# Rayders off to a strong start

## Defense sets tone early to kick off Girls Basketball season

### Charlevoix 51, Cheboygan 19

CHARLEVOIX — After a convincing season opener against Petoskey a few days earlier, the Rayder girls basketball team took it up a notch in game two.

ber 30.

The Rayders used an early first quarter run to set the tone and it was full throttle after that.

Elise Stuck scored seven of her 14 points in the opening quarter, helping the team to a 13-4 advantage.

She would also add nine rebounds, six blocks, six steals and four assists.

The Chiefs were unable to get anything going against the high intensity Rayder defense and found themselves trailing Charlevoix 27-6 at the half.

Natalie Nesburg added nine points and four steals, while Abby Cunningham chipped in with five points to help lead the Rayders. Five others also added four points each.

Charlevoix traveled to Manton on December 5, results were not available at press time.

playing at a high level.

Fast forward nine months and not much has changed.

Led by a season opening triple-double by sophomore Elise Stuck, Charlevoix rolled to a 60-41 victory over Petoskey on November 28.

After the Rayders jumped out to a 19-7 first quarter lead, they never looked back, leading 24-17 at the

half and 41-29 after three quarters of play.

"We came out with tons of energy and solid defense," Rayder coach Liz Shaw said. "Petoskey had a strong second quarter, but we were able to hold them off."

Stuck finished with 24 points, 13 rebounds, 10 assists, four steals and three blocks to lead the Rayders,

while Raigan Novotny added 10 points, three steals and three assists.

Abby Cunningham chipped in with nine points, 11 rebounds and five steals, while Olivia Jeakle added nine points.

Rachel Nesburg finished with three assists and Natalie Nesburg had three steals.

# Red Devils rebound against Cardinals with a 52-22 victory at home

## East Jordan 52, JoBurg 22

EAST JORDAN — Often times the best way to get over things is to get right back after it.

Following a subpar shooting performance in their season opener a few nights earlier, the East Jordan girls basketball team got things rolling early and often against the JoBurg Cardinals, as the Red Devils routed the visitors 52-22 on December 1.

"I was quite pleased with our performance tonight," said EJ coach Steve Hines. "We got off to a good start. The first quarter was our best quarter so far this season."

A quick 7-0 start to the contest, led by sophomore Jayden Weber and senior, Kendall McNitt, combined with a high pressure full court press and solid half-court zone defense, the Red Devils took control

early and did not allow the Cardinals to get into any sort of flow the entire evening.

Weber would finish with a game-high 17 points, while also added seven rebounds and three steals.

"Jayden (Weber) is a very talented young lady," Hines noted. "That's what we've come to expect from her. She's got a nice touch around the basket, she's developed her mid-range jumper and she just seems to have a knack for the ball."

The threat of Weber in the post opened up the floor for the rest of the Red Devils as they continued to look for their outside shots and knocked them down.

McNitt would connect on three shots from beyond the arch, including one as time expired in the second quarter from just inside the half-court line. She would finish with 11 points and four steals.

Rebecca Drenth would add seven points, while Tia Spence had six.

Madeline Malpass had seven rebounds and three steals, while Kendall Raymond added six boards and three steals.

Gabby Snyder made three steals, while Abby Peterson had seven assists and Karah Dunson added three.

JoBurg was led by Brooke McKenny's eight points.

We also didn't help ourselves at the free throw line missing nine of those."

"Effort was good and we will shoot better next time on the floor."

Jayden Weber paced EJ with nine points and eight boards, while Kendall McNitt added six points, seven steals and four rebounds.

Madeline Malpass added five rebounds. Karah Dunson had four and Abby Peterson made six steals and two assists.

Central Lake got 13 points from Paige Talbot and 10 from Cybil Ritchie.

## Despite strong defense, shooting woes too much to overcome for East Jordan

### Central Lake 34, East Jordan 30

EAST JORDAN — Sometimes, the ball just doesn't bounce your way.

