JR. LITTLE LEAGUE RESULTS

Gaylord takes pool play with win over Boyne City

Both teams advance to district finals

Gaylord 11, Boyne City 1

BOYNE CITY -- The Gaylord Junior (13-14 yr old) Little League Baseball All-Star team downed Boyne City 11-1 on July 3 at Boyne City's Rotary Park to finish first in their pool with a 3-0 record. Both teams advanced to the District 8 semifinals, which were held on July 8, after press time.

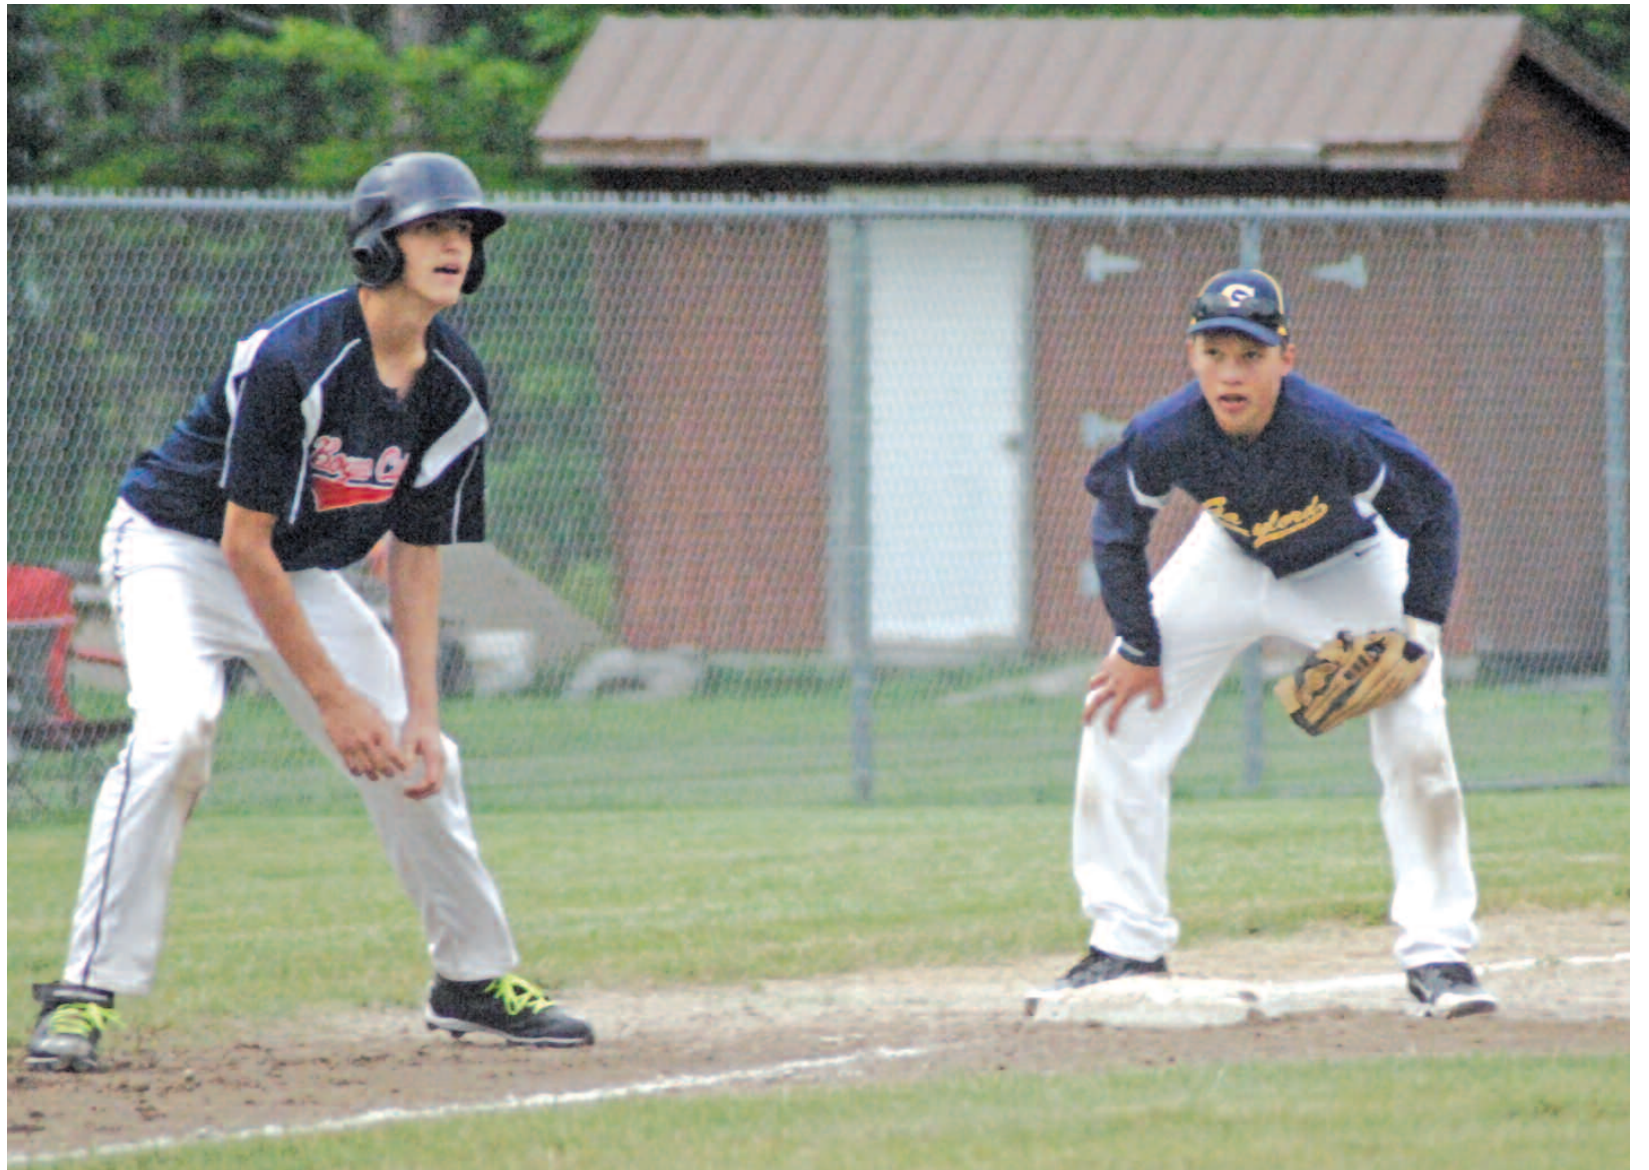

The Gaylord All-Stars got off to a quick start, scoring four times (Matt Wilson, Brad Kowalsky, James Miller and Brandon Kowalsky) in the top of the first on a hit from Caleb Pettis and an RBI groundout by Sam Gorno, as Gaylord capitalized on Boyne City's inability to consistently find the strike zone as BC walked four batters and also committed an error.

Boyne City responded with two hits and one run in the bottom half of the inning on singles from Corben Wilhelm and Mason Gardner. Nick Aown was hit by a pitch, and BC would eventually strand two runners in scoring position as the inning ended, Boyne also threatened in the third inning, but would not be able to get the big hit.

Gaylord would add two more runs in the second as Brad Kowalsky singled and eventually scored on a throwing error. Miller reached on a fielder's choice and he would cross the plate on a Brandon Kowalsky sacrifice fly.

In the top of the sixth, Gaylord broke the game open as their first three batters (Parker Jaroniewski, Drew Koenig and Matt Wilson) all singled, with Jaroniewski scored on Wilson's hit and Koenig plated on a sacrifice fly by Brad Kowalski.

Wilson and James Miller would score on a Brandon Kowalsky

Mason Gardner of Boyne City take his lead from third base as the Gaylord third baseman looks on. (PHOTO BY CHRIS FIEL)

base hit.

