A "Don't miss" list of local roads for fall colors

COURTESY OF THE COUNTY ROAD ASSOCIATION OF MICHIGAN

Michigan in the fall is like a scene out of a painting, and residents across the state are its observers. What better way to appreciate the fall colors than to take a drive down a county road – a very safe outing during the pandemic, with affordable gasoline prices this year.

Soon, county roads across Michigan will be lined with gorgeous colors. What better way to enjoy them than to take a fall color tour? Here, nine county road agencies in the Northern Lower Peninsula share the best spots for beautiful leaves this season.

"A trip down a county road is the ideal way to take in

Northern Michigan's fall colors," said Denise Donohue, executive director of the County Road Association (CRA) of Michigan. "County road agencies are experts on the best viewing spots, and

their handpicked selections are perfect for experiencing a safe, enjoyable autumn afternoon."

Peak viewing conditions for the Northern Lower Peninsula are expected from

September 24 to October 7.

Peak viewing conditions are expected from September 20 to October 14, with mid-Michigan, West Michigan and Southeast Michigan all experiencing peak colors in the same week.

Drivers are invited to #LoveFallRoads with a post on CRA's Facebook page at Facebook.com/micountyroads or on Twitter at @MI-CountyRoads to let everyone know the best local road spots for Michigan's fall colors. Be sure to indicate an intersection, the county and the closest city/village in your post.

Listed in alphabetical order, the following counties' best fall color drives are:

Allen Telgenhof Elected To Board Of Prosecuting Attys Assn Of Mi

(Lansing, MI)- Allen Telgenhof, Charlevoix County Prosecuting Attorney since 2013, was unanimously elected by his peers to be on the Board of Directors of the Prosecuting Attorneys Association of Michigan (PAAM). PAAM is comprised of a 14-member Board of Directors and the Attorney General who represent Michigan's 83 county prosecuting attorney offices. He will serve a one-year term through August 2020.

Prior to becoming the Charlevoix County Prosecuting Attorney, Telgenhof was in private practice for 23 years and served eight years on the Charlevoix Public Schools Board of Education, six as president.

"Mr. Telgenhof has served on our Legislative and Annual Conference committees and we welcome his experience and knowledge as he joins our Board of Directors, said PAAM President Matt Wiese. "We look forward to Allen's participation in helping to guide our organization,"

"One of the real pleasures of being a prosecutor is being a part of the community of prosecutors through PAAM," said Telgenhof. "It is a real honor to be elected to the board by a group that I am so proud to be a part of."

The Prosecuting Attorneys Association of Michigan was established in 1928. The primary purposes of the association are to promote equal justice in enforcing the state's criminal laws and continuing the education of prosecuting attorneys and other law

FALL FUN FACTS

Fall was known as 'harvest' at one time

The fall season was known simply as "harvest" a long time ago because of the "harvest moon" that occurs when the full moon is closest to the autumn equinox. Before man-made lighting, this moonlight was critical to farmers for bringing in the harvest.

The term "fall" actually comes from the phrase "the fall of the leaves," which is certainly appropriate. The term was shortened to "fall" some time back in the 1600s and it grew in popularity through the centuries since. In the U.S., the term "fall" is most often used

for this time of the year but in England, the term "autumn" is still more popular. The word "autumn" derives from Latin word "augere," meaning "to increase," and has been in use in England since the 1300s. Old habits die hard.

Autumn begins when the center of the sun crosses Earth's equator. As Earth continues its path around the sun, days become shorter and nights become longer, with the change most noticeable for those at higher latitudes. The autumn equinox, when there are roughly 12 hours of daylight split evenly with 12 hours of dusk and darkness, occurs on different dates each year, but usually falls on September 22 or 23. This year, it falls on Sept. 22. In 1931, the equinox oddly fell on September 24 because the Gregorian calendar doesn't always match up with the position of Earth in its orbit around the sun. The fall equinox won't happen again on September 24 until 2303.

Here are some other interesting fall facts:

The fall season is actually caused by the Earth's tilt, not our distance from the sun. When the northern hemisphere tilts towards the sun, we get warmer. When it tilts away, we get colder. Fall and spring are the times of transition.

Autumn babies, or those born between September and November, are more likely to live to 100 than those who were born in other times of the year.

The word "November" is from the Latin, novem, meaning "nine." November was originally the ninth month of the Roman calendar, which began in March.

Evergreen trees will not lose their leaves like deciduous trees. Their leaves, also called needles, are covered with a thick wax. This wax protects the inner components of the needles, preventing them from freezing.

Fall colors are caused by the

amount of sugar in leaves. The more red in the leaf, the more sugar that leaf is storing. That is why maple trees are so vibrant. Evergreens don't change because their leaves have a thick wax covering that protects the chlorophyll (green) in the leaves. Red and purple leaves are only that color because of the presence of sugars and sap that are trapped within the leaves. These sugars provide plants with the energy they need to survive.

The term "equinox" is from the Latin meaning "equal night."

More people go from "single" to "in a relationship" or "engaged" in fall than any other season. That may be because both men and women experience a higher level of testosterone in the colder months. We don't have a great answer as to why that is, but more babies are conceived in cold months than any other time of year. Researchers have also discovered that men think

women are more attractive in the fall.

Researchers also found that during the cooler months of autumn, men are more likely to cozy up with their sweethearts and watch romantic comedies like "You've Got Mail." Feeling cold activates a yearning for warmth and comfort with others.

Weight gain around this time of year may not only be due to comforting fall foods like pumpkin pie and cider, researchers have found that lack of vitamin D reduces fat breakdown and triggers fat storage. Oktoberfest in Munich, Germany, takes place each autumn. The festival began as part of a crown prince's wedding celebrations in 1810 and has continued since. About 1.3 million gallons (5 million liters) of beer are poured during the festival.

Each autumn, monarch butterflies migrate from the U.S. to Mexico and some parts of Southern California. They fly

at speeds ranging between 12 and 25 miles per hour.

Monarch butterflies are the only insect that migrates to a warmer climate that is 2,500 miles away.

Contrary to popular belief, squirrels which have spent the entire autumn collecting acorns and other foods do not hibernate for the winter. Rather, they spend the majority of their time in nests they built to shelter them from harsh weather. When squirrels do come out in winter, they are usually tunneling under the snow to find the food they buried during the fall.

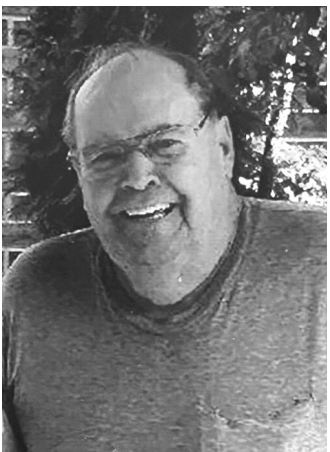

You're bound to see pumpkins as part of autumn decor. The pumpkin was first named by the Greeks. They called this edible orange item "pepon," which means "large melon."

