CALL (989) 732-8160 **FAX** (888) 854-7441

Let the 2019 Fall sports practices begin

CHARLEVOIX COUNTY - It's that time of year again.

The time when High School athletes put some of their end of summer plans on hold and turn their focus to returning to their respective playing surfaces.

There will be some new yet familiar faces, coaching on the sidelines this season for both the Boyne City and Charlevoix football teams.

Dave Suttle takes over the reigns for the Ramblers after longtime coach David Hills announced his resignation

last fall, following the completion of the 2018 season. Hills finished his stint with Boyne 125-45 in 16 seasons, earning two conference titles, three district crowns and two regional championships.

Suttle, while having some big shoes to fill, has helped play a role in that success as a longtime assistant and helped start the Boyne City youth program from 2001-03, before taking an assistant position on the Rambler JV program the following year. He moved to the JV offensive coordinator position in 2008 and remained there until 2017, when he became an offensive assistant on the varsity team.

Key returnees for Boyne are Max Vondra, Pete Calcaterra and Bobby Hoth.

In Charlevoix, Don Jess is returning to the sidelines to once again lead the Rayder football program after a seven year break.

Jess helped lead Charlevoix to five winning seasons during his nine year run earlier this decade, including four playoff berths.

Jess replaces Ken Provost, following two seasons as the head coach.

Look for Alan Ritter, Cole Wright and Michael Pearsall to help lead the Rayders back towards the top.

Greg Kitson will once again return to lead the East Jordan football team, with the team going through a tough offseason workout program, look for the Red Devils to take another step in the right direction.

Cooper Stevenson, Jackson Raymond and Jud Wise will lead the Red Devils.

The Boyne City, Charlevoix and East Jordan vollevball teams all return talented rosters, as the Ramblers are led by seniors, Annabelle Seelye, Jillian Cain, Katelyn Gabos, Brooklyn Fitzpatrick and Gabby Musser.

Charlevoix will see junior Zoe Brodin and junior Abby Paramo.

The Red Devils will have to replace some talented graduates, and will look to talented seniors Jayden Weber, Lauren Peterson and Tegan Swanson to lead the way.

Aug 24

Both the Boyne City and Charlevoix boys soccer teams saw talent graduate, but return solid cores and will look to challenge in the Lake Michigan Conference.

All three schools have outstanding Cross Country teams (both boys and girls) and will push each other to the top of the LMC and have great chances to move on to the state finals, as teams and individuals.

Not to be forgotten, look for the Lady Rayders and Lady Red Devils to tear up area golf courses.

NEDNESDAY, AUGUST 14TH-SUNDAY, AUGUST

Preseason, Postseason, In-Game Changes Take Effect as Fall Sports Practices Begin

MHSAA - AUGUST 08, 2019

EAST LANSING, Mich. – Aug. 8 – An assortment of game rules, preseason policy and postseason tournament changes will greet more than 100,000 high school student-athletes as 2019-20 Fall practices begin next week for nine sports for which the Michigan High School Athletic Association sponsors postseason tournaments.

The most immediately noticeable adjustment will allow boys soccer, girls and boys cross country, boys tennis and girls golf teams to begin practice Monday, Aug. 12, along with football teams across the state.

Football practice traditionally begins before the rest of fall sports, by rule on the 16th Monday before Thanksgiving. However, a change approved by the MHSAA Representative Council will allow sports with MHSAA Finals tied to a specific weekend every fall - for example, Lower Peninsula Cross Country Finals always are the first weekend in November - the opportunity to begin practice on that 16th Monday as well, which will keep those teams from losing about a week of practice and competition during "late" Thanksgiving years when the holiday is during the fourth full week of November. Volleyball and Lower Peninsula girls swimming & diving - which, like football, have Finals tied to Thanksgiving – are not affected by the lateness of the holiday and will begin practice Wednesday, Aug. 14, keeping with their traditional starts.

Football teams must have 12 days of preseason practice at all levels before their first game, over a period of 16 calendar days before the first kickoff, with the first games this falls scheduled for the weekend of Aug. 29-31. Competition this fall may begin Aug. 16 for cross country, golf, soccer and tennis and Aug. 23 for volleyball and swimming & diving.

