Plenty of Venetian Festival ahead

By Michelle Medjesky

Events planned during the final days of Charlevoix's 87th Annual Venetian Festival promise to ramp up the fun, music and pageantry-and end with breathtaking blowouts in the sky.

The celebration will be all about music at the Odmark East Park Pavillion in the heart of downtown Charlevoix with the Venetian Rhythms series. The Tiki Tent will also be home to other groups and solo performers from 6 p.m. until 11 p.m. every night this week including:
 *Tom Zipp, Thursday, July 20
 *Charlie's Root Fusion, Friday, July 21
 *DJ: Charlie "Hipps" Witthoef, Saturday, July 22

The Odmark Pavillion in East Park will also continue to rock downtown Charlevoix throughout the week, culminating with a performance by pop-indie band The Ragbirds on Saturday night. COURTESY PHOTO

The Odmark Pavillion in East Park will also continue to rock downtown Charlevoix throughout the week. It will also be the site of the coronation of the Venetian Festival Queen at 7 p.m. on Friday, July 21. Musical performances all

Events planned during the final days of Charlevoix's 87th Annual Venetian Festival promise to ramp up the fun, music and pageantry-and end with breathtaking blowouts in the sky. PHOTO COURTESY OF TIM SALMONSON

scheduled to begin at 7 p.m. at the pavillion this week include:
 *Dave Bennet Trio, a jazz/ 50s rock band, opening for country musicians The Swon Brothers, Thursday, July 20.
 *"AbbaMania" Friday,

July 21st, also at the pavillion that night starting at 7 p.m. there will be the Introduction to Ryan Shay Mile Runners, the Venetian Festival Queen Coronation and the festival's art auction will be held.
 *The "Up North Big

Band" will also be performing from 8 p.m. until 10 p.m. at Ferry Beach on Friday, July 21.

*Jeff Lehman, a soul/classic rock/jazz musician will be the opening act for the headliner indie/pop group The Ragbirds on Saturday, July 22.

After the street parade at 11 a.m. on Saturday, July 22, many diverse sounds of music will fill the streets and area downtown parks in Charlevoix throughout the day with ongoing performances by the Petoskey Steel Drum Band, the Plymouth Fife and Drum Corps and the Sault Ste. Marie Pipe Band.

There are no tickets required and no cost for any of the musical events held

Boyne City woman who murdered her mother found not guilty by reason of insanity

By Michelle Medjesky

CHARLEVOIX - A Charlevoix County judge has agreed to accept a plea of not guilty by reason of insanity from a

Racheal Marie Crisman

Boyne City woman who confessed to stabbing her mother to death last fall.

Racheal Marie Crisman, 30, of Boyne City, confessed to police and neighbors that she murdered her mother, 53 year-old Regina Plevinski, at the home the two shared on October 25, 2016. An autopsy later showed Plevinski died of multiple stab wounds to the chest.

Charlevoix 33rd Circuit Court Judge Roy C. Hayes III last week accepted Crisman's plea of not guilty by reason of insanity to the charge of involuntary manslaughter, according to a statement released by Charlevoix County Prosecuting Attorney Allen Telgenhof

Telgenhof said after agreeing to her plea, Hayes signed a commitment order mandating that Crisman spend a period not to exceed 60 days being evaluated at the Center for Forensic Psychiatry in Ann Arbor, where she has previously been assessed, noting that is a requirement for any defendant raising an insanity defense.

"In this case, Dr. Susan Tremonti from the Center opined (at an earlier date) that at the time she killed her mother, Ms. Crisman suffered from a mental illness that caused her not to appreciate the nature and quality and wrongfulness of

The East Jordan Music in the Park Concert Series proudly welcomes "The Moxie Strings" to the Memorial Park Bandshell on Friday, July 21 at 7pm. COURTESY PHOTO

Music in the Park welcomes Moxie Strings

The East Jordan Music in the Park Concert Series proudly welcomes "The Moxie Strings" to the Memorial Park Bandshell on Friday, July 21 at 7:00 PM. Hailed by the Grand Rapids Press as "top-notch, instrumental wizardry." The Moxie Strings, comprised of Diana Ladio and Alison Lynn and often joined by percussionist, Fritz McGirr all hold Bachelor of Music Degrees in music performance.

They compose the majority of their pieces and arrange melodies from many traditions, resulting in a genre-blurring blend of ear-catching melodies and foot-stomping, rock in-

fluenced rhythms. Alison performs on a newly-invented electric cello and Diana on a contemporary 5-string violin both through a variety of audio effects pedals. Fritz performs on a mix of world percussionists' instruments and drum kit. Their high energy, polished show and unique sound of folk and eclectic music have made them a very popular instrumental act.

Bring your chairs or blankets and be ready for a delightful evening of music. Come by car or boat to enjoy dinner and shopping in East Jordan prior to the evening event. East Jordan Music in the Park Concert Series is proudly

Co-Sponsored by East Jordan Area Chamber of Commerce, East Jordan Downtown Development Authority and Jordan River Arts Council.

To make a tax deductible contribution to continue bringing these summer concerts to East Jordan, please send your checks to City of East Jordan, concert Series, P.O. Box 499, East Jordan, MI 49727 - "Music in the Park" in the memo section. For further information contact the East Jordan Area Chamber of Commerce, 231-536-7351 or info@ejchamber.org.

EAST PARK, CHARLEVOIX • THURSDAYS • 8AM-1PM

Charlevoix & Emmet County awarded Emergency Food & Shelter grants

Emmet County has been awarded \$3,673 and Charlevoix has been awarded \$2,862 in Federal funds under the Emergency Food and Shelter National Board Program, as part of the state set aside. These funds will be distributed by a Local Board and are used to supplement emergency food and shelter programs in these counties through January 31, 2018. Although the funding has been severely cut over the past two years from a combined total of \$50,047 in 2015 to \$6,535 this year, the funds still fill a necessary gap in services for those in need.

The award was made by a National Board that is chaired by the Federal Emergency Management Agency and consists of representatives from the Salvation Army; American Red Cross; United Jewish Communities; Catholic Charities, USA; National Council of the Churches of Christ in the USA; and, United Way of America. The Local Board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

The Local Board is chaired by Char-Em United Way and includes representatives from the Salvation Army, American Red Cross, Temple B'Nai Israel, Catholic Human Services, Emmanuel Episcopal Church, the Little Traverse Bay Band of Odawa Indians,

governmental representatives from both Counties, the Department of Human Services, both Community Foundations, and the Nehemiah Project.

This board will determine how the funds are will be distributed among the emergency food and shelter programs run by local service agencies in Charlevoix and Emmet Counties.

Under the terms of the grant from the National Board, local agencies chosen to receive funds must: 1) be private voluntary non-profits or units of government, 2) have an accounting system, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they are a private voluntary organization, they must have a voluntary board. Qualifying agencies are urged to apply.

Emergency Food and Shelter funds were awarded to the following agencies last year: Women's Resource Center, the Salvation Army, and the Manna Food Project.

Public or private voluntary agencies interested in applying for Emergency Food and Shelter Program funds must contact Lorraine Manary, Char-Em United Way, P.O. Box 1701, Petoskey MI 49770; phone 231-487-1006; email info@charemunitedway.org for an application. The deadline for applications to be received is 5 p.m. Friday, July 28, 2017.

Brand new Boyne City home in great location

By Jim Akans

Newly constructed by the BCPS Building Trades Class, this beautiful new home is located in a great Boyne City location.

This three-bedroom, two-and-a-half bath home has approximately 2,241 square feet of beautifully appointed living space. Among the many interior highlights are gorgeous wood floors in the open main living, dining, kitchen areas and entry, stunning kitchen with white cabinetry and convenient center island with wood finish cabinetry, huge master bedroom suite, wood sash thermally insulated windows and much more.

Outdoors a covered front porch and covered rear deck overlook the property, which features trees and an underground sprinkler system. A paved drive leads to a two-and-a-half car garage that is attached to the home.

This brand spanking new home in a great Boyne City location is at 526 Jefferson Street in Boyne City and it is listed at \$274,900. For a more information or to arrange a home tour, call Lynda Christensen, Associate Broker or William Christensen, Associate Broker at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email at Lynda@lyndasrealestateservice.com or Bill@lyndasrealestateservice.com

WoofStock 2017

The Charlevoix Area Humane Society will host the fourth annual WoofStock Pet and Music Festival on August 5, from Noon -6:00pm. The day will be a full day event to celebrate a wide variety of music in support of the North West Michigan Region and the animals we love.

