Ramblers roll past Ironmen

Explosive offense, impenetrable defense key victory

"We were much more focused during the week and had better practices, which lead to a better performance."

- Boyne City coach David Hills

By Chris Fiel

Boyne City 40, Mancelona 0

MANCELONA -- Quite the bounce back.

The Rambler football team used their always tough defense and corrected many of their offensive miscues from last week's contest against the Rayders and put together another outstanding effort, as they downed the host Mancelona Ironmen 40-0 on September 11.

"We were much more focused during the week and had better practices, which lead to a better performance," Boyne City coach David Hills said. "We were much more balanced offensively and made fewer mistakes."

That improved performance didn't take long to shine through as the Rambler offense wasted little time in getting on the scoreboard thanks to a 40-yard touchdown run by senior Malik Smith just over a minute and a half into the game, setting the tone for what would be a long night for the Ironmen.

Boyne jumped out to a 14-0 first quarter lead and following a 20 point second quarter outburst, the Ramblers were firmly in control at the half with a 34-0 advantage. A 15-yard scamper by Smith with 7:11 to go in the third quarter, would wrap up the scoring for the game.

Boyne City's Malik Smith (28) breaks away from the Mancelona Ironmen defense on his way to score the first touchdown of the game, early in the opening quarter.

132 yards on 15 carries to lead a 200 plus yard night on the ground for Boyne.

Fellow senior Tanner Kruzal added a trio of touchdowns himself, as he rushed three times for 37 yards and a score, while also hauling in two passes for 43 yards and a pair of touchdowns, the first one an 18-yard reception

from senior Derek Willis, and number two from sophomore Mason Gardner, good for 25-yards.

The Rambler quarterbacks combined to complete four of five passes for 75 yards; as Gardner finished 2-of-3 for 44 yards and Willis was a perfect, 2-of-2 for 31 yards.

Junior Dom Archey had one reception for 19 yards, while Luke Sage caught one pass for 13 yards.

On the defensive side of the ball, the all-everywhere Sage, led the team with a game-high 15 tackles; Kruzal had 11 stops; James Roberson added seven and Smith recovered a fumble.

The Ramblers (3-0) play host to

Kingsley (2-1) on September 18, at 7 pm at Earl Brotherston Field in the Northern Michigan Football League opener for Boyne.

"We will be tested this week by a very good team in Kingsley," coach Hills added.

Offensive explosion leads Rayders to big win over Coleman

Boss scores five touchdowns to lead the way

By Chris Fiel

Charlevoix 47, Coleman 12

COLEMAN -- If you've been keeping track, you may have noticed that senior Ben Boss hadn't been lighting up the stat sheet due to some minor injuries to start the season.

Fast forward to September 12 and you may have seen a glimpse

of what a healthy Ben Boss could mean to the Charlevoix football team as the senior finished with 209 yards of total offense, including four touchdowns. Not to let his offensive output overshadow his defense, Boss also added three tackles, a fumble recovery and an interception return for a touchdown, in leading the Rayders to a convincing 47-12 victory over Coleman.

With Charlevoix holding a 7-0 advantage after one quarter of play as Rayder quarterback Forrest Noirot hooked up with Brad Klinger for a 10-yard score, Boss

took over in the middle two quarters, scoring four of the five Charlevoix touchdowns, before adding his fifth of the night in the fourth.

The contest was never really close as the Rayders held leads of 21-0 and 33-6, before finishing off the Comets with a 35 point victory.

As noted, Boss was the offensive catalyst for Charlevoix, rushing five times for 65 yards and a pair of TD's, while hauling in four receptions for 144 yards and another two scores.

Forrest Noirot and Brad

Klinger took turns under center as the signal caller, with Noirot completing 3-of-5 passes for 85 yards and two touchdowns; while Klinger (a recipient of Noirot's first TD) also went 3-for-5 passing, totaling 79 yards and a touchdown.

Noirot also added a 61-yard, third quarter touchdown run, while Klinger caught two passes for 20 yards, and rushed for 44 yards on six carries.

Jared McLean added 30 yards rushing on seven attempts.

Defensively for Charlevoix, Mick Hinkle had eight stops,

while Jordan Adkins had four tackles, which included a pair of sacks and two stops for a loss and a fumble recovery, Klinger and Cam Alden both picked off Comet passes, while Boss and Josh Hinkley recovered fumbles.

The Rayders (2-1) will play Grayling at home on Friday, September 18 at 7 pm at Kipke Field. The contest is also a game to show the school's appreciation for Veterans. Special jerseys will be worn by the players.

