SOFTBALL REGIONALS

Ramblers come up short in regional semifinals

By Chris Fiel

Traverse City St. Francis 6, Boyne City 2

TRAVERSE CITY -- The Boyne City softball team saw their season come to a close on June 6, falling to tournament host and eventual champion, Traverse City St. Francis 6-2 in a regional semifinal contest.

The Ramblers threatened multiple times during the course of play, but were unable to capitalize on a few opportunities as the Gladiators worked their way out of a few jams, shutting down the potent Boyne City offense.

Boyne put runners on base in every inning except the seventh, scoring twice in the fourth and stranding two runners in each of the third and sixth innings.

In the Rambler top of the first inning, Emma Shumaker drew a one out hit by pitch, before No. 3 hitter Hannah Hoth reached on a fielder's choice. But a flyout to center ended the inning.

The Gladiators opened the bottom half of the frame by drawing a pair of walks and moved them into scoring position with a sac-

rifice bunt. A wild pitch would plate the first St. Francis run for a 1-0 lead.

TCSF would try to open things up in the bottom of the second, putting three runs on the board (all unearned) with two outs on a pair of RBI singles, for a 4-0 advantage.

The experienced Ramblers, though didn't buckle, after battling through a scoreless third inning, Boyne got things going in the fourth as senior Lauren Richards singled and moved to third on an Emma Vondra hit, taking second on the throw to third.

Richards would scamper home a few pitches later on a passed ball, putting Boyne City on the books. Brooke Fouchia would then hit a grounder to short and on the throw to first for the out, Vondra broke for home, sliding in safely ahead of the relay, making it 4-2, St. Francis.

TCSF would push their lead back to four with a two-out RBI single in the bottom of the fifth and another two-out RBI single in their portion of the sixth inning.

"When you get to this point you have to play your

best and today we did not play our best game," Boyne City coach Sandy Clausen said. "We weren't able to get that 'one more hit' to drive in runners. TCSF was able to capitalize on opportunities to score that we just didn't do."

Emma Shumaker took the pitching loss for the Ramblers, allowing six runs (three earned) on six hits and walked four.

At the plate for Boyne, Richards and Vondra finished with two singles apiece, while Brooke Fouchia, Paige Hornbeck and Hannah Hoth all singled in the Rambler seven hit attack.

"I am sad to have our season come to end. I will have holes in my line up to

fill with the graduation of five seniors, I will certainly miss each of them," coach Clausen added. "I look forward to returning a good core of players for next season."

The Ramblers close out the 2015 campaign with a 19-13-1 record and those five senior that will graduate are; Katelyn Banner, Fouchia, Hornbeck, Richards and Jordan Weiss.

NORTHERN MICHIGAN OUTDOORS

A Bronzeback Bonanza

(Michigan's Unparalleled Smallmouth Bass Fishery)

By Patrick W. C. Bevier

In-Fisherman Magazine recently named Michigan the second best bass fishing state in the entire U.S., sandwiched between the two prolific, southern "bass factories" of Florida and Georgia. This distinction is largely because of our remarkable smallmouth bass fishing headlined by what the worlds' greatest bass fisherman, native son Kevin VanDam, calls the best smallmouth fishery in the world-Lake St. Clair in Southeast Michigan.

Also playing a key role in this ranking, however, are the many outstanding bronzeback havens in northern Michigan. When asked what are some of the best smallie lakes in the north, a man I call, "the Buddha of Bass," Chris Noffsinger said, "There are so many great smallmouth lakes in the north I can't name the best ones. They are so good that we just rotate around based on weather conditions and time of year."

Although Noffsinger adheres to the adage that, "variety

Chris Noffsinger, of Northern Adventures Fishing guide service, hoists a duo of mammoth smallmouth bass he caught in Grand Traverse Bay.

is the spice of life" his favorite "hawg" haunt is Grand Traverse Bay. The area provides the water quality, prey populations, and underwater structures necessary to build true bass bullies.

Noffsinger explains what he looks for when fishing the bay, "In addition to structural elements such as drop-offs, points, and flats, my personal favorites are "hard breaks"-sharp, vertical

drop-offs often found at the extreme outer edge of spawning flats." He landed a mammoth smallie-weighing 7 pounds 10-ounces on just such a break.

Noffsinger chuckled, "But often I don't target any physical structures at all but focus on water temperature when determining the bait and technique I'll use."

According to MDNR fish-

eries creel biologist, Kendra Kozlauskos, Little Traverse Bay in Harbor Springs is also a smallmouth Shangri-La.

Lure preference on all northern waters depends on water clarity, time of year, and depth of water. Early season smallies will crush jerk baits like the Strike King KVD 300 and Lucky Craft in natural colors. A little later in the year they start to move closer inland and will annihilate Red Dirt Bait Company spinner baits in 4-12 feet of water. Mid-summer to fall bronzebacks prefer plugs like the Rapala X-Rap slashbaits in purple and gold and black natural hues.

