# Stay Home, Stay Safe Order extended to May 28

Governor Gretchen Whitmer signed Executive Order 2020-77 to extend Michigan's Stay Home, Stay Safe order to May 28. The governor's order will allow manufacturing workers, including those at Michigan's Big 3 auto companies, to resume work on Monday, May 11 as part of her MI Safe Start Plan.

"This is good news for our state, our businesses, and our working families," said Governor Whitmer. "We're not out of the woods yet, but this is an important step forward on our MI Safe Start plan to re-engage our economy safely and responsibly. As we continue to phase in sectors of our economy, I will keep working around the clock to ensure our businesses adopt best practices to protect workers from the spread of COVID-19. When we all keep doing our part, we can reduce the risk of a second wave and re-engage our economy safely and responsibly."

See **STAY HOME** - Page 5A

Governor Gretchen Whitmer also detailed the six phases of her MI Safe Start Plan to re-engage Michigan's economy. The governor has worked with leaders in health care, business, labor, and education to develop the plan, and announced today that Michigan is in phase three. Courtesy Image

### NATIONAL POLICE WEEK ~ MAY 10-16 2020

# National Police Week honors those who have fallen in the line of duty

BY JIM AKANS

This year, National Police Week is being recognized the week of May 10 through 16 across the nation. Law enforcement officers, government officials, and citizens will pay tribute to those officers who have paid the ultimate sacrifice by losing their lives in the line of duty while protecting and serving the public. During a virtual Candlelight Vigil that was held on May 13, the names of each of the 307 men and women that will be added to the National Law Enforcement Officers Memorial this year were read aloud in memory of their sacrifice. The 307 names being engraved on the Memorial's walls this year will be added to the 21,910 fallen officers already there, representing 50 states, the District of Columbia, U.S. territories, federal law enforcement, and military police agencies.

The virtual broadcast re-

Plaque at the National Law Enforcement Officers Memorial at Judiciary Square in Washington, D.C. Wikipedia photo

placed the traditional Candlelight Vigil ceremony held on the National Mall, which has drawn more than 30,000 first responders, surviving families, and law enforcement supporters annually. The virtual ceremony included special remarks by

more than 50 guests, including the Honorable Chad Wolf, Acting Secretary, U.S. Department of Homeland Security; the Honorable Steny Hoyer, Majority Leader, U.S. House of Representatives; Dermot Shea, New York Police Commis-

sioner; Cerelyn J. Davis, National President, National Organization of Black Law Enforcement Executives; Patrick Yoes, National President, Fraternal Order of Police; Tom Selleck, Joe Mantegna, and John Walsh, and the chief executives of some of the nation's Fortune 500 corporations, all paying tribute to the fallen U.S. law enforcement officers.

The roots of National Police Week reach back to 1962, when President John F. Kennedy signed a proclamation that designated May 15 as Peace Officers Memorial Day and the week following as Police Week. In August 1981, the Fraternal Order of Police National Auxiliary Board voted to hold the first National Peace Officers' Memorial Day Service on Capitol Hill at Senate Park the following May.

### 2020 OPIE Winner

COURTESY PHOTO

Congratulations to high school math teacher Mr. Rob Essenberg for being East Jordan Public School's Outstanding Person in Education for the 2019-2020 school year. Each year school districts in the Charlevoix-Intermediate School District select a teacher from their school to receive the OPIE award. Instead of attending a recognition dinner this year, Mr. Essenberg received cards, cookies, an apple and yard sign decorations in his honor.

### East Jordan High School plans graduation ceremony

COURTESY PHOTO

East Jordan high school is planning to have an outdoor graduation ceremony for the class of 2020 at Boswell Stadium. In addition, East Jordan High School is also planning a secondary plan of a car parade of graduates on June 6 that will be broadcast on TV 7&4 and 29&8.

In a letter to parents, East Jordan Principal, Nate

## Dennis Crissman is Retiring at end of 2019-20 School Year

Boyer City High Schools' Culinary/Hospitality Teacher Dennis Crissman has announced his retirement after 18 years of teaching. Dennis has been training students for life long jobs in the industry of Hospitality, providing valuable hands-on experience, and sharing his years of experience in Culinary Arts and Restaurant Management. During his time leading the culinary program, students maintained an extremely high placement rate in the workforce and competed at a high level in state competitions in culinary arts. He is well known for his sense of humor and for being a great mentor to teens in his

career as an instructor at Boyne City High School. The District would like to extend its gratitude for his years of dedicated service in helping to create a culture of tradition and inspiration for student growth and education.

## Charlevoix Community Foundation grant cycle announced

The Charlevoix County Community Foundation is announcing changes to the upcoming grant cycle in response to changing needs in our communities. Formerly called Community Project Support, the cycle was originally scheduled to have an application due date of May 1, 2020 and was intended to provide support for community projects and programs in several focus areas including arts & culture, veterans assistance, health and wellness, urgent needs, and more. However, due to the current COVID-19 crisis our communities are facing, the Community Foundation has moved the grant cycle deadline to June 1, 2020. The cycle will now be called Organizational Support and will provide opportunities for eligible nonprofits to apply for support for not only community projects but also for general operating support.

The Community Foundation conducted a survey in late April with more than 55 nonprofit partners weighing in. Overwhelmingly, the need for general operational support for nonprofits rose to the top, resulting in the addition of an option to request operational support in the up-

coming cycle. "Community foundations are well-positioned to respond to changing needs in the community," said Chip Hansen, President of the Charlevoix County Community Foundation, "and the creation of this new grant cycle is a great example of how we can continue to be there for our community in times of change and crisis."

