## Red Devils take two from Lancers

By Chris Fiel

East Jordan 17-12, Ellsworth 0-2

ELLSWORTH -- The Red Devils traveled to Ellsworth to take on the host Lancers in a pair of baseball contests on May 19, amid some chilly weather.

In the opener, East Jordan pounded out 17 hits in a three inning, 17-0 win.

The Red Devils scored two in the first, before exploding for nine in the second inning and closing out their scoring with a six run third.

The offensive attack was led by Jake Skrocki with three hits, including a double and two RBIs, while Jordan Weber added three single and drove in two runs. Tucker Alward had three hits and an RBI and Colin Shepard doubled and singled with three RBIs.

Also for EJ, Colin Petrie doubled among two hits; Jordan Peterson singled twice; Alex Crawford doubled in a run; Herschell Sutton singled in two runs and Noah Raymond added a hit.

Weber got the win on the mound allowing two hits while striking out five.

Tyler Drenth took the loss for the Lancers on the mound, while Jesus Oviedo and Sam Wise had the Ellsworth hits.

In game two, the Red Devils again wasted little time in getting on the scoreboard as they plated four in the first, but were held in check until the fourth, when they added six runs and finished out their scoring with two in the fifth.

The Lancers were able to muster some offense as Jesus Oviedo crossed the plate twice.

Drenth took the pitching loss in the contest.

East Jordan finished with a 12 hit attack, as David Isham tripled twice while driving in three runs; Kaleb Raymond singled twice with an RBI; Bailey Sargent and Jake Skrocki drove in runs with a base hit apiece.

Wyatt Crick, Colin Bajko, Petrie, Crawford, Noah Raymond, and Alward all singled.

On the mound, brothers Noah and Kaleb Raymond combined for a no-hitter in the five inning contest.

Senior Noah started and worked the first three innings, walking two and hitting one batter, while fanning four. Sophomore Kaleb threw the final two innings, recording three K's and one walk.

"The boys had fun in the 40 degree (maybe) weather tonight," East Jordan coach Tom Reid said. "Everybody got in

and got some well needed playing time. We hadn't had a game in two weeks thanks to Mother Nature not cooperating, so it was nice to just play ball, cold or not. It was re-

ally cool to see the Raymond brothers combine for the no-hitter...it's going to make for a neat story as they get older!

## Ramblers nearly shutout Elks at home

By Chris Fiel

Boyer City 3-7, Elk Rapids 1-0

BOYNE CITY -- The Boyne City baseball team notched another pair of LMC wins on May 14, as they swept Elk Rapids 3-1, 7-0 in front of the home crowd.

In the opener, junior Derek Willis came within one out of a shutout, but a couple of Rambler errors allowed the Elks to get on the scoreboard and make the contest interesting.

Willis went the distance, striking out eight, and allowing only two hits, as he improved to 5-4 on the year, lowering his season ERA to 1.21.

Willis also recorded two of the Ramblers four hits in the game, while junior Tanner Kruzel and senior Max Cuper added RBI shots.

"Derek (Willis) was outstanding again today," Boyne coach Mark Pontoni said. "You look at his record and see four losses, but you have to know that two of them were against Class A teams and one was a 2-0 loss to Petoskey. He's at the top of his game at the right time of year."

In game two, the Rambler offense woke up, delivering an 11 hit attack, led by Willis, Dalton Gardner and Cuper, all with two apiece.

While on the mound, Ethan Habasco and Kruzel combined for the win in the three hit shut out. Habasco improves his record to 2-0 and in 18 1/3 innings this season has yet to give up an earned run.

"This was the final game on our home field for our seniors and they were determined to go out winners," Pontoni said. "We finished our conference schedule winning six straight by the combined score of 36-5."

The Ramblers are 19-9 on the year and finish 10-4 in the LMC.

BOYNE FALLS -- The Boyne Falls baseball team capped their season with a split in their home finale, falling in the opener to Boyer City JV, 8-1, before bouncing back for a thrilling 17-10 win in the nightcap on May 18.

