connor Beebe, senior (#51) Boyne City.**

Beebe was a member of the Rambler defensive line that helped stall would be run games. Connor finished with 54 tackles for Boyne, including five sacks and two fumble recoveries.

He was also a member of the offensive line that helped spring skill position players for long gains.

**Justin Adkins, junior (#2) Charlevoix.**

The Rayder linebacker finished the year with 52 tackles, including two sacks and four tackles for a loss.

Adkins also saw the ball on offense for Charlevoix, rushing 25 times for 58 yards a two touchdowns.

# Red Devils drop pair of early season non-conference contests

By Chris Fiel

### Bellaire 51, East Jordan 38

EAST JORDAN — The Lady Red Devils slipped to 0-2 on the season after falling to Bellaire 51-38 on December 5.

East Jordan trailed by five following the first quarter and kept within striking distance until early in the fourth when they trailed by eight, only to see the Eagles pull away.

“Bellaire was too tough down the stretch,” EJ coach Steve Hines said. “We shot well from the free throw line tonight (Ej finished 11-of-14).”

Kassey Wojan led the Red Devils with nine points and 12 rebounds, while Lindsay Schroeder added eight points and six boards and Miranda Burks chipped in with eight points.

Leghten Koepke led the Eagles with 15 points, while Brandy O’Neil added 12.

### Central Lake 45, East Jordan 43

CENTRAL LAKE — The host Trojans were able to hold off the Red Devils as East Jordan had a chance to tie or take the lead with under 10 seconds left in regulation, but were unable to do so as Central Lake defeated East Jordan 45-43 on December 3.

Lindsay Schroeder led the Red Devils with 10 points and seven rebounds, while Kassey Wojan added nine and six boards.

“For our first game I thought we played well,” Red Devil coach Steve Hines said. “We got into early foul trouble and we were a bit inconsistent. We scored 11 points (combined) in the first and third quarters but 32 in quarters 2 and 4. I was pleased with our hustle and our effort tonight.”

### Charlevoix 63, Petoskey 57

CHARLEVOIX — The Charlevoix girls 2014 basketball season got off to a great start as the Rayders defeated the Petoskey Northmen 63-57 in front of the home crowd on December 2.

Madeline Boss had an outstanding all-around game, finishing with 23 points, seven rebounds, four assists and three steals to lead Charlevoix.

“Madeline Boss had a solid game with strong shooting and of-fensive presence,” Charlevoix coach Liz Shaw said.

Alexis Tribfelner added 14 points, six boards, four assists and two steals, while Olivia Storm and Leah Davis had eight and six points respectively.

Ellie Way also added four rebounds, four steals and three assists.

“It was great getting our first win of the season against Petoskey,” coach Shaw added. “We have a start. I thought the final quarter showed the biggest differences of teams - we have a senior led team, the girls didn’t get rattled in the fourth quarter when Petoskey was fighting for the lead. Senior, Olivia Storm had key minutes in the win scoring six of her eight points in the last five minutes. She also dished out a great pass to her teammate and came up with a crucial interception.”

## BOYS BASKETBALL

### Ben Boss, junior (#22) Charlevoix.

Boss was a hard hitting defensive back for the Rayders, recording 31 tackles. He also returned four kick-offs for 130 yards and a touchdown.

Offensively, Boss took on a bigger role late in the season, finishing the year with 437 yards on 59 rush attempts and seven touchdowns, while catching 12 passes for 161 yards, a 13.42 average.

### Bob Sherman, junior (#54) East Jordan.

Sherman was a defensive end for the Red Devils, finishing second on the team in tackles.

“A very intense kid,” Red Devil coach Al Peterson

said.

### Wyatt Crick, senior (#20) East Jordan.

Crick was a nose guard for East Jordan, utilizing his speed and quickness combined with his strength to get into opponents back-field.

Coach Peterson noted Wyatt had the most tackles for a loss on the team.

### COACH OF THE YEAR

#### David Hills, Boyne City

Coach of the Year honors once again go to Boyne City’s David Hills for another outstanding season as the Ramblers finished 12-1, with the team advancing to the Division 6 state semifinal contest.

Boyne picked up the inaugural Northern Michigan Football League I title, as well as district and regional crowns along the way.

