Rams outlast Ramblers down the stretch

Harbor Springs 42, Boyne City 24

BOYNE CITY — The Boyne City Ramblers girls basketball team fell to Harbor Springs, 42-24 on January 6 in a Lake Michigan Conference game.

The two teams played at a speedy pace for a majority of the night, trading fast-break attempts and doing a lot of their scoring in transition. But it was Harbor Springs that slowed that pace down on offense late in the contest to turn a close contest into a comfortable victory for the Rams.

Boyne City kept themselves in the contest with outstanding hustle on the defensive end, but could not knock down shots as the Rams

pulled away.

Junior Katie Hoth paced the Ramblers with seven points, while freshmen Reagan May added five.

Harbor Springs got 13 points from Libby Garver.

Boyne City (2-4, 0-2 LMC) returns to action on January 11, when they host Alanson, results not available at presstime. The Ramblers will also host Kalkaska in a LMC contest on January 13.

EAST JORDAN — For thirty minutes, it was a sloppy, yet tight ball game. Neither team able to gain much of an advantage.

But with just over two minutes to play in the contest, Gaylord St. Mary was able to connect on their shots and hit 4-of-5 free throws to pull away from East Jordan, defeating the Red Devils 46-33 on January 9.

The Snowbird led at the quarter breaks 6-5, 17-16 and 34-27.

"No one had more than one steal or assist and we slightly out rebounded them (St. Mary) tonight, however, we didn't shoot the ball particularly well from the floor," East Jordan coach Steve Hines said. "We turned the ball over way too many times, but I thought Mazzy (Pepin) and Jayden (Weber) played well, we just need to maintain our effort and take better care of the basketball!"

East Jordan got 12 points and six rebounds from freshman Jayden Weber, while Abby Peterson added seven points.

Karah Dunson finished with six points, while Mazzy Pepin added four points and seven rebounds. Kendall McNitt chipped in with three points and three boards.

Averi Bebble led St. Mary with 14 points, while Alex Hunter added 13.

The Red Devils travel to Grayling on Friday, January 13 for a Lake Michigan Conference contest.

Rayders defeat Blue Devils, Vikings

Charlevoix 49, Gaylord 41

GAYLORD — The Charlevoix girls basketball team continues to impress.

The Rayders downed Class A Gaylord, 49-41 on January 9 in non-league action.

Leading the way for Charlevoix was Elise Stuck with perhaps her best game yet as the freshman netted a triple-double, scoring 20 points, grabbing 12 rebounds, dishing out 10 assists and making three steals.

The Rayders led at the quarter breaks, 12-8, 25-20 and 35-34.

"Great team win, proud of how the girls played hard," Rayder coach Liz Shaw said. "The second half we played with passion and took care of the ball, Gaylord made a run late in third quarter but we were able to contain them from over taking the game by cleaning up our defensive strategy."

Also for Charlevoix, Natalie Nesburg added 10 points and eight steals, while Olivia Jeakle had eight points and four rebounds and Rachel Nesburg added five points.

Charlevoix improves to 6-1 on the season and host Ellsworth on January 11.

Charlevoix 63 Grayling 33

GRAYLING — The Rayder girls basketball team turned to their

stingy defense on January 6 to earn another Lake Michigan Conference victory, 63-33 over host Grayling.

"Great team defense!"

Charlevoix coach Liz Shaw said. "I thought we did a good job shutting down their guard play. Offensively we took care of the ball and created an offensive attack combined with solid decision making."

"I was impressed with Raigan Novotny off the bench. She plays with poise in pressure situations and has been finding ways offen-

sively to score and help the team."

Leading Charlevoix in the scoring column was Elise Stuck with 22 points, 12 boards, six steals and six assists.

Natalie Nesburg chipped in with 12 points and steals, while Novotny and Rachel Nesburg added nine points each, and Nesburg added six rebounds and four assists.

Also for the Rayders, Beth Veenstra added four points and five boards and Abby Cunningham had six rebounds.

BOYS BASKETBALL

Ramblers rout Rams in LMC showdown

Boyme City senior, Kane McPherson applies tough defense against Harbor Springs. (PHOTO BY CHRIS FIEL)

BOYNE CITY — The Boyme City game plan against Harbor Springs was pretty simple, beat them on the defensive end of the floor.

That plan was executed to near perfection as the Ramblers got their best defensive effort of the season, nearly shutting down the entire Rams offense, en route to a convincing 58-26 Lake Michigan Conference victory on January 6.

Boyme took a 16-7 lead after one quarter of play, then seemed to disrupt the Rams offense to the point that it looked like their was an extra man on the floor and a lid on the hoop, as the Ramblers held Harbor to nine points over the next two quarters, taking a 42-16 lead into the final eight minutes of play.