In the nightcap, Jordan Berreth took the hill for the Loggers, working all six innings, striking out two and walking seven in the slugfest.

Redman also noted that Carson, has a great opportunity to play in the WHAC, which is a very good conference and he will get a great education at the same time.

## Rayders sweep Blazers, keep Conference title hopes alive

## Reach 20 win plateau for third straight season

By Chris Fiel

Hillman 2, Charlevoix 1  
Charlevoix 19, Mio 4

WHITTEMORE -- The Charlevoix baseball team reached the 20 win plateau for the third consecutive season following a 1-1 finish at the Whittemore-Prescott Invitational on May 16.

The Rayders are 20-10 on the season.

In the opener against Hillman, the Rayders and Tigers battled it out in a hotly contested ballgame, with Hillman coming out on top, 2-1.

Nate Moon took the loss for Charlevoix, going the distance, allowing two runs on four hits, while walking three and fanning five.

Game two was a little different result for the Rayders, as they jumped out early and often against Mio.

Charlevoix put together big innings in both the first (five runs) and second (11 runs), as the Rayders cruised to a 19-4 win in the consolation game.

Brad Klinger finished with three hits, including a three-run homer, to lead Charlevoix, while Moon added a two-run triple, which was also career hit number 124 for the senior, setting a new Rayder record.

Adam Michaud added two hits and two RBIs, while Jake Seger added three runs batted in, and Noah Certa along with Forrest Noirot each had RBI singles.

Hunter Cox and Mason Louiselle took turns on the hill, working two innings each, the two combined to fan two and walk four.

## Charlevoix 3-4, Kalkaska 1-4

CHARLEVOIX -- The Rayder baseball team improved to 17-9 overall, 11-3 in Lake Michigan Conference, with a 3-1, 5-4 sweep of Kalkaska on May 13, keeping their league title hopes alive as they trail Traverse City St. Francis by one game.

In the opener, after two scoreless innings of play, the Blazers were able to push a run across the plate in the top of the third for a 1-0 lead. That lead didn't last long as the hometown Rayders responded with a pair of runs in the bottom half of the frame on an RBI single from Noah Certa and a successful sacrifice squeeze bunt by Will Telgenhof.

The lead stood at one until the fifth, when Brad

Klinger doubled for Charlevoix, and then KeNen Borths (running for Klinger) scored on a fly ball off the bat of Certa that was misplayed by a Kalkaska fielder, adding an insurance run for the Rayders.

Klinger's double would lead the offense, while Certa, Christian Matye and Jake Seger all added singles.

Borths scored twice for Charlevoix, while Seger added the other run.

Nate Moon was in full command on the mound for the Rayders, going the distance, allowing one run (none earned) on three hits, while walking one and fanning five.

"Nate Moon was great on the mound for us in the opener and that insurance run in the 5th was a key," Charlevoix coach Allen Telgenhof said.

Game two saw the Rayders battle back from a 4-0 deficit to pull out a come-from-behind, walkoff win on a single by Hunter Cox in the bottom of the sixth.

Charlevoix spotted Kalkaska a 4-0 lead in the fourth inning as the Blazers crossed home each time courtesy of four errors.

The Rayder comeback began in the fifth inning as Matye and Devin Largent each singled and with two-outs, Borths delivered single that plated both baserunners, cutting the Kalkaska advantage to 4-2.

Following a scoreless top of the sixth for the Blazers, Charlevoix set the stage for Cox with no outs as Certa and Telgenhof each walked and moved up a base, loading them, as Moon followed with a single.

Austin Putman then doubled in both Certa and Telgenhof to knot the contest at 4-4. Matye drew an intentional walk and the next batter, Cox did the rest.

