Ramblers rebound with win over Cedarville

Boyne City 63, Cedarville 39

BOYNE CITY — Coming off a tough loss, coaches are always ready to see how their team reacts.

On Monday, December 11, the Ramblers showed coach Nick Redman that they are past their tough loss to a very good McBain team by beating Cedarville 63-39 in front of the home crowd.

"Really proud of the way the guys

responded after coming up short to McBain," Coach Redman said. "They came in ready to work in practice and it carried over to the game. Outstanding team effort."

Boyne led at the quarter breaks, 13-2, 30-12, 43-30, before pulling away down the stretch.

Mason Gardner finished with 15 points to lead the Ramblers, including a thunderous dunk in the first half, while Max Vondra added 14 and Dillon Sulak chipped in with 10

points and Jacob Ager had nine.

Redman credited senior guard Eric Carson with outstanding defense on the Cedarville point guard.

Boyne City is off until December 19, when they travel to Harbor Springs.

Strong 2nd quarter difference in Lancer victory

Ellsworth 56, East Jordan 45

EAST JORDAN — A veteran Ellsworth team was too much for the young Red Devils to overcome as the Lancers downed EJ 56-45 on December 7.

“Thought we played well as a team,” Ellsworth coach Jarod Steenwyk said. “A lot of guys able to contribute in a lot of different ways and we got quality minutes out of our group of bigs Ethan (Tonga), Collin (Ingalls), Kevin Dickinson, and Josh Light, unselfish play with good ball movement.”

Leading the Lancers was Michael Clees with 15 points and seven re-

bounds, while Cole Essenberg added 10 points and four assists.

The teams battled to a 13-13 first quarter tie before the Lancers opened it up in the second with a 17-6 scoring advantage to create enough of a gap to hold off the Red Devils.

Ethan Zeeryp scored 11 points, Jackson Raymond 10 and Chandler Bartig added eight to lead East Jordan.

Zeeryp also grabbed eight rebounds and was credited with doing a really did a great job in the second half of being aggressive and looking to score by coach Nate Dzwik, while the coach also noted that Bartig had four assists and five steals and really provided a spark with his effort and hustle the whole game.

“Our youth showed at times as we tried to play to fast and that led to turnovers for us,” coach Dzwik said. “We were in the 20’s for turnovers and that led to some easy transition buckets for them. They dictated the pace and tempo in the second quarter and that was the difference in the game.”

Red Devils fall to Ironmen in opener

Mancelona 50, East Jordan 43

MANCELONA — An early deficit was too much for the Red Devils to battle back from in their season opener as they dropped a 50-43 contest to the host Ironmen on December 5.

Despite trailing by nine after the opening quarter, EJ battled back to get within striking range late in the contest, but were unable to convert on a close range shot with just over three minutes to play that would make it a two possession game.

“The kids competed really well after the first quarter where nerves showed in a big way for the guys,” coach Nate Dzwik said. “Defensively Joe Atwood did a great job of guarding what is a pretty good point guard. We have focused on

playing hard and strong without fouling and did a good job of that with only seven team fouls in the game until we had to start fouling to stop the clock at the end of the game. We also only had 11 turnovers which kept them out of transition offense.”

Jackson Raymond finished with 18 points to lead the Red Devils, while Ethan Zeeryp and Jack Cross added eight points each, with Zeeryp adding seven rebounds. Chandler Bartig chipped in with four assists and six steals.

Boyne Falls scores

(boys)

Boyne Falls was victorious over Vanderbilt 50-47, behind 24 points from Ben Wheeler on December 8.

Specialty plates recognize 100 years of elk

LANSING - Michigan began issuing specialty license plates in April of 2001 to raise money for several state-supported causes. Celebrating the 100th anniversary of the reintroduction of Elk into Michigan, this wildlife habitat plate highlights the need to protect Michigan's non-game wildlife and habitat.

University and special cause fundraising plates can only be used on non-commercial passenger cars, pickup trucks, vans, and

motor homes. Motorcycles, trailers, and vehicles used commercially are not eligible for these plates.