OBITUARIES

Ervin "Erv" G Moyer, 82

(OCT. 1, 1937 - SEPT. 17, 2020)

Erv enjoyed working with horses in his early years. He worked at Boyne Mountain year round and loved mowing the fairways most of all in the summer. Later in years, he helped Helen with Grandma's Daycare earning him the name papa Erv. He enjoyed car rides and showing everyone his old stumping grounds and he always had a great story to share with you!

Erv is survived by his five children Gary (Lynn) Moyer of Arizona, David (Annette) Moyer of Boyne City, Mark (Jan) Moyer of Grand Rapids, Tim Moyer of Boyne City and Vicki (Jeff) Abbott of Grand Rapids, 12 grandchildren and 5 great grandchildren who he loved dearly often pulling on their ear and asking what was inside, his sisters Marlene (Ed) Groh and his brother Edward (Nancy) Moyer, and many nieces and nephews.

He was preceded in death by his wife and love of his life, Helen Moyer, his parents Harold and Zada (Gardner) Moyer, brothers Leroy (RuthAnn) Moyer and Raymond (Dorothy) Moyer and sisters Shirley (Charlie) Griffin, Clara Belle, Mildred and Doris Ann.

A graveside service was held Monday, September 21 at Maple Lawn Cemetery in Boyne City Michigan. Family asked in leu of flowers to make a donation to the charity of your choice in his name.

Donna Sue (McLain) Dilworth, 74

(FEB. 4, 1946 - SEPT. 11, 2020)

Donna Sue Dilworth of Boyne City peacefully passed from complications due to Alzheimer's disease, on September 11, 2020. She was born on February 4, 1946 to Chief Master Sergeant Dennis and Tillie McLain in Lebanon, Kentucky. She was married Tim Moore, together they had Laurie and Heath. They divorced in 1985.

She married the love of her life, Wes Dilworth, on a beautiful Sunday afternoon in Harbor Springs, on August 16, 1992. Wes brought into the marriage his two sons, Jim and Ted Dilworth.

Donna was a successful Realtor with Re/Max of Boyne, retiring in 2006. Her clients became her friends. She always loved boating, gardening, and her dogs.

She is survived by her husband, Wes, brother David (Pam) McLain of Garland, TX, mother in law Dee Dilworth of Petoskey, daughter Laurie (Scott) Thorpe of Vashon Island, WA, sons Heath (Janet) Moore of Parkland, FL, Jim (Jennifer), of Petoskey and Ted (Lindsey) Dilworth of Seattle, WA, grandsons Cooper and Bennett Thorpe of Vashon Island, WA.

She was preceded by her parents Dennis and Tillie McLain, and a younger brother Dennis McLain.

A celebration of her life will be held on a future time. Donations can be made in her name to Challenge

Mountain, P.O. Box 764, Boyne City, MI 49712.

Joanne E. Carlson, 78

(JAN. 3, 1942 - SEPT. 19, 2020)

Joanne Elaine Carlson of Charlevoix passed away on Saturday, September 19, 2020 at home.

She was born on January 3, 1942 in East Lansing, Michigan, the daughter of Roderick and Margaret Smith. Joanne grew up in Romulus, Michigan, where she graduated from high school. Later, she moved to Charlevoix, Michigan to raise her three children. Joanne spent many years working in the Central Office for Charlevoix Public Schools, where she made many friends with her infectious smile and kind heart.

Joanne was a long-time member of the Community Reformed Church, and she loved singing in the choir and spending time with her small group. She enjoyed quality time with her loved ones and working in her garden. More than anything, she took pride in being a steadfast and unwavering mother, Nana, sister, friend, and follower of Christ.

She is survived by 2 sisters, Zetta Wojcik of Wilton, ME, and Michaele Smith of New Port Richey, FL, 3 children, Boogie (Lisa) Carlson of Charlevoix, Michelle (Kyle) Jones of Livonia, MI, and Jack (Susan) Carlson of Dexter, MI, 6 grandchildren, many beloved nieces and nephews, cousins, and a community of many that she

loved like family.

Joanne was predeceased by her brothers, Rick Smith, David Smith, Jerome Smith, brother-in-law Tom Wojcik and sister Sandi Soley.

Joanne's life will be celebrated with a service on Wednesday, September 23rd, at the home of her son and daughter-in-law Boogie and Lisa Carlson at 105 Eaton Avenue, Charlevoix, MI 49720. The family will greet visitors at 5:00pm, and the service will begin at 5:30pm, with a meal to follow.

In lieu of flowers, donations may be made to the Community Reformed Church.

Arrangements are being handled by the Winchester Chapel of Mortensen Funeral Homes. Sign her online guestbook www.mortensenfuneralhomes.com

"Downtown Day" being celebrated in Charlevoix September 26

Saturday, September 26, has been proclaimed "Downtown Day" by Governor Whitmer and Charlevoix Main Street and the Michigan Downtown Association (MDA) want to celebrate!

Understanding that now more than ever Michigan residents need to support downtowns and the businesses within by shopping, dining, attending an event, or volunteering, the MDA contacted the Governor's office and requested that Saturday, September 26, 2020, be declared Downtown Day. The organization received the official Proclamation, signed by Governor Whitmer, earlier this month.

The MDA encourages community members to visit a downtown on September 26 and enjoy its shops, restaurants, and recreational and cultural aspects. The MDA is also hosting a statewide contest. If you post ONE photo of you supporting a downtown this Saturday with the hashtag #MiDowntownDay on the Michigan Downtowns Facebook page and you will be entered to win a \$25 gift card from a small business of your choice! Photos must be posted by

5:00 pm, Sunday, September 27, with #MiDowntownDay and the name of the downtown you love.

"The MDA believes Downtown Day will bring positive attention and recognition to small businesses and downtown cores," Dana Walker, director of the MDA, said. "There are many opportunities for Michigan residents to safely support downtowns like strolling sidewalks, having a picnic in a park, ordering carry-out, or leaving a positive review for a retail store on social media," she continued.

The MDA states a downtown is the commercial core of a community that serves as its social and economic center.

"Celebrating Downtown Day in Charlevoix could fill an entire day with activities. We've created some graphics to help illustrate how one could spend their time, morning till night, enjoying all of the wonderful businesses and establishments in our town," states Lindsey Dotson, Main Street DDA Director. "We are lucky to have such a vibrant downtown and continually supporting it is the

only way to ensure it will stay this way."