Offensively for Gaylord; Pettis, Wilson, Brad Kowalsky, Brandon Kowalsky, Tanner Trenary, Joe Moeggenberg, Jaroniewski and Koenig all singled.

On the mound, Brad Kowalsky allowed one run on six hits, while fanning three and not walking a single batter.

For Boyne, Ethan Hills took the pitching loss with Gardner in relief.

At the plate for BC, Wilhelm and Trevor King had two singles apiece, while Gardner and Carter Binkley each added a base hit.

In game one, Hillman beat Charlevoix 15-5 in six innings.

For Charlevoix; Tyler Ostrum singled twice, while Jake Snyder, Nathan Pearl, Michael Pearsall, Luke Stuck, Adam Hybl and Ron DePottey all had one hit.

Pearsall took the pitching loss.

Boyne City 11, Charlevoix 6 (5 innings, darkness)

BOYNE CITY -- The Boyne City and Charlevoix All-Stars locked up on July 2 in District 8 pool play at Boyne City's Rotary park, where Boyne would take a 15-6 lead in the top of the sixth, but due to darkness, the game would be called and the score would revert to the end of the fifth, where BC held an 11-6 advantage.

Charlevoix would take an early 1-0 lead in the bottom of the second as Hybl singled and would score on a Payton Turner sacrifice fly.

In the top of the third, Boyne would send 12 batters to the plate, with eight of them scoring to pull ahead 8-1, led by singles from King, Aown and Wilhelm. Boyne was aided by seven walks in the frame.

Charlevoix responded with a pair of runs in the bottom of the inning as Pearl, Stuck, Hybl and Ben Lentz all singled, scoring the first two.

After Charlevoix shut down BC in the fourth, they would claw back with another three runs, cutting the Boyne lead to 8-6 as Snyder got on via a base on balls and would score on a Pearsall single. Stuck would follow with another hit and would be plated on a Boyne error, but that's as

close as they would get, with BC scoring three unanswered runs in the fifth inning.

For Boyne, Pete Calcaterra doubled among two hits; Aown singled twice; while Max Vondra added a double; Wilhelm, King, Steven Orban and Noah Lockman all had one hit.

On the mound for BC, Aown picked up the win, allowing five runs on seven hits, while walking three.

For Charlevoix, Stuck and Hybl both singled twice, while Pearl, Pearsall and Lentz all had one hit.

Pearl took the pitching loss as the Charlevoix pitchers combined to allow 11 runs on nine hits, while walking 16 and striking out four.

In the first game, Gaylord defeated Hillman 28-10 in six innings as Gaylord exploded for 11 runs in the fourth and capped the game with a 10-run sixth.

Boyne City 6, Hillman 3

BOYNE CITY -- On July 1, Boyne City met the Hillman All-Stars and were able to pull out a hard fought, 6-3 victory at Boyne's Rotary Park.

The Junior BC team tied the game at 2-2 in the bottom of the fourth as Mason Gardner scored on a Hillman error.

Hillman would go back on top in the sixth inning with a solo run, only to watch Boyne respond with four runs in the bottom half of the frame as Nick Aown, Xander Napont and Corben Wilhelm all singled and BC took advantage of two walks and a hit by pitch.

Gardner started for BC, with relief from Ethan Hills as they combined to allow six hits, while walking four and striking out three.

At the plate, Wilhelm doubled among his three hits, while Gardner and Trevor King each doubled, and Devon Hayden, Aown and Napont all singled.

In game one, Gaylord defeated Charlevoix 22-9.

For Charlevoix, Luke Stuck and Adam Hybl each had three hits, while Jake Snyder, Michael Pearsall and Nathan Pearl all had one.

Boyne's Vondra take a cut at a Gaylord offering. Vondra would ground out in the at-bat. (PHOTO BY CHRIS FIEL)

Boyne City Independence Day race results

10K and 2-mile races

By Chris Fiel

BOYNE CITY -- With over 800 participants in their annual Independence Day race, Boyne City was filled with plenty of racers looking to push for their personal best time as well as those running with a group of friends or family members.

David Smith of Gaylord took home top honors in the 10K in a time of 34:54.70, while Ben McMurray of Charlevoix finished second in 35:18.19, leading a pack of local runners.

