CENTRAL LAKE — Off to their best start since 2013, the East Jordan football team improved to 3-0 with a dominating 34-6 victory over the host Trojans on September 9.

The Red Devils piled up over 300 yards on the ground, behind 137 yards from Ryan Graham, while Spencer Reid tallied 91. Graham, Reid each had a touchdown and quarterback Colin Shepard added two.

EJ got on the board first in the opening quarter as Shepard tossed a six yard touchdown pass to tight end Nick Norton, for a 6-0 lead. Other first half scores, rushing TD's by Graham and Reid would put the Red Devils in front 18-6 headed into halftime.

After the break, Shepard would score on keepers, pounding it in from one and six yards out, respectfully to put the game out of reach.

The Red Devil defense would get in the scoring column as well, as linemen Payton Loviska and John Roehrig would combine for a safety against the Trojans late in the fourth quarter.

Leading the defensive stops were: Trey Peterson with seven tackles, while Keegan McDuffie and Ryan LaVanway finished with six stops apiece.

East Jordan, 3-0 overall, 1-0 in the Northern Michigan Football League - Legacy Division, welcomes the St. Ignace Saints, 2-1, 2-0 on Friday, September 16, game time is 7pm at Boswell Stadium.

Big play offense keys victory as Rayders stay perfect

Charlevoix 37, Mancelona 22

MANCELONA -- Another week, another victory for the Charlevoix Rayders.

Fresh off their big win over rival Boyne City last week, the upstart Rayders kept things rolling, disposing of the host Ironmen, 37-22 on September 9 in a Northern Michigan Football League - Leaders Division contest.

The win, puts the Rayders at 3-0 overall, 1-0 conference for the first time in over 10 years.

After an 8-8 first quarter, Charlevoix opened up the offense a bit in the second quarter, outscoring Mancelona 21-6 during that time for a 29-14 halftime lead.

The Rayders then added another score in the third quarter for a 37-

Head Coach Ron Bindi named Detroit Lions/Farm Bureau Insurance of Michigan High School Football Coach of the Week. See story on Page 3B

20 lead and that's all they would need. Charlevoix took a safety late in the fourth quarter for the Ironmen's final points.

"This game was two different styles of football," Rayder coach Ron Bindi said. "Mancelona would eat up the clock, they kept running the ball, and we used our big play ability to score. We were out of sync to start the game, but managed to pull together."

Senior signal caller, Brad Klingler continued his brilliant start to the season, as he went 8-of-9 passing

for 242 yards and four touchdowns. He also added 31 yards on the ground and six points via conversion or extra point kick.

Colin Smith was the main recipient of Klingler's gun slinging ability, as he caught three passes for 130 yards, including touchdowns of 52 and 65 yards.

Cam Alden and Malcom Williams also had touchdown catches, with Williams adding 71 yards on the ground and a TD.

On defense, Oliver DeYoung had 11 stops, while Alden, Caleb Hart

and Garrett Seese all finished with 10 tackles each and Colin Davis and Klingler had nine and eight tackles, respectfully. Klingler also had an interception.

"Brad (Klingler) and Colin (Smith) really played well for us, and give Mancelona credit, we couldn't stop them, they just kept coming at us," coach Bindi added.

Charlevoix was to host Suttons Bay on Friday, September 16, but the Norsemen cancelled their football season a week ago due to lack of healthy players, so the Rayders improve to 4-0 with the forfeit victory and will have a week off before they visit Glen Lake for a match-up with the Lakers on September 23.

Ramblers earn five set victory over Chiefs

BOYNE CITY -- The Rambler volleyball team picked up a five set victory over the visiting Chiefs on September 8, in front of the home crowd.

After winning the first set 30-28, the Ramblers fell 19-25 in the second, before rebounding with a 25-21 win in the third. Cheboygan took the fourth set 25-21, and then the Ramblers edged them with a 15-12 win in the final set.

Leading Boyne was senior Abby Gardner who finished with 18 kills, and a close to perfect defensive performance. Katie McHugh added two blocks and seven kills, while Katie Hoth added four aces and seven kills.

