Northern Michigan Football League II

Rayders drop league battle to Frankfort

Offense unable to get untracked

By Chris Fiel

Frankfort 20, Charlevoix 0

CHARLEVOIX -- It was a cold and windy evening in Charlevoix, where a first place battle in the Northern Michigan Football League II, between the host Rayders and visiting Frankfort Panthers took place on October 16.

After a slow moving first quarter, both teams put together some good quality drives in the second frame. Frankfort was finally able to break through into the south end zone at the 9:06 mark and following a missed conversion attempt, the Panthers led 6-0.

Following a drive by the Rayders that was unable to get to within scoring range, the Panthers put together another long drive that took them to within the Charlevoix six yard line, but the Rayder defense stood strong, keeping Frankfort out of the end zone and going into the half down one score.

The Panthers would tack on touchdowns in both the third and fourth quarters to put the game away.

Charlevoix could get little going on offense for a majority of the night as the Rayders were limited to less than 100 yards total.

"We got beat up on the line and they (Frankfort) did a good job of taking Ben (Boss) away, making us try to beat them other ways," Charlevoix coach Ron Bindi said.

The defense, however was solid as always, led by the 15 tackle effort by Malcolm Williams, while Jordan Adkins had 12 and Justin Adkins added 10 stops.

Brad Klinger wrapped up eight and added an interception and Austin Putman had seven.

Offensively for Charlevoix, Forrest Noirot completed four passes

Forrest Noirot (12) of Charlevoix, scrambles to avoid the Panther defense.

(PHOTO BY SCOTT RICHARDS)

for 26 yards, with Putman receiving two of them for 19 yards and Klinger hauled in the other two.

Williams led the ground game with 25 yards on four carries, while Noirot picked up 17 yards and Ben Boss added 14 yards on

six attempts.

"We had a few some missed assignments on their touchdowns and they took advantage of it," the coach added. "We've got to do a better job of getting to the right spot and execute what we've been

working on."

The Rayders 5-3 overall, 3-1 conference, can clinch their second straight playoff berth with a win over Harbor Springs, (5-3, 2-2) at home at Kipke Field on October 23.

Red Devils fall to Rams 42-24

Cutler tops 200 yard rushing mark

By Chris Fiel

Harbor Springs 42, East Jordan 24

HARBOR SPRINGS -- It was a wet and windy October evening in Northern Michigan as the East Jordan Red Devils and Harbor Springs Rams locked horns on Friday night, the 16th, with a little bit of everything from sleet

and hail to wind and snow.

In the end, it would be the Rams that stood tall with a 42-24 victory, that improved Harbor to 5-3 on the season, while the Red Devils slipped to 2-6.

The Rams used its size and a pounding ground attack to get past East Jordan, piling up over 300 yards in the contest, took an early 21-0 lead that extended into the second quarter before the Red

Devils got things rolling with some rushing of their own, led by Donny Cutler and Keegan McDuffie.

The Red Devils comeback would be cut short as the Rams continued to put points on the board, keeping EJ at an arm's distance as the clock winded down.

Cutler would lead the Red Devils offensively with 203 yards on

15 rush attempts and four touchdowns, while McDuffie chipped in 75 yards on seven carries.

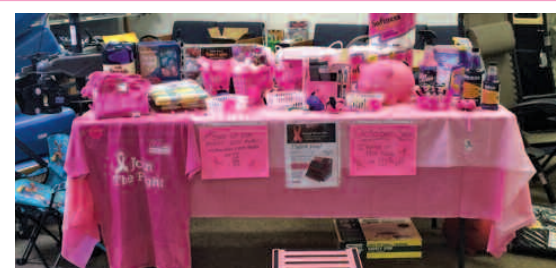

East Jordan will close the season at home on October 23, as they face Felch North Dickinson from the upper peninsula, as their original opponent, Elk Rapids forfeited due to lack of players. Game time is 7 p.m.

Cross Country

Rambler runners continue their strong season

The Boyne City girls cross country team earned a first place trophy at the Leroy Maxie Memorial Invitational in Fairview on Saturday, October 17, placing eight runners in the top 20. (PHOTO COURTESY OF ROB BERGQUIST)

Boyne City boys cross country team earned a runner-up trophy at the Leroy Maxie Memorial Invitational in Fairview on Saturday, October 17. (PHOTO COURTESY OF ROB BERGQUIST)

FAIRVIEW — It started as a white morning for the Ramblers, as Mother Nature surprised us all with a blanket of snow, but the red hot Boyne City cross country team took to the course and when it was all said and done, the Rambler trophy case would have to make room for two more.

