East Jordan stays unbeaten with win

By Chris Fiel

East Jordan 70, Bellaire 56

BELLAIRE — The East Jordan Red Devils put three players in double figures in downing the Bellaire Eagles on December 19 in a non-conference game as they improved to 4-0 overall, 2-0 Lake Michigan Conference headed into the holiday break.

Jordan Weber finished with 26 points, while Donny Cutler added 24 and Colin Petrie finished with 15 for EJ as the Red Devils were able to stuff every run the Eagles made at them throughout the contest.

East Jordan jumped out to an 18-9 first quarter lead as Weber poured in 10 points while the Eagles attempted to blanket him with some tight man-to-man defense, to no avail.

The Eagles however did find some success in slowing Weber down in the second quarter, as they edged their way back into the contest, pulling within 22-19 on a Jamal Lockhart putback with about four minutes remaining only to see Cutler take off as the junior point guard weaved his way into the lane for seven of his nine points in the stanza.

The Red Devils would take a 36-21 lead into the break.

Following intermission, East Jordan would come out of the gates with a quick run, opening up a 43-23 cushion, just under two minutes into the third quarter.

Bellaire however would not go away as the Eagles clawed their way back into game, cutting the Red Devil lead to 10 twice in the quarter, the last coming on a triple at the horn to make the score 53-43 headed into the final

eight minutes of regulation.

"They had some kids hit some shots tonight that we didn't expect as we watched them play last night against Pellston, and those kids stepped up," East Jordan coach Darrin Weber said. "It was a game of runs, we knew they would try and take Jordan out of the game and they did a pretty decent job, but we were able to run some sets for him and Cutler got to the basket really well. It was also nice to see Colin Petrie step up and make some shots for

us the second half."

Weber would open the fourth with a three pointer, followed by back to back Cutler steals and layup conversions, pushing the Red Devil lead back to 17 points, 62-45 with 4:12 left in the game.

"We're in a pretty good spot, being 4-0 at the break, we've got a pretty good group of kids and they work hard," coach Weber added.

East Jordan would then go on a 8-4 run over the final four minutes to close out the contest.

The Red Devils return to action on January 16 when they visit Traverse City St. Francis.

Jordan Weber led the Red Devils with 33 points and 11 rebounds, while Donny Cutler added 19 points and eight boards.

Charlevoix was paced by Austin Putman with 14 points and six rebounds, while Nate Moon added 11 points and Ryan Joy finished with nine.

The Rayders, 0-4 overall, 0-2 LMC, are off until January 13 against Cedarville. The JV contest will begin at 5 p.m.

Sharp shooting, dominating defense key BF victory

Boyne Falls 80, Mackinaw City 39

BOYNE FALLS — Andrew Stevens had the hot hand early and Marcus Matelski stayed steady throughout the contest as the host Loggers disposed of the visiting Comets 80-39 on December 18.

Stevens and the Loggers jumped out to an early 25-6 first quarter lead. The Boyne Falls senior guard blitzed Mackinaw for 17 points in the stanza, including nailing all five of his three-point attempts.

"When you shoot the ball as well as we did in the first quarter, we put them behind the eight ball early, if we don't make some of those shots and they do, it's a totally different ballgame, fortunately for us we made the shots," Boyne Falls coach Tim Smith said. "Andrew Stevens was just unconscious, but we've seen him do that before in the last couple of years."

The Logger defense shut down the Comets ability to get good looks at the basket, forcing Mackinaw into taking shots they weren't comfortable with or forcing a turnover, while controlling the paint in the process, as Logger big men, Shae Ross and Truman Crego were mon-

sters on the boards, giving up very few second shots.

"Both Shae and Truman played outstanding, they kept their big man off the boards," Smith added. "Both executed well, we were getting a lot of good shots as they are both great screeners and created a lot of open looks for our three good scorers."

In addition to the defensive lockdown, the Logger offense executed with precision and patience, setting screens to free up teammates and moving the ball to the open man for a good look at the rim, each individual understanding and flourishing in their role.

Boyne Falls would lead 45-21 at the half and took a 58-30 lead into the final eight minutes of play.