This festive fundraiser will be held at the facility and grounds of the beautiful Mackinaw Trails Winery on 131 just south of Petoskey Michigan. There will be 10-12 bands performing during all day and early evening on 2 stages, and a hosted open mike stage. The setting and lineup will give enthusiast several venues and a great variety of entertainment options.

There will also be animal agility demonstrations, Dog Pulling Competition, pet contest, Horse Drawn Wagon Rides, The now famous Daschie Derby at 3:00, and more, for a full pet friendly day.

Food, craft and pet related vendors will be in attendance to sell and show off

their products and services. Mackinaw Trails Winery will provide Beer and Wine Sales during the event. A wonderful "Silent Auction" will be on hand for your bidding pleasure. Admission is by donation for a full day of music, entertainment, and fun for the whole family and your pet friendly dog.

Sponsorships are still available ranges to fit any budget.

This event is brought to you by Mackinaw Trail Winery and Brewery, Subaru by the Bay, Bliss Fest Music Organization, Jensen's Animal Hospital, and Lite 96.3

For more information please contact the shelter 231-582-6774 or director@charlevoix-humane.org.

Friends of the Charlevoix County Community Foundation celebrate

More than a hundred friends of the Charlevoix County Community Foundation gathered at Castle Farms last week to celebrate 25 years of making a difference close to home. Founding board members and supporters established the Community Foundation with little more than a good idea for enhancing the quality of life for Charlevoix residents and visitors.

The program included Scott Beatty, a local attorney who served as the founding board chair beginning in 1992.

Beatty reflected on his service, telling the crowd that "it was an honor to be a part of developing the Community Foundation in the beginning, and it's even more special today, seeing the growth of the Community Foundation, and the impact it has as a philanthropic resource in Charlevoix County."

Founding president Bob Tambellini shared an early and lasting feature of the Community Foundation that he found to be extremely compelling: "The Community Foundation was and is not just for people of wealth,

More than a hundred friends of the Charlevoix County Community Foundation gathered at Castle Farms last week to celebrate 25 years of making a difference close to home. COURTESY PHOTO

but for all people who love this place."

Tambellini went on to highlight how the Community Foundation was tested with two recessions during his time as president.

"Our Finance Committee and Board of Trustees made solid decisions at that time to protect Community Foundation resources but also to do our best to meet community

needs during those times of great instability. Donors stepped in to keep steady our support for students, disadvantaged neighbors, and dedicated nonprofit organizations - we couldn't have done it without them," Tambellini explained.

Charlevoix resident and second generation trustee Valerie Snyder followed. Snyder compared the Com-

munity Foundation to a bridge, serving between the needs and opportunities of the community and the people who care enough to support them.

She described the role of the Distribution Committee, which reviews grant recommendations and allocates grant dollars; "representatives from different areas of the County, with different

knowledge of community needs, distribute the available dollars in response to grant requests from non-profit partners. I clearly understood the impact that those dollars would have on programs and projects that were funded, but what I didn't anticipate was the meaningful impact that serving with the Community Foundation would have on

me." Community Foundation president Chip Hansen closed the program with remarks focusing on the opportunity to build on what those who came before created.

"Our first quarter-century has been, thanks to the support of donors large and small, a period of amazing growth. You don't have to look very far to find the footprint of the Community Foundation in Charlevoix County," Hansen began. "The next 25 years will see us continue to work, each day, to ensure that the Community Foundation is well-positioned to direct charitable resources where they are needed the most, when they are needed the most."

For more information about grant application information or ways to make a difference close to home, call the Community Foundation office at 231/536-2440, visit the website at www.c3f.org or e-mail Chip Hansen, President at chansen@c3f.org.

Hole in One

Miles Imel of East Jordan recorded his 1st hole-in-one on hole 4 at The Mallard of East Jordan. Miles is 13 years old. (COURTESY PHOTO)

Noted pastor and author to lead Camp Meeting at Greensky Hill

The Rev. Dr. Glenn M. Wagner who serves as the co-chair for the new Michigan Conference of the United Methodist Church will be the guest preacher on Friday, July 28, Saturday, July 29 and Sunday, July 30 at the 2017 Camp Meeting, "The Greatest Story Ever Told," hosted by Greensky Hill Indian Mission United Methodist Church in their Tabernacle in the woods at 8484 Green Sky Hill Rd, Charlevoix.

The meetings on Friday and Saturday will begin at 6pm and Sunday's service will begin at 11am. This Camp Meeting has a long heritage (the church is over 175 years old) as an old-time tent-meeting style revival. Each service includes special music and is followed by a meal.

According to Greensky Hill pastor, Rev. Jonathan Mays, "Archaeologists from the Little Traverse Bay Band of Odawa Indians plan to record stories during this year's camp meeting to help them make sense of artifacts they're finding on our sacred site and so that these important stories can be preserved for future generations."

A recent reviewer said of Wagner, "Rarely do you find someone who is accomplished as a preacher, or a teacher, or a story teller. Glenn Wagner does all three of these things extremely well. He is inspirational."

Wagner will also hold book signings of his newly published book, "God Incidents: Real-Life Stories to Strengthen and Re-

store Your Faith." The book is written for people who have lost faith in God or those who wish to help persons who struggle with faith issues. Copies of Wagner's book will be available for purchase at Camp Meeting. They can also be previewed and ordered in print or e-versions online through Amazon or via links found at www.glenmwagner.com.

Prior to his retirement in December as pastor of Grand Haven's United Methodist Church of the Dunes, Wagner previously served Michigan congregations in North Muskegon and in Holt, Michigan. In Muskegon he was vice chair of Muskegon County Community Mental Health Board, vice chair of Harbor Hospice, and Chairman of the West Shore Committee for Jewish Christian Dialogue. Congregations Wagner has served in Illinois, Connecticut, Florida, Michigan, and England helped to establish a scholarship in his name at Garrett Evangelical Theological Seminary to train promising candidates for ministry in 2006. Glenn has also traveled extensively. He has studied in the Middle East and served as a missionary in Taiwan.

Wagner is a graduate of Hope College, Yale Divinity School where he was the recipient of the Mersick prize for preaching, and Garrett Evangelical Theological Seminary. Wagner and his wife, Nancy currently reside in Holland, Michigan. The public is welcome to attend the Camp Meetings.

Ione B. Lugibihl, 86

(DEC. 19, 1930 - JULY 12, 2017)

Ione B. Lugibihl of Charlevoix passed away on July 12, 2017 at Boulder Park Terrace in Charlevoix.

Ione was born on December 19, 1930 in Carp Lake, Michigan the daughter of Dewey and Ruth (Struble) Fosmore. Ione and her husband Jim built and started The Bible Baptist Church in Charlevoix in 1955. She spent many years as a pastors' wife teaching Sunday School. Ione was the bakery manager at Oleson's Food Store in Charlevoix for 15 years. She enjoyed spending her time with her family, cooking and baking.

Ione is survived by her children, Les (Karen) Lugibihl of Charlevoix, Ruth (Mark) Murray of Charlevoix, Brenda Harwell of Boyne City, Nancy (Mark) Stoel of Merrill, WI, Cheryl (Bob) Wojan of Charlevoix, Phyllis (Larry) Lenhart of Charlevoix, brother, Wilbur (Shirley) Fosmore of Charlevoix, 14 grandchildren, 28 great-grandchildren.

She was preceded in death by her husband, Jim Lugibihl, sister, Bernice Allarding, brother, Ralph Fosmore, baby brother, William Fosmore, great-granddaughter, Lila Tornga

and her parents.

Funeral services were held at The Bible Baptist Church on Saturday, July 15, 2017 with Pastor James Green officiating.

Memorial contributions may be directed to the Bible Baptist Church, 5855 M 66 N, Charlevoix, MI 49720.

Arrangements are being handled by the Winchester Chapel of Mortensen Funeral Homes. Online guest-book at www.mortensenfuneral-homes.com.

Kim Peter

Tonkavich, 69

(MAY 14, 1948 - JUNE 7, 2017)

Beloved husband, father and grandfather passed away on June 7, 2017 at the Karmanos Cancer Center in Detroit, Michigan with his wife and daughters by his side.

Kim was born May 14, 1948 to the late Bernard and Leona (Buckay) Tonkavich in Detroit, Michigan. He married Cynthia Woodward on August 22, 1970. He is survived by his loving wife Cyndy; daughters Marsha Zimmerman (Jason) and Melissa Tonkavich; and grandchildren Cohen and Marlee Zimmerman. Kim

has two brothers Robert Tonkavich (Patti) of Midland, Michigan and Thomas Tonkavich (Terry Ann) of Gainesville, Florida.

