# SOCCER RESULTS Carson helps lead Rayders to win over Chiefs

#### **CHARLEVOIX 4, CHEBOYGAN 1**

CHARLEVOIX -- Sometimes, athletes have days where everything seems to go right, On May 18, Paige Carson had one of those days, where she was involved in every goal scored for the Rayders.

Charlevoix would earn a 4-1 victory over the visiting Chiefs, as Carson scored once and assisted on the other three Rayder goals.

Natalie Nesburg scored at 32:15 of the first half off a pass from Carson. At 34:01, Carson would

send a corner kick in front of the Cheboygan net where Bailey Birdsall was there to finish the ball to give the Rayders a 2-0 advantage at the half.

In the second half, Nesburg passed the ball in front of the net where Paige Carson finished at 21:05

The Chiefs would get their only score on a break away to cut the deficit to 3-1, but moments later, Carson would send another corner kick to Grayce Sprecksell who was there to tap it into the net to make the final 4-1 Rayders with

13:47 left in the game.

Charlevoix improved to 10-3-1 overall and stand 4-3-1 in the Lake Michigan Conference.

"It was a great day to see some scoring come in from some different directions," coach Pete Scholten said. "With the combination of a regional track meet and injuries we were without some of our main scoring threats. Awesome to see Paige (Carson) come up big from the defense. She was part of every goal today. I was also really pleased to see us convert on a corner twice."

in three with a double and single, Hayden Ferguson added a pair of singles, Gus Scheier doubled, Spencer Reid, Owen Diller, and Trevor Owens all singled.

Sawyer Thomas, Joe Atwood, and Scheier all pitched in relief of Barnett.

In the nightcap, JoBurg got an early unearned first inning run on a third strike that wasn't able to be corralled to the lead off hitter and came around to score.

'We were able to tie it up in the bottom of the fifth, but gave up the lead in the next half inning. Chandler Bartig pitched "lights out", allowing just one hit over five innings while striking out 10," EJ coach Tom Reid said.

Spencer Reid took the loss as the JoBurg cleanup hitter found a gap with a sixth inning double to score a leadoff

walk, then he struck out the side. Reid, Owens, Diller, and Jared Piechan all singled for the Red Devil hits.

"We took a good whooping in the first game and ended up rebounding nicely in the second one, but just left way too many guys on the base paths and couldn't get Bartig the win he deserved," coach Reid added. "We left the bases loaded in the fifth after tying it up and left runners at third base twice throughout the game."

# BASKETBALL **Boyne City's Dylon Williams** to play for Michigan Tech

BOYNE CITY — Sometimes good things come to those who wait.

This would be the case for Rambler Dylon Williams. The senior was recently offered a preferred walk-on opportunity to play for Michigan Tech.

The Boyne senior had figured his playing days were behind him when the season ended, but when the Huskies presented him with the offer, the 6-foot-5 Rambler bigman accepted.

"It's really exciting," Williams said. "I thought I was done playing basketball because our season ended, but then coach (Kevin Luke) called and told me he'd love it if I walked on, and it's really exciting. I'm so grateful I get to play again and that my basketball career isn't over.'

Williams had been receiving looks from Division III schools, but after thinking about it, he didn't feel those were the best opportunities for him, and his goal was to play at the Division II level.

"A lot of DIII schools wanted me to play for them, but I wanted to go DII, or not at all, basically," Williams added. "I knew I could play at the next level, but at the DII level, I didn't know.

Williams was a key member for the Ramblers this season, especially down the stretch. with his defensive play and ability to play above the rim. His pay earned him selections on the CCNews All-Area team as well as the All-Lake Michigan Conference team.

He helped lead Boyne City to its first ever Class B district and regional championships, while averaging just over six

points per, four boards and two blocks per game.

"He's come a long way in the last couple of years," Boyne City coach Nick Redman said. "His best basketball is still ahead of him."

"Great to see a kid that started to enjoy the game and put some extra time in and it paid off for him with this opportunity to play at the next level," Redman added. "I'm happy for him. I hope he makes the most of his opportunity?

Dylon's mother and father noted that they were excited.

His mother Nicole, said she saw that he had the talent to play at the next level during

AAU basketball last summer. ""When he played AAU, it seemed like the better the players were that he went up against, the better he did," Nicole said. "I think that's a big part of his opportunity that he has now and we're excited.'

While he was looking around for which college he would attend, Michigan Tech was on Dylon's short list, and since it has options in the engineering fields, he was drawn to the college.

"I tried to influence him as much as I could without saying it," Matthew said. "It's numbers driven. If you want have a certain career, you go to

certain colleges. Being an engineer, you go to Tech and the numbers bare it out."

While Dylon will be attending the school to work on his academics and future, he also knows that he will have to put in just as much work on the hardwood to realize his dream to play college ball.

"I really didn't start loving basketball until my junior year," Williams noted. "I didn't really start working at it until junior year. It's like the underdog mindset for me, I started late, but I know I can do it if I work hard enough and I'm just trying to work hard enough.'

No. 4 Singles, Catherine Seger finished runner-up, by defeating Elk Rapids/Sleder in the opening round to move onto a 3rd match up this season with HS/Johansen. Seger beat Johansen 6-4, 6-1 to move onto the final match with TCSF. Seger played her in the Conference final on Monday and played even better this match but fell 6-1, 6-1 after going to several

deuces in most games. No. 3 Doubles, Sarah Lopez/Rilyn Wagner, advanced to the finals, defeating Manistee-Alexan-

der/Rannisi 6-3, 6-2, in the semis they matched up against Boyne City defeating them 6-0, 6-2.

