HIGH SCHOOL SOFTBALL WEEKLY RESULTS

Lady Lancers set up NLC showdown

Ellsworth 15-13, Wolverine 0-3

ELLSWORTH — The Lady Lancers moved one step closer to clinching the Northern Lakes Conference title, taking a pair of games from Wolverine, 15-0 and 13-3 on May 13, moving them to 8-0, setting up a showdown against Alanson (also 8-0). Game results from the May 16 contest were not available at press time.

Abby Nachazel picked up the pitching win in both contests, including a one-hit, seven-strikeout performance in game one and while McKenzie Essenberg pitched in relief.

In the opener, the Ellsworth offense got going as Samantha Miller, Olivia Spence and Nachazel each picked up three hits, with Miller and Spence picking up three RBIs and Nachazel adding two.

Sophie Sommer and Celia Dhillon each added two hits, with Sommer scoring three runs for the Lancers.

Game two saw much of the same for Ellsworth offense, as Nachazel blasted two homeruns, her seventh and eighth of the season, while Essenberg, Robin Sundelius and Gabby Glynn each chipped in with two hits apiece.

Ellsworth 14-5, Harbor Light 8-2

HARBOR SPRINGS — The Ellsworth softball team got another outstanding pitching performance from Abby Nachazel as she continues to rack up strikeouts, fanning 18 on the night as the Lady Lancers swept the Lady Swordsmen, 14-8 and 5-2 on May 10.

Ellsworth was led by Samantha Miller with three hits in game one, including a pair of triples, while Nachazel and Bahley Glynn added two hits each.

Game two saw Miller pick up two more hits, while Olivia Spence chipped in with two and Nachazel added one.

Red Devils upend Gladiators to earn split

East Jordan 2-2, TC St. Francis 1-16

EAST JORDAN — Knowing the situation is a key element of any athlete.

Red Devil junior second baseman, Kendall McNitt delivered on that in the top of the sixth inning as the visiting St. Francis Gladiators had the bases loaded with one out, trailing 2-1 on May 15.

With the game on the line, McNitt, took a ground ball, tagged the runner trying to advance to second and tossed it over to first for the game ending double play and a big win for the East Jordan softball team.

The dramatics were set up after the Red Devils scored twice in the bottom of the fifth, both runs on passed balls, to break a scoreless tie. St. Francis was able to score one in the top of the sixth, before the heads-up defensive play by McNitt.

East Jordan was limited to only three hits in the contest, singles by Marissa Kolp, Maddi Steltzner and Julia Sherman.

Abby Peterson earned the win in the circle, giving up one run on seven hits, fanning three and walking two.

"This was a great game," East Jordan coach Meg Kitson said. "I'm so proud of these girls. Everyone played great."

In game two, the Gladiators got to Red Devil pitcher, Amber Gibson early as TCSF scored two in each of the first two innings, and added three in the third, five in the fourth and four in the fifth. Peterson came

bled twice, while Ford and Hart each added a double.

Wurst earned the win in the circle, coming on in relief of Ellie Louiselle.

Hit Parade! Ramblers roll past Vikings

Boyer City 13-24, Grayling 0-1

BOYNE CITY — The Rambler softball team pounded out 28 hits, 12 of them going for extra bases as Boyne City rolled past Grayling on May 15, in a Lake Michigan Conference doubleheader, winning 13-0 and 24-1.

In game one, Katie Hoth tossed a one-hit gem, while striking out nine and walking three, to earn the pitching victory in the five-inning contest.

At the plate for Boyne, Kelsey Hubbard finished with three hits, including a double and two RBIs to lead the Ramblers. Hoth tripled among her two hits and two RBIs, while Katelyn Gabos singled and doubled with one RBI.

Also for BC, Brooklyn Fitzpatrick, Emma Vondra, Madi Rosenow and Taylor Delaney all added one hit each, with Delaney's a double.

The Ramblers big innings were a six-run second and a four-run third.

In game two, Boyne used an extended first inning to put the game away early, scoring 12 times. They would match that in their half of the second inning as well in the mercy shortened three-inning contest.

Madi Rosenow picked up the win in the circle, allowing one run on four hits, while walking two and fanning one.

At the plate for Boyne, Hoth finished 4-of-4, with two triples, a double and an inside-the-park home run to go with eight RBIs, while Vondra added two RBIs on her three hits. Grace Wells hit her first varsity home run to go with a double and three RBIs and Gabos added two hits and an RBI.

