With the win, Boyne improved to 6-2 overall, 6-0 in the Northern Michigan Football League - Legends Division, setting up a showdown with unbeaten T.C. St. Francis on October 21 with the conference title up for grabs.

The game was the Ramblers annual "Crucial Catch" pink game, helping bring more awareness to cancer as the players wore pink jerseys with the names of community and family members on the back.

Against the Elks, Boyne got off to a slow start, turning the ball

the postseason, their fifth in a row over on their first possession, but took it back a few plays later as Tarin Bell intercepted a pass and returned it to the Elk Rapids 17 yards line.

The Ramblers then gave the ball right back to Bell and he raced around the right side and scooted untouched into the endzone for a Boyne City touchdown at the 4:33 mark, a successful extra point by Bence Budi would make it a 7-0

The Rambler defense would then force the Elks into a punting situation, and with a solid punt and a friendly roll, ER would down the ball on the Boyne 34 vard line.

Boyne's offense would move

down the field as the quarter expired, and just 32 seconds into the second, Joseph Baugh would pound it in from five-yards out,

giving the Ramblers a 13-0 lead. The Ramblers would add a 10yard, Mason Gardner to Eric Carson touchdown pass with just over a minute left in the half for a 19-0 cushion headed into the break.

Boyne City's offense would keep the pressure up in the second half, as Baugh picked up his second score of the night, rumbling 38yards up the middle for a touchdown. Following a successful point after, it was 26-0 BC with 9:22 to go in the third.

The Ramblers would wrap up the scoring with 47 seconds remaining in the third as Gardner hit a streaking Bell with a 20-yard scoring strike, add the extra point and it would be 33-0.

Leading the Ramblers on offense was Baugh with 93 yards on 12 rushing attempts and a pair of scores, while Bell added 59 yards on seven carries and Gardner finished 4-of-9 passing for 62-yards.

Defensively, Jacob Ager recorded nine tackles, while Ryan Hautz and Baugh had seven and six, respectfully.

The Ramblers forced three turnovers, picking off three passes as Bell, Skyler Rostar and Dylan Hutterer all had one each.

FOOTBALL

Rayders fall to Panthers

FRANKFORT 28, CHARLEVOIX 0

CHARLEVOIX -- The Charlevoix football team had a tough challenge ahead of them in trying to knock off unbeaten Frankfort on October 14.

The Panthers took advantage of four Rayder miscues, turning them into points as Frankfort came out on top 28-0 and clinched at least a share of the Northern Michigan Football League - Leaders Division title.

While the Rayders were able to move the ball against the Panthers defense, they were unable to keep their drives sustained.

"We moved the ball pretty good at times, just shot ourselves in the foot with some miscues," Rayder coach Ron Bindi said. "We were unable to take care of some of the stuff that we needed to at times."

Defensively, Charlevoix did a pretty decent job against the high-scoring Frankfort offense that averaged 42 points per game in their previous victories.

The Rayders were strong up front, as the defensive line held their own, plugging the middle, forcing the Panthers to run to the outside. Oliver DeYoung also recorded an interception for Charlevoix.

Charlevoix's offense could not get untracked though, but got great effort from quarterback Brad Klinger, along with Jared McLean and Malcom Williams.

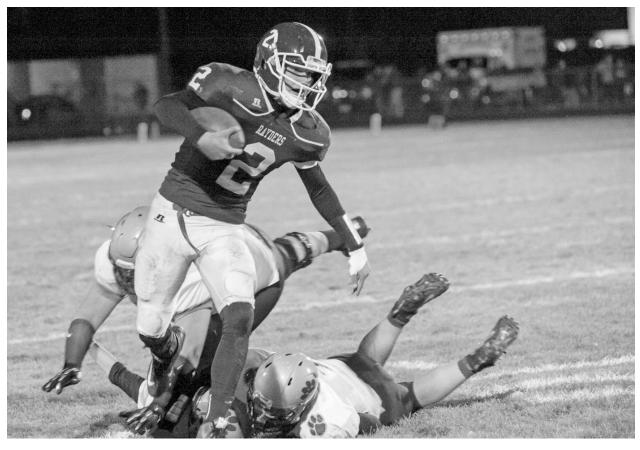

"Our effort was there, we were running after the ball, hustling, the kids didn't quit," the coach added. "We had a few defensive stands, but made too many mistakes against a really good football team."

With the loss the Rayders slip to (6-2, 2-2 NMFL - Leaders Division) and will play host to Mesick in the regular season finale, before moving on to the playoffs.

Landscaping. Your best bet is a moderately landscaped yard because you can always improve landscaping without spending too much. Worst case, even if you're looking at dirt, landscaping is one of the easier projects to tackle. Plus you get to design it however you'd like if you're starting from scratch.

Closets and garages. You can never have too much storage space, which is why so many newer homes have three-car garages. But if you encounter a converted garage that is now a bedroom or storage room, don't give up. Con-

verted garages can almost always go back to their original purpose without much cost or labor.

Kitchen. The most popular room in the house, many homeowners want their kitchen to be large and have modern appliances. Don't let outdated color schemes deter you because there's nothing like a fresh coat (or two) of paint to make a kitchen your own. Plus, if you like the rest of the house enough to make an offer, you can give the kitchen a minor spruce-up with some new appliances or a major overhaul complete with new countertops, cabi-

nets, and flooring.

The exterior. If the home doesn't have good curb appeal, try to picture it with a fresh coat of paint and revitalized landscaping.

Pools. If you want a pool, buy a home with a pool already built in. Pools are expensive and you will not get a full return on the cost when vou go to sell. Let someone else lose the return. The cost of repairing a pool is less than putting one in, so if you're looking at a home with an old pool that looks like it's in bad shape, it's still a better bet than putting one in later.

When making an offer, consider what you can't live without, as well as your budget.

Also, be sure you hire a professional home inspector to inspect the house. If the home's systems are in good working order and the house has everything you want except a minor item or two, make an offer accordingly.

Most importantly, keep in mind that unless you're building your dream home from scratch, you'll probably never find the perfect home. But seeing past a previous owner's bad decorating choices to the core of the home and its potential for livability will vield you the home you've always wanted. It may take some work, but hey-it's yours.