Hills, once again led the Ramblers back to the playoffs for the third consecu-

tive year, and improved his record at Boyne City to 97-32, (75% winning percentage).

The Ramblers, like the other area teams, gave their best effort each and every week, but Hills was able to get his Boyne City team to execute big plays, make big stops and push their efforts to new levels.

This season, in addition to the new touchdown record set by Vroman, the Ramblers set a new season high for points scored with 500, besting the previous mark of 423 set in 2001. Boyne also set a new per game average of points of 38.46, edging the mark of 37.4 that was recorded in 1996.

Boyne also held opponents to 143 points on the season, an average of 11 per contest. The Ramblers also recorded six shutout victories, including the first four to start the season.

With some unfinished

business to take care of in the postseason, we are sure the Ramblers (which will once again return a very solid nucleus) are already looking forward to the 2015 football season and with that the preparation begins with conditioning and strength training throughout the offseason.

Congratulations to coach Hills and all of the student-athletes selected to represent their schools and the Charlevoix County News All-Area “Dream Team.” Student-athletes are nominated by their coaches, based on performance, teamwork and character. All stats provided by the re-

spective coaches and coaching staffs.

Also, a big “Thank you” to Boyne City Public School for the use of their facilities for the photo shoot.

## Things Not to Do Before Purchasing a Home

Compliments of Mike Stark, Coldwell Banker Schmidt Realtors East Jordan. (231) 536-7700

SCHMIDT REALTORS

No Major Purchase of Any Kind

Don't Buy a Car or any major purchase that would create debt of any kind. This includes furniture, appliances, electronic equipment, jewelry, vacations, expensive weddings, etc.

Don't Move Money Around

When a lender reviews your loan package for approval, one of the things they are concerned about is the source of funds for your down payment and closing costs. Most

likely, you will be asked to provide statements for the last two or three months on any of your liquid assets. This includes checking accounts, savings accounts, money market funds, certificates of deposit, stock statements, mutual funds, and even your company 401K and retirement accounts.

If you have been moving money between accounts during that time, there may be large deposits and withdrawals in some of them.

The mortgage underwriter (the person who actually approves your loan) will probably require a complete paper trail of all the withdrawals and deposits. You may be required to produce cancelled checks, deposit receipts, and other seemingly inconsequential data, which could get quite tedious.

Perhaps you become exasperated at your lender, but they are only doing their job correctly. To ensure quality control and eliminate poten-

tial fraud, it is a requirement on most loans to completely document the source of all funds. Moving your money around, even if you are consolidating your funds to make it easier, could make it more difficult for the lender to properly document.

So leave your money where it is until you talk to a loan officer. In addition, this would be a bad time to change banks.

One of the most iconic performance Mustang nameplates of all time is returning, Ford confirmed recently with the reveal of the all-new Shelby® GT350 Mustang. IMAGE COPYRIGHT FORD MOTOR COMPANY

## Shelby GT350 Mustang: The Legend Returns

One of the most iconic performance Mustang nameplates of all time is returning, Ford confirmed recently with the reveal of the all-new Shelby® GT350 Mustang. The original Shelby GT350 introduced in 1965 established Mustang's performance credentials. The all-new Shelby GT350 Mustang, featuring the most powerful naturally aspirated Ford production engine ever, is a world-class performance vehicle, designed to tackle the planet's most challenging roads – an all-day track car that's also street legal.

The new GT350 builds on Carroll Shelby's original idea – transforming a great every-day car into a dominant road racer – by taking advantage of a dramatically improved sixth-generation Mustang to create a truly special driving experience. Driving enthusiasts behind the wheel of a Shelby GT350 can expect to be treated to the most balanced, nimble and exhilarating production Mustang yet.

Ford engineers took an innovative approach with GT350. Rather than develop individual systems to perform well independently, every component and shape is optimized to work in concert; balance is the key. While paying rigorous attention to detail, the team pushed the envelope with cutting-edge materials and technologies.

"When we started working on this car, we wanted to build the best possible Mustang for the places we most love to drive – challenging back roads with a variety of corners and elevation changes – and the track on weekends," said Raj Nair, Ford group vice president, Global Product Development. "Every change we made to this car was driven by

the functional requirements of a powerful, responsive powerplant – nimble, precise handling and massive stopping power."