Other locals finishing in the top 20 were: 8 - Norbert Scharenbroc, Charlevoix, in 40:37.19; 14 - Dan Myers, Petoskey, in 41:16.45; 16 - Dean Johnson, Boyne City, 41:46.71; 17 - Jeanelle Roberts, Boyne Falls, 41:55.20; and 20 - Saulo Rozendo, Charlevoix, in 42:45.44.

In the 2-mile race, Boyne City's Cliff Maginity was first in a time of 11:43.84, ten seconds faster than the runner up.

Other locals in the top 10 included: 7 - Joel Paga, Boyne City, 13:02.34; 9 - Will Maginity, Boyne City, 13:06.35; and Mike Miller, Boyne Falls, in 13:08.88.

The race results were timed by 3disciplines.com, and full results are available on www.runmichigan.com.

Charlevoix basketball 3-on-3 fundraiser

CHARLEVOIX -- The Charlevoix girls basketball program and coach Liz Shaw along with the Charlevoix recreation department and former Ferris State University Athletic Director, Tom Kirinovic, have combined efforts in taking over the Charlevoix Venetian Games, 3-on-3 Basketball tournament.

The event will kick off a week long of Venetian activities beginning at 9am on Sunday, July 19 at Ferry Beach with games times staggered. There will be

multiple age categories, beginning with grades 5-6, through open for both boys and girls.

There will be plenty of space available in the beautiful Ferry Beach setting for families and teams to gather and support all the participants. The location is also adjacent to Round Lake, where a quick dip in the water before or after a contest would be refreshing alternative to sitting in a packed gymnasium.

The entry fee for each team is \$80.00, with a four player maximum. For more

information and/or a registration form, please contact Charlevoix girls basketball coach Liz Shaw at lshaw@raydernet.org or a form is available online at www.charlevoix.recdesk.com and under the programs link.

The funds raised from this event will benefit both the Rayder girls basketball program as well as offer scholarships for Camp McSauba for both the ski school as well as summer camp.

Sweaty Yeti 5K/Family One Mile Run/Walk in East Jordan

The first Annual Sweaty Yeti Run presented by EJ is on Saturday, July 11, beginning at 8am. The Sweaty Yeti Run will begin and end at the Boswell Stadium in East Jordan, Michigan. This event is organized by family and friends to remember sisters Christie Galvin and Kellie Barber. Proceeds will benefit the Barber-Galvin Memorial Scholarship Fund. An event designed for the competitive athlete, the amateur, or just the fun-lover, The Sweaty Yeti welcomes all to both the 5K and the Family Mile...you can run, walk or dance your way to

the finish lines. The Sweaty Yeti Run includes a 5K timed by Runners Edge Timing Company and an untimed Family Fun Mile Run/Walk. Prizes will be awarded to the top female/male finisher of 5K, as well as the top three in various age groups. The 5K will begin at 8:00 am, followed by awards and the Family Fun Mile. Registration for both events is available online at www.sweatyyetirun.com. The Barber-Galvin Memorial Scholarship Fund is a 501c3 nonprofit. This fund will award an annual

scholarship to an East Jordan graduating senior. Christie and Kellie grew up in East Jordan and graduated from East Jordan High School. Questions can be directed to Darcie Dietrich at 231-350-6008, or email sweatyyetirun@gmail.com. Visit our website www.sweatyyetirun.com for more information, to register, or to donate to the Barber-Galvin Memorial Scholarship fund; you can also like us on Facebook: www.facebook.com/sweatyyetirun

Au Sable Fish Farm raises alarm

By Patrick W. C. Bevier

In a recent column I shared a poem lauding Michigan's most famous trout water, the Au Sable River. Not only is this stream the birthplace of Trout Unlimited, the aquatic conservation advocacy organization that now tallies 150,000 members worldwide, it often makes top 10 lists of the best trout fishing rivers in the entire U.S. With this level of cache many anglers' hackles have been raised over a proposed fish farm on this cherished water.

