Charlevoix heads to holiday break with convincing win over Eagles

CHARLEVOIX — Coming into the final game before the holiday break, both teams owned a 3-0 record. Following the contest, the Charlevoix girls let it be known that they are for real, dominating the Eagles in every aspect of the game, winning 52-21 on December 21 in front of the home crowd.

With the win, the Rayders improved to 4-0 on the season. Charlevoix was able to handle everything that the Eagles threw at them, from their full court press, to half-court traps and a mixture of defenses. The Rayders simply utilized their patience and ability to move the ball to the open player and attack the rim, resulting in an early 16-0 first quarter lead.

While the offense worked efficiently, it was the Charlevoix defense that stood out, making every possession difficult for Bellaire to get into any sort of flow. The Rayder pressure defense, the half-court match-ups, Charlevoix would just not give the Eagles an easy look at the hoop.

After guards, Rachel and Natalie Nesburg, along with Olivia Jeakle maneuvered their way through the Eagle press, they would often find freshman, Elise Stuck one-on-one in the high post. The guards would then constantly feed her the ball and Stuck responded by delivering 12 first half points.

Charlevoix continued to keep the pressure on Bellaire throughout the game, once the Eagles tried packing it in to slow down the inside scoring of the Rayders, the Charlevoix guards stepped up, knocking down open looks from all around the perimeter.

Stuck finished with 16 points to lead Charlevoix, while Natalie Nesburg added 12 points, with Rachel Nesburg hitting for eight and Raigan Novotny chipping in with six.

The Rayders return to action on January 3, when they travel to (3-1) St. Ignace and face the tournament tested Saints in a "must-see" girls basketball game.

Red Devil Boys come up short against Elks

Elk Rapids 67, East Jordan 58

EAST JORDAN — The East Jordan boys basketball team continued to play at their all-out, fast pace, and at times, were in control against Elk Rapids, but in the end, it would be the Elks taking advantage of the Red Devils inability to handle pressure, as Elk Rapids downed E.J. 67-58 in a Lake Michigan Conference match-up on December 22.

The Red Devils took a 13-10 lead after one quarter of play, as Elk Rapids was unable to consistently hit shots thanks to the East Jordan defense.

The Elks recovered in the second quarter by outscoring the Red Devils by eight points to take a 31-26 lead into the half.

The third proved to be the difference for Elk as East Jordan was unable to make their customary third quarter run, as the Elks went on a

run of their own, increasing their advantage to 48-36 headed into the fourth quarter.

East Jordan, however, would not go away as the Red Devils chipped away at the ER lead, cutting it to seven points, but could get no closer.

Jackson Robbins led the Red Devils with 22 points, while Skyler

Reynolds had nine, Dylan Holm, and John Roehrig each finished with eight points.

Ethan Zeeryp chipped in with six points, Trent Raymond added five and Colin Shepard dropped in two.

The Red Devils (2-3 overall, 0-2 LMC) play next on January 6 at home against Kalkaska.

2017 Dodge Challenger GT is world's first and only all-wheel-drive American muscle coupe

Designed and engineered for world-class precision, the new 2017 Dodge Challenger GT all-wheel drive (AWD) delivers the performance, power and all-weather capability to carve through some of the worst weather Mother Nature can dish out.

"Dodge is shifting the muscle car paradigm with the new 2017 Dodge Challenger GT – the world's first and only all-wheel-drive American muscle coupe," said Tim Kuniskis, Head of Passenger Cars – Dodge, SRT, Chrysler and FIAT, FCA – North America. "The Challenger has always been the most wide-ranging and functional muscle coupe, and now, with the new 305-horsepower all-wheel-drive Challenger GT, we are stretching the functional and geographic boundaries even further."

The 2017 Dodge Challenger GT AWD features Dodge's award-winning 3.6-liter Pentastar V-6 engine, delivering 305 horsepower at 6,350 rpm and a responsive 268 lb.-ft. of torque at 4,800 rpm. A tuned induction system and dual exhaust from the manifolds back to the tips help deliver more than 90 percent of the engine's peak torque from 1,800 to 6,400 rpm – all for outstanding drivability and responsiveness. With the standard TorqueFlite eight-speed automatic transmission, Challenger GT offers up to an EPA-estimated 18 city/27 hwy miles per gallon (mpg).

The Dodge Challenger GT features Dodge's high-performance all-wheel-drive system. Also found in the Charger AWD, this technologically advanced system includes an active transfer case and front-axle disconnect for excellent all-season performance and fuel economy. The Challenger GT seamlessly transitions between rear-wheel drive and

all-wheel drive with no driver intervention. Under normal driving conditions, the front axle is disengaged and 100 percent of the engine's torque is directed to the rear wheels. This preserves the outstanding fun-to-drive performance and handling characteristics inherent to rear-wheel-drive vehicles. When sensors indicate the need for additional traction, the system automatically engages the front axle, instantly transitioning Challenger GT into all-wheel-drive mode.

