CHARLEVOIX COUNTY — After another competitive 2017 season by all of the area teams, as they challenged for their respective league titles or extending their season as some advanced to the district finals in the tournament.

It's that time of year again when we look to recognize the top area volleyball players across the county, with new student-athletes coming into their own, or the return of veterans that continued to lead their respective teams on and off the court, the Charlevoix County News is proud to announce the annual All-Area Volleyball "Dream Team".

As always, after much deliberation, the top area performer was a three year varsity member and senior captain for the Boyne City Ramblers, libero, Kelsey Hubbard.

Player of the Year

Kelsey Hubbard, Boyne City #10

Hubbard was a three year veteran for the Ramblers, the versatile senior used her athletic ability to play the libero position for the last two plus seasons for Boyne.

During the 2017 campaign, Kelsey continued to be one of the top back row players in Northern Michigan and in the Lake Michigan Conference, playing in 95

games this season.

Hubbard finished the year with 19 kills and 40 aces as she served at a 93 percent rate for the year and also had a 95 percent passing efficiency.

But she did the most damage against opponents, while patrolling the back row, making 616 serve receptions, and 587 digs.

"I thought our season was good and even though we didn't end it on a good note (falling in district play), it was still the best season I've ever had."

Annabelle Seelye, Boyne City #2

In her second season on the varsity, Seelye improved her game even more after a highly successful freshman year.

The Boyne sophomore setter took part in 94 contests, making 91 kills and 458 assists in 1662 serving attempts and delivered 84 aces.

Annabelle also recorded 350 digs and made six blocks.

Katie McHugh, Boyne City #7

McHugh, was another key contributor to the Ramblers success this season, setting up shop as the top middle hitter for Boyne.

In her senior season, Katie recorded 124 kills in 92 games and made 51 blocks as she continually altered the offensive game plan of Rambler opponents when she was on the court, due to her height and leaping ability.

Abby Peterson, East Jordan #2

Peterson, was a four-year fixture on the court for the Red Devils, led the team by example and was credited with being a great leader and motivator by coach Gregg Swanson.

In her senior season, Abby was East Jordan's top server with a 96 percent accuracy, while scoring 135 points, including 25 aces and made 25 kills from her libero position.

She also made 444 serve receptions and 33 digs.

Chelsea Gibson, East Jordan #1

Gibson, as Red Devil co-captain, used her athleticism to move to a new position this season.

"One of the best athletes I've ever coached," coach Swanson noted. "She made the transition to setter this year and made it her own."

Chelsea made 597 sets and recorded 243 digs. When serving, she did it at a 90 percent efficiency, scoring 192 points, including 50 aces.

Julia Sherman, East Jordan #22

One of the area's top players, coach Swanson credited Sherman with having the ability to play any position on the court at a high level and her volleyball I.Q. was extremely high.

Julia served at 93 percent with 27 aces. She ranked in the top three players on the team in digs, blocking and kills and assists.

Ellie Louiselle, Charlevoix #15

In her third season on the varsity for the Rayders, Louiselle put together a very solid year, and according to coach Audra Randall, "some really great tournament outings."

Ellie recorded 210 kills, 28 aces and served at a 93 percent clip.

She also made 63 blocks and 68 digs.

"She played anywhere along the net where ever we thought her blocking could help us, relying on her adaptability at the net attacking the ball," coach Randall added.

Abby Paramo, Charlevoix #13

The Rayder sophomore came into her own this year, taking over the libero position for Charlevoix.

"This summer Abby blossomed into a really capable back row player and led by example all season long," coach Randall noted. "We really needed that stability from her this season"

Abby finished the season with 36 aces serving, but her 369 digs and her 81 percent serve receive percentage (369-of-456) would set her apart from most others, and performed at a high level, despite missing eight matches due to injury this year.

One of her season highlights was a 27 dig effort in district play for the Rayders.

Elise Stuck, Charlevoix #12

The Rayder sophomore middle hitter, took over a captain role this season and flourished while helping lead the team.

Stuck finished the season with 134 kills and 36 aces, while also recording 41 blocks, 150 digs and was 186-of-229 on serve receive, or 82 percent efficiency.

Abby Nachazel, Ellsworth #8

The Lancer junior was a huge leader for the Ellsworth team. She was the team's setter, finishing with 154 assists, served at a 97 percent rate in 312 attempts, recording 87 aces and only 10 serving errors the entire season.

Despite being the setter, Abby also led the team in kills with 111, while also recording 17 blocks.