“Our effort was outstanding,” Boyme City coach Nick Redman said. “Everyone that stepped on the court played hard, a great team effort.”

When Rambler junior swingman Mason Gardner picked up early foul trouble, it was the rest of the team that rose to the occasion.

“Mason sat most of first half with foul trouble so it was great to see everyone step up,” coach Redman added. “11 players scored, This was a big win for us, we knew they were undefeated coming in so we had to be ready.”

With a 31-12 advantage at half-time, coach Redman noted that they discussed staying focused and not letting up on defense, and to win the second half of play.

Kane McPherson finished with 10 points to lead the Ramblers, while Jacob Ager added eight, Gardner had seven, Dominik Archey netted six.

Also for Boyme, Eric Carson and Max Vondra had five each, Connor

Gabos and Trevor King added four apiece, while Ethan Hewitt, Dylon Williams and Lucas Day all chipped in with three each.

Rayders come up short against Grayling 57-54 in Lake Michigan conference play

Grayling 57, Charlevoix 54

GRAYLING — The Charlevoix boys basketball team had a tall task ahead of them when they faced Grayling.

That tall task came in the form of the Vikings 6’8” center, Troy Summers. Slow down Summers and the Rayders could steal a victory.

Charlevoix nearly pulled that off

anyway, despite Summers dropping a double-double on them, netting 29 points and grabbing 20 rebounds.

The Rayders were unable to control the glass and turned the ball

over too many times as the Vikings escaped with the Lake Michigan Conference victory 57-54 on January 6.

Charlevoix got 19 points from Colin Smith, while Luke Buday

and Kevin Pearl added eight apiece.

The Rayders (1-3, 0-2 LMC) return to action on January 13, when TC St. Francis comes to town.

What You Should Look for When House Hunting

If you're shopping for a home and can afford to buy one, you couldn't be in a better position right now. In many parts of the country, housing inventory is high and both home prices and interest rates are low and as a buyer, you can take advantage of that.

With so many properties on the market, you can probably take a more leisurely approach to house hunting without getting into a fast-paced bidding war. There is a caveat, however. The best homes priced properly for the market conditions will always be in higher demand.

As you begin your search for the right home for you, it pays to keep in mind things you need to check carefully so that they don't cost you big bucks in the long run.

Kitchen

If kitchens matter to you, you might want to be fairly selective about them when looking for a new home. The 2009 average price for a minor kitchen remodel for a midrange home is more than

\$21,000 and the cost for a major remodel is more than \$57,000 and the costs are substantially more for higher-end homes.

Look carefully at the appliances, cabinetry, counters and floor. Those are the elements that cost more to replace. If possible, you want newer appliances to save money on repairs and energy costs; solid-wood cabinets; and solid-surface counters, such as granite, stainless steel, butcher block or engineered stone. Your floor choices include wood, cork, laminates and tile and it's a matter of what's comfortable and durable for your lifestyle.

Bathrooms

Following kitchens, bathrooms are also expensive rooms to remodel at a 2009 national average of more than \$16,000 because of the fixtures and plumbing. Make sure you see no leaks or evidence of leaks in tubs, toilets and flooring. Sharing bathrooms can be one of those pain points for families so make sure you get what you need.

Roof

A roof is a big-ticket item with an average 2009 replacement cost of more than \$19,000 although adding a second layer to a roof is not nearly as expensive as replacing the entire thing. Inside the house, you can check the attic, ceilings and skylights for signs of water damage, look for places where the roof deck is sagging, and see if you can detect any light coming through. If you do see light coming through, it is likely not a problem if the roof is made of shake shingles. Outside, inspect for cracked, ripped, curling or missing shingles and damaged flashing. Also look for rotting, buckling, blistering or algae growth, which could also be signs of trouble.

HVAC

An old heater can be hard to repair and eats up energy at a pace faster than newer units. Furnaces can start at about \$5,000 to replace and if you buy a combined unit with the air conditioner, add on sev-

eral thousand dollars. You may need to replace the heat pump or air conditioner if it's older than 10 years and a furnace or boiler if it's more than 15 years old.

Basement

The extra room you gain may be a huge headache if the basement floods. Look for water marks and find out if the house has a system for removing water.

Other areas of concern that might cost money down the line are the driveways and sidewalks, chimneys, insulation and windows.

If you find a house and your offer is accepted, you'll be dealing with a home inspector who can fill in the gaps with a professional's eye. The thing is, if you really want the home, you don't have to let problems deter you. You are in position to negotiate a price reduction with the seller or insist repairs be made to the property before your offer is finalized.

If you can afford a house, you can afford the luxury of taking your time to find the right one for you.

Sharp ranch home on beautiful one-acre setting

By Jim Akans

This week's feature listing is a sharp, well maintained ranch style home on a beautiful just over one-acre setting south of East Jordan.
