Transforming a dump into a park may take some time and money

City will review plans

BY TINA SUNDELIUS
 East Jordan - Updates on the Ambulance Authority, marina renovations, park upgrades and the upcoming Christmas Parade were heard at the November 2 East Jordan City Commission meeting

Jordan Valley EMS Services Director Meghan Meyer presented the commission with a prototype of literature that will be sent out by the end of November. "We're beginning a membership program for everyone in our coverage area," she said. The program that is modeled after one in Emmet County and the Cheboygan area allows forgiveness for any type of member patient responsibility or deductible. "Your membership goes against

that and we immediately put it into our right-offs," she said. Meyer expects the program to benefit both the members and the Authority. She anticipates that requests for inter-facility transfers will increase, medical information will be on record and accessed more quickly, quarterly updates will be sent out to members and people will be encouraged to call 911. "If this in anyway encourages someone to call an ambulance when they wouldn't be-

fore it's worth it," she said. At her last meeting as Commissioner, Shandra Sweet-Hock asked for approval of the Second Annual Light-Up EJ for Christmas Parade. Sweet-Hock was instrumental in getting the parade initiated last year as a much needed relief in the midst of a COVID Christmas season. "It was wonderful seeing the smiles on the children's faces last year," she said. Entrance in the parade is free. The parade line-up is

planned to begin in the parking lot at the City Docks and along Spring Street. Santa and Mrs. Clause will be located at Monarch Family Chiropractic. "It's a long building so we can get a lot of kids inside if the weather is bad," she added. The Teen Depot is planning a live nativity at GAR Park. Commissioners approved the Christmas Parade plan. Mancelona Buck Pole

The place to hang your buck for generations

REGULAR FIREARM DEER SEASON BEGINS NOVEMBER 15

Hunters from around Michigan and out of state are preparing for the firearms deer season, and in keeping with tradition, the Mancelona Chamber of Commerce is geared up for their annual Buck Pole contest.

For 67 years, generations of deer hunters have bagged their bucks and entered them in Mancelona's Buck Pole contest, one of the oldest, most popular in northern Michigan. The annual contest is Mancelona's "claim to fame," and for years Opening Day was declared a local holiday and school was closed for the day.

"Hunters pay a \$5 registration fee when they register their buck in the contest," said Mancelona Chamber of Commerce director Joanie Moore. "We present them with an official commemorative Buck Pole patch, a digital photo and a year patch just for registering." Moore said cash prizes

are awarded to the hunter who has the heaviest (\$150), the deer with most points (\$100), widest rack (\$75), and the first deer hung (\$10). One hunter's name will be drawn from all registrations, and the winner receives all registration money received, with a guaranteed minimum of \$200. The size of the deer doesn't matter, and all registered deer qualify.

In addition to the cash prizes, there's even more incentive for hunters to participate in Mancelona's Buck Pole contest.

"Registered hunters receive a reusable shopping bag containing Kitchen Farms potatoes, Alden's Mill House meat marinade blend, a hunting cap, koozies, pens, key chains and numerous other items. This year, they'll also get a can of Short's Brewing Local's Light," Moore said.

Hunters who register have the option to buy Participation Raffle Tickets and a chance to win any number of valuable prizes including hand crafted knives, gift certificates to Mancelona Sports or Jay's Sporting Goods, sweat-shirts, a Yeti cooler bag, and hunting gear.

The Buck Pole isn't just for hunters. There's a bonfire, warming tent, concession stand and community

raffle drawing. Raffle tickets are \$1 each or a book of six for \$5. Tickets are sold throughout stores in Mancelona and will be available for purchase at the Buck Pole. The drawing is November 16 at 7:00 p.m. Anyone can purchase raffle tickets, and they do not need to be present to win. Prizes include \$1,000 cash, \$200 cash, multiple other

Woman is still missing

Lacie Rane Castle was last seen at the Darnton Family Nature Preserve

TINA SUNDELIUS

CHARLEVOIX COUNTY - Charlevoix County investigators spent the last 4 days looking for a woman who went missing on November 5. Lacie Rane Castle was reported missing by her husband on Saturday after not returning from the gym on Friday. According to investigators, her vehicle was located in the parking lot at the Darnton Family Nature Preserve on Behling Road and she was last seen on a trail camera in the area of Thunder Road and Anderson Road around 6 p.m. on November 5. Investigators searched using dogs and drones. "We had search and rescue teams from all over the state and one from Ohio. There was up to 20 dogs on Saturday night and Sunday," said Sheriff Chuck Vondra.

Family and volunteers from the community joined the search Monday and Tuesday aiding police in searching the nature preserve. "We searched that preserve thoroughly and didn't locate Lacie nor did the dogs alert on any scent that she was in there," said Vondra. The sheriff stated that he believed she never entered the preserve. "She was seen on camera north of that and the dogs alerted to us a trail on Peck Road north of the camera," he said. "The indication that we got from k9 is that she went down Behling Road to Anderson Rd, she didn't go up through that preserve." Vondra says he is confident that she is not in the preserve. "I don't want people to give up on her but the resources I've spent tells me I don't know where she is at, but she's not in the nature preserve."