Early in development of the GT350, it was decided a high-revving, naturally aspirated V8 engine would best suit a track-focused Mustang.

"The final product is essentially an all-new powerplant unique to GT350 – and one that takes true advantage of the new chassis dynamics of the Mustang platform," said Jamal Hameedi, chief engineer, Ford Global Performance Vehicles.

The new 5.2-liter engine is the first-ever production V8 from Ford with a flat-plane crankshaft, an architecture typically found only in racing applications or exotic European sports cars. Unlike a traditional V8, where the connecting rods are attached to the crankshaft at 90-degree intervals, this design evenly spaces all crank pins at 180-degree intervals. The 180-degree, flat-plane layout permits a cylinder firing order that alternates between cylinder banks, reducing the overlap of exhaust pressure pulses. When combined with cylinder-head and valvetrain advancements, this permits better cylinder breathing, further extending the performance envelope of the V8.

The result is the most powerful naturally aspirated production Ford engine ever, at more than 500 horsepower, with a torque peak above 400 lb.-ft. The track capability is enhanced by the output characteristics of the engine – the 5.2-liter V8 features an exceptionally broad torque curve. Combined with its high-revving ability, the flat-plane 5.2-liter V8 gives drivers an enormous amount of perform-

ance and flexibility within each gear of the lightweight six-speed manual transmission. A standard Ford-tuned Torsen limited-slip differential optimizes cornering grip and straight-line traction.

"Make no mistake, this is an American interpretation of a flat-plane crankshaft V8, and the 5.2-liter produces a distinctive, throaty howl from its four exhaust tips," said Hameedi.

The new Mustang platform is the strongest in the history of the brand, with torsional stiffness increased 28 percent over the previous model. That stiff structure ensures the suspension geometry remains consistent, even under hard driving on back roads and tracks. Front stiffness is further improved on GT350 with a cutting-edge injection-molded carbon fiber composite grille opening and optional lightweight tower-to-tower brace. The front track has been increased while spring rates and bushings have been recalibrated all around, with ride height reduced compared to Mustang GT.

For optimum handling, the wheels need to respond quickly to the contours of the road and driver input. Reducing unsprung mass is key to improving that response, but a balance must be struck between taking mass out of a suspension and delivering truly capable braking performance.

"We took the best Ford Mustang yet and massaged every aspect of the car that affects the performance driving experience," said Hameedi. "We tested endlessly on the most challenging roads and tracks in the world, and we believe serious drivers will love the Shelby GT350 Mustang."

### East Jordan State of the Community Luncheon

**By Tina Sandstrom**

EAST JORDAN—East Jordan is heading in the right direction and its future is bright was the message away with after hearing four keynote speakers discuss the status of the city, schools, and DDA at East Jordan's State of the Community Luncheon Tuesday, November 11, Harvest Barn hall as 30 East Jordan High School seniors and other members of the community listened intently to Mayor Russell Peck, whose speech focused on the challenges and infrastructure improvements that still lie ahead for the city. "All in all things are looking up, we're heading in the right direction. Together we will position our community for a resilient and Jordan's future is bright," he concluded.

Peck not only talked about all that the city has accomplished but emphasized the infrastructure improvements needed to accommodate new growth. "We are very optimistic about the future of our community and that optimism comes from the exciting new direction we have been heading," he said. He cited the city's sewer system that is already operating at 98% capacity, sidewalks, and sea-pilings of the harbor next to the bridge intended to stop silt from filling the harbor (construction to begin in December) as projects that will further enable the city to grow. He mentioned the new well house (opened 24/7 recycling center and the \$12,000 kayak facility in the park like an art project. "We are developing the kind of community we have envisioned for future generations. There is a positive up beat energy," he said.

DDA Chairman Tom Teske, Entrepreneur Director with the Northern Lakes Economic Alliance Tom Ehrhart, Chamber of Commerce Director Mary Faciak, East Jordan Mayor Russell Peck and Ed Schools Superintendent Matt Shewmon addressed an audience of community leaders at the third annual State of the Community address Tuesday, November 11. "East Jordan's future is bright," said Peck.