Kim graduated from Ferris State University in 1971 with a degree in Pharmacy. He began his career in pharmacy at Saginaw General Hospital. He then moved to Group Health Service which later became Blue Care Network. His final assignment was Director of Pharmacy for the Blue Care Network Clinical Staff Models. Kim retired in 2010 but continued his love for pharmacy by acting as a private consultant for the pharmaceutical industry.

Captain of Dreamweaver, Charisma and lastly Endless Dream, Kim loved sailing the Great Lakes with his family and friends during the summer months. His love of the water lives on through his wife, daughters and grandchildren. Once the snow came Kim could be found skiing down the slopes both in Michigan and out west. When the weather kept him in he could be found in his workshop working on countless projects.

We will always remember Kim's love for his family, his wink for granddaughter Marlee and the projects he and grandson Cohen made in the workshop.

Family and friends will gather together to celebrate Kim's life on Sunday, August 6, 2017 from 1 - 4 p.m. at Somerset Pointe Yacht Club, 4416 Lakeshore Drive, Boyne City, Michigan.

A special thank you to our many friends for their love and support during the past year and to the Karmanos Hematology and Cancer teams both in Petoskey and Detroit for their care for Kim and support of our family. Those wishing to make a

contribution in Kim's memory are asked to consider Ferris State University School of Pharmacy, the Lake Charlevoix Association or the Tip of the Mitt Watershed Council.

Phyllis Dawn Baatz, 68

(JULY 21, 1948 - JUNE 30, 2017)

Phyllis Dawn Baatz, of East Jordan, passed away on Friday, June 30, 2017 at the age of 68.

Dawn was born in Petoskey on July 21, 1948 to Racil and Olive (Hubble) Mapes. On August 13, 1988, she married Richard David Baatz, with whom she spent 22 years at the time of his passing. She worked with Honeywell Factory for over thirty years, and enjoyed spending time and eating out with her sister, Betty.

Dawn is survived by her sisters, Betty and Lucille ("Tootie"); brother Harold ("Buster"); many nieces, nephews, and grand-nieces and -nephews; and her dog, Coco. She is preceded in death by her husband, Richard; parents Racil and Olive; and brother Racil "Pepper" Mapes.

A celebration of Phyllis' "Dawn's" life was held on Sunday July 16th, 2017 at the Eagles Lodge in Boyne City.

Memorial contributions may be made to Hiland Cottage. Arrangements were entrusted to Nelson Funeral Home, P.O. Box 1548, Gaylord, MI, 49734.

Nina Gidley Harrison, 67

(OCT. 22, 1949 - NOV. 20, 2016)

A celebration of the life of

Nina Gidley Harrison will be held on Saturday, July 22, 2017, at 11:00 A.M. at the First Presbyterian Church in East Jordan. A luncheon will follow the tribute.

Nina died on November 20, 2016. For 12 years she struggled against GBS (Gillian-Barre Syndrome) and all the after-affects and all the continuous new developments caused by this disease.

Nina was born October 22, 1949, and grew up on Lake Charlevoix in East Jordan. Small town life was good. She went door-to-door selling Girl Scout Cookies, baby sat, worked in her father's drug store, taught Sunday school and tapped maple trees. In school, she played in the band, took photos for the yearbooks, participated in school plays and was active in numerous clubs. The entire family thoroughly enjoyed the year Marita (foreign exchange student from Sweden) joined the family.

After graduation, Nina attended Northwest Michigan Junior College in Traverse City for 2 years. She then transferred to Western University in Kalamazoo and enrolled in the nursing programs. Quickly, Nina decided that nursing was not her calling and she then entered the business program. Meanwhile, she married, had a son, Matt, a daughter, Kelly, and continued to attend school and work inside and outside of home.

It took 10 years! Ten years of dedication and she had her Bachelor Degree! In the 70's, married women and mothers in business were not as accepted as they are today. When Nina was promoted at Philip Morris, the Kalamazoo newspaper published as article about her and her promotion.

In 1994, Nina moved to

Raleigh, NC, seeking a warmer climate and new job opportunities. In 2003, she met Keith Harrison and they married on January 2, 2004, two days later.

Nina was in the hospital ICU and remained there for almost 3 months. Together Nina and Keith faced many challenges presented by Nina's health - operations, therapies, experimental drugs, blood transfers, test, etc.

Although Nina never fully recovered and before her health deteriorated more rapidly, she and Keith were able to travel to Alaska, mini-casino trips, Arizona and Michigan. And joy of joy, she became a grandmother four separate times, a boy, a girl, a boy and another girl. She was determined to make many great memories with them, and she did!!

Nina's family and friends will always remember her courage, determination, love of e-bay, spirit, love of her fur babies, sense of humor, her love for East Jordan and her roots, love of life and her total dedication and love of family.

Nina is survived by husband, Keith Harrison; son, Matt (Julie) Gidley; daughter, Kelly (Norberto) Rosado; 4 grandchildren, Silas Gidley, Makayla Rosado, Braiden Rosado and Lola Gidley; her sister, Sally Lilak; 2 nephews; and 4 great nieces. She was preceded in death by her brother, James Gidley in 1974, father, Hugh Gidley in 2008 and mother, Evelyn Gidley in 2016.

Memorial contributions may be given to Transitions LifeCare Hospice, 250 Hospice Circle, Raleigh, NC 27607, hospice of donor's choice, or First Presbyterian Church in East Jordan.

LETTERS TO THE EDITOR

Letters may be submitted by e-mail to office@Charlevoix CountyNews.com.

To the Editor,

In response to Mitchell Jon MacKay's comment and three questions at the end of his writings on "Death and Dying American Style"

Comment: Death and dying remains the end of something inexplicable, namely the life force itself... The life force begins when God breathes the breath of life into each human.

Where did we come from... God created humans.

Why are we here... To have fellowship with God.

Where are we going... Eternity. Each person has a choice of two places; heaven or hell. No human is going to get out of this alive. So far anyway, all but two, Enoch and Elijah.

Answers to your comment and all three questions are in the owners manual... the Bible.

Respectfully,
Laura Essenberg,
Ellsworth

UNEMPLOYMENT HEIST – MICHIGAN

To the Editor,

Those who are complicit in this glitch by computer naturally insist they are immune from prosecution. That's your classic example of exemption from responsibility for what you have

been paid to do, that is monitor the machinations of bureaucracy. We can't sue computers so we must look to the computer operators who of course disavow guilt.

Since one can find a lawyer to plead any motion, the battle will be fought in court. Meanwhile there are ambulance chasers, uh, other lawyers who are already preparing class action lawsuits against the state for back pay, fees and fines, harassment etc., etc. How it all spills out nobody knows although surely everyone understands the frustration of being accused, fee'd and fined for something you didn't do. Therein lies the dilemma to be faced with automation, robotics and all things engineered to run smoothly – until they don't. One thing we learned from the Nixon and Clinton depositions is that there is a responsibility clause inherent in political office. Whether low level bureaucrats can be held to this standard remains to be determined.

C'mon! This transpired over the course of two years! Workers were penalized by a computer, lost homes, livelihood, cars, even families in some cases. There ought to be some recompense. Restitution is a popular word now with the exonerations of thousands of wrongfully convicted

prisoners nationwide. After Governor Rick Snyder's boner with the Flint, Michigan waterworks it ought to be on his shoulders to fix this. That looks doubtful. These bureaucrats don't care about workers or the public in general other than at campaign time.

This puts the unemployment debacle in perspective but it doesn't resolve the issue. That could take years. It took microseconds to close those cases of alleged fraud but takes half a lifetime to remedy it. That, friends and neighbors, is your government at work. No wonder half the populace voted for Trump. Not being in a position to personally interview those directly affected, we must rely on what we read. As to how trustworthy the press is, this is in transition right now, though the Detroit Free Press, USA Today, some online news outlets, some weeklies, some magazines are reputable, the rest questionable. As to Donald Trump's assessment of the press, it appears he doesn't like the ones that tell the truth about him, that fail to praise him. That's not what the press is all about. Shall we intone the 1st Amendment to the US Constitution? Someone should set that to music, the lyrics already etched in stone

though few chuse to read incunabula.

Otherwise the imbroglia will perchance stretch out indefinitely. Like the Flint crisis there are unknown developments to come. Judging by what has been observed of the Vietnam aftermath as vets finally received recompense for PTSD and so on, this could take decades to finalize if then and who knows who wins, who loses? Ordinary people know what's right and wrong but it usually doesn't shake out that way. There exists a middle ground of compromise we cannot avoid.