With the importance of a strong downtown in mind, and to help celebrate its 40th Anniversary, the MDA has created a '40 Ways in 40 Days to Love Downtown' promotion that kicks off during Downtown Day. Each day after September 26, the MDA and Charlevoix Main Street (Downtown Charlevoix) will post on our social media outlets an activity one can do to offer support to a small business or show love for a downtown. Examples include having a hot beverage from a downtown coffee shop or bakery, visiting a downtown park, and posting a selfie in front of a favorite downtown store.

"The last six months have taken a toll, but downtowns are resilient and are adapting to current situations," Walker said. "Our small businesses and downtowns need locals to support them in whatever way possible," she continued.

For more information regarding Downtown Day and the Michigan Downtown Association, please contact Dana Walker, 248-838-9711, or visit www.michigandowntowns.com.

Health Department of Northwest Michigan COVID-19 Update

On September 22, the Health Department of Northwest Michigan is reporting 2 new confirmed cases in Charlevoix (1) and Otsego (1) counties. Case investigations and contact tracing are in progress, and relevant information will be shared when it is available.

The Center of Disease Control and Prevention (CDC) has provided some updated guidance for individuals and communities who are starting to plan fall and winter activities. The guidance offers strategies to keep COVID-19 risk as low as possible during travel and gatherings to help protect the community. It is important that event organizers and attendees consider the risk of viral spread based on event size and use of mitigation strategies when planning or attending an event.

"Following these mitigation strategies will help reduce the spread of COVID-19, if everyone does

their part," stated Lisa Peacock, Health Officer. "We absolutely can and must think about our neighbor during this difficult time. Some of us encounter plenty of opportunities to help through our work but all of us have the opportunity to help someone, sometime."

Today we are reporting case investigation information for 9 COVID-19 cases. All of the 9 cases are being reported in our jurisdiction. The following information is from case investigations conducted between September 21st - 22nd. The information known at this time is below:

- 8 of the 9 cases are primary residents
- 1 of the 9 cases is a non-resident but is being counted here because: (1) they are staying at a second/summer home in our jurisdiction, (2) a long-term stay in our jurisdiction, or (3) in our jurisdiction prior to testing, and while quarantined and recovering

- Age:
 - 0-12 years – 1 case
 - 20-29 years – 1 case
 - 30-39 years- 1 case
 - 40-49 years – 2 cases
 - 60-69 years – 3 cases
 - 70-79 years – 1 case
 - Symptomatic: 8 cases;
- Asymptomatic: 1 case
 - 2 cases linked to travel either into or out of the area as reported during their case investigation
 - Over 32 total close contacts identified, notified, and instructed to quarantine
- During case investigations, the following location was identified as a potential low-risk, public exposure sites.
 - Side Door Saloon, Petoskey on September 16th - 19th from 4:00 - 10:30 pm
- The business has been contacted and is working with the health department to ensure their employees and customers are safe. If you have questions about testing or about your potential exposure, please call the

ANNUAL BREEZEWAY

Final Adopt-A-Highway cleanup of year starts Saturday

Volunteers will soon be scouring the roadsides looking for trash during the year's final Adopt-A-Highway pickup. Thousands of volunteers in the popular Michigan Department of Transportation (MDOT) program will be picking up litter along highway roadsides from Saturday, Sept. 26, through Sunday, Oct. 4.

In accordance with Gov. Whitmer's recent executive order, MDOT requires all Adopt-A-Highway volunteers to wear a mask outdoors when they are unable to consistently maintain a distance of 6 feet or more from individuals who are not members of their household.

There are normally three scheduled Adopt-A-Highway pickups each year: one each in the spring, summer

and fall. A spring pickup period was canceled this year due to coronavirus concerns.

Every year, Adopt-A-Highway volunteers regularly collect more than 60,000 bags of trash. The popular program began in 1990 and has grown to involve more than 2,750 groups cleaning 6,300 miles of highway.

Motorists should be on the lookout beginning Saturday for volunteers wearing high-visibility, yellow-green safety vests. MDOT provides free vests and trash bags, and arranges to haul away the trash.

Getting involved in the program is easy. Volunteers include members of civic groups, businesses and families. Crew members have to be at

least 12 years old and each group must number at least three people. Groups are asked to adopt a section of highway for at least two years; there is no fee to participate. Adopt-A-Highway volunteer groups are recognized with signs bearing a group's name posted along stretches of adopted highway.

Sections of highway are still available for adoption. Interested groups should check the MDOT Adopt-A-Highway website at www.Michigan.gov/AdoptAHighway for more information and the name of their county's coordinator, who can specify available roadsides.

MDOT honored for grant program to prevent PFAS contamination at commercial airports

The Michigan Department of Transportation (MDOT) was honored with the Most Innovative State Program Award from the National Association of State Aviation Officials (NASAO) for the first-of-its-kind grant program to deploy groundbreaking aircraft rescue and firefighting (ARFF) foam testing equipment to 18 commercial Michigan airports. This equipment eliminates a potential source of per- and polyfluoroalkyl substance (PFAS) release into the environment.

Presented during the 2020 NASAO Virtual Conference and Exposition held Sept. 14-16, the award recognizes truly unique and service-oriented state aviation programs, projects, and activities. NASAO has a long tradition of calling the aviation community's attention to individual state aviation programs. Many innovative aviation programs that began at the state level have spread to other states or in some cases have been adopted or accepted by the federal government and the aviation

community. "I'm pleased that MDOT was recognized for such an innovative program that we provided to our important airport partners," State Transportation Director Paul C. Ajegba said. "Our Office of Aeronautics staff worked hard to ensure our commercial airports took advantage of this fantastic program that will ultimately help protect the environment they operate in." Awarded in 2019, the grant program provides each commercial service airport with

nearly \$25,000 to acquire environmentally conscious firefighting foam testing devices, such as the Ecologic System

manufactured by E-One or the Oshkosh ECO EFP. These types of devices connect to existing ARFF trucks to ensure proper foam proportioning without the need to dispense any firefighting foam concentrate, which eliminates a potential pathway for PFAS to enter the environment while ensuring the readiness of airport firefighting equipment. "Looking back at the nearly three years since the interagency MPART (Michigan PFAS Action Response Team) was created, I'm

thrilled at how much work has been done in the state of Michigan to protect our citizens from such pervasive chemicals," said Mike Trout, executive administrator of the MDOT Office of Aeronautics, director of the Michigan Aeronautics Commission (MAC), and MPART delegate. "I'm proud that MDOT and the MAC played such an integral role in the response." This is the first time since 1992 that Michigan has received this award from NASAO.