The Organizational Support cycle is the latest effort by the Community Foundation to respond to changing needs and help local organizations. The new application is now available for eligible nonprofits to apply for general support. Since funds are limited and C3F anticipates a large response, one application of up to \$5,000 per organization may be submitted. More information and specifics can be found at c3f.org.

In mid-March the Community Foundation rolled out its first change in grant opportunities by opening a new Urgent Needs grant cycle. This cycle has no deadline; instead, requests are reviewed, and grants are awarded on a weekly basis. The focus of the Urgent Needs grant cycle is to provide support for organiza-

tions serving those in need on the front lines of the COVID-19 crisis. Organizations who are providing food, shelter, safety, healthcare, heating and utility assistance, and other basic and urgent needs are prioritized to receive these funds. So far, more than \$86,000 has been granted in Urgent Needs funds to organizations like the Manna Food Project and local food pantries, Good Samaritan Family Services, the Women's Resource Center, and others providing basic needs or connecting local residents to essential services and resources. This grant cycle is ongoing, and organizations can learn more about how to apply at c3f.org.

All of this work and more is made possible by the generous donors who have contributed to the Community Foundation's funds over the years and in recent weeks. The Community Endowment is the Community Foundation's tool for responding to needs and moving promising opportunities forward; nonprofit partners currently need general operations support as performances, services, and fundraisers are cancelled. The Community Endowment is available to

respond. The Urgent Needs Fund supports individuals and families in need throughout Charlevoix County with grants to nonprofit partners and is currently supporting the ongoing Urgent Needs Cycle.

The Community Foundation anticipates that needs will continue for some time and may even increase before things start to get better. People who are interested in helping friends and neighbors in need through the Community Foundation can make a gift to these funds at c3f.org.

The Charlevoix County Community Foundation is a grassroots charitable organization made up of various funds - all of them established by local donors - to enhance the quality of life in Charlevoix County, now and for generations to come. For more information about the grant-making process, establishing a fund, or making a gift, please contact the Charlevoix County Community Foundation online at www.c3f.org.

### Judy Ann (Muma) McPherson, 75

(APRIL 21, 1945 - MAY 6, 2020)

Judy Ann (Muma) McPherson of East Jordan went to be with her Lord and Savior on May 6th, 2020 at McLaren Northern Michigan in Petoskey.

Judy was born in Elmira, Michigan on April 21, 1945, the daughter of Thomas B. & Frankie (Rhodes) Muma. On Sept. 29, 1962, she married Lloyd W. McPherson in Boyne City. Judy was a loving wife, mother and grandmother; spending time with family brought her great joy. Judy is survived by her loving husband, Lloyd W. McPherson. She is also survived by her children Dottie (Russell) Greenman and Lloyd B. (Andrea) McPherson of East Jordan, Karen (Michael) Massey of Gaylord, and Sandra (Chris) Nelson of Boyne City, grandchildren Carey, Derrick, Shena, Shantel, Trevor, Warren, Shane and Chad; 8 great-grandchildren, (two on the way), sister Viola Davis and many cousins, nieces and nephews. She was preceded in death by her parents, grandson Michael Greenman and great-grandson Garyson Gracyk, siblings, Alberta Treece, Nina Treece, Willard Muma, Lula Bell Sevanski, Clara Wingo, Edna Florenski,

and James Muma. A visitation was held at Stackus Funeral Home on Monday, May 11th, 2020. A private family service followed and burial at Maple Lawn Cemetery. Family and friends wishing to share a thought or memory with the family are encouraged to do so online at www.stonefuneralhomeinc.com.

### Mary Theresa Hayden, 98

(JAN. 12, 1922 - MAY 6, 2020)

Mary Theresa Etlinger Hayden died peacefully May 6, 2020. She was born on Jan 12, 1922 to Peter and Mary (Lennert) Etlinger in Detroit and raised with her siblings Peter and Theresa. Mary graduated from All Saints High School, worked for Michigan Bell and married James V. Hayden on July 30, 1941. Mary and Jim raised five children: Fr. Jim Hayden, Patrick (Judy) Hayden, Kathleen (Virgil) Rentz, John (Linda) Hayden, Mary Ann Goetz (died March 24, 2016) husband John Goetz. Mary is survived by 10 grandchildren: Renee Rasmussen, Terry Hayden, Christina DelGudio, Gregory Rentz, Lauren Bodnar, Jessica Peterson, Colleen McDonald, Steven Goetz, Cheryl Goetz, James Goetz, and 10 great grand-

children. After raising her children Mary worked for the State of MI as a medical secretary retiring in 1989. Mary enjoyed cooking, cleaning and helping family. Mary was a devout Catholic who emphasized Faith, Hope, Family, Education, and Service to others. At age 90, Mary moved from Livonia to Charlevoix, resided at the American House, and was loved by all.

Mary was predeceased by her husband James (Bud) of 48 years, daughter Mary Ann, parents, brother Fr. Peter Etlinger, and sister Theresa Niblo.

Services for Mary were held in Charlevoix with committal in Holy Sepulchre Cemetery, Southfield, MI. Memorials may be made to your favorite charity in Mary's name.

