# Three in a row

## Ramblers rally past Red Devils for 3rd Straight District Title

### Ramblers rally past Red Devils

Boyne City 13, East Jordan 5

MANCELONA – Make that three in a row for the Boyne City Rambler softball team.

Three straight district titles that is, following a 13-5, late inning, come from behind win on June 1 over Lake Michigan Conference rival, East Jordan.

The Red Devils would not make this an easy task for the Ramblers though as EJ was in control for a majority of the contest and leading 5-4 heading into the bottom of the sixth inning.

With one out in the bottom of the sixth, sophomore Emma Vondra reached on an error; freshman Katie Hoth was substituted to run for her and then senior Lauren Richards tripled to begin what would turn out to be a Boyne City hit parade, as the Ramblers would score eight more times, giving BC a 13-5 lead, before the Red Devils were able to record out number two.

That would be all the scoring for the remainder of the game.

The Red Devils got on the board first, scoring twice in the opening inning and holding the Ramblers to a single run in their half of the frame.

East Jordan would then add three more runs in the third, on key singles from Sydney Drew and Kaitlin Loviska.

Boyne would match the Red Devils with a three spot of their own in the bottom half of the inning as Hannah Hoth hit an RBI single to plate Brooke Fouchia, and Jordan Weiss added a sacrifice fly that would score the others, pulling the Ramblers back within one, 5-4, setting the stage for the monster half of the BC sixth inning.

Emma Shumaker picked up the win for the Ramblers in the circle, going the distance, allowing five runs on nine hits, no walks and struck out 10.

At the plate for Boyne, Hannah Hoth finished with three hits and two RBIs, while Fouchia and Paige Hornbeck added two hits each, with Hornbeck picking up two RBIs.

Also for the Ramblers, Richards tripled, Shumaker added a two RBI double and Vondra singled.

For the Red Devils, Lindsay Schroeder took the pitching loss, going the distance, allowing 13 runs on 12 hits, while fanning eight and walking three.

Karah Dunson paced the East Jordan offense with three hits, including two doubles and two

RBIs, whils Schroeder added two singles.

Drew, Loviska, Karlee Dunson and Abby Peterson all singled, with Loviska picking up a pair of RBIs and Drew another. "One inning ran away on us all day," East Jordan coach Meg Kitson said. "Boyne is a great team and great hitters."

"I'm proud of our effort to make this a good competitive game."

The Red Devils finish the season at 16-9 and graduate five seniors, Schroeder, Drew, Loviska, Stephanie Buckholz and Savannah Walker.

Boyne City improves to 19-12-1 on the season and advances to regional play at Traverse City St. Francis and will face LMC rival St. Francis at noon on Saturday, June 6.

### East Jordan rides pitching to finals

Schroeder fans 14 in semifinal win

East Jordan 4, Mancelona 1

MANCELONA – Lindsay Schroeder had it dialed in during the Red Devils 4-1 semifinal win over the tournament host Lady Ironmen on June 1.

The senior pitching ace, held Mancelona to three hits, while recording 14 K's and walking none for the win.

Mancelona got on the scoreboard in the top of the fourth, as Hannah Hardy scored on a Logan Allen double, but that would be the last base runner Schroeder would allow and the only time the Lady Ironmen would threaten against the Red Devils.

East Jordan would put up a two spot in their half of the fourth, as Sydney Drew reached on an error, followed by a Karah Dunson walk and both would score on a Kaitlin Loviska double for a 2-1 lead.

The Red Devils would add a pair of insurance runs in the fifth as Abby Peterson doubled home Marissa Kolp and Schroeder.

Leading the EJ offense in the contest was Loviska with three hits, including a double, while Peterson doubled and Kolp,

Schroeder and Dunson all singled.

Allen, Hardy and Taylor Kraemer all had hits for Mancelona.

# CHARLEVOIX'S SEASON ENDS IN DISTRICT FINAL

## Mancelona 4, Charlevoix 2

MANCELONA – They say all good things must come to an end.

The Charlevoix baseball season did just that on June 1, falling in the district final, and 4-2, to host Mancelona and finishing the season with a very respectful 27-12 record.

The Rayders reached the championship game after a big win over Boyne City in the semifinal and took an early lead in the title game.