National Childhood Obesity Month

Did you know, that one in every five children in the United States is living with obesity? That's why this National Childhood Obesity Month, District Health Department #10 (DHD#10) is providing the opportunity for people to learn more about this serious childhood health condition and how to support children on their way to good health. Childhood obesity is a major public health problem in the United States. Children with obesity are at a higher risk for chronic health conditions such as asthma, sleep apnea, bone and joint problems and Type 2 Diabetes. Obesity can also lead to high blood pressure and cholesterol, leading risk factors for heart disease. Parents and Caregivers can help prevent obesity and support children's healthy growth by following the recommendations below:

- Be aware of children's growth.
- Learn how obesity is measured in children
- Use the CDC's Child and

Teen BMI Calculator to screen a child for potential weight issues

- Provide nutritious, low-calorie foods.
- Serve plenty of fruits and vegetables instead of foods high in sugar and solid fats
- Ensure drinking water availability.
- Water is a great no calorie alternative to sugary drinks
- Allow for adequate physical activity time.
- Children are recommended to receive at least 60 minutes of physical activity each day
- Proper sleep habits are key.
- Get children to bed at the same time each night, reaching for at least 8 hours of sleep per night
- Remove electronics from the bedroom and keep the room dark and cool
- Be a role model.
- Model the above recommendation in your own life.

Learn more about childhood obesity and how to prevent it from the CDC on their website.

World Heart Day is September 29

Cardiovascular disease (CVD) is the number one cause of death on the planet and during the COVID-19 pandemic, there is even more of a threat for individuals with this condition to develop severe forms of COVID-19. No one knows what the future of the pandemic will look like, but we do know that taking care of our heart right now is more important than ever for people to live longer, better, healthier lives.

District Health Department #10 urges people to 'Use Heart to Beat Cardiovascular Disease' by considering the following:

- Use your head
- Understand what it takes to live a heart healthy life and act to change behaviors for a better quality of life.
- Eat a healthy diet, say no to tobacco, stick to safe alcohol recommendations and get plenty of exercise.
- If you have an underlying health condition, don't let

COVID-19 stop you from attending regular check-ups and NEVER avoid seeking medical care for an emergency.

- Use your influence
- As an individual, be an example for your loved ones.
- As an employer, invest in the heart health of your employees.
- As a healthcare professional, help patients to make positive heart health changes.
- As government, imple-

ment policies and initiative leading to better societal heart health.

- Use your compassion
- Support and advocate for the most vulnerable populations who may be put at a greater risk during COVID-19.

Learn more about World Heart Day and what you can do to beat cardiovascular disease from the World Heart Federation on their website.

Charlevoix Conservation District Proposed Budget Meeting for FY 2021

On Wednesday, September 16, The Charlevoix Conservation District will be presenting its proposed budget for the fiscal year 2021. TOP 6 REASONS MORTGAGE APPLICATIONS ARE REJECTED

Part 2 of 2

Half of refinance applications are abandoned or rejected, as are 30 percent of purchase mortgage applications, according to the Mortgage Bankers Association. All told, the Federal Financial Institutions Examination Council (FFIEC) says that well over 2 million mortgage applications were rejected last year.

Want to avoid falling into that number? It's tough — especially in light of the fact that mortgage lenders have become increasingly restrictive in terms of their lending guidelines since the housing market crash.

Here, as a cautionary tale and primer on what to expect, are the reasons 4-6 mortgage lenders reject applications.

4. Property didn't appraise. Since the whole industry had its hand (among other things) smacked for allowing home values to skyrocket in a very short time, appraisal guidelines have tightened up — some would say, even more than overall mortgage guidelines. So, it is increasingly common to have the property appraise for a price lower than the sale price negotiated between the buyer and seller.

This is especially common in the refinance realm, as well over a quarter of U.S. homes are now upside-down, meaning the mortgage balance owed is greater than the value of the home. (If you're trying to refinance an upside-down mortgage, consider the FHA Short Refi program — contact your lender or get referrals to any mortgage broker who makes FHA details to apply.)

5. FHA problems. With all the distressed properties on the market, and with most

non-distressed sellers barely breaking even, more home-sale transactions than ever are falling apart due to condition problems with the property. Many lenders will not extend financing on homes where the appraiser points out problems like cracked or broken windows, missing kitchen appliances, electrical problems, or wood rot.

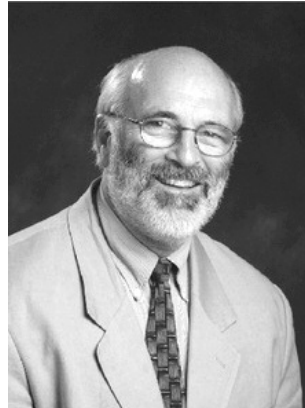

And in the world of condos and other units that belong to a homeowners association, if more than 25 percent of units are rented (rather than owner-occupied) or more than 15 percent are delinquent on their HOA dues, new applications for refinance or purchase mortgages on units in the development are likely to be rejected.

6. Technical difficulties with application. The days when lenders just took your word for it are long, long gone. Applications with incomplete or unverifiable information are doomed.

If any of these mortgage loan application glitches arise in your home-buying or refinancing process, it's critical that you connect with your mortgage professional, be it your banker or mortgage broker, to determine what course of action to take.

In some cases, it might be as simple as buying a stove you find at Craigslist and installing it before escrow closes; but with income issues your mortgage pro will need to help you determine whether it makes sense to pay some bills down, get a co-signer, or even wait six months so your income documentation will qualify.

C.S. Lewis Festival celebrates author's imagination

Jerry Root, co-author of the recently published book The Surprising Imagination of C.S. Lewis: An Introduction, will deliver the first episode podcast made available at noon on Friday, September 25. Courtesy photo

The 2020 C.S. Lewis Festival will explore the imagination that created Narnia. We are bringing back Festival speakers that will include Jerry Root, Mark Neal and Phil Jamieson and feature these lectures as podcasts with 5 episodes starting September 25.

Root, co-author of the recently published book *The Surprising Imagination of C.S. Lewis: An Introduction*, will deliver the first episode podcast made available at noon on Friday, September 25 and can be found on our website www.cslewisfestival.org as part of the Manthei Speaker Series, the podcast is free and available to all. Root is an Associate Professor at Wheaton Col-

lege. The second episode is available on October 2 and is *Weaving the Spell: C.S. Lewis on Breaking the Enchantment of Worldliness* with Phil Jameison. Jamieson is an ordained elder in the United Methodist Church. He has taught pastoral theology at the University of Dubuque Theological Seminary, where he developed a course featuring the literature of Lewis and his fellow writers.

The third episode is available on October 9, will be delivered by Jerry Root and is entitled, *My Own Eyes are Not Enough for Me: I want to See What Others Have Imagined*.