Arrangements have been handled by the Charlevoix Chapel of Mortensen Funeral Homes. Please sign her online guestbook www.mortensenfuneralhomes.com.

### William G. McKay, 75

(AUG. 10, 1944 - MAY 2, 2020)

William (Bill) Gary McKay died unexpectedly Saturday, May 2nd at his home in Charlevoix, MI at the age of

75. Bill was born on August 10th, 1944 in Hamtramck, MI and was the fourth of five children growing up in Birmingham, MI. As a teenager, he discovered his love for automobiles which expanded to include motorcycles. He remained passionate about these throughout his life. He served in the U.S. Army during the Vietnam Conflict, returning home to marry, start a family and attend college. He attended Walsh College and received a degree in Accounting.

In the mid-seventies, Bill chose to leave the stress and crime of the city and moved his family north to Charlevoix. Setting up a home car repair garage, he genuinely enjoyed the process of fixing and repairing anything mechanical always explaining how something worked, in great detail, to anyone within earshot. He was a bit of a prankster and always loved to tell stories. He was quick to laugh, fun to be around, and had way of making you feel good when you were with him.

Bill and his wife Marion loved to travel and saw most of the United States during their many motorcycle trips. When he wasn't traveling or working in the garage you could find him cheering the grand kids on from the sidelines in their various sports. He led a rich, full life, content serving those around him in ways that made their lives better and was never greedy. For him, being able to make a difference in someone else's life was very important and made him happy if he could do it. That is who he was. Though Bill is gone, he will truly live on in the hearts of the many people whose lives he touched.

He is survived by: his wife of thirty-nine years Marion,

his stepson Keith Bales (Barb), his daughter Lynn Prepejchal (Jeff), his son Patrick McKay (Keiko), eleven grandchildren and four great-grandchildren who filled his life with love, his twin sisters Gloria and Gerri and his youngest sister Renee.

Bill was preceded in death by his parents William and Anna McKay, his sister Danielle Lucking and his stepson Kelly Bales.

There will be no funeral. His family will be celebrating his life privately.

### Jeremiah "Jerry" Zeitler, 36

(MAY 9, 1983 - MAY 1, 2020)

Jeremiah "Jerry" Zeitler, was welcomed to his internal home, Friday, May 1, 2020.

He was born May 9, 1983 in Keflavik, Iceland to Timothy and Marcia Zeitler. Today he is reunited with his sister Jennifer Abbey, his maternal grandparents Ray and Virginia Whitley and paternal grandparents Peter and Leona Zeitler.

Jerry graduated from Charlevoix High School in 2002 and went right into the workforce. He was a hard worker and a go getter.

He is survived by his mother Marcia (Joseph) Belcher of Charlevoix, his father Timothy (Emiliana)

Zeitler of Lewisburg, WV, half siblings Zane Zeitler of Tinker AFB, OK, and Nadine (George) Nelson of Lewisburg, WV, step brother Clasley Ngeskebei of Jacksonville, NC and many aunts, uncles, cousins and nephews. He also leaves behind many friends.

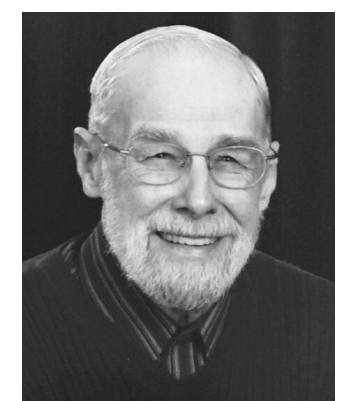

Rest in peace as you have entered the joys of the Lord. With loving memories till we meet again.

A family celebration of his life is going to be scheduled at a later date.

Arrangements have been handled by the Charlevoix Chapel of Mortensen Funeral Homes. Please sign his online guestbook www.mortensenfuneralhomes.com.

### Franklin Jerome Campbell, 82

(FEB. 10, 1938 - MAY 10, 2020)

Franklin Jerome Campbell went to be with his Lord, Sunday, May 10, 2020, at home in East Jordan.

A memorial service will be held at a later date to be announced.

The family ask memorial contributions to be directed to the Hospice of Michigan.

# Health Department of Northwest Michigan COVID-19 update

The Health Department of Northwest Michigan wants to thank our communities and residents for taking the necessary precautions to protect one another during this time. We know this has been difficult for our community and residents in a variety of ways, however, we also know that lives have been saved. These necessary steps taken to reduce the spread of COVID-19 continue to allow specific industries

to safely re-engage and resume in-person work. As detailed in the MI Safe Start Plan, the following are six phases to re-engaging Michigan's economy: Uncontrolled Growth, Persistent Spread, Flattening, Improving, Containing and Post-Pandemic. According to the State of Michigan's press release, we are currently in the flattening phase, "in the flattening phase, the epidemic is no longer increas-

ing and the health-system's capacity is sufficient for current needs." Lisa Peacock, Health Officer, shares, "the MI Safe Start Plan helps us to understand not only where we are now, but also provides direction for future planning. Although Michigan is currently in phase 3, we know that things change quickly, and we should continue working to prepare for subsequent phases as re-

engagement expands. This is very encouraging for all!" As of May 11, under the Governor's Executive Order 2020-77, the manufacturing industry is able to resume in-person work. Those who are returning to in-person work must follow the protocols outlined in this Executive Order. Industry specific toolkits to support employers and employees returning to work can be found on our website.

