BOYNE CITY 32, GAYLORD 25

BOYNE CITY — In what appeared to be a close matchup from the get-go, both the Boyne City and Gaylord girls' basketball teams did not disappoint, playing a hard-fought defensive game, peppered with some timely offense for each squad.

In the end, it would be the Ramblers pulling out a 32-25 non-conference victory on January 6

From the opening tip, it was established early on that this would not be a high scoring affair, regardless of both team's ability to get the ball up the court quickly, as Gaylord held a 10-7 first quarter lead, despite six points from Rambler senior Katelyn Gabos.

With a back and fourth second quarter, the two teams looked set to enter the break with Boyne taking a 15-14 lead with under 10 seconds to play on a pair of senior Josee Behling free throws, but a Boyne steal led to sophomore Jordan Noble drawing contact on a shot with 0.4 seconds to play in the half, sending her to the charity stripe, where she calmly sunk both shots, extending the BC margin to three points, 18-15 after the first 16 minutes of play and giving the team some much needed momentum before second half play.

In the third and fourth, defense still reigned as the two teams combined to score 25 points total, with Boyne holding a 14-10 advantage, coming away with the win to improve to 5-2 overall on the season.

Gabos would finish with 12 points for the Ramblers, while Brooklyn Fitzpatrick added six and Behling four.

Boyne travels to TC St. Francis on Friday, January 10.

Red Devils fall to Snowbirds 64-55

GAYLORD ST. MARY 64, EAST JORDAN 55

GAYLORD – What a way to open the New Year.

Facing a tough challenge right out of the Christmas Holiday break is something that those patiently waiting

the last two weeks have wanted and the Red Devils and Snowbirds did not disappoint.

Both teams, each expected to challenge for their respective conference titles, came ready to play, but in the end, it was Gaylord St. Mary pulling out a 64-55 non-con-

ference win over East Jordan on January 6.

Red Devil senior, Jackson Raymond scored eight of his game-high 24 points in the opening eight minutes of play to put EJ ahead 14-12.

East Jordan pushed their advantage to 21-12 early in the second, going to their in-

side game as senior Sooper Stevenson responded. St Mary's however, would not go away as they chipped away at the Red Devil lead and trailing by three with time running out in the half, a Steven Koscielniak triple as time expired, sending the Snowbird faithful into a

roaring frenzy, would send the teams into the break knotted at 30-all.

A strong third quarter by the Snowbirds, outscoring EJ by a 15-8 margin, would be just enough to keep the Red Devils at bay for the final eight minutes, as GSM outscored East Jordan 20-17

in the fourth for the victory.

In addition to Raymond's 24, Stevenson added 15 and AJ Bartlett chipped in with 10 for the Red Devils, now 3-2 on the season.

Brady Hunter paced the Snowbirds with 20 points.

Fast start helps Rayders roll past Rangers

CHARLEVOIX 65, MANTON 52

CHARLEVOIX — Having played only two times before the Holiday break, no one knew how the Charlevoix boys basketball team would come out in their January 3 make-up contest against Manton.

Well, it didn't take long for the Rayder faithful to figure that out as Charlevoix jumped out to a 25-13 first

quarter lead and never looked back as they defeated the Rangers 65-52 in non-conference play.

A key factor in the contest was athletic ability and depth of the Charlevoix team as coach Matt Stuck was able to keep fresh legs on the floor and behind the play of Evan Solomon and Jacob Mueller, the Rayders never looked in jeopardy of relinquishing the lead.

Solomon led the team with 17 points, while the versatile

Mueller dropped 10 of his 15 points in the second quarter as the Rayders took a 34-27 lead into the half and were ahead 52-39 entering the fourth quarter.

With the win, Charlevoix improves to 2-1 on the season

Also getting into the score-book for the Rayders was Luke Stuck with 10 point, with Ben Lentz chipping in seven.

DNR Fishing Tip

Ice fishing in the middle of the day

We often emphasize the best times to go ice fishing are early morning and around dusk – but what about those folks who can't go during those times and would prefer to fish in the middle of the day? Don't worry, there are options for you too!

A few species are ideal midday targets, including northern pike, yellow perch, bluegill, and rainbow and brown trout.

For northern pike you can set up tip-ups and enjoy a leisurely day on the ice. For yellow perch you can drill a high number of holes and move around frequently. For bluegill you can use a fish locator to follow around a school. And for rainbow and brown trout you can sight-fish for them in shallower water.