The fourth episode with feature Mark Neal and is entitled *The Good, The Bad, and Ugly: C.S. Lewis and the Nuanced Imagination*. Neal, along with Root, is the co-author of *The Surprising Imagination of C.S. Lewis: An Introduction*. He has lectured internationally on Lewis, has published interviews and articles, and has contributed chapters to books.

The fifth and final episode will feature brand new content. Festival co-founder, David Crouse will interview Jerry Root and delve into his most recent book, *The Neglected C.S. Lewis*, a book that discusses the many works of Lewis that have not been popular among readers.

More information on the C.S. Lewis Festival events is available at www.cslewisfestival.org.

The C.S. Lewis Festival is a donor-supported nonprofit organization. Major sponsors include Manthei, Inc, the Mary Ellen and Kerm Stroh, Gayle Harlow, Crouse Entertainment Group, Pleasantview Winery and Hideaway Bed and Breakfast, and the Great Lakes Energy People's Fund.

Festival speakers will also include Jerry Root, Mark Neal and Phil Jamieson. Courtesy photo

CHARLEVOIX 58, FRANKFORT 14

CHARLEVOIX — Coming into a new season, there are always questions.

With the graduation of key offensive players from last year's team gone, and no

scrimmages to prep the team for the season, many wondered how Charlevoix was going to score this season.

Well, if you were in attendance (either in the stands or outside the complex fence) on Friday, September 18, you saw right away that question need not be asked again as the Rayders ran away with a 58-14 season opening victory.

Phillip Sterrett took a handoff near midfield and raced nearly untouched down the far sideline and into the endzone for a touchdown, where he was then congratulated by teammates

rushing to catch up with him. The Rayder conversion attempt was no good.

The Panthers though, responded just as quick as Charlevoix got started as Frankfort used their second play from scrimmage and capitalized on the conversion attempt for an 8-6 lead with 10:47 remaining in the first quarter, setting the stage for what looked to be the makings of an offensive explosion.

That would be the case for only one team, the Rayders. Before the Panthers knew it, Charlevoix was in full control of the game, holding a 38-8 advantage at the half.

Sterrett finished with 123 yards on four carries and a touchdown to lead the Rayder offense, while Caleb Stuck completed 14-of-22 passing for 202 yards and a pair of touchdowns, while rushing seven times for 73 yards and two scores.

Evan Solomon hauled in five catches for 94 yards and the two touchdowns, while Ethan Putman had four receptions for 63 yards.

Dimitrii Bell and Max Olstrom added rushing scores for Charlevoix.

Phillip Sterrett ran the ball four times for 123 yards and a score, while Dimitrii Bell and Max Olstrom each had rushing touchdowns.

"We had a good start to the season and our kids re-

sponded well after being down 8-6 early in the game," Charlevoix coach Don Jess said.

Not to be outdone, the Rayder defense was just as solid as Bell finished with 18 tackles, Jake Snyder recorded 13 and Jake Clafflin added eight stops and a sack. Patrik Sterrett also picked off a pass.

Charlevoix travels to Manelona on Friday, September 25.

EAST JORDAN 14, ELK RAPIDS 6

EAST JORDAN — The East Jordan football team in recent years has not been known to start fast.

On Friday, September 18, that all changed as the Red Devils got the necessary points from their offense and their defense looked as tough and physical as they could, shutting down Elk Rapids early and often as East Jordan claimed a 14-6 victory in the season opener for both schools.

EJ got things going via the air as Dawson Olstrom connected with Granger Kitson for a 24-yard scoring strike to

take a 6-0 lead in the second quarter and later in the quarter, Ethan Antaya pulled in a 30-yard pass from Olstrom for the second score of the night.

The conversion attempt was good as Aidan Webb was the recipient of a Olstrom pass, giving the Red Devils a 14-0 lead that they would take into the half.

Elk Rapids would make it 14-6 with a score in the fourth quarter. The Elks took over with about a minute to play and 99-yards to go.

EJ then ran out the clock for the victory.

“I would really like to credit our kids, especially on defense,” Red Devils coach Greg Kitson said. “We really dominated the game from the defensive side. Junior line-backer Zander Johncheck led the way with 10 tackles with Caleb Boyer and Wyatt Thompson each added seven.”

“Our defensive line really kept blockers off our line-

backers and even put pressure on the QB never really allowing him to feel comfortable.”

“Elk Rapids really tried to take our run away and we had some mistakes in alignments in the passing game early,” Kitson added. “When we were able to get the lead, I really wanted to just keep the clock moving. The way our defense was playing, we didn’t need to take any chances. Without having a scrimmage this year, we really didn’t know where we were. Our defense is ahead of the offense, but the good news is, the issues we had are all ones that can be corrected. Just happy to see these kids on the field and happy to start where we left off last year.”

GLEN LAKE 22, BOYNE CITY 6

MAPLE CITY -- A tough way to open the season.

The Ramblers had the fortune of opening with the always tough and aggressive Glen Lake Lakers on September 18, falling 22-6 on the chilly fall evening.

Boyne City got on the board first in the opening quarter as Jacob Bush pounded it in from six yards out, but the Ramblers could not connect on the point after. Following that drive BC could muster little offense as the Lakers took over, scoring three times over the four quarters, despite both teams possessing the ball for nearly 20 minutes and totalling almost the same amount of yardage for the game (BC-159, GL-204).

Bush finished with 54 yards on 14 carries, while Aaron Bess added 48 yards on seven attempts.

Jack Neer completed 7-of-17 passing for 34 yards and an interception.

Bess hauled in three passes for 24 yards and Caden Jewett caught two passes for eight yards.

Defensively, Bobby Hoth finished with 11.5 tackles to lead the charge, while Bess added three.

Charlevoix continues hot start

BY CHRIS FIEL

CHARLEVOIX -- Here we are, three weeks into the season and it's become clear that the Charlevoix volleyball team is not messing around.

The Rayders kept their unbeaten streak intact, routing visiting Harbor Springs in three straight sets, 25-6, 25-20 and 25-10 on September 15.

Charlevoix put together another solid performance against a scrappy Rams defensive team, starting and finishing strong in the opening set, before Harbor turned their game up a notch in the second, but it was not enough as they were overpowered by the Rayders.

The third and final set was again, all Charlevoix, as the defense stepped up and the Rayder offensive attack was on point.

"The girls were again excited to play at home and take a conference win," Rayder coach Audra Randall noted.

Senior setter Zoe Brodin finished with 35 assists, five kills and an ace; while senior Avery Zipp added five aces on 15-of-15 serving, with 10 kills, 12 digs and going 12-of-12 on serve receive. Both Brodin

and Zipp were credited with outstanding performances and all-around play.