On May 11, the Health Department of Northwest Michigan is reporting: Positive COVID-19 cases in the following counties: Antrim - 10, Charlevoix - 13, Emmet - 21, Otsego - 98. Recovered COVID-19 cases in the following counties: Antrim - 8, Charlevoix - 11, Emmet - 19, Otsego - 45. Confirmed COVID-19 deaths in the following counties: Charlevoix - 1, Emmet - 2, Otsego - 10. The State of Michigan has

reported 47,138 cases and 4,551 deaths; and as of May 8, cumulative recovered cases: 22,686. Stay up to date on the latest information in the Health Department jurisdiction by liking and following our Facebook page and visiting our COVID-19 Data Dashboard.

## ON-LINE AREA CHURCH DIRECTORY

During this time of sheltering at home, many churches are broadcasting their service on-line. Following is list of area churches that are broadcasting their service video or audio.

## EDUCATION NEWS

# Bond will fund improvements and additions to Boyne City School facilities

**BY KAREN WALKER**  
The Boyne City School Board moved their last regular meeting forward from May 11th to May 7th to authorize the sale of \$18 million in bonds. The bond money will be used to finance the first of two phases of improvements and additions to school facilities. Boyne School Superintendent Patrick Little explained the bond market has been very stable recently and current interest rates are lower than what he had projected. However, he noted, "The longer we wait, the greater the odds of something changing, that's one of the reasons we want to get going." Some of the initial construction goals for 2021 include: Boyne City Middle School improvements, including major science room

Boyne City High School

School Board member Ross McLane voiced his concern for project costs if the building design needs to be changed. McLane remarked, "we've been directed to ramp up our off-campus learning infrastructure and my fear is that we're committed to a building that maybe (worse case) is obsolete because everything is off-campus all of a sudden." Voters narrowly approved the bond proposal at the May 5th election with 1,236 voting yes and 1,127 voting no. In a letter to Boyne area parents, students, staff, and community members, Superintendent Little thanked voters stating, "The outcome of this vote is a confirmation of the Boyne community's legacy of promoting education and building opportunities."

# New funds from bond will allow Charlevoix Schools to make improvements and fund transportation and technology

**BY KAREN WALKER**  
Voters in the Charlevoix Public School District approved a \$4 million bond proposal in the May 5th election with a total of 1,545 voting yes, and 1,065 opposed. In an email to the Charlevoix County News, Charlevoix Public School Superintendent Michael Ritter explained, "The school bond will allow our district to continue to make needed improvements to our facilities, while supporting our transportation department with a new bus each school year." He added, "It will also provide dollars to support instructional technology

Charlevoix High School

updates and MacBook and iPad device rotations, which have been critical supports during this time of remote learning in particular." Also passed in the last election was a school operational millage, approved with 1,912 yes votes, 697 no. Mr. Ritter noted, "The operating millage will allow us to continue to levy 18 mills on all of our non-homestead property, which is approximately 70% of our district's annual budget." The operating millage is for the tax years of 2021 through 2024. Mr. Ritter thanked those who voted in the election. He said, "The school bond and operating millage proposals that passed with overwhelming support will be a great benefit to our district. We are fortunate to live in a community that supports our kids in so many ways."

Faced with a state-ordered moratorium on dine-in service, many local restaurants and food providers are offering enhanced take-out, curbside pickup and delivery options:

BOYNE CITY

FAMILY FARE. Introducing reserved hours for older adults, pregnant women and immunocompromised store guests Effective Thursday, March 18, SpartanNash is setting aside time twice per week for store guests most at risk of contracting coronavirus (COVID-19), including older adults, pregnant women and immunocompromised individuals. Reserved hours will be every Tuesday and Thursday from 7 a.m. to 9 a.m.

CAFE SANTE has rewritten their menu reducing prices. We are offering our new S-Car-Go curbside pickup. Visit us online or please call your order in and we will be happy to deliver to your car upon arrival. "Kick it to the Curb Happy Hour" from 3-5 p.m. featuring \$5 shrimp cocktail, \$5 meatballs, \$5 pan pizza, \$5 Bavarian Pretzel, and 1/2 off beer and wine to go. Updated hours are 3 to 9 p.m. 231-582-8800.

BARREL BACK - Open 7 days in Walloon Lake Village for curbside pick-up from 8:30 a.m. until 9:30 p.m. for breakfast, lunch and dinner. Pre-paid curbside service is available. Please call ahead to place your order and call when you arrive. We are happy to bring your food out to you. Website with menu. 231-535-6000.

BC PIZZA has always had take-out, drive-through and delivery service - and that continues now that their dining room has closed. You can order by phone during their hours of 11 a.m. to 10 p.m. Sunday through Thursday, 11 a.m. to 1 a.m. Friday and Saturday, and 12 to 10 p.m. on Sunday. Pickup service is available from their location at 1191 Highway M75 South. (The downtown location on North Lake Street is closed for now.) Their name says "pizza," but their menu also includes pasta, subs, wraps, salads, appetizers, burritos, quesadillas and desserts. Menu. 231-582-2288.

BOYNE CITY BAKERY - Take-out available. Call about curbside service or delivery

RESTAURANT & RETAIL SERVICES & HOURS

During the Coronavirus shutdown in Charlevoix County

options if you cannot leave home, specials for school-aged children, call about bulk orders for freezing at home. The back entrance to the bakery will be closed until further notice. 231.497.6060.