Also for the Ramblers, Kelsey Hubbard had 38 digs and Annabelle Seelye served at 100 percent and added 38 assists.

"After coming out and winning the first game in a thriller, I had high hopes that the girls would be able to keep up their intensity going into that second game. Cheboygan did a great job at picking our defense apart but luckily the girls were able to adjust and ended up playing great the rest of the night," BC coach Mallory Slate said. "Cheboygan has a really great and consistent volleyball program

so I am thrilled that the girls were able to pull out the hard fought victory."

Boyne City also won the JV contest.

Charlevoix Volleyball

BAY CITY -- The Charlevoix volleyball team took part in a highly competitive (Class A and B) tournament at Bay City Central on Saturday, September 10.

"We expected ourselves to be tested and grow from it," Rayder coach Audra Randall said. "Everyone went in with the attitude we play very well against better competition and that's what they did".

Charlevoix lost the first set to Airport 25-21, 13-25, 13-15. Against Saginaw Heritage, the Rayders battled hard, but fell 13-25, 23-25.

"The girls still felt like they were getting somewhere and felt good with rebounding on both matches. They were communicating more and doing a better job of mixing it up at the net," coach Randall noted.

"The intensity of the rallies were definitely exciting and each point

whether a great dig or aggressive kill at the net was met with team-

work and getting tighter on the court."

Essexville-Garber was a winner over the Rayders in the third game of pool play, falling 25-18, 25-21.

In silver bracket play, Charlevoix faced Airport once again, falling 22-25, 17-25.

The Rayders were led by Becca Moon with 31 assists, 21 digs, nine aces and seven kills, while Elise Stuck added 21 kills, 20 digs, three aces, five blocks and was 21 of 24 on serve receive. Kenzy O'Leary had 22 assists, 11 kills, 14 digs, three aces and two blocks.

Also for Charlevoix, Julia Doskoch finished with 17 digs and was 20 of 22 on serve receive, Kelsey Crandall added three aces, 11 digs and was 29 of 34 on serve receive. Beth Veenstra was 100 percent on serve receive and added four digs and four kills; Ali Jarema had 17 digs and was 26 of 31 on serve receive, while Raigon Novonty had four kills; Danielle Prate three digs, two kills; and Nicole Hart added 11 digs.

FOOTBALL

Getting back to Basics

Stiff defense, explosive offense carry Ramblers

Boyer City 40, Cheboygan 14

BOYNE CITY -- After coming up short in their first two home games of the season, the Ramblers got solid play on both sides of the ball in their convincing 40-14 Northern Michigan Football League - Legends division victory over Cheboygan on September 9 at Earl Brotherton Field.

The contest did not begin like Boyne City had hoped, as the Chiefs took their first play from scrimmage 46 yards to the house as running back Asher Bury took a handoff on a counter for a 7-0 Cheboygan lead just nine seconds in.

After that, it was the pretty much all Ramblers as the team responded with a short drive of their own, capped off on a Mason Gardner to Tarin Bell 20-yard scoring strike on 4th down with 9:28 left in the quarter, a successful extra point by Bence Budi would pull the teams even 7-7.

Following a three and out by the Chiefs, Boyne marched down the field and Joseph Baugh would add to the Rambler lead with a two-yard plunge, his first of three scores on the night with 5:01 left in the quarter, an unsuccessful extra point put BC up 13-7.

The Rambler defense would then stop Cheboygan on 4th and 2, giving Boyne the ball back at their own 44

with 1:37 to go in the first and the offense took over once again, marching down the field, highlighted by a Bell run on a pitch that saw him scoot along the far sideline for a 21-yard touchdown run with 9.6 left in the quarter.

The second quarter would see the BC defense strike as Baugh picked up a Chief fumble and rumbled 47 yards for the defensive score and a 26-7 lead as the point after attempt by Budi was good. The Ramblers

would take that lead into the half.