Claire Scholten added five aces and a pair of kills; Taylor Petosky had a fantastic night with eight kills, three aces, 21-of-21 serving and added 25 digs; Grace Lentz managed eight kills and two blocks.

Also for the Rayders, Patria Muriel had seven digs, 8-of-8 on serve receive, served at 100 percent, with four aces; Lauren Shepard, three kills; Camryn Turkelson, eight digs and two aces; and Isabelle Kenwabikise, six digs, 4-of-4 on serve receive.

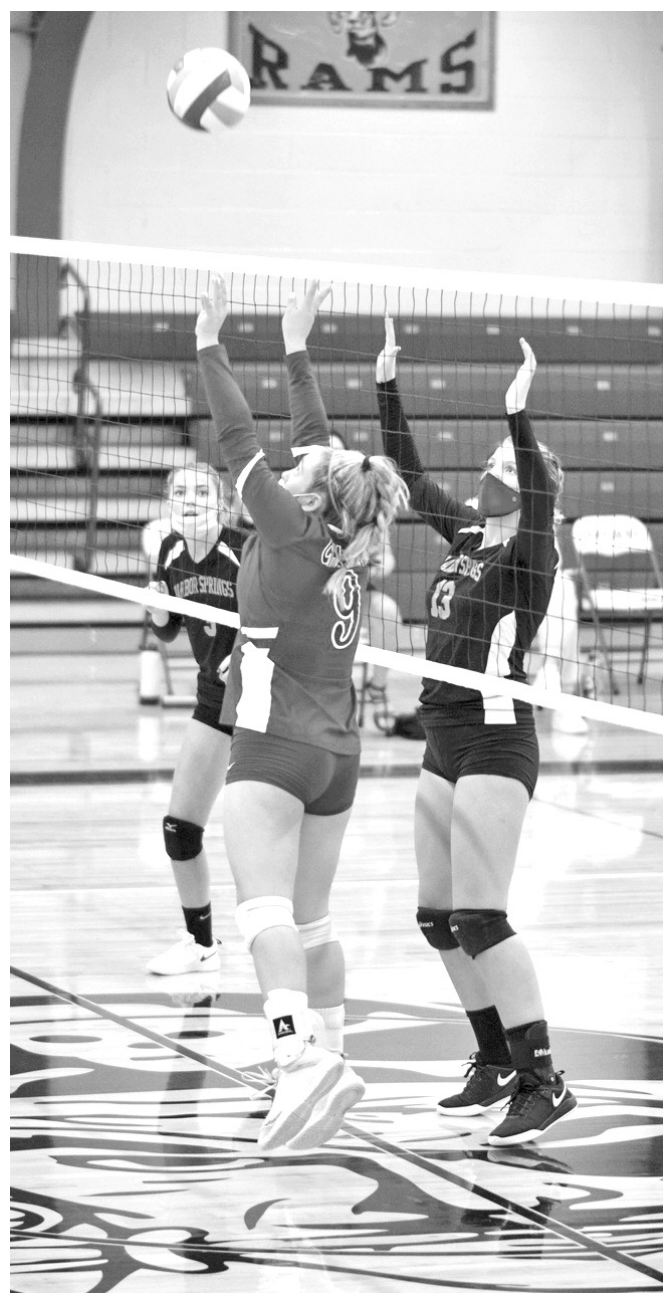

"The girls are making great efforts to perform together as a team and enjoying the process of working on getting better each day together," coach Randall added.

Charlevoix stands at 15-0 overall, 2-0 in Lake Michigan Conference play.

Ramblers rout Rayders

BOYNE CITY 6, CHARLEVOIX 0

BOYNE FALLS — When things are going right, it tends to be a catchy trend.

That is exactly what is happening for the Boyne City soccer team at the moment.

The Rambler keepers, Jay Clausen and Harper Blaauw-Hara combined to face only one Charlevoix shot on the night as the Boyne defense clicked and the offense connected on six of 13 shots on goal in the Lake Michigan Conference victory.

Boyne got the scoring party kicked off just five minutes into the first half as Derek Word would take a pass from Nic Santina to make it 1-0 Ramblers.

The score would remain 1-0 until the 37 minute mark when Word would connect once again, this time with the assist going to Benjamin Leaman and just one minute, Gabe Pellerito made a nice end pass to Leaman, who found nothing but the back of the net to make it 3-0 BC at the half.

Boyne would continue the scoring attack early in the second half as Anders Foltz (assist Phillip Banner) was on the receiving end of a nice through pass. At the 25 minute mark, Joel Carter went in unassisted from midfield and took a shot from around 20 yards to make the score 5-0.

Two minutes later Santina (assist Leaman) added the final goal through some nice passing and a long range effort as the Ramblers improved to 8-4-0 on the season.

Boyne sweeps Vikings

BOYNE CITY — The Ramblers are picking up steam.

Boyne City took care of their home court on September 15, taking down visiting Grayling in straight sets, improving to 2-0 in Lake Michigan Conference play.

The Ramblers won 25-11, 25-20 and 25-12.

It seemed as if Boyne came out more aggressive than normal and it paid off behind strong offensive play and defensively as well as junior libero Bella Cosier provided a spark.

"Super proud of the girls tonight!" Rambler coach Mal-

lory Salte stated. "I told them before the game that this was an extremely important game to set the tone for the rest of these conference games coming up. This year the LMC Championship is literally up for grabs and if we want to win it we need to really step it up and that's just what they did."

"Bella Cosier had an AMAZING game defensively literally getting a touch on every ball," coach Salte added. "Morgan Deming had three solo blocks at a clutch time and both Grace (Dawson) and Maggee (Behling) made some great decisions at the net. It was definitely a team effort tonight as all 12 girls got great playing time and all did fantastic!"

Ava Tarsi finished with 18 assists, three digs and two kills to lead the Ramblers, while Dawson: added seven kills and five digs, with Behling picking up 11 digs and four kills.

Cosier recorded 14 digs, was 9-of-9 on serve receptions and added three aces, and Deming chipped in with seven kills and three blocks.

As a result the Ramblers served at 99 percent, going 72-for-73 on the night.

Red Devils take down Snowbirds

GAYLORD — The East Jordan volleyball team is coming together, just before they get rolling in Lake Michigan Conference play.

The Red Devils visited Gaylord St. Mary for a non-league matchup on Septem-

ber 16, coming away with a sweep of the Snowbirds, 25-19, 25-23 and 25-18.

"We didn't play as consistently and with as much intensity as we did on Tuesday (September 15), EJ coach Laura Snyder said. "St. Mary's plays at a little bit slower pace than Kalkaska, which in turn slowed us down; but at times, they played with a good pace and played big. It was great to add another W to our record! I am proud of how this team is learning to pull together as a team!"