(JAN. 31, 1925 - OCT. 31, 2021)

Luezetta "Zettie" Kitson, 96, died on Sunday, October 31, 2021, at her home in East Jordan.

She was born on January 31, 1925, in Bellaire, Michigan, the daughter of Leander and Mabel (Scott) Patton.

She grew up in Bellaire and graduated from Bellaire High School in 1943. She married Lester Smith, on May 17, 1952 in Alden. He preceded her in death 1958. She then married Ralph E. Kitson, Jr. on March 16, 1963, in Cadillac.

Although Zettie worked at numerous places of employment including ITT and Mt. Clements Metal Products, both of East Jordan, and Leo's Grocery in Alden, she loved having children around and she baby sat for many families in need. She enjoyed bowling, gardening, quilting, sewing, crocheting, and watching her children, grandchildren and great grandchildren in sports, band and thespians. Most of all, she loved spending time with her family.

She was a member of the Rebec-Hosler-Sweet Auxiliary Unit #227 of the American Legion in East Jordan, the East Jordan United Methodist Church and the United Methodist Women. Over the years, Zettie had served as the treasurer of the Alden United Methodist Church, the East Jordan United Methodist Women and her local bowling league.

She is survived by seven children, Beverly (Albert) Joseph of East Jordan, Sheila (George) Blackledge of Boyne Falls, Marsha Ibarra of East Jordan, Yvonne Pentecost of Boyne Falls, Greg (Meg) Kitson of

East Jordan, Steaven (Encar) Kitson of Virginia Beach, Virginia and Sherry (Jeff) Gransden of St. Helen; 30 grandchildren; 68 great grandchildren; 27 great, great grandchildren; two sisters, Geraldine Schepperley of Livonia and Roberta "Bert" Koutnik of Bellaire; as well as numerous nieces and nephews.

Zettie was preceded in death by her husband in 2013; her parents; four children, Kerri Kitson, Stanley Kitson, Patricia Kitson-Stone and Alan Kitson; one grandchild, Jeffrey Pentecost; one great grandson, Fenway O'Neal; five sisters, Mary Crandall, Frances "Bunny" Arsnoe, Dorthy Marshall, Vada Marshall and Hazel Marshall; and five brothers, Luther "Luke" Patton, Robert "Bob" Patton, Clarence "Sid" Patton, Herman "Bo" Patton and Thomas "Tommy" Patton.

Funeral service was held on Monday, November 8, 2021 at the United Methodist Church in East Jordan. Rev. Craig Pahl officiated with interment following in Sunset Hill Cemetery, East Jordan.

Arrangements are being handled by the Penzien Funeral Homes, Inc. in East Jordan.

Memorials may be directed to the East Jordan United Methodist Church, East Jordan Ambulance Association and Grandvue Medical Care Facility.

Florence was preceded in death by her 9 brothers and sisters, her husband Max Kominski and her daughter Sharon Stewart.

She is survived by her children Rosemary (Mark) Kessler Elizabeth City NC; Rodney (Ann) Waldron Manchester TN; Lisa Waldron Kodiak AK; 10 grandchildren; 11 great grandchildren and 2 great, great grandchildren.

The funeral will be held on Saturday November 13th at 1:00pm at Stackus Funeral Home, 417 Elm Street, Boyne City Michigan. Viewing will begin at noon.

Walter P. Goebel, Sr., 100

(SEPT. 15, 1921 - NOV. 6, 2021)

Walter P. Goebel, Sr. of East Jordan died Saturday, November 6, 2021 at Mallard Cove in Petoskey.

He was born on September 15, 1921, in Chicago, Illinois, the son of Walter and Catherine Ann (Wenderling) Goebel.

His family moved to East Jordan when he was 15 years old to purchase the Goebel farm. He graduated from East Jordan High School in 1939. After graduating, Walter worked in an A&P grocery store in Detroit where he met Dolores M. Sheridan. They were married on October 25, 1941, at St. James Evangelical Church in Detroit. Walter managed the A&P store before leaving Detroit to move to East Jordan in 1942.

In East Jordan, Walter worked as the manufacturing operations manager at Gulf & Western, now known as Dura. He retired in 1984, after 30 years.

Walter and Dolores enjoyed vacationing in the winter in Zephyrhills, Florida for 20 years. She preceded him in death on April 25, 2015.

He loved spending time with his family, singing and gardening. Each year, he looked forward to sharing God's bounty from his garden.

Walter was an active member of the Evangelical Lutheran Church in East Jordan. He was very active in the East Jordan community. In earlier days, Walter was

very involved with the Community Chest, an organization devoted to helping those in need. Later, he was instrumental with the formation of the East Jordan Family Health Center and the local food pantry, Care and Share.

