Boyne City able to withstand tough Rayder effort

Boyne City 36, Charlevoix 34

BOYNE CITY — On an evening where rivals clashed, the annual "Battle

of the Fans" contest kicked off and baskets were hard to come by, the Boyne City Ramblers recognized the accomplishments of the 1976-77

boys basketball team that reached the state semifinals that year, by honoring a number of team members that were in attendance and

unveiling a new banner commemorating that run during halftime.

The Ramblers and Rayders took the floor in a highly anticipated rivalry matchup, that no matter what season it is, records don't mean a thing as each team brings everything they have and battles it out until the final buzzer.

On this night, it would be a defensive charge and offensive struggle for each squad, as neither team was able to put the ball in the hoop on a consistent basis, with Boyne able to pull out a hard-fought 36-34 Lake Michigan Conference victory on January 12.

"Great rivalry game, that's what high school basketball is all about," BC coach Nick Redman said. "Credit Charlevoix for how hard they played, they out rebounded us in the first half."

The Rayder defense forced the Ramblers to struggle offensively the entire night, as Boyne shot just 50 percent from the floor and six percent (1-of-16) from long range, and didn't get many second shots.

Following a slow first half of ball, the Rayders took a 21-16 lead into the break, but coming out of the intermission, the Ramblers stepped it up on their defensive end, forcing the Rayders to turn the ball over as Boyne was able to battle back, behind eight points in the quarter from junior guard Dillon Sulak, taking a 28-25 lead by the end of the quarter.

Charlevoix however, refused to go away as senior, Danny Nesburg connected on a key opportunities during the fourth quarter, keeping the Rayders within striking distance and had a chance to tie the game late, but a missed long-range shot was just off the mark and the Ramblers were able to convert a couple of free throw opportunities to close out the victory.

"Proud of how we responded in the second half and found a way to win on a night when we struggled offensively," coach Redman added.

Sulak would finish with a game-high 11 points to lead Boyne, while Max Vondra had seven and Mason Gardner added six.

Charlevoix was paced by Nesburg's 10 points, with Josh Carlson chipping in nine and Danzelle Williams adding eight.

The Ramblers improve to 5-2 overall, 2-1 LMC, while the Rayders slip to 2-4, 0-2. Both teams are in action on Friday, January 19, when Boyne travels to East Jordan and Charlevoix hosts Elk Rapids.

Stingy defense propels Rayders past Ramblers

Charlevoix 42, Boyne City 24

BOYNE CITY — It was a night for defense in Boyne City on Friday, January 12.

Both the Rayders and Ramblers brought high intensity to the court, forcing the other to turn the ball over at a rate higher than

normal and into shots that did not fall.

The difference came on the offensive end of the floor in the first half for Charlevoix as the Rayders managed some easy buckets against the Ramblers in the opening quarter, while holding their scoreless, but a 14-3 advan-

tage in the second quarter would be too much for BC to overcome over the final 16 minutes of play as Charlevoix took a 26-3 lead into the half.

"Solid defensive effort in the first half, holding Boyne City to three points," Rayder coach Liz Shaw said. "I

thought we showed better ball movement and received offensive contributions by the team throughout the game."

Boyne would find their offensive rhythm in the second half, outscoring Charlevoix by five points.

"Defensively, I thought we

played well, especially in the second half," Rambler coach Julie Redman said. "Offensively, we just have to make good shot selections and the ball needs to go in the basket."

Avery Stadt led Boyne City with seven points, while Katie Hoth added five and

three rebounds.

Katelyn Gabos and Brooklyn Fitzpatrick chipped in with a basket each and hauled in six and five rebounds, respectively.

Elise Stuck finished with a game-high 20 points, while

Third quarter does Lady Red Devils in against Elks

Elk Rapids 62, East Jordan 51

ELK RAPIDS — Playing well in their second contest in as many nights, the East Jordan girls seemed to run out of gas for a brief moment in the third quarter against the host Elks on January 11 in their Lake Michigan Conference clash.

Knotted at 20-20 at the half, Elk Rapids got things rolling in the third as they outscored EJ 25-14 over the eight minutes, behind 12 points from Kendall Brown as the Elks carried a 45-34 advantage into the final quarter.

"We kept their best player (Brown) scoreless the first half," East Jordan coach Steve Hines said. "(She) had 12 in the third and led all scorers with 19, we stumbled in the third quarter, especially on the defensive end. Elk Rapids shot well from behind the arc, hitting seven three's (in the second half), which was the difference."

Elk Rapids led 14-10 after the first quarter. "We were down 18 and closed it to 11 points at the end, so I was pleased with effort in the last quarter," coach Hines added.