Anglers who prefer smaller waters still have a plethora of outstanding northern smallmouth venues to choose from including Lakes Charlevoix and the entire Elk-Torch chain. These deep, clear, glacial lakes harbor huge numbers of feisty smallmouth, many in the four pound plus category.

Ex-Detroit Tigers pitcher, Joel Zumaya, and the author, with two lunker smallmouth from Michigan's unrivaled bass fishery

And, as anyone who has ever battled a four pound smallie will attest, pound for pound, they are the heavy weight champions of freshwater fighting fish! If you're lucky enough to hook a few, I hope you had your Wheaties!

BC Police Department helps build "soccer wall" at Rotary Park

The Boyne City Police Department partnered with the Boyne Soccer Club to build a "soccer wall" at the Rotary Park soccer field. The wall is used to simulate a soccer goal but it allows the players to continuously practice kicking the soccer balls without having to chase the ball down or using a Goal Tender. The Boyne Soccer Club supplied the funds and the design and the officers supplied the labor. Boyne City Police Chief Jeff Gaither said

"The Police Department wants to be involved with the community, and this was a great way for the officers to do something for the kids. The officers did this on their own time because they care about this community and want to have a positive impact on the area youth."

Gaither said it's important for us to connect with the community that we police. We want our citizens to know that we are not just someone in uniform. We are here because we like Boyne City and we

want good things to happen here just like everyone else.

The Boyne City Police Officers were assisted by 911 dispatcher Glen Planck and Charlevoix County Sheriff Deputy Jeremy McAuliff who were there on their own time as well.

ATHLETIC ACHIEVEMENT

Ellsworth Community School Receives Conference Athletic Awards

ELLSWORTH, MICHIGAN – Ellsworth Community School received both the All Sports Tro-

phy and Sportsmanship Award from the Northern Lakes Conference at the final league meeting on Tuesday, June 2.

The All Sports Trophy is a new award presented to the league school whose fall, winter, and spring athletics teams finish with the highest combined league-winning percentage. This year ECS fielded teams which finished at or near the top of the Northern Lake standings in all sports, including the boys cross country team which qualified for the State Finals.

ECS was also awarded the league Sportsmanship Award. Every coach from every sport fall, winter, and spring rated each league team with a 3, 2, or 1 based on the sportsmanship of their athletes, fans, and coaches. ECS finished first with an average of 2.998. "We are very honored to have won the very first Northern Lakes Conference All Sports Trophy," said ECS Athletic Director, Brian Certa.

"However, we feel it's even more

important that we were recognized with the Sportsmanship Award. As a school and a district we pride ourselves on the behavior, discipline, and compassion displayed by all of our students."

In reference to winning both the All Sports Trophy and the Sportsmanship Award in the same year, Certa referenced the dedication of the ECS student-athletes, parents, and coached. "It takes hard work and dedication from our athletes and coaches in and out of season to accomplish this. To win both of these awards just makes it a great day and year to be a Lancer."

Both the All Sports Trophy and the Sportsmanship Banner are traveling awards that will reside in Ellsworth for the 2015/16 school year. "It's our goal to keep both of these awards in Ellsworth on an annual basis," said Certa.

GOLF RESULTS

East Jordan's Logan Smith places fifth in State Finals

ALLENDALE – For some, golf is a hobby, for others, they play for the competition.

For East Jordan's Logan Smith, his hard work, determination and play, has paid off multiple times this season and most recently at the MHSAA Division 4 Boys State Golf Finals, where on June 5-6 in Allendale, MI at The Meadows Golf Club (Home of the Grand Valley State University golf program), Smith finished fifth overall as the only sophomore in the field.

The top individuals for the tournament were; medalist, Joel Sneed of Leeland, with a two day score of 146; 2- Devin Capron, Suttons Bay, 148; 3- Noah Schneider, Jackson Christian, 150; 4 - Nicholas Ludka, Saginaw Novel, 152; 5- Smith; 5 - Colin Powers, Muskegon Catholic Central, 158; 7 - Colin Sikkenga, Kalamazoo Christian, 158; 7 - Jacob Butterfield, Concord, 158; 9 - Will Mierz, North Muskegon, 159; and 10 - Tyler Rozwadowski, Clarkston Everest Collegiate, 160.

"Logan played as we expected, maybe even a little better," East Jordan coach Darrin Podskalny said. His goal was to place in the top 10 and he ended up placing 5th overall in the state at Division 4."

On day one (June 5), Logan scored an 81 on the 18 hole, par 72 course. While on day 2 (June 6), Smith positioned himself for a strong finish with a score of 74, with one birdie and a bogey, while paring

the rest of the holes.

"The course played tough both days, as the course tested Logan mentally making him to position his shots in the right areas throughout the day and

physically because the course is surrounded by heather throughout each hole on the fairways and greens, there is no room for mistakes," coach Podskalny added.