Every Boyne runner ran a personal best in event on the traditionally fast course, with the girls squad taking home top honors with 28 points, including placing eight runners in the top 20, while the boys finished just two points behind host Fairview, to earn a runner-up finish.

In the girls race, Emily Sterling took second overall with a personal best time of 20:22; while Veronica Sosa finished fourth in 21:04; and Annie Stokes was fifth in 21:34. Freshman Molly Day finished

eighth in 22:22; sophomore Annika Bergquist was ninth -22:28; sophomore Madison Bates finished 11th - 22:52; and freshman Eleri Giem, 14th (23:16).

Junior Alysse Whittet also finished 19th (24:43) for the Ramblers; while senior Brianna Burnell finished in 25:16; and sophomores; Olivia Looze - 28:17; and Hailey Fogo - 28:18.

On the boys side for the Ramblers, senior Dominic Santana continued his outstanding season, finishing third in 17:12, edging teammate, freshman Cliff Maginity, who took fourth in 17:13 and in the process, set a new Rambler freshman record by over 20 seconds faster than previous record holder, Garrett Fogo.

Chanler Turnbull -18:41; Hunter Habasco -18:50; Riley Minier - 19:13;

Tristan Stackus - 20:23; Evan Korhase - 21:03; and Wyatt Melvin - 21:23.

“Everyone (boys) ran 60-90 seconds faster than their previous best times,” Boyne City coach Andy Place said. “All the girls ran great races, but Molly (Day) had the best performance taking over three minutes off her previous best and finishing fourth on the team.”

In the middle school race, Boyne City girl runners, Kari Day (14:33) and Jaelyn Jarema (14:37) finished second and third, respectively, while Saylor Caverly and Sarah Sterling also earned medals, while for the boys, Will Maginity crossed the line in 13:04 and Nicholas Santana finished in a time of 14:20.

Volleyball Results

Red Devils fall to Bellaire, Mancelona

EAST JORDAN -- The East Jordan volleyball team pushed the Bellaire Eagles to a five match contest, before falling in the final on October 15.

The scores were: 22-25, 25-18, 25-21, 23-25 and 11-15. The Red Devils were led by Abigail Peterson with 45 digs and four aces.

Keegan Malpass was a force on offense with 11 kills, three aces and also had 27 digs, while Kassey Wojan chipped in with nine kills and nine digs.

MANCELONA -- The Lady Red Devils battled back from a two game deficit, before falling in the fifth and final set against the host Lady Ironmen on October 13.

21-25, 19-25, 25-21, 25-23 and 8-15.

EJ was led by Mazzy Pepin with 13 kills, while Abigail Peterson recorded 20 digs.

“We are staying competitive in each match but we need to focus on finishing the games strong to win matches,” Red Devils coach Anne Crick said. “The girls are staying positive and working on coming together as a team.”

evening. “I was really happy with how the girls played tonight. At one point we were down by six points in both the second and fifth games and were able to settle ourselves and rally back,” coach Slate said. “Both Abby (Gardner) and Kelsey (Hubbard) played some of the best ball they have all season which really helped with those rallies. Unfortunately we came up short in that fifth game but it was absolutely an awesome fight between both teams and fun to watch. Kudos to Harbor’s defense tonight they made some unbelievable plays when we thought the play was over.”

JV Vball

JV Red Devils top Eagles, Lady Ironmen

EAST JORDAN -- The JV Red Devils continue to pile up victories, improving to 22-5 on the season, downing the Bellaire JV two games to one on October 15.

The Red Devils won, 18-25, 25-19, 15-5.

Coach Gregg Swanson credited team members with outstanding performances; noting that the top server was Kendall Raymond; while top setter was Chelsea Gibson; top offensive player was Layken Alward; top defensive player was Katelynn Crawford.

MANCELONA -- The EJ JV volleyball team took to the road on October 13, when they traveled to Mancelona.

The outcome was a three games to zero victory for the young Lady Red Devils, winning 25-22, 25-15, 15-6.

“A good team win, as everybody got to play and played well,” coach Gregg Swanson said.

Top server for EJ was Gabby Snyder; top setter was Chelsea Gibson; top defensive player was Layken Alward; and top offensive player was Julia Sherman.

The Red Devils improved to 21-5 with the win.

Boyne City drop tight battle with Rams

HARBOR SPRINGS -- The Boyne City volleyball team lost a tough five game battle with the host Rams on October 15.