The game is open to all veterans, spouses and those who sponsored a jersey.

Weather, Workers Make River Clean-Up a Success

Lansing residents, Sarah Linz (l.), Cecilia Garcia, and 7-year old, Ethan Rufenacht, pitch in at the Au Sable River clean-up near Mio.

by Patrick W. C. Bevier

“This quiet river attracts wanderers, leaves them lovers, protectors”

– Plaque in honor of Rusty Gates, Au Sable River

The Saturday after Labor Day harkens a Holy Day of Obligation in my life each year. That’s when two groups of dedicated river keepers get together for the annual Au Sable River clean-up initiatives. The larger contingent gathers in Grayling at Gates Au Sable Lodge to wade, paddle, or steer on the Main and South branches to remove trash along Michigan’s most storied stream. This year almost 300 enthusiastic souls, aged 6 to 76, patrolled miles of river and collected everything from an outboard motor to a set of tires. Gates Au Sable Lodge, and the large and influential organization The Anglers of the Au Sable, hosted the event. Gates Lodge owner, Josh Greenberg, described the activities:

NM Outdoors 9-17-15 Flybox streamers: One of the prize giveaways at the annual Au Sable River clean-up was a colorful box of locally popular streamers and poppers.

“The weather did us a favor and the clean-up went excellent. We had probably 250-300 people either volunteering or doing the actual trash collection. With the high water, it really helped to have so many boats to clean the deeper, harder to reach sections! We also had crews maintaining our cedar tree plantings by re-

placing or repairing the cages.”

Traditionally, I travel further east of the Gates location to join a smaller cadre of preservationists affiliated with the former Au Sable Big Water Preservation Association in Mio. This section of the Au Sable is known as the, “Trophy Water” and is, gener-

ally, wider, deeper, and more widely used by floaters, kayakers, and other non-angling outdoors-folks. With this diverse and increased use, we had no problem gathering hundreds of pounds of beverage cans, Styrofoam cups, flip flops, and even a homemade outdoor commode complete with toilet seat and toilet paper holder!

Both events always conclude with a delicious barbecue lunch and generous prize giveaways. This year’s Mio festivities featured ticket raffles for several high-end fly rods and reels, gear bags, gift cards, and an amazingly colorful box of locally-tied poppers and streamers. I scored a \$50.00 gift card for Bass Pro Shop and hope to use it to supplement the purchase of a new kayak.

Mark your calendars now for either of next year’s Au Sable clean-ups set for Saturday, September 10. It’s a great way to give back to this incredibly important natural resource in northern Michigan. Hope to see you in Grayling or Mio next year!

Rayders take part in Petoskey Volleyball Invitational

By Chris Fiel

PETOSKEY – The Charlevoix volleyball team competed in the annual early season Petoskey Invitational on Saturday, September 12.

The Rayders ran into some tough competition on the afternoon, falling in tough games with Sault Ste. Marie, 23-25, 19-25; be-

fore splitting with Boyne City; dropping a pair to Onaway and losing to Petoskey in the quarterfinals.

“The girls definitely had some good streaks, but it was always shorter than we wanted, because we couldn’t close games out effectively,” Rayder coach Audra Randall said. “Many times the girls were slow to start, get back in it

mid game, then let it go at the end.”

Emily Zabowa led the Rayders with 24 kills, 13 assists and 12 digs, while Becca Moon had 36 assists, 11 kills and was 80 percent on serve reception.

Also for Charlevoix, Beth Veenstra had nine kills; Kenzy Oleary added five kills; Hannah Zipp chipped in with five kills and four

aces; Nicole Hart finished with three kills; and Julia Doskoch added 15 digs and was 83 percent on serve reception.

Coach Randall also credited Grace Sutherland, Kelsey Crandell and Ali Jarema with strong serve reception and defense.

“I have confidence in the girls that we as a team will find the solution,” coach Randall added.

“These girls have a lot of talent, every one of them, we just need to step up our passion and chemistry as a team to make a positive performance.”

Charlevoix heads to Harbor Springs on September 17 for a conference match then will host their home tournament on Saturday, September 19.

JV Red Devils take part in Indian River tourney

INDIAN RIVER – The East Jordan JV volleyball team participated in a tournament hosted by Inland Lakes on Saturday, September 12, falling in the opening round of bracket play.