Walter is survived by a daughter, Patty R. (Roger) Sutton of Apache Junction, Arizona; two sons, Robert S. (Barbara) Goebel of Bay Harbor, Michigan and Scottsdale, Arizona and Timothy J. Walter was also preceded in death by his parents; son and daughter-in-law, Walter "Butch", Jr. and Marilyn J. Goebel; daughter, Catherine Everett of East Jordan; and grandson, Walter P. Goebel, III.

Funeral services will be held on Wednesday, November 10, 2021, at 1:00 P.M. at the Evangelical Lutheran Church in East Jordan. Rev. Matt Deames will officiate with interment following at Sunset Hill Cemetery in East Jordan.

Memorials may be given to Care & Share Food Pantry, 6710 M-32, PO Box 901, East Jordan, MI 49727 or the Evangelical Lutheran Church, 7855 Rogers Rd, East Jordan, MI 49727.

Glenn "Red" Arthur Hardy, 56

(SEPT. 2, 1965 - NOV. 2, 2021)

Glenn "Red" A. Hardy of East Jordan died on Tuesday, November 2, 2021, at Munson Medical Center in Traverse City.

He was born on September 2, 1965, in Petoskey, the son of Jerry Hilbert and Leanna Rose (Mosser) Hardy.

He married Norma Jean Lundy on July 21, 2007, in East Jordan.

He is survived by his wife, Norma Jean Lundy of East Jordan; two children, Pam (Nick) Fame of Walloon Lake and TJ Schroeder of East Jordan; four grandchildren; his father, Jerry H. Hardy, Sr. of Boyne City; and four brothers, David (Nina) Hardy of East Jordan, Jerry Hardy, Jr. of Boyne City, Mike Hardy of Boyne City and Daniel Hardy of Boyne City. He was preceded in death by his mother, Leanna Rose Hardy.

No services are scheduled at this time. Arrangements were handled by the Penzien Funeral Home, East Jordan.

Jeannine Wallace, 89

(FEB. 1, 1932 - NOV. 6, 2021)

How do you say goodbye to a legend? Jeannine Wallace earned her release and gained her wings on November 6, 2021.

Born in Grand Rapids, MI, to Ed and Maurine (Spence) Loop, Jeannine graduated from South High School and attended MSU. She married Larry Wallace on September 8, 1962. He predeceased her in 1979.

Jeannine was fortunate to summer in Charlevoix as a child, and her first job was at the Fairbanks Bakery in town. She fell in love with Charlevoix and became a permanent resident in 1953.

Jeannine gave back to her city in so many ways: As an entrepreneur, she owned the Shop of the Gulls - a retail gift & clothing store - for almost 40 years! She often called herself the "Old Biddy of Bridge St"! As a trailblazer, she was the first woman ever elected to City Council in 1973. She was proudest of her fight to get trees planted on Bridge St. to beautify her city.

Jeannine was a founding member of the Downtown Development Authority. Her last project was the remodeling of East Park which brought her great joy! Jeannine also served on the Board of the Charlevoix Hospital, and was the only woman on the Chamber of Commerce Board of Directors for many years.

Living in one of the most photographed mushroom houses in town, Jeannine fought hard to create the Earl Young Historical District,

which was finally dedicated this year. For her many contributions to Charlevoix, Jeannine was named the Citizen of the Year in 2004.

Jeannine was full of love for her family, friends, and community. To her daughters, she passed on her love of reading, and the gift (?) of list making! She had a great sense of humor, and was always up for an adventure. A trip to Beijing was a highlight, but her favorite destination was London, England where she visited over six times!

Left to celebrate her life are daughters, Maurine (Tim) Watts and Rebecca (Jamie) Beattie. Grandchildren and their children, Ryan (Shauna) Watts, with Sawyer and Finn; Liam Beattie. Bonus grandchildren, Heather (Dave) Rippin; Greta (Kevin) Strandberg, with Kellie and Autumn; Leslie (Ken) Ortiz, and their son Alex. Favorite niece, Jeralyn Keeney, and many other beloved relatives.

A memorial service will be held at 11:00 a.m. on Friday, November 19, 2021 at the First Congregational Church of Charlevoix. The family will accept friends and visitors from 9:30 a.m. until the time of service at 11:00.

In lieu of flowers, please consider donating in Jeannine's memory to the Charlevoix Historical Society or the Charlevoix Public Library.

"What we do in love and kindness is all we ever leave behind"

No one embodied this more than Jeannine Wallace.

Arrangements are in the care of the Charlevoix Chapel of Mortensen Funeral Homes. Please sign her on-line guestbook at www.mortensenfuneralhomes.com

Sally Saunders, 91

(MARCH 9, 1930 - NOV. 6, 2021)

Great Lakes Energy appoints new CFO

BOYNE CITY - Great Lakes Energy (GLE) has appointed John Fetting to chief financial officer beginning with the 2022 calendar year. Mr. Fetting currently serves as GLE's controller and will step into the position following the retirement of the current CFO, Steve Drake.

