SOFTBALL RESULTS

E.J. earns split with Gaylord

Post pair of shut-out wins over Elks

East Jordan 6-8, Gaylord 12-1

EAST JORDAN -- The East Jordan Red Devils softball team battled back from a subpar defensive performance in game one of a non-conference doubleheader on May 26, to earn a split with the visiting Gaylord Blue Devils.

The Red Devils took the nightcap 8-1, behind an out-

standing pitching performance by Abby Peterson, and a very solid defense behind her.

In game two, Peterson kept the Blue Devils off balance the entire contest, limiting Gaylord to a pair of hits, while striking out two and walking none.

Caitlyn Baugh led the EJ offense with two hits, including a double and two RBIs, while Kendall McNitt singled twice and added an RBI.

Karlee Dunson added a double for the Red Devils, while Bree Ross and Chelsea Gibson both chipped in with one hit apiece.

"It was great to get a split tonight; our defense buckled down in game two," East Jordan coach Meg Kitson said.

Game one was an evenly matched contest, with both teams putting up six runs through 5 1/2 innings of play, only to see Gaylord take advantage of a few EJ miscues

in the bottom of the inning, as they scored six times to pull ahead.

Haley Goodrich took the hard-luck loss for EJ, allowing 12 hits, while walking three and striking out three.

At the plate for the Red Devils, Dunson tripled, while Ross, Maddi Steltzner and Marissa Kolp all tripled and Kristin White added a hit. Steltzner and Kolp each had an RBI as well.

"We struggled defensively in this game and gave Gaylord far too many chances," coach Kitson said.

The Red Devils move their season record to 11-13.

East Jordan 15-11, Elk Rapids 0-0

EAST JORDAN — The East Jordan softball team picked up a pair of Lake Michigan Conference wins on May 24, posting shutout

victories in each contest, 15-0 and 11-0, behind hot hitting, solid pitching and defense.

In game one, Red Devils pitcher, Haley Goodrich tossed four innings of three hit ball to earn the victory in the circle, walking only one.

"We hit well and fielded great, scoring eight in the first inning really took the pressure off," Red Devils coach Meg Kitson said.

At the plate for EJ, Karlee Dunson had three hits, including a double and three RBIs, while Chelsea Gibson tripled among her two hits and two RBIs, Bree Ross finished with a pair of singles and an RBI.

Also for the Red Devils, Marissa Kolp and Maddi Steltzner both tripled with Steltzner adding two RBIs and Kristin White had one hit.

In game two, Goodrich came back even stronger, holding the Elks hitless in

the four inning contest, walking only one, while fanning one batter.

"Congratulations to Haley on her first no hitter," Kitson noted. "Our defense buckled down to hold down two shutouts today, I'm just glad we played without errors when we really needed to."

Caitlyn Baugh had two hits to lead the Red Devils, including a triple. Ross and Steltzner both added two hits and one RBI apiece, while Marissa Kolp, Mazzy Pepin and Jill Atwood all singled with an RBI.

The Red Devils improved to 10-18 overall, 6-8 conference with the sweep.

Ramblers fall to Northmen

Boyne City 2-5, Petoskey 7-17

PETOSKEY -- Coming off an emotional conference clinching contest with Kalkaska the night before and five other games over the previous week, the Boyne City softball team could say they were tired, but you won't get that excuse from any of the team members as they dropped a non-league doubleheader to Petoskey on May 24.

The Ramblers looked strong early on as Hannah Hoth doubled off the center field fence in the top of the first inning to give BC a 1-0 lead, but could only manage one other run along the way as Grace Wells tripled and scored on a Kelsey Hubbard double.

Katie Hoth looked strong throughout the contest, but in the end took the pitching loss, allowing seven hits, while striking out eight.

In game two, Carrie Butka took the pitching loss for Boyne.

Katie Hoth led the Rambler attack with two hits, while Emma Shumaker and Emma Vondra both tripled.

BASEBALL RESULTS

Red Devils are Walk-off winners! Not once, but twice!