GRADUATION FROM PG. 1A

Dionne said, "Our number one goal is to hold a physical graduation ceremony in Boswell Stadium - recognizing social distancing guidelines. We are not currently able to say with total certainty that we will be able to do this nor do we know when this may be able to be held. The viability and details of this option will be determined as the STAY SAFE/STAY AT HOME ORDER is updated." He added, "We have also developed a secondary plan that will consist of a car parade of graduates - This option

will take place on Saturday, 6/6/2020 following the airing of the virtual ceremony."

The virtual graduation program aired on UP-NORTH LIVE television stations on June 6th, 2020. o 9:30 a.m. on the local NBC affiliate station o 5:00 p.m. on the local ABC affiliate station o Archived link to the program - available on the UP-NORTH LIVE site. Route and details will be announced prior to the event. Dionne also said in the letter, "East Jordan Public Schools wants to guarantee the recognition of the class of 2020. Therefore we are moving ahead with the vir-

tual graduation program on June 6th, 2020, thus ensuring our seniors will be honored. This does not preclude the possibility of an in person graduation ceremony in the future. However, being bound by the mandates of

the STAY SAFE/STAY AT HOME ORDER and guidance from the State of Michigan, we do not know what the future holds."

## Charlevoix and Antrim Counties are lagging behind on census count

BY TINA SUNDELIUS

There's no doubt that so far 2020 has been a journey through untraveled waters and we have all been distracted, worried and out of sorts as a result. However, things will eventually go back into a current of normalcy and policies that are already in place will be enacted. I'm talking about those things affected by the 2020 census survey. \$675 Billion will be distributed through 55 federal programs and it would be a grievous mistake if Antrim

County doesn't end up with enough funding because we are under reported. If we are not counted now, we will be undercounted for the next 10 years.

Under counted means our roads, schools and medical facilities all get less money. Getting an accurate count has a huge impact on communities,

The funds support vital programs. In 2016, Michigan received \$29 billion distributed based on data derived from the 2010 Census. For every resident not counted, Michigan stands to lose an estimated \$3,000 per person per year in federal funds. That adds up quickly.

Census results affect planning and funding for programs such as Head Start, Pell Grants, school lunches, rural education, adult education, and grants for preschool special education. As well as,

Medicaid, Medicare Part B, State Children's Health Insurance, and the prevention and treatment of substance abuse. Highway planning and construction, Section 8 housing, federal transit, community development, and rural water and waste disposal systems are also financed guided by data derived from the Census.

Nationwide 56.8% of the population has responded, statewide we are ahead with 63.5% having already responded but here in Charlevoix County only 45.2%

and Antrim County only 37.4% have responded. In the 2010 Census the Village of Ellsworth was reported to have a higher median income than the cities of East Jordan and Charlevoix. This inaccurate information has caused delays and denials for needed funding for multiple much necessary projects. The most recent is the waste water system. A needed step into the 20th (yes, not the 21st Century). In order to secure needed grants and financing the village spent nearly 3

years sorting out the misinformation and re-surveying the community.

The Census is easy and safe. It has been pared down to 9 questions and it takes less than 10 minutes for most households to complete. There are laws in place protecting personal information. Because of COVID-19 the deadline to respond has been extended to October 31, 2020. This is something small we can all do that can have a big impact on our community. [www.my2020census.gov](http://www.my2020census.gov)

### POLICE WEEK

FROM PG. 1A

October 1984 that established the National Law Enforcement Officers Memorial Fund, created to raise funds for what became the National Law Enforcement Officers Memorial in Judiciary Square in Washington, DC. The Memorial was dedicated in October 1991 by President George Bush.

Established in 1984, the National Law Enforcement Officers Memorial Fund is a private non-profit organization dedicated to telling the story of American law enforcement and making it safer for those who serve.

The Memorial Fund maintains the National Law Enforcement Officers Memorial in Washington, DC, which contains the names of officers who have died in the line of duty throughout U.S. history. The Memorial Fund is now building the new National Law Enforcement Museum, which will tell the story of American law enforcement by providing visitors a "walk in the shoes" experience. The Museum is working to expand and enrich the relationship shared by law enforcement and the community through the Museum's educational journeys, immersive exhibitions, and insightful programs. For more information, visit [www.nleomf.org](http://www.nleomf.org)

### STAY HOME

FROM PG. 1A

Under Executive Order 2020-77, manufacturing facilities must adopt measures to protect their workers from the spread of COVID-19. That includes conducting a daily entry screening protocol for workers and everyone else entering the facility, including a questionnaire covering symptoms and exposure to people with possible COVID-19, together with a temperature screening as soon as no-touch thermometers can be obtained. They must also create dedicated entry points at every facility, and suspend entry of all non-essential in-person visits, including tours.

"Governor Whitmer has brought together leaders in business and labor to ensure our workers can return to the job safely. The safety of our workers is our top priority and I am confident that Michigan manufacturers are prepared to deliver on the worker protections included in today's order," said John Walsh, President and CEO of the Michigan Manufacturers Association. "We believe the manufacturing industry has a big role to play in Michigan's economic recovery and we're ready to lead the way. I look forward to continuing to work closely with the governor to bring the manufacturing industry back up to full strength."

Manufacturing facilities must also train workers on, among other things, how COVID-19 is transmitted from person to person, signs and symptoms of COVID-19, steps workers must take to notify the business or operation of signs and symptoms of COVID-19 or suspected or confirmed diagnosis, and the use of personal protective equipment.