Boyne took the opening match 27-25, followed by a pair of Harbor victories, 22-25, 17-25, before the Ramblers rebounded with a 25-15 win to force a fifth match which the Rams came out on top 15-13.

Boyne City was led by Abby Gardner with 13 kills and Nicole Swadling with 37 assists.

Kelsey Hubbard was credited with good serving and defense by coach Malory Slate.

Coach Slate also noted that the team also served at a 98 percent rate, missing only two serves the entire

Heavenly Hikes

“Now he walks in quiet solitude the forests and the streams, seeking grace in every step he takes.”

~John Denver

By Patrick Bevier

There is no better way to appreciate the amazing blaze of autumn colors than on a hike through the forest. And, in my book, there are few better places to do so Up North than the section of North Country Trail that can be accessed at the Deadman's Hill or Wagner Creek sites in the Boyne Falls/Elmira/East Jordan area. Last weekend I travelled to Deadman's Hill Overlook located just south of the M-32 East and

US-131 intersection about 8 miles south of Boyne Falls. The panoramic views of the colorful Jordan River valley are unparalleled and many other folks were also there to appreciate them. Two loops of the North Country Trail can be accessed on each side of the overlook. The trail to the right goes down a rather steep almost half mile hill. The trail to the left is a more gradual decline. Both paths are part of an either three or eight mile loop that meanders through the lovely Jordan River valley. I chose the eight mile loop and built up quite a sweat due to the intermediate to challenging elevation level changes on this section. This path would not be recommended for young children, the elderly, or other less experienced hikers. If you're really a gamer and have a couple of month's free time-the signs beckon hikers to head east to Vermont or west to North Dakota!

Earlier in the summer I rode my bike on the trail from the Wagner Creek access site which is on M-32 west of US-131 on your way to East Jordan. The trail is relatively flat on this stretch and runs through a variety of habitats including forests, meadows, wetlands, and along a pond. On the journey I was delighted to focus on several Baltimore Orioles, cardinals, and an osprey. Therefore, don't forget your binoculars and camera (and plenty of water) on your trek.

A pair of hikers plan their North Country Trail trek at the Deadman's Hill Overlook trail head near Boyne Falls and Elmira.

Sheridan Elementary students Lila Blackall and Megan Lewis show off some colorful autumn foliage on a recent trip to the forest.

There are no bikes allowed on the trail section out of Deadman's Hill.

You can also get some excellent views of autumn foliage and river scenes by driving down Jordan River Rd. and taking any of the pull-offs. This gives you the reverse view of the one from the Overlook as you can see up the steep hill draped in maize, pumpkin, and crimson. Jordan River Rd. is located a mile or so north of Deadman's Hill Rd. off of US-131 S.

Backpack campers also utilize the area because there is a campground at Pinney Bridge about 9 miles from the Dead-

man's Hill access site.

You might also make it a dual purpose trip by bringing along your fly rod to attempt to sting a trout or two in the Jordan. Several local anglers, including guides Brian Kozminski and James McCullough, consider the Jordan River to be a "must fish" stream. The Jordan is open all year to fishing but possession of brown or brook trout is illegal after September 30.

Whichever path you choose, get outdoors and explore all that the amazing Northern Michigan autumn has to offer. I promise you won't regret it!

The Charlevoix County Office of Veterans Affairs has increased its hours and places of operation.

We are now open from 8:00am-5:00pm Monday - Thursday and 8:00am-12:00pm on Friday. We are offering appointments outside of our normal office hours.

We are also offering the following outreach office times throughout the County:

Boyer Falls - County Annex. First and third Wednesday of each month, 1:30pm - 4:00pm.

Beaver Island - Rural Health Center. Second Tuesday of each month. 1:00pm -

4:30pm. We can also meet with veterans afterwards, by appointment. We also attend the AmVets Tuesday night meeting.

East Jordan—Community Center. Second Wednesday of each month. 11:00am - 2:00pm.

Are you ready for the Medicare Annual Enrollment Period?

Is your drug plan working well based on the medications that your doctor has prescribed? Are you mired down in the infamous Medicare donut hole? Have you been experiencing a lot of health care costs associated with your advantage plan? Perhaps you want to consider switching to a different drug or health plan that will give you better coverage.

