# RAMBLERS ROLLING WITH WIN OVER VIKINGS

## Passing attack keys Boyne victory

### Boyne City 35, Grayling 14

GRAYLING -- If you've followed football in Northern Michigan over the last decade or so, you know that the Grayling offense spreads the field out and attacks opposing secondaries.

Fast forward ahead to September 23 and it was the Boyne City offense that attacked the Viking secondary, as junior quarterback, Mason Gardner picked them apart, connecting on four touchdowns and was a very efficient 12-of-15 passing for 165 yards passing, in leading the Ramblers to a 35-14 route of Grayling.

With the Viking defense focusing on stopping Rambler junior running back, Joseph Baugh, Boyne turned to their second year signal caller and he delivered big time.

Gardner connected for scores with Eric Carson (twice), along with Tarin Bell and Ethan Hewitt. Carson hauled in three passes for 54 yards, while Bell and Hewitt each added 10 yards receiving.

Tight End, Dominik Archey was the main target, grabbing five receptions for 70 yards.

Despite the focused effort of the Vikings to stop Baugh, he did manage to pile up a few numbers of his own, as he rushed 32 times for 180 yards and a touchdown.

The Ramblers built a 33-0 halftime lead and never looked back.

On the defensive side of the ball, the Ramblers seemed to be everywhere the Vikings turned as the Boyne defense forced five turnovers, as Carson, Bell and Hewitt all had interceptions, while linemen Juan Wilson and Dylan Williams each recovered fumbles.

The Ramblers improve to 3-2 overall, 3-0 NMFL - Legends Division; and are on a three game upswing after dropping a pair of close contests to begin the season and will host unbeaten Kalkaska (5-0, 3-0) at Earl Brotherston Field on September 30, game time is 7pm.

EAST JORDAN -- Boyne City came back from a first match loss to East Jordan and won the next three to defeat the Red Devils in four on September 22.

## Rayders slowed by Lakers in 49-7 loss

### Glen Lake 49, Charlevoix 7

MAPLE CITY -- The potent Rayder offense was slowed just a bit on September 23 as the host Lakers brought their "A" game and held the big play ability of Charlevoix to a minimum in downing the Rayders 49-7.

Glen Lake took control early, taking a 7-0 lead after one quarter of play before building a 28-0 cushion at halftime and were up 35-0 after the third quarter.

The Lakers capitalized on big plays of their own, piling up yardage throughout the night.

"They are a real good team and have a good program," Charlevoix coach Ron Bindi said of Glen Lake. "They've got athletes all over, but it came down to us giving them too many big plays."

Charlevoix was able to finally get on the scoreboard in the fourth quarter as Brad Klinger hooked up with Colin Smith from 12-yards out.

"Overall we didn't execute the fundamentals that we practice, from tackling to blocking, we were not on par with what we're capable of as a team, some kids left it all on the field, but it takes a team effort," coach Bindi added. "We'll see how the kids respond, we're looking for some more intensity in practice for our preparations this week."

Klinger was 6-of-13 passing for 46 yards and rushed for another 64 of 11 carries to lead the of-

fense.

Also picking up yards on the ground were; Malcolm Williams, 61 on nine carries; while Cm Alden and Jared McLean added 21 and 17 yards respectively.

Smith caught three passes for 33 yards, with McLean, Williams and Garrett Seese all had one reception.

Defensively, Caleb Hart had five tackles and Oliver DeYoung added four stops.

Charlevoix 4-1 overall, 2-1 NMFL Leaders Division, host East Jordan on September 30 at Kipke Field in a rivalry game.

The contest will also be the Rayders homecoming.

## FOOTBALL

## Defense sets tone, offense capitalizes as Red Devils blank Bulldogs

### East Jordan 40, Inland Lakes 0

INDIAN RIVER -- After suffering their first loss of the season a week ago, the East Jordan football team responded in a big way against Inland Lakes, shutting out the host Bulldogs 40-0 on September 23.