All businesses in the state—including manufacturers—must require masks to be worn when workers cannot consistently maintain six feet of separation from others, and consider face shields for those who cannot consistently maintain three feet of separation from other workers.

"MICHauto and the Detroit Regional Chamber applaud the Governor for her continued steps to safely re-open our economy. Automotive and manufacturing is not only the backbone of our regional and state economy, it is essential to the functioning of the global supply chain. This is good news for Michigan and the nation," said Glenn Stevens Jr., executive director of MICHauto, and vice president of Automotive and Mobility Initiatives for the Chamber.

"We have supported Governor Whitmer's approach to keeping families, communi-

ties and companies safe since the beginning of this pandemic," said Andi Owen, President and CEO of Herman Miller. "Our manufacturing teams are at the heart of our company. Working within the governor's guidelines will help to ensure we maintain the safest environment for our employees, both as they come to work and return home to their families."

Governor Gretchen Whitmer also detailed the six phases of her MI Safe Start Plan to re-engage Michigan's economy. The governor has worked with leaders in health care, business, labor, and education to develop the plan, and announced today that Michigan is in phase three.

The phases of the pandemic include:

1) UNCONTROLLED GROWTH: The increasing number of new cases every day, overwhelming our health systems.

2) PERSISTENT SPREAD: We continue to see high case levels with concern about health system capacity.

3) FLATTENING: The epidemic is no longer increasing and the health-system's capacity is sufficient for current needs. (This is the current stage)

4) IMPROVING: Cases, hospitalizations and deaths are clearly declining.

5) CONTAINING: Continued case and death rate improvements, with outbreaks quickly contained.

6) POST-PANDEMIC: Community spread not expected to return.

"I am working closely with health care experts and epidemiologists to closely monitor Michigan's progress in the fight against COVID-19," said Governor Whitmer. "As we move forward with the MI Safe Start Plan, I am working closely with partners in business, labor, and education to determine the best way to move forward each day. All of us know the importance of getting people back to work and the economy moving again. We've already reopened lower-risk sectors like construction, manufacturing, and lawn care.

"The worst thing we can do is open up in a way that causes a second wave of infections and death, puts health care workers at further risk, and wipes out all the progress we've made. That's why we will continue to monitor the spread of this virus, hospital capacity, testing rates, and more as we work toward reaching the 'improving' phase."

The governor's Stay Home, Stay Safe order remains in effect until May 28, 2020. Under this order, Michiganders still must not leave their homes except to run critical errands, to engage in safe outdoor activities, or to go to specified jobs.

## 90th District Court Judge Angela Lasher to seek full term

90th District Court Judge Angela Lasher recently announced her intention to seek election for a full six year term for Charlevoix and Emmet counties. Judge Lasher was originally appointed in January 2020 by Governor Gretchen Whitmer to finish the remainder of the term of Judge James N. Erhart after his retirement. The appointment process is lengthy and Judge Lasher was thoroughly vetted by the State Bar of Michigan and the governor's office.

"It was an honor to be chosen for this appointment and I have pledged my court to be a place where every individual has a voice and is treated with fairness and respect" said Judge Lasher.

Judge Lasher previously was an Assistant Prosecuting Attorney in Emmet County for 15 years and served as the Legal Director of the Women's Justice Center prior to that. She is a graduate of Purdue University and Thomas M. Cooley Law School.

"I have considered my entire legal career to be one of service, from representing survivors of domestic violence in the early days to my work as a prosecutor specializing in child abuse and neglect. It is a privilege to be the District Court Judge and that privilege is mine as I

90th District Court Judge Angela Lasher recently announced her intention to seek election for a full six year term for Charlevoix and Emmet counties. Courtesy photo

keep serving the people of Charlevoix and Emmet counties" said Judge Lasher.

Judge Lasher served on the vestry for Emmanuel Episcopal Church in

Petoskey from 2013-2016. She is as a founding member of the Emmet juvenile drug court and formerly served as a steering committee member for Northern Community Mediation, a board member for the Emmet/Charlevoix Child Abuse Council, and a member of the DHHS Child Abuse and Elder Abuse Model Protocol Task Forces. She currently holds a membership with the Michigan Association of District Court Judges.

A fifteen year resident of northern Michigan, Judge Lasher and her husband, Scott, live in Petoskey with their five year old son Bennett.

"Over the last several weeks, we have all faced such challenging times. Through the efforts of many individuals in both counties, we have been able to continue to serve the public while keeping everyone safe. I have adopted new technologies in my courts and continued to conduct court hearings to ensure that the rights of the people are protected. Along with everyone else, I am looking forward to normal operations and I am excited to continue those operations into 2021"

### Health Department resuming some environmental health services

On May 1, 2020 the Governor signed Executive Order 2020-70, lifting previous restrictions and allowing work to resume on May 7 for residential and commercial construction, as well as other work traditionally performed outdoors. As a result, the Health Department of Northwest Michigan is able to resume some environmental health permitting and evaluation services.

Under the Stay Home, Stay Safe Executive Order, the health department was restricted to providing critical services which were necessary to protect or prolong life. In compliance with these orders, our environmental health division has been conducting only emergency land use services, while also prioritizing our COVID-19 response.