September is a great time to begin thinking about all this, because the Medicare Annual Enrollment Period is just around the corner. It runs from October 15th through December 7th. This is the only time that most beneficiaries can make changes to their current Part D prescription drug plan or Medicare Advantage plan. This year there are 31 drug plans and an average of 14 advantage plans available to beneficiaries in this area. While the number of plan options can be mind boggling, having several choices makes good sense.

Medicare Part D prescription drug plans must meet certain standards, however, the premiums, co-pays, formularies, and coverage benefits in the donut hole can differ. These variables can even change within the same plan from year-to-year, making it important to compare your list of drugs to all plans to determine which

will work best for you. The same is true for Medicare Advantage Plans, often referred to as Medicare Part C plans. Most of the advantage plans have combined benefits for health care and prescription drugs. Each plan will vary in premium cost, co-pays, provider network, and maximum out of pocket cost.

The annual enrollment period is also an excellent time for folks to convert from a Medicare Advantage Plan to Medigap coverage, or vice versa. There are up to 10 different Medigap plans available, each having different levels of coverage. Monthly premiums are based on plan benefits, your age, and other factors that are used in the underwriting process. Keep in mind that if you switch to a Medigap, you will need to enroll in a stand-alone Part D drug plan in order to have continuing coverage for your prescriptions.

During the month of September you can expect to receive several important notices from the company that is currently providing your coverage. For example, you will receive the Annual Notice of Change and the Evidence of Coverage. These notices will tell about the new monthly premium, individual drug costs, possible changes to the plan's drug formulary, modifica-

tions to the drug restrictions, and adjustments to the drug tier groups. A change in any of these items can result in a substantial increase in your costs. There will be about 30 Part D drug plans available again next year. This provides a great opportunity to compare the cost of your current plan to several other plan offerings that could result in cost savings.

This entire process can be daunting for beneficiaries, but help is available. Counselors with the Medicare/Medicaid Assistance Program (MMAP) can conduct a review of your drug plan during the open enrollment period and, if needed, furnish suggestions for plan alternatives. Local MMAP counselors can be reached by calling 800-803-7174. If requested, representatives will send out a prescription drug worksheet that will begin the process of the Part D plan review for 2016. It is recommended that beneficiaries begin calling MMAP in September to ensure there is sufficient time to review your Medicare plans for the upcoming year.

Automotive Review

The All-new 2017 Ford F-Series Super Duty, which was revealed at the State Fair of Texas on September 24, is the toughest, smartest, most capable Super Duty yet. IMAGE COPYRIGHT FORD MOTOR COMPANY

All-New Ford Super Duty is toughest, smartest, most capable Super Duty ever

Ford, America's truck leader, today introduces the all-new 2017 Ford F-Series Super Duty – the toughest, smartest, most capable Super Duty truck lineup ever.

“Ford Super Duty is the truck America's hardest-working men and women trust and depend on,” said Joe Hinrichs, Ford president, The Americas. “We are helping these customers build a better world by delivering a new generation of pickups that set new benchmarks in capability, performance and efficiency.”

Using advanced materials to reduce weight, 2017 F-Series Super Duty pickup truck and chassis cab feature all-new, segment-exclusive smart technology to help increase customer productivity, comfort and convenience.

“While Super Duty is America's best-selling heavy-duty truck, we never take our leadership for granted,” said Raj Nair, Ford group vice president, Global Product Development and chief technical officer. “Our team is using relentless innovation in materials, technology and Built Ford Tough engineering to deliver customers our best Super Duty yet.”

The backbone is an all-new, fully boxed frame comprised of more than 95 percent high-strength steel that offers up to 24 times stiffer than the previous frame – enabling the most towing and hauling capability ever delivered by Super Duty. The new truck line features heavier-duty four-wheel-drive components, driveline, axles and towing hardware.

For the first time, the Super

Duty body uses high-strength, military-grade, aluminum alloy, which is more dent- and ding-resistant than the outgoing steel body and not subject to red rust corrosion. Together, high-strength steel and high-strength aluminum alloy help reduce weight by up to 350 pounds while Ford is reinvesting additional weight savings everywhere it counts, to give customers more towing and hauling capability than ever before.

Towing is core to the Super Duty mission. All-new advanced coaching and camera technology makes conventional and gooseneck/fifth-wheel towing easier and more efficient than ever.

There are 16 segment-first new features – from LED lighting to adaptive cruise control – that assist Super Duty drivers to make driving and work situations easier and more comfortable. As many as seven cameras help customers see more angles and monitor conditions surrounding the truck, and provide better trailer-tilt than ever before.