"The girls looked very solid and enjoyed being in their groove together as a team. In the final it was TCSF vs Charlevoix a tough match but the girls were confident and determined to have a fun match. They captured 2 games in the first set but fell 6-2, 6-0," Randall added.

then set our goal to win all opening matches," coach Randall noted. "All flights can be proud of their play as they all made huge contributions by reaching are first goal of winning the opening matches at all flights. This really put us in a great position for us to possibly qualify for State Finals. With additional points earned at 4S, 3D, and 4D our team earned 19 points to place second, Harbor Springs shares 2nd place with Charlevoix.

No. 1 Singles. Abby Paramo won her opening match to Traverse City Christian 7-5, 6-4.

No. 2 Singles, Margaret Purvis won in her opening match to BC Kendra Kruzel in a tough three set 4-6, 6-3, 6-4.

NORTHERN MICHIGAN OUTDOORS **Smallmouth Bass Basics** 9.25-pound, 27.25-inch

#### **BY PATRICK BEVIER**

Here are some fun and fishy facts about a very popular game fish to tens of thousands of Michigan anglers: the smallmouth bass: The Name Game: Smallmouth bass are also known as smallies, bronzebacks, brown bass, and smallmouth black bass.

Smallie Specifications: The smallmouth bass gets

its name because its jaw doesn't extend past the eye, while the jaw of a largemouth bass does. Noticeable stripes that slant downward from the eye are also almost always visible on smallmouth. Smallies prefer clear and cool water with ideal water temperatures of 65 to 70 degrees F. They frequent underwater structures including rocky points, boulders, submerged logs, and steep rock faces. Anglers often target these features to land more bronzebacks.

One Studly Sunfish: While smallmouth are called bass - as are their close relatives the largemouth bass - they are found in the sunfish family along with fish like bluegill, pumpkinseed, red-eared sunfish, crappie, and rock bass. Smallies are the second largest members of the sunfish family (Centrarchidae). The Mitten State, however, harbors two fish that are in the true bass family: white bass and white perch.

Tackle Busters: Smallmouth might be compared to that feisty MMA fighter, Conor McGregor, in that they make it into every conversation about which freshwater fish are, "pound for pound" the best fighters. It's debatable but others that might be assigned to the Mt. Rushmore of fighting game fish could be king salmon, steelhead, and bluegill.

Best Baits: Smallmouth will bite on many offerings but some of the most popular include Yamamoto Senko soft plastic baits, tube jigs, Silver Buddy blade baits, buzz baits, and crank baits. Don't forget good ole' "garden hackle" as smallies will often crush a night crawler threaded on a small

hook that's allowed to slowly sink in the water column. Another deadly technique is the drop shot rig.

Gaga for Gobies: In the Great Lakes system smallmouth bass have adapted quite well to preying on invasive round goby fish. As a matter of fact many biologists, as well as anglers, claim that the unusually large smallmouth basssome tipping the scales at

up to 7 pounds - that are now being caught with some regularity are bulking up on gobies.

Gasiciel's Giant: Just a few years ago one of the longest standing Michigan fishing records was shattered by Greg Gasiciel when he landed a 9.33-pound, 24.5inch behemoth smallmouth bass on Hubbard Lake. The previous record — set 111 years ago in 1906 — was a

ead weight to the catch (un beknownst to Hayes) that resulted in the temporary nullification of Hayes' record. It is, however, back on the books as the largest smallie taken on hook and line. Dale Hollow is the land of lunker bronzebacks as the three heaviest smallmouth ever recorded came from that body of water! Spawning Statistics:

smallie caught in Cheboy-

W.F. Shoemaker.

gan County's Long Lake by

The world record small-

Smallmouth begin spawning in late spring and early summer when water temperatures hit 60 degrees F. A large female can lay as many as 25,000 eggs. Males build the nests and guard the eggs and newly hatched fry with a vengeance. The eggs of smallies are larger than those of largemouth bass and hatch in as little as two days. In about two weeks the fry leave their dense school and begin feeding independently on zooplankton, and eventually prey on small insects and fish as they grow.

Simply Sensational Smallmouth Angling: In 2015, In-Fisherman Magazine ranked Michigan the second best bass fishing state in the country, sandwiched between two legendary fisheries in Florida and Georgia. This was due, in large part, to our unrivaled smallmouth fishing in places like Grand Traverse Bay, Lake St. Clair, and Saginaw Bay.

Curious Characters: An interesting side note is when I do my version of, "look and hook" by snorkeling, the bravest fish I encounter are inevitably bass. Smallies will literally come right up to your mask as if to check you out as much as you are them!

### Park Your Boat on Lake Charlevoix For the summer, or for the day.

At the tip of Lake Charlevoix's South Arm, the East Jordan Municipal Harbor has captured the attention of more than just boaters.

Located only one block off Main Street, the Municipal Harbor is within walking distance to local restaurants and friendly shops.

Memorial Park which is part of the marina has picnic tables, grills and public restrooms. A band shell was constructed in 2005 which has entertainment most weekends throughout the summer.