In any gear we're accelerating the obvious holds sway: the people got screwed by a government computer unmonitored by human hands and minds. Now what? Wait for the machinations of bureaucracy to rectify what has been erroneously done? As with all things legal much will be worked out behind closed doors. They don't want the negative publicity so they'll figure some way to soften the blow and bow out as gracefully as possible. Tis always thus. As we shift into second gear the motor is whining, in third the engine is calmer but irregular. Bureaucracy working in retrospect is suspended animation. The state of

Michigan can't fix this but only postpone the inevitable, which is to say reimbursement is of the essence here. Without money this won't work.

These guys and gals suffered insult after injury and need desperately some comeuppance, restitution. Snyder already spent much of the fund for Unemployment so we know where he's coming from. They don't care about the working man and woman, they care about their condos and lakefront properties and their business counterparts. That is the sorry sordid truth of governance. The unemployed don't matter in the least, the poor less, the outer class nonexistent, Hispanic help available at cost. This is the way it is here and now, a hypocritical double standard. The Unemployment Heist remains insolvent; those responsible try to claim indemnity. Is there life after a botched political office? Jennifer Granholm instantly appeared on TV talk shows; Bill Clinton got a \$12 million advance to produce a book, Hillary \$8 million. What about the unemployed after an Unemployment scandal?

Mitchell Jon MacKay,
East Jordan

Adopt-A-Highway cleanup next two weekends

Motorists should be on the lookout beginning Saturday as thousands of Adopt-A-Highway volunteers fan out along state roadways from Ironwood to Detroit picking up litter. Participants in the Michigan Department of Transportation (MDOT) program will clean highway roadsides from July 15 to 23 during the second of three scheduled pickups this year.

"These dedicated Adopt-A-Highway volunteers help maintain our highways as a source of pride for every community in Michigan," said State Transportation Director Kirk T. Steudle. "Let's show our respect for their hard work by staying alert during the summer pickup and driving with extra caution when we see these crews on the roadside."

Every year, Adopt-A-Highway volunteers collect more than 60,000 bags of trash. The popular program began in 1990 and has grown to involve more than 2,800 groups cleaning 6,400 miles of highway.

Getting involved in the program is straightforward. Volunteers include members of civic groups, businesses and families. Crew members have to be at least 12 years old and each group must include at least three people. Groups are asked to adopt a section of highway for at least two years. There is no fee to participate. Adopt-A-Highway signs bearing group names are posted along the stretches of adopted highway.

When working in a highway right of way, Adopt-A-Highway volunteers wear high-visibility, yellow-green safety vests required by federal regulations. MDOT provides free vests and trash bags, and arranges to haul away the trash.

Sections of highway are available for adoption all over the state. Montcalm County, for example, has least 10 sections available. Interested groups can get more information on joining the program at www.michigan.gov/adoptahighway.

Several landfills in southwestern Michigan are also chipping in to help the Adopt-A-Highway Program. Westside Landfill in St. Joseph County, C&C Landfill in Calhoun County, Orchard Hill Landfill in Berrien County, Southeast Berrien County Landfill near Niles, and Republic Services Gembrit Circle Transfer Station in Kalamazoo have all agreed to accept trash generated by the three annual scheduled AAH pickups at no charge. In exchange, these businesses will receive a sign recognizing their support.

The year's final Adopt-A-Highway pickup is scheduled for the fall, from Sept. 23 to Oct. 1.

ART SHOW

FROM PG. 1A

munity attending our first-ever show in Boyne City and appreciate the support of Create Community Arts Studio in bringing this to the community.”

Sara Manchester, founder of Create: Community Arts Studio, said, “We are thrilled to support the talented artists and dedicated organizations that have come together for this show. Our studio believes art is important and art is for everyone and we are pleased to be a part of Art Speaks.”

Art Speaks’ goal is to continue the trend in Northern Michigan of making re-

sources, space and classes available to people that otherwise might not have the opportunity to show and enhance their talent.

North Country Community Mental Health provides services to residents of Antrim, Charlevoix, Cheboygan, Emmet, Kalkaska and Otsego Counties experiencing a severe emotional problem, serious mental illness or intellectual/developmental disability, including individuals with a co-occurring substance use disorder. Persons wishing to know more about the agency are encouraged to visit www.norcocmh.org or to access services call 800-834-3393.

NOT GUILTY

FROM PG. 1A

her behavior as well as the capacity to conform her behavior to the requirements of the law,” Telgenhof stated.

He said that while there existed an option to seek a second opinion regarding Crisman’s mental health status, he believed it would have been “very difficult to attack” Tremonti’s opinion at trial.

“The doctor found that Ms. Crisman was illogical and paranoid at the time of the homicide and killed her mother believing that people, including her mother, were conspiring against her and were going to kill her and had attempted to kill her previously,” Telgenhof said.

He said that the day before she murdered her mother, Crisman had been taken to War Memorial Hospital in Chippewa County to be treated for anxiety and sleep deprivation issues but was not admitted and was then released.

Telgenhof said Crisman was due to appear in court the morning of the murder for an unrelated matter and had been stressed about that.

That same day Plevinski had filed papers in Charlevoix County Probate Court asking for her daughter to be involuntarily committed, Telgenhof said.

Plevinski alleged in her petition that her daughter “had attempted to kill a dog, was hallucinating and speaking conspiracy theories” and furthermore claimed the hospital “had attempted to poison her with anthrax,” Telgenhof said.

“Unfortunately, it appears that Ms. Crisman was spiral-

ing mentally, becoming more and more paranoid and with the added stress of a court hearing and being taken to the hospital the prior day, she acted out, believing that if she didn’t kill her mother, that she would be killed,” Telgenhof stated, “While witnesses believed that the Ms. Crisman might have been under the influence of drugs, this was thoroughly investigated and tests conducted by both the Michigan State Police crime lab and an outside company hired independently found no illegal drugs in the Defendant’s system.”

Telgenhof said after Crisman spends up to 60 days being further evaluated at the Center for Forensic Psychiatry, a report of her assessment will be filed with the court to recommend treatment options.

“While Ms. Crisman will not be sent to a prison facility, the state mental health facilities are secure facilities where Ms. Crisman will be detained,” Telgenhof said.

He went on to applaud area law enforcement for their professionalism and work on the Crisman murder case.

“The Boyne City Police Department did an excellent job both at the scene of the crime, calming the Defendant, controlling the situation and investigating the offense,” he said, “They were also assisted by Charlevoix County Animal Control Officer Emily Reynolds and Emmet County Deputy Wade Leist, both of whom happened to be in the area at the time of the homicide.”

East Jordan School budget in the black

By Michelle Medjesky

EAST JORDAN - The saying "Life is Good" could easily be applied to the East Jordan Public Schools district and its 2016-2017 year officially ending with a general uptick in budget, millions of dollars in building upgrades approved and a teaching staff content with its contract.

At its last meeting for the 2016-2017 fiscal year in June, district superintendent Matt Stevenson said the East Jordan Public Schools Board of Education voted in favor of a budget amendment that proved this district is not only paying its bills, but saving for a rainy day.

Stevenson said the board-approved amendment indicated the district's unaudited revenue exceeded its expenses by roughly \$65,000, a figure that once combined with its fund balance reflects about 7 percent of the district's annual budget.

Stevenson said the 7 percent balance is a decided improvement over what was the district's balance of 1.5 percent from when he took the helm in the East Jordan district three years ago.

"Coming in like that to a 1.5 fund balance, well...I knew it was going to be an uphill battle," Stevenson said, "I knew we had to be really vigilant and conservative."

He said getting those numbers back up has been a slow and steady process, particularly since his district tends to reflect somewhat of a transient demographic and can experience periods of decreasing enrollment.

While the occasional drop in student enrollment is not remarkable (usually just a handful of students each year) even small numbers like that can factor into the budget of a district East Jordan's size, he noted.

Nevertheless, Stevenson's district is clearly—albeit slowly—gaining ground.

"We're not breaking any land

speed records here, but we're excited because we have been really keeping steady with our numbers and everything is looking good," he said.

Stevenson is quick to credit his district's progress and ongoing "in the black" budget trajectory to all the players in his district—from teachers and administrators to other staff, parents and students.

"We're all on the same team here and we work really hard so that everyone can understand what decisions need to be made and why we're making them," Stevenson said.

Buoying this year's "in the black" budget report was how voters in his district finally approved a nearly \$11 million bond issue in May after the same proposal failed to pass by just three votes in an earlier election.

Stevenson said he's not sure why so few citizens voted in that first election, however, he was thrilled when some 200 voters came out to make sure the measure passed resoundingly when again proposed in May, because significant improvements have long been needed in buildings and programming within the East Jordan school district.

