Cole Butler, Boyne City Ramblers

The Rambler senior performed at his best during Boyne's run to the Breslin Center. Butler led the Ramblers with 16 points and 10 rebounds in their contest against Grand Rapids NorthPointe Christian. Butler also delivered in the Ramblers quarterfinal win over McBain, just missing a double-double, with nine points and nine boards.

Ramblers bow out in semifinals

Boyne City battles back from deficit, final shot just off target

By Chris Fiel

Grand Rapids NorthPointe Christian 48,
Boyne City 45

EAST LANSING -- Four teams left, only two would advance following the Class C semifinals, held at the Breslin Center in East Lansing on the campus of Michigan State University on March 26.

The Boyne City boys basketball season would come right down to the wire, with their final shot coming up just short of sending the game into overtime as the Ramblers fell to Grand Rapids NorthPointe Christian.

"What a great opportunity. This was an amazing experience for all of us," Boyne City coach Nick Redman said. "I am so happy for our team, especially the seniors to be able to reach their goal and play in the Breslin in the final four and do such a good job representing Boyne City and all of Northern Michigan. They accomplished a lot of great things from all their hard work and it couldn't happen to a better group of kids. They created memories to last a lifetime for all of us."

Down nine entering the fourth quarter, the Boyne City Ramblers battled back behind an outstanding defensive effort to pull within one point, 46-45, on a Tanner Kruzel layup with just over two minutes to play and looked to take the lead on a Cole Butler drive with 21.2 seconds to go in the game, only to have an offensive foul called on the play that could have gone either way. Grand Rapids NorthPointe Christian guard Preston Huckaby would convert the free throws for a three point Mustang lead.

The Ramblers would also get another opportunity though, and

after working the ball around, Butler would get off a contested attempt that would hit the right side of the iron and bounce off and time would expire, ending Boyne City's outstanding post-season run, 48-45

"We talked a lot about playing loose and playing to win and the kids did that," coach Redman added. "It was a game of runs. We started off hot, then they went on a big run. I am so proud of how we didn't quit and fought our way back and gave ourselves a chance to win."

Everything we talked about doing the kids did, they gave it everything they had.

This has been a fun season. The team reached their potential the support from our school and community has been Amazing! Thank you to everyone that supported us."

back from the opening tip, connecting on a trio of 3-pointers and dropping 11 points in the opening quarter as Boyne jumped out to an early 17-8 lead, as the Ramblers also got easy baskets on back cuts from Kruzel, Dalton Gardner and Ben Halstead.

Senior Corey Redman would open the scoring in the second quarter on a triple from the right side, pushing Boyne City's lead to 12 points, 20-8 at the 7:16 mark. Just under a minute later, Butler would be whistled for his second foul, forcing coach Redman to substitute for him.

With Butler on the bench, the Rambler offense would go cold and the Mustangs would get a lift from Huckaby, as the Grand Rapids guard worked his way inside for nine points, including a layup just before the horn, during his teams 18-6 run over the final seven minutes of the quarter.

The Mustangs would continue their offensive run once the third quarter began, reeling off another run, this time outscoring Boyne 18-9 and taking a lead of 11 points with 1:01 to play in the quarter.

Once the fourth began, Grand Rapids would match their largest lead of the night on a Huckaby steal just seconds into the quarter. That would be the Mustangs final field goal of the contest as the Rambler defense locked down and made things difficult for GRNPC over the games final 7:49.

Boyne City then put together a 10-0 run, pulling within 46-45 with 2:05 left in regulation, but could not find the bottom of the net as the Ramblers had three other opportunities over the games final 1:41.

Butler would pace the Ramblers with 16 points, 10 rebounds and two assists, while Kruzel added eight points and five rebounds.

Also for Boyne, Corey Redman added six points and five boards; Zach Napont chipped in with five points and seven assists; Gardner had four points and two rebounds; and Halstead, Mike Dohm and Derek Willis all netted two points, with Dohm hauling in two boards.

For the Mustangs, Huckaby would tally 26 points and nine rebounds, and Andrew Holesinger added nine points.