That would be the case for the East Jordan girls basketball team in their season opener against Central Lake, as the shots would just not fall for the Red Devils, as the Trojans escaped with a 34-30 win on November 29.

East Jordan finished the night 1-for-17 from beyond the arc.

The Trojans led 9-7 after one quarter of play, 21-19 at the break and 25-20 headed into the fourth quarter.

"We played good defense tonight, took care of the ball and did a decent job on the boards, especially at the defensive end," Red Devil coach Steve Hines said. "Putting the ball in the basket was our biggest challenge tonight. We made one three point basket all night and they were good looks.

# Ramblers unable to get offense going in season opener

## Bellaire 36, Boyne City 31

BOYNE CITY — It may not have been the result that new Rambler coach Julie Redman was looking for, but there was plenty

to build on in Boyne City's season opening 36-31 loss to Bellaire on November 29.

Bellaire led at the quarter breaks 11-7, 20-16 and 26-20 after three quarters of play.

Avery Stadt led the Ramblers with 11

points, while Katelyn Gabos and Brooklyn Fitzpatrick added six points apiece.

Reagan May chipped in with four.

Boyne City was able to play strong man-to-man in the open and half court sets, while also dictating the shots that the Eagles took.

The Ramblers finished with 17 rebounds, 19 steals and seven assists as a team.

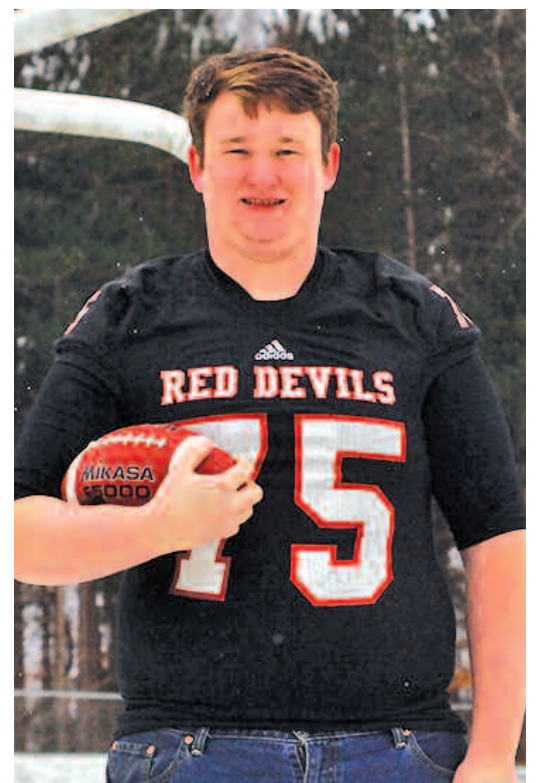

Boyne City returned to action on December 6 in JoBurg, results were not available at press time.

# 2017/18 BOYS BASKETBALL SEASON PREVIEW

Boyne City • East Jordan • Ellsworth

## Boyne City

Over the better part of the 2010 thru 2017, the Boyne City boys basketball team has been one of the most consistent winning programs, and the outlook is no different for this years squad.

Last seasons team posted a 17 win season that saw the Ramblers finish second in the Lake Michigan Conference and claim their third straight district title, before falling in the regional final by one point.

Returning nine players, including four starters, Mason Gardner, Eric Carson, Jacob Ager and Ethan Hewitt, Boyne is poised to make more noise this year.

Coach Nick Redman noted that Gardner and Carson have really stepped up and taken over the leadership roles for the team, while players such as Dylon Williams, Max Von-dra and Dillon Sulak. Trevor King and Jacob Robinson are ready to show what hard work in the offseason has done for

their game.

Those veterans along with newcomers, J.P. Moody, Dayton McPherson, Pete Calcaterra and Aiden Brehm, give the Ramblers plenty of depth.

“Really happy with our teams Enthusiasm,” coach Redman noted. “Our attitude and effort has been great and if that continues we have good chance of reaching our potential.”

“We have guys that enjoy being in the gym and have been working hard so I’m excited for them to get opportunity.”