Also for the Ramblers, Hubbard tripled; Makhaylee Fiel, Olivia Looze, Rosenow, Sophia Morias and Fitzpatrick all singled.

on in relief.

The EJ offense was led by a two-run single off the bat of Kristin White, while Caitlyn Baugh and Bree Ross both added one hit each.

"The TCSF bats came alive, they hit well and found the gaps," coach Kitson noted.

Charlevoix's bats comes to life

Charlevoix 11-15, Harbor Springs 1-5

CHARLEVOIX — The Rayder softball bats did a lot of connecting and finding holes in the defense, as Charlevoix swept visiting Harbor Springs, 11-1 and 15-5 on May 15.

In the opener, Charlevoix used a 13-hit attack to put the Rams away, lead by three apiece from Nichole Hart and Emoneayh Ford, while Savannah McCullough, Hannah Soloman and Cheyenne Sprague chipped in with two each and Madison Olach doubled.

Shelby Wurst picked up the pitching victory, going the distance, striking out four, walking three and allowing three hits.

In game two, the Rayders kept the bats going, as Solomon connected for a triple among her four hits. McKenna Ebert dou-

Red Devil junior, Abby Peterson (14) delivers a pitch. Peterson and her teammates would earn a 2-1 victory over TC St. Francis in game one of a conference twinbill. (PHOTO BY CHRIS FIEL)

Fishing seasons opened in U.P. this week

The Michigan Department of Natural Resources reminds anglers that the fishing seasons opened this week in the Upper Peninsula. Seasons for walleye, northern pike and muskellunge for all Upper Peninsula waters including the Great Lakes, inland waters, and St. Marys River have opened.

Anglers currently can catch-and-immediate-release largemouth and smallmouth bass on most waters statewide. The possession season for bass opens statewide Saturday, May 27, except for Lake St. Clair, the St. Clair River and the Detroit River, which open Saturday, June 17.

Please note, anglers fishing the Michigan/Wisconsin boundary wa-

ters, Big Island Lakes Complex, Sylvia Wilderness Area and Seney National Wildlife Refuge should check the 2016-2017 Fishing Guide for specific regulations governing those areas.

The new license season began April 1, so anglers need to be sure they have purchased a new fishing license for this fishing season. The 2017 fishing licenses are valid through March 31, 2018.

Michigan's current Fishing Guide (2016-2017) always is available online, as are the Inland Trout & Salmon Maps. View or download it at michigan.gov/fishingguide.

DNR seeks public feedback on muskellunge

The Michigan Department of Natural Resources, in partnership with the Michigan Muskellunge Alliance, is investigating the muskellunge fisheries of the state again this year by distributing an online angler survey.

The 2017 Muskellunge Angler Survey will gather information about muskellunge angler demographics and catch data. Muskellunge anglers have been surveyed since 2014, but only online since 2016. Traditional methods, including creel and postcards, have not been as successful as collecting information through electronic means. The current survey can be found on the DNR website at michigan.gov/muskie and the Michigan Muskellunge Alliance website at www.michiganmuskiealliance.org/.

By completing this survey, anglers assist fisheries managers in their evaluations, assessments and trend monitoring of Michigan's muskellunge fisheries. Information collected includes fishing location, method used, catch preferences, catch-and-release data, and how frequently the individual fishes for muskellunge.

The information collected via the 2017 Muskellunge Angler Survey plays a key role in proper fisheries management. Anglers may fill out one survey per person per trip and they may complete a survey for each angling trip they make.

Anglers must obtain a muskellunge harvest tag when deciding to harvest a fish. These tags are obtained when purchasing a Michigan fishing license or any date thereafter, as long as the angler has a fishing license and a valid driver's license. Those interested in registering a harvested muskellunge (optional) can visit michigan.gov/muskie.

East Jordan State of the Community Luncheon

By Tina Sandelke

EAST JORDAN—East Jordan is heading in the right direction and its future is bright was the message members of the community walked away with after hearing four key-note speakers discuss the status of the city, schools, and DDA at East Jordan's State of the Community Luncheon Tuesday, November 11.

An air of optimism filled the Harvest Barn hall as 26 East Jordan High School seniors and other members of the community listened intently to Mayor Russell Peck whose speech focused on the challenges and infrastructure im-

provements that still lie ahead for the city. "All in all things are looking up, we're heading in the right direction. Together we will position our community for a resilient and sustainable future. Indeed, East Jordan's future is bright," he concluded.