Charlevoix senior, Noah Certa blasted a two RBI single that plated Alex Kleiber and KeNen Borths and it looked as if the Rayders were about to get things going when the Ironmen closed the door, preventing more damage.

Certa would finish with two hits in his final game for Charlevoix.

The Ironmen would finally break through on Charlevoix in the fifth inning, scoring twice with two-outs to knot the game at 2-2. Ironmen standout Brandon Dingman would give Mancelona a 3-2 lead in the sixth, with a two-out RBI single.

The Ironmen would add an insurance run in the top of the seventh, but Charlevoix battled back in the bottom half of the frame, putting runners on first and second, bringing the winning run to the plate, but were unable to score against Mancelona.

KeNen Borths took the pitching loss in relief of Hunter Cox. Senior Nate Moon also pitched two innings as the trio combined to allow four runs on six hits, while walking five and fanning four.

The Rayders graduate key contributors, in Certa, Telgenhof, Moon, Borths and Devin Largent.

## Charlevoix 8, Boyne City 3

MANCELONA – The Charlevoix baseball team picked up a big win, 8-3 over Boyne City to advance to the district finals on June 1.

In what was a highly anticipated pitchers duel, Tanner Kruzel of Boyne City and Nate Moon of Charlevoix did not disappoint for the first half of the contest, as both pitchers held the opponent in check, with no score through four innings of play.

The Rayders however, would capitalize in the top half of the fifth, taking advantage of a balk call that would score KeNen Borths and give them their first run.

Will Telgenhof then delivered an RBI double and came around to score on a Boyne City error, giving Charlevoix a 3-0 lead.

The Rayders pushed their lead to 5-0 in the fifth inning on a Christian Matye double and another Rambler throwing error.

The veteran Ramblers would not go away easy though, and drew within two runs in the bottom of the sixth as senior Max Cuper sent a three-run home run sailing over the outfield wall.

Charlevoix would get those three runs back in the top of the seventh for an 8-3 lead, but the Ramblers threatened in their half of the inning, loading the bases and with two-out, Cuper would come to the plate with a chance to chip away at the Rayder lead, but Moon, would strike him out to preserve the win and send Charlevoix to the title game.

Moon picked up the in on the hill, allowing three runs on seven hits, while fanning six and walking three.

Offensively for the Rayders, Matye doubled twice, while Certa and Austin Putman had two hits each, with one a double and Moon and Telgenhof both doubled.

Kruzel took the loss for the Ramblers, striking out nine and walking three in five and two-thirds innings of work, while Dalton Gardner fanned two in an inning and a third of relief.

Cuper, Kruzel and Gardner all had two hits; to lead the offense for Boyne, with

one of Gardner's a double, while Colton Sieradski chipped in with a double.

Boyne City says goodbye to graduating seniors, Cuper, Gardner, Maceo Vroman, Zach Napont and Jeff Miller.

## Red Devils run into tough Ironmen team

### Mancelona 10, East Jordan 0

MANCELONA – The East Jordan offense could just not get their offense untracked in their district semifinal game against host, Mancelona, falling to the Ironmen, 10-0 on June 1.

The Red Devils were limited to only two base runners, a fourth inning walk

to Jordan Peterson and one hit, a fifth inning single by Colin Shepard.

"We just couldn't get anything going today," Red Devils coach Tom Reid said. "Mancelona's Dingman had our bats stymied all game long."

Junior Colin Petrie took the loss for East Jordan, allowing seven runs (five earned) on six hits, while striking out six and walking three. Senior Tucker Alward pitched in relief for the Red Devils.

"I'm sad to see our season end, we had eight seniors play their last game today and I've coached most of them their whole high school careers," coach Reid added. "I'm going to miss having these guys on the baseball field and I had hopes for a little longer season for all of our guys."

## PRE-DISTRICT BASEBALL

## Ramblers outlast Rams Both teams deliver strong pitching/defensive performances

By Chris Fiel

### Boyne City 3, Harbor Springs 2 (8 innings)

MANCELONA – Post-season ball at its best.