Sammi Miller, Ellsworth #1

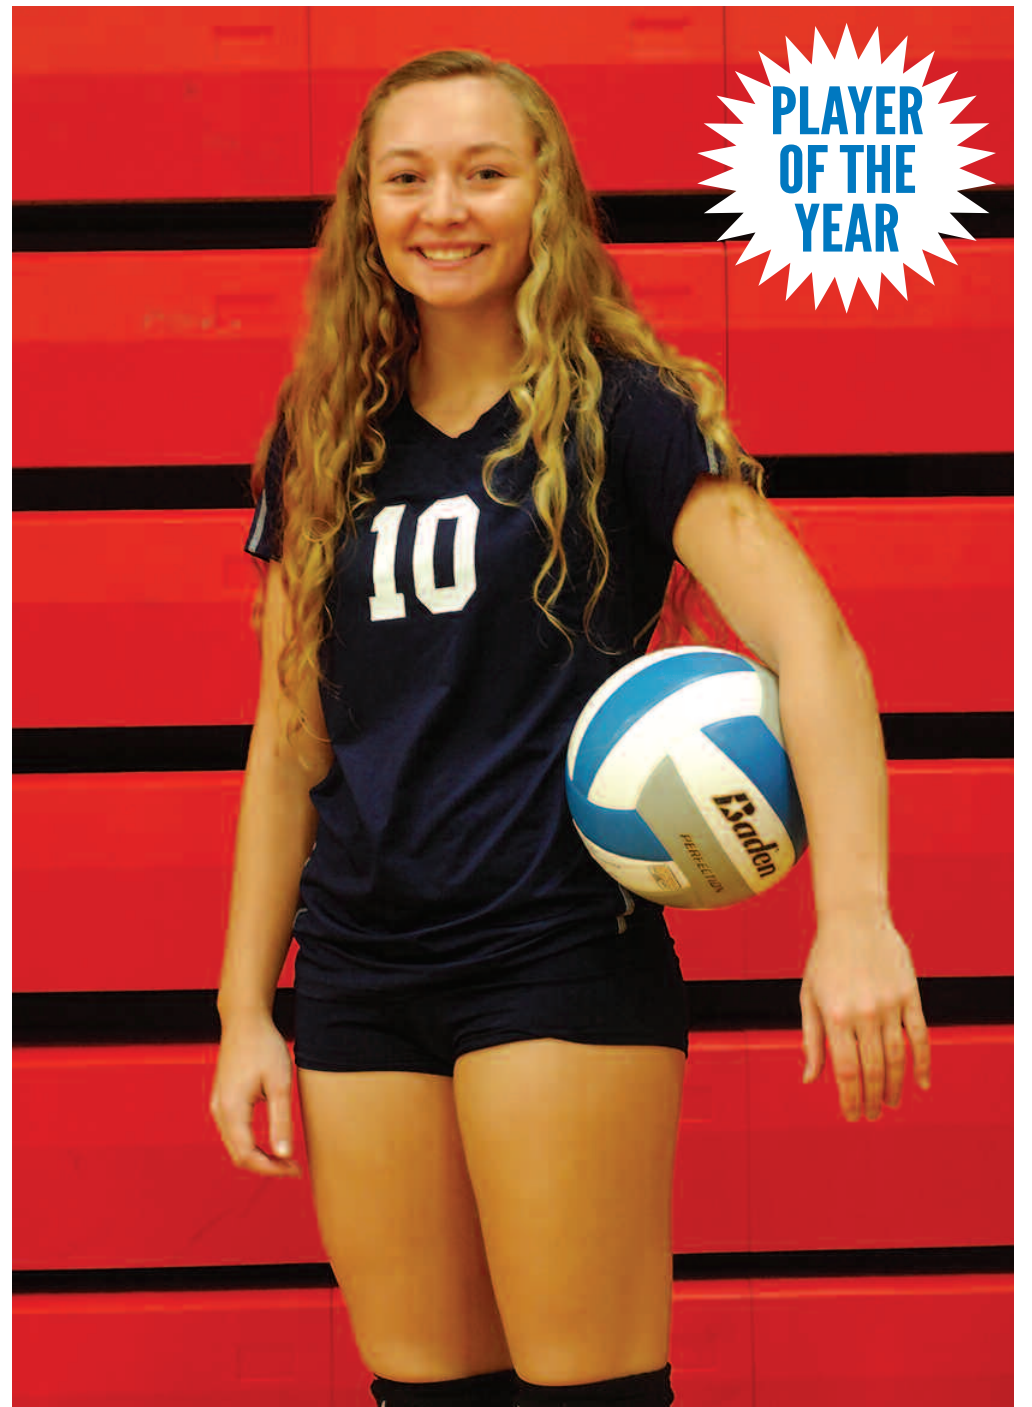

A solid player for the Lancers, according to coach Yvonne Nachazel. The Ellsworth junior brought her strong sense of the game to the court each and every time out, excelling on serving and defense.