Coach Podskalny noted that the pin placement on the second day were positioned in tougher areas as expected and that Logan stated that the greens were some of the fastest he has seen all year and difficult to read.

"A strong accomplishment to be a part of it, and it was even more impressive to see," the coach added. "Some of the best experiences during the tournament were seeing the massive amount of crowds following the players during the day of competition, for some golfers it may have tested nerves, but for Logan it is just part of the experience."

"Logan Smith not only represented East Jordan's golf program but also represented Northern Michigan's golf programs in all the high schools very well, a motivated athlete that has a passion for the game of golf."

Suttons Bay took home top team honors with a two day score of 675; edging North Muskegon, and GP Woods University Liggett by two strokes.

2015 Jeep Renegade makes '10 Coolest New Cars Under \$18,000' list

Kelley Blue Book's KBB.com (www.kbb.com) named the 2015 Jeep® Renegade (and the 2015 Fiat 500) as picks for this year's "10 Coolest New Cars Under \$18,000."

The all-new 2015 Jeep Renegade makes its debut on the "10 Coolest New Cars Under \$18,000" list. Kelley Blue Book's editors said of the Jeep Renegade: "We all know that the Jeep brand has a cool factor that distances it from most auto brands out there, and the new Jeep Renegade takes that and runs with it. Not only does it deliver

a buffet of desirable Jeep attributes – unmistakable design, superior off-road credentials, intrinsic grittiness – but it delivers this in a package that is also sensible for everyday commuting. Renegade owners won't scale a mountain every day ... but they could."

The all-new 2015 Jeep Renegade expands the brand's global vehicle lineup, entering the growing small-SUV segment, while staying true to the fun-and-freedom lifestyle Jeep is known for. Renegade delivers a unique combination of best-in-

class off-road capability, open-air freedom and convenience, a segment-first nine-speed automatic transmission that contributes to outstanding on-road and off-road driving dynamics, world-class refinement, two fuel-efficient MultiAir engines, and a host of innovative safety and advanced technology offerings.

This also marks the fifth year in row that the Fiat 500 has earned a spot on Kelley Blue Book's "10 Coolest New Cars Under \$18,000" list.

What Homeowners' Insurance Discounts Are You Missing?

Part 2 of 2

3) Home Maintenance—You may be able to qualify for an age of wiring discount depending on how old your wiring is. Is your roof resistant to hail? Roofing is graded as Class 1 through Class 4. Class 4 roofs are often eligible for discount. New pipes can also qualify you for a discount. Do you have handrails installed alongside your staircases? If you have a pool is it surrounded with a fence at a gate? Safety measures also can count toward your policy. If your home was recently renovated or is

newer that may entitle you to a discount. Older homes can be retrofitted with materials that make them more earthquake and weather resistant.

4) Policyholder Discounts—If you haven't filed a home insurance claim in the last 10 years you may want to ask about a discount. Homeowners who haven't made a claim can often get as much as a 20% reduction. If you are older and retired you may also be entitled to a discount. Bundling your home insurance with other policies can also yield a savings as can being a long-term policyholder. Another money-saving

factor you may consider is raising your deductible, which can lower your premium but make sure that in the event you need to use your insurance policy that your budget will accommodate a higher deductible.

In today's competitive market, it's important to shop around, because you may receive disparate quotes on policies that offer essentially the same coverage. Check consumer guides, insurance agents, companies and online insurance quote services. This will give you an idea of price ranges and tell you which companies have the lowest prices.

Incredible home and Lake Charlevoix location

By Jim Akans

This week's feature listing is a rare northern Michigan real estate opportunity indeed! Situated on two wooded acres at the end of a quiet lane, this beautiful custom home offers nearly 400 feet of Lake Charlevoix sandy beach frontage.

The nearly 3,900 square foot home has four bedrooms, two full baths and two half baths, and has a list of top grade amenities that goes on and on. ABOUT THE AIR SHOW

Aerostars

Well established, professional airshow performers, the Aerostars are considered one of the ‘favorites’ in the Airshow Arena. Performing breathtaking, precision maneuvers, the three aircraft move together in unison in a well-choreographed aerobatic performance. A low level, close-in performance, the team keeps the action in front of the crowd.

Michael Vaknin and the Extra 300

A former member of the US Aerobatic Team, (2011) Mike Vaknin displays the Extra 300 in an incomparable high energy routine. Always a crowd pleaser, Mike demonstrates the incredible maneuverability of the Extra 300 in a precise, edge-of-your-seat performance. A breathtaking and unbelievable performance that rivets all ‘eyes to the skies’.

Dogfight & Aerobatic Solo Performance

The F-86 Sabrejet, flown by Paul Wood, is most notably known for high speed dogfights during the Korean War. Considered to be one of the best and one of the most important jet fighters of that time period, the F-86 takes on the afterburning MiG 17, a worthy opponent, flown by former military pilot, Jeff Kaney, during a simulated dogfight in the skies over Gaylord.
