Lady Red Devils pick up pair of impressive wins

East Jordan 45, Joburg 34

JOHANNESBURG — Two games into the season and the East Jordan girls basketball team is off to a hot start, picking up their second win in as many tries, downing the Cardinals 45-32 on December 2.

After a slow first quarter, the Red Devils trailed 4-3 before taking the lead in the second quarter and holding a 13-10 advantage at halftime.

A strong third quarter by Joburg gave the Cardinals a 24-23 edge headed into the final eight minutes of regulation, but a strong effort by EJ in the fourth would earn the Red Devils the victory.

"Great first half defense again and a very good fourth quarter offensively led us to our second victory," East Jordan coach Steve Hines said. "We had five different people score in the fourth quarter and we went 8-for-8 at the free throw line."

Due to injuries, the Red Devils were short-handed on the bench,

but a strong effort and solid minutes by Karah Dunson and Jayden Weber helped key the push to victory.

"Defensively, we are playing well and looking to develop some consistency and timing at the offensive end," coach Hines added.

The Red Devils were led by Weber with 11 points, while Karah Dunson added 10 and Miranda Burks had nine points.

Rebecca Drenth, Weber, Kasey Wojan and Mazzy Pepin all recorded four rebounds, while Karlee Dunson added six steals. Burks and Wojan both chipped in with two assists each.

East Jordan 42, Central Lake 36

CENTRAL LAKE — The Red Devils girls basketball team jumped out to an early lead and then held off the Trojans for a 42-36 opening contest victory on November 30.

EJ held a 14-2 lead after one quarter of play and was up 22-8 at halftime. The Lady Trojans then cut it to 30-21 headed into the

fourth.

Kasey Wojan paced East Jordan with 12 points, while Kendall McNitt added 10 points, three assists, four steals and four rebounds.

Miranda Burks chipped in with three steals and three assists and Mazzy Pepin had five rebounds.

"We played great defense in the first half, caused some turnovers and had a nice lead at halftime," East Jordan coach Steve Hines said. Really good effort and a nice start to the season."

The Red Devils are off to a 2-0 start and will look to senior Miranda Burks (30) to help the team. (CCNEWS/FILE PHOTO)

Ramblers drop pair to non-league foes

Cedarville 47, Boyne City 29

CEDARVILLE — The Boyne City girls basketball team kept it close early, but a slow start to the second half would be enough for Cedarville to pull away for a 47-29 non-conference victory on December 2.

The Ramblers trailed 8-6 after one quarter, 21-13 at halftime and were down 34-17 after three quarters of play.

"Girls showed good energy and played very hard on defense in two non-conference road games," Boyne City coach Kevin Fitzpatrick said. "The young team had too many turnovers, which lead to limited opportunities on offense."

Junior Katie Hoth paced the Ramblers with nine points, while freshman Katelyn Gabos added

seven.

Bellaire 33, Boyne City 22

BELLAIRE — The Lady Ramblers could not get untracked against the Eagles pressure defense, falling 33-22 in the season opener on November 30.

Bellaire led 10-4, 17-8 and 25-15 at the quarter breaks.

Katie Hoth finished with nine points, while Olivia Looze added five and Annika Bergquist grabbed eight rebounds.

Junior, Olivia Looze will be counted on by Boyne City to help lead a young core of Ramblers. (CCNEWS/FILE PHOTO)

Lady Lancers fall to Eagles

Bellaire 41, Ellsworth 28

BELLAIRE — The Lady Lancers battled Bellaire tough throughout the night, but a strong third quarter by the Eagles on December 2, would give Bellaire a 41-28 victory.

The Lancers were led by sophomore Abby Nachazel and freshman Addie Nagel with nine points each.

"The lead went back and forth until midway through the third quarter," coach Doug Nitchman

said. "We had two starters foul out and Bellaire ran away with it."

Coach Nitchman noted that he saw a lot of positive things to be happy with and also some things that the Lady Lancers need to work on.

Boyne Falls unable to keep pace with Ironmen

Mancelona 58, Boyne Falls 10

MANCELONA — The Lady Loggers fell to Mancelona in their sea-

son opener, 58-10 on November 30. Boyne Falls got four points from Naomi Johnson.

Lady Rayders off to fast start.

Roll past Chiefs, down Northmen

Charlevoix 60, Cheboygan 32

CHEBOYGAN — While it's still early in the season, this year's version of the Charlevoix Rayders girls basketball team looks to be pretty strong, finishing the opening week with a pair of wins, capped by a 60-32 victory the Cheboygan Chiefs on December 1.