Matelski would be his usual steady self throughout the game, netting a game-high 35 points, including 12 in final quarter, while also grabbing nine rebounds and dishing out seven assists.

Also for BF, Stevens added 22 points, including six triples, to go with eight rebounds and six assists and Andrew Campbell chipped in with 12 points.

The Loggers, 3-0 overall, 1-0 NLC, hit 10 three-pointers in the contest and were 8-of-9 from the charity stripe.

"We have a couple of weeks now to put in some new stuff and look to get better," coach Smith added. "We don't have a lot of depth, so we've gotta find ways to take care of ourselves and stay healthy."

Mackinaw City (2-1, 0-1) got 11 points from Matt Rivera and 10 from Zach Smith.

Boyne Falls will play at Ellsworth on January 6 in their next Northern Lakes Conference contest, game time is 6 p.m.

Boyne Falls 59, TC Christian 34

TRAVERSE CITY — Boyne Falls got a double-double from junior Marcus Matelski as the Loggers downed TC Christian 59-34 in non-conference action on December 16.

Matelski led the charge with 34 points, 11 rebounds, six steals

and five assists as Boyne Falls jumped out to a 20-10 first quarter lead.

Boyne Falls would then extend that cushion to 36-20 at the break and 50-32 headed into the final stretch.

"Marcus got us going early scoring 15 in first quarter," Boyne Falls coach Tim Smith said. "This was a good game because they threw a lot at us. We saw box and one and a couple different zones so that was good experience," the coach added. "Truman Crego played a great game battling their bigs and really controlled the paint against a much bigger team."

Andrew Stevens netted 11 points and handed out six assists for BF, while Andrew Campbell added 10 points.

David Bump finished with 10 points for the Sabers.

The Loggers improve to 2-0 on the season with the win. TC Christian won the JV contest.

The Ramblers were able to build a 20-10 advantage at halftime and then outscored the Lady Elks 10-9 in the third quarter for a 30-19 lead headed into the final eight minutes of play.

Charlevoix 33, East Jordan 31

CHARLEVOIX — The Lady Rayders basketball team was able to squeak out a Lake Michigan Conference over East Jordan, 33-31 on December 16.

Charlevoix improves to 3-1 overall, 2-0 LMC with the win, while EJ slips to 2-3, 1-1 on the season.

"We struggled to put in the ball in the basket, shooting 22 percent," Charlevoix coach Liz Shaw said. "We were tough in the

press, and despite the poor shooting, we were still able to get the win. I am excited for the Christmas break so we can really key on certain areas of our game to improve performance."

Madeline Boss led Charlevoix with 15 points, while Olivia Storm netted nine points and four steals.

Also for the Rayders, Leah Davis had four steals; Alexis Tribfelner, five steals, four assists; Kourtney Putman, five rebounds; and Hannah Zipp grabbed four rebounds.

CHRISTMAS HUMOR

Buy Your Own Gift!

Last Christmas, grandpa was feeling his age and found that shopping for Christmas gifts had become too difficult. So he decided to send checks to everyone instead.

In each card he wrote, "Buy your own present!" and mailed them early.

He enjoyed the usual flurry of family festivities, and it was only after the holiday that he noticed that he had received very few cards in return. Puzzled over this, he went into his study, intending to write a couple of his relatives and ask what had happened. It was then, as he cleared off his cluttered desk that he got his answer: Under a stack of papers, he was horrified to find the gift checks which he had forgotten to enclose with the cards.

The Truth About Reindeer

According to the Alaska Department of Fish and Game, while both male and female reindeer grow antlers in the summer each year, male reindeer drop their antlers at the beginning of winter, usually late November to mid-December.

Female reindeer retain their antlers till after they give birth in the spring. Therefore, according to EVERY historical rendition depicting Santa's reindeer, EVERY single one of them, from Rudolph to Blitzen, had to be a girl.

What Do Home Buyers Want?

According to AVID Ratings Co., some of the must-have amenities in a new house are home offices and green features.

Home buyers are willing to give up devoted space to home theaters and other

specialized media rooms in order to have a home office. In fact, they'd be willing to forego a formal dining room altogether in order to have a home office or study.

And they want energy-efficiency in their appliances, windows and insulation.

Other desirable features are large kitchens with an island, though granite countertops aren't necessarily important to all buyers.