JOHN FETTING

Fetting started his career with GLE in 2005 when he was hired as accounting manager. In 2014, he was promoted to controller, overseeing the cooperative's accounting, payroll and remittance departments. John is a certified public accountant and holds a bachelor's degree in accounting from Ferris State University. He is a native of Petoskey where he resides with his wife and three children.

"Over the past five-plus years, I have had the privilege of working alongside John as we maintained course for financial stability through the growth of our

cooperative amid an uncertain economic climate," explains Steve Drake. "John's strategic perspective, attention to detail, and dedication to our members makes him the ideal candidate for chief financial officer. I am stepping away confidently knowing John is carrying on the role."

Drake, GLE's current CFO, announced his retirement in September of 2021. He has served in this leadership capacity since 2016.

Harvest Food and Supply Drive supports Safe Home

Safe Home Harvest Food and Supply Drive donations provide a much-needed feeling of home for survivors determined to rise above the physical and emotional pain of domestic abuse while rebuilding their lives.

The donation drive comes at a time of year traditionally associated with seasonal family celebrations, savory meals, gift-giving and peaceful times of reflection.

The reality for many experiencing the perils of domestic abuse, is that their own home is not a safe or peaceful place to live. Survivors may need to quickly exit their home to seek refuge from an abusive partner. That is why families often arrive at the Safe Home with few, if any personal possessions. The Safe Home provides survivors and their family members with shelter, meals and all daily needs at no cost.

Donations of supermarket and grocery gift cards, financial contributions and in-kind gifts help families feel supported, encouraged and valued as they work to regain control in their lives.

Harvest Food and Supply donations accepted at:

STUDENTS OF THE WEEK

Jaylynn Juntunen

Grade: 6th Grade

Parent's Name(s): Amber Menara and Jason Juntunen

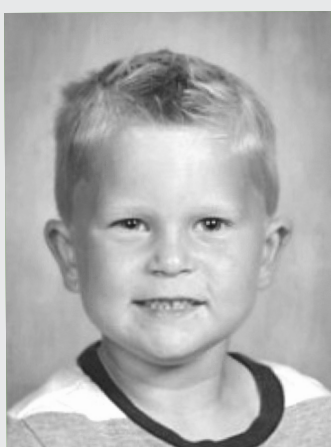

Future Plans: Go to the military then go to college for art

Favorite Book: Harry Potter and the Half-Blood Prince

Hobbies and Interests: Photography, art and softball

Staff Comments: Jaylynn is one of the hardest working students I have had the pleasure to work with. In the classroom she strives for perfection. Jaylynn shares her thoughts and ideas to the class, and is always willing to lead the discussion. When I ask for volunteers she always has her hand up. When she finishes her daily work, she is willing to help others in the classroom. Jaylynn has many positive qualities, but the one I am most impressed with is her manners, it is always please and thank you for whatever you do for her. Great job Jaylynn keep up the great work!

Submitted By: Frank Hamilla

Nolan Matelski

Grade: Little Loggers Preschool

Parent's Name(s): Trevor & Jessie Matelski

What do you want to be when you grow up?: A construction worker

Favorite Book: HICCUPotamus Written by Aaron Zenz

Hobbies and Interests: Nolan loves to draw and is interested in sports such as football, basketball, soccer, and baseball. In his own words he likes to "play with my buddies at school."

School Activities: Nolan enjoys writing and creating in the art area. He likes to make books, collages, and some fantastic art pieces. He also enjoys playing with his friends and swinging on the playground.

Staff Comments: Nolan brings a positive and contagious energy with him to school each day. He has been a consistent and confident leader in the classroom, follows routines regularly, and puts a smile on the face of just about everyone he interacts with. We look forward to watching Nolan continue to grow over the course of the school year and are grateful for the opportunity to have him in our class!

Clara's Hope Northwest Director Sally Dieck stands surrounded by tables she has set up to distribute socks donated by students. There are bags of socks under each table as well. Students from Ellsworth, Central Lake and East Jordan schools collected socks that will be distributed to foster and adoptive families in the area. "We are overwhelmed with the job all the schools did to help foster and adoptive families," she said. Ellsworth Schools went above and beyond collecting 4992 pairs of socks for the organization. "The students of Ellsworth outdid everyone!" she said. "They filled my SUV with boxes and boxes of socks," she added. "We are overwhelmed with gratitude, wow, just wow."