"They (the voters) made sure their voices were heard this time, and we're really excited now because we can make so many improvements we've needed for a very long time. Some of our buildings date back to the 40s," Stevenson explained, "So we're going to improve roofs, boilers,

windows, hallways, bathrooms...we're going to update our entry ways to make them more secure."

The bond issue is also earmarked to pay for new buses and for technology and other upgrades.

Along with voters approving the multi-million dollar bond issue in May, Stevenson said teachers in his district also recently reached a 3-year contractual agreement. The hammering out of a suitable contract with staff was "really a great process", Stevenson said, that involved the thoughtful participation of teachers, administrators, union leadership and the district's business management team.

"We really came to a consensus that's going to help our teachers and our district," Stevenson said.

Stevenson said the East Jordan School board also approved the upcoming 2017-2018 school budget, which again is projecting the district to be in good shape financially for the upcoming year, with the general fund's revenue projected to exceed its expenses by some \$75,000.

With his district's budget in the black, badly-needed upgrades in the works and a happy staff, Stevenson said he's excited about the future of the East Jordan Schools district and foresees its steady growth.

"It's inevitable the numbers are going to grow in East Jordan. We're already seeing it in the city, in the businesses...We just need to focus on what we need to sustain that growth., like we can get people jobs here, but we need more affordable housing," Stevenson said. "But there are some really great things going on here and we're excited about that. We want people to know that East Jordan really is a great place for families and for kids to grow and learn."

New plans to keep 2017 Annual Bridge Walk secure and convenient

The Mackinac Bridge Authority (MBA) today outlined improvements it will make to ensure the safety and convenience of participants in the 2017 Annual Bridge Walk, as well as efforts to keep the public informed about the bridge's closure during the 60th anniversary event. Plans were presented during the MBA's regular board meeting this morning at the Mackinac Island City Hall. The meeting was broadcast live on the Michigan Department of Transportation's (MDOT) LiveStream channel, and is available to view here: <https://livestream.com/MDOT/MBAmeeting071317/videos/159750399>.

"The steps we're taking are all aimed at maintaining the safety and convenience of our participants, and alleviating unnecessary delays for other travelers as much as possible," said MBA Executive Secretary Bob Sweeney. "We're working closely with Michigan State Police (MSP), MDOT, the Michigan Department of Natural Resources (MDNR) and other agencies to achieve that."

MBA and MDOT staff reviewed plans to date for the walk, which includes closing the bridge to most vehicle traffic during the walk, from 6:30 a.m. to noon. Unlike in prior years, only buses used to transport walkers from Mackinaw City to St. Ignace and emergency services vehicles will be allowed on the bridge during the event. MSP will vet drivers of all buses transporting walkers, and provide additional security throughout the event.

Currently, the MBA anticipates a net cost of more than \$250,000 for the event, with a significant portion of that cost in security and busing for participants. With increases to both, the budget could possibly double.

Recognizing the potential for traffic backups, primarily on US-2 and I-75 leading toward the bridge, MBA staff plan to secure additional portable toilets to place at intervals along those routes for motorists. They also are developing plans for refreshment stations, and plan to have two MBA mechanics patrol the routes to assist with any breakdowns.

MDOT staff reviewed communications plans to alert motorists to the closure well in advance to allow them to modify travel plans the day of the walk. Those include:

- News releases reminding drivers of the bridge closure
- Website notifications on www.michigan.gov/mdot, www.michigan.gov/drive, and www.mackinacbridge.org.
- Postings on MDOT's Facebook and Twitter social media feeds
- Posters to display at rest areas, Welcome Centers, and state parks statewide
- Flyers for distribution at the MBA toll booths
- E-mail updates to 20,000 MacPass commuter card holders, and Labor Day weekend Michigan State Park reservation holders
- Updates on MDOT's dynamic message sign (DMS) system

- Updates to tourism agencies in Michigan and the Great Lakes region

"These are significant changes to this beloved event, and we recognize that many people are concerned about what those changes will mean," Sweeney said. "That's why we're working so hard to minimize inconvenience and get the word out broadly so people have an opportunity to plan."

The Authority made the decision during a special board meeting May 16, citing safety and security recommendations by MSP and U.S. Department of Homeland Security (DHS).

Every year, between 30,000 and 60,000 people from several states and countries come to the Mackinac Bridge for the Annual Bridge Walk, which has taken place since 1958, the year after the bridge opened to traffic. Roughly 9,000 vehicles cross the bridge during the event hours, with many of them shuttling participants across the bridge either before or after the walk.

As before, the two eastern lanes of the bridge will be closed to vehicle traffic before the walk starts. The western two lanes will be open to the authorized buses transporting walkers between Mackinaw City and St. Ignace, as well as emergency vehicles.

The event will begin at 6:40 a.m. with the start of the Governor's Council on Physical Fitness Jog, followed by a greeting from Gov. Rick Snyder at 6:55 a.m. Walkers will begin across the bridge at 7 a.m. No walkers will be permitted to begin the walk after 10 a.m., as it takes roughly one-and-a-half hours to complete the crossing. Buses will begin picking up any remaining walkers on the bridge at 11:30 a.m. to ensure the bridge is clear and can reopen to traffic promptly at noon.

Official buses will again shuttle participants between Mackinaw City and St. Ignace for the start of the walk, and then back to St. Ignace if needed, starting at 4:30 a.m. The MBA is working to secure additional buses to make sure all participants can get to the starting area prior to 10 a.m.

Northbound I-75 traffic will be stopped at Exit 337 on the south end of the bridge; southbound US-2 and I-75 traffic will be stopped at Exit 344 on the north side.

The MBA intends to continue to alert motorists of this change through media releases, postings on the MBA website (www.mackinacbridge.org), messages on MDOT's DMS system, the Mi Drive travel information website (www.michigan.gov/drive), and notifications to customers at the bridge. The MBA will work with MSP to help inform the public and direct traffic the day of the event.

Incredible array of bargains at "The Resale Store" in Gaylord

By Jim Akans

Formerly two great resale destinations; Gaylord's A-2-Z Resale and Homespun Antiques & Crafts are now combined in one fantastic new location; "The Resale Store." The Resale Store offers northern Michigan shoppers a huge range of gently used as well as vintage items. Located at 1961 South Otsego Avenue next to the Gaylord Ace Hardware, the store is owned Sue Nowak and her husband, Larry, and daughter Mary also assists with the daily operations.

The Resale Store opened in February after the Nowak's purchase the inventory from the former A-2-Z Resale and moved their Homespun Antiques & Crafts store from downtown Gaylord to this new South Otsego lo-

The Resale Store is bright, cheery and well-organized making shopping for terrific bargains a breeze... featuring just about everything under the sun! PHOTO BY JIM AKANS

cation. The result, as Sue Nowak points out, is "lots of great items and we are adding even more great inventory from our inventory all the time!"

The Resale Store is bright, cheery and well organized making shopping for terrific bargains a breeze. It offers just about everything under the sun...or across every letter in the alphabet, including books, dvd's, record albums, men's and women's clothing, furnishings, dishes, cookware, glassware, costume jewelry, lamps, pictures and other household items, shoes and a large array of

evening gowns and wedding dresses priced at \$99 or less.

Currently, shoppers can enjoy a nearly storewide sale with clothing items marked red or hand-written tags being 50% off, most household items up to 30% off as well as books and vhs tapes for just fifty cents and dvd's for only \$1.

The Resale Store's hours are 10am to 6 pm Monday through Saturday. Due to a huge amount of inventory they are not accepting item donations at this time. They can be reached by calling (989) 731-4305.

Park Your Boat on Lake Charlevoix For the summer, or for the day.

At the tip of Lake Charlevoix's South Arm, the East Jordan Municipal Harbor has captured the attention of more than just boaters.

Located only one block off Main Street, the Municipal Harbor is within walking distance to local restaurants and friendly shops.

Memorial Park which is part of the marina has picnic tables, grills and public restrooms. A band shell was constructed in 2005 which has enter-

tainment most weekends throughout the summer.

The Municipal Harbor offers 27 seasonal boat slips, 27 transient boat slips, shopping docks, full-service Midgrade (87 Octane) and Premium non ethanol (91 octane); both have Valvtech Marine fuel additive, pump-out station, ice and restrooms. Shower facilities are available for seasonal and transient slip holders.

For more information call 231-536-2166

ORDINANCE NO. 242 (Continued)

(2) To pay the costs of the acquisition, construction, furnishing and equipping of the Project, or to reimburse the Issuer for funds expended in connection with the foregoing.