Scott Kendzierski, Health Department of Northwest Michigan Environmental

Health Director shared, "several weeks ago, many of our services were scaled back to minimize the risks to our staff and the community. Our mission, as a public health agency, shifted to focus our efforts to stopping the transmission of this deadly disease."

During the COVID-19 response, the environmental health division reduced its land use programs to addressing failed water and wastewater systems, complaint investigations due to imminent public health threats, and communicable disease response and services necessary to support critical infrastructure workers. Throughout the COVID-19 response, land use sanitarians assumed roles in the areas of both logistics and enforcement throughout the emergency response supporting operations through activities such as facilitating

the opening of local drive-through testing facilities and lab operations, local distribution of Personal Protective Equipment, as well as providing education and support for compliance with state and local orders.

Executive Order 2020-70 allows construction to resume, we intend to support the work of this industry with the necessary precautions to ensure the health and safety of our employees as well as the construction sector and the public. The physical health department windows will remain closed to the public and all services will require heightened safety measures, including: online application submission, scheduled appointments, client screening, adherence to social distancing practices, and routine use of Personal Protection Equipment (PPE).

"Things will look signifi-

cantly different than they did before COVID-19," Scott Kendzierski, Environmental Health Director said. "These challenges may result in delayed services, however, we ask for the public's patience as we strive to protect everyone involved through the implementation of these new processes."

In order to receive quick service, applicants are asked to submit a complete application. This includes all required fields filled out, a clear description of the project being applied for, and a detailed site plan. This will allow for the least amount of delays in processing the application and service completion.

Information regarding available services, applications, fee schedules and downloadable versions of the sanitary code can be found at [www.nwhealth.org/permits.html](http://www.nwhealth.org/permits.html)

### Public tree-planting grants available via partnership

Thriving trees help make a community an inviting place to live. A grant opportunity provided by the DTE Energy Foundation and administered by the DNR and non-profit Releaf Michigan – a partnership that has supported community tree planting for 24 years – is helping schools, communities, tribes and eligible nonprofits add more green to their neighborhoods.

Eligible organizations within DTE Energy's service territory may apply by June 15 for up to \$4,000 in matching grants for public tree-planting projects. About

\$90,000 total is available. Download a tree-planting grant application.

"The DTE Energy Foundation is proud to be a longtime partner in this program," said Lynette Dowler, president of the DTE Energy Foundation. "These grants help communities across the state with their beautification projects and support an environmentally sustainable future for Michigan."

Tree-planting projects must occur on public property such as parks, road rights-of-way and school grounds and promote the "right tree, right place" mes-

sage about utility awareness. The required 1-to-1 match can be made of cash contributions or in-kind services, including volunteer efforts.

Awards will be announced in August and projects must be completed by May 31, 2021.

For more information, visit [Michigan.gov/UCF](http://Michigan.gov/UCF) or contact Kevin Sayers (DNR), 517-284-5898; Colleen Rosso (DTE Energy), 313-235-5555 or Melinda Jones (ReLeaf Michigan), 800-642-7353.

# AREA SPRING SPORTS HIGH SCHOOL ATHLETE FEATURE PROFILES

During the spring and summer we are featuring spring sports athletes from area schools since the spring sports seasons were cancelled.

Our target is to feature one male athlete and one female athlete from each school in our distribution area each

week. In most cases we will try and feature a Senior athlete first. The Charlevoix County News covers Boyne City,

Boyne Falls, Charlevoix, East Jordan and Ellsworth. We have emailed the Athletic Director at each school. Feel free to contact the athletic di-

rector or coaches for spring sports at your school to be sure they are sending photos and details for spring sports athletes to the Charlevoix

County News for publication. They can email Dave Baragrey at Office@Charlevoix-CountyNews.com

## AREA ATHLETE PROFILE

**Robbie Wise**

**ELLSWORTH LANCERS**

### Senior Athlete

Baseball – Outfielder  
Member of the 2017 and 2018 Northern Lakes Conference Championship Team, 2019 Northern Lake Conference Runner up Team  
Stats (2017, 2018, 2019)  
Games Played – 17  
Batting Average – .368  
Hits – 10 (10 singles)  
RBIs – 4, Walks -5, Strike Outs - 4  
Stolen Bases – 6, Runs scored – 9

Robbie's speed really helped in the outfield. He was always a positive influence and great teammate. Robbie's skills and knowledge of the game improved every year due to his hard work and dedication. The entire team benefited from his positive attitude in the dugout.

## AREA ATHLETE PROFILE

**Desi Vanderslik**

**ELLSWORTH LANCERS**

Desi started playing softball as an 8th grader.

She had never played before so she had to learn the whole game. She worked hard and worked her way into the starting lineup as a freshman. Desi's speed was her biggest asset. She started in right field every game and did a great job.

When she got on base offensively, she was one of the best base stealing threats in northern Michigan. The way I coach, I hold right field as a premier position due to the responsibilities of the position. Desi never let us down.

## AREA ATHLETE PROFILE

**Devon Hayden**

**BOYNE CITY RAMBLERS**

### Senior Athlete

2019 stats:  
.268 BA, 2 3B, 13 SB

Coach's comment: Devon is an excellent all-around player, Devon has the ability to play anywhere on the field.

Highlight:  
winning 3 district championships in my high school baseball career and beating Traverse City St. Francis last year to advance to the regional final.

# Sports

## Ramblers hire Justin Perkins as new wrestling coach

BOYNE CITY — Following the retirement of six-year veteran coach Bob South, Boyne City needed a new wrestling coach.