Customers will benefit from a segment-first, in-cab trailer tire pressure monitoring system from the comfort of the cab while stopped or on the highway.

Adaptive steering provides for increased confidence to help make towing the heaviest of loads easier and brings greater ease to navigating job sites and parking lots – with or without a trailer. The technology reduces the amount of steering input needed to change direction at low speed, while reducing sensitivity to steering input at higher speeds.

Light-weighting and improved capability work hand-in-hand in the all-new Ford F-Series Super Duty.

“As we remove weight, we're making Super Duty more productive by giving our customers better towing and payload capability,” said Craig Schmatz, Super Duty chief engineer. “We're backing up improved capability with a stronger gasoline and diesel Super Duty engine lineup.”

The second-generation Ford-designed, Ford-built 6.7-liter Power Stroke® V8 diesel engine is available for pickup trucks and chassis cabs providing the highest combination of horsepower and torque ever.

“The bottom line is Super Duty customers will be able to tow and haul more than ever before,” said Schmatz.

All three cabs – Regular Cab, SuperCab and Crew Cab – are longer and feature a new interior design, including dual compartment glove box, overhead console-mounted auxiliary switches to operate aftermarket equipment, and completely flat SuperCab and Crew Cab second-row floors that make loading large items in the cab easy. Vital controls are close at hand, with the integrated trailer brake controller switch located even closer to the driver.

There are five models in the Super Duty lineup – XL, XLT, Lariat, King Ranch and Platinum. The all-new Super Duty will be built at Kentucky Truck Plant, and goes on sale late next year.

Cosmetic issues are easy to remedy

Part 2 of 2

Landscaping. Your best bet is a moderately landscaped yard because you can always improve landscaping without spending too much. Worst case, even if you're looking at dirt, landscaping is one of the easier projects to tackle. Plus you get to design it however you'd like if you're starting from scratch.

Closets and garages. You can never have too much storage space, which is why so many newer homes have three-car garages. But if you encounter a converted garage that is now a bedroom or storage room, don't give up. Converted garages can almost always go back to their original purpose with-

out much cost or labor.

Kitchen. The most popular room in the house, many homeowners want their kitchen to be large and have modern appliances. Don't let outdated color schemes deter you because there's nothing like a fresh coat (or two) of paint to make a kitchen your own. Plus, if you like the rest of the house enough to make an offer, you can give the kitchen a minor spruce-up with some new appliances or a major overhaul complete with new countertops, cabinets, and flooring.

The exterior. If the home doesn't have good curb appeal, try to picture it with a fresh coat of paint and revitalized landscaping.

Pools. If you want a pool, buy a home with a pool already built in. Pools are expensive and you will not get a full return on the cost when you go to sell. Let someone else lose the return. The cost of repairing a pool is

less than putting one in, so if you're looking at a home with an old pool that looks like it's in bad shape, it's still a better bet than putting one in later.

When making an offer, consider what you can't live without, as well as your budget. Also, be sure you hire a professional home inspector to inspect the house. If the home's systems are in good working order and the house has everything you want except a minor item or two, make an offer accordingly.

Most importantly, keep in mind that unless you're building your dream home from scratch, you'll probably never find the perfect home. But seeing past a previous owner's bad decorating choices to the core of the home and its potential for livability will yield you the home you've always wanted. It may take some work, but hey—it's yours.

Featured Property

Old-world charm and quality embrace Boyne City home

By Jim Akans

Embraced by Old-world charm and quality, this historic Boyne City home with Boyne River waterfront presents a rare real estate opportunity.

Set on "Lumber Baron Row" just a few blocks from the downtown area, this five-bedroom, five-bath home has a whopping 3,450 square feet of impeccably appointed living space. With craftsmanship that takes your breath away, among the many interior highlights are gorgeous hardwood flooring and original woodwork throughout, a fabulous updated kitchen plus an additional kitchen on the second level, elegant wood-burning fireplace in the main living area, large master bedroom suite, high ceilings, central air conditioning and so much more.

The beautiful grounds include approximately 120 feet of Boyne River frontage, and views of the river from inside the home are spectacular. A wrap-around covered deck and ground level patio also provide stunning views of the peaceful wooded property and riverfront. Situated across from the V.H. White building and within walking distance of the vibrant downtown area, this location has it all!

This incredible home and property is located at 401 Pearl Street in Boyne City it is listed at \$399,900. For a more informa-

tion or to arrange a home tour, call Marty Moody, Associate Broker or Christopher Christensen,