"This week, we decided we were going to focus on ourselves and we practiced like we're supposed to, and do things the way we're supposed to do them and the kids responded well to that and the play (tonight) shows," Rambler coach David Hills said. "When you get back to doing things fast and with the proper technique and play with good leverage, generally it will turn out better for you, real happy with

the kids this week."

Boyer would add two more rushing touchdowns in the second half as Baugh scored from three yards out in the third quarter and Gardner weaved his way into the end zone, getting key blocks along the way for a 34-yard keeper down the near sideline with 8:17 to go in the contest and a 40-7 Rambler lead.

Cheboygan would score with just under four minutes to play for the final points of the night.

The Rambler offense was led by Baugh who rushed for 202 yards on 25 carries and three touchdowns, while Bell added 56 yards on six attempts and a score and also hauling in three passes for 55 yards and another TD.

"We knew going in, Cheboygan was a big physical football team and we were able to spread the field out and made them cover the entire field tonight, which opened up our run game and that's something going forward we're going to have to be able to do," coach Hills added.

Five other BC players picked up rushing yards as the team tallied 311 on the ground and 423 yards in total offense.

Gardner finished the night 7-of-12 passing for 112 yards and a score, while also rushing for 34 yards and a touchdown.

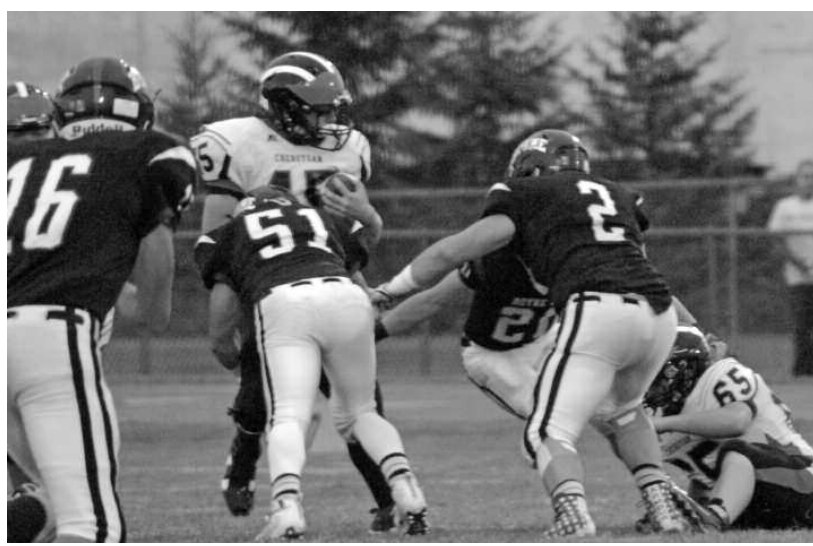

"After the first two games, we took some steps (forward) tonight, and I thought our passing game was good," Rambler junior quarterback, Mason Gardner said. "Our running game was good too, Joseph (Baugh) is a hard runner and if he makes a mistake, he's over it pretty much before he gets back to the huddle and ready for the next play."

Junior receiver, Eric Carson had three receptions for 47 yards and Ethan Hewitt had one for 10 yards.

On the defensive side, Jacob Ager finished with 15 tackle, while Ryan Hautz had nine, Dylan Hutterer and Dylan Williams each finished with six stops and Gardner added an interception.

The Ramblers (1-2, 1-0) travel to 0-3 Kingsley at 7pm on September 16 for another NMFL - Legends conference contest.

East Jordan State of the Community Luncheon

By Tina Sundelius

EAST JORDAN—East Jordan is heading in the right direction and its future is bright was the message away with other hearing four key-note speakers discuss the status of the city, schools, and DDA at East Jordan's State of the Community Luncheon Tuesday, November 11, Harvest Barn hall as 26 East Jordan High School seniors and other members of the community listened intently to Mayor Russell Peck whose speech focused on the challenges and infrastructure im-

provements that still lie ahead for the city. "All in all things are looking up, we're heading in the right direction. Together we will position our community for a resilient and sustainable future. Indeed, East Jordan's future is bright," he concluded.

