Red Devils edged by Cardinals

East Jordan 2-6, JoBurg 6-8

JOHANNESBURG — The East Jordan baseball team jumped out early on the host Cardinals, but could not hold their leads in falling to JoBurg, 6-2, 8-6 in non-conference action on May 20.

In the opener, the Red Devils took an early 2-0 lead into the third inning before the Cardinals were able to score six runs of their own over their portion of the third, fourth and fifth innings, only one of the JoBurg runs were earned.

Colin Petrie took the pitching loss for EJ, allowing six hits, while fanning five and walking two.

At the plate for the Red Devils, Petrie and Trey Peterson each finished with two hits, while Nick Seese doubled and Keegan McDuffie added an RBI single, and Colin Shepard had one hit.

"It wasn't a strong night defensively for us," EJ coach Tom Reid said. "JoBurg has too many solid hitters to make mistakes and give up extra bases and they made our miscues hurt."

In the nightcap, East Jordan once again got things going early, this time staking a 5-0 lead through two innings of play, but the Cardinals reeled off eight unanswered runs to take the lead.

The Red Devils threatened to rally late in the contest, but it was halted by JoBurg.

Jake Skrocki took the loss on the hill for EJ, giving up seven hits, striking out one and walking four.

Skrocki lead the attack at the plate with three hits and an RBI, while Seese had a double among two hits and a pair of RBIs. Petrie and Matt Berish each had two hits,

Ryan LaVanway doubled, and Shepard, McDuffie, and Spencer Reid added one hit apiece.
East Jordan is 11-14-1 overall, 4-8 conference.

EJ splits with Vikings

East Jordan 5-2, Grayling 4-2

EAST JORDAN -- With the Lake Michigan Conference still up for grabs due to equality, the East Jordan baseball team kept pace in earning a split with visiting Grayling on May 17, falling 5-4 before coming away with a 7-2 win.

In game one, the Vikings scored five in the first two innings of play, taking a 5-1 lead over the Red Devils. EJ however, would wait until the sixth inning and score three times to pull within one, and had the tying runner on third when the game ended.

Colin Shepard was the catalyst at the plate for EJ, hitting a double, single and drove in a run, while Keegan McDuffie added an RBI single, and Jordan Weber, Colin Petrie, Jake Skrocki, and Trey Peterson all singled.

Weber took the loss, only allowing one earned run, tossing six innings, giving up five hits while striking out five and walking one.

The Red Devils committed five errors behind Weber in the first and second innings and just couldn't overcome the deficit.

In game two, the Vikings scored the first run of the game, only to see EJ come back with a pair of their own in the bottom half of the frame.

The Red Devils then used a five run fifth inning and an-

other in the sixth for the final margin.

Shepard earned the pitching victory, going the distance, allowing one earned run on six hits, racking up seven K's and walking one.

Shepard also doubled and singled at the plate while driving in two runs. Peterson doubled in a pair, Nick Seese added a two-run single,

while Colin Bajko and Matt Berish each had RBI singles, and Petrie, Skrocki, and McDuffie all chipped in with a hit.

"You take away our sloppy first and second innings of game one, the boys played some good baseball tonight," Red Devils coach Tom Reid said. "Everyone contributed in one facet or another and they should be proud of the way they fought back and persevered."

Garret Seese finished with a two RBI hit as well.

With the win, the Rayders improve to 13-12 overall, while they stand 5-7 in the LMC.

Boyne splits with Blazers

Boyne City 5-1, Kalkaska 3-4

BOYNE CITY -- The Boyne City Ramblers finished their Lake Michigan Conference schedule with a split with the visiting Blazers, taking the opener 5-3, before falling 4-1 in the nightcap on May 23.

In game one, the highly anticipated pitching match-up of Boyne's Derek Willis and Kalkaska's Rob Van Orden did not disappoint as each hurler gave their team a chance to win. Willis allowed only one earned run, while striking out six to improve to 8-1 on the season, while Van Orden only allowed one earned run, fanning seven and walking two for the loss.

Dom Archey finished with two doubles and a pair of RBIs to lead the Ramblers.

In game two, Boyne was limited to only three hits, lead by a James Roberson double.

Tanner Kruzal took the pitching loss for BC, which stands at 18-15 overall on the season, and 9-5 in the LMC, third place behind champion TCSF and second place Kalkaska.

Ramblers take pair from Elks

Boyne City 4-7, Elk Rapids 1-0

ELK RAPIDS -- Boyne City continues to get outstanding pitching from their staff in picking up two Lake Michigan Conference victories over Elk Rapids, 4-1 and 7-0 on May 19.

Derek Willis won for the seventh time this season, allowing two hits, fanning 10 and walking one.

Ethan Hewitt and Willis each doubled, while Tanner Kruzal added an RBI single. Tristan Stackus had an RBI sacrifice fly.

In the nightcap, the Ramblers got solid pitching from Kruzal as he limited the Elks to one hit, while striking out 10 and walking one.