What a way to start the second season. Neither the Boyne City Ramblers nor the Harbor Springs Rams wanted their season to be finished as the two Lake Michigan Conference foes battled it out for eight innings, winning on an RBI infield single by junior Tanner Kruzel in their pre-district game on May 26.

"This was a great high school baseball game," Boyne City coach Mark Pontoni said. "Outstanding pitching and defense by both teams all day."

Harbor got on the board first, in the fourth inning as Dillon Schwark singled and moved to second on an Erich Hibbler single and eventually came around on a Rambler error.

Boyne City battled back to take a 2-1 advantage in the bottom of the fifth as senior Jeff Miller doubled to lead off the inning. One batter later, sophomore Dominik Archey plated him in with a single. Archey was cut down trying to advance to second on the throw home.

With two out in the frame, senior Maceo Vroman singled,

moved to second on an error, and scored on a RBI single by senior Dalton Gardner.

That lead would hold until the top of the seventh, when, after the first two batters struck out, Harbor's Ethan Schwarz then reached on an error, moved to second on a wild pitch and scored on senior Chase Lepird's single to knot the game at 2-2.

The game would stay that way until the bottom of the eighth when Kruzel would deliver his game winning infield single.

With one out in the inning, junior Colton Sieradski singled and advanced to third on a wild pitch, and was gunned down at the plate trying to score on a slow roller to the pitcher.

With one on, Derek Willis was then hit by a pitch. Max Cuper loaded the bases with a single to left, and Kruzel got the walk-off RBI single to deep short.

Cuper had two hits to lead Boyne, while five other Ramblers had one hit a piece.

On the mound for BC, Willis started and worked the first five innings, striking out six, walking none and not allowing an earned run. Kruzel tossed the final three innings, not allowing an earned run.

For Harbor, Lepird, Schwarz, Hibbler all doubled among their two hits, while Andy Morse singled twice.

Lepird took the pitching loss for the Rams, going 7 2/3 innings, (102 pitches in his career finale) fanned five batters, walking two and allowing two earned runs.

## Red Devils split with Vikings in league finale

By Chris Fiel

### East Jordan 2-5, Grayling 3-4

GRAYLING – The Viking broke a tie ballgame in the bottom of the fifth to take game one for a 3-2 victory, while in game two, East Jordan got a fifth inning pinch-hit double to take the lead and ultimately the win, 5-4 on May 28 in Lake Michigan Conference action.

In the opener, Kaleb Raymond took the loss on the mound, going the distance, allowing three runs on five hits, while fanning two and walking a pair in

the Grayling late inning rally.

At the plate, Colin Petrie and Herschell Sutton led the way with two hits, while Tucker Alward, Colin Shepard and Jordan Weber each added one hit.

In the nightcap, a David Isham pinch-hit double in the top of the fifth put the Red Devils on top for good, 5-4 and the East Jordan combination of pitching and defense would bring home the win.

Ryan Lavanway picked up the win in his first varsity start, with four innings of work, allowing four runs (two earned) on six hits, while striking out two. Sutton came on to toss the final two innings, shutting down the Vikings offense, limiting them to one hit and recording three K's.

## REGULAR SEASON SOFTBALL

## Lady Lancers roll past Rayders

### Ellsworth 17-20, Charlevoix 8-6

CHARLEVOIX – The Ellsworth softball team capped a solid regular season campaign with a pair of non-conference victories over Charlevoix on May 28.

In game one, the Lancers took advantage of a big second inning, where they scored seven times, in pulling away for a 17-8 win.

Shantel Potter and Kaitlyn Sowers finished with three hits apiece, with Sowers having two triples and Potter scoring three runs.

Maddie Steenwyk added two hits and three RBIs and Olivia Spence scored twice in addition to her two hits.

Game two featured much of the same result for Ellsworth, as the Lancers jumped out early; plating 15 runs in the first three innings as they cruised to a 20-6, five inning win.

Abby Nachazel pounded out four hits and Amanda Veenstra added three hits and three RBIs to lead the Lancers.

Also for Ellsworth, Sohie Sommer had two hits and scored five times, and Potter chipped in with a pair of singles and three runs. "When we play like we played tonight we can play with any-

one," Lancer coach Andy Montgomery said. "I'm very proud of the turnaround we experienced this year, and hope that the foot print is set going forward. Great kids, great assistant coaches and supportive parents has been the key to the turnaround."

