Boyne City Jr. Little League Softball State Finals results

PORTAGE LAKE 17, BOYNE CITY 7 • GEORGETOWN 6, BOYNE CITY 4 • TECUMSEH 21, BOYNE CITY 1 • DELTA COUNTY 13, BOYNE CITY 0

JENISEN, MI -- The Little League Junior Girls Softball State Finals took place over July 14-17 weekend, and the District 8 Champion Boyne City team took part against other districts from around the state of Michigan.

In Boyne's first contest against Portage Lake, the BC All-Stars came up short against PL (17-7) despite a strong effort in the circle by Zoe Harmon and Josee Behling.

Harmon worked the first three innings, walking three, while Behling went the final three innings, walking three and striking out 5.

Offensively for Boyne, Sydney Bess tripled among her two hits, while Harmon singled twice. Krystal Grubaugh doubled and added two RBIs and Katelyn Gabos added an RBI.

Game two saw BC fall 6-4, in a tight contest with Georgetown.

Harmon worked five innings in the circle, fanning five and walking two, with two innings of relief from Behling, where she rung up five batters and walked two.

At the plate, Behling finished with two hits, including a double and had two RBIs. Brooklyn Fitzpatrick also chipped in with two hits.

In game three Boyne lost to a tough Tecumseh team, 21-1. Harmon pitched 3 1/3 innings, walking two and striking out one, Behling tossed 3 1/3 innings, striking out five and walking three.

Grubaugh, Behling, Harmon and Jordin Gellis all singled.

Game four saw BC defeated by Delta County 13-0, as Harmon struck out four and walked three in four innings of work, while Behling tossed one inning of ball, walking and fanning two each.

Bess had a single for Boyne.

Coach Jody Cosier credited the team with hard play, especially Katelyn Gabos who suited up at catcher for the first time ever and caught all four games as their regular catcher was unable to make the trip.

Ellsworth Little League Boys Minor B Team claims title

The Ellsworth Little League Boys Minor B team recently won the Chain of Lakes Championship. The team, ages 11-12, entered the tournament with a 9-1 season. "We had some awesome skill on this team," said Coach Jake Seaney. "The kids love baseball, all of them. At least half the team would not stop playing even after practice. They would just stay on the field. We had three out of five of the best pitchers in the league," he said. The team's pitchers were: Brayden Steenwick, Jacob Jenuwine and Kellen Pletcher.

North Western state trail now complete

The Michigan Department of Natural Resources today announced that the North Western State Trail bridge projects are finished and the trail is completely open from Petoskey to Mackinaw City. The Carp Lake River Bridge replacement was the final piece of the trail improvement project located in Carp Lake Township (Emmet County).

This bridge project is part of the 32-mile North Western State Trail, located on the former Grand Rapids to Mackinaw railroad between Petoskey and Mackinaw City. The bridge replacement completes an extensive regional trail network connecting Petoskey, Mackinaw City, Cheboygan, Gaylord and Alpena. The trail is open year-round to all nonmotorized users, and snowmobiles from Dec. 1 to March 31.

"The Carp Lake River Bridge was the last major piece of the 188-mile trail network," said Emily Meyerson, the DNR's northern Lower Peninsula trails coordinator. "You can now ride a bike on a trail from Alpena to Charlevoix."

A ribbon-cutting celebration for the North

The North Western State Trail is 32 miles from M-119 in Petoskey to the trailhead in downtown Mackinaw City. The Carp Lake River Bridge replacement, shown here, was the last part of a recent trail improvement project. (COURTESY OF DNR)

Western State Trail will take place later this year. The trail improvements and bridge replacement were funded primarily by the federal Transportation Alternatives Program, the Michigan Natural Resources Trust Fund and the Recreation Improvement Fund.

A Timeline for Your Summer Move

Part 5 of 5

Moving day and beyond:

Take one last walk through and make sure nothing has been forgotten or overlooked. Also, make sure all doors and windows are locked and switches

turned off, then you are on your way to your new house or apartment.

Tip: Go back to the photos you took when you began to pack up. Now you can show the movers or those helping you unpack exactly where everything goes with photos.

Tip: Unpack one room at

a time according to basic needs starting with the kitchen and at least one bathroom...and don't forget to make a bed as early in the day as possible if you'll be sleeping in your home that evening! Remember, you don't have to unpack everything in one day, or even in one week.

Tip: After you've settled in a bit, introduce yourself to some neighbors, ask for advice on the best places to eat, grocery shop, etc. This way you will feel like part of the community and can get some great local tips.

Ford is adding serious EcoBoost® muscle to its Fusion sedan in an all-out assault on more expensive German sport sedans. IMAGE COPYRIGHT FORD MOTOR COMPANY

Ford Fusion Sport gives owners of German Sedans 380 reasons to change their lederhosen

Ford is adding serious EcoBoost® muscle to its Fusion sedan in an all-out assault on more expensive German sport sedans.

Following on the success of Explorer Sport, which has seen one in five buyers come over from recent Audi, BMW and Mercedes-Benz experiences, Ford has its eyes not only on owners of V6-equipped Toyota Camry's and Honda Accords, but some other distinguished German models that command a five-figure premium over the 2017 Fusion Sport.

Since the newest-generation Fusion launched in 2012, midsize car buyers have been asking for a performance version, says Wade Jackson, Ford Fusion marketing manager.

"It's not just Fusion buyers who want something hotter," Jackson says. "Owners of other midsize sedans, along with our own dealers, ask repeatedly. So buyers get a 2.7-liter EcoBoost that makes 325 horsepower and a more impressive 380 pound-feet of torque."

These consumers also crave a car that's much more distinctive inside and out, Jackson explains. "Cross-shoppers will be shocked by the bang for the buck our new Fusion Sport delivers," he says.

Peak torque of 380 lb.-ft. from a 2.7-liter twin-turbocharged EcoBoost® engine makes Fusion Sport stouter than established performance sedans like BMW 535i, Audi A6 3.0T and Mercedes-Benz E400. Ford Fusion Sport torque rating is

achieved with 93-octane fuel.

Ford has reason to be confident with its newest sport-minded offering. While Explorer sales rose 24 percent from 2013 to 2015, Explorer Sport jumped 103 percent. Edge sales were close to flat over that same period – mostly due to model changeover – but Edge Sport jumped 62 percent.

For discerning sport sedan buyers seeking the ultimate in braking and handling performance, a summer-only tire package will be available as well.

The 2017 Ford Fusion Sport starts at a very un-German sports sedan price of \$33,475, and that's with all-wheel drive as a standard feature.
