Boyne City Junior Boys fall in District 8 final

By Chris Fiel

Gaylord 11, Boyne City 7

WEST BRANCH -- The Boyne City junior boys Little League All-Star team took an early lead in the District 8 final, before falling behind as a strong Gaylord squad took a big lead, but battled back late in the contest, before falling, 11-7 on July 11.

Boyne was able to build a 2-0 lead in the second, on singles by Carter Binkley and Corben Wilhelm. To get the inning started, Devon Hayden walked and was thrown out at second as Xander Napont reached on a fielder's choice. Ethan Hills then drew a walk, before Binkley delivered his shot up the middle. Two batters later, Wilhelm blasted a liner to left-center.

Gaylord would respond with a run in the third as Brad Kowalsky led off the inning with a triple to left-center and one batter later, a James Miller single would plate Kowalsky.

After a scoreless bottom half of the inning for BC, Gaylord would open things up in the top of the fourth, as they scored nine times on six hits to take a 10-2 lead.

Boyne would go down 1,2,3 in their half of the frame.

"We got off to a good start, as our pitcher, Nick Aown, kept the Gaylord hitters at bay," Boyne City coach Al Aown said. "Once we got to the fourth inning, we had trouble finding the plate and they (Gaylord) took the lead."

In the bottom of the fifth, Boyne put up a two-spot, as Wilhelm and Aown would reach base on a fielder's choice and single, respectfully, and eventually come around to score, pulling them within six runs, making it 10-4.

BC would not allow another Gaylord run until the sixth inning as the leadoff hitter, Parker Jaroneski drew a walk, then stole both second and third, before coming home on a two-out Brandon Kowalsky, infield single.

Down 11-4, and headed to their final at-bat, Boyne City refused to fold as the first five batters in the frame reached base, pushing three runs across, cutting the lead to 11-7, with two on and no one out.

Trevor King doubled to lead off the frame, followed by an Aown walk and a Mason Gardner, hit-by-pitch. Hayden then singled in a run before Napont delivered a two-run double, but that's as close as Boyne would be able to get.

"I'm really proud of the boys for staying focused and not dropping their heads," coach Aown noted. "They really battled back, battled hard and showed how much they have improved throughout the tournament and kept getting better."

For Boyne, King doubled twice

to lead the offensive attack, while Napont doubled and Wilhelm, Aown, Gardner and Binkley all singled.

Coach Aown also noted that he would like to thank both the players and parents for their support.

Boyne City 9, AIO 3

WEST BRANCH -- Coming out of pool play in Boyne City as the number two seed, the Boyne City Junior All-Stars would face AIO, the number one seed out of the West Branch district.

On July 9, Boyne would put together some solid pitching, outstanding defense and timely hitting in advancing to the title game with a 9-3 win.

"We played a good game, great defense and we were really smart at the plate," Boyne coach Al Aown said. "This was a good team we beat, with a lot of bigger kids."

Boyne would score three times in the top of the first, as Corben Wilhelm led off the game with a single, followed by a Max Vondra single and an RBI shot from Nick Aown.

Back-to-back walks to Trevor King and Mason Gardner would push in another run before Aown scored on a steal of home.

BC would add another run in the second inning as Wilhelm singled and advanced to third on an infield hit by Vondra and would cross the plate on an AIO balk.

They would add a pair of runs in the fifth, and three more insurance runs in the top of the seventh to put the game out of reach.

"Our guys did a real good job of taking what their pitchers game them," coach Aown said. "Both Nick (Aown) and Mason (Gardner) pitched well for us too."

Vondra finished with three hits to lead BC, while Wilhelm had two and Aown chipped in with one.

"There were outstanding defensive plays all game and all over the field," coach Aown added. "The boys were really on their game today."

Boyne City 6, West Branch 1

BOYNE CITY -- The Boyne City Major Girls Softball team (11-12) defeated West Branch 6-1 in the District 8 finals on July 11 to advance to the State Final Tournament in Parchment, MI, beginning on Friday, July 17.

Boyne for on board early in the top of the first, with two runs on three hits as Josee Behling and Magee Behling both singled and Katelyn Gabos had an RBI triple in the inning.