Despite significant opposition from The Anglers of the Au Sable and Sierra Club the Michigan DEQ approved a permit in May, 2015 for Harrietta Hills Trout Farm owner, Dan Vogler, to install an open flow-through fish farm in the East Branch of the Au Sable in Grayling. The facility-called the Grayling Fish Hatchery- opened in 1914 in an attempt to repopulate Michigan streams with the fish species known as grayling. It is currently operating as a tourist attraction where children can catch large trout for a fee. That's because it was considered to be an obsolete and potentially harmful fish hatchery design as long ago as the 1960's.

Of primary concern is the contamination of the river that would accompany the 8.5 million gallons of water discharged into the Au Sable each day. This would include an estimated 75,000 pounds of concentrated fish feces per year and, with such contamination, the distinct possibility of the propagation of the microorganism that causes the deadly whirling disease in river fishes. This protozoan is already endemic to the Au Sable and opponents fear that the hatchery may cause it to flourish with devastating effects on wild trout populations. In addition, the increased phosphorous

Anglers are concerned that a new fish farm on the Au Sable may threaten trout like this main branch rainbow. (PHOTO PATRICK BEVIER)

will negatively impact water quality by encouraging algal growth and decomposition, and reduced dissolved oxygen. These conditions are less than ideal for the proliferation of important plankton and insect populations critical for trout food.

Anglers of the Au Sable president, Tom Baird, summed it up, "The D.E.Q. permit is totally insufficient to protect the river. Without the necessary safeguards for waste removal and independent water quality monitoring it essentially is a permit to pollute the Au Sable!"

The permit would allow an annual increase in fish production from 20,000 lbs. to about 300,000 lbs. But the system of checks and balances the state is asking for is sketchy. In a "bait and switch" tactic that smells pretty fishy, the project will not be under the purview of stringent DNR standards which require certifying fish to be disease free. It will instead be operating under Department of Agriculture standards which require no such thing.

Proponents of the fish farm site say it will provide fresh fish to

local supermarkets and bring jobs to the area. The Sierra Club's Marv Roberson provided a different perspective,

"The local economic drivers- the fly shops, the motels and other lodges, restaurants-all have been built over decades to support and enhance the fly fishing experience that brings in fly fishermen and women from all over the world. The fish farm, on the other hand, with its offerings of 2 full-time and 2 part-time positions, will simply never rival the economic driver that is the Au Sable River in its current cold water low-nutrient state. It will, in fact, instead put the river and all that it supports, at risk of collapse."

Although they have suffered several setbacks trying to have the parameters of the permit modified, the organizations protests have resulted in an administrative law hearing scheduled for this fall or early winter. Fortunately, the decision-as well as the fate of a world-class fishery-is not yet, "water under the bridge."

New state-record quillback caught

Fish is pulled from same water body as 2014 record

NEWAYGO COUNTY – The Michigan Department of Natural Resources recently confirmed another new state-record fish, this time a quillback carpsucker. This marks the fourth state-record fish caught in 2015.

The state record for quillback carpsucker was broken by a fish caught by Garrett Reid of Nashville, Michigan, on Hardy Dam Pond in Newaygo County Saturday, June 20, at 10 p.m. Reid was bowfishing. The fish weighed 8.52 pounds and measured 24 inches.

The record was verified by Todd Grischke, a DNR fisheries biologist in Lansing.

The previous state-record quillback carpsucker was caught by Benjamin Frey, also on Hardy Dam Pond, Aug. 29, 2014. That fish weighed 8.25 pounds and measured 22.62 inches.

Garrett Reid shows off the state-record quillback that he bowfished on Hardy Dam Pond, besting the previous record by more than a quarter of a pound. (COURTESY OF DNR)

State records are recognized by weight only. To qualify for a state record, fish must exceed the current listed state-record weight and identification must be verified by a DNR fisheries biologist.

To see a current list of Michigan's state-record fish, visit michigan.gov/fishing.