"Though we had some rough spots, I was really proud of the way the guys kept battling and came back to win the second game," coach Telgenhof said. "They play with a lot of confidence and that can carry you through some tough spots." "(Brad) Klinger was just outstanding behind the plate, blocking a number of balls in the dirt and throwing out runners trying to steal. I really thought he was a key for us in two close games."

## Lady Red Devils win tight opener, fall in extra innings in nightcap

By Chris Fiel

### East Jordan 1-5, Grayling 0-6

GRAYLING – Another exciting night on the diamond for the Lady Red Devils as they come away with a 1-0 win in game one, but fall 6-5 in eight innings in the second game on May 14.

In game one, Karlee Dunson provided the only run support pitcher Lindsay Schroeder needed with the eventual game-winning RBI single in the top of the sixth.

Schroeder went the distance in the circle for East Jordan, shutting out the Vikings on three hits and one walk, while recording 11 K's in the victory.

At the plate for the Red

Devils, Schroeder, Karlee Dunson, Karah Dunson and Stephanie Buckholz all singled.

“This was an amazing game,” Red Devil coach Meg Kitson said. “Both teams were locked on. (Lindsay) Schroeder was dominant on the mound and we were able to hold down a 1-0 win.”

In game two, both teams wasted little time in getting on the scoreboard as they each put up a run in their portion of the first inning for a 1-1 tie. But then the pitching and defense took over as neither team was able to score through the end of regulation, sending the game into extra innings.

The Red Devils were able to take a 2-1 lead in the top of the seventh, only to watch the Vikings

match that in the bottom of the frame.

East Jordan then scored three runs in the top of the eighth, giving the Red Devils a 5-2 lead, but in the bottom of the inning, Grayling responded with four runs of their own for a walk-off Viking win.

Schroeder took the loss for E.J, tossing her second complete game of the day, allowing eight hits while striking out eight.

Marissa Kolp led the East Jordan offensive with three hits and one RBI, while Buckholz and Karlee Dunson each doubled and Abby Peterson, Schroeder, Caitlyn Baugh and Sydney Drew all singled with Peterson picking up an RBI.

East Jordan is 10-8 overall, 6-6 conference on the year.

Charlevoix finally broke a 0-0 tie at 7:26 of the first overtime, when senior Leah Davis scored unassisted.

The Rayders would add another goal at 7:38 of the second overtime as Davis found Ellie Way for a score.

Keeper Gloria Green had 10 save in the game for the Rayders.

"I was incredibly proud that our girls never gave up," coach Scholten added. "Being down 3-1 with only ten minutes to go, they just kept fighting and found a way to win. Leland is a very good team who we have a lot of respect for. This was a huge comeback and a great win for us today. We have our work cut out for us when we come back here for the first game of districts."

The Charlevoix girls soccer team had to resort to a come-from-behind effort to come away with their 14th win of the season.

"This was a huge comeback and a great win for us today," Charlevoix coach Pete Scholten said. "We have our work cut out for us when we come back here

for the first game of districts."

The Rayders got on the board first at the 31:38 mark of the first half on a penalty kick as a result of a red card issued to Leland and Ellie Way found the back of the net for a 1-0 Charlevoix lead that would stand until halftime.

The Comets would pull even at 1-1 on an Ella Blomdahl goal at 31:38 of the second half, Libby Munoz of Leland would then score the next two goals of the contest for a 3-1 lead, with the last

## NORTHERN MICHIGAN OUTDOORS

# Trout Trackers Solving Mysteries

By Lydia Lohrer-Bevier and Patrick Bevier

GRAYLING --

Fairy tales permeate everything from bath towels to phone apps, but it is wilderness not fantasy that holds me spellbound. I'm not alone. Over the past two years former DNR fisheries biologist, Steve Sendek, and a team of investigators from Grand Valley State University followed their own rainbow to delve deeper into the habits of one of the enigmatic inhabitants of Michigan's holy waters, the brown trout.

Native to Europe and Asia, their lurid black and red spots are embers set into lake run silver or river gold.

