### CHARLEVOIX 55, JOBURG 31

CHARLEVOIX — Moving on.

It seems this time of year, that is what has become expected of the Charlevoix girls basketball team, and on March 6, they did not disappoint, running away with their fourth straight district crown, defeating Johannesburg-Lewiston 55-31.

Following a slow start, the Rayders would end the first quarter on a run and held a 19-10 advantage. That would all change in the second, as the Rayders opened things up offensively and all but shut the door on the Cardinals defensively.

That defense would turn into easy opportunities on the other end for Charlevoix as the Rayders outscored JoBurg 17-2 to take a 36-12 lead into the halftime break.

Once the game got rolling in the second half, it was much of the same for both teams as the Rayders did what they wanted on both ends of the court and with the game well in hand by the end of the third, the top of the Charlevoix rotation did not see the floor at all in the final quarter.

Sophomore Taylor Petrosky led the Rayders with 14 points, while Elise Stuck, (playing in just her fourth game this season) and Addie Nagel each added 12, with nine players getting into the scoring column.

## Red Devils edge Bulldogs with strong 4th

EAST JORDAN 55,  
INLAND LAKES 48

EAST JORDAN – Surviving a long layoff is never easy.

Surviving a 10-day layoff before the start of the MHSAA tournament is even more difficult, especially when you come up against an opponent that you haven't seen during the regular season, as the East Jordan boys basketball team found out early, before overcoming a halftime deficit to defeat Inland Lakes 55-48 in the opening contest of the Division 3 district play.

Jackson Raymond scored 19 of his game-high 23 points and Cooper Stevenson added 14 of his 18 points during a second half spree that allowed the Red Devils to pull out the victory.

"It's tough when you have 10 days off between games and although we did a great job of practicing and working hard last week it is really tough to stay in rhythm and that really showed in the first half," East Jordan coach Nate Dzwik said. "I thought Inland Lakes did a great job of switching defenses and keeping us off balance, which was frustrating for the coaching staff because we knew from film they were going to do this. Inland Lakes did a really good job of offensive rebounding early and that hurt us as they scored a bunch of points off second and third chances."

Those Bulldogs efforts led to an 8-7 first quarter lead and 22-18 halftime advantage.

Levin Pepin scored all of his seven points for the Red Devils in the first half, along with the timely shooting of Mason Malpass, kept the team within striking distance.

Following an inspired third quarter though, EJ pulled ahead with a 33-31 lead headed into the fourth, and then outscored their opponent down the stretch to secure the win.

"At the half we really talked about pushing the pace and running our secondary break and trying to play more at our pace and it worked as we came out and were able to get some nice transition points and go inside out and knock down some shots," coach Dzwik added. "We were able to run some good action and get a couple of sets for Jackson and Cooper to get isolated in good spots and they took advantage."

In addition to their scoring, both Raymond and Stevenson

each grabbed eight boards, while Pepin had six. Chandler Bartig added seven rebounds and six assists from his point guard position.

"I thought Jackson did a great job on Nathaniel Wandrie for them, they run a ton of plays to get the ball in his hands in a lot of spots on the floor and Jackson was able to use his length and athleticism to shut him down to nine points, way below his season average," the coach noted.

"Truly a great team win, the bench gave great energy on and off the floor. Harbor Springs is going to be tough, both games were really close, and we need to really lock in and play some great defense!"

## Northmen hand Ramblers a loss as both teams struggle from field

PETOSKEY 50,  
BOYNE CITY 42

PETOSKEY -- In what has become a great pre-tournament test for both schools over the past 10 plus seasons, both Boyne City and Petoskey took to the floor once again on March 3.

While both teams pushed the pace early and often, neither squad had much luck in finding the bottom of the net as both teams struggled offensively.

Petoskey escaped the first quarter with a 13-11 lead on

a triple late as time ran down, despite five points from Rambler senior, Max Vondra.

Both teams kept up the intensity and pace during the second quarter, but the Northmen would convert just a few more scoring opportunities to take a 24-17 advantage into the half as Boyne was only able to capitalize on a pair of three-pointers from senior Jakob Steinhoff.

"Really proud of our effort tonight," BC coach Nick Redman said. "The guys gave it everything they had. We

played great defensively and executed our offense to get good shots early on, we just didn't finish well."

Boyne was able to cut into the Northmen lead on multiple occasions during the second half, trimming the lead to five on a Stephen Orban triple, but ended up closing the quarter trailing by six, (35-29) headed into the final eight minutes of regulation.

Once the fourth began, Petoskey went to the post to capitalize on their height advantage, pushing their lead to nine points, but as the quarter wore on, the Ramblers once again got the deficit down to six with just over two minutes to play before the Northmen started to spread the offense and Boyne was forced to foul, and Petoskey closed out the contest from the charity stripe.

Aiden Brehm finished with 10 to lead the Ramblers, while Orban and Steinhoff each added nine, with Vondra chipping in seven and Jack Neer five.

JJ Marshall paced Petoskey with 11, while Nate Eberly-Rodrigues and Jade Spurgeon added 10 apiece.

Boyne closed out the regular season with a 14-6 record.