Kylie Skrocki and Evelyn Diller each finished with nine kills, with Skrocki adding six digs and three aces to lead EJ and Diller recording four digs and two aces.

Sophie Snyder added six kills and three blocks; Lindsey Cross had five kills and five aces and two blocks; Anna Richards, four kills, three three digs and two aces.

Also for the Red Devils, Haley Gibson added 10 digs, 10 assists, three kills and three aces; Kyleigh Mc-

Duffie, eight dig, a kill and two digs. Julia Trojanek chipped in with 11 digs, while Emma Richards and Katey Black recorded three and two digs, respectively.

EJ gets different result against Blazers

KALKASKA — Coming off a weekend tourney at Pellston, where the Red Devils dropped a pair to host Kalkaska, East Jordan had something to prove.

On Tuesday, September

15, the Red Devils did just that, taking three straight sets from the Blazers, picking up a LMC win in the process.

EJ defeated Kalkaska 28-26, 25-22 and 26-24.

"This team showed up to win tonight!" an emphatic coach Laura Snyder stated. "After coming off two losses to Kalkaska during the Pellston Tourney on Saturday, they were determined to win... and they did."

"They played as a team and maintained their composure really well-even when things were not going according to plan. They stayed focused and kept pushing ahead. They set a goal at the

beginning of the season to serve with 80 percent accuracy and tonight they surpassed that with an impressive 94 percent, that helped us a lot."

Haley Gibson had a great night with 21 digs and 15 assists, while adding three kills and one ace. Julia Trojanek added 23 digs and Sophie Snyder made eight blocks, four kills, three digs

and an ace.

Also for EJ, Kylie Skrocki had eight kills and eight digs, Evelyn Diller, eight kills, four digs and three aces.

Lindsey Cross added five kills and two aces and seven blocks; Anna Richards, four kills and two assists; Rhyen Olson added six digs; Katey Black two digs and an assist; and Emma Richards chipped in with three digs.

"We have really worked on our passing accuracy and consistency and it really showed tonight," the coach added. "The great passing allowed us to run an offense with more variety and quickness. (Kylie Skrocki, Evelyn Diller, Sophie Snyder, Lindsey Cross and Anna Richards were strong at the net.) Kylie and Evelyn, both juniors along with Lindsey and Sophie (sophomores) are returning varsity players. Anna is a junior new to our team and is really stepping up nicely to round out our offense."

Rayders endure first loss, still take own Quad

BY CHRIS FIEL

CHARLEVOIX -- The Rayder volleyball team has been the team to beat in the area thus far this season, and while that still remains the same, over the weekend, Charlevoix suffered their first loss of the year, but managed to win their own hosted tournament anyway.

The Rayders welcomed Cheboygan, Pellston and Benzie Central to the quad, and when it was all said and done, there was a 3-way tie with 2-1 records with Cheboygan, Pellston and the host Rayders.

Charlevoix (17-1overall) earned the tiebreaker with a plus 35 point differential over Cheboygan and plus 37 over Pellston to win the invite.

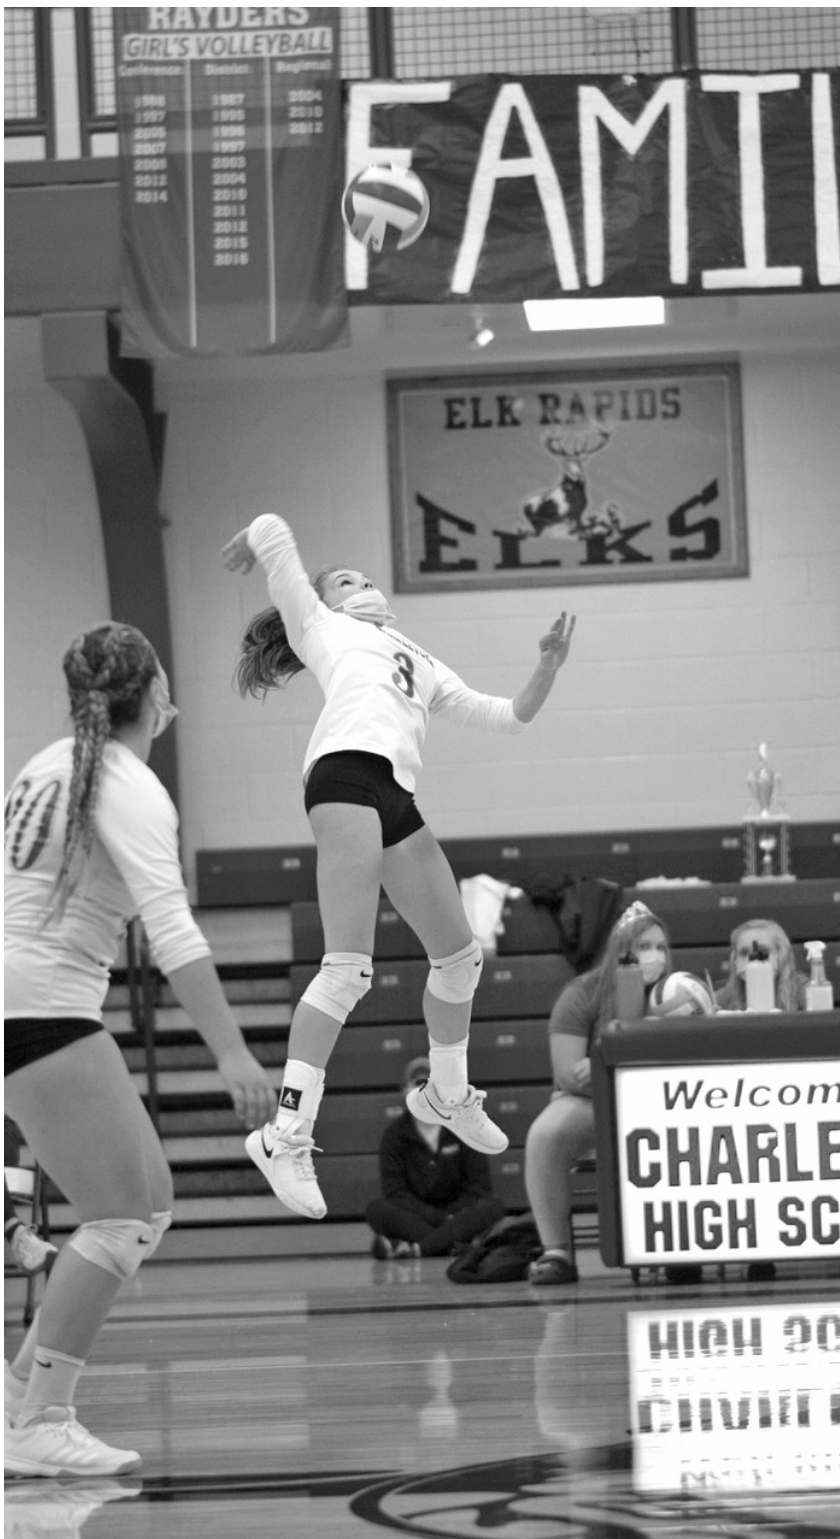

"Today there were good intense matches all the way around," Rayder coach Audra Randall said.