Peck not only talked about all that the city has accomplished but emphasized the infrastructure improvements needed to accommodate new growth. "We are very optimistic about the future of our community and that optimism comes from the exciting new directions we have been heading," he said. He cited the city's sewer system that is already operating at 88%

capacity, sidewalks, and sea-pillings to be installed at the southwest side of the harbor next to the bridge intended to stop silt from filling the harbor (construction to begin in December) as projects that will further enable the city to grow. He mentioned the new well house (already up and running), the new open 24/7 recycling center and the \$12,000 kayak facility in the park which he stated presently "looks like an art project." "We are developing the kind of community we have envisioned for future generations. There is a positive up beat energy," he said.

DDA Chairman Tom Teske, Entrepreneur Director with the Northern Lakes Economic Alliance Tom Ehrhart, Chamber of Commerce Director Mary Facula, East Jordan Mayor Russell Peck and Ellsworth Superintendent Matt Stevenson addressed an audience of community leaders at the third annual State of the Community Address Tuesday, November 11. "East Jordan's future is bright," said Peck.

You may see DNR fish stocking trucks, like the one pictured here, throughout the state in the coming months as they take precious cargo to be stocked in waterbodies across Michigan. (COURTESY OF DNR)

DNR in middle of fish stocking season

The Michigan Department of Natural Resources has announced it is in the middle of its new fish stocking season. This spring you'll find DNR fish stocking trucks releasing their prized recreational cargo at hundreds of lakes and streams throughout the state.

Fish stocking is a valuable tool used by fisheries managers to restore, enhance and create new fishing opportunities in Michigan's inland lakes and streams and the Great Lakes. The DNR's Fisheries Division accomplishes this task by rearing fish at its six fish production facilities located throughout the state, cooperatively managing up to 46 rearing ponds and eight Great Lakes imprinting net pen locations, and maintaining a fleet of 18 specialized fish stocking vehicles.

Over the course of a typical year the DNR will stock roughly 26 million fish weighing nearly 350 tons, including eight species of trout and salmon and three coolwater strains of walleye and muskellunge. Beginning in mid-March and ending in early June, the DNR fish stocking trucks will travel well over 100,000 miles to stock between 700 and 1,100 locations.

Michigan anglers have access to four Great Lakes, 3,000 miles of Great Lakes shoreline, more than 11,000 inland lakes and tens of thousands of miles of rivers and streams. That puts residents and visitors no more than 10 minutes away from quality angling opportunities and world-class fisheries.

Visit the DNR website michigan.dnr.com/fishstock for information on local fish stocking locations.

HIGH SCHOOL BASEBALL ROUNDUP

Ramblers upended by Northmen

Boyne City 3-5, Petoskey 5-10

PETOSKEY — The Boyne City baseball team spotted Petoskey early on in each contest before battling back and coming up short in each outing, falling to the Northmen 5-3 and 10-5 in a non-conference twinbill on May 11.

In the opener, the Northmen crossed the plate four times in the opening frame and another in the second to make it 5-0, then they had to hold on as the Ramblers chipped away.

The Boyne offense finally got a run on the board in the top of the third when Tristan Stackus scored on an Ethan Hewitt single, making it 5-1 Petoskey.

The Ramblers pulled even closer with a two-run fifth, as Ethan Hills crossed the plate on a Dylan Hutterer double and then he scored on a Hewitt triple.

Freshman Nick Aown took the pitching loss for Boyne, tossing five innings of four hit ball, while walking four and fanning three.

Hewitt led the offense with his two hits, while Hutterer doubled and Austin Harmon singled twice.

In the nightcap, the Ramblers drew first, scoring in the top of the opening inning, but it was then that the Northmen that got to Hewitt (the Boyne starting pitcher) as Petoskey put up 10 runs in the bottom half of the frame.

Corbin Wilhelm finished the job on the bump, working five innings, allowing three hits, one walk and struck out three.

Stackus paced the Rambler offense with one hit each.

BC chipped away at the Petoskey lead, scoring one in the third, twice in the fifth and tacked on one more in the top of the sixth for the final score.

Red Devils outlasted by tough competition

Chippewa Hills 8, East Jordan 0

Marquette 4, East Jordan 1

PETOSKEY — The East Jordan baseball team took on some tough competition over the weekend, playing much bigger schools, falling to Chippewa Hills 8-0 and Marquette 4-1 on May 13.