Nachazel picked up both pitching victories.

Ellsworth closes the regular season with a 19-14 record, playing a very tough and competitive schedule.

## Red Devils get past Cardinals

### East Jordan 9, JoBurg 3

EAST JORDAN -- Lindsay Schroeder tossed a five-hit pitching performance and delivered a three hit performance at the plate in leading the Red Devils to a 9-3, non-conference win over visiting Johannesburg-Lewiston on May 26.

In game one of two scheduled for the night before the weather turned; Schroeder went the distance, working six innings of five-hit, no walk ball for the win.

The Red Devils put up a three spot in the bottom of the first and added two runs in each of the third, fourth and fifth innings and holding the Cardinals to

three runs over the final two for the victory.

At the plate for EJ, Schroeder had three hits, including a home run and added three RBIs to lead team.

Karlee Dunson singled twice with an RBI, while Savvy Walker, Karah Dunson, Caitlyn Baugh, Marissa Kolp and Sydney Drew all added hits, with Walker knocking in two RBIs and Karah Dunson one.

"We were glad to get a win today as we make our tune-ups for districts," East Jordan coach Meg Kitson said. "We tried to get Game two in, but we were washed out. The girls had a lot of fun today."

## Rayders successful soccer season ends

By Chris Fiel

#### Leland 2, Charlevoix 1

LELAND – The Charlevoix girls' soccer season came to an end, earlier than expected on May 26, falling to Leland, 2-1.

Leland's Libby Munoz scored both goals in the first half, at 14:05 and 7:45, respectfully, for a 2-0 lead.

Charlevoix would not go down without a battle as Ellie Way put the Rayders on the scoreboard with 1:45 remaining in the first half, pulling the team within 2-1.

Charlevoix was on the attack for the better part of 25 minutes in the first half, but unable to capitalize on several quality opportunities.

Rayder senior defensive stopper, Olivia Storm suffered a knee injury in the first half, handing Charlevoix a key loss that they would have to deal with for the remainder of the contest.

Rayder coach Pete Scholten noted that Beth Veenstra stepped up in Storm's absence and did a great job filling in.

Keeper Gloria Greene had 11 saves on the night in goal.

"We knew going into the game that we would have to finish well to win," coach Scholten said. "We just couldn't find the back of

### DNR gives tips for safely operating ATVs

As summer kicks off in Michigan, national ATV Safety Week (June 6-14) is a good opportunity for the Department of Natural Resources to remind riders of important safety tips that can help ensure a more enjoyable off-road experience. Here are the DNR's top 10 safety tips for ATV riding:

- Always wear a U.S. Department of Transportation-approved helmet, goggles, long sleeves, long pants, over-the-ankle boots and gloves.
- Never ride under the influence of alcohol or other drugs.
- Never carry a passenger on a single-rider ATV, and no more than one passenger on an ATV specifically designed for two people.
- Supervise riders younger than 16; ATVs are not toys.
- Ride only on designated trails and at a safe speed.

Take an off-road vehicle safety course or an online course. Visit the DNR website at michigan.gov/dnr and check for a course near you under the Education & Outreach menu.

Do a pre-ride check of your vehicle to make sure it is in proper working order. Pay close attention to the tires, making sure they aren't low and don't have leaks. Low tire pressure can cause handling issues for your ORV.

Know your trail – study the map for where you are riding before you head out and become familiar with where the sharp curves are located.

Know where you're riding – before heading out, make sure you know whether or not the county you're riding in allows ORV use on county roads. Do not mistake state

forest roads for county roads. Contact the county sheriff's department, road commission or county clerk's office for information about each county's ORV ordinances. The DNR also keeps updated ORV maps on its website.

ORVs primarily are designed for off-road use. Driving on paved surfaces is hazardous because of handling issues. Riding on paved roads is a common cause of ORV-related fatalities.

For a complete overview of ORV rules and regulations in Michigan, go to the Michigan ORV Handbook online. If, while out riding, you encounter someone violating land-use rules for ORVs, please contact the DNR's Report All Poaching law enforcement line at 800-292-7800.

