PARCHMENT, MI – The Boyne City Major Girls (11-12) All-Star team made their return to the state finals and the young ladies gave it all they had in going 1-2 over the weekend spanning, July 17-19.

The team arrived on July 16 and took part in the pre-tournament festivities.

In their opening contest on July 17, the BC All-Stars ran into a tough Tecumseh team, and mix that in with some jitters and a few errors over the first two innings of play and they would drop the contest 13-2 in five innings.

At the plate for Boyne, Maggee Behling had a single. Boyne would score their two runs, in the second inning as Behling would come around to score and Jordin Gellis would score as well after reaching on an error.

Tecumseh would get a pair of runs in the first, eight in the second and add another three in the top of the fifth.

watch, play resumed on Sunday morning with hot and humid weather awaiting the teams as they would have to play twice due to the previous days weather.

In the opening contest, Boyne faced Rochester Hills and came away with a convincing 11-1 win.

Brooklyn Fitzpatrick drew a first inning walk and would make her way around the basepath and get BC on the scoreboard for a 1-0 lead.

Boyne would also threaten in the second inning, as Gellis, Zoe Harmon and Avery Stadt all singled but none would cross the plate.

BC would add two more runs in the third; three in the fourth; and then put up a five spot in the fifth inning, giving them the win in a mercy shortened contest.

BC pounded out 11 hits in the contest as Katelyn Gabos doubled and tripled; Gellis singled twice;

Josee Behling tripled; and Stadt, Fitzpatrick, Maggee Behling, Annabelle Seelye, Annie Johnson and Harmon all added one hit apiece.

In Sunday's game two, the Boyne All-Stars fell to Jackson-Northwest 9-6 in a close contest, as their late inning rally came up just short.

Boyne fell behind 4-1 after three innings of play, and 7-2 after five. Jackson scored two insurance

runs in the top of the sixth and they would have to hold on as Boyne rallied with four runs of their own in the bottom half of the frame to make draw within 9-6 and had the tying runs on when the game ended.

Offensively for BC, Stadt, Gabos and Harmon each finished with a single.

Great season and outstanding tournament run Boyne City!

## Michigan duck stamps available now

### Purchase of stamps helps ensure continued conservation of wetlands and waterfowl habitat

The Michigan Duck Hunters Association, in cooperation with the Michigan Department of Natural Resources, introduces the 2015 collector-edition Michigan duck stamp and prints.

The Michigan Waterfowl Stamp Program, established in 1976, has become an icon for waterfowl hunters and wetland conservation enthusiasts. During the past 39 years, the program has gained popularity with collectors and conservation groups throughout the United States.

The Michigan Duck Hunters Association, a non-profit organization dedicated to waterfowl and wetland conservation, coordinates

the stamp program in partnership with the DNR. Proceeds from stamp sales will be used to fund Michigan Duck Hunters Association projects, with 10 percent used to match DNR funding for purchasing, restoring and enhancing wetlands.

The 2015 Michigan Duck Stamp features a striking pair of common goldeneyes in flight, painted by Guy Crittenden. Also featured on the stamp is the Eagle Harbor Lighthouse, located on Lake Superior in the Michigan's Upper Peninsula. Crittenden, a wildlife artist from Richmond, Virginia, has won the Virginia Duck Stamp Competition four times since 2005. He won the Connecticut Duck

Stamp and the Michigan Duck Stamp competitions in 2014, and has placed as high as fifth in the presti-

gious Federal Duck Stamp Contest.

The purchase of Michigan duck stamps and prints

helps to ensure continued conservation of wetlands and waterfowl habitat. To learn more about the stamp program and how to support conservation efforts in Michigan by purchasing limited-edition, signed and numbered prints and collector-edition stamps, please visit [www.michigan.gov/waterfowl](http://www.michigan.gov/waterfowl) and click on Michigan Waterfowl Stamp Program. Purchase of these items is voluntary and does not replace the state waterfowl hunting license.

The Michigan Duck Hunters Association will mail those who purchase a 2015 waterfowl hunting license a free copy of the stamp (subject to availability), if they send a self-ad-

ressed, stamped envelope with a copy of their Michigan waterfowl hunting license to: Michigan Waterfowl Stamp Program, P.O. Box 1029, Midland MI 48640-0020.

Beginning a collection of limited-edition Michigan duck stamps, or adding to a current collection, is a great way to celebrate the Michigan Waterfowl Legacy, a 10-year, cooperative partnership to restore, conserve and celebrate Michigan's waterfowl, wetlands and waterfowl hunting community. # Swimming with the Fishes