The goal was to learn where the brown trout live, which habitat structure they prefer, where they rest and move to feed, and where and how far they move--providing better management and offering insight to anglers about what happens under water.

Sendek explains, "In the past biologists decided where to do fish habitat work. This study is different. We're letting the fish tell us where the special places are on the river for future habitat enhancement."

The team gently captured 69 brown trout and surgically implanted small radio transmitters into fish collected from the Main, North, and South Branches of the Au Sable River via electro shocking.

No harm comes to the fish. Knee

deep in gin clear water, wearing polarized glasses, I'd bet my last dime there were no fish nearby. Then, a brief shock through the water and a giant trout rolls up beneath my feet. Fitted with a radio transmitter, the finned phantom can be located again and again.

Scientists and a team of volunteers from Trout Unlimited (TU) chapters and Anglers of the Au Sable (AAS) members tracked fish. Precise GPS location, habitat, structure preference

and daily/seasonal movement were recorded into a computer database.

Many of the large browns moved to very shallow water in the middle of summer. This counters the theory that they always seek cooler, deeper water when it's hot. Further investigation revealed that the fish were resting near cold springs and tributaries rich in oxygenated water.

Fish mortality was low and primarily due to mink and otter predation. Fish behavior varied dramatically. Some fish travelled only eight meters and had the identical daytime home site and nighttime feeding lane. One 24" behemoth was "lost" for months, found 40 miles away. Spawning browns and those on slower stretches of river moved the most.

"This project wouldn't have been possible without volunteers," said Gates Au Sable Lodge owner, Josh Greenberg, who spearheaded the winter telemetry work.

Lead scientist and GVSU graduate student, Bryan Giardano, in an oral presentation concluded, "Our data indicate that brown trout have high home site fidelity throughout the year and move relatively little to feed and spawn. Thus, habitat improvement efforts should consider the distances from structures to potential feeding and spawning sites and temperature zones when planning habitat improvement projects."

## Red Devils, Lancers battle in doubleheader

By Chris Fiel

### East Jordan 8-11, Ellsworth 1-9

ELLSWORTH -- The East Jordan softball team took a pair of softball games from Ellsworth on a chilly mid May 19 doubleheader; 8-1 in the opener and 11-9 in the nightcap.

In game one, Red Devil senior, Lindsay Schroeder was in control in the circle, tossing a complete game one-hitter, while fanning eight.

The EJ offense was led by Karah Dunson with three hits, including a triple and a double and one RBI, while Savannah Walker added three hits and three RBIs.

Schroeder doubled among her two hits, Abby Peterson doubled with two RBIs and Karlee Dunson, Jill Atwood and Marissa Kolp all had one hit.

Abby Nachazel took the loss for Ellsworth, allowing 12 hits, while walking three and striking out three.

Amanda Veenstra had the lone Lancer hit. "I was real happy with how our girls hit today," Red Devils coach Meg Kitson said. "Everyone seemed to have real focus at the plate."

In game two, East

Jordan jumped out to a

4-0 lead before the Lancers rallied for three runs in both the second and third innings to take a 6-4 lead, which would increase to 7-5 Ellsworth, headed into the sixth when the Red Devils crossed the plate six times to take an 11-5 lead, before having to hold of the Lancers in the bottom half of the frame, limiting them to a pair of runs.

Peterson picked up the win for EJ, working all six innings, allowing four hits, while walking two and striking out three.

At the plate for the Red Devils, Karah Dunson had three hits, including a double and four RBIs, Kaitlin Loviska had two hits, with a double and three RBIs.

Marissa Kolp hit a two-run home run, while Caitlyn Baugh, Peterson, Schroeder and Walker all singled, with Baugh and Peterson collecting RBIs.

For the Lancers, Shantell Potter, Nczhazel, Kaitlyn Sowers and Veenstra all had one hit each.

Nachazel took the pitching loss, allowing 10 hits over six innings of work, striking out one and walking two.