"Kendall McNitt broke the East Jordan school record for career three pointers with her made triple in the third quarter. Congratulations to Kendall!"

"I was feeling like I was under some pressure," McNitt said. "I definitely felt a big relief after making it. I never imagined setting a record like this, I was always a post player until about my sophomore year and was a little scared to shoot it from there, but after the coaches saw that I could shoot, they started moving around and playing the perimeter more."

McNitt also noted that her dad played a big role in her success as a shooter. "He would work with me every day for hours shooting, and it's definitely helped."

East Jordan was led by Jayden Weber with 12 points and nine rebounds, while Abby Peterson added 10.

Karah Dunson and McNitt finished with seven points each, with McNitt adding four assists and three steals. Rebecca Drenth, Tia Spence grabbed six and five rebounds respectively.

EJ takes their record to 4-5 overall, 1-2 LMC.

The Red Devils will host Boyne City on Friday, January 19.

Deep bench proves to be big advantage for Red Devils

East Jordan 58, Ellsworth 20

EAST JORDAN — It's one thing every coach wants. It's another thing to actually have it.

That would be key contributions from those players substituting into the contest once the opening tip is over. For East Jordan, it's something that the team has had the op-

portunity to enjoy this season, especially as of late behind the play of Lily Black and Tia Spence as the Red Devils capitalized on those efforts in a 58-20 non-conference battle with the visiting Lancers of Ellsworth on January 10.

"We got off to a fast start and played a good first half," EJ coach Steve Hines said. "Good team effort, good defense and shot better and played unselfish basketball."

The Red Devils led 13-0 after one quarter of play before exploding in the second quarter for 19 points to take a 32-4 lead at halftime. EJ then led 42-13 at the end of the third.

Black led the Red Devils with 14 points, four steals and three assists, while Jayden Weber added 12 points and 10 rebounds.

Also for EJ, Spence chipped in with 10 points; Gabby Snyder and Madeline Malpass had five boards each. Karah Dunson also had four assists.

For Ellsworth, Addie Nagel finished with 15 points

For Ellsworth Addy Nagel led with 15 points.

Mid quarter struggles too much to overcome for EJ

Elk Rapids 74, East Jordan 42

ELK RAPIDS — A good start and a strong finish are often keys to a good performance.

The young Red Devils accomplished those tasks when they traveled to Elk Rapids for a Lake Michigan Conference contest on January 11, but it was the middle two quarter struggles that proved to be too much to overcome for East Jordan on this night.

“We really played a solid first

quarter and they hit a three at the end of the quarter to get their lead to four,” East Jordan coach Nate Dzwik said. “In the second quarter Elk Rapids really turned up there intensity and we really didn’t. The pressure they used really wore on us in the second and third quarter where we turned the ball over 20 times in that stretch.”

The Elks led at the quarter breaks 14-10, 40-12 and 64-26.

Leading EJ was Cooper Stevenson with 18 points and 14 rebounds,

while AJ Bartlett added 10 points and six rebounds.

Ethan Zeeryp and Keegan McDuffie also added six boards each.

“Overall the kids played hard and fought the whole game and learned that there is another level that we need to get to and the responded in the second half although the score doesn’t really show it,” coach Dzwik added.

The Red Devils fall to 0-7 overall, 0-3 LMC.

Gaylord in low scoring contest Charlevoix 36, Gaylord 29

GAYLORD — On this night, neither team would be setting the nets on fire, but a strong defensive effort was all that was needed for the visiting Rayders as Charlevoix knocked off Class A Gaylord 36-29 in a non-league contest on January 9th.

The Blue Devils took an 11-7 lead after the first quarter before the Rayders buckled down and pulled ahead, leading 18-15 at the half and 26-22 entering the fourth quarter.

“A win is a win,” Charlevoix

coach Liz Shaw said. “Not a lot of offensive attack, but we were tough on defense in the second and third quarters.”

Elise Stuck finished with 12 points and eight rebounds to lead the Rayders, while Olivia Jeakle added nine points, seven rebounds and three assists.

“I thought the girls also did a great job holding their composure as Gaylord rallied back, but we were able to hold them off for the victory,” the coach added.

Lancers dig deep to overcome Swordsmen

Strong second half proves to be the difference

and we never lost it from there.”

Coming out of the break, the Lancers were able to get things rolling in their favor as they outscored the host Swordsmen 21-11 in the quarter and 39-28 in the second half.

“Down the stretch of the fourth quarter, the gap got as close as six, but we were able to hit a few free throws at the end to close the game out,” coach Steenwyk added.