Sammi served with 84 percent accuracy in 208 attempts, including 52 aces, while also recording 28 kills and making 95 digs.

Whitney Drenth, Ellsworth #6

The Ellsworth senior was another leader

for the club, playing all around the court, giving a strong effort wherever she was needed.

She finished the year with 107 kills, while serving at 83 percent in 123 attempts, including 39 aces.

Whitney also had 50 digs.

Coach of the Year

Mallory Slate, Boyne City

In her fourth season back in the Boyne City volleyball program and third year coaching the varsity, coach Slate has the Ramblers working towards finishing at the top of the Lake Michigan Conference.

This year, the Ramblers finished third in the LMC, matching their accomplishments from a year ago, while also picking up the same number of victories (20).

Boyne also advanced to the district semifinals this year, following their move up in Class to a different district.

"This program has been a big part of my life, I played volleyball for Boyne City for four years and now am coaching the same program I was a part of, it's awesome!" coach Slate stated. "I am doing everything I can to get this program back to being the consistent threat it used to be."

"My first year was tough, being a first year Varsity coach only having one year of JV coaching experience under my belt, on top of it being a huge rebuilding year for the program, I struggled, but could see the potential the program had so I stuck with it," she noted. "We have amazing athletes at Boyne City that work very hard both on and off the court to make our programs the best. With the help of these athletes and myself getting more and more comfortable in the Varsity coaching role this program is finally getting back on track."

Slate also noted that she is very excited for the upcoming seasons due to the fact that Boyne City has several girls that are extremely dedicated to this sport and making themselves better. She also notes that they are doing a lot of offseason work to make themselves ready for when fall rolls around and the season returns.

"As excited as I am for these players to be entering my program I have been very blessed with several great athletes that will be leaving my program this year. Kelsey Hubbard, I have had the opportunity to coach for four years, one year on JV and three years on varsity. This young lady is the epitome of a student athlete. She excels at everything she puts her mind too and she is leaving a huge defensive void in our backcourt next season. Not only is she a great athlete but a huge leader for us as well. Several of my girls look to her both on a off the court for that leadership and she gives it 100 percent. Luckily, Kelsey has been a role model for youngster Annabelle Seelye who will have to fill that leadership role next year in Kelsey's absence. Annabelle, a sophomore, has been a two-year starter for us as a setter. Annabelle and Kelsey's bond has been amazing to see and it's what you strive for as a coach."

"As a freshmen starting on a varsity team, Annabelle was very nervous and unsure of what she was getting herself into, but Kelsey being the leader she is took her under her wing and they have formed an irreplaceable bond the past two seasons. I have high hopes for Belle the next two years and have 100 percent confidence that she will do everything she can to fill Kelsey's shoes. Some of the other seniors who will be leaving us this year as well are front row threats Katie McHugh and Tyla Coates. Even though the season just got over, we are planning next year already and I already have players wanting to get back in the gym right away. Again I am excited for what's to come for this program and am hopeful I will be able to say I was a part of getting Boyne City Volleyball back on the map."

Belvedere Golf Club Announced as 2019 USHO Venue

The Board of Directors of the Society of Hickory Golfers is excited to announce that the 2019 U.S. Hickory Open has been awarded to the Belvedere Club and the Belvedere Golf Club in Charlevoix, Mich. The dates are June 20-22, 2019.

Belvedere has hosted an annual hickory event every year since 2006. The golf course was established in 1925, designed by renowned golf course architect William Watson. It has been recognized as one of the best golf courses in the Midwest and hosted The Great Lakes Open in 1929 and 1930. It has also hosted 40 Michigan Amateur Championships and was awarded the Championship again in 2025, Belvedere's centennial year. In 2016, the original hand-drawn architectural plans by William Watson were discovered and the club has spent the past two years restoring the golf course to its original design of 1925.

"This will be an exciting event for everyone," said Bill "Ernie" Ernst, a Wisconsin hickory player and SoHG board member who worked with the Belvedere

Club members on their application. "We looked at several venues, but the Belvedere Club has a long history of mounting a fantastic tournament that meets all our requirements."

The 2019 USHO will be placed on the same weekend that the Belvedere Hickory Open normally would be played. In effect,

it will take the place, in 2019, of the Belvedere Hickory Open.

Despite its location in northern lower Michigan, organizers and board members felt that the beautiful Charlevoix area of Michigan, the gracious hospitality of the Belvedere Club members, and the outstanding golf course more than compensate for the few

extra miles traveled; not to mention the club's 11 years of experience in hosting one of the country's premier hickory events.

The Society currently is planning for the 2018 U.S. Hickory Open in September 2018 in Greensboro, N.C. at Sedgfield Country Club.

