Ramblers bow out in semis at Pellston

PELLSTON — The Boyne City volleyball team tries to extend their already long day a little further, but ended up dropping a tough match to Onaway in the semi-finals at the Pellston Tournament on Saturday, August 18.

The Ramblers started the day with a pair of wins over Mancelona 25-14, 25-21, before moving on to face Lake Michigan Conference rival Charlevoix.

Boyne was able to dispatch the Rayders in both sets, 25-22, 25-22. In their third match of pool play, the Ramblers fell to the host hornets 23-25, 23-25 as some critical errors down the stretch of both games, gave the advantage to Pellston.

In their fourth match of pool play, the Ramblers were seeking a split with St. Ignace to advance to bracket play, but came away with a sweep of the Saints, 25-19, 25-16.

Once bracket play began, the Ramblers put together their best two matches of the day and took Gaylord 25-19, 25-10,

avenging a loss to the Blue Devils in this tournament last year.

In the Semi-Finals the Ramblers took on undefeated Onaway. Due to some great serving by the Ramblers, Boyne was able to take the first set 25-22. Onaway was able to put together some great serving and picked apart the Rambler defense and took set two 25-18 and set three 15-10.

Leading Boyne on the day was Annabelle Seelye with 66 assists, 13 digs, nine kills and 10 aces, while Brooklyn Fitzpatrick added 18 digs, 16 serve receptions, 15 aces, 26 kills and two blocks.

Gabby Musser had 27 digs, two blocks, 30 serve receptions, 10 aces and 22 kills; Katelyn Gabos recorded: 16 digs, two blocks, 32 serve receptions and nine kills.

In her first action in over a year, Josee Behling chipped in with two blocks, four aces and 15 kills; and Dicie Siska added 42 digs and 48 serve receptions as the Libero.

Red Devils earn valuable experience at Pellston Tourney

PELLSTON — The East Jordan varsity volleyball team traveled to Pellston for the annual Hornets season opening tournament Saturday, August 18.

The Red Devils opened pool play with a sweep of Central Lake 25-9, 25-14, before splitting with Bay City All Saints 25-23, 24-27.

EJ then fell to Rudyard 15-25, 16-25, before losing to Onaway 16-25, 17-25 and ending their day.

The Red Devils went 3-5 on the day, playing tough against their oppo-

nents. Top Server was Maddi Cochran, serving at 96 percent with three aces, while top hitter was Madeline Malpass with seven kills out of 24 hits.

Coach Gregg Swanson also credited Lauren Peterson and Tegan Swanson, noting that both players had excellent overall games.

"The Pellston tournament usually has a lot of high ranked Class D teams making it a great barometer for our team," the coach added.

EXPERIENCE THE GREAT OUTDOORS

Camping Activities for the whole family.

123RF.COM

What better way to explore the region you're camping in than on a bike ride?

Many people go camping to relax and enjoy nature, but exploring a new area can help make some great memories. Depending on the region you're in, there are a number of camping activities you can take advantage of. Check with the campground beforehand so you can head out prepared for a weekend of adventures.

Trail Hiking

Most campgrounds have scenic trails nearby. It's best to head out in the morning, but be sure to check distance and difficulty before embarking on any trek.

Bike Riding

What better way to explore the region you're camping in than on a bike

ride? Whether you prefer mountain biking or street biking, most campgrounds support both camping activities. Don't forget to ask about recreational bike paths.

Plant Identification

Though you might not notice at first, the plants at your campground may be very different from those where you live. Instead of hiking just to hike, spend your day identifying plants in the local forest.

Bird Watching

You wake up to their songs in the morning, but do you know what those beautiful songbirds look like? Be sure to bring a bird identification book, and head out to discover who those singers are.

S'mores Contest

Some may argue that s'mores are the best part of any camping trip. So, why not put your skills to the test? Have everyone in your family or group make a s'more and see who is the king or queen of s'more making. This camping activity is great for all ages, and it's a win-win for everyone participating—and tasting.

Boating

If your campground is situated on a body of water, there's no better way to spend your day than splashing around. Many water-friendly campgrounds will offer kayak, canoe and paddle boat rentals making it easy to get out and come back in

time for dinner over the fire.

Volleyball

A friendly game of volleyball is the one of the best group camping activities. If you don't have enough people for a game, take this chance to meet your neighbors and invite them to join in the fun. Call the campground to find out if they have a net or if you have to bring your own.

Fishing

Of all the camping activities you can partake in, fishing might be the most relaxing. Grab your poles and head out with your family to catch dinner for the night, or simply enjoy a peaceful time on the lake.

East Jordan State of the Community Luncheon

By Tina Sundelius

EAST JORDAN—East Jordan is heading in the right direction and its future is bright was the message members of the community walked away with after hearing four keynote speakers discuss the status of the city, schools, and DDA at East Jordan's State of the Community Luncheon Tuesday, November 11.

An air of optimism filled the Harvest Barn hall as 26 East Jordan High School seniors and other members of the community listened intently to Mayor Russell Peck whose speech focused on the challenges and infrastructure im-

provements that still lie ahead for the city. "All in all things are looking up, we're heading in the right direction. Together we will position our community for a resilient and sustainable future. Indeed, East Jordan's future is bright," he concluded.

Peck not only talked about all that the city has accomplished but emphasized the infrastructure improvements needed to accommodate new growth. "We are very optimistic about the future of our community and that optimism comes from the exciting new direction we have been heading," he said. He cited the city's sewer system that is already operating at 98%

capacity, sidewalks, and sea-pilings to be installed at the southwest side of the harbor next to the bridge intended to stop silt from filling the harbor (construction to begin in December) as projects that will further enable the city to grow. He mentioned the new well house (already up and running), the now open 24/7 recycling center and the \$12,000 Kayak facility in the park which he stated presently "looks like an art project." "We are developing the kind of community we have envisioned for future generations. There is a positive beat energy," he said.

DDA Chairman Tom Teske, Entrepreneur Director with the Northern Lakes Economic Alliance Tom Ehrhart, Chamber of Commerce Director Mary Stevenson addressed an audience of community leaders at the third annual State of the Community Address Tuesday, November 11. "East Jordan's future is bright," said Peck.

Steps to get your lawn ready for fall

Part 3 of 3

5. Fill in bald spots

Autumn is also a great time of year to fix any bare, bald spots in your lawn. The quickest, easiest way to do this is with an all-in-one lawn-repair mixture. Sold at most garden shops and home centers, this ready-to-use mixture contains grass seed, a special quick-starter lawn fertilizer and organic mulch.

Use a garden rake to scratch loose the soil at the bald spot in your lawn. Then spread a thick layer of the lawn repair mixture over the area. Lightly compact the mixture, then water thoroughly, and continue to water every other day for two weeks.

6. Control the weeds

If broadleaf weeds such as dandelions have taken over your lawn, now's the time to fight back. Weeds, like most plants, are in the energy-absorbing mode during the fall. They're drinking in everything that comes their way, including weed-killers. Apply an herbicide now, and the weeds won't return in the spring.

Read the package label before use. Most herbicide manufacturers recommend applying the weed-killer in early to mid autumn, when daytime temperatures are consistently above 60 degrees.