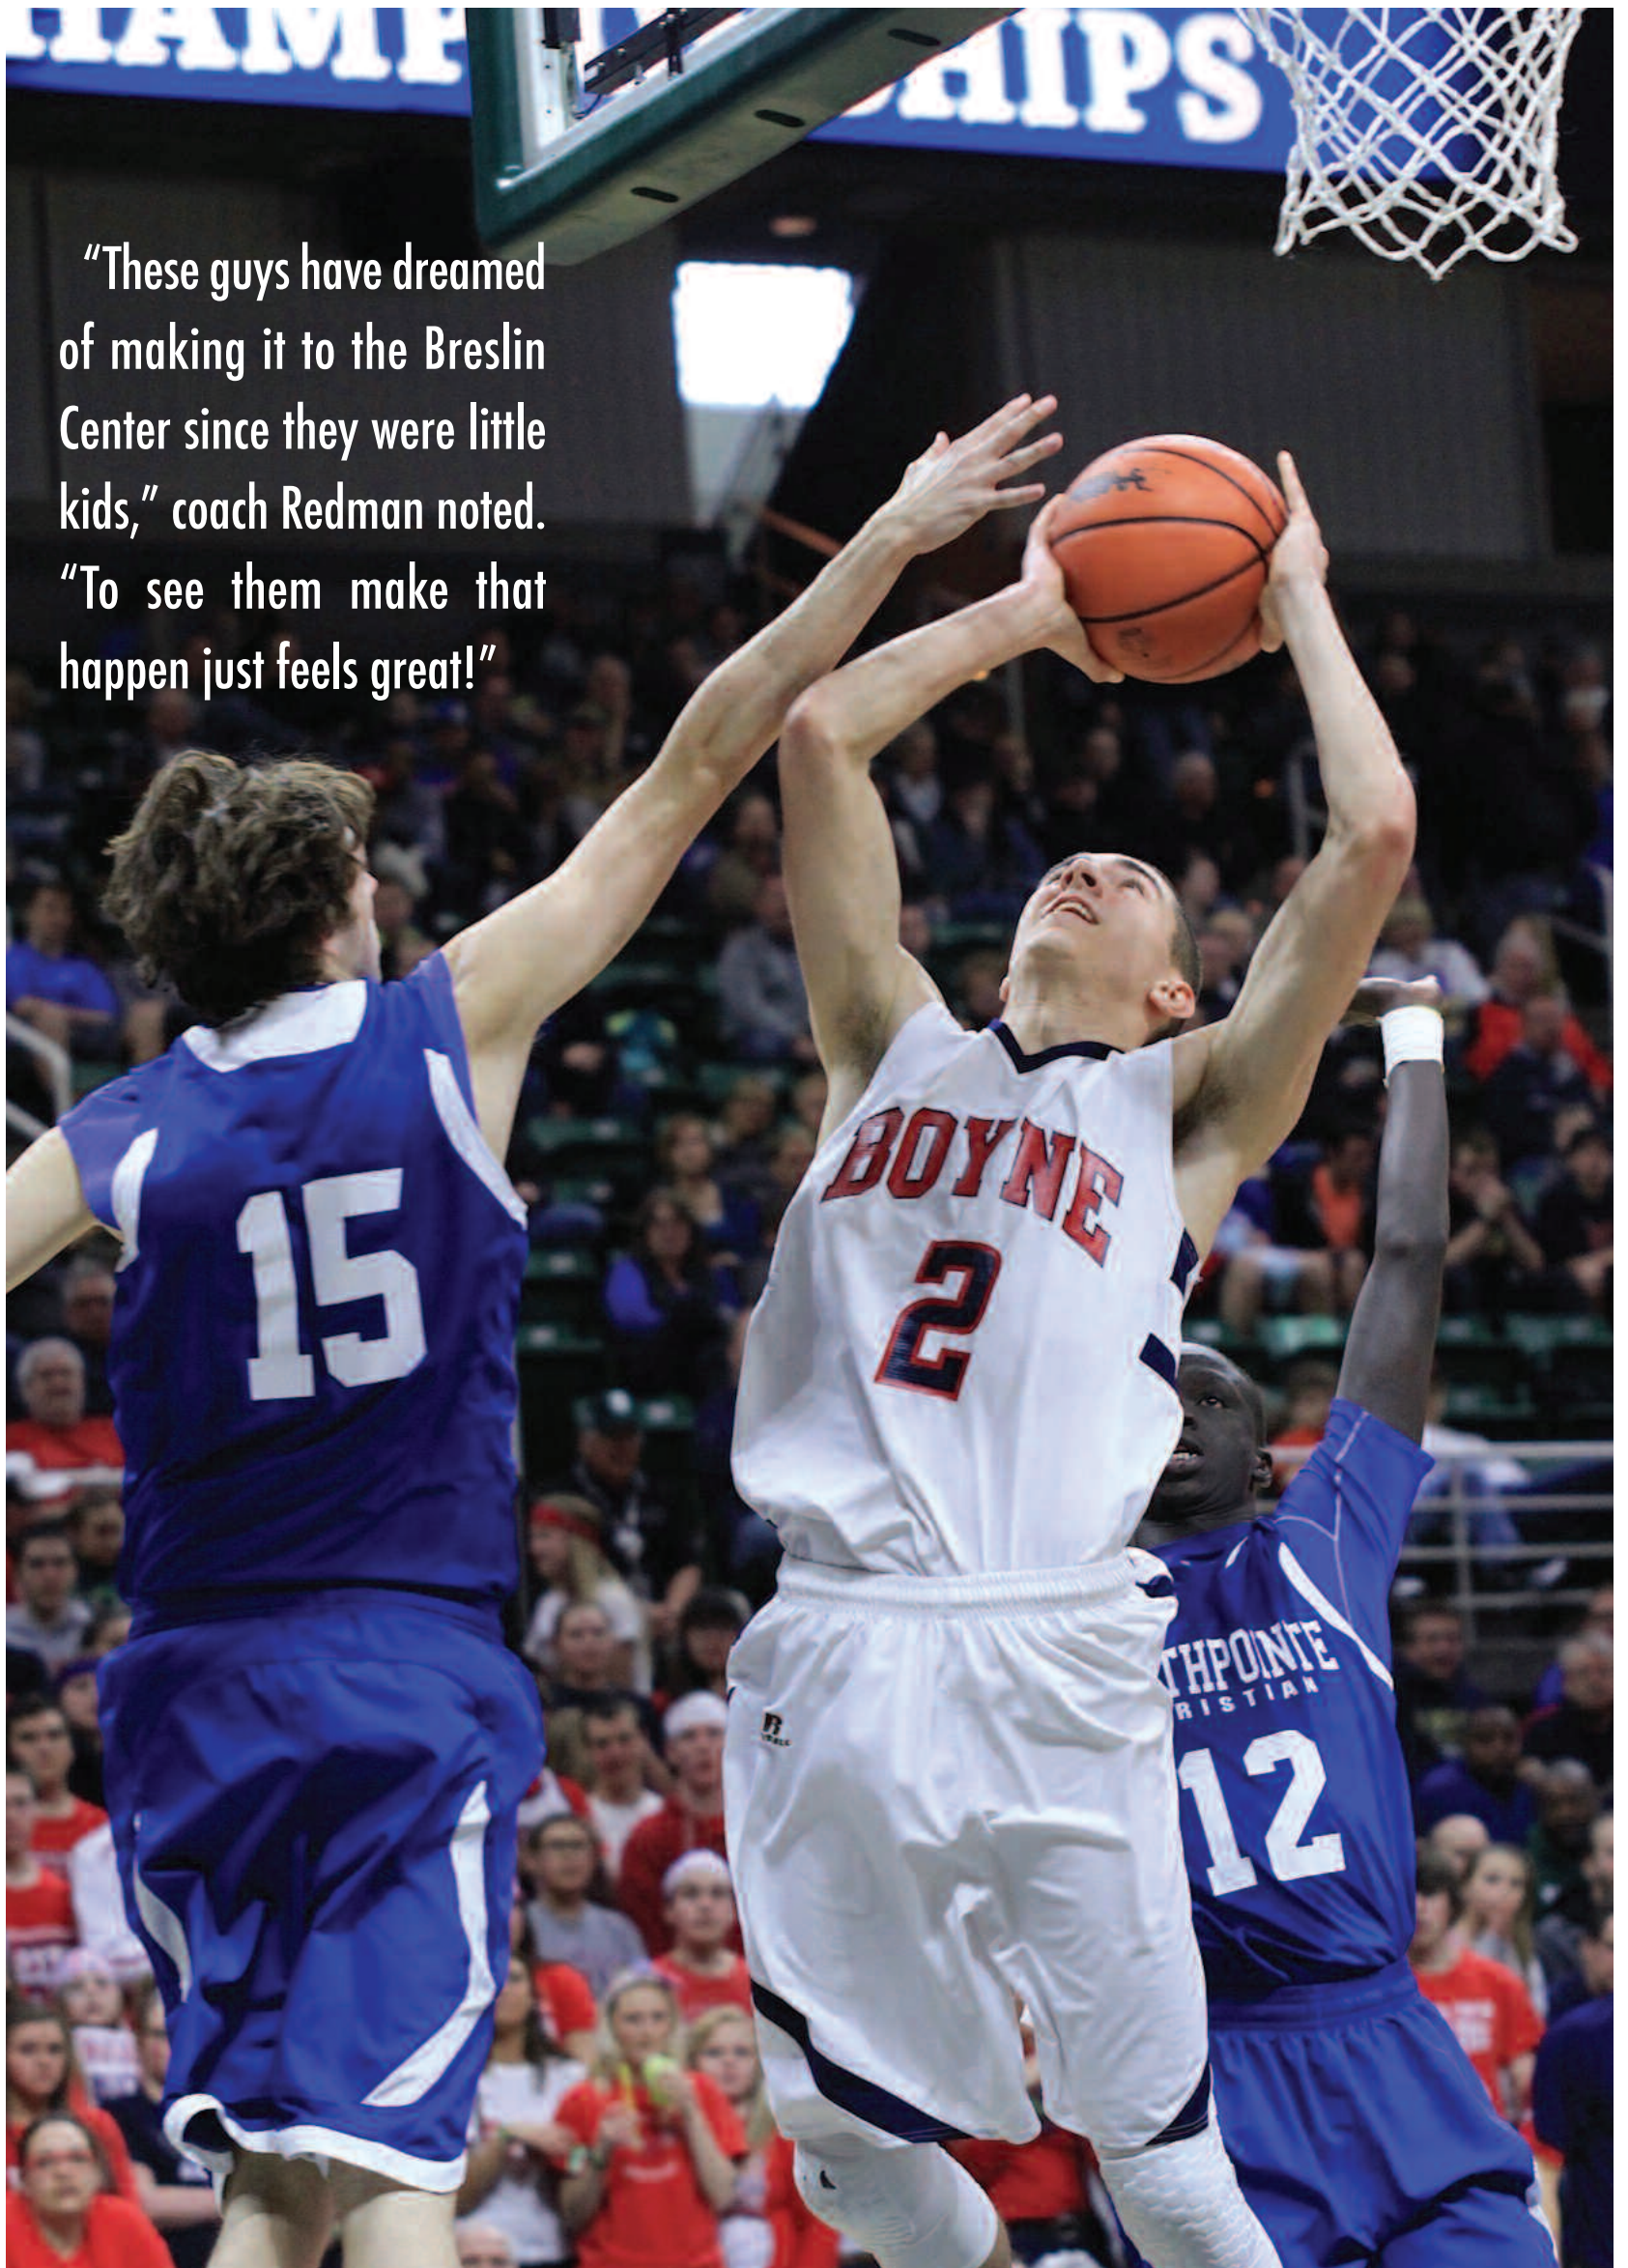

"These guys have dreamed of making it to the Breslin since they were little kids," coach Redman noted. "To see them make that happen just feels great!"

Coach Redman and the Boyne City community would like to say "Thank you to their seniors," Corey Redman, Cole Butler, Zach Napont, Dalton Gardner, Ben Halstead, Trevor Day, Alec Hoaglund, Mike Dohm, Mac Alexander and Nick Hertz for all their hard work and dedication over the years.

"They have been good role models and represented our school the right way"

Boyne City finishes the season 21-6. Along the way, the Ramblers captured their second consecutive Lake Michigan Conference title, their first district title since 2012, first regional crown since 1990 and state semifinal berth since 1933.

"These guys have dreamed of making it to the Breslin Center since they were little kids," coach Redman noted. "To see them make that happen just feels great!"