Enhanced with Vehicle Dynamic Control (VDC), the Challenger GT AWD has impressive handling on all surfaces, especially snow and ice. Enhancing the on-road dynamic performance using precise front-to-rear torque control integrated with the Electronic Stability Control (ESC) system, VDC maintains Challenger's fun-to-drive character, regardless of road conditions.

In addition, the new Dodge Challenger GT AWD features paddle

shifters and Sport mode. With Sport mode active, gear changes are quicker and revs are held higher for even more performance-oriented acceleration and higher shift dynamics. For even more control, the driver can also use the die-cast steering-wheel-mounted paddle shifters and view gear election through the full-color Electronic Vehicle Information Center (EVIC) centered in the instrument cluster.

The Challenger GT Super Track Pak button activates Dodge Performance Pages and launch control features embedded in the 8.4-inch touchscreen radio. Visible performance information, such as reaction times, 0-60 times, G-force indicator and lap times, can be monitored, and even mirrored, in the 7-inch thin-film transistor (TFT) customizable cluster display. The new Challenger GT model also features three-mode ESC with "full-off" mode, a fun feature for drifting through snowy scenes.

Challenger GT is equally well equipped on the inside with standard features, such as premium Nappa leather seating, heated and ventilated front seats with four-way power driver lumbar adjustment, heated steering wheel with power tilt and telescoping column, Uconnect 8.4-inch touchscreen display with Apple CarPlay and Android Auto, six Alpine speakers with 276-watt amplifier, bright pedals, universal garage door opener and Hectic Mesh aluminum bezels.

1971-inspired design, both inside and out, the Dodge Challenger GT features refined exterior styling and heritage muscle-car appearance with split grille, pronounced and functional power bulge hood, LED halo headlamps and LED tail lamps.

With production beginning in January, the all-wheel-drive Dodge Challenger GT is scheduled to arrive at Dodge dealerships nationwide in the first quarter of 2017.

Real Estate Corner

Is the New Neighborhood Right for You? Test Drive It!

When seeking out new areas, check them out, live and in person. If you have a vacation coming up, pick a region, rent a car, and drive around to take a look. Spend some time in the area and ask yourselves these questions.

Do people have home pride?
Houses that aren't kept up can either signal an area full of renters or a town on the decline. But if people are clearly investing in their properties, it's a great sign that they're staying put because they like the town and believe that

their homes are good investments.

Who's hanging out?
Do people spend time outside? And are they the right kind of people? Do you feel comfortable saying hi to anyone? Are firefighters present at the local firehouse? Do packs of teenagers hang out on the corner? Depending on your observations, that town may or may not be a good fit.

What does it look like at night?
A cute neighborhood can look a

lot different at night. You should walk or drive around town when the sun goes down.

Who are my future neighbors?
Make sure that your trip takes place during a weekend because that's when people are more likely going to be out and about. If there's a local coffee shop, get a cup and sit and listen because, chances are, some of these people will be your neighbors. Don't be afraid to ask them some questions.

Is the police report positive?

Ask the police department to give you a crime log. You'll see exactly what's going on, and where.

What's rush hour like?
Take the route to work when traffic is at its heaviest to find out what both of your commutes would be like during the morning and evening rush hours. Even if your dream neighborhood is 10 miles away from work, it could take much longer in traffic, and that doesn't make any homecoming welcoming.

Spacious home on over three acres in amazing location

By Jim Akans

Brimming with features, top-grade appointments, and tons of space both inside and out, this fantastic custom home is set on three-and-a-third acres in a fantastic Boyne City neighborhood and location.

This five-bedroom, three-and-a-half bath, two-story home offers over 3,700 square feet of living space on the main two floors and finished lower level. The list of elegant amenities goes on and on, with highlights that include a gorgeous kitchen with granite countertops, hardwood flooring and a beautiful fireplace in the main living area, a luxurious master suite, central air conditioning and much more. A three-car-plus sized attached garage provides plenty of space to keep vehicles safe and dry with lots of room left over for those extra storage needs.

The grounds are impeccable. The nicely treed lot features a wonderful grove of lilacs, and in-ground sprinkler system, large 30x12 foot patio, over 500 square feet of decking, fire pit as well as horseshoe pits. The manicured lawn and extensive landscaping includes two rock gardens and a flowing pond. A covered front porch offers the perfect spot to sit back and enjoy the views, even during a gentle rain shower. The property abuts 19 wooded acres of Conservancy property for even more outdoor space to enjoy.

This fantastic home in a fantastic Boyne City neighborhood is located at 342 East Court Street, and the price has been reduced to just \$299,900. For a more information or to arrange a home tour, call Marty Moody, Associate Broker or Christopher Christensen, Associate Broker at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email at Marty@lyndasrealestateservice.com or Chris@lyndasrealestateservice.com.