Any unexpended balance of the proceeds of sale of the Series 2017 Bond remaining after completion of the Project herein authorized may in the discretion of the Issuer be used for further improvements, enlargements or extensions to the System, provided that at the time of such expenditure such use be approved by the Department of Treasury (if such approval is then required by law). Any remaining balance after such expenditures shall be paid into the Bond and Interest Redemption Account and used as soon as is practical for the prepayment of installments of the Series 2017 Bond.

After completion of the Project and disposition of remaining proceeds, if any, of the Series 2017 Bond pursuant to the provisions of this Section, the Construction Account shall be closed.

(B) **SEWAGE DISPOSAL SYSTEM RECEIVING ACCOUNT.** Upon and after the effective date of this Ordinance, the Revenues of the System shall be set aside into a separate account to be maintained and designated as the SEWAGE DISPOSAL SYSTEM RECEIVING ACCOUNT (the "Receiving Account"), and moneys so deposited therein shall be transferred, expended and used only in the manner and order as follows:

(1) **Operation and Maintenance Account.** There is hereby established and there shall be maintained a separate account to be designated the OPERATION AND MAINTENANCE ACCOUNT (the "Operation and Maintenance Account"). Revenues shall be transferred each quarter of the Fiscal Year, commencing upon the effective date of this Ordinance, from the Receiving Account to the Operation and Maintenance Account to pay the reasonable and necessary current expenses of administration and operating and maintaining the System for the ensuing quarter.

(2) **Sewage Disposal System Bond and Interest Redemption Account.** There is hereby established and there shall be maintained a separate deposit account to be held by the Depository Bank and designated as the SEWAGE DISPOSAL SYSTEM BOND AND INTEREST REDEMPTION ACCOUNT (the "Bond and Interest Redemption Account"). After the transfer required in (1) above, Revenues shall be transferred each quarter of the Fiscal Year from the Receiving Account, before any other expenditures or transfer therefrom, and deposited in the Bond and Interest Redemption Account for payment of principal of and interest on the Series 2017 Bond and to fund the Bond Reserve Account, in the amounts and at the times specified below.

Upon any delivery of an installment of the Series 2017 Bond, there shall be set aside at the time of delivery and on the first day of each quarter of the Fiscal Year thereafter to the next interest payment date an amount equal to that fraction of the amount of interest due on the next interest payment date on said installment so delivered, the numerator of which is 1 and the denominator of which is the number of full and partial Fiscal Year quarters from the date of said delivery to the next interest payment date. There also shall be set aside on the first day of each Fiscal Year quarter after the delivery of the first principal installment an amount not less than 1/2 of the amount of interest due on the next interest payment date on all outstanding installments of the Series 2017 Bond not delivered during the then current interest payment period.

Commencing with the Fiscal Year quarter beginning on October 1, 2017, there shall be set aside on the first day of each Fiscal Year quarter an amount not less than 1/4 of the amount of principal due on the Series 2017 Bond on the next principal payment date. Except as hereinafter provided, no further deposits shall be made into the Bond and Interest Redemption Account (excluding the Bond Reserve Account) for the Series 2017 Bond once the aforesaid sums have been deposited therein. Any amount on deposit in the Bond and Interest Redemption Account (excluding the Bond Reserve Account) in excess of (a) the amount needed for payment of principal installments of the Series 2017 Bond for the then current principal payment period, plus (b) interest on the Series 2017 Bond for the then current interest payment period, shall be used by the Issuer for redemption of principal installments of the Series 2017 Bond or, in the alternative, shall be deposited in or credited to the Receiving Account.

If for any reason there is a failure to make such quarterly deposit in the amounts required, then the entire amount of the deficiency shall be set aside and deposited in the Bond and Interest Redemption Account out of the Revenues first received thereafter which are not required by this Ordinance to be deposited in the Operation and Maintenance Account or the Bond and Interest Redemption Account, which amount shall be in addition to the regular quarterly deposit required during such succeeding quarter or quarters.

There is hereby recognized in the Bond and Interest Redemption Account a separate account designated as the BOND RESERVE ACCOUNT (the "Bond Reserve Account"). Commencing with the Fiscal Year quarter beginning on October 1, 2017, there shall be withdrawn from the Receiving Account on the first day of each Fiscal Year quarter and set aside in and transferred to the Bond Reserve Account, after provision has been made for the Operation and Maintenance Account and the current requirements of the Bond and Interest Redemption Account, the sum of at least \$1,400 per quarter (\$5,600 annually) until there is accumulated in such account the lesser of the sum of \$56,000 or the Reserve Amount for the Series 2017 Bond. Except as hereinafter provided, no further deposits shall be made into the Bond Reserve Account pursuant to the requirements of this Ordinance once the lesser of the sum of \$56,000 or the Reserve Amount for the Series 2017 Bond has been deposited therein. The moneys in the Bond Reserve Account shall be used solely for the payment of the principal installments of and interest on the Series 2017 Bond as to which there would otherwise be default; provided, however, that in the event the amount on deposit in the Bond Reserve Account exceeds the amount then required to be on deposit therein pursuant to the requirements of this Ordinance, the moneys in excess of such requirements shall be used to pay principal installments of and interest on the Series 2017 Bond on the next payment date.

If at any time it shall be necessary to use moneys in the Bond Reserve Account for such payment, then the moneys so used shall be replaced from the Net Revenues first received thereafter which are not required by this Ordinance to be deposited to the Operation and Maintenance Account or to the Bond and Interest Redemption Account for current principal and interest requirements for the Series 2017 Bond.

No further payments need be made into the Bond and Interest Redemption Account for the Series 2017 Bond after enough of the principal installments of the Series 2017 Bond have been retired so that the amount then held in the Bond and Interest Redemption Account (including the Bond Reserve Account) is equal to the entire amount of principal and interest which will be payable at the time of maturity of all the principal installments of the Series 2017 Bond then remaining outstanding.

The moneys in the Bond and Interest Redemption Account and the Bond Reserve Account shall be invested in accordance with Section 13 of this Ordinance, and profit realized or income earned on such investment shall be used or transferred as provided in Section 13 of this Ordinance.

(3) **Repair, Replacement and Improvement Account.** There is hereby established and there shall be maintained a separate account designated REPAIR, REPLACEMENT AND IMPROVEMENT ACCOUNT (the "RRI Account"). After the transfers required in (1) and (2) above, and so long as any principal installments of the Series 2017 Bond remain outstanding, commencing October 1, 2017, Revenues shall be transferred on the first day of each Fiscal Year quarter from the Receiving Account and deposited in the RRI Account in an amount not less than \$6,431.25 (\$25,725 annually), less the amount, if any, deposited in the Bond Reserve Account for the Series 2017 Bond at the beginning of the same Fiscal Year quarter in satisfaction of the requirements of Section 12(B)(2) of this Ordinance. Moneys in the RRI Account shall be used and disbursed only for the purpose of paying the cost of (a) repairing any damage to and emergency maintenance of the System, (b) repairing or replacing obsolete, deteriorating, deteriorated or worn out portions of the System, (c) acquiring and constructing extensions and improvements to the System and (d) when necessary, for the purpose of making payment of principal and interest on the Series 2017 Bond. If the amount in the Bond and Interest Redemption Account and the Bond Reserve Account is not sufficient to pay the principal of and interest on the Series 2017 Bond when due, the moneys in the RRI Account shall be transferred to the Bond and Interest Redemption Account and used for that purpose. Moneys in the RRI Account may be invested in accordance with Section 13 of this Ordinance.

(4) **General Obligation Debt Account.** After the transfers required in (1), (2) and (3) above, Revenues may be transferred from the Receiving Account to a General Obligation Debt Account established by the Issuer (the "G.O. Account") and utilized by the Issuer to pay debt service on presently existing or future general obligation bond issues of the Issuer or general obligations or contractual obligations of the Issuer incurred or to be incurred for System purposes.

(5) **Reverse Flow of Funds; Surplus Money.** In the event the moneys in the Receiving Account are insufficient to provide for the current requirements of the Operation and Maintenance Account, the Bond and Interest Redemption Account (including the Bond Reserve Account) or the RRI Account, any moneys and/or securities in the accounts of the System described by this Ordinance shall be transferred, first, to the Operation and Maintenance Account, second, to the Bond and Interest Redemption Account, and third, to the RRI Account. All moneys remaining in the Receiving Account at the end of any Fiscal Year after satisfying the

above requirements for the deposit of moneys into the Operation and Maintenance Account, the Bond and Interest Redemption Account (including the Bond Reserve Account) and the RRI Account may be transferred to the Bond and Interest Redemption Account and used to call the Series 2017 Bond or portions thereof for redemption, or at the option of the Issuer, transferred to the G.O. Account or the RRI Account and used for the purpose for which such accounts were established; provided, however, that if there should be a deficit in the Operation and Maintenance Account, the Bond and Interest Redemption Account (including the Bond Reserve Account) or the RRI Account, on account of defaults in setting aside therein the amounts hereinbefore required, then transfers shall be made from such moneys remaining in the Receiving Account to such accounts in the priority and order named in this Section, to the extent of such deficits.