West Branch would respond with a run of their own in the bottom half of the frame, talking advantage of a lead off walk, but that would be the only time they would pose a threat in the contest.

BC would add a pair of runs in the second inning as well, as Zoe Harmon had an RBI single in the inning, knocking in Sophia Hemming.

In the third, Gabos started the inning with a double and would come around to score on an Annie Johnson single.

Boyne would put an insurance run on the board in the fourth as Avery Stadt singled

and worked her way around the base path to add to the BC lead, 6-1.

Offensively for Boyne, Gabos finished with two hits, a triple and a double, while Stadt, Josee Behling, Magee Behling, Johnson and Harmon all singled.

Harmon also picked up the win in the circle as she limited West Branch to one run on four hits, while striking out three and walking three.

The pool play schedule for the State Finals is: Friday, July 17 at 10 am; Saturday, July 18 at 4 pm; and Sunday, July 19 at 12:30 pm.

Charlevoix basketball 3-on-3 fundraiser

CHARLEVOIX -- The Charlevoix girls basketball program and coach Liz Shaw along with the Charlevoix recreation department and former Ferris State University Athletic Director, Tom Kirinovic, have combined efforts in taking over the Charlevoix Venetian Games, 3-on-3 Basketball tournament.

The event will kick off a week long of Venetian activities beginning at 9am on Sunday, July 19 at Ferry Beach with games times staggered. There will be

multiple age categories, beginning with grades 5-6, through open for both boys and girls.

There will be plenty of space available in the beautiful Ferry Beach setting for families and teams to gather and support all the participants. The location is also adjacent to Round Lake, where a quick dip in the water before or after a contest would be refreshing alternative to sitting in a packed gymnasium.

The entry fee for each team is \$80.00, with a four player

maximum. For more information and/or a registration form, please contact Charlevoix girls basketball coach Liz Shaw at lshaw@rayder.net or a form is available online at www.charlevoix.recdesk.com and under the programs link.

The funds raised from this event will benefit both the Rayder girls basketball program as well as offer scholarships for Camp McSaubia for both the ski school as well as summer camp.

DNR NEWS

Results of elk license drawing posted

The Department of Natural Resources reminds hunters to check their 2015 elk license drawing results, now available on the DNR website at www.michigan.gov/huntdrawings.

Two elk seasons will be held in 2015. The first season will run Aug. 25-28, Sept. 11-14 and Sept. 25-28. The second season will run Dec. 5-13. An additional season may be held Jan. 13-17, 2016, if the DNR determines the harvest insufficient to meet management goals.

A total of 30 any-elk and 70 antlerless-only elk licenses have been issued through the drawing.

Successful elk drawing applicants will receive detailed information about their hunt, including assigned hunt periods, elk management unit and type of license (any-elk or antlerless-only). Applicants are asked to be

sure their mailing addresses are kept up to date with the Secretary of State. Elk hunters must attend a mandatory hunt orientation class prior to their hunt.

Hunters can increase their odds of getting an elk license by applying for the 2016 Pure Michigan Hunt drawing. Each application is \$5, and applicants can purchase as many chances as they like. Three lucky hunters will win a package of licenses to hunt elk, bear, turkey, antlerless deer and waterfowl, plus a 2016 base license. Only Michigan residents may hunt elk. Winning the Pure Michigan Hunt will not affect a hunter's eligibility for future elk drawings and will not negate any weighted elk chances or bear preference points hunters have earned. Apply for the Pure Michigan Hunt at www.michigan.gov/puremichiganhunt or at a license agent.

Alanson is All-American Fun

By Patrick W. C. Bevier

I recently spent a day in the Alanson area with my 10-old daughter, Nina, and instantly appreciated all that this quaint village on the Crooked River offers. Alanson was settled in 1875 and is easily accessed at the junction of M-68 and US-31 between Pellston and the Oden/Conway area.

