Ramblers handle Vikings 35-20 to close out 8-1 regular season

Team sets sights on postseason

By Chris Fiel

Boyne City 35, Grayling 20

GRAYLING -- Following a two week stint of no games, due to Elk Rapids forfeiting their contest scheduled on October 16 due to lack of numbers, the Boyne City football team finally got the chance to get back in action and put to rest any doubt of being rusty as the Ramblers downed the Vikings 35-20 on October 23.

The Ramblers improved to 8-1 on the season (5-1 in the Northern Michigan Football League I) as they now prepare to host their first round playoff contest with 6-3 Oscoda coming to town on Friday, October 30.

Boyne and Grayling battled to a 7-6 Rambler lead after one quarter of play, only to see BC extend that margin to 21-6 at halftime. The two teams played an even second half, scoring 14 points apiece.

The Ramblers were paced by the senior backfield of Malik Smith and Tanner Kruzel as the duo rumbled around, over and through the Grayling defense, combining for 301 yards on the ground, Smith - 196 and two scores and Kruzel 105 to go with a touchdown of his own.

Tarin Bell also added 37 yards rushing on 10 carries and a touchdown and also caught two passes from quarterback Mason Gardner for 21 yards receiving.

Derek Willis would connect with Luke Sage for a 30-yard touchdown on his only pass attempt.

On the defensive side of the ball, Kruzel recorded 10 stops, including one for a loss to lead the Ramblers, while Sage added seven tackles, Dylan Hutterer chipped in with six and Smith had five.

Rayders come up short in season finale

Harbor Springs steals game with last second field goal

Harbor Springs 22, Charlevoix 20

HARBOR SPRINGS -- Football is a game of yards and on Friday, October 23, the Harbor Springs Rams were just a few yards better than the Charlevoix Rayders, as the Rams escaped with a 22-20 win in the closing seconds on a Mitch Hoffman field goal from 24-yards out.

The Rayders held a slim 20-19 lead with just over six minutes to play in the contest and were looking to run some clock when a first down run was negated by a holding penalty and forced Charlevoix to punt, setting up the winning drive by Harbor.

"We gave it a run, had a few chances but could never quite put them away," Charlevoix coach Ron Bindi said. "They (Harbor Springs) kept pounding the ball and wore us down, we got pretty banged up."

Charlevoix held the lead 7-6 after the first quarter and 14-13 at halftime.

"The kids played hard and gave it their best effort, Harbor is a good football team," coach Bindi added. "We never really had a chance all year to have a full team due to injuries and such."

Senior Austin Putman, like much of this season, was a huge force for the Rayders, hauling in all five of Forrest Noirot's completions for 103 yards, including a 22-yard score.

Malcolm Williams carried 11 times, gaining 71 yards on the ground, while Ben Boss added 56 yards rushing on seven carries and a 34-yard touchdown.

Putman chipped in with 21 yards rushing, while Brad Klinger had 13 and Noirot added a 1-yard touchdown run.

The Rayders close the season at 5-4 and while this one hurts, will be ready to go next fall when the whistle blows in late August.

Volleyball Roundup

Rayders take part of Leland Tournament

LELAND -- The Charlevoix volleyball team took part in the Leland Tournament over the weekend, going 1-2-2 on Saturday, October 24.

The Rayders fell to Leland in their opening match, 9-25, 10-25, before splitting with East Jordan, 25-15, 22-25 and followed that with a split against Maple City Glen Lake, 25-13, 24-26.

In the quarterfinals against Dutons Bay, Charlevoix defeated the Lady Norsemen, 25-23, 25-18, before falling to Leland once again in the semifinals, 12-25, 13-25.

"We came out flat (against Leland) and had several serve receive errors and defensive errors," Charlevoix coach Audra Randall said. "As we played our next two matches and split with both teams we played competitively and showed good progress."

"The low scores don't reflect really how much better the girls played," the coach added. "We had long rallies and the intensity very high. Even with a loss we walked off the court feeling like we ended our day

playing better ball."

TRAVERSE CITY -- Charlevoix traveled to Traverse City St. Francis on October 20 to face the Lady Gladiators in Lake Michigan Conference play and came up short, falling in three straight.

The scores were; 12-25, 10-25 and 12-25.

"We were prepared and had higher expectations than how we as a team performed," coach Audra Randall said. "We had good intentions, prepared for knowing our opponent and then just couldn't put it together on the court to show our hard work in preparation."