By Patrick W. C. Bevier

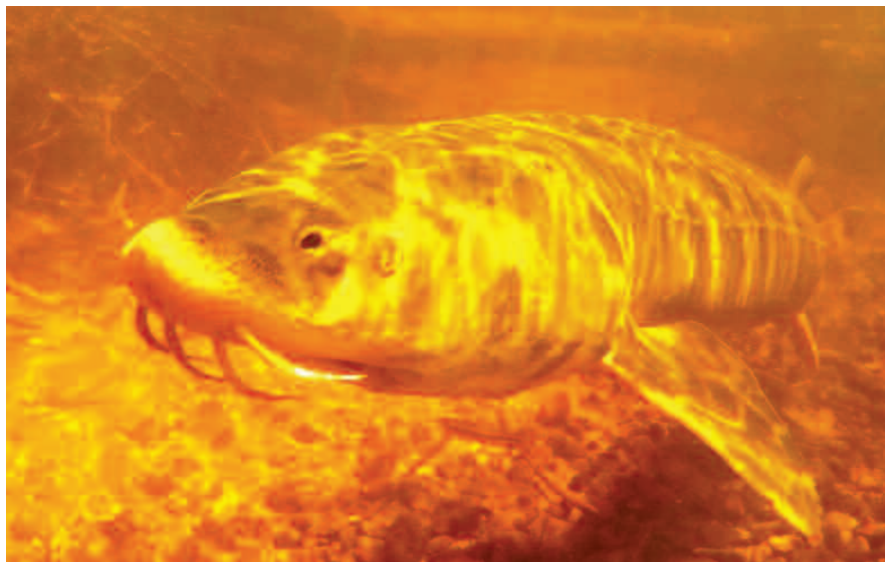

Millions of Michiganders boat, canoe, or kayak each year on the 50,000 miles of rivers, 65,000 lakes and ponds, and five Great Lakes. But far fewer have discovered what these water systems look like from below the surface. Those that do snorkel or SCUBA in the Mitten State have discovered what an amazing world it is underwater.

I've been snorkeling Michigan rivers and lakes for over 30 years and have many an adventure to share. The myriad activities that are available to those folks wearing fins, masks, snorkels and (quite often) wetsuits include underwater photography, spear fishing, wreck diving, and rock hunting.

One of my favorite things to do while diving is to take photographs or videos of fish, turtles, interesting geological formations, and ship wrecks. I use my GoPro, Hero3+ for this purpose. The mini-camera in a water proof case takes amazingly clear, wide angle still photos or videos. They have recently upgraded to the Hero4 with even better resolution. I priced the units on E-Bay and discovered they run-with all accessories-about \$300.00 and \$450.00 for the Hero3 and Hero4, respectively. I recommend mounting the camera to a wooden dowel to get closer shots of your subject without spooking them. It's amazing, however, how many aquatic critters-especially bass and sunfish-will come right up to your mask to observe you as much as you are them!

Another underwater activity that I am absolutely passionate about is spear fishing. Underwater hunting is challenging, invigorating, and terrific exercise. The most common spear guns are propelled by

thick rubber bands. I own two sizes-a shorter JBL Mini-Carbine that is 24 inches long and a more powerful JBL 38-Special. I recommend the larger gun for most Michigan fish that you can legally shoot because many of them are "rough" fish that have large, thick scales. In Michigan you can currently shoot 14 species of fish legally. Of these, I target catfish, burbot, whitefish, and suckers which are all delicious when fried or smoked depending on which species you are preparing. Another possible reward is a world record—I currently hold the free-diving world record for a 10-pound plus channel catfish and will soon be applying for another world record for a northern redhorse that tipped the scales at over 5 pounds. I'm proud that these world records were set in the Great Lakes State!

Many avid SCUBA divers and snorkelers enjoy diving on any of the estimated 6,000 to 10,000 ship wrecks in the Great Lakes. A stellar area to do this is northern Lake

Huron's Thunder Bay. This area is where the southern and northern shipping lanes converge and the final resting place for dozens of easily accessed ship wrecks. Visit the NOAA's Thunder Bay National Marine Sanctuary and Great Lakes Maritime Heritage Center in Alpena for more information on how to access these wrecks ([thunderbay.noaa.gov](http://thunderbay.noaa.gov)).

A bonus to underwater exploring is the possibility of getting your "rock-hound fix." The largest and best Petoskey stones, Agates, Puddingstones, and fossils that I have found have been discovered underwater in Lakes Michigan, Huron, and Superior.

On these balmy summer days why not try snorkeling or SCUBA diving for a refreshing and remarkable experience? I encourage you to get out of your boat and take a fish-eye view in the most fascinating fresh water on the planet!

## Charlevoix 3-on-3 Basketball Tournament a big draw

By Chris Fiel

CHARLEVOIX -- One of the big events that take place during the annual Venetian Festival is the 3-on-3 basketball tournament.

The event is one that coincides with the beginning of the week long festival. This year, Rayder girls varsity basketball coach, Liz Shaw teamed up with the Charlevoix Director of Recreation Tom Kirinovic, and the pair are took over the event, hoping to draw more participants and teams.

"The day was a big success," Liz Shaw said. "We learned a lot and are looking forward to the 2016 Venetian 3-on-3 games."

Shaw noted that the event drew 60 teams with 240 participants.

"I was impressed with the number of youth play-

ers that came to the court to play," Shaw added. "I saw a lot of great basketball! The thing that will stick out in my mind the most was the courage and determination from five teams. With the lack of numbers of women's 5th/6th, 11th/12, and adult league, the teams had a choice to

'sit it out' or play with the boys. The all five teams decided to play. It was an unfortunate situation but all the teams turned the situation into a positive one and made the most of the situation. ## A Timeline for Your Summer Move

Part 5 of 5

### Moving day and beyond:

Take one last walk through and make sure nothing has been forgotten or overlooked. Also, make sure all doors and windows are locked and switches turned off, then you are on your way to your

new house or apartment.

Tip: Go back to the photos you took when you began to pack up. Now you can show the movers or those helping you unpack exactly where everything goes with photos.

Tip: Unpack one room at a time according to basic needs starting with the kitchen and at least one bathroom...and don't forget to make a bed as early in the day as possible if you'll be sleeping in your home that evening! Remember,

you don't have to unpack everything in one day, or even in one week.

Tip: After you've settled in a bit, introduce yourself to some neighbors, ask for advice on the best places to eat, grocery shop, etc. This way you will feel like part of the community and can get some great local tips.