The Red Devils advanced out of pool play by sweeping Harbor Light, Cheboygan and Gaylord St. Mary, all 2-0, before splitting with Harbor Springs and Rogers City to advance to bracket play with an 8-2 record on the day.

In round one of bracket play, EJ fell to host Inland Lakes, 22-25, 18-25.

Coach Gregg Swanson noted that the Red Devils were led by top server, Maddi Steltzner; top hitter Julia Sherman; while top offensive player was Chelsea Gibson; and top defensive player was Layken Alward.

The East Jordan JV team improves their overall record to 15-3-2, with the outstanding showing at the tournament.

J.V. FOOTBALL

JV Rayders come up short versus Coleman

Coleman JV 8, Charlevoix JV 6

COLEMAN – The JV Rayder football team came up just short in a hard fought defensive battle with the host Comets, falling 8-6 in a Saturday afternoon contest on September 12.

In a 0-0 battle for most of the two quarters of play, Coleman was able to complete a 45 yard pass for a score and added the conversion attempt for an 8-0 lead just before the half.

Charlevoix responded early in the third quarter with a score of their own, on a 30-yard touchdown pass from Cam Musilek to Garrett Seese, the attempt for the conversion was not successful and the score would remain the same for the remainder of the contest.

“We had a few opportunities but could not capitalize on them,” Rayder coach Brian Certa said. “We are looking forward to getting healthy and having our full squad back in the near future.”

Coach Certa gave credit on the defense of side of the ball to Seese, Kyle Balch and Colin Davis being the leading tacklers, while Jake Cox played very well also on both sides of the ball.

The Rayder JV team is now 1-2 and travel to Grayling at 6 pm, on September 17 for a contest against the Grayling Vikings.

Red Devils fall to Blazers in league opener

By Chris Fiel

Kalkaska 33, East Jordan 8

EAST JORDAN – Missing a few key players due to injury can make a big difference for a team small on numbers to begin with.

The Red Devils, playing without starters Trey Peterson and Ryan LaVanway, had others step up into their roles, but could not quite equal the size and experience of the Kalkaska players, as East Jordan was outmanned in a 33-8 Northern Michigan Football League II loss on September 11.

“We played hard, but missed a couple of starters that were out for the week,” EJ coach Allan Peterson said. “We had some good stuff going in the first and third quarters, but didn’t have enough to keep it going.”

The Red Devils managed to put positive yards together early in their drives, only to not be able to keep the chains moving.

East Jordan was only able to put together 113 yards of total offense as Donny Cutler and Ryan Graham combined for 78 yards on 26 carries. Cutler had the lone Red Devil score, a one yard touchdown run in the third quarter.

Quarterback Colin Shepard added the conversion run. Shepard finished with 23 yards passing, completing 2-of-3 passes, one each to Cutler and Skrocki.

On the defensive side of the ball, EJ forced three second half fumbles and the defense stiffened up in the red zone to hold the Blazers out of what would have been possible scores.

Jorel McCoy had 10 tackles to lead the Red Devils, while Bob Sherman finished with nine stops, including a sack and a fumble recovery.

“We played hard, but missed a couple of starters that were out for the week,”

– EJ coach Allan Peterson

“We’re very proud of these young men, because they never gave up,” coach Peterson added.

With the loss, the Red Devils slip to 1-2 overall, 0-1 league, will have the week off as their opponent, Rudyard had to forfeit their meeting on September 18 due to not being able to suit up enough players for the contest.

SCHMIDT REALTORS

FEAR OF THE FUTURE

Fear takes the fun out of a lot of things, but there is reasonable fear and unreasonable fear. Unreasonable fears have no basis in reality, so there is little you can do beyond getting professional help for your anxiety. Reasonable fears you can handle on your own with a little common sense.

Fear can be tamed by looking at the worst case scenarios compared to the best case scenarios. So examine the questions that are really bothering you.

What if we can't make our payments? This question can be balanced by a best case. What if we manage our money so well that we can make double payments? So the fear here is manageable - it comes down to how confident you are about managing your money. If you aren't sure of yourself, get help. Ask someone whose money management style you admire for advice on how to manage your money better.

Then stick with it.

What if the value of our home goes down in value? Would you feel as fearful if you asked yourself whether your property will go up in value? Property can go up or down, but all property requires maintenance or it surely will deteriorate in value. This can be easily prevented by having enough budgeted or in your reserves to perform scheduled and unscheduled maintenance. Look at the properties surrounding the home you are considering. Are they maintained with pride? Are they being updated? Then your chances are good that the neighborhood and your home will retain its value. Rest assured that there will always be a buyer for an attractive, well-maintained property.

