RAYDERS FALL TO ELKS, REBOUND AGAINST BLAZERS

Charlevoix 3, Kalkaska 0

CHARLEVOIX -- The Charlevoix girls soccer team hosted Kalkaska on May 12 in a Lake Michigan Conference battle, with the Rayders coming out on top with a 3-0 victory.

Charlevoix opened the scoring with 19:02 remaining in the first half when sophomore, Rachel Nesburg strung a pass to senior Kelsey Engstrom in front of the Blazer net to make it 1-0.

With 3:45 to go in the first half, the Rayders struck again when junior forward Mikaya Dixon delivered a pass to Kylee Scholten, who then sent a long ball to the back of the net from outside the 18, giving Charlevoix a 2-0 advantage.

Shortly thereafter, Scholten returned the favor to Dixon, finding her with a cross at the 2:09 mark for a 3-0 lead and the final scoring of the contest.

"I was very pleased with how well the girls moved the ball tonight," Rayder coach Pete Scholten said. "It was truly some of the best passing we have seen all season. They communicated well and created several combinations which led to scoring opportunities."

The Rayders improve to 8-4-1 overall, 7-2 LMC.

Elk Rapids 4, Charlevoix 0

ELK RAPIDS -- The Charlevoix soccer team ran into the always tough Elk Rapids team on May 10, falling 4-0 in a Lake Michigan Conference match-up.

German exchange student Friede Hicking would score the final Elk goal off from a pass from Patterson which created a breakaway for Friede.

With the loss, Charlevoix slips to 7-4-1 overall, 6-2 LMC.

But the girls are getting better every day."

A Timeline for Your Summer Move

Getting prepared to move is half the battle

Compliments of Mike Stark, Coldwell Banker Schmidt Realtors East Jordan. (231) 536-7700

Part 4 of 5

1 week from move date:
Set aside valuable items and keep those with you. Clean before moving and leave your house or apartment as clean as it was when you moved in.
Tip: Make sure the details for paying the moving company are taken care of.

Some will require money orders or cashier's checks upon delivery; know their policy in advance to avoid stress on moving day.

Tip: Start eating all the frozen foods you have, or give them to a neighbor or friend. This way you won't have to throw them away on moving day, or worry about packing an ice chest.

Tip: Also think about necessities for managing moving day like confining your pets and anticipating the amount of time you will need.

Tip: Place necessities such as toi-

lettries, toilet paper, rags, "must-have" cooking supplies and organize them in boxes marked "open first" so it's easy to find the initial items you'll want handy on those first few days of being in your next home. Don't forget the flashlight!

Tip: If possible, take one last tour of the new location and identify water and gas shut off locations, as well as the electrical breaker box just in case something happens in the first few days so you're prepared. Might be smart to drop off a fresh box of light bulbs too!

Wonderful hometown restaurant opportunity in Boyne City

By Jim Akans

After four decades serving customers in Boyne City the owners of Roberts Restaurant are retiring. This successful area landmark is now for sale, offering an exceptional business opportunity.

Ideally situated with waterfront views across from Veterans Park, this establishment has plenty of parking, great visibility and lots of nearby activity from the park and City Marina. It includes virtually everything needed for a turnkey business, and the approximately 2,100 square foot building features nicely appointed dining areas, serving counter and professional kitchen area. The large parking area is ideal for accommodating restaurant patrons with enough space to expand the facility if desired.

What a tremendous opportunity to purchase a well-established restaurant, become your own boss, and live in the heart of the north. Located at 216 N. Lake Street in Boyne City, this wonderful hometown restaurant is listed at \$415,000.