East Jordan 7-6, Elk Rapids 6-5

EAST JORDAN — With districts just around the corner, and pretty much how most games this season have gone, the team with the last plate appearance always seems to make it interesting. In this case, the home Red Devils took advantage of their last at-bat, delivering a walk-off win in both contests, 7-6 and 6-5 on May 24.

In game one, the Red Devils found themselves down 4-1 entering the bottom of the sixth inning, when they scored three times, one on a double by Jordan Weber and two more on a single by Spencer Reid, to knot the game at 4-4 and send the game to extra-innings.

The Elks managed to pick up a run in the top of the seventh, but in the bottom half of the frame, Reid was able to score on a passed ball to tie the game once again and Weber delivered the game winning single to right field, plating Colin Petrie.

For the game, Weber had two hits, including a double and two RBIs, Keegan McDuffie also chipped in with two hits.

Reid, Nick Seese, Colin Shepard and Ryan LaVanway all singled.

Shepard picked up the pitching victory, going the distance, allowing six hits, striking out nine and walking one.

In the nightcap, Shepard delivered the game winning single, this time to left, sending Trey Peterson home from third, breaking a 6-6 tie.

Shepard had three hits in the contest, including a double and two RBI, while Weber added an RBI double among his two hits.

Peterson finished with two hits, while LaVanway added a two-run triple, McDuffie had an RBI double, and Jake Skrocki chipped in with a base hit.

Petrie earned the win on the mound, allowing eight hits, while fanning six and walking two.

"Those were probably the best two wins we had all year," coach Tom Reid said. "We had to battle back to tie both games and then got some huge base hits from a couple of our team leaders to earn us a couple W's. Shepard and Petrie both pitched very well for us tonight as well. It was a very gratifying night of baseball for E.J!"

Red Devils fall to Blue Devils

East Jordan 1, Gaylord 9

EAST JORDAN -- After waiting an hour for a thunderstorm to pass, the East Jordan and Gaylord baseball teams finally got to play some ball, playing one seven inning game with the Blue Devils coming out on top 9-1 on May 26.

The Red Devils were limited to only two hits in the contest, singles from Colin Petrie and James

Brown.

Jordan Weber took the pitching loss, working five innings, allowing six runs on eight hits, fanning one and walking three. Ryan LaVanway tossed two innings of relief, giving up three runs on three hits and walking five.

"We knew going in that Gaylord was a very strong ball team and they proved that to us tonight," EJ coach Tom Reid said. "The thunder delay allowed our teams to intermingle and have some fun before we hooked up and it was a really enjoyable evening of ball. We didn't commit a single error and all the boys got some significant playing time for a change. The only thing more satisfying tonight would've been the score being reversed."

Ramblers earn split with Petoskey

Boyer City 0-2, Petoskey 4-0

PETOSKEY -- The Boyne City baseball team bounced back from a game one shutout against the Northmen to deliver one of their own in the nightcap, falling 4-0 and winning 2-0 on May 24 at Turcott Field in Petoskey.

The Ramblers moved to 19-16 overall on the season with the split.

In game one, Boyne was limited to four hits, as Colton Sieradski singled twice and Tanner Kruzel and Dylan Hutterer each added one hit.

On the mound, Mason Gardner tossed six innings, allowing four runs on five hits, walking three, and striking out three.

In game two, the roles reversed as Boyne got some timely hitting, outstanding defense as Tristan Stackus earned the pitching win, allowing five hits and four walks.

At the plate for Boyne, Dom Archey had two hits, including a double, Stackus added two hits, James Roberson and Colin Fitzpatrick picked up RBI singles and Dylan Hutterer had one hit.

Boyer City was able to squeeze in a win in the nightcap, as James Roberson (24) takes a RBI single in the season's final game against Petoskey. (CC-NEWS/FILE)

Rayders finish regular season with win over Traverse City Liberty

Charlevoix 6, TC Liberty 1

TRAVERSE CITY -- The Charlevoix girls soccer team closed out their regular season with a convincing 6-1 win over the Traverse City Liberty on May 26.