Volunteers enjoyed free Pistons' game

Char-Em United Way sent 16 community volunteers and their guests to the Palace of Auburn Hills to watch the Detroit Pistons take on the Chicago Bulls on March 21 as part of the statewide Game Changers Program. As a token of appreciation for the work volunteers do in our community, tickets were offered free to them and each volunteer was able to invite up to three additional guests. They were also given a parking pass, a special gift voucher, and a discount coupon for the Pistons' Locker Room gift shop.

The Game Changer honorees enjoyed an exciting game with

a victory for the Pistons and a final score of 107-91. "We had an absolute blast at the game! My son had so much fun cheering, being thrown up to try and catch a t-shirt, and, he doesn't know it yet, but he got to see a legend perform at the halftime show--Gloria Gayner!" said one attendee.

The Game Changers Program rewards everyday people who are making a difference within their communities through service, leadership and volunteerism. In total, 60 tickets were given out for use by area volunteers and their family and friends. Char-Em United Way, along with the

Michigan Association of United Ways, has partnered with the Detroit Pistons to provide tickets to volunteers as a gesture of appreciation for their dedication and volunteer time.

"We had a blast. As promised, it was quite a spectacle—what with the dancing row mascot, the groovy 70's cheerleaders, and Gloria Gaynor at half-time! The game was great, too—with huge scoring swings," commented another Game Changer. "We had great seats and a great time overall. Thanks so much!"

This was the second year that Char-Em United Way participated in the Game Changers

program and, with so much positive feedback, the organization hopes to offer it again in the future. To find volunteer opportunities and register as a local volunteer, visit Volunteer Connections by going to www.charemunitedway.org and clicking on "VOLUNTEER" or call the United Way office 231-487-1006 for more information.

Why Isn't My Home Selling?

Part 2 of 3

Price based on greed

Even if it's been shown that your house will likely sell for around \$250,000, you insist on listing it for \$275,000 because "you never know, someone could come along who just has to have it. Besides, if we don't get any bites we can always lower the price later." The problem is it won't take long for buyers to realize your price is unrealistic and think you are, too, and won't want to deal with you unless the house is "a steal." The listing languishes, so you drop the price, but not enough, it sits even longer and pretty soon you have a

listing that's been on the market so long buyers decide there is something wrong and steer clear.

The solution is to get the price right. This is done by using what is called a Competitive Market Analysis (CMA). If you've hired the right agent, this is the first folder out of their briefcase when you meet to list your home. A CMA breaks down the sales price of homes that are similar to yours in location, size, age and condition.

Your agent will also consider the listing prices of homes on the market, but these are used more to identify the competition. Even with a strong agent and CMA, your price may not be on target. That's be-

cause the market is always changing and your agent should be updating your CMA whenever anything comparable to your property sells.

Not every reason your home isn't selling will be the price, although they will be related to it. Here we have that value vs. price issue. If buyers perceive imperfections in your listing, they will want a discount, so if they're not buying, your price is not discounted enough for buyers to believe the value to them at least equals that of your price.

For example, if your lawn is brown and the landscaping worn, buyers will want a discount. The problem is that a seller

will not consider this a major issue and attach a much lower discount than a buyer will accept.

This is why it is imperative that sellers do everything they can to eliminate any issues buyers may have with their house before listing. Obviously, you can't do anything about a bad location, such as being near railroad tracks, or that you have just one bathroom. But you and your agent should have factored these drawbacks into the listing price.

More next week.

A slice of heaven on Lake Charlevoix in East Jordan

By Jim Akans

Sit back, listen to the waves lap along your private Lake Charlevoix frontage, enjoy breathtaking sunset vistas across the lake, and call this slice of heaven right here in Northern Michigan home.

This week's feature listing is a wonderful, knotty pine cottage in East Jordan that features approximately 50 feet of Lake Charlevoix frontage. The two-bedroom cottage has been impeccably maintained and has about 600 square feet of living space PLUS a detached two-car garage for vehicles as well as those extra storage needs. The home is move-in ready for the upcoming summer season.

Outdoors, a charming patio overlooks the nicely landscaped grounds and gorgeous shoreline just a few steps beyond. The waterfront features a sandy beach area just waiting to embrace sun-drenched days on the waters

of Lake Charlevoix boating, fishing, swimming or simply soaking up some rays. This ideal location is also close to dining, shopping and entertainment of-

fered in downtown East Jordan.