COVID-19 VACCINES AVAILABLE TO HOMEBOUND RESIDENTS

The Health Department and EMS services in Charlevoix County have begun offering Covid-19 vaccinations to the homebound population in Charlevoix County. This service is intended only for individuals unable to travel to an established vaccine location—the Office of Emergency Management schedules appointments for home visits. The Johnson & Johnson single-dose vaccination shots will be given during these visits. Please note that EMS paramedics will not show up at your residence in an ambulance but another fully equipped vehicle. Paramedics will be prepared to provide medical service immediately in the rare event of an adverse reaction to the shot. They would dispatch an ambulance only if one is needed for transporting a patient to the hospital. Persons who are homebound or otherwise unable to travel but want a vaccine are encouraged to contact Emergency Management at 231-541-4461 (Sheriff's Dept Office Line) to schedule an appointment.

ADVERTISING FUNDS THE CHARLEVOIX COUNTY NEWS

We love to run community announcements and news releases about all the things happening in Northern Michigan in the Charlevoix County News. We help publicize hundreds of events and activities all across our area. Readers love the fact that the Charlevoix County News is distributed by mailed subscription or at tons of locations throughout Boyne City, Boyne Falls, Charlevoix, East Jordan, Ellsworth and Petoskey. However, it is expensive to publish this newspaper each week filled with positive news and sports. Our main source of revenue comes from advertising. If your business or organization has an advertising budget, be sure to include the Charlevoix County News in your plans. While other local newspapers are quickly fading, the Charlevoix County News is growing. Our newsstand prices and advertising rates are far less than any other paper and your message will reach readers all across the area. StoryWalk Arrives at Whiting Park

Literacy and Recreation Program now available to Charlevoix County Residents

Ribbon cutting on November 16th to celebrate National Storywalk Week at Whiting Park

Boyer District Library, in collaboration with Charlevoix County Parks & Recreation Department, and the Friends of the Boyne District Library, has installed the first StoryWalk at Whiting Park. The StoryWalk is located at the trail head of the Whiting Memorial Trail.

StoryWalk is a wonderful way for adults and children alike to combine literacy skills and healthy exercise as they walk to each of the 20 reading stations while enjoying the beauty of Whiting

Park. The activity combines exercise and reading to further enhance health and literacy in children and adults. StoryWalk is a free activity for all ages. Bring your walking shoes, your reading glasses, and enjoy StoryWalk at Whiting Park!

The first installment of StoryWalk at Whiting Park features the book, "Mother Bruce" by Ryan T. Higgins. The hilarious story features a grumpy bear who accidentally hatches goslings instead of hard-boiled eggs for his newest recipe. And even worse, the goslings are convinced he's their mother. Bruce tries to get the geese to

go south, but he can't seem to rid himself of his new companions. What's a bear to do? With its hilarious storyline and fun illustrations, the story is sure to be a hit with

all ages! StoryWalk will be accessible all seasons with rotating stories throughout each year!

This StoryWalk was made possible when Boyne District

Library received a LSTA grant from the Institute of Museum and Library Sciences for \$2,500 and the Friends of the Boyne District Library fully funded the rest of the project. County Parks and Recreation crews installed the posts and are looking forward to partnering with BDL for more programs in the future. Crews, staff, Friends and the public are invited to celebrate a ribbon cutting on November 16th at 12:15pm to celebrate National StoryWalk Week.

Boyer District Library is a District Library serving the city of Boyne City, Eveline, Wilson, Evangeline, and Bay

Townships. For information about the wide range of library services available through the library visit: boynelibrary.org, or follow us on Facebook at <https://www.facebook.com/BoyerDistrictLibrary>, and Instagram @boyer_district_library. The StoryWalk Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Vermont Bicycle & Pedestrian Coalition (VBPC) and the Kellogg Hubbard Library.

cash prizes, certificates for fuel, restaurants, newspaper subscriptions and numerous Mancelona Chamber Bucks gift certificates, which are redeemable at any chamber member location.

St. Anthony's Catholic Church ladies guild is operating the food concession, which will include chili, hot dogs and beverages.

Local internet provider 186networks (formerly COLI Communications) is setting up live web cams that will broadcast over the internet both days. A link will be provided on the chamber's website on November 14. People who are unable to come to the Buck Pole in person can see everything on their computer. The website will be updated several times during the contest to show the names of the hunters and the deer stats.

Mancelona Buck Pole is located at the intersection of U.S. 131 and Highway M-88 (State Street) downtown Mancelona. The contest is open at daybreak on November 15 and closes at 6:30 p.m. on November 16. All hunter prizes will be awarded at 7:00 p.m. at the close of the contest.

For a list of hunters and deer statistics, a list of raffle prizes, donors and winners, a link to the live web cam and all contest rules and information, visit www.MancelonaChamber.org. Photos and stats will be updated regularly throughout the contest.

Organizers can be reached by phone at 231-587-5500 prior to the event, and by email, info@mancelonachamber.org once the contest opens. During the event, inquiries can also be made through Mancelona Chamber of Commerce and Mancelona Buck Pole Facebook pages.

Parents: vaccination for children 'good for them and for the community good'

Parents concerned about the health and well-being of their children and family – and the community-at-large – are registering their child for COVID-19 vaccination clinics offered by the providers across the region.