In their opener against Chippewa Hills, the Red Devil bats were silenced as they only managed two hits, a double from Justin Barnett and a single off the bat of Chandler Bartig.

Ryan LaVanway took the pitching loss with both Bartig and Barnett seeing relief work.

In their contest against Marquette, East Jordan got off to a good start as Trey Peterson would

come around to score on a few fielding miscues, but that would be all that the Red Devils would get.

Barnett finished with the only two EJ hits, while also going the distance on the mound. He allowed five runs (three earned) on eight hits, striking out two and walking four.

“We knew going in that it would be a tough tournament in that we’d have to play some phenomenal baseball to escape with any wins, knowing that these were Class A and B schools we were playing.” East Jordan coach Tom Reid Jr. said. “I thought we played pretty well and the boys need to be proud of that. You can never be satisfied in a loss but when you do lose, you

need to take back the positives with you and the boys did a lot of things very well Saturday, especially compete with these bigger schools.”

East Jordan falls to LMC leader St. Francis

East Jordan 5-0, TC St. Francis 10-12

EAST JORDAN — The East Jordan baseball team, fresh off their weekend tournament in Petoskey, ran into another juggernaut in the form of Lake Michigan Conference leading and No.1 ranked in Division 3, Traverse City St. Francis.

A pair of Gladiator victories, 10-5 and 12-0 was enough to convince East Jordan coach Tom Reid that St. Francis is a top notch program.

“Not too much to say outside that TCSF is the real deal and are very deserving of their No. 1 state ranking,” coach Reid said.

In the opener, Chandler Bartig took the pitching loss, with relief help from Kaleb Raymond. While at the plate, Jake Skrocki and Keegan McDuffie each had two hits, including doubles, Justin Barnett added an RBI single and Colin Shepard finished with one hit.

In the nightcap, the Red Devils were limited to a pair of singles, one in the first inning by Skrocki and one in the second inning by Barnett, making it tough to manufacture any runs against St. Francis.

Skrocki took the pitching loss, while Owen Diller came on in relief

SOCCER

Charlevoix blanks both Leland and Kalkaska

Charlevoix 5, Leland 0

LELAND — The Rayder soccer team is really stepping up their game as the season moved past the midway point, especially on the defensive end. The latest victim, Leland, would fall 5-0 to Charlevoix on May 12.

While the defense is getting the job done by keeping the opponents out of scoring opportunities, the Rayder offense can't go unnoticed.

Charlevoix would get on the scoreboard just six minutes into the game when Leland was fined for a handball in the box. Rayder Megan Scholten would convert the penalty kick for a quick 1-0 advantage.

Scholten would find a cutting Natalie Nesburg with 26 minutes remaining in the first half and Natalie would bury a kick for the second Rayder goal of the night.

Later in the half, senior Julia Doskoch would position herself on the outside for a shot and goal as Scholten would once again find one of her teammates for a 3-0 cushion.

Defender Isabel Hess would add two assists in the second half, finding Rachel Nesburg for a corner shot at the 27:97 mark and later would string a pass to Scholten, who would rip a shot from about 25 yards out into the far upper of the goal with four seconds left on the clock.

Emily Hinkley and Grace Sprecksell shared the shutout in goal, as the Rayders improved to 10-4-1 on the season.

Charlevoix 5, Kalkaska 0

KALKASKA — Charlevoix kept up their momentum in the Lake Michigan Conference, improving their league record to 7-2 after defeating the host Blazers 5-0 on May 10.

Julia Doskoch found an open Rachel Nesburg for a goal with 29:45 left in the half to put the Rayders on the board a few minutes later; Payton Novotny would find sister Raigan Novotny with 19:48 left giving Charlevoix a 2-0 advantage headed into halftime.

Charlevoix would score their third goal of the game with 15:40

remaining in the contest when Natalie Nesburg crossed a ball into Emma Wachler who followed the ball into the back of the net. Julia Doskoch would then collect her second assist on the night when she found Payton Novotny for a 4-0 lead with 8:39 left in the game.

Natalie Nesburg add her second assist on the night when she connected with her sister Rachel for the final Rayder goal with 2:15 left in the game, making it 5-0.

Charlevoix keepers Emily Hinkley and Grace Sprecksell shared the shutout in goal, improving their season record to 9-4-1 overall and 7-2 in the LMC.