The most publicized change in MHSAA policy this fall likely will be the addition of limited seeding for Lower Peninsula Boys Soccer Dis-

trict play, using a Michigan Power Ratings (MPR) formula that debuted to assist in Boys Lacrosse Regional seeding this past spring and will be utilized as well for Districts in girls and boys basketball this winter and girls soccer beginning in 2020. The MPR formula ranks teams based on success and strength of schedule, with the top two teams in each District then placed on opposite sides of the bracket on the draw date for that sport. For boys soccer this fall, all games reported to the MHSAA through Sept. 28 will be used for MPR, with brackets announced Sept. 29. For more information on MPR and the boys soccer selection process, go to the MHSAA Website's Boys Soccer page and see the information under "Tracking the Tournament" (direct link:

https://www.mhsaa.com/Sports/Boy s-Soccer).

Football remains the most played sport among MHSAA member school student-athletes and will introduce this season a series of in-game and practice-related changes. To improve pace of play, all varsity games will be played with a 40-second play clock that begins after the conclusion of the previous play except when there is an exception (penalty, timeout, etc.). In those circumstances, a 25-second clock will start with the referee's ready-to-play whistle. Also beginning this football season, at the MHSAA Finals level, instant replay will be used to review all scoring plays and turnovers or potential scoring plays and turnovers (that is, when an official's decision may have prevented or awarded a score or turnover). Replay review will be automatic in these sit-

The other notable rules changes in football continue a focus on safety. Tripping a ball carrier – that is, intentionally using the lower leg or foot to obstruct a runner below the knees – now will result in a 15-yard penalty. The definition of a horse-collar tackle also has been expanded to include grabbing of the name plate area on the back of the jersey (along

with the inside of the neck area of the jersey or shoulder pads) to bring a runner to the ground. Horse-collar tackling also is penalized with a 15yard personal foul.

Also beginning this season, the amount of practice "collision" contact will be defined in minutes instead of allowed days. Teams will be allowed no more than six hours of full-pads collision contact per week during the preseason and no more than 30 minutes of collision contact during a week of in-season (after games begin) practice. "Collision" is defined as contact at game speed, with the execution of full tackles at a competitive pace, taking players to the ground. Although "collision" contact will be limited, "thud" contact will be unlimited. "Thud" is not considered collision contact and defined as full speed but above the waist only. with no player taken to the ground and no winner or loser.

All fall sports face at least minor rules changes this season, and a few of the other most noticeable in-game adjustments will come in girls golf, volleyball, girls swimming & diving and boys soccer.

- In golf, athletes will be allowed to use cell phones in four situations to call a coach or tournament administrator for a health and safety issue, for use in inputting scores for live scoring or other scoring applications, to contact a rules official with questions, and for use as a distance-measuring device.
- Also in golf, a new rule sets the maximum allowable score per hole at 12 strokes.
- In volleyball, attempted serves that make contact with a backboard or other support device hanging from the ceiling over the serving area now will be illegal serves instead of faults (which previously allowed the server another attempt). Also, when a ball in play strikes the cables or diagonal poles used to retract baskets or similar apparatus to the ceiling, the game official will stop play and determine if the ball was playable if it is ruled playable before making contact

with the apparatus, there will be a replay; if the ball is deemed to have not been playable, it will be ruled out of bounds.

• Also in volleyball, a change regarding uniforms will make the libero more recognizable. A libero's uniform top must clearly contrast with those of the rest of her teammates by using another predominant color. The libero's uniform may be trimmed with the predominant color of her non-libero teammates' uniforms, and vice versa. Also regarding volleyball uniforms, "00" may no longer be used as a jersey number, only numbers 0-99 to eliminate confusion.

• In swimming, the definition of a legal finish has changed to include a competitor touching any part of the finish end of the lane, not just the touch pad. In diving, the degree of difficulty was adjusted for back and reverse somersaults to provide consistency with difficulty of other dives

• The game clock will stop in boys soccer beginning this fall when the team leading the game makes a substitution during the final five minutes of the second period of regulation or second part of overtime. This stoppage aims to prevent the team in the lead from using substitutions as a way to run time off the clock.

The 2019 Fall campaign culminates with postseason tournaments beginning with the Upper Peninsula Girls Tennis Finals during the first week of October and wraps up with the 11-Player Football Finals on Nov. 29 and 30. Here is a complete list of fall tournament dates:

CROSS COUNTRY

GIRLS VOLLEYBALL

Districts – Nov. 4-9 Regionals – Nov. 12 &14 Quarterfinals – Nov. 19 Semifinals – Nov. 21-22 Finals – Nov. 23

The MHSAA is a private, not-forprofit corporation of voluntary membership by more than 1,500 public and private senior high schools and junior high/middle schools which exists to develop common rules for athletic eligibility and competition. No government funds or tax dollars support the MHSAA, which was the first such association nationally to not accept membership dues or tournament entry fees from schools. Member schools which enforce these rules are permitted to participate in MHSAA tournaments, which attract more than 1.4 million spectators each

REAL ESTATE CORNER

BROUGHT TO YOU BY HOLLY NIERMAN EXP REAL ESTATE

Why Isn't My Home Selling?