You can order the specialty license plates by mail, fax, or at any Secretary of State branch office. The plate will be mailed to you within 14 business days from the date the plate is ordered.

Check for the availability of a personalized plate using the Plate it Your Way link on the DNR website.

Deer hunt violations lead to sentencing

Three family members sentenced for violations in Oscoda County

OSCODA COUNTY - Three members of a Genesee County family have been sentenced for deer hunting violations following a three-year investigation by Michigan Department of Natural Resources conservation officers.

All three men live in Burton. The offenses occurred in Oscoda County from 2014 to 2016. Conservation officers wrapped up their investigation earlier this year after executing several search warrants in Genesee and Oscoda counties.

"There's no place in Michigan's rich hunting tradition for this type of illegal, unethical behavior," said 1st Lt. Brandon Kieft, District 5 supervisor for the DNR Law Enforcement Division. "This case should send a clear message that those who abuse our shared natural resources will be held accountable."

Kieft commended Conservation Officer Casey Pullum, who led the investigation, and other officers

who provided support, for their diligence and professionalism.

"This is an example of outstanding detective work by Conservation Officer Pullum and the rest of our team," Kieft said. "They painstakingly followed each lead, using their skills and traditional field work to bring these violators to justice."

Sentenced in Oscoda County's 81st District Court were:

Joseph Dykes, 33, who pleaded guilty to unlawfully using (borrowing or loaning) a hunting license, baiting, and taking deer without a license over the three-year period. Due to the extensive nature of the crimes, he was fined \$14,220, of which \$12,000 will be restitution to the state for the deer that were taken; sentenced to 45 days in jail or community service, and had his hunting license privileges revoked for this year and the next five years.

Richard Raymond Dykes, 59, fa-

ther of Joseph Dykes. Richard Dykes pleaded guilty to one count of unlawfully using a hunting license. He paid \$450 in fines and costs, was placed on probation for six months and had his hunting privileges revoked during his probation.

Charles David Dykes, 58, uncle of Joseph Dykes. Charles Dykes pleaded guilty to one count of unlawfully using a hunting license. He paid \$450 in fines and costs, was placed on probation for six months and had his hunting privileges revoked during his probation.

During the investigation, conservation officers found that Joseph Dykes also poached a mule deer in Montana. The information was turned over to authorities in Montana, where Dykes pleaded guilty after being charged there.

Kieft encouraged anyone with information regarding natural resources violations to call or text the Report All Poaching (RAP) pro-

gram at 800-292-7800. The RAP line is a convenient, effective way for citizens to report the illegal taking of fish or game, or damage to our natural resources. The line is open 24 hours a day, seven days a week.

An individual offering information that leads to a successful conviction may be eligible for a reward through the RAP program. While citizens can remain anonymous, they must provide their names if they wish to be eligible for a reward.

The 2017 Michigan Hunting and Trapping Digest contains helpful information such as hunting rules, regulations and dates.

Michigan conservation officers are elite, highly trained professionals who serve in every corner of the state. They are fully commissioned peace officers with authority to enforce the state's criminal laws. Learn more at www.michigan.gov/conservationofficers.

ADVANCED HEARING AID TECHNOLOGY

For Less Than \$300

"I was amazed! Sounds I hadn't heard in years came back to me!"

— Don, January 2016

How can a hearing aid that costs less than \$300 be every bit as good as one that sells for \$2,000 or more?

The answer: Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...

The MDHearingAid PRO[®] uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.

Over 75,000 satisfied PRO customers agree: High-quality, FDA-registered hearing aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a medical-grade hearing aid.

MDHearingAid PRO[®] gives you a sophisticated high-performance hearing aid that works right out of the box with no time-consuming "adjustment" appointments. You can contact a hearing specialist conveniently on-line or by phone — even after sale at no cost. No other company provides such extensive support. Now that you know... why pay more?

TAKE ADVANTAGE OF OUR 45-DAY RISK-FREE TRIAL!