Redman also noted that moving up to Class B will be tougher due to the travel and depth of teams but he knows that and the team is working hard to prepare for it.

“We always play a tough schedule so that will prepare us for postseason,” he added. “This has been a great group of kids to be around we are excited for season.”

## Ellsworth

Lancer coach Jarrod

Steenwyk returns a core of six key players off of last seasons Northern Lakes Conference runner up and district final team and is pretty excited for what could be in store for Ellsworth basketball.

Those six returnees include seniors - Collin Ingalls, Cole Essenberg, Daniel Oviedo, along with juniors - Michael Clees and Kevin Dickinson and sophomore - Ethan Tornga.

New to the team this season are senior - David Nichols, juniors - Lucas Sweet, Alex Adams, Richard Adams, Josh Light and Isaiah Romeyn.

“One name you do not see listed is Junior, Atlas Marlett. Atlas was a starter for us last season as a sophomore, but due to a knee injury requiring surgery he will miss this season,” coach Steenwyk noted.

The Lancers will look to Essenberg and Ingalls to put up points and help orchestrate the offense, while Tonga, Clees and Dickinson will be expected to come up big as they did in big games last season.

Coach Steenwyk noted that a welcome strength of this years team will be depth and several other newcomers will be expected to contribute in big ways, but only time will tell who that is.

“We have the talent and the bodies to compete for a district title, like everyone else we need to be playing our best basketball in March,” the coach added.

## East Jordan

While the Red Devils will be young and a bit inexperienced this season, second year coach Nate Dzwik is very optimistic about the upcoming year.

With a few returnees, as well as players returning to the hardwood after taking last year off and a mixture of underclassmen, East Jordan will no doubt be one of the hardest working teams to take the court this season.

“We are so young and inexperienced that each day we see a ton of improve-

ment,” coach Dzwik said. “These kids are competing hard in practice, they compete in the weight room and they are working hard in the classroom. They are really taking the coaching we are giving them. It is great to have our whole staff back this year with Kent Robbins doing a great job as the assistant coach and Sean Ferguson being a cornerstone for the program as the JV coach, doing a great job of teaching the kids how to play.”

“We have preached toughness to our kids this preseason, we talk about how toughness isn’t just physical. This kids have worked hard in the weight room this year but that toughness is communicating, effort, playing as a team and finishing. The kids have bought into this and do a great job of focusing on those parts and working towards being as tough as they can be.”

Returning for EJ are junior Ethan Zeeryp, sophomore Jackson Raymond as well as senior Skyler Reynolds, who is out at the moment recovering from an injury but should be

ready to go by mid season.

Coach Dzwik noted that Raymond has stepped up and taken a leadership role over the summer by getting kids motivated to play, while Zeeryp is working really hard and over the summer did a great job in the paint defending and attacking on offense.

Keegan McDuffie and Nick Norton are welcome additions to the team after not playing last year and have already impacted the team with their athleticism.

Junior Joe Atwood will be called upon for his aggressive defensive pressure.

Chandler Bartig, Jack Cross and Cooper Stevenson will help man the post. Each bring a very different style of play, but all are really strong in the attack and have good feet.

AJ Bartlett is a sophomore that is out for this first time and can score from any place in the gym but is really learning how to play within the offense.

## ADVANCED HEARING AID TECHNOLOGY

For Less Than \$300

"I was amazed! Sounds I hadn't heard in years came back to me!"

— Don, January 2016

How can a hearing aid that costs less than \$300 be every bit as good as one that sells for \$2,000 or more?

**The answer:** Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...

The MDHearingAid PRO® uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.

Over 75,000 satisfied PRO customers agree: High-quality, FDA-registered hearing aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a medical-grade hearing aid.

MDHearingAid PRO® gives you a sophisticated high-performance hearing aid that works right out of the box with no time-consuming "adjustment" appointments. You can contact a hearing specialist conveniently on-line or by phone — even after sale at no cost. No other company provides such extensive support. Now that you know... why pay more?