Charlevoix faced Cheboygan in the first match of the day, racing out of the gates to take a 25-13 opening set victory, but then suffered some unforced miscues in the second and third sets, falling to the Chiefs 22-25 and 12-15, taking their first loss of the season.

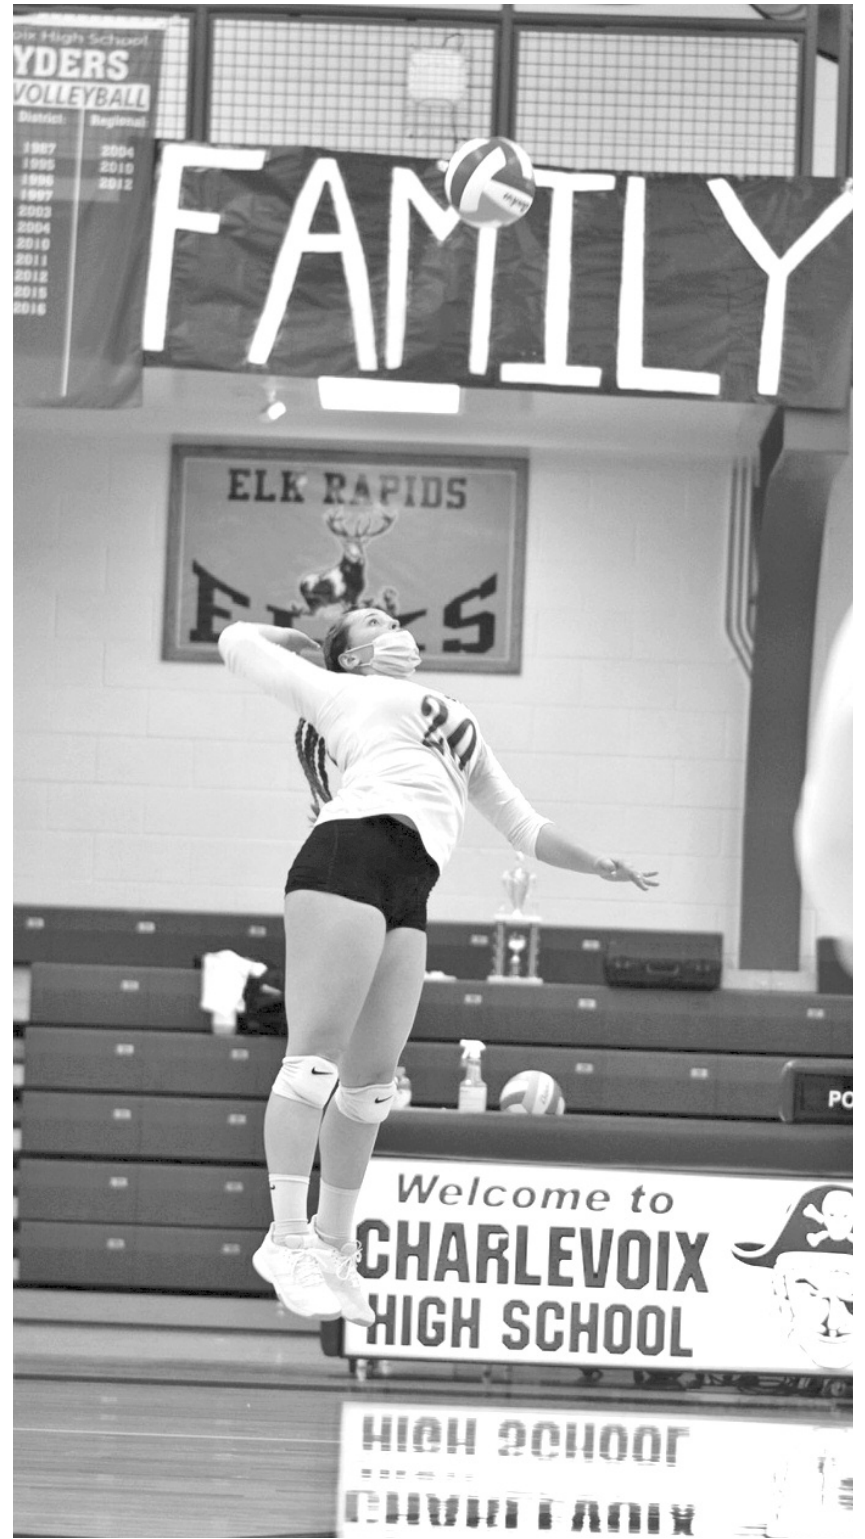

"Not sure why our tempo got messed up but errors in serving we worked hard over the last 10 days or so to reduce and we did just that but those two sets came with a price," coach Randall added. "We will have to talk about that on Monday."

The Rayders then rebounded with much more focus in their second match against Pellston, winning 25-20, 25-15.

The Hornets battled Charlevoix point for point until the mid teens in the first set before the Rayders pulled away with four aces in a row by Zoe Brodin to give the team a six point advantage, before Avery Zipp added

a pair of aces and Taylor Petrosky ended the set with a kill.

Petrosky continued her aggressive play in the second set, recording four kills while Grace Lentz added two kills in one rotation and propelling Charlevoix to a 25-15 win.

Against Benzie, the Huskies hung with the Rayders before Charlevoix pulled out a 25-22 win, in the second set Charlevoix cruised to a 25-9 win.

"The girls were disappointed by the errors in the first match and I think bounced back well to realize

the loss didn't feel good and wanted to play better and be more accountable to each of their teammates," the coach noted.

Brodin finished with 61 assists, 16 kills, six aces 20 digs and five blocks, while Petrosky added 14 kills, 33 digs, 21-of-22 on serving and 25-of-26 on serve receive, and Zipp

recorded 17 kills, 40 digs, five aces and was 30-of-34 on serve receive.

Also for the Rayders, Claire Scholten had 12 kills, 23 digs, 12 aces and a block; Lentz 18 kills, 17 digs, three blocks; Patria Muriel 10 aces, 15 digs and was 15-of-15 on serve receive; Anna Haf, four kills, eight digs, 4-of-4 on

serve receive; Camyrn Turkelson 20 digs, 16-of-18 on serve receive and four aces; Isabelle Kenwabikise, 14 digs, 5-of-5 on serve receive; and Lauren Shepard recorded a kill.