Charlevoix jumped out early, finishing the first quarter with a 16-4 lead, before expanding that to a 38-13 advantage at the half.

"In was great to see more girls step up on the offensive end," Rayder coach Liz Shaw said. "When there are offensive threats coming from all different angles, it is hard for the defense to focus on one single player."

After the break, the Rayders used a 10-6 third quarter run to pull ahead 48-19 and cruised the rest of the way to victory.

"Defensively we struggled the first have in playing solid disciplined defense," Shaw added. "There were many fouls that were reckless but in the second half, the girls played much cleaner and were fundamentally sound in their defensive effort."

Elise Stuck paced Charlevoix with 18 points and 11 rebounds, two steals and two assists, while Rachel Nesburg added 13 points, four assists and four steals and Natalie Nesburg had 12 points, four steals and two assists.

Also for the Rayders, Beth Veenstra had six points and five rebounds, Olivia Jeakle chipped in with six points and Abby Cunningham grabbed five boards.

Charlevoix, 2-0 returns to action

when they host Bellaire on Friday, December 9, game time is 7pm.

Charlevoix 43, Petoskey 39

CHARLEVOIX — What a way to start the year.

The Charlevoix girls basketball team opened the season with a 43-39 win over Class A Petoskey on November 29.

The Rayders led at the quarter breaks, 10-7, 21-20 and 25-24.

"Exciting victory for The Rayders!" coach Liz Shaw said. "We played solid defense especially in the paint disputed being outsized. It is a step in the right direction for our program."

In her first varsity action, freshman Elise Stuck dropped 21 points, grabbed 11 rebounds, made three steals, while dishing out two assists and blocked three shots.

Rachel Nesburg and Olivia Jeakle added six points each, while Beth Veenstra chipped in with five.

Jeakle added six rebounds, while Rachel Nesburg and Natalie Nesburg made three steals apiece.

"I was proud of the way my players showed progress and continually made steps to improve and better one another throughout the night," coach Shaw noted. "Elise Stuck competed in her first varsity basketball contest for the Rayders and she didn't disappoint. I was happy her and I know that now she has one game under her belt, she will continue to shine bright on the court."

East Jordan State of the Community Luncheon

By Tina Sundelius

EAST JORDAN—East Jordan is heading in the right direction and its future is bright was the message members of the community walked away with after hearing four keynote speakers discuss the status of the city, schools, and DDA at East Jordan's State of the Community Luncheon Tuesday, November 11. An air of optimism filled the Harvest Barn hall as 26 East Jordan High School seniors and other members of the community listened intently to Mayor Russell Peck whose speech focused on the challenges and infrastructure im-

provements that still lie ahead for the city. "All in all things are looking up, we're heading in the right direction. Together we will position our community for a resilient and sustainable future. Indeed, East Jordan's future is bright," he concluded. Peck not only talked about all that the city has accomplished but emphasized the infrastructure updates needed to accommodate new growth. "We are very optimistic about the future of our community and that optimism comes from the exciting new direction we have been heading," he said. He cited the city's sewer system that is already operating at 98%

capacity, sidewalks, and sea-pilings to be installed at the southwest side of the harbor next to the bridge intended to stop silt from filling the harbor (construction to begin in December) as projects that will further enable the city to grow. He mentioned the new well house (already up and running), the now open 24/7 recycling center and the \$12,000 Kayak facility in the park which he stated "presently" looks like an art project. "We are developing the kind of community we have envisioned for future generations. There is a positive up beat energy," he said.