Section 13. Investments. Moneys in the funds and accounts established herein and moneys derived from the proceeds of sale of the Series 2017 Bond may be invested by the Issuer in the obligations and instruments permitted for investment by Section 24 of Act 94, as the same may be amended from time to time; provided, however, that as long as the Series 2017 Bond is held by the Government, then the investment may be limited to the obligations and instruments authorized by the Government. Investment of moneys in the Bond and Interest Redemption Account being accumulated for payment on the next maturing principal or interest payment on the Series 2017 Bond shall be limited to obligations and instruments bearing maturity dates prior to the date of the next maturing principal or interest payment on the Series 2017 Bond. Investment of moneys in the Bond Reserve Account shall be limited to direct obligations of the United States of America or obligations the timely payment of which are fully guaranteed by the United States of America and bearing maturity dates or subject to redemption, at the option of the holder thereof, not later than five (5) years from the date of the investment. In the event investments are made, any securities representing the same shall be kept on deposit with the Depository Bank. Interest income earned on investment of funds in the Receiving Account, the Operation and Maintenance Account and the Bond and Interest Redemption Account (except the Bond Reserve Account) shall be deposited in or credited to the Receiving Account. Interest income earned on the investment of funds in the Bond Reserve Account shall be deposited in the Bond and Interest Redemption Account.

Section 14. Rates and Charges. Rates and charges for the services of the System have been established by the Issuer in an amount sufficient to pay the costs of operating, maintaining and administering the System, to pay the principal of and interest on the Series 2017 Bond and to meet the requirements for repair, replacement, reconstruction and improvement of the System and all other requirements provided herein, and otherwise comply with the covenants herein provided. The Issuer hereby covenants and agrees to fix and maintain at all times while the Series 2017 Bond shall be outstanding such rates for service furnished by the System as shall be sufficient to provide for the foregoing expenses, requirements and covenants, and to create a Bond and Interest Redemption Account (including a Bond Reserve Account) for the Series 2017 Bond. The rates and charges for all services and facilities rendered by the System shall be reasonable and just, taking into consideration the cost and value of the System and the cost of maintaining, repairing, and operating the same and the amounts necessary for the retirement of the Series 2017 Bond, and accruing interest on the Series 2017 Bond, and there shall be charged such rates and charges as shall be adequate to meet the requirements of this Section and Section 12 of this Ordinance.

Section 15. No Free Service. No free service shall be furnished by the System to any individual, firm or corporation, public or private or to any public agency or instrumentality.

Section 16. Covenants. The Issuer covenants and agrees, so long as the Series 2017 Bond herein authorized remain unpaid, as follows:

(a) It will comply with applicable laws and regulations of the State of Michigan and continually operate and maintain the System in good condition.

(b) (i) It will maintain complete books and records relating to the operation and financial affairs of the System. If the Government is the holder of the Series 2017 Bond, the Government shall have the right to inspect the System and the records, accounts, and data relating thereto at all reasonable times.

(ii) It will cause an annual audit of such books of record and account for the preceding Fiscal Year to be made each year by a recognized independent certified public accountant, and will cause such accountant to mail a copy of such audit to the Government, without request of the Government. Such audit shall be completed and so made available not later than one hundred eighty (180) days after the close of each Fiscal Year.

(c) It will maintain and carry, for the benefit of the holder of the Series 2017 Bond, insurance on all physical properties of the System, of the kinds and in the amounts normally carried by municipalities engaged in the operation of similar systems. The amount of said insurance shall be acceptable to the Government. All moneys received for losses under any such insurance policies shall be applied solely to the replacement and restoration of the property damaged or destroyed, and to the extent not so used, shall be used for the purpose of calling principal installments of the Series 2017 Bond.

(d) It will not voluntarily dispose of or transfer its title to the System or any part thereof, including lands and interest in land, sale, mortgage, lease or other encumbrances, without obtaining the prior written consent of the Government.

(e) Any extensions to or improvements of the System shall be made according to sound engineering principles, and plans and specifications shall be submitted to the Government for prior review.

Section 17. Additional Bonds. The Issuer may issue additional bonds payable from the Net Revenues of the System and secured by a statutory first lien on the Net Revenues (the "Additional Bonds"), which shall be of equal standing and priority of lien as to the Net Revenues with the Series 2017 Bond and any Additional Bonds then outstanding, for the following purposes and on the following conditions:

(a) To complete construction of the Project according to the plans referred to in Section 2 of this Ordinance, Additional Bonds may be issued in the amount necessary therefor; or

(b) For the purpose of making extensions, enlargements or improvements to the System or refunding in whole or in part the Series 2017 Bond or any Additional Bonds then outstanding if:

(i) The augmented net revenues (hereinafter defined) of the System for the Fiscal Year preceding the year in which such Additional Bonds are to be issued were equal to at least one hundred percent (100%) of the average annual debt service requirements on the Series 2017 Bond and any Additional Bonds then outstanding and the Additional Bonds proposed to be issued, net of any bonds to be refunded by the Additional Bonds proposed to be issued; or

(ii) The holders representing not less than seventy-five percent (75%) of the aggregate principal amount of the Series 2017 Bond and the Additional Bonds then outstanding consent to such issue in writing.

For purposes of this Section, the term "augmented net revenues" shall mean the Net Revenues of the System for a year, adjusted to reflect the effect of any rate increase placed in effect during that year (but not in effect for the whole year), placed in effect subsequent to the year or scheduled, at the time the Additional Bonds are authorized, to be placed in effect before principal of and interest on the Additional Bonds become payable from Revenues of the System, and augmented by any increase in Revenues or decrease in expenses estimated to accrue from the improvements to be acquired from the Additional Bonds. The adjustments and augmentations provided for in the preceding sentence shall be established by certificate of an independent consulting engineer filed with the Clerk of the Issuer. If Additional Bonds are issued within 4 months of the end of a Fiscal Year, the determination made in subsection (b)(i) of this Section may be based upon the results of a Fiscal Year ending within 16 months of the date of issuance of the Additional Bonds.

The funds herein established shall be applied to all Additional Bonds issued pursuant to this Section as if said bonds were part of the original bond issue and all Revenues from any such extension, enlargement, improvement or replacement constructed by the proceeds of any Additional Bonds shall be paid to the Receiving Account established pursuant to this Ordinance.

Except for the issuance of Additional Bonds as provided in this Section 17, so long as the Series 2017 Bond herein authorized is outstanding, no bonds or other obligations pledging any portion of the Revenues of the System shall be incurred or issued by the Issuer unless the same shall be junior and subordinate in all respects to the Series 2017 Bond herein authorized. The Issuer reserves the right to issue, without limit, bonds of junior and subordinate standing and priority of lien as to the Net Revenues with the Series 2017 Bond and any Additional Bonds then outstanding.

Section 18. Ordinance Shall Constitute Contract. The provisions of this Ordinance shall constitute a contract between the Issuer and the holder of the Series 2017 Bond and after the issuance of the Series 2017 Bond this Ordinance shall not be repealed or amended in any respect which will adversely affect the rights and interests of the holder of the Series 2017 Bond without the consent of such holder, nor, except as specifically provided herein, shall the Issuer adopt any law, ordinance or resolution in any way adversely affecting the rights of the holder so

long as the Series 2017 Bond or interest thereon remains unpaid.

Section 19. Refunding of Series 2017 Bond. If at any time it shall appear to the Government that the Issuer is able to refund upon call for redemption or with consent of the Government the then outstanding Series 2017 Bond by obtaining a loan for such purposes from responsible cooperative or private credit sources at reasonable rates and terms for loans for similar purposes and periods of time, the Issuer will, upon request of the Government, apply for and accept such loan in sufficient amount to repay the Government, and will take all such actions as may be required in connection with such loans.