Must features also include a main-floor master suite; an outdoor living room – considered more popular

than an outdoor cooking area; ceiling fans; master suite soaker tubs and over-size showers with seating areas; stone and brick exteriors; community landscaping with walking paths and playgrounds; and two-car garages.

With roots that include the breakthrough 1955 and 2005 models, the new 2015 Chrysler 300 takes the nameplate's style and sophistication to new levels and highlights six decades of ambitious American ingenuity. PHOTO COPYRIGHT CHRYSLER GROUP LLC.

New 2015 Chrysler 300:

Return of the Big, Bold American Sedan with World-class Levels of Sophistication, Craftsmanship and Technology

With roots that include the breakthrough 1955 and 2005 models, the new 2015 Chrysler 300 takes the nameplate's style and sophistication to new levels and highlights six decades of ambitious American ingenuity. Highlights include iconic design proportions and inspired materials, world-class quality and craftsmanship, best-in-class 31 miles per gallon (mpg) highway fuel economy, plus class-exclusive innovations — including a state-of-the-art TorqueFlite eight-speed transmission now standard on every model. The 2015 Chrysler 300 also has the segment's most advanced all-wheel drive (AWD) system, award-winning Uconnect Access services, all-new and segment-exclusive 7-inch full color driver information display (DID) and the newest generation Uconnect systems — putting boulevards and interstates on notice once again.

"Our new 2015 Chrysler 300 builds on its 60-year legacy of delivering world-class performance, elegance, sophistication, technology and craftsmanship - a combination that can only be found in our big, bold and proudly American rear-wheel-drive sedan," said Al Gardner, President and CEO - Chrysler Brand. "Beyond its head-turning iconic proportions and even more commanding Chrysler front-end and grille, our new 300 is designed to reward hard-working individuals by delivering class-exclusive technologies, premium appointments and levels of quality of sedans costing thou-

sands more."

At the front of the new 2015 Chrysler 300, a redesigned fascia features a more sculptured surface, taller more prominent grille with a unique dimensional texture and chrome grille surround. The grille contains the Chrysler wing badge, which appears to float within the dramatic grille texture and highlights the new "face of Chrysler."

Nestled below the upper grille is an elegantly drawn chrome Mobius strip, which outlines the lower grille opening and extends outward, surrounding the new optional LED fog lamps. This new detail reinforces the Chrysler brand's new design direction and provides the Chrysler 300 with even more visual presence. Bi-functional projector beam headlamps are available with adaptive forward lighting (AFL) to better illuminate road curves ahead, while integrated LED-illuminated daytime running lamps (DRL) form a "C" shape for unmistakable brand identity. New LED fog lamps are available and provide a consistent white illumination at the front.

From the side, unmistakably strong, yet subtly executed shoulder lines pay homage to the Chrysler 300 series design heritage and define the correlation between front and rear wheel arches. A high beltline stays true to the Chrysler 300 sedan's signature proportion, while its elegantly tailored chrome side window surrounds and available

chrome mirrors hint at the luxurious interior within. Seven new wheel designs, ranging from 17 inches to wider and wheel-well-filling 20 inches, provide the new 2015 Chrysler 300 with a planted, road-holding look.

Finishing the new Chrysler 300 sedan's powerful rear stance is a new sculpted LED taillamp with an illuminated halo, providing a unique signature appearance. A restyled rear fascia has a more fluid surface and features a tailored chrome fascia trim accent. Below, a new lower valance in black provides visual width and lightens the appearance of the sedan. Last, a pair of elegantly drawn, polished exhaust tips are placed in the corners to give the Chrysler 300 an upscale athletic appearance. These key design elements provide a visual tie to the all-new Chrysler 200 sedan, while keeping each models' unique personality.

Inside the new 2015 Chrysler 300 passengers will be immersed in a sophisticated blend of hand-sculpted fluid shapes, high-quality and innovative material choices inspired by American cities, precision craftsmanship, state-of-the-art technology and thoughtful, clever features. When designing the new 2015 Chrysler 300, the team incorporated unique design elements and utilized authentic materials to create an interior identity that is comfortable yet beautiful - and one that could only be born in Detroit.