The Ramblers didn't have to look far, as they hired South's former assistant, Justin Perkins to lead Boyne City into the future.

Perkins, a former Charlevoix and Florida resident, was an assistant coach over the last two seasons for the Ramblers.

# Snabes signs to play D1 soccer at Western Illinois

CHARLEVOIX — During his time on the Rayder soccer field, Blaise Snabes became a three time All-State selection.

Those accomplishments helped the Charlevoix senior turn some heads around Northern Michigan and most notably, at the collegiate level as Western Illinois University coach Dr. Eric Johnson noticed.

Last week, Snabes made it official, signing his National Letter of Intent to play for the Division 1 Fighting Leathernecks of the Summit League after receiving an offer from the coach. The school, which has an enrollment of nearly 10,000 students, is located in Macomb, IL.

During his time as a Rayder, Snabes finished as the second leading scorer on the all-time list with 79 goals (35 of them coming in his senior season) and 41 assists, becoming the second Charlevoix alum to receive an offer to play at the D1 level.

FILE PHOTO

Blaise also made a name for himself by playing AAU soccer for multiple teams out of Grand Rapids and also from Northern Michigan.

# Local Athletes Nominated to 2020-21 U.S. Freestyle Ski Team

U.S. Ski & Snowboard has announced its U.S. Freestyle Ski Team nominations for the 2020-21 season. Nominations include those active athletes who qualified based on published selection criteria in the prior season. Thirty-one athletes have been nominated to the U.S. Freestyle Ski Team, which includes aerials and moguls.

Nominations include four new members: Landon Wendler and sisters Madison and Kasey Hogg to the moguls team and Dani (Karyl) Loeb to the aerials team. These young athletes show a promising look at the future of American freestyle skiing.

2020-21 will bring the freestyle skiers to the FIS Freestyle FIS World Cup Championships in Zhangjiakou, China, which will serve as test events for the 2022 Olympic Winter Games. Athletes will get a preview of what's to come at their sports, the most prestigious events.

Each athlete accepting the nomination to U.S. Ski Team receives world-class program support, along with access to the U.S. Ski & Snowboard Center of Excellence, as well as athletic benefits including an

elite coaching, sport science, sports medicine, high performance staff, and education opportunities.

An official U.S. Freestyle Ski Team announcement will be made in the fall.

2020-21 Freestyle Nominations (Hometown; Club; Birth-date)

U.S. Aerials Team  
Kaila Kuhn (Boyer City, Mich.; Park City Ski and Snowboard; 4/8/03)

Winter Vinecki (Gaylord, Mich.; Park City Ski and Snowboard; 12/18/98)

Vinecki, 21, has attended the University of Utah and was crowned the 2019 U.S. National Champion for aerial skiers. A four-year member of the U.S. Ski Team, Vinecki has three career World Cup top-10 finishes, five career NorAm Cup wins, 10 NorAm Cup podiums and was the 2016 NorAm Cup title winner.

Kuhn, 17, is a past Junior National champion and recently concluded her first year with the U.S. Ski Team. She has recorded a pair of top 10 finishes on the World Cup circuit as well as three wins and seven podium finishes in NorAm Cup competition.

### ORDINANCE #256

CITY OF EAST JORDAN • CHARLEVOIX COUNTY, MICHIGAN

**BEAUTIFUL LOTS AVAILABLE IN PINE VALLEY NEAR BOYNE MOUNTAIN**

BY JIM AKANS

An excellent opportunity to build your dream home.. Several beautiful lots are available in the Pine Valley development located just minutes from Boyne Mountain.

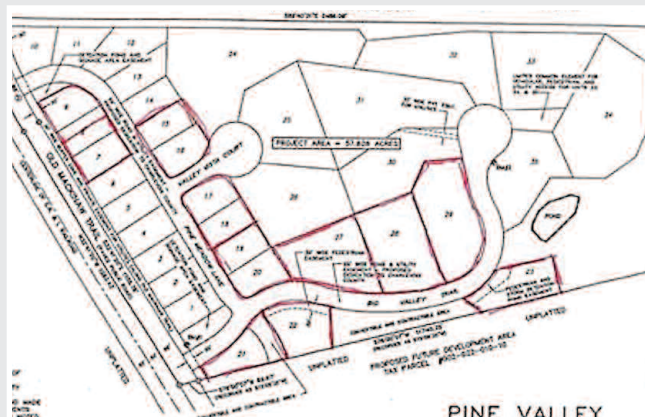

These lots range from approximately one-half acre to well over an acre in size. Pine Valley offers a wooded and rolling terrain, over seven acres of open space including a pond that is open for common use, county maintained paved roads and over one-and-a-half miles of recreational trails to hike and explore. It is surrounded by acres of conservancy and school property.

Underground natural gas, electric, cable television service are available. The minimum home size required is 1,500 square feet. Pine Valley is adjacent to Boyne Mountain and is cen-

trally located to Boyne City, Petoskey and Gaylord, and it is just a short drive to the new EJ factory in Elmira.

These beautiful lots in Pine Valley are listed between \$28,900 and \$39,900, and land contract terms are available. For additional information or to arrange for a tour, please call Mike Stark or Holly Stark, Associate Brokers, at EXP Realty – 100 Main Street, Suite D, East Jordan, at 231-536-7700 or email [HollysUp-North@gmail.com](mailto:HollysUp-North@gmail.com)