Emily Zabowa finished with eight assists, four kills and added 11 digs, while Becca Moon added four assists, four kills and one ace.

Ali Jarema and Julia Doskoch had seven and four digs respectfully, while Hanah Zipp added five digs and a kill.

Red Devils fall to Rams

EAST JORDAN -- The East Jordan Red Devil volleyball team fell to Harbor Springs in four games on their

home court on October 20.

The Rams took the games, 25-17, 25-18, 19-25, 25-15.

The Red Devils were led defensively by Abby Peterson with 29 digs, while Marissa Kolp was credited by coach Anne Crick with a strong performance off the bench, recording 13 digs.

Kendall McNitt led the offense with 10 kills.

JV vball

EAST JORDAN -- The JV Red Devil volleyball team pushed their season record to 23-5 with a 2-1 win over the Harbor Springs JV team on October 20.

EJ won, 25-20, 21-25, 25-15.

Top server for the Red Devils was Chelsea Gibson, while top setter was Maddi Steltzner.

Coach Gregg Swanson also noted that top offensive players were; Maddie Buckholz and Kendall Raymond, while top defensive players were, Jaden McCoy and Lilly Black.

East Jordan offensive fireworks not enough

Nordics battle back with strong second half

By Chris Fiel

**Felch North Dickinson 64,
East Jordan 42**

EAST JORDAN -- There was something explosive in the air on October 23, as the host Red Devils and their last minute opponent, Felch North Dickinson, combined to put over 100 points on the scoreboard as both teams found the end zone, courtesy of long runs and long passes and what would seem to be, very little defense. In the end, it would be the visiting Nordics ousting East Jordan, 64-42 at Boswell Stadium.

The game was made possible by Felch North Dickinson making the five plus hour trip to play East Jordan due to the fact that the Red Devils scheduled opponent, Elk Rapids forfeited their contest a week earlier.

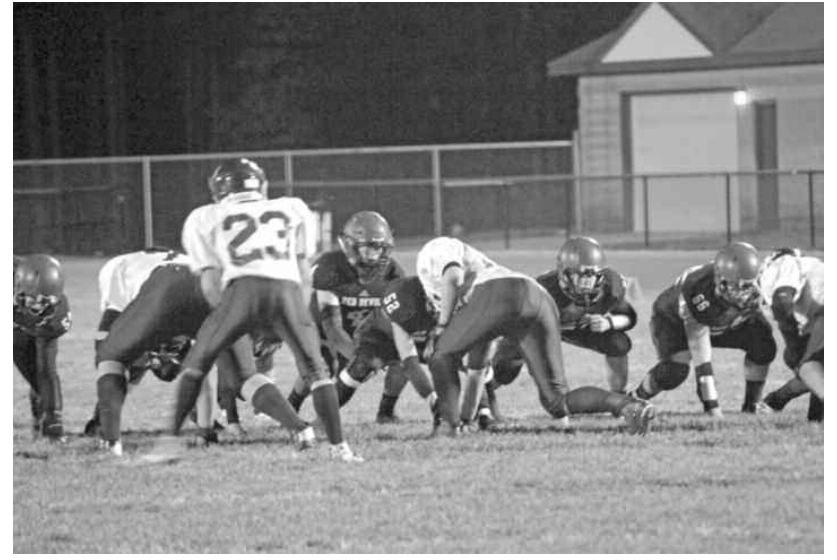

East Jordan wasted little time in getting on the scoreboard on senior night, as running back, Donny Cutler took a handoff and raced 50 yards down the right sideline, just two minutes and twelve seconds into the contest for an early 6-0 lead.

A defensive stand by the Red Devils would force Felch North Dickinson to punt after only three plays, setting up the next East Jordan offensive series.

Red Devil quarterback, Colin Shepard took the second play from scrimmage and connected with a pass to Ryan Graham for another 50 yard score and a 12-0 EJ lead.

The Nordics would find their offensive rhythm the next time they touched the ball, as they put together a one minute, fifty three second, five play, 57-yard drive, as Noah Berg ran it in from one yard out. A successful conversion attempt and North Dickinson was back in it 12-8.

The scoring wasn't done by far, as the two teams went on to combine for three more scores in the opening quarter, with the Red Devils leading 28-14.