The Rayders got things going first on a goal from Julia Duskoch with 23:39 left in the first half on a cross from Rachel Nesburg.

"It was great to get her back," Charlevoix coach Pete Scholten said. "This was Julia's first appearance in a month and she came up big for us."

Natalie Nesburg was not finished distributing, finding teammate and sister, Rachel, who would bury a ball inside the far post of the Liberty goal.

TC would strike back before the half ended, cutting the lead in half, making it 2-1 Charlevoix at intermission.

"Our defense was lights out in the first half," coach Scholten said. "Not only did they have to defend against a quality team. They had to deal with a stiff wind blowing into our goal. Is-

abel Hess, Jane Kelly, Michelle Bollini, Ali Jarema and freshman keeper Emily Hinkley really stepped up and got the job done."

The Rayders would then put on an offensive show in the second half playing with the wind on their backs, scoring four times as Kylee Scholten scored with 32:36 left in the second half off from a pass strung by Rachel Nesburg. Natalie Nesburg then found Kelsey Engstrom at 31:08 for another goal. Raigan Novotny then crossed a ball into Sophie Herboldsheimer who made it 5-1 with 19:16 left in the game and Rachel Nesburg sent an assist to Engstrom who was able to send a high ball over the keepers head with 6:19 left on the clock.

Charlevoix keeper Emily Hinkley finished with 10 saves on the night.

"I was really pleased with how well we passed the ball tonight, coach Scholten added. "We had several really nice combinations and created a lot of scoring opportunities. Our finishing really came together tonight. It was really special too that our three seniors all scored goals in their last regular season match."

Charlevoix closes out the regular season 11-6-1 overall and 9-3 in the LMC securing them a second place finish in the conference behind Elk Rapids.

NORTHERN MICHIGAN OUTDOORS

2015 Sets High Bar for State Fishing Records

Greg Gasciel of Rhodes, Michigan, set a new state-record for smallmouth bass with this behemoth bronzeback caught on Hubbard Lake in 2015. (photo courtesy Michigan DNR)

By Patrick W. C. Bevier

Michigan has been documenting state fishing records since the early 1900's. So, when several records are set in one year it's noteworthy. Such was the case in 2015 when no less than five state records were chiseled in granite. The most noteworthy was the go-liath smallmouth bass caught by angler Greg Gasciel in Alcona County's Hubbard Lake.

Gasciel was bait-casting with a green grub when something hit his lure like a rampaging great white. A ferocious fight ensued and when the fish was finally in the boat Gasciel had broken one of the longest-standing Michigan

records. His mammoth 9.33-pound, 24.5-inch bronzeback beat the previous mark by the narrowest of margins. The former mark, set in Cheboygan County's Long Lake back in 1906, was a 9.25-pound, 27.25-inch fish caught by W.F. Shoemaker. Many thought this record, set 110 years ago and one of the longest-standing records for smallmouth bass in the country, to be unbeatable.

In an article in the Detroit Free Press Gasciel explained how he and his fishing partner wondered if he had foul-hooked a carp.

"I didn't even see the fish until I had been fighting it for at least ten minutes. I had no idea what it could be."

Imagine his astonishment when the smallmouth equivalent of Godzilla exploded out of the water next to the boat!

The species and weight were verified by Kathrin Schrouder, a DNR fisheries biologist in Bay City. Gasciel sees the merit in allowing fisheries biologists to study the brawny bronzeback.

"Once the taxidermist skins the fish, I will be giving it back to the DNR so that they can learn from it. We still don't know how old it is and what sex it is," he explained.

Based on years of population growth data, the fish would likely be at least 13 years old.

Gasciel and his co-angler were fishing a bass tournament on Hubbard. Ironically, even with his state record fish contributing to their total weight, they didn't win the tournament.

Other 2015 piscatorial hook and line records were for freshwater drum and white perch, both

taken in Muskegon County. The drum was caught in Muskegon Lake and tipped the scales at a whopping 28.61-pounds while the 2-pound white perch bent a rod in Bear Lake.