Automotive Review

The 2016 Ford F-150, part of Ford F-Series, America's best-selling truck for 38 years, continues to innovate with the addition of breakthrough towing technology, new Special Edition Appearance Packages, SYNC 3 and alternative fuel capability. Image copyright Ford Motor Company

Ford F-150 continues to innovate

The 2016 Ford F-150, part of Ford F-Series, America's best-selling truck for 38 years, continues to innovate with the addition of breakthrough towing technology, new Special Edition Appearance Packages, SYNC 3 and alternative fuel capability.

All-new Pro Trailer Backup Assist makes it easier for drivers of all skill levels to back a trailer up to launch a boat or park in a driveway. The segment-first technology allows customers to steer a trailer instinctively by turning a knob left or right to indicate direction; the truck controls its steering and limits vehicle speed. Leveraging advanced camera technology, Ford engineers developed the system and tested it for almost a decade. Along the way, Ford earned five patents for the technology, with 10 more pending.

The Special Edition Packages

for XLT and Lariat further personalize F-150 to customer tastes, adding all-new unique 20-inch premium anodized dark-painted aluminum wheels with red sport lettering, black running boards, smoked headlamps, unique body-side graphics and badging, special edition seats with Alcantara® inserts, red contrast stitching and red bolsters, and unique red stitching on the steering wheel, transmission gear selector boot and instrument panel. This package also features a dark anodized grille with black mesh on XLT while the Lariat dark anodized grille receives red accents.

F-150 also features SYNC 3 - Ford's newest communications and entertainment system that features enhanced voice recognition, high-speed performance and capacitive touch screen and easier-to-understand graphical

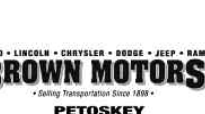

interface.

Responding to customer requests, the 2016 Ford F-150 with the 5.0-liter V8 engine will offer a gaseous-fuel prep option, making it the only light-duty pickup capable of running on compressed natural gas or propane.

Other changes for the 2016 F-150 include:

- SYNC 3 replaces Sync with MyFord Touch
- XLT and Lariat models add available Special Edition Appearance Package (requires Sport Appearance Package)
- Shadow Black replaces Tuxedo Black
- Lithium Gray replaces Guard Metallic
- 20-inch machined aluminum wheels with painted silver pockets available on XL

Real Estate Corner

A Timeline for Your Summer Move

Part 3 of 5

2 weeks from move date:

If you choose not to take advantage of full service mover packing services, or are planning to do it yourself and rent a truck, Start packing things into boxes. Figure out the logistics of the move, travel plans and if other specialized plans need to be made.

Tip: If you are using a professional mover find out what items are on their "non-allowables" list and discard those items or find a way to transport them separately.

Tip: Instead of stacking plates, pack them vertically; they will travel safer this way.

Tip: If you are moving long distance, remember travel arrangements for your pets. There are pet-exclusive airlines available such as Pet Airways but regular airlines have travel options for pets as well.

Tip: If you have young children, you may want to make childcare arrangements so you can be 100% focused on moving day and your little ones remain safe and busy with fun activities.

Tip: Schedule "move out" cleaning service, carpet cleaners and heavy appliance disposal if necessary for once you'll be out of the home you're vacating. Even if you're selling your current home, it's a nice welcome for the buyers to move into a clean and tidy home.

Featured Property

Ranch home embraced by 10 acres of northern tranquility

By Jim Akans

Situated on approximately 10 acres of property, this wonderful ranch home offers a lifestyle of peace and tranquility amid northern Michigan beauty.

This two bedroom, one-and-a-

half bath home features nearly 1,200 square feet of main floor living space, plus it has a full basement to accommodate lots of extra storage needs. This home has a durable metal roof, central air conditioning, three-season room, attached two-car garage,

paved drive and more.

For plenty of outdoor storage, the property features a large 24 x 64 foot pole barn. The acreage has a nice mix of open and wooded areas, and the natural beauty of the surroundings brings an abundance of wildlife

to enjoy.

This ranch home on 10 acres of northern tranquility is located at 2485 Peninsula Road between East Jordan and Ironton and is listed at \$144,900. For additional information or to arrange for a tour, please call Mike Stark, Bro-