A seven run, fourth inning would be all the support Kruzal would need as Willis had two hits, Mason Gardner, James Roberson, Brennan Simon, Hewitt and Kruzal each added hits.

Simon and Willis finished with two RBIs each, and Hewitt and Roberson had one.

"When Derek (Willis) and Tanner (Kruzal) are throwing like that, we are very tough to beat," Boyne coach Mark Pontoni said. "They combined for 20 strikeouts, walked only one and gave up only three hits to a team that has been playing very well all year."

Rayders earn sweep of Sabres

Charlevoix 8-17, TC Christian 0-0

TRAVERSE CITY — The hot hitting Rayders kept that trend going as they visited TC Christian on May 20, rolling to a pair of shutout victories, 8-0 and 17-0.

Christian Matye earned the pitching win in the opener, going the distance, allowing one hit, striking out 13 in the process.

In game two, Austin Putman tossed four innings of one-hit ball in the mercy win, striking out five.

At the plate for the day, Putman finished with six hits, including two triples and eight RBIs, while Matye added four hits, with a double and a pair of RBIs.

Mason Louiselle and Jake Seger each added two hits and two RBIs for Rayders, while Jordan Adkins had two hits and three RBIs, and

After falling behind early, the Red Devils tied it at 2-2 in the third, and took a 6-4 lead after five innings of play. NORTHERN MICHIGAN OUTDOORS

Matching the Hatch—Beyond the Bugs:

by Patrick W. C. Bevier

Fly anglers know that their ability to, "match the hatch" – that is to precisely imitate the insects that the trout are feeding on – will make or break their fishing success. Riverine trout can be extremely picky eaters when it comes to the exact kind, size, color, and life stage of the insect prey that makes up what research tells us is often 80% of their diet. With dozens of different mayfly, caddis fly, and stonefly insect hatches on a given river each year myriad fly patterns have been created to give the angler the best chance of matching the insect hatch.

But other food items are very important to Michigan's three, year-round, river-dwelling salmonids-brown trout, brook trout, and rainbow trout. These include various minnows, crayfish, and large insect larvae that dwell in the riffles and runs of many Michigan streams. These prey items provide larger chunks of energy for the fish as opposed to the more numerous but smaller insect larvae and adults. An exception would certainly be when Michigan's largest mayflies-known as Hex or fish flies-emerge by the millions in mid to late June in the Mitten State.

The cone-headed Woolly Buzzer fly next to one of the bugs it's designed to imitate, a dobsonfly larvae or hellgrammite, and the adult stage of the dobsonfly.

Knowing the importance of these small fish and macro invertebrates, fly anglers have for eons been crafting creative patterns out of fur, feathers, and other materials. Examples are streamers including traditional patterns like the Mickey Finn, Black Nose Dace, and

Woolly Buzzer. Many colorful and modern streamers have been created for bigger, deeper waters like the Trophy Water of the Au Sable below Mio. Patterns imitating crayfish and hellgrammites, the huge, black, leggy, and heavy-jawed larvae of the dobsonfly-have also been

tied by anglers hoping to cash in on these popular trout entrees. Having these imitations in your fly box will pay dividends during those times when the fish are not actively rising for bugs or in deeper pools only larger flies can get down to.

Whether you choose a streamer made to imitate a minnow, hellgrammite, crayfish, or large stonefly larvae you are likely to catch other fish species-including river dwelling smallmouth bass and wall-eye-in Michigan's bountiful lakes and streams!

A Timeline for Your Summer Move

Getting prepared to move is half the battle

Part 5 of 5

Moving day and beyond:
Take one last walk through and make sure nothing has been forgotten or overlooked. Also, make sure all doors and

windows are locked and switches turned off, then you are on your way to your new house or apartment.

Tip: Go back to the photos you took when you began to pack up. Now you can show the movers or those helping you unpack exactly where everything goes with photos.

Tip: Unpack one room at a time according to basic needs starting with the kitchen and at least one bathroom...and don't forget to make a bed as early in the

day as possible if you'll be sleeping in your home that evening! Remember, you don't have to unpack everything in one day, or even in one week.

Tip: After you've settled in a bit, introduce yourself to some neighbors, ask for advice on the best places to eat, grocery shop, etc. This way you will feel like part of the community and can get some great local tips.

Home & buildings on 11-plus acres near Atwood

By Jim Akans

Here is a real estate opportunity with lots of possibilities. Situated on approximately 11.6 acres of property just off U.S. 31 near Atwood, this week's featured listing includes two large outbuildings, a mobile home overlooking a wonderful pond, and a detached greenhouse. There is currently a business operating from the main building that is not part of the listing, though the owner is open to negotiation.

The mobile home built in 1999 features approximately 1,280 square feet of living area that includes three bedrooms and two baths. The main outbuilding is 48 by 50 feet and contains three bays, and office area and a restroom. The second outbuilding is 24 x 36 feet and has one bay. There are also two wells and two septic on the property.

Located at 10950 N. U.S. 31 near Atwood, (and near Friske's Orchard) this is a real estate offering that has plenty of possibilities, and it is listed at just \$115,959.