Our adventure began with a trip to the lovely Stafford's Crooked River Lodge (CRL) just north of the Alanson city limit. We paid \$8.00 apiece for unlimited swimming and hot tub access in the shimmering pool that features a meditative waterfall that also provides a comforting back and neck massage if you stand directly under it. After swimming, the hospitable folks at the CRL invited us to walk the grounds including the scenic nature preserve. We enjoyed birding, frog hunting, and a peaceful hike on the trails. They also encourage nature photographers to share their captures at Facebook.com/crookedriverlodge.

We had worked up an appetite at the CRL, and next ventured just a few miles north to Brutus. There, we partook in a scrumptious lunch including a cheeseburger and brick oven pizza at the Maple River Pub. The facility now features a public, 9-hole golf course composed of some very forgiving links (with cart fees \$20.00 for nine holes and \$32.00 for 18 holes).

A meal wouldn't be complete without a sweet finish, so we found ourselves at the Mackinac Island Fudge Shop and Creamery in downtown

Alanson's Inland Water Route Historical Museum features photos and artifacts from all communities along the 38-mile chain-of-lakes (PHOTO PATRICK BEVIER)

A marvelously-hued Maple River brook trout caught near the quaint village of Alanson (PHOTO PATRICK BEVIER)

Alanson. The owner explained that he has been making fudge for decades and is the previous owner of Kilwins and Mackinac Island stores in the straits area. The fudge and ice cream were outstanding.

A sign caught our eye and we headed for the Inland Water Route Historical Society Museum on River St. The museum houses a living history and artifacts from each community that comprises the magnificent 38-mile long chain-of-lakes that connects Crooked Lake to Lake Huron. Thousands of "pontooners", anglers, and canoeist/kayakers utilize the Inland Waterway each year. The small, yet informative museum also advertised a really exciting new initiative as they are spearheading the building of an authentic 30-foot long, turn-of-the-century launch modelled after a Truscott 30 that will tour the waterway soon (iwrhs.wordpress.com).

Just a few blocks away we happened upon Sanctuary Island Park. Visitors can take the self-propelled floating dock out to the island. Once there travelers can hike the boardwalk to observe wildlife and fish from the pier. We saw a young man catch two nice pumpkinseed sunfish and about a 10-inch largemouth bass using good old fashioned red worms!

Witnessing this, Nina and I got the urge to do some angling of our own and headed for the Maple River running through the Braun Nature Preserve. It's a Little Traverse Conservancy property that is easily accessed just west of US-31 in the town of Pellston. Nina landed her first wild brook trout on a mahogany drake dry fly in this Blue Ribbon stream. The spectacularly-colored "speckled trout" was little more than 6 inches long but the experience is one Nina will always cherish. No other Michigan fish is as beautifully hued and she marveled at the trout before quickly releasing him back into the syrup colored riffles.

I highly recommend Alanson for a day trip for the entire family. It's an All-American town with ample attractions and charm.

Automotive Review

The 2016 Chevrolet Cruze – a larger, lighter, more efficient and more sophisticated evolution of the brand's best-selling global car. PHOTO © GENERAL MOTORS."

Sophisticated Sophomore: All-New 2016 Chevrolet Cruze

Chevrolet today introduced the all-new 2016 Cruze – a larger and lighter, more efficient and more sophisticated evolution of the brand's best-selling global car.

Packed with new technologies such as available Android Auto, Apple CarPlay and new active safety features, as well as a more spacious interior and an athletic, aerodynamically optimized design, the 2016 Cruze elevates the compact car segment – from San Francisco to Shanghai and from Boston to Buenos Aires.

It will be offered in more than 40 global markets and goes on sale first in North America in early 2016. A new, standard 1.4L turbocharged engine with direct injection and an SAE-certified 153 horsepower (113 kW) helps enable a General Motors-estimated 40 mpg on the highway with the available six-speed automatic transmission. Stop/start technology helps enhance the Cruze's efficiency in stop-and-go driving.

The new turbo engine and a leaner architecture that reduces up to 250 pounds (113 kg) also contribute to the new Cruze's stronger performance, with expected 0-60-mph acceleration of eight seconds.