The Red Devils improve to 12-8 on the season, while the Lancers slip to 16-9.

### A Timeline for Your Summer Move

Compliments of Mike Stark, Coldwell Banker Schmidt Realtors East Jordan. (231) 536-7700

Getting prepared to move is half the battle

**Part 4 of 5**

1 week from move date: Set aside valuable items and keep those with you. Clean before moving and leave your house or apartment as clean as it was when you moved in.

Tip: Make sure the details for paying the moving company are taken care of. Some will require

money orders or cashier's checks upon delivery; know their policy in advance to avoid stress on moving day.

Tip: Start eating all the frozen foods you have, or give them to a neighbor or friend. This way you won't have to throw them away on moving day, or worry about packing an ice chest.

Tip: Also think about necessities for managing moving day like confining your pets and anticipating the amount of time you will need.

Tip: Place necessities such as toiletries, toilet paper, rags,

"must-have" cooking supplies and organize them in boxes marked "open first" so it's easy to find the initial items you'll want handy on those first few days of being in your next home. Don't forget the flashlight!

Tip: If possible, take one last tour of the new location and identify water and gas shut off locations, as well as the electrical breaker box just in case something happens in the first few days so you're prepared. Might be smart to drop off a fresh box of light bulbs too!

## Getting help through the Michigan Medicare/Medicaid Assistance Program

**Medicare/Medicaid Assistance Program**

Many Medicare beneficiaries have already had the opportunity to receive guidance from a counselor representing the Medicare/Medicaid Assistance Program, otherwise known as MMAP. The program provides free help to those who are currently receiving Medicare benefits or are anticipating the magic age of 65, when they first become eligible.

MMAP is Michigan's version of a service that is sponsored nationally by Medicare, and is part of the Federal State Health Insurance Assistance Program, also known as SHIP. All states offer this service and have counseling help in each county.

In Michigan, the 16 Area Agencies on Aging are the host for MMAP services. Each MMAP Region is headed up by a Coordinator who manages the program. There are nearly 800 counselors serving throughout Michigan. All trained and certified to provide this specialized

type of assistance.

Counselors guide Medicare beneficiaries in a wide variety of areas associated with health care insurance. It is nice to have so many insurance options available, however, it can also be very confusing for the person who needs to make a decision on what plan or combination of plans will be best for them. Counselors will help by identifying each of the major type of insurance coverage areas, including the benefits and cost.

MMAP representatives will routinely screen clients for eligibility in the various low income assistance programs, including Medicaid benefits and Extra Help. If qualified, they will help with the application process.

Counselors also provide assistance with health care billing issues, potential fraud and abuse concerns, explain how Medicare pays for durable medical equipment, and even advise how to apply for Medicare. MMAP rep-

resentatives explain the programs and provide the options. The beneficiary is in the driver's seat and is empowered to make their own decisions.

The MMAP headquarters for Region 10 is located at the Area Agency on Aging of Northwest Michigan, in Traverse City. Currently there are 58 counselors located throughout the 10 county region consisting of Antrim, Benzie, Charlevoix, Emmet, Grand Traverse, Kalkaska, Leelanau, Manistee, Missaukee and Wexford. About half of the counselors are volunteers and half work for various employers who allow them to provide MMAP services as part of their job function. Fourteen individuals recently completed the rigorous 5 day initial training requirements and are now part of a team that will be able to serve even more beneficiaries.

Team members take pride in the fact that their help is both unbiased and free of charge. Their coun-

seling services can be valuable to those who need guidance in any aspect of Medicare and Medicaid. Nearly 6,000 people were served throughout Region 10 during the past year. Beneficiaries are satisfied and grateful for the help they get from our team.

We are always interested in talking to people who may have an interest in being a volunteer for MMAP. It can be a very rewarding experience to guide those in need through the decision process.

If you need assistance or would like to explore the possibility of being part of MMAP, please call our toll free number at 800-803-7174 and leave a message.