Appointments for 5-11 year olds through the Health Department of Northwest Michigan are available, said Dr. Josh Meyerson, Pediatrician and Medical Director for the health department. In addition to the health department, parents should also check with local pharmacies and their family doctor or pediatrician for availability of the COVID-19 vaccine.

"I am pleased with the positive response we are seeing from parents and guardians who are looking to not only protect their child and family from COVID-19 but also the greater community," Dr. Meyerson said. "All the research that has taken place shows this vaccine is both safe and effective - whether you're 5 years old or 95 years old. Our region is still at a high transmission level and the best way to reduce this spread and return to the nor-

malcy we all seek is to get vaccinated," he added.

The Paquet family is doing their part and have scheduled their 11-year-old son for his COVID-19 vaccine later this month.

"I am super excited and so is he," said Erayna Paquet about her son, Luke, a 5th grader. "We have absolutely

no hesitation about getting Luke vaccinated," she said, adding that once fully vaccinated he is looking forward to seeing his friends more regularly and not having to worry about giving COVID to his grandparents. "We want to do the right thing...we need to get people vaccinated and get back to

normal," she stressed.

According to health department officials, the region is reporting a high level of COVID-19 case transmissions with school-age cases a large percentage of reported cases. Although children are at a lower risk of becoming severely ill with COVID-19 compared with adults, chil-

dren can:

- Be infected with the virus that causes COVID-19
- Get very sick from COVID-19
- Have both short and long-term health complications from COVID-19
- Spread COVID-19 to others

Getting vaccinated is the best way to stop the spread of COVID-19 in schools and the community. The Health Department is hosting clinics especially geared toward children 5 to 11 years old. These separate

clinics will accommodate children in numerous ways, including clinics outside of school hours, allowing parents to comfort their child by having them sit on their lap, and smaller than clinics held for adults.

A parent/guardian must accompany anyone younger than 18 to a COVID-19 clinic. Please bring an insurance card to the appointment.

To schedule an appointment anyone may call 800-432-4121 if they have questions or are not able to find a time or date that works for them and/or their child.

U. S. MILITARY VETERAN OF THE MONTH

The Veteran of the Month of November 2021 is Robert "BOB" Allen Dipzinski. Born November 4, 1939 in Pontiac Michigan to parents Leo and Loreta Hibbs Dipzinski. He grew up in Pontiac and at the age of seven years moved with his parents to East Jordan Michigan. Attending schools in East Jordan he would graduate from East Jordan High School in the class of 1957. After graduation "Bob" enlisted into the United States Army in Detroit Michigan. After com-

pletion of basic training he awarded the Sharpshooter Badges for Rifle, Pistol, and 30 caliber Carbine. After completion of individual training as a Military Police Officer, he was assigned to the 97th Engineer Battalion, Unit 7831, United States Army Ammunition Depot, Trois Fontaines France. This being one of the largest ammunition depots in the European Theater. In 2005 he took the family back to France to show them where he had served in the Mili-

Robert "BOB" Allen Dipzinski

tary. Serving 2 years, 5 months, 14 days of overseas duty, on December 19, 1959 he was given an early return to the United States and placed on Reserve Status. On May 31, 1963 Bob received his Honorable Discharge from Military Service.

Returning home to East

Jordan Bob would hold jobs as a brick layer for Manning Sales, meat cutter for the local A&P Store, delivered milk for Ideal Dairy, Police Officer for the City of East Jordan, Salesman for the Sani Products Company, Salesman for Advance Medical, a bio-testing company, and worked for the family business Dipzinski Painting. Bob was a charter member of the East Jordan Lions Club and the East Jordan Snowmobile Club, Lifetime member of the Jordan River Sportsman Club. Was actively involved with the scouting programs and Athletic Boosters in East Jordan, member of Rebec-Hosler-Sweet Post #227 of the American Legion in East Jordan. On August 17, 1963 at the Methodist Church in East Jordan, he would marry Ruby Grace Lemon. Bob was a community minded and

very giving individual. He enjoyed fishing, hunting, gardening, building custom muzzleloader rifles and custom knives. He and his wife Ruby built their home as well as their cabin on Deadmans Hill, one of his favorite spots to visit. He loved to talk to people, and was extremely social. He also had a passion for food, and loved studying history. His favorite was spending time with his family and his favorite saying to Ruby was, "YOU make the living and I'll make it worth while". On October 9, 2016, Robert Allen Dipzinski answered the final call and is being honored by his wife Ruby, daughter Heather, and family.

A Short Guide to Real Estate Lingo and Acronyms

Part 1 of 2

Real estate ads are usually full of acronyms and terms that are unfamiliar to first-time buyers. Here's a cheat sheet to let you in on the

lingo.