Because it is not a liquid asset, real estate is not as volatile as you think. It goes down slowly and rises comparatively slowly. And home values even when depressed may get a resuscitation after a few years. Your best hedge against the future is to keep your property in desirable condition.

You can't predict the future. The only thing you can do is prepare yourself to handle what may happen.

So money isn't the root of all evil, but it is the root of indecision - at least when you are paralyzed about buying a home. Thinking through the money issues can help you get moving one direction or the other. For some of

you, just reading this article will put your jitters to rest. For others, you may realize that a home isn't in the cards for you right now, and that's OK. Wait a few days or weeks if you need to. Use the time to regroup. It is far better for you to work through a few obstacles than to jump into the largest investment of your life without confidence. If you can work through your fears, get your finances in tip top shape and proceed, you'll find buying a home doesn't have to be a paralyzing decision. In fact, it can be one of the most exhilarating things you'll ever do.

If you are worried about cash flow, then making disproportionately large house payments will tarnish the joy of home ownership, unless you can find ways to cut down the other pie pieces. Work to improve your cash flow. Accelerate your credit card pay-offs Don't incur new debt. Re-budget your expenses and eliminate unnecessary expenditures. Make compromises - vow to cut down if you can't cut something out. Be willing to move timelines for meeting your goals. Don't be influenced by others to live beyond your means. Set your sights on an affordable home, and you may find your dream home will appear right before your very eyes.

Cape Cod on over 20 acres near public lake access 35-acre parcel with pole barn by Oaks of Walloon

By Jim Akans

Absolutely charming. This beautiful Cape Cod style home is situated on over 20 acres of wonderfully scenic property AND it is close to a public access to the entire Upper Chain-O-Lakes.

This three-bedroom, two-bath home has just under 1,600 square feet of nicely appointed living space. Highlights include a fantastic kitchen and dining space with hardwood flooring, new carpet throughout, a main level master bedroom, full basement and an extensive multi-level decking system that provides the perfect spot to enjoy the gorgeous surroundings. There is also a detached garage complete with electric power and built-in shelving.

While the property has an abundance of hardwoods, it also features wide-open countryside areas. A bonus is that the home is close to a public access that provides an opportunity to launch a watercraft and enjoy the entire Upper Chain-O-Lakes waterway system.

Located at 3878 Knipe Road near Central Lake, this wonderful Cape Cod home in a marvelous setting is listed at just \$159,900. For additional information or to arrange for a tour, please call Mike Stark, Broker, or Holly Nierman, Agent at Coldwell Banker Schmidt - East Jordan at 231-536-7700 or email mike.stark@cbgreatlakes.com

Automotive Review

The all-new 2016 Chevrolet Volt electric car with extended range, showcasing a sleeker, sportier design that offers 50 miles of EV range, greater efficiency and stronger acceleration. PHOTO © GENERAL MOTORS.™

The results are in: More range for the 2016 Volt

The 2016 Volt is engineered to offer customers more of what they want: range, range and more range.

The Volt's all-new second-generation Volttec extended-range electric propulsion system delivers 53 miles of pure EV range, based on EPA testing. That is nearly a 40-percent improvement over the first-generation Volt.

Chevrolet expects many next-generation Volt owners will use power solely from their batteries for more than 90 percent of trips. Today, Volt owners use battery power on 80 percent of their trips.

This means the average Volt owner could expect to travel well over 1,000 miles between gas fill ups, if they charge regularly.

For the first 53 miles, the Volt can drive gas and tailpipe-emissions free using a full charge of electricity stored in its new 18.4-kWh lithium-ion battery, rated at a combined 106 MPGe, or gasoline equivalent. When the Volt's battery runs low, a gas-powered generator seamlessly operates to extend the driving range for a total of 420 miles on a full tank.

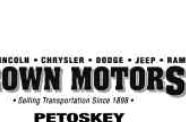

"We listened to our customers," said Andrew Farah, vehicle chief engineer, "They were

very clear when they told us that they wanted more range, and a fun driving experience behind the wheel. We are confident that the 2016 Volt delivers both."

The next-generation Volt's new 1.5L range-extender, designed to use regular unleaded fuel, offers a combined EPA-estimated fuel efficiency of 42 MPG.

Data shows that drivers of the first-generation Volt achieved, and often exceeded, the published EPA-estimated mileage. Chevrolet expects the same label-exceeding result with the next-generation Volt.