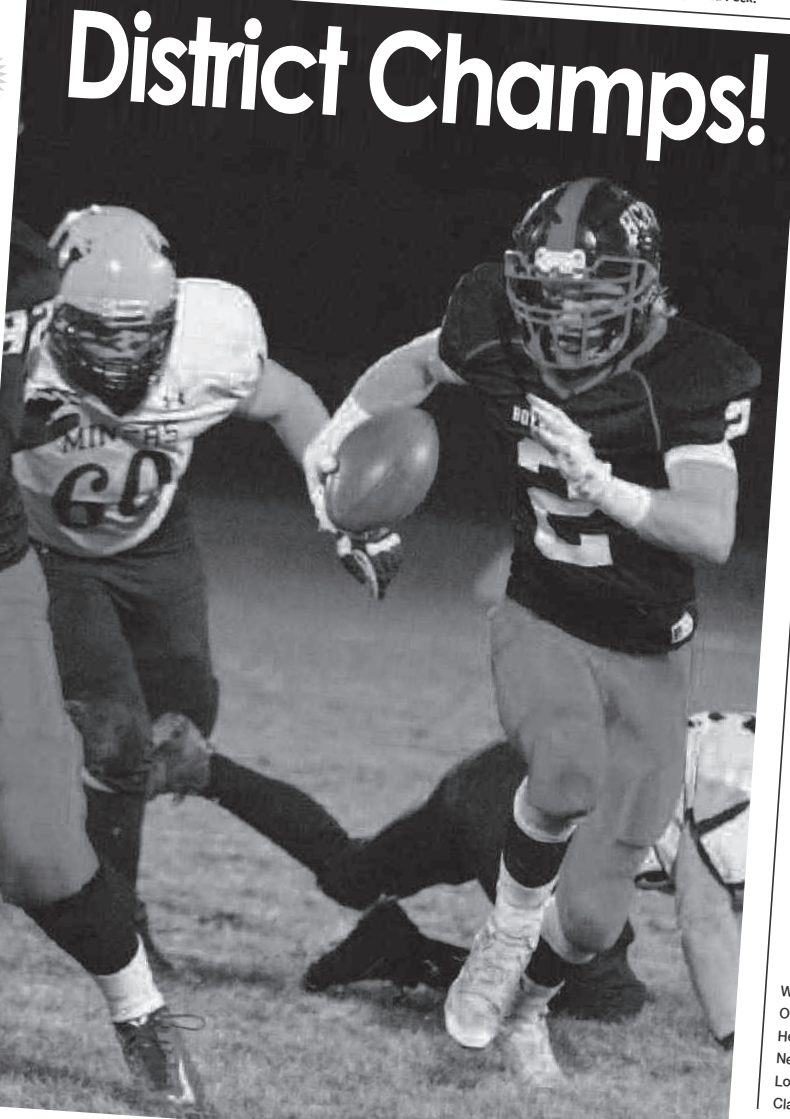

DDA Chairman Tom Teske, Entrepreneur Director with the Northern Lakes Economic Alliance Tom Erhart, Chamber of Commerce Director Mary Fac-Stevenson addressed an audience of community leaders at the third annual State of the Community Address Tuesday, November 11. "East Jordan's future is bright," said Peck.

No Major Purchase of Any Kind

Don't Buy a Car or any major purchase that would create debt of any kind. This includes furniture, appliances, electronic equipment, jewelry, vacations, expensive weddings, etc.

Don't Move Money Around

When a lender reviews your loan package for approval, one of the things they are concerned about is the source of funds for your

down payment and closing costs. Most likely, you will be asked to provide statements for the last two or three months on any of your liquid assets. This includes checking accounts, savings accounts, money market funds, certificates of deposit, stock statements, mutual funds, and even your company 401K and retirement accounts.

If you have been moving money between accounts during that time, there may be large deposits and with-

drawals in some of them.

The mortgage underwriter (the person who actually approves your loan) will probably require a complete paper trail of all the withdrawals and deposits. You may be required to produce cancelled checks, deposit receipts, and other seemingly inconsequential data, which could get quite tedious.

Perhaps you become exasperated at your lender, but they are only doing their job correctly. To en-

sure quality control and eliminate potential fraud, it is a requirement on most loans to completely document the source of all funds. Moving your money around, even if you are consolidating your funds to make it easier, could make it more difficult for the lender to properly document.

So leave your money where it is until you talk to a loan officer. In addition, this would be a bad time to change banks.

Exceptional professional building in East Jordan

By Jim Akans

This week's feature listing is a great opportunity to obtain an exceptional professional building located in East Jordan.

The building features approximately 1,714 square feet of space. There is plenty of room to accommodate nearly any professional office need and a partial basement for storage space. Recently utilized as a dental facility, the main floor features five sectioned rooms, three of which are plumbed for water. There is a reception area, waiting room, each darkroom, workroom, kitchen, and two rest rooms. The interior looks sharp, up to date and windows fill the public areas with welcoming natural light.

The exterior of the building also has great curb appeal, and it own parking lot area. The East Jordan location is highly visible.

Please note that dental equipment and office furniture are excluded from the listed price, however, the dental equipment is negotiable.