This wonderful waterfront home is located at 404 Dickens in East Jordan, and is listed at \$274,900. For additional informa-

tion or to arrange for a tour, please call Jennifer Burr at Coldwell Banker Schmidt - East Jordan at 231-536-7700 or email Jennifer.burr@cbgreatlakes.com

Automotive Review

Pack up the family and your peace of mind – the Chevrolet Impala sedan (shown here) and Tahoe and Suburban full-size SUVs were recently recommended for families in new rankings by Kelley Blue Book and U.S. News & World Report. PHOTO © GENERAL MOTORS.

Technologies Make Chevrolet Impala, SUVs Family Friendly

Pack up the family and your peace of mind – the Chevrolet Impala sedan and Tahoe and Suburban full-size SUVs were recently recommended for families in new rankings by Kelley Blue Book and U.S. News & World Report. Impala and Tahoe are among Kelley Blue Book's KBB.com 15 Best Family Cars of 2015, and Impala and Suburban were selected among U.S. News & World Report's 2015 Best Cars for Families.

It is the second consecutive year Impala has made both lists, while the Tahoe and Suburban were completely redesigned for 2015. All three Chevrolet models offer crash-avoidance technologies that use cameras, radar and ultrasonic sensor technology to help drivers avoid rear-end collisions with a vehicle they are following, blind spot-caused sideswipes, parking lot rear backup collisions and more.

Impala was the first Chevrolet model with available Front Automatic Braking, which can apply the brakes when the forward-looking radar-based system may see a crash situation before the

driver does. At lower speeds, the technology may help avoid the crash, while at higher speeds; it can help reduce crash severity and injury. Front Automatic Braking is also offered on Tahoe and Suburban.

The Tahoe and Suburban are also available with the GM-patented Safety Alert Seat. Like a smartphone, the driver can select vibrating rather than beeping alerts that intuitively "tap" them on the left, right, or both sides of the seat bottom to help direct their attention to a possible crash situation detected by the vehicle's sensors.

"Chevrolet puts families first, with cars, trucks and SUVs that provide the latest safety technologies and crash protection at a value," said Alan Batey, senior vice president, Global Chevrolet and president, GM North America. "It's why Chevrolet was the most-awarded car company in 2014 and is driving toward another year of strong recognition."

KBB.com judges evaluated comfort and driving, safety fea-

tures and crash test scores, ease of child safety and booster seat fitment, cargo space and available features such as camera systems and the ease and adaptability of fold-down seats.

Judges called Impala a "very modern take on the classic full-size family sedan" and cited Tahoe as a "family workhorse freshly updated for 2015."

U.S. News & World Report combined professional automotive reviews, safety and reliability ratings, seating and cargo volume and the availability of family-friendly features. Within each of 19 categories, the vehicle with the highest composite score was named the Best Car for Families in that category. Impala was selected the best Large Car and Suburban the best Large SUV.

For additional family enjoyment, the Chevrolet Impala, Tahoe and Suburban also offer OnStar 4G LTE with a built-in Wi-Fi hotspot that supports up to seven mobile devices.

CHARLEVOIX COUNTY BOARD OF COMMISSIONERS NOTICE OF PUBLIC HEARING PROPOSED OFF ROAD VEHICLE (ORV) ORDINANCE

Please take note that the Charlevoix County Board of Commissioners will hold a public hearing on a proposed off road vehicle (ORV) ordinance on Wednesday, April 22, 2015 at 7:00 p.m. in the Commissioners' Room within the Charlevoix County Building located at 203 Antrim St., Charlevoix, Michigan. The proposed ordinance would permit the operation of ORV's on the far right of the maintained portion of county primary and county local roads (not the roadway itself), would prohibit the operation of ORV's on state or federal roads and on forest roads or forest trails in Charlevoix County, and would regulate the operation of ORV's where permitted to be operated. A copy of the proposed ordinance may be obtained at the office of the Charlevoix County Clerk's Office, 203 Antrim St., Charlevoix, MI 49720 during normal business hours. The public is invited to attend and present its comments on the proposed ordinance. Written comments may be submitted at the public hearing or may be sent to the Charlevoix County Clerk's Office at the above address before the public hearing. Persons with disabilities needing accommodations for effective participation in the public hearing should contact the Charlevoix County Clerk's Office at the above address one week in advance to request mobility, visual, hearing or other assistance.