Ellsworth 59, Harbor Light 52

HARBOR SPRINGS — On a night when shots weren’t falling and offensive flow wasn’t at its peak during the first half, the Lancers were able to regroup at intermission and finish the game strong and collected their fourth Northern Lakes Conference victory in the process on January 9.

“A close game the whole way,” Ellsworth coach Jarrod Steenwyk said. “We struggled some in the first half and trailed at half by four (24-20 HL), but a strong third quarter gave us the lead

Collin Ingalls led four Lancers in double figures with a double-double, scoring 13 points and grabbing 10 rebounds, while Ethan Tonga added 12 points and 10 boards; Micheal Clees had 10 points, 10 rebounds and six steals; and Cole Essenburg chipped in with a 10 point, seven board, seven assist and four steal effort.

As a team, Ellsworth would haul in 51 rebounds on the night.

With the win, the Lancers improve to 5-1 overall, 4-0 in the NLC.

adding 10 rebounds and five steals to lead the Rayders.

Natalie Nesburg added eight points, six rebounds and three steals and Rachel Nesburg chipped in with four steals.

Charlevoix improves to 5-2 overall, 2-0 LMC, while Boyne slips to 3-5, 0-3. The Rayders host Elk Rapids on Friday, January 19, while the Ramblers travel to East Jordan.

DNR officers offer snowmobile safety tips

With Michigan’s snowmobile season in full gear, Department of Natural Resources conservation officers remind riders that safety is key to enjoying their sport.

“Snowmobiling is a great way to spend the winter months,” said Lt. Tom Wanless, DNR recreational safety programs supervisor. “But when operating a snowmobile or any type of vehicle, safety comes first. This includes riding within your own abilities, operating at

safe and appropriate speeds for the terrain, always wearing a helmet and proper clothing, and never operating your machine while under the influence of alcohol or drugs.”

Other safety tips include: Always keep your snowmobile in top mechanical condition.

Wear insulated boots and protective clothing, including a helmet, gloves and eye protection.

Only ride in designated areas and trails.

Check weather conditions before riding and be aware of changing trail conditions.

Pick safe places to stop off the trail and never park or stand in the trail.

Exercise additional caution when riding on an unfamiliar trail, or when riding at night.

Never ride alone; use the “buddy system.”

Keep headlights and tail lights on at all times and keep them clear of snow, ice or other debris.

Be alert to avoid fences

and low-strung wires.

Use caution when approaching a trail intersection, come to a complete stop when required, and look both ways for traffic before proceeding.

Stay clear of trail groomers, if possible. Never follow groomers, and give them the right of way.

Avoid crossing frozen bodies of water, when possible. If you must cross, never do so while riding in single file.

Wear a life jacket if operating on frozen bodies of

water.

Don’t trespass. If you don’t know whose property you are on, you probably don’t belong there.

Snowmobile safety education training and online safety courses are recommended for all snowmobile operators and are required for those who are 12 to 16 years old.

Snowmobilers also should learn the rules and regulations for snowmobiling in Michigan, as well as the universal snowmobile trail sig-

nage developed by the DNR to help ensure safety on the trails.

A valid snowmobile registration from the Michigan Secretary of State, or another state or province, is required for all snowmobiles. Snowmobilers also must purchase a trail permit, which is valid for one year (Oct. 1 to Sept. 30), when operating on public trails.

ADVANCED HEARING AID TECHNOLOGY

For Less Than \$300

"I was amazed! Sounds I hadn't heard in years came back to me!"

— Don, January 2016

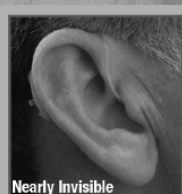

How can a hearing aid that costs less than \$300 be every bit as good as one that sells for \$2,000 or more?

The answer: Although tremendous strides have been made in Advanced Hearing Aid Technology, those cost reductions have not been passed on to you. Until now...

The MDHearingAid PRO® uses the same kind of Advanced Hearing Aid Technology incorporated into hearing aids that cost thousands more at a small fraction of the price.

Over 75,000 satisfied PRO customers agree: High-quality, FDA-registered hearing aids don't have to cost a fortune. The fact is, you don't need to spend thousands for a medical-grade hearing aid.

MDHearingAid PRO® gives you a sophisticated high-performance hearing aid that works right out of the box with no time-consuming "adjustment" appointments. You can contact a hearing specialist conveniently on-line or by phone — even after sale at no cost. No other company provides such extensive support. Now that you know... why pay more?

TAKE ADVANTAGE OF OUR 45-DAY RISK-FREE TRIAL!

Hearing is believing and we invite you to try this nearly invisible hearing aid with no annoying whistling or background noise for yourself. If you are not completely satisfied, simply return it within that time period for a **100% refund of your purchase price.**