Permits helps DNR maintain snowmobile trails

It's almost time to grab sleds, gather friends and discover the thrill and beauty of Michigan snowmobiling. The Michigan Department of Natural Resources encourages residents and nonresidents to purchase their snowmobile trail permits and ride more than 6,000 miles of designated trails and thousands more miles of public roads and lands. Michigan's snowmobile program is 100-percent funded by trail permit and registration dollars - dollars that are directly reinvested into the program for the benefit of snowmobilers.

Ron Yesney, the DNR's Upper Peninsula trails coordinator, said the purchase of a snowmobile trail permit not only gives the buyer access to one of the nation's most interconnected snowmobile trail systems, but also directly helps fund grooming, signage, maintenance, bridge and culvert construction, purchase of new equipment, liability insurance; maintenance of trailhead amenities (signage, bathrooms, plowing of parking lots) and other snowmobile-related expenditures.

"Snowmobilers are encouraged to purchase their snowmobile

Michigan's snowmobile program is 100-percent funded by trail permit and registration dollars. To purchase a snowmobile trail permit for the 2017-18 season and ride more than 6,000 miles of designated trails and thousands more miles of public roads and lands, visit www.michigan.gov/snowmobiling. (COURTESY OF DNR)

trail permit early in the season," said Yesney. "The DNR uses the funding to support the more than 60 nonprofits, clubs and local units of government that receive grant funding for the purpose of grooming, signing and maintaining trails across the state."

The snowmobile trail permit is valid for one year, which begins Oct. 1 and ends Sept. 30 of the following year. The permit enables snowmobilers to ride state-designated trails and public roads and public lands (where authorized). State-designated trails are open Dec. 1-March 31 and grooming occurs when there is enough snow

on the ground.

Snowmobile trail permits are sold for \$48 and are available for sale:

Online through DNR E-License at www.mdnr-elicense.com.

Online through the Michigan Snowmobile Association at www.msasnow.org.

In person at a number of DNR customer service centers.

In person at a number DNR hunting and fishing license vendors.

Snowmobilers should remember that snowmobiles must be registered with the Michigan Secretary of State (unless sleds are

used solely on private property). Registration is good for three years, and those registration dollars support the purchase of easements, law enforcement on trails and safety education.

Yesney said it's also important to note that more than 50 percent of designated snowmobile trails are located on private land at the sole discretion of individual landowners. In recent years, approximately 400 miles of trails on those private lands have closed because of excessive trespassing (riders not staying on trails) and modified exhausts (loud pipes).

"Because of the hard work of our trail partners and the generosity of private landowners who allow access to their property, Michigan has quality trails and many beautiful places to ride," Yesney said. "We ask all snowmobilers, please, to ride safely, respect private property, don't modify your exhausts and enjoy the ride."

For more information on snowmobiling, contact Ron Yesney at 906-228-6561 or yesneyr@michigan.gov.

SHARP RANCH ON FOUR ACRES WITH FABULOUS VIEWS

By Jim Akans

Set upon a gently sloping hill, this sharp ranch style home on four acres offers fabulous panoramic views in nearly every direction of the gorgeous northern Michigan surroundings.

This three-bedroom, two-bath home has approximately 1,200

square feet of living space. This home is neat as a pin both inside and out. The main living, dining and kitchen areas flow seamlessly together and feature a vaulted ceiling as well as wainscot in the living and dining rooms. An angled snack bar in the kitchen provides a convenient spot for breakfast or light meals.

Outdoors, an open deck on the front of the home creates a fantastic spot to enjoy the stunning outdoor views. In addition to the attached two-car garage, there is a second pole barn for storing lawn gear, recreational "toys" and more. While the ambience is top-notch country living, East Jordan and Lake Charlevoix are just a short

drive away.

Located at 10340 Lord near East Jordan, this sharp ranch home on four acres is listed at \$139,900. For additional information or to arrange for a tour, please call Chris Oliver, Agent at Lynda's Real Estate Service - East Jordan, 109 Mill Street, at 231-536-8003 or email ChrisforRealty@gmail.com

ADVANCED HEARING AID TECHNOLOGY

For Less Than \$300

"I was amazed! Sounds I hadn't heard in years came back to me!"

— Don, January 2016

How can a hearing aid that costs less than \$300 be every bit as good as one that sells for \$2,000 or more?

The answer: Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...

The MDHearingAid PRO[®] uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.

Over 75,000 satisfied PRO customers agree: High-quality, FDA-registered hearing aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a medical-grade hearing aid.

MDHearingAid PRO[®] gives you a sophisticated high-performance hearing aid that works right out of the box with no time-consuming "adjustment" appointments. You can contact a hearing specialist conveniently on-line or by phone — even after sale at no cost. No other company provides such extensive support. Now that you know... why pay more?