The offensive outpouring continued in the second quarter as both teams found paydirt twice, with Cutler and Graham picking up the scores for EJ, and at the break, the Red Devils were up, 42-26.

The 42 points the Red Devils

“What a great game to end on, it was fast and furious, win or lose, these games are fun,” E.J. Coach Peterson.

put up in the first half would be their last as the Nordics stiffened the defense and East Jordan would play the second half without Graham.

“The kids did a great job,” EJ coach Allan Peterson said. “They were big and we just wore down.”

Leading the offensive output for the Red Devils was Cutler, who finished with 154 yards rushing on 17 carries and three touchdowns, while also adding 66 yards receiving on two receptions.

Graham added 111 yards rush-

ing on six carries with a score, and two receptions for 53 yards and a touchdown. Trey Peterson also picked up 35 yards rushing and Robert Goodrich added 19 yards on the ground.

Shepard was 8-of-14 through the air for 154 yards and a touchdown.

“Donny (Cutler) had some big numbers and so did Ryan (Graham), but Ryan could not go after half...we just ran out of pieces,” the coach said.

Defensively for EJ, Keegan McDuffie recorded 12 stops, while

Peterson added nine, Riley Kibler, Jake Skrocki, Shepard and Jordan Cartwright each made seven tackles, with Cartwright adding an interception.

Jared Hock also picked off a pass.

“What a great game to end on, it was fast and furious, win or lose, these games are fun,” coach Peterson added.

East Jordan finished the season 2-7.

Hubbard Lake Yields Goliath Smallmouth

Former state record stood for 109-years!

By Patrick W. C. Bevier

If anyone tries to tell you that angling in Michigan is declining your retort should be that, in 2015 alone, anglers set six state records! Without question, however, the most impressive feat is that of Greg Gasciel of Rhodes, Michigan. Gasciel was bait-casting with a green grub on Hubbard Lake a few weeks ago when something hit his bait like a rampaging great white! A ferocious fight ensued and when the fish was finally in the boat Gasciel had broke one of the longest standing Michigan records with his 9.33-pound, 24.5-inch smallmouth bass. Based on the weight, his monster bass beat the previous mark by the narrowest of margins. The former record, set in Cheboygan County's Long Lake back in 1906, was a 9.25-pound, 27.25-inch fish caught by W.F. Shoemaker. Many thought this record, set 109 years ago and one of the longest-standing records for smallmouth bass in

the country, to be unbeatable.

In an article in the Detroit Free Press Gasciel explained how he and his fishing partner wondered if he had foul-hooked a carp.

"I didn't even see the fish until I had been fighting it for at least ten minutes. I had no idea what it could be."

Imagine his astonishment when the smallmouth equivalent of Godzilla exploded out of the water next to the boat!

The species and weight were verified by Kathrin Schrouder, a DNR fisheries biologist in Bay City. Gasciel sees the merit in allowing fisheries biologists to study the brawny bronzeback.

"Once the taxidermist skins the fish, I will be giving it back to the DNR so that they can learn from it. We still don't know how old it is and what sex it is."

Based on years of population growth data, the fish would likely be at least 13 years old.

Gasciel and his co-angler were fishing a bass tournament on Hubbard. Ironically, even with his state record fish contributing to their total weight, they didn't win the tournament.

"But, we did get \$110.00 prize for the big fish!" he said with a grin. Big fish? Man, you could say that again!

For more information on fishing in Michigan, including other state-record catches, visit Michigan.gov/fishing.

Michigan officers' tips for safe bowhunting

Michigan's bowhunting season opened October 1, and Department of Natural Resources conservation officers are sharing tips for a safe bowhunting experience.

"Bowhunting is enjoyed by thousands of hunters every year in Michigan, and we want to ensure everyone has a safe and enjoyable hunting season," said Sgt. Steve Orange, supervisor of the DNR's hunter education program. "With the season upon us, every hunter should follow some common sense safety tips before heading to or being in the woods."

The top safety tips for bowhunting include:

Before you go out, inspect equipment, including your tree stand or other raised platform. If anything is worn, frayed, cracked or peeling, replace it or get it fixed. If using a compound bow or crossbow, make sure the cables and pulleys are in good working order.

When sharpening broadheads, be careful and take your time.

Practice tree-stand safety. The DNR recommends using a full-body safety harness to get into and out of your tree stand.

If using a raised platform, always use a haul line to raise and lower your gear.