Two of the records-for black buffalo and quillback species-were captured with a bow and arrow. The black buffalo was shot in the Grand River and tipped the scales at 27.74-pounds whereas the quillback taken in Hardy Dam Pond set the mark at 8.52-pounds.

Now that fishing seasons are open for all game fish species it will be fascinating to see if 2016 can even come close to a banner 2015!

DNR boater safety tips

With the warmer weather, Michigan residents and visitors are gearing up for summer recreation in the out-of-doors, including the popular pastime of boating. National Safe Boating Week was held this week, May 21-27, in an effort to remind people to follow some boating safety tips.

Department of Natural Resources conservation officers encourage Michigan residents and visitors to:

Wear a life jacket. More than 80 percent of drowning accidents in the United States are due to people not wearing their life jackets. In Michigan, anyone under the age of 6 must wear a life jacket when on the open deck of any vessel, but wearing a personal flotation device is recommended for everyone.

Avoid drinking alcohol. Nearly half of all boating accidents involve alcohol. Studies show that passengers are 10 times more likely to fall overboard when they have consumed alcohol.

Make sure the boat is properly equipped and equipment is in good working order. In addition to all legally required equipment, such as life jackets and fire extinguishers, always carry a first-aid kit, nautical charts and an anchor. Make sure navigation lights are working properly.

File a float plan. Always let a family member or friend on shore know the "who, what, when and where" of your trip. Let them know when you are expected to be back. Give them phone numbers for the local emergency dispatch center and U.S. Coast Guard in the event you don't return when expected.

Maintain a sharp lookout. Stay alert for other boats, swimmers, skiers and objects in the water. This is especially true when operating in crowded waterways, at night and during conditions of restricted visibility.

Carry a marine radio or cell phone. Be prepared to call for help in case you are involved in an accident, your boat becomes disabled or you otherwise need assistance. Program the phone numbers for the local emergency dispatch center and U.S. Coast Guard in your cell phone. Make sure your cell phone is fully charged, but be aware that there are often gaps in coverage on the water.

"We also recommend a boating safety course for anyone who plans on taking to the water in a boat or on a personal watercraft," said Sgt. Al Bavarskas, marine specialist with the DNR Law Enforcement Division's recreational safety and education programs. "Boating safety classes are offered at different locations around the state and online, making it convenient and affordable."

For more information on boating safety, including who is required to take a boating safety class, go to www.michigan.gov/boating.

For more information on safe boating, visit the U.S. Coast Guard's Boating Safety Resource Center at www.uscgboating.org.

What Homeowners' Insurance Discounts Are You Missing?

Compliments of Mike Stark, Coldwell Banker Schmidt Realtors East Jordan. (231) 536-7700

Part 1 of 2

Homeowners insurance isn't a topic that most people like to think about except as the funny/scary 'Mayhem' ads for Allstate. For first-time homebuyers the prospect of adding home insurance to the other long list of costs can seem daunting. Yet homeowners' insurance isn't just required for your mortgage, it's an important part of a plan to keep you and your home safe.

Generally homeowners' insurance covers damage from fire, most storms (some insurance does not include flood damage), theft, and more. It can also protect you in case someone is injured in your

home. It is a wise investment in your financial safety.

Luckily there are some ways you can improve your home that not only may boost resale value, but can also knock a little off your homeowners' insurance rates. Trusted Choice conducted a national survey in 2011 and found that over 34% of respondents did not know about all the homeowners insurance discounts available to them. Below are a few key areas to focus on.

1) Home Security—Those who live in a gated community may be entitled to a discount. Gated communities tend to have lower rates of theft, vandalism, and other

crimes. Having a security system in place can pare as much as 15 percent off your policy depending on the provider. Dead-bolt locks can also be a discount for some providers.

2) Fire Safety—The installation of smoke detectors and carbon monoxide detectors isn't just necessary protection for your family, it's also something insurance underwriters smile upon. Also for fire protection, a sprinkler system, heat detectors, fire escapes and plenty of fire extinguishers are also important. And keep those flammable substances outside the home at a cool temperature to avoid overheating and fire risk.