Peck not only talked about all that the city has accomplished but emphasized the infrastructure improvements needed to accommodate new growth. "We are very optimistic about the future of our community and that optimism comes from the exciting new directions we have been heading," he said. He cited the city's sewer system that is already operating at 96%

capacity, sidewalks, and sea-pillings to be installed at the southwest side of the harbor next to the bridge in harbor (construction to begin in December) as projects that will further enable the city to grow. He mentioned the new well house (already up and running), the now open 24/7 recycling center and the \$12,000 kayak facility in the park which he stated presently "looks like an art project." "We are developing the kind of community we envision for future generations. There is a positive up beat energy," he said.

Hidden Costs of Homeownership

Compliments of Mike Stark,
Coldwell Banker Schmidt Realtors
East Jordan. (231) 536-7700

You've traded in renting for owning. So now what?

You may be surprised to find out that there is more money involved in owning a house than just taking out a home loan and making your monthly payments.

What you weren't responsible for as a renter becomes all yours as a homeowner. Property taxes, utilities, home maintenance and repairs, insurance and even decorating in any way you choose are all on you now, for better or worse. And if you live in an association or in other types of communities where special property taxes are assessed, you'll have to contend with that, too.

Let's break it down. Closing Costs Closing costs can add on thousands of dollars when your loan is settled. Those fees are often negotiated and vary state-by-state. As a buyer you may be responsible for a portion of them or the seller may assume all of them. The expense may be written into the offer so that the buyer doesn't have to come up with the cash.

Property Taxes Your property taxes are the principal source of revenue for

municipalities, counties and school districts. The United States average for property taxes is 1.38 percent of the home's value with the highest rates in New Jersey, Connecticut, New Hampshire, New York and Rhode Island and the lowest in Louisiana, Alabama, West Virginia, Mississippi, and Arkansas. Additionally, there are variances within counties, parishes, boroughs and the like.

If you live in a condo or a community that assesses its residents a special tax, such as a condo development, you will have fees on top of your property taxes.

Find out what your annual obligations are and budget accordingly. Otherwise, you'll have a shock when those taxes and fees become due.

Private Mortgage Insurance If your down payment was less than 20 percent of the purchase price, you will be required to buy Private Mortgage Insurance. PMI enables you to buy a house with a smaller down payment. The insurance protects the lender against you defaulting on the loan. Once you have sufficient equity in the house, the

PMI coverage can be canceled.

Homeowners Insurance You can't get a loan without taking out homeowner's insurance but that doesn't cover everything, especially if you live in an area where natural disasters occur. You should consider supplemental policies for floods, tornadoes, hurricanes and earthquakes. And if you have a lot of valuable items, such as jewelry, antiques, art or a lot of expensive equipment like computers or cameras, you'll need to buy a rider if you want them covered.

Decorating One of the most satisfying things about home ownership is the ability to make your house look just about any way you want it. Want a moat and drawbridge? Put them in. Want a tropical island theme? Do it. You can change the appearance of a house with something as simple as paint or as elaborate as a remodel. And a house new to you generally needs furniture and other items like window treatments, carpeting and light fixtures.

Home Maintenance and Repairs

If you bought a fixer-upper, you pretty much know what's ahead of you. Time, sweat and money... then add another 20 percent or more to the costs. But even a house in pristine move-in condition is going to need maintenance and it's better sooner rather than later.

There will come the day – maybe not now, but inevitably – that the roof will need to be replaced or the furnace breaks down or something goes terribly wrong with the plumbing. Your choice is to repair or replace. If you're handy at DIY, you have an advantage, but you'll still need to spend some money.

Don't be too startled if every year you have some sort of major expense, sometimes costing thousands of dollars. To smooth the edges off of those unexpected expenditures, start a savings account for your house.

And it's important to maintain your house. Down the line, you may want to move up. To sell your house for the best price, you want to show a well-maintained home, not a neglected house.