Keep arrows in the quiver until you are ready to use them. A common injury is to stab or injure yourself or a hunting companion while carrying arrows in your hand or knocked on your bow.

When heading out to the woods, hunt with a friend or family member or make sure you tell someone reliable where you are going and what time to expect you back.

This information is valuable in helping conservation officers or sheriff's deputies to find you if you are lost.

Also, think about carrying a cell phone, compass, flashlight and other small safety items in when in the woods.

Other important reminders include:

Obtain permission from landowners before hunting on their land or using their land to access public land.

Never take a shot at a deer that is beyond the maximum effective range of your equipment and your shooting ability.

If you are successful, field dress your deer and cool its meat immediately. Michigan's unpredictable weather means October days are sometimes warm, and warm temperatures and can cause the meat to spoil quickly.

For more information about Michigan's conservation officers, go to www.michigan.gov/conservationofficers. For more information about hunting in Michigan, go to www.michigan.gov/hunting.

Some licenses available for fall turkey season

The Michigan Department of Natural Resources reminds hunters that spring is not the only time to hunt turkeys – a majority of counties are open for fall turkey hunting.

"A fall turkey hunt is a pretty unique experience," said DNR upland game bird specialist Al Stewart. "It's an entirely different feeling when you're out in the fall. The leaves are changing, and even better yet, no mosquitoes."

Sept. 15 – Nov. 14 marks the fall turkey hunting season in 59 of 83 counties. Turkey licenses still are available in Units J, HA and YY, with a large number of licenses still available in Unit YY, a multi-county, private-land-only unit in southern Michigan that includes Beaver Island.

"The fall season is used to manage turkey populations, so you can take a hen or a tom. You can even purchase one turkey license a day, until licenses are gone for that unit," said Stewart. "With two full months of hunting, the fall turkey season offers many chances for a wild Michigan Thanksgiving turkey."

Stewart added that turkey hunting is a challenging and interactive activity that can be fun for a group, or alone, while providing great local and organic protein for the table.

To hunt turkey, a base and a turkey license are needed. To learn more about turkey hunting, please visit mi.gov/turkey or see the Fall Turkey Digest, which is available online at mi.gov/dnrdigests.

DNR marks camping attendance milestone

The Michigan Department of Natural Resources marked an attendance milestone for state parks last Thursday by celebrating the 1 millionth camp night of the 2015 camping season.

Cameron Wells of New Hudson, Michigan, made the 1 millionth camp night reservation at the Proud Lake Recreation Area campground in Oakland County, where he was camping with his mother, Linda Wells. DNR staff members surprised Linda at the campsite with balloons, noisemakers and a Pure Michigan prize package for the Wellses, including five nights of camping at Proud Lake and Pure Michigan merchandise. Watch a video of the celebration at <https://youtu.be/LNHdgsYseIw>.

"This is a good surprise. I love surprises," said Linda Wells. "And I love camping – everybody should camp."

Michigan's state parks last reached 1 million camp nights in 2012.

"Hitting this milestone for the second time in four years points to an enthusiasm for the outdoors and an appreciation of everything our state parks have to offer," said DNR Parks and Recreation Division Chief Ron Olson. "Vacationers looking for destinations with unmatched scenic beauty, year-round outdoor recreation opportunities and programs exploring our natural resources – at an affordable price – can find all that and more at state parks across

DNR staff members and Smokey Bear congratulate Linda Wells (holding balloons) at her Proud Lake Recreation Area campsite. Wells and her son Cameron received a prize package for being the campers to make the 1 millionth state park camp night reservation of 2015. (COURTESY OF DNR)

Michigan."

Michigan state parks have reported a strong surge in campground visitors this year, with nearly a 9-percent increase in reservations over the 2014 season.

In addition to campgrounds, many of Michigan's state parks now offer camper cabins, year-round occupancy yurts, cottages and lodges. To check camping and lodging availability and make reservations, visit www.midnrreservations.com.

A Recreation Passport grants vehicle access to any Michigan state park, boat launch, state forest campground or nonmotorized state trailhead parking. Residents can purchase the Passport for just \$11 (\$5 for motorcycles) at the time of Michigan license plate renewal through Secretary of State. Forgot to check "YES" during renewal? Residents and nonresidents can purchase a Recreation Passport window sticker during regular business hours at state parks.