4B/2B -- four bedrooms and two bathrooms. "Bedroom" usually means a sleeping area with a window and a closet, but the definition varies in different

places. A "full bathroom" is a room with a toilet, a sink and a bathtub. A "three-quarter bathroom" has a toilet, a sink and a shower. A "half bathroom" or powder room has only a toilet and a sink.

assum. fin. -- assumable financing

closing costs -- the entire package of miscellaneous expenses paid by the buyer and the seller when the real estate deal closes. These costs include the brokerage commission, mortgage-related fees, escrow or attorney's settlement charges, transfer taxes, recording fees, title insurance and so on. Closing costs are generally paid through escrow.

CMA -- comparative market analysis or competitive market analysis. A CMA is a

report that shows prices of homes that are comparable to a subject home and that were recently sold, are currently on the market or were on the market, but not sold within the listing period.

contingency -- a provision of an agreement that keeps the agreement from being fully legally binding until a certain condition is met. One example is a buyer's contractual right to obtain a professional home inspection before purchasing the home.

dk -- deck

expansion pot'l -- expansion potential mean that there's extra space on the lot or the possibility of adding a room or even an upper level, subject to local zoning restrictions.

fab pentrm -- fabulous pentroom, a room on top

(but under the roof) that has great views

FDR -- formal dining room fixture -- anything of value that is permanently attached to or a part of real property. (Real estate is legally called "real property," while movables are called "personal property.")

Examples of fixtures include installed wall-to-wall carpeting, light fixtures, window coverings, landscaping and so on. Fixtures are a frequent subject of buyer and seller disputes. When in doubt, get it in writing. frplc, fplc, FP -- fireplace gar -- garage (garden is usually abbreviated as "gard.")

grmet kit -- gourmet kitchen

IMPORTANT ECONOMIC INFORMATION

During the past few years, low interest rates, war and uncertain stock market performance combined to push prices of gold and silver to their highest levels in 25 years. We have studied the investment and retail markets for decades, and in the past during times of economic uncertainty (which is deepening now), there have been dramatic price declines in many areas of jewelry, gold, and retail markets. Which is why this may be the best time in decades for you to sell for some of the highest prices ever.

Grants awarded for Beaver Island, Boyne City, Charlevoix, and East Jordan

The Community Foundation responded to requests from nonprofit partners in four geographic areas in Charlevoix County in October. Thanks to donors who look to the Community Foundation to make a difference close to home, grants have been awarded to nonprofits who will work to improve the quality of life on Beaver Island, in Boyne City, Charlevoix and East Jordan. In all, over \$162,000 was awarded during the Geographic Enrichment cycle.

On Beaver Island, grants will help the Beaver Island Historical Society to repair the foundation at the Marine Museum; the Baroque on Beaver Festival will commission an original piece of music to debut at the 2022 festival, the doors of the Rural Health Center will become ADA compliant, Peaine

Township will get closer to their goal of building bocce ball courts on the Island, and Tara's Meadow will conduct some board training to increase their capacity to keep momentum moving on the Beaver Island Sustainability Initiatives.

In Boyne City, Boyne Eta Nu Charities will work toward a digital platform for organizing their activities, and the Top of Michigan Mountain Bike Association will add a storage shed and some emergency equipment to the trails to help work with local EMS Authorities to remove injured riders more efficiently.

In Charlevoix, the Historical Society will be working toward a digital platform whereby the public will be able to access historical collections and attend virtual programming, and

Charlevoix Main Street will create winter vibrancy activities in downtown this season, including sledding in East Park, warming fires and special treats throughout town, fun decorations and more.

The East Jordan area will get an upgrade to parks and trails – including at Sportsman's Park. The City of East Jordan will be improving access to the water in Sportsman's Park by adding a universally accessible kayak launch, more access to fishing, an access road to get closer to the water, upgraded restroom facilities and more. Friends of the Jordan River Watershed will commission an engineered design for a trail that will connect Sportsman's Park to the Rogers Nature Preserve, and the Jordan Art Walk will work on marketing and adding new sculptures to the walk that goes

through the marina to Sportsman's Park. Additionally, Training Wheels Child-care Center will get new portable handwashing sinks for classrooms, East Jordan Public Schools will work on revitalizing a greenhouse and adding a hoop house, and will install a bike fix station at the Brown's Creek trailhead, and Wagbo Peace Center will install new trails and host hike and snowshoe experiences throughout the winter and spring. The East Jordan Ambulance Authority will launch a new membership program and NW MI Habitat for Humanity will build a home in East Jordan with support from the Community Foundation.

This year, two grants were awarded that will impact multiple communities. Northern Homes CDC will conduct feasibility studies in

Boyne City, Charlevoix, and on Beaver Island to work toward finding ways to fill the need for attainable housing for the local workforce. Munson Healthcare Charlevoix Hospital Foundation is making security upgrades to their clinics in East Jordan, Boyne City, and Charlevoix, including installing silent panic buttons at each of their facilities as part of a larger focus on security.