"The 2016 Cruze builds on a very successful program that introduced Chevrolet to new cus-

tomers the world over," said Alan Batey, president, General Motors North America. "We retained all the attributes that made the original Cruze a hit around the globe and built on them to make this car more sophisticated, more fun and more Chevrolet."

Vehicle highlights include:
- Next-generation Chevrolet MyLink with smartphone integration capability, including a standard seven-inch-diagonal screen and available eight-inch-diagonal screen (at launch, eight-inch screen only with Apple CarPlay, Android Auto coming later)

- New 1.4L turbo engine with direct injection and stop/start technology matched with a standard six-speed manual or available six-speed automatic transmission (North America)
- Maximum highway range of 530 miles per tank
- All-new, stronger and lighter body structure enhances agility, efficiency and safety – with an approximately 250-pound (113 kg) lower curb weight
- Class-leading 106.3-inch (2,700 mm) wheelbase enhances roominess, contributing to greater rear-seat legroom and more rear knee room

- Projector headlamps with light-emitting diode (LED) signa-

ture lighting – and LED daytime running lamps on uplevel models

- More standard features than most competitors' small cars such as 10 air bags, four-wheel disc brakes, rearview camera and available OnStar 4G LTE with Wi-Fi hotspot

- New, available features including wireless phone charging, heated rear leather seats and heated, leather-wrapped steering wheel

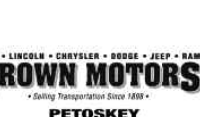

- Available advanced safety features include Side Blind Zone Alert, Rear Cross-Traffic Alert, Lane Keep Assist and Forward Collision Alert

- New model range for North America including L, LS, LT and Premier – and a more expressive RS package.

"The new Cruze is truly one of Chevrolet's most global vehicles," said Batey. "With content variations dictated mostly by local market demands, customers in every corner of the globe will enjoy the same fundamental dynamics that are making Chevrolet one of the fastest-growing brands around the world."

In 2017, Chevrolet will introduce a new diesel model for U.S. customers that builds on the success of the current Cruze diesel model.

Real Estate Corner

A Timeline for Your Summer Move

Part 4 of 5

1 WEEK FROM MOVE DATE:

Set aside valuable items and keep those with you. Clean before moving and leave your house or apartment as clean as it was when you moved in.

Tip: Make sure the details for paying the moving company are taken care of. Some will require money orders or cashier's checks upon delivery; know their policy in advance to avoid stress on mov-

ing day.

Tip: Start eating all the frozen foods you have, or give them to a neighbor or friend. This way you won't have to throw them away on moving day, or worry about packing an ice chest.

Tip: Also think about necessities for managing moving day like confining your pets and anticipating the amount of time you will need.

Tip: Place necessities such as toiletries, toilet paper, rags, "must-have" cooking supplies and

organize them in boxes marked "open first" so it's easy to find the initial items you'll want handy on those first few days of being in your next home. Don't forget the flashlight!

Tip: If possible, take one last tour of the new location and identify water and gas shut off locations, as well as the electrical breaker box just in case something happens in the first few days so you're prepared. Might be smart to drop off a fresh box of light bulbs too!

Impressive home on acreage offers privacy and elegance

By Jim Akans

This beautifully updated home on approximately 15 acres just minutes from Boyne City offer a fantastic private setting and an interior brimming with top-notch upgrades.

Featuring three large bedrooms and two baths, this home offers approximately 1,568 square

feet of gorgeous living space. Highlights include a spacious main living room, custom cherry cabinetry in the kitchen, cathedral ceilings throughout, and a wonderfully inviting master suite. The home also has new vinyl clad thermo-pane windows that enhance interior comfort as well as reducing energy bills.

Outdoors, the grounds are im-

peccably landscaped with mature trees and gardens. While the home has an attached two-and-a-half car garage, there is also a huge 30 x 40 foot pole barn on the property that includes a workshop.

This truly impressive home and property is located at 4075 Healey Road between Boyne City and East Jordan; it is listed at

\$168,900. For a more information or to arrange a home tour, call Marty Moody, Associate Broker or Christopher Christensen, Associate Broker at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email at Marty@lyndasrealestateservice.com or Chris@lyndasrealestateservice.com