With the defense holding strong the entire night, the offense took little time to get rolling as early in the first quarter, Spencer Reid found himself on the receiving end of a Colin Shepard touchdown pass on the Red Devils opening drive for an early lead.

EJ then capitalized on another big play by Shepard, as the senior quarterback took off on a keeper and was stopped just outside the end zone, Keegan McDuffie then plunged in for a short yardage touchdown and after Ryan Graham added the conversion points, the Red Devils

were up 14-0, a lead that would stand throughout the

rest of the opening quarter.

On the Red Devils next possession, as the team was once again driving, Shepard would throw an interception inside the Bulldogs 20. A few plays later, Inland Lakes would return the favor as Ryan LaVanway picked off a pass and raced over the goal line for a defensive score and a 20-0 cushion but the Red Devils weren't done as they forced the Bulldogs to a three-and-out and Shepard would connect with Jake Skrocki from 13-yards out for a 26-0 lead that EJ would take into the halftime break.

The third quarter would be the quietest 12 minutes of the night as neither team could muster much offense, but once the fourth rolled

around, EJ would finish off the scoring with a pair of rushing touchdowns by Trey Peterson and Jared Piechan and a conversion by Reid would make it 40-0 for the final tally of the night.

Reid helped pace the attack for EJ, with a total of 140 total offensive yards, while Shepard finished a stellar, 7-of-11 passing for 150 yards a pair of scores.

Defensively, LaVanway recorded nine stops, while McDuffie and Piechan had eight tackles each. Shepard also picked off a pass.

The Red Devils (4-1 overall, 2-1 NMFL - Legacy) will host long time rival Charlevoix, (4-1, 2-1 NMFL - Leaders) on September 30 at Boswell Stadium, game time is 7pm.

### Look for a Home's Potential Cosmetic issues are easy to remedy

Compliments of Mike Stark,  
Coldwell Banker Schmidt Realtors  
East Jordan. (231) 536-7700

Part 1 of 2  
Home shopping for first-time homebuyers it's an exciting, albeit nerve-racking, experience. If you're like others in the market for their first home, you probably have in mind exactly how your soon-to-be home will look.

But it's important not to fall into the bad decorating, dingy walls and dirt-bare back yard equals bad-home trap. If you don't see past the hideous wallpaper, funky light fixtures and avocado green carpeting, you may miss out on a home with great potential.

And, if you're looking for a home in a seller's market where homes are being

snatched up as soon as they go on the market, you'll come to realize you can't be choosy if you want to make a competitive offer.

One of the first things to do is to get pre-approved for a loan and determine the maximum you can afford to offer for a house. Don't look at homes that are asking for more than 5 percent above your maximum, otherwise you'll be setting yourself up for disappointment if you find the perfect—but outside your budget—home.

So what to do?  
The floor plan of the home is extremely important. If a floor plan isn't quite to your

liking, consider rearranging it or adding on. If you're looking at an existing home and will need to remodel or expand to suit your needs, the estimated cost of renovation needs to be considered when making an offer.

Also, consider the features of a home:

Walls. While these are among the easiest to remedy, they also make a huge first impression. If the walls need to be painted, are covered in wallpaper or are painted a color you find distasteful, picture them crisp and clean in the color of your choice—that's how they could look after you paint them.

Floors. Like walls, carpet or floor surfaces that are old or outdated can be easily replaced. You could even ask for a carpet allowance in your bid, especially if you're in a buyer's market.

View. Things like old, ugly—even dirty—windows and window treatments can make a view appear less desirable. Those things can be improved, so unless the only view you have is of your neighbor's clunker on the side of the house, don't get hung up on what is surely a fixable view.

### Commercial building in the heart of East Jordan

#### By Jim Akans

Ready for the entrepreneur looking to launch a new business, or those with an existing business who are ready to relocate, this outstanding commercial building is ideally situated in the heart of the East Jordan community.