Located at 306 Main Street in East Jordan, this exceptional professional building is listed at just \$119,900. For additional information or to arrange for a tour, please call Mike Stark, Broker, or Holly Nierman, Agent at Coldwell Banker Schmidt - East Jordan at 231-536-7700 or email mike.stark@cbgreatlakes.com

2017 Chrysler Pacifica Hybrid delivers efficiency, versatility and technology

The all-new 2017 Chrysler Pacifica Hybrid electrifies the minivan segment, adding an innovative, advanced hybrid powertrain to the Pacifica's no-compromises combination of functionality, versatility, technology and bold styling – all starting for less than \$35,000 with the available federal tax credit. The 2017 Chrysler Pacifica Hybrid is the only hybrid minivan, offering an innovative and advanced powertrain that delivers a seamless, efficient driving experience – plus an estimated 30 miles of all-electric range, 530 miles of total range and 80 miles per gallon equivalent (MPGe) in city driving.

Not only does the Chrysler Pacifica Hybrid offer the segment's only hybrid powertrain, it also offers many of the same features offered by the gasoline-powered Pacifica, including tri-pane panoramic sunroof, 10-inch seatback touchscreens, ParkSense Parallel/Perpendicular Park Assist, 360-degree Surround View camera, ventilated seats, rotary e-shifter, capless fuel filler, handsfree

sliding doors and liftgate and KeySense programmable key fob.

In addition, the Pacifica Hybrid's transferable warranty is among the best compared with other hybrid vehicles, offering:

- Bumper to bumper: 3-year/36,000-mile
- Powertrain: 5-year/60,000-mile
- Emissions components: Up to 15-year/150,000-mile
- Battery: Up to 10-year/150,000-mile

"The all-new Chrysler Pacifica Hybrid offers an estimated 80 MPGe in the city, 30 miles of all-electric range, 530 miles of total range, plus many of the well-loved features that make the gasoline-powered Pacifica the most awarded minivan of the year," said Tim Kuniskis, Head of Passenger Car Brands, Dodge, SRT, Chrysler and Fiat, FCA - North America. "With a starting price under \$35,000 after the available \$7,500 federal tax credit, the Pacifica Hybrid provides efficiency, versatility, technology, an advanced hybrid powertrain and is priced in the heart of the segment – a com-

bination that no other seven-passenger vehicle delivers."

The Chrysler Pacifica Hybrid Premium offers the key comfort, convenience and safety features minivan customers want, including perforated leather seats, heated first-row seats, remote start with cabin pre-conditioning, three-zone automatic temperature control, projector headlamps, fog lamps, chrome trim accents and power liftgate. The Pacifica Hybrid Premium also features the SafetyTec Group as standard, which includes ParkSense

blind park assist with stop, Blind-spot Monitoring and Rear Cross Path detection.

Other standard features include Active Noise Cancellation, LED signature lighting, six-speaker audio system, SiriusXM satellite radio with 1-year trial, 17-inch aluminum wheels, ParkView rear backup camera and passive entry on all doors.

The Pacifica Hybrid Premium also includes as standard a 7-inch full color driver information display (DID), unique to the Pacifica Hybrid models. The customizable

cluster's display changes color to indicate whether the Pacifica Hybrid is operating in electric mode (teal) or hybrid mode (blue), while both the battery level and fuel level are always displayed. One of the available cluster displays is the "efficiency coach," which guides owners to drive more efficiently and maximize the time spent in battery mode.

Also standard on the Pacifica Hybrid Premium is the Uconnect 8.4 system, which includes an 8.4-inch touchscreen, available Uconnect Navigation and Uconnect Access connected services. The Pacifica Hybrid also includes the all-new Hybrid Electric Pages, providing owners with helpful vehicle information, including access to the vehicle's charging schedule and a summary of miles driven in both electric and hybrid modes.

The Chrysler Pacifica Hybrid Platinum builds on the Premium model, adding Nappa leather seats, ventilated first-row seats, heated two-tone steering wheel, 13-speaker Alpine premium sound system, 3-D naviga-

tion, handsfree sliding doors and liftgate and 18-inch aluminum wheels. Packed with content inside and out, the Pacifica Hybrid Platinum also includes the best-in-class Uconnect Theater rear seat entertainment system and KeySense programmable key fob to promote safe driving habits.

Additional safety content includes the Advanced SafetyTec Group with advanced brake assist, Forward Collision Warning-Plus, rain-sensitive windshield wipers, auto high-beam headlamp control, Adaptive Cruise Control with Stop and Hold, LaneSense Lane Departure Warning-Plus, 360-degree Surround View camera, ParkSense Parallel/Perpendicular Park Assist, and ParkSense front park assist and rear park assist with stop.

The available tri-pane panoramic sunroof adds to the feeling of spaciousness with a dual-pane panoramic sunroof over the front- and second-row seats and a fixed glass pane over the third row.