Three more poached elk near Vanderbilt

VANDERBILT – Michigan Department of Natural Resources conservation officers in Gaylord are seeking tips from the public regarding three adult cow elk poached in Otsego County – the third elk poaching case in northern Michigan in roughly a month.

"This is the worst year we've had as far as elk poaching," said Lt. Jim Gorno.

Area residents found the three elk about 50 yards north of Hardwood Lake Road near Bobcat Trail, in the Pigeon River State Forest, east of Vanderbilt. Officers believe that the three elk were shot either the Saturday or Sunday before Christmas while they were bedded down near each other.

"This is a loss for everyone who appreciates our state's natural resources. It's a true shame," said Gorno. "If you or anyone you know has information that can help us solve this crime, we want to hear from you."

Gorno said that the public tips received regarding a bull elk poached in November helped identify a suspect in that case.

Anyone with information regarding this poaching incident can contact the DNR Law Enforcement Division at the

Charlevoix overcomes slow start to rout Chiefs

CHARLEVOIX 66, CHEBOYGAN 45

CHEBOYGAN – For the second time in a few days, the Rayders utilized their size and depth to dispose of an opponent.

This time it would be Cheboygan, as Charlevoix

overcame a four-point first quarter deficit (16-12) to pull out a convincing 66-45 non-conference boys basketball victory on January 7.

It would be in the second and third quarters where the Rayders would create more than enough separation room as they outscored the Chiefs 47-21 over the 16 min-

utes of play, as sophomore Evan Solomon scored eight of his game high 21 points in the second to put Charlevoix up 38-25 at the break.

Jacob Mueller added 15 for the Rayders, while Blaise Snabes chipped in with eight, Ben Lentz finished with seven and both Caleb Stuck and Luke Stuck scored

REAL ESTATE CORNER

BROUGHT TO YOU BY
HOLLY STARK
EXP REAL ESTATE

What is the MLS?

MLS stands for "Multiple Listing Service," which is usually a computerized listing of virtually all the homes that are for sale in a specific area.

When a Realtor lists your property for sale, they pay a fee and your home is placed on the MLS system. The big advantage to sellers is that the MLS is the #1 resource used by buyers (and agents) to locate homes.

Properties that are not listed (usually those being sold by their owners) are not on the MLS - thus there are many buyers and Realtors who will not be exposed to the home.

The MLS has become such a standard in real estate that no serious broker would think of trying to sell real estate without it. It would be like an accountant trying to work without a calculator.

About the only residential brokers who might not use the MLS are those who exclusively handle foreclosed properties, or high-end homes owned by celebrities and the like.

The MLS provides a surprising amount of detail, depending upon the area of the country

it may include the location (by zip code); size of the home (square footage); size of the lot; number of bedrooms and bathrooms; extra rooms such as a den, family room, formal dining room, or enclosed patio; amenities such as a backyard, fireplace, hot tub, pool, kitchen features, new carpet and drapes; capacity of garage; age of home; and, of course, the selling price and terms.

Buyers can narrow their house-hunting searches dramatically by using the MLS. For instance, their real estate professional can do a computer search and ask for a listing of all homes within a certain location and price range that have two or three bedrooms and that are not more than ten years old. Not only will this request generate a brief list of viable possibilities, it also helps buyers gauge, roughly, what they can expect to get for their money, and to compare the value of the homes listed.

Thus, the MLS is more than a system that lists properties. It's an aid to both buyers and sellers, and is a definite asset to consumers when it comes to real estate.

Real Estate Feature Property "GENTLEMEN'S FARM" ON 35 ACRES NEAR CHARLEVOIX

BY JIM AKANS

Situated on a 35 acre setting abutting thousands of acres of state land that extends all the way to Lake Michigan, this "Gentlemen's Farm" is an ideal northern Lower Michigan location.

The home has four bedrooms and one-and-a-half

baths, with just over 900 square feet of very nicely appointed living space. The open kitchen, dining and living areas feature beautiful wood flooring, and the basement level is finished.

The property has a 64x32 foot barn with two-car garage, stalls, a 64x12 foot lean-to and lots of extra

space for storage. There is a separate storage shed and fenced areas for horses as well. Backing up to thousands of acres of state land, there are tons of trails to explore. This is truly and up north gem.

This wonderful "Gentlemen's Farm" on 35 acres is located at 01161 Norwood Road southwest of

Charlevoix and the listing price has recently been reduced to just \$235,000. For additional information or to arrange for a tour, please call Mike Stark or Holly Stark, Associate Brokers at EXP Realty - 109 Mill St., East Jordan, at 231-536-7700 or email HollisUpNorth@gmail.com