Learn more about how the Recreation Passport supports state parks and local outdoor recreation opportunities at www.michigan.gov/recreationpassport.

The popular GMC Sierra Elevation Edition returns for 2016 with the styling enhancements and other features new to the entire Sierra 1500 lineup. Photo "© General Motors."

GMC updates Sierra Elevation Edition for 2016

The popular GMC Sierra Elevation Edition returns for 2016 with the styling enhancements and other features new to the entire Sierra 1500 lineup – including revised front-end styling with new, high-intensity discharge projector-beam headlamps and GMC Signature LED lighting.

The Elevation Edition – available on Sierra double cab – has a street-smart stance, thanks to body-color moldings, door handles, mirror caps and a body-color grille surround, as well as body-color bumpers. It also rolls on 20-inch black-painted aluminum wheels and is further enhanced with new Elevation Edition badging.

“The Sierra Elevation Edition offers a boldly styled pickup for customers who want a truck that looks as good as it performs,” said Duncan Aldred, U.S. vice

president, Buick and GMC. “With its muscular design details, inherent truck capabilities and premium technology features such as Apple CarPlay and Android Auto capability, Sierra Elevation improves on an already comprehensive package.”

Inside Sierra Elevation Edition, the latest technology helps drivers stay connected at all times. A new radio with a 7-inch-diagonal screen incorporates CarPlay and Android Auto phone integration capability, which gives drivers the ability to make calls, send and receive messages and control music from the IntelliLink touchscreen. Additionally, OnStar 4G LTE and a built-in Wi-Fi hotspot allow continuous connectivity for up to seven personal devices.

All Sierra Elevation Edition models include remote keyless

entry, remote locking tailgate, outside heated power-adjustable mirrors, a 110-volt AC power outlet, black recovery hooks, a six-speaker audio system and more.

A standard 4.3L EcoTec3 V-6 engine delivers 285 horsepower and 305 lb-ft of torque with a highway fuel economy of 24 mpg. An available 5.3L EcoTec3 V-8 produces 355 horsepower – and offers up to 9,400 pounds of trailering capacity (2WD). Customers can choose two- or four-wheel drive and the Eaton locking rear differential is standard with both.

All-terrain tires, a Rear Vision camera system, trailering equipment and XM Radio are available on all models.

The new GMC Sierra Elevation Edition goes on sale in the first quarter of 2016.

Shopping for a Home in Winter.

A strategy for bargain hunters

If you've been thinking about buying a new home, winter is the time to start getting serious. Here are a few reasons to brave the cold and go on a house hunt:

The winter season has fewer units

on the market, and sellers tend to need to move from their property. You can use that to your advantage to get a favorable deal.

Winter has fewer buyers in the market. Looking for a home in the winter can be inconvenient, and people are less likely to move. Families also tend to be on a September to June cycle because they are unwilling to move their children to a new town in the middle of the school year. Fewer buyers

means less competition.

Lenders also usually have fewer loans to process and less paperwork to deal with (though this can change quickly if rates fluctuate). With lenders less hassled, you can expect a smoother process to get approved for a mortgage.

Finally, as all savvy shoppers know, after the holiday season comes the season of bargain opportunities. This includes houses, as well.

Home on 10 acres has amazing architectural features

By Jim Akans

Packed with amazing architectural features, this spacious country home on 10 acres offers tremendous northern living and a terrific value.

This three-bedroom, three-bath home has approximately 3,000 square feet of two-story living space. Interior high-lights include soaring cathedral ceilings, gorgeous arched doorways, tongue and groove woodwork throughout, gourmet kitchen with beautiful wood cabinetry and solid surface counters, durable ceramic flooring on the main level, master suite with whirlpool tub, two wood stoves on the main level to keep things cozy in the winter and central air conditioning for summertime comfort.

A breezeway connects the main home to a huge, finished and heated garage. A 936 square foot bonus room above the garage is partially finished with drywall, plywood floor and dedicated heating...just imagine the possibilities this added space offers.

Situated on approximately 10 acres, the property provides a private and secluded setting that is within easy driving distance to Elmira, Mancelona, Bellaire and Gaylord. North Central Academy charter school is just two miles away.

Located at 6134 Arthur Lane between Alba and Mancelona,

this spacious home with incredible architectural features is listed at just \$179,900. For additional in-

formation or to arrange for a tour, please call Mike Stark, Broker, at Coldwell Banker Schmidt – East
