### BOYNE CITY 53, CHEBOYGAN 46

CHEBOYGAN — Starting the season with a win is every teams goal.

Boyne City and Cheboygan decided to play some bonus basketball in the opener for both schools, with the Ramblers pulling out a 53-46 overtime victory over the Chiefs on December 2.

The two teams entered the extra session over tied at 43-43.

"We started out a little slow and got in foul trouble, but I'm very pleased how the girls finished the game," Boyne City coach Julie Redman said.

The Ramblers held a 13-10 lead after one quarter of play and pull ahead 22-18 at the half and after a strong third quarter by the Chiefs, Boyne found themselves down one, 32-31 entering

the final eight minutes of play.

Junior, Jaelyn Jarema paced the Ramblers with 10 points, while the remaining points were scattered amongst the roster with balanced scoring.

### Ramblers unable to generate offense against Eagles

### BELLAIRE 24, BOYNE CITY 18

BOYNE CITY — There are not going to be many teams that outwork the Boyne City girls basketball teams on defense, as the Ramblers were all over the

floor and in the face of Bellaire in their home opener on December 5.

It would be the other end of the floor that Boyne would struggle from as Bellaire escaped with a 24-18 non conference win.

While both the Ramblers and Eagles struggled to connect from the floor, Bellaire would hit just a few more on a night where there seemed to be a lid on the rim.

Boyne would start out with their aggressive defense, which generated some easy looks as they pulled out a 9-2 first quarter advantage.

The Eagles would however, begin the second quarter with a 7-0 run of their own to tie the score, and the two teams traded baskets the remainder of the half, sending them into the break knotted at 14 apiece.

In the third quarter, neither team would be setting

the nets on fire as Bellaire would put up a five spot on the scoreboard, while the Ramblers were unable to put the ball in the hoop, giving the Eagles a 19-14 advantage heading into the fourth.

Avery Stadt and Reagan May would rattle off a pair of baskets to pull BC to within on 3, 19-18, but that's all the Ramblers would get as Bellaire closed out the contest on a 5-0 run for the final tally.

Stadt netted six points to lead the Ramblers, while Katelyn Gabos chipped in with five.

## Girls Basketball

# Red Devils remain unbeaten in opening week

### EAST JORDAN 37, JOHANNESBURG-LEWISTON 35

**EAST JORDAN** — The East Jordan girls basketball team is looking strong after a 2-0 start to the season, including a 37-35 non-conference win over Johannesburg-Lewiston on December 5, in front of the home crowd.

The Red Devils began the contest strong, but after weathering a Cardinal storm over the middle two quarters, EJ had to buckle down, as they overcame a late game deficit to pull out

the victory.

Jayden Weber would pace EJ with a 23 point effort, despite facing double and triple teams all night in the comeback win, including a clutch free throw with seconds remaining on the game clock.

The Red Devils would trail 21-17 at the break after holding a 12-10 advantage at the end of the first quarter, and closed the Cardinal gap to 38-24 at the end of the third.

As EJ battled back in the second half, they would not get within striking distance until late in the fourth, as Red Devil freshman, Elliona

Leaman connected on a jumper to make it 34-33 J-L with 1:30 remaining in regulation.

Leaman would then give EJ their first lead since the second quarter moments later when she knocked down a triple (36-34), setting up Weber's free throw and a defensive stand on the Cardinals last possession.

In addition to Weber's 23, Leaman added five points and Katy Black had four points, while freshman Lindsey Cross pulled in seven rebounds, and Molly Kitson dished out five assists.

The Red Devils (2-0) host

Petoskey on Thursday, December 12.

### Weber's huge night leads Red Devils past Ironmen.

### EAST JORDAN 52, MANCELONA 27

**EAST JORDAN** — Jayden

Weber will not take anyone by surprise this season.

Much like she has since her freshman season, the Red Devil senior will alternate opponents game plans each and every night, so may be successful, while others will not.

In the season opener for East Jordan, Weber not only helped get the team and her senior season off to a good start, she displayed another weapon to her already potent offensive arsenal, the perimeter shot.

Jayden would finish with a game-high 32 point, 12 rebound effort in the first contest of the 2019-20 season,

leading the Red Devils to a 52-37 win over Mancelona on December 3, connecting on five 3-points, while fellow senior, Molly Kitson added 11 points and nine assists, dropping in three triples of her own.

EJ raced out of the gates with a 17-3 first quarter lead and went into the half with a 28-10 advantage, before putting the game on cruise control over the final 16 minutes of play.

## Charlevoix edged in opener by Rangers

### MANTON 52, CHARLEVOIX 49

**MANTON** — The Charlevoix girls basketball team had a chance to tie the game late, but were unable to get off an attempt, falling to Manton 52-49 in the season opener for both schools on

December 3.

The Rayder would trail the Rangers 12-7 at the end of the first quarter, before responding with a 15-12 scoring advantage in the second to close the half down 24-22.

A nearly even third quarter would still see Charlevoix trailing 40-36 entering the final eight minutes of play.

Senior Addie Nagel would finish with 15 points in the opener, while sophomore Taylor Petrosky added 12 and Emma Buday chipped in with seven.

Abby Cunningham and Lizzy Petrosky would add six points each for the Rayders.

## Rayders unable to match Saints pressure

### ST. IGNACE 61, CHARLEVOIX 37

**CHARLEVOIX** — Charlevoix was fully aware of what was in store for them in their home opener on December 6, as the visiting St. Ignace Saints rolled into town.

The Rayders did all they could do, battling to an 8-7 first quarter lead, but the Saints got things going on the offensive end to match

their famed full-court pressure, creating turnovers and finding the bottom of the net on a routine basis, as St. Ignace would roll to a 61-37 non-conference win.

The Saints would put together nearly a 40 point effort in the middle two quarters, and despite the offensive onslaught, the Rayders did not go quietly, trimming the St. Ignace lead to 12 points in the third, before the Saints reeled off another 10 point run to put the

game out of reach.

Rayder sophomore Taylor Petrosky paced the team with 24 points, hitting four triples and shooting 80 percent from the charity stripe, while Addie Nagel added eight points

## Over Pricing Property?

A high price conveys the message that the seller may not really be interested in selling. And, when a home is priced too high, agents and buyers usually just cross it off their list and move on. After all, there are plenty of other listings.

Of course, deciding the value of a home isn't an exact science, so it's understandable that a seller might put their home on the market with an asking price that is on the high side.

Additionally, most of us believe that our homes are really "worth more" than the one down the block, around the corner or the one next door that was just sold. And, if we are wrong, we can always drop the price later, can't we? Yes, but by then, the seller may have not only lost potential buyers, but they may have also driven off interested Realtors and Realtors are the prime source of buyers. Generally, they bring the buyers.

When a property is put up for sale, the first 30 days are the most critical. Statistics show that's when most

buyers (and Realtors) see the property. Interest is highest at this time. But, the higher price the property is on the market, the fewer the prospects (and Realtors) will view it. Thus, the initial period is critical with the proper pricing.

Some sellers, however, believe that if someone is really interested they will counter-offer. Some will, some won't. Some well-qualified buyers may just walk away. The bottom line is a high priced listing will turn many buyers off.

Still, a seller wants to be confident he or she is getting the best price for their home.

The way to accomplish this is by talking to a real estate agent before listing the property. Ask for a comparative market analysis—that is, research what similar homes in the area have sold for recently. Compare your property to those, and have the agent help you calculate a fair market value. Be objective—even though it is your home.

Remember, an over-priced listing will usually result in an unsold prop-