## NORTHERN MICHIGAN OUTDOORS

# Beaver Pond Brookies

By Patrick W. C. Bevier

Much like finding a cluster of delectable morel mushrooms in an expansive ash forest, stumbling across a beaver pond on a remote northern stream is a lucky encounter indeed. This is especially true if the dam is large and old enough to have created a substantial pool of deep water. Anglers who discover such "diamonds in the rough" just might be in for a brook trout ballyhoo!

Patrick Bevier

When deep water environments are created by beaver dams they can furnish prime fish habitat where it didn't previously exist. That's because the trout are looking for the security this deeper water affords and the

substantial food it attracts, especially baitfish and aquatic insects. Of particular interest are the large, burrowing may fly larvae of the genus Hexagenia that dwell in the silt bottom that results from the damming up process. The "Hex" hatch of these mammoth "fish flies" is the most famous bug phenomena in all of Michigan. When this is occurring trout are more active than any other time of year as they commence a feeding frenzy for the plump insect nuggets.

The age of the beaver lodge is also a key component as to whether or not a beaver pond will hold fish. Unfortunately, beavers can be here one day and gone the next. Consequently, the dams can deteriorate without the animal's constant attention. An excellent fishing area may become dead water if abandoned by the beavers.

Brook trout are the most popular beaver pond fish. They won't tip the scale to the same

extent as rainbow and brown trout, but what they lack in size they more than make up for with spunk and display the most stunningly beautiful colors in the freshwater fish world.

Baits for successful beaver pond angling range from wet and dry flies, number 0 or 1 Mepps or Panther Martin spinners, and good ole, "garden hackle" aka as worms. Speaking of bait, make sure you pinch down your hook barbs, handle the fish as little as possible, release him gently while facing him upstream, and try to bring the fish in as quickly as possible to prevent possible deadly exhaustion. It's not unusual for a beaver pond brookie population to stunt. Therefore, if you catch a few that are legal sized, they are a delicious delicacy!

Therefore, a beaver pond are pleasant surprises when you happen across one. I've stumbled on a few while walking deep in the woods small game hunting.

Northern stream beaver dams will often create ponds that harbor large populations of brook trout. (PHOTO PATRICK W. C. BEVIER)

They exist on many northern streams including the Jordan and Maple Rivers and Hemingway's beloved Horton Creek. If you find one, scout out nearby tributaries in hopes of finding

more ponds. No matter where you go, or what you use, beaver pond fish are often very willing to bite. Toward that end, tight lines anglers, tight lines!

### What Homeowners' Insurance Discounts Are You Missing?

#### Part 1 of 2

Homeowners insurance isn't a topic that most people like to think about except as the funny/scary 'Mayhem' ads for Allstate. For first-time homebuyers the prospect of adding home insurance to the other long list of costs can seem daunting. Yet homeowners' insurance isn't just required for your mortgage, it's an important part of a plan to keep you and your home safe.

Generally homeowners' insurance covers damage from fire, most storms (some insurance does not include flood damage), theft, and more. It can also protect you in case someone is in-

jured in your home. It is a wise investment in your financial safety.

Luckily there are some ways you can improve your home that not only may boost resale value, but can also knock a little off your homeowners' insurance rates. Trusted Choice conducted a national survey in 2011 and found that over 34% of respondents did not know about all the homeowners insurance discounts available to them. Below are a few key areas to focus on.

1) Home Security—Those who live in a gated community may be entitled to a discount. Gated communities tend to have lower rates of theft, vandalism, and other crimes. Having a security system

in place can pare as much as 15 percent off your policy depending on the provider. Dead-bolt locks can also be a discount for some providers.

2) Fire Safety—The installation of smoke detectors and carbon monoxide detectors isn't just necessary protection for your family, it's also something insurance underwriters smile upon. Also for fire protection, a sprinkler system, heat detectors, fire escapes and plenty of fire extinguishers are also important. And keep those flammable substances outside the home at a cool temperature to avoid overheating and fire risk.

## Custom Log Home features attention to detail throughout

By Jim Akans

The approximately six acres of property is a spectacular mix of open and wooded areas. There is a detached two-and-a-half car garage just a few steps from the main home, plus a separate 32x40 foot pole barn...additional storage space is not a concern with this home!