The approximately 5,000 square feet air-conditioned structure offers lots of versatility to accommodate virtually any business need. It currently has one tenant in part of the building as well as vacant space. There is a charming, private courtyard at the side of the building, and there is ample off-street parking.

The structure is well maintained and is fully handicap accessible.

While the location offers great visibility to passing traffic, it also offers a great view. It is situated across the street from public parks, ball field and tennis court. There is even a fantastic view of the South Arm of Lake Charlevoix.

Located at 507 Water Street in East Jordan, this outstanding commercial building is listed at just \$179,000. For additional information or to arrange for a tour, please call Chris Oliver, Agent at Coldwell Banker Schmidt - East Jordan at 231-536-7700 or email chrisforreality@gmail.com

## Chevrolet announces Special Edition SUVs

New for 2017, the Tahoe and Suburban LT models are offered with a Midnight Edition package. The LT Midnight includes all of the features found on both the LT trim levels of Suburban and Tahoe and adds 20" black wheels, all-season tires, roof rack cross rails, black assist steps and black Chevrolet "bow tie" logos. Chevrolet announced that it is expanding its popular specialty models to include Midnight Editions of its segment-defining Tahoe and Suburban full-size SUVs. With years of heritage to build on, Chevrolet continues to forge ahead in sales and share with these two storied full-size SUV entries. Tahoe retail sales are currently up 18 percent compared to 2015, while Suburban sales are up 30 percent compared to 2015. Market share for Suburban and Tahoe has risen a combined 3.6 percent this year, and Chevrolet continues to lead the segment.

Together, these two vehicles represent about 50 percent of all full-size SUVs sold in the U.S. The Suburban and Tahoe join the Silverado, Colorado, Equinox and Trax as part of the growing portfolio of Chevrolet Midnight Edition vehicles, among the fastest-selling of Chevrolet's special editions.

These two iconic vehicles were natural candidates for the special

edition treatment due to their lineage and importance to the Chevrolet brand - Tahoe is the best-selling full-size SUV in America and Suburban is the longest-running nameplate in automotive history since the vehicle's inception in 1935. The Midnight Edition Suburban and Tahoe full-size SUVs are offered in two distinct variants, the Z71 Midnight package and the LT Midnight package. All Midnight Edition vehicles are finished exclusively in black.

The Z71 Midnight includes all of the features found on the Z71 Package including off-road tuned suspension, off-road tires, skid plates, off-road tubular assist steps, fog lamps, tow hooks, sill plates, 3.42 axle, 2-speed transfer case, floor mats, hill descent control, high capacity air cleaner, Z71 badging and more. The Midnight Edition adds 18" black-painted Z71 wheels, roof rack cross rails, black grille insert, and black Chevrolet "bow tie" logos. The Z71 Midnight Tahoe also comes equipped with aggressive

Goodyear DuraTrac off-road tires.

The LT Midnight includes all of the features found on both the LT trim levels of Suburban and Tahoe and adds 20" black wheels, all-season tires, roof rack cross rails, black assist steps and black Chevrolet "bow tie" logos.

"Our SUV customers have shown a considerable appetite for specialty vehicles," said Mike Weidman, marketing and advertising manager, Chevrolet Suburban and Tahoe. "The Midnight Editions allow us to further deliver on the premium expectation that our customers already have for these class-leading full-size SUVs."

The 2017 Suburban features a standard Teen Driver feature that encourages safe driving habits for teens as well as enabling parents to view the vehicle's maximum speed, distance driven and the number of times active safety features were engaged during a drive.

In-vehicle shopping apps are added via Chevrolet MyLink, new

front active aero shutters enhance aerodynamics on the highway, and new available features include Low Speed Forward Automatic Braking and rear seat entertainment upgrades such as an HDMI/MHL connector, an additional USB port, digital headphones and device projection as well as a new video voiceover feature for the hearing impaired.