Special-edition Night Package announced for 2017 Ram 1500

For 2017, Ram will introduce a new special-edition Night package for the 1500 model that gives truck enthusiasts straight-from-the-factory customized looks. Based on the Sport model, Night adds blacked-out features, including wheels, grille and badging, to pump up the already bold visual presence of the Ram's monochromatic performance package.

"Much like our incredibly successful Ram Rebel, the Ram 1500 Night fills the growing customer demand for factory-custom trucks," said Mike Manley, Head of Ram Brand, FCA - Global. "Truck enthusiasts want vehicles that define their personality and style. The new Ram Night package builds upon the Ram Sport - one of the best looking trucks on the road - and adds blacked-out details that custom truck enthusiasts revere."

Ram first adopted the blacked-out badging look with the 2013 Ram 1500 Black Express package. The 2017 Ram 1500 Night starts with key Sport appearance cues, including body-color fascia and body-color rear bumper with dual chrome exhaust tips, body-color power-folding mirrors and door handles. Also adopted from the Sport are black-bezel bi-functional projector headlamps with LED marker lights and black-bezel tail lamps to match forward lighting.

The Sport interior features standard high-back heated cloth bucket seats with 10-way power adjustment, power-adjustable pedals and automatic temperature

control with dual-zone climate control.

The new Ram 1500 Night package adds:

- A black grille surround with black "Hex Per" pattern inserts
- Bold "RAM" stamped tailgate with blacked-out lettering from Ram 1500 Rebel model
- Black Ram's head grille badge
- Flat black Ram 1500 door badge
- Flat black 4x4 tailgate badge (if applicable)
- Flat black 5.7L HEMI® door badging (if applicable)
- 20 x 9-in. gloss black aluminum wheels
- P275/60R20 black sidewall all-season tires

The Night package is available on Regular Cab, Quad Cab and Crew Cab 1500 Sport models, in both two- and four-wheel drive, long and short bed lengths and with a choice of 3.6-liter Pentastar V-6 or 5.7-liter HEMI V-8 engines.

A long list of options and upgrades are available on Night editions, including the lighted and lockable RamBox cargo management system with adjustable tie-down cleats and dual-purpose bed extender/divider, Sport performance hood and Black running boards. Additional Mopar performance parts options include a cat-back exhaust and cold-air intake. The 1500's link-coil suspension, which delivers the industry's best ride and handling, can be enhanced with the addition of an optional Active-Level Four-Corner Air Suspension System with mul-

tiple driver-selectable ride heights and load leveling features.

The Ram 1500 Night is available in Bright Silver Metallic, Bright White, Brilliant Black, Flame Red and Granite Crystal Metallic. Production of the 2017 Ram Night begins early fourth quarter 2016 at the Warren (Mich.) Truck Assembly Plant. Pricing will be announced closer to the on-sale date.

The Ram 1500 Sport blends efficient, durable Pentastar or HEMI engine with monochromatic visual performance cues to make it an appealing alternative for truck enthusiasts. Ram 1500 Sport is powered by a standard 3.6-liter Pentastar V-6 /TorqueFlite 8 combination, delivering 305 horsepower and 269 lb.-ft. of torque along with 18 mpg city/25 mpg highway fuel efficiency. For those seeking more power, the 5.7-liter HEMI V-8 with variable valve timing and fuel-saver technology is

available. Its 395 horsepower/410 lb.-ft. of torque is mated to a TorqueFlite eight-speed transmission and delivers 15 mpg city/22 mpg highway.

The Ram 1500 Sport is available in Regular, Quad and Crew Cab models in both two- and four-wheel drive. The Sport comes standard with heated high-back bucket seats with full center console, heated steering wheel, halogen projector headlamps, body-color grille, front fascia, mirrors and rear bumper and 20-inch painted/polished aluminum wheels with outlined white letter tires.

Ram 1500 features a truckload of pioneering, fuel-saving systems, including first-in-segment technologies such as thermal management system, pulse-width modulation and active aerodynamics, including grille shutters and air suspension.