# Ramblers fall to district favorite Sault

### SAULT STE. MARIE 55, BOYNE CITY 26

BOYNE CITY — The Boyne City girls basketball season came to a close on March 4, falling to Division 2 district favorite Sault Ste. Marie 55-26 in the semifinal match-up.

While the Ramblers had a successful season, finishing at 15-6, it would be the Blue Devils moving on with a 19-1 record.

"We played a good team tonight and I'm proud of all of the girls for the effort they put forth this season," Boyne assistant coach Myra Bryant said.

The Blue Devils wasted little time in taking control of the game, racing out to a 21-2 first quarter lead and were still in control at the half, 30-9 and 40-14 after three quarters of play.

The Ramblers will graduate five seniors, Josee Behling, Brooklyn Fitzpatrick, Katelyn Gabos, Reagan May and Avery Stadt.

# Boyne bowlers finish runner-up at State

JACKSON — Over the past weekend, the Boyne City High School Varsity Bowling team took part in the Division 3 State Championship after claiming the regional crown the prior weekend. Boyne qualified as the #2 seed making the Top 8 Bracket Round after 8 baker games and two individual games. In the Championship Round, the Ramblers fell short to Armada by 15 pins. Armada earned the overall title with a 1,230 pin finish, while Boyne City placed second overall with 1,215 pins.

In just their third year as a program, they have had great support from their home of BC Lanes, along with owners Chris and Sandy Nelson, and manager Shantel Erber, the Ramblers earned their first regional title and appearance in the State Championship.

Boyne senior, Jack Wicker and junior, Michael Deming, also qualified for the Individual State Championships. Wicker advanced to the Sweet 16, qualifying as the 7th seed going into Bracket play. He did not advance after losing to the eventual State Champion.

Wicker qualified for the

top 16 bracket and eventually placed seventh overall in Division 3 with a 1,213 pin total, rolling games of: 255, 183, 212, 192, 223 and 148.

"The support from the community was surreal and we couldn't have done what we did without them," Wicker shared in a statement. "It was a great ending to my last high school season. A memory that will never be forgotten."

Jack finished 6th in the Northern Michigan Bowling Conference and has signed a letter of intent to bowl and attend school at Aquinas College in the fall.

Deming missed the Sweet 16 cut by 15 pins, finishing 19th in Division 3. Along the way, Michael rolled games of 226, 180, 188, 180, 199 and 181 for a total of 1,154 pins.

"Words cannot express how happy I am for my team! Deming shared in a statement. "All of our hard work really paid off! Regional Champs, two individual qualifiers, and Runner-Up for a team event in State! Sad to see this season go but we still have work to do! Thank you to everyone who has helped along the way...we could not have done it without

you!"

Michael finished as the Northern Michigan Conference Bowling Champion. He has also qualified for the Junior Gold National Championships in Las Vegas, Nevada this summer.

Other team members included Cameron Knight (Senior), Hank Archey (Junior), Zach Hardy (Junior), Drew Coleman (Sophomore), Chris Cheadle (Sophomore), and Michael Cheadle (Freshman). Zach and Hank have been consistent all season for their team scoring high games at critical moments all year long, the duo will be counted on next year to lead the team, along with Deming.

Knight, Coleman, both Chris and Michael Cheadle played a specialty role providing a spark when needed, strategically hitting critical shots, and carrying the team when they needed it most. With 6 team members returning, the future of Boyne City Bowling looks to remain strong.

The Ramblers are led by head coach Kirk Smith, along with assistants Jeff Anthony and Don Kleinschrodt.

# Boyne City surges in second half past Blazers

### BOYNE CITY 61, KALKASKA 48

BOYNE CITY – March Madness, Tournament time, New season, whatever you want to call it, everyone has a chance to advance and records do not matter.

That would be the case for the better part of the first 16 minutes of play in the Division 2 district opener in Boyne City as Kalkaska put the pressure on the heavily favored Ramblers as the two teams battled to a 20-20 tie at the half.

It would take an inspired effort and execution in the second half by the Ramblers as they outscored the hungry Blazers by 13 points to earn a 61-48 victory.

Boyne seemed to be playing in “hurry up” mode during the first half of play, missing shots they would normally knock down, and making unforced errors.

The second half would much different, as the Ramblers took advantage of knocking down shots and capitalizing on the “extra-pass” dishing out 12 of their 16 assists in the last two quarters.

Stephan Orban was solid the entire contest for BC, scoring a team-high 16 points, while Aidan Brehm added a near triple-double with 13 points, 12 boards and seven assists, Pete Calcaterra had 11 and Jack Neer nine (all on a trio of triples from late in the third and early fourth).