Section 20. Default of Issuer. The holder of the Series 2017 Bond may, by proper suit, action, mandamus or other proceeding, protect and enforce the statutory lien upon the Net Revenues of the System, and may, by proper suit, action, mandamus or other proceeding, enforce and compel performance of all duties of the officers of the Issuer, including the fixing of sufficient rates, the collection of Revenues, the proper segregation of the Revenues of the System and the proper application thereof. The statutory lien upon the Net Revenues, however, shall not be construed as to compel the sale of the System or any part thereof. If there shall be any default in the payment of the principal of or interest on the Series 2017 Bond, any court having jurisdiction in any proper action may appoint a receiver to administer and operate the System on behalf of the Issuer, under the direction of the court, and by and with the approval of the court, to perform the duties of the officers of the Issuer more particularly set forth herein and in Act 94.

The Issuer hereby agrees to transfer to any bona fide receiver or other subsequent operator of the System, pursuant to any valid court order in a proceeding brought to enforce collection or payment of the Issuer's obligations, all contracts and other rights of the Issuer, conditionally, for such time only as such receiver or operator shall operate by authority of the court.

Section 21. Ordinance Subject to Michigan Law and Government Regulations. The provisions of this Ordinance are subject to the State of and to the present and future regulations of the Government not inconsistent with the express provisions hereof and law.

Section 22. Fiscal Year of System. The fiscal year for operating the System shall be the Fiscal Year.

Section 23. Issuer Subject to Loan Resolution. So long as the Government is holder of the Series 2017 Bond, the Issuer shall be subject to the loan resolution (RUS Bulletin 1780-27) and shall comply with all provisions thereof.

Section 24. Covenant Not to Defeasé. So long as the Government is the holder of the Series 2017 Bond, the Issuer covenants that it will not defeasé the Series 2017 Bond or any portion thereof.

Section 25. Certain Determinations. The City Administrator and the Treasurer of the Issuer are each hereby individually authorized to adjust the final bond details set forth herein to the extent necessary or convenient to complete the transactions authorized herein, and in pursuance of the foregoing each is authorized to exercise the authority and make the determinations authorized pursuant to Section 7a(1)(c) of Act 94, including, but not limited to, determinations regarding interest rates, prices, discounts, maturities, principal amounts, denominations, dates of issuance, interest payment dates, redemption rights, the place of delivery and payment, and other matters necessary to effectuate the sale and issuance of the Series 2017 Bond authorized hereby, all within the parameters established by this Ordinance. The City Administrator and the Treasurer are each hereby authorized to confirm the final terms and details of the Series 2017 Bond by execution of the Series 2017 Bond.

Section 26. Negotiated Sale to the Government. The Issuer has considered the option of selling the Series 2017 Bond through a competitive sale and a negotiated sale and determines to sell the Series 2017 Bond to the Government in a negotiated sale in order to obtain interest rates and other terms not generally available from conventional municipal bond market sources and for the opportunities provided by a negotiated sale to the Government to select and adjust the terms of the Series 2017 Bond, including the prepayment of the principal of the Series 2017 Bond at any time without premium.

The City Administrator, the Treasurer and the Clerk of the Issuer are each hereby authorized and directed to negotiate the sale of the Series 2017 Bond to the Government at an interest rate not to exceed 1.75% per annum. The sale of the Series 2017 Bond to the Government at an interest rate of not to exceed 1.75% per annum and at the par value thereof is hereby approved. The Treasurer of the Issuer is hereby authorized to deliver the Series 2017 Bond in accordance with the delivery instructions of the Government.

Section 27. Authorization of Other Actions. The Mayor, City Administrator, Treasurer and Clerk of the Issuer are each authorized and directed to execute and deliver all other agreements, documents and certificates and to take all other actions necessary to complete the issuance and delivery of the Series 2017 Bond in accordance with this Ordinance.

Section 28. Conflict and Severability. All ordinances, resolutions and orders or parts thereof in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed, and each section of this Ordinance and each subdivision of any section hereof is hereby declared to be independent, and the finding or holding of any section or subdivision thereof to be invalid or void shall not be deemed or held to affect the validity of any other section or subdivision of this Ordinance.

Section 29. Paragraph Headings. The paragraph headings in this Ordinance are furnished for convenience of reference only and shall not be considered to be a part of this Ordinance.

Section 30. Publication and Recordation. This Ordinance shall be published in full in a newspaper of general circulation in the Issuer qualified under State law to publish legal notices promptly after its adoption, and the same shall be recorded in the Ordinance Book of the Issuer and such recording authenticated by the signatures of the Mayor and the City Clerk.

Section 31. Effective Date. This Ordinance is hereby determined by the City Commission to be immediately necessary for the preservation of the peace, health and safety of the Issuer and shall be in full force and effect from and after its passage and publication as required by law.

Passed and adopted by the City Commission of the City of East Jordan, County of Charlevoix, State of , on July 11, 2017.

I hereby certify that the foregoing constitutes a true and complete copy of an Ordinance duly adopted by the City Commission of the City of East Jordan, County of Charlevoix, State of Michigan, at a regular meeting held on the 11th day of July, 2017, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

I further certify that the following Members were present at said meeting: MAYOR PECK, COMMISSIONERS BREAKKEY, JOHNSON, PENZIEN, AND DOEBEL and that the following Members were absent: COMMISSIONERS TIMMONS AND BOYER.

I further certify that Member DOEBEL moved adoption of said Ordinance, and that said motion was supported by Member PENZIEN.

I further certify that the following Members voted for adoption of said Ordinance: BREAKKEY, JOHNSON, PENZIEN, DOEBEL AND PECK, and that the following Members voted against adoption of said Ordinance: NONE.

I further certify that said Ordinance has been recorded in the Ordinance Book and that such recording has been authenticated by the signatures of the Mayor and the City Clerk.

LITTLE LEAGUE REPORT

B.C. Juniors advances to District Finals

Boyne City 16, A.I.O. 3

CHARLEVOIX — After sweeping their way through pool play, Boyne City has advanced to the District Final set for July 22 in East Jordan, where they will take on West Branch at noon.

In the final contest of pool play, Boyne City downed A.I.O. by a score of 16-3.

Boyne jumped out to a 5-0 lead after one inning of play, behind five singles off the bats of Kaden Jewett, Zach Hardy, Cam Knight, Aidan Brehm and Aaron Bess.

They added a solo run in the second, before tacking on five more in each of the third and fourth innings.

At the plate for BC, Jewett finished with a double among three hits, while Bess singled and doubled, Hardy singled twice and Devon Hayden doubled.

Michael Deming was in control on the mound, tossing a complete game.

Boyne City's Bobby Hoth jumps to try and avoid a pitch during the 4th inning of their victory over A.I.O. on July 16. (PHOTO BY CHRIS FIEL)

Boyne 12, East Jordan 0

CHARLEVOIX — The Boyne City junior Little League team shutout East Jordan 12-0 in their match-up last week.

After a 10 run first inning, Boyne City cruised to a 12-0 victory over East Jordan behind a 12 hit attack led by Cameron Knight's three singles, Zach Hardy added two singles, while Kaden Jewett, Aidan Brehm, Paxton Hardy, Bobby Hoth, Aaron Bess and Michael Deming all singled.

Brehm did the work on the mound, limiting East Jordan to four hits, as Tommy Reid had two of the hits, Kaleb Schroeder and Caleb Boyer both singled.

Boyne City 10, Charlevoix 6

CHARLEVOIX — The Charlevoix junior boys team took a 2-0 lead in the second inning, but were unable to hang on as Boyne City rallied back for a 10-6 win in Little League action.

For Charlevoix, Caleb Stuck and Max Ostrum singled to lead the team.

Ostrum pitched for Charlevoix, with relief from Snyder and House.

Boyne City got rolling in the fourth inning, scoring six times, before adding two runs in both the fifth and sixth innings.

Cameron Knight tripled to lead Boyne, while Devon Hayden, Zach Hardy, Aidan Brehm, Paxton Giem, Bobby Hoth and Michael Deming all singled.

Hardy started for Boyne, with relief help from Aaron Bess.

Boyne City 7, Gaylord 4

CHARLEVOIX — Behind the strong arm of pitcher Michael Deming, Boyne City came away with a 7-4 win over Gaylord in Little League junior boys play.

Gaylord jumped out to a 2-1 first inning lead, before Boyne scored three times in the second to take a 4-2 advantage. Gaylord added a run in the third, but Boyne responded with a two run fourth to increase the margin back to a 6-3 lead.

Gaylord scored their final run in the bottom of the fifth to pull within 6-4, but a solo run in the top

of the seventh put BC up 7-4, a score that would become the final. At the plate for BC, Kaden Jewett and Zach Hardy both had a double and single, while Aidan Brehm

added two singles, Devon Hayden tripled, Cam Knight, Aaron Bess and Jacob Gregware all singled.