Part 2 of 3

Price based on greed
Even if it's been shown that your house will
likely sell for around \$250,000, you insist on
listing it for \$275,000 because "you never know,
someone could come along who just has to
have it. Besides, if we don't get any bites we
can always lower the price later." The problem
is it won't take long for buyers to realize your
price is unrealistic and think you are, too, and
won't want to deal with you unless the house is
"a steal." The listing languishes, so you drop
the price, but not enough, it sits even longer
and pretty soon you have a listing that's been
on the market so long buyers decide there is
something wrong and steer clear.

The solution is to get the price right. This is done by using what is called a Competitive Market Analysis (CMA). If you've hired the right agent, this is the first folder out of their briefcase when you meet to list your home. A CMA breaks down the sales price of homes that are similar to yours in location, size, age and condition.

Your agent will also consider the listing prices of homes on the market, but these are used more to identify the competition. Even with a strong agent and CMA, your price may not be on target. That's because the market is always changing and your agent should be updating your CMA whenever anything comparable to your property sells.

Not every reason your home isn't selling will be the price, although they will be related to it. Here we have that value vs. price issue. If buyers perceive imperfections in your listing, they will want a discount, so if they're not buying, your price is not discounted enough for buyers to believe the value to them at least equals that of your price.

For example, if your lawn is brown and the landscaping worn, buyers will want a discount. The problem is that a seller will not consider this a major issue and attach a much lower discount than a buyer will accept.

This is why it is imperative that sellers do everything they can to eliminate any issues buyers may have with their house before listing. Obviously, you can't do anything about a bad location, such as being near railroad tracks, or that you have just one bathroom. But you and your agent should have factored these drawbacks into the listing price.

rawbacks into the More next week.

Real Estate Feature Property

BEAUTIFUL HOME FEATURES ARTISTIC TOUCHES INSIDE AND OUT

BY JIM AKANS

Set upon just over and acre of wooded property, this amazing home near Boyne City offers an exciting blend of indoor and outdoor living with amazing artistic touches throughout.

This three bedroom, two-anda-half bath home has approximately 2,400 square feet of space. Interior highlights include a large living room with vaulted ceiling and corner fireplace, spacious family room, gorgeous kitchen with a moving center island, vaulted ceiling, tile countertops and corner window above the sink area, master bedroom with private deck and more.

Outdoors a tranquil patio is surrounded by an artistic garden. It features a Wisteria planting that has been trained by the homeowners to create a sheltered seating area. The yard also has a storage shed that could be finished to serve as a man-cave, she-shed or hobby lodge. The property backs up to 1,000's of acres of conservancy, and the home is near a 20 mile mountain bike trail network.

This beautiful home on over an acre with artistic touches inside and out is located at 03012 Wildwood Harbor just outside of Boyne City, and is listed at \$225,000. For more information or to arrange a home tour, call Marty Moody, Associate Broker or Christopher Christensen, Associate Broker, at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email at Marty@lyndasrealestateservice.com or Chris@lyndasrealestateservice.com

PUBLIC HEARING NOTICE CITY OF EAST JORDAN REZONING REQUEST

The City of East Jordan has received an application from Paul & Barbara Burks to rezone the property located at 406 State Street from PO (Professional Office District) to R-1 (Single Family Residential District).

The City Planning Commission will hold a Public Hearing to receive public comments on this Rezoning request at its meeting on Thursday, August 22, 2019 at 6:00 PM at City Hall, located at 201 Main Street. Individuals unable to attend the Public Hearing may submit written comments to: East Jordan Planning Commission, c/o City Clerk, POB 499, East Jordan, MI 49727.

The rezoning application is available for review at City Hall during normal business hours.

> MOTION OFFERED BY: HAWLE' SECOND BY: PENZIEN

ORDINANCE #254 AN ORDINANCE TO AMEND CHAPTER 46 UTILITIES, ARTICLE I IN GENERAL

The City of East Jordan Hereby Ordains:

Sec. 46-5 Municipal Liability

The City will not be responsible for interruptions of services due to natural calamities, equipment failures, or actions of the system users. It shall be the responsibility of the user that all connected equipment remains in good working order so as not to cause disruption of service of any sewer or treatment plant equipment.

Publication: This Ordinance will take effect 7 days after publication.

Cheltzi M. Wilson, MMC City Clerk