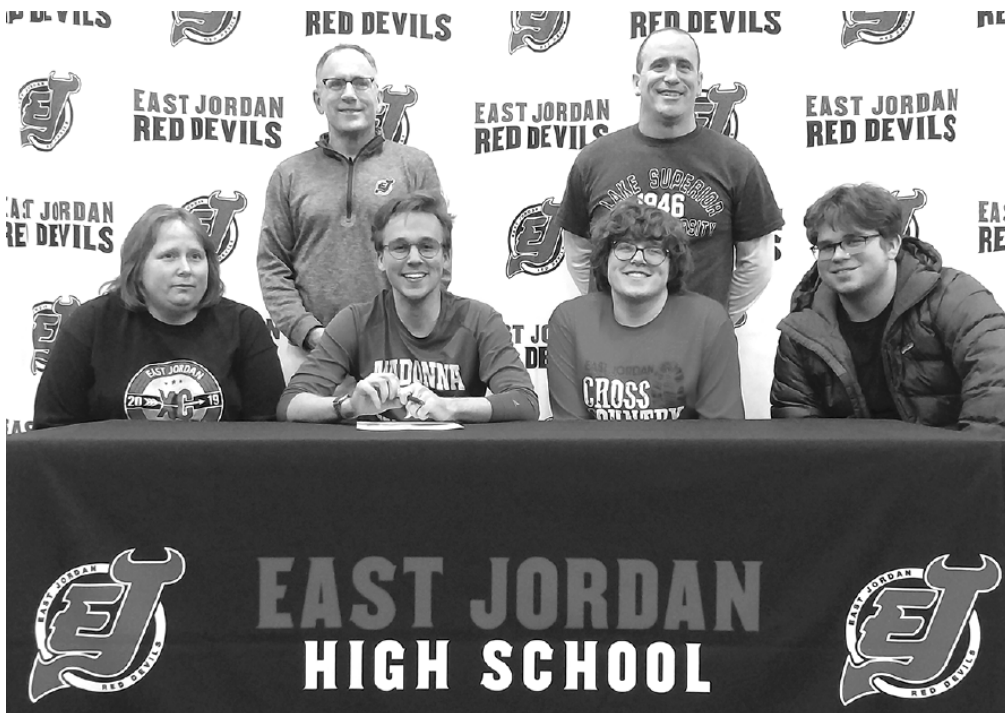

With the win, the Ramblers advance to play host Grayling on Wednesday, March 11, game results were not available at press time.

## ADVICE FROM GOD

Blessed are the poor in spirit, for theirs is the kingdom of heaven. Blessed are those who mourn, for they will be comforted. Blessed are the meek, for they will inherit the earth. Blessed are those who hunger and thirst for righteousness, for they will be filled. Blessed are the merciful, for they will be shown mercy. Blessed are the pure in heart, for they will see God. Blessed are the peace-makers, for they will be called children of God. Blessed are those who are persecuted because of righteousness, for theirs is the kingdom of heaven. Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of me. Rejoice and be glad, because great is your reward

in heaven, for in the same way they persecuted the prophets who were before you. Matthew 5:3-12 NIV

## REAL ESTATE CORNER

**BROUGHT TO YOU BY HOLLY STARK EXP REAL ESTATE**

### 2 Most Common Problems Keeping You from Buying a Home

This is the best time to buy a home. Home prices are more affordable than they've been in decades and mortgage rates are at all time lows. Even if you were able to qualify 3 years ago, and even if your credit score has not changed, you may not be able to qualify today. There are 2 main reasons why people are not able to buy a home, but there is also hope and the American dream of home ownership might still be within your reach.

You may be one of millions of people who have recently been turned down for a home loan by the bank. One of the most common reasons good people get turned down for a loan is because they have less than perfect credit.

1. **Less Than Perfect Credit.** If you notice, I didn't say "bad credit." A few years ago, banks were lending to everyone who wanted a loan. Banks were lending to people who had credit scores in the mid 500s just a short while ago. Just recently it was announced that the minimum credit score, yes the minimum for a FHA backed mortgage is 640. But, even if you have a score in the mid to high 600s, you may still be required to put down a hefty down payment. A score of 720 or higher is considered good credit, and is what's required for a low-down payment loan today.

There are many reasons that credit scores can become less than perfect. Maybe you have had a bad event in your life such as a medical emergency or a divorce. These events may be unavoidable, but wreak havoc on a credit score. Maybe you pay your bills on time, but you have had to run up the balances on some credit cards so the bank

runs its formula and tells you that your debt to income ratio is too high. Maybe you were a victim of the economic recession and lost your job, but you've been diligent and found a new job, but because of being out of work you missed some payments on some of your accounts. The banks don't look at your situation and give you a break, they run your credit through their automated system and if the result comes back less than perfect, you don't qualify.

2. **Not Enough Cash.** Even if you do have perfect credit, 100% loans are hard to come by today. You see, banks got into a lot of trouble with the easy lending standards of the past by loaning too much money on houses. Banks used to loan 90%, 95%, 100% and even more of the value of the home that secured the mortgage, and then when the economy turned and people had trouble making their payments, the banks had to take big losses on these loans.

Lending standards have changed, the pendulum has swung far back the other way and banks are more heavily regulated than ever before. If you do not have an extra 5 to 10 grand burning a hole in your pocket and a credit score in the mid 700s, you're going to be hard pressed to qualify for an average, modest home for your family.

You see, no one teaches us this credit game in school, but it is something that affects our entire lives. It is like coming out to the field in the middle of a football game without knowing the rules. It is impossible to win a game you don't know how to play. Once you know the rules, however, you can not only compete, but you can win!