For more information about each grant, and a full list of grants made through the Geographic Enrichment grant cycle, visit c3f.org.

A charitable organization dedicated to improving and enriching life in the area, the Charlevoix County Community Foundation accepts gifts from individuals, families, businesses and civic groups and manages them as permanent endowments. While a

portion of the funds are utilized to support grantmaking, the principal of the endowment continues to grow, providing ongoing charitable capital to benefit Charlevoix County's residents—now and in the future.

The Community Foundation is reviewing Youth Needs requests now and the next grant cycle will focus on Environment, Land Use, and Recreation projects. Applications will become available in December and will be due by Tuesday, February 1, 2022. The Community Foundation welcomes inquiries about applying for grants anytime by emailing Ashley Cousens at acousens@c3f.org. More information about each grant cycle can be found at c3f.org on the "Apply for a Grant" page.

COMMISSION FROM PG. 1

tact the Helping Hearts of East Jordan Civil Group for more information.

Nathan Weber, Harbor Master, led a discussion on the next steps for the future transformation of the city's defunct transfer station. The station is presently used by the parks department for storage of vehicles and equipment as well as containing some piles of compost. Weber gave a history on the property. The dump started early in the 20th century. "That just became the site for E.J. to dump," he said. For 20 years the city maintained a fifteen by fifteen clay lined pit to dispose of used oil, occasionally the fire department would practice putting out fires by lighting it on fire to burn off the oil. "The landfill portion never met compliance through the 1900's so we stopped using it in the early 80s," he said. It was capped with sand when it should have been capped with clay but that's been excavated and has now been put to a true sanitary landfill. The last soil sample was taken in 1987 and at that time it contained arsenic and heavy metals. "We are now in compliance for the last 30 years," he said. There will be many steps involved to taking the transfer station to a safe, beautiful, public park. Placing it into the city's inventory of city parks is a necessary first step. After that, the city will be hiring a private firm to conduct soil sampling. The last samples taken were 34 years ago. Bids for the service are \$3,000-\$5,000. "There were things that EGLE required over the last 40 years that have not been done. Due care obligations we were supposed to be doing since it was shut down. We might want to consider this as money we should have spent," he concluded. "To me this type of service, whether we did it 15 years ago or when we closed the station or now, to me its data that's important," said City Administrator Tom Cannon. No action was

taken. Cannon was directed to gather information and it was clarified that any expenses would have to come out of next year's budget cycle.

Commissioners recognized and thanked the Charlevoix County Community Foundation for fully funding a grant to place kayak launches at Sportsman's Park in the sum of \$27,000. In addition, they also funded the river trail grant for consulting fees in the sum of \$3,700. The trails grant will determine the topography of the proposed trail and provide a shovel ready design so fund raising and grant opportunities can be sought out. "It shows the support that we have locally for both of those projects," said Cannon.

Plans to rehabilitate the city harbor built in 1987 are moving forward. "We've done several projects through the years but at the end of the day it was built in 87 and we just are far overdue for some new docks," said Cannon. The city will reapply for the DNR/Waterways grant that was awarded to East Jordan in 2020 but was put on hold because of the pandemic. They are also applying for a second grant through the Economic Development Administration as part of ARP funding. "We are a perfect project for this because our harbor is 100% an economic tool for our downtown and our community," said Cannon. "I think we have a better opportunity for funding today than we've had in the 17 years I've been here."

The city has received \$122,000 ARP Funds and expect to receive the second half next fall. They are not in a hurry to spend the money and are in the process of looking for needed and qualifying projects. "My game plan was and I think across the table, we all felt the same way, is that each department would all like to have something. We'd like to split it all as evenly as possible," explained Cannon.

An organizational meeting is scheduled for Monday, November 8, 2021 at City Hall at 6:30pm to swear in newly elected commissioners.

Vaccination clinics for 5-11 year olds begins

The Health Department of Northwest Michigan will begin to give COVID-19 vaccinations for children 5-11 years old starting this Friday, November 5. Appointments are required and can be made by visiting the health department COVID-19 vaccination page for 5-11 year olds.

Following approval by the Centers for Disease Control and Prevention and the Food and Drug Administration, providers across the country and northern Michigan are preparing to provide the Pfizer vaccine for children as young as 5-years-old.

Scientists have conducted clinical trials with about 3,000 children and the FDA has determined that the Pfizer-BioNTech COVID-19 Vaccine has met the safety and efficacy standards for authorization in children ages 5 through 15 years. In addition, Pfizer-BioNTech COVID-19 Vaccine has now been FDA-approved for people ages 16 and older.

"COVID-19 infection can cause serious illness in children, and that risk far exceeds any potential risk of the vaccine," said Dr. Josh Meyerson, Pediatrician and the Medical Director for the Health Department of Northwest Michigan. "I strongly urge parents to consider getting a COVID-19 vaccine for children ages 5 years and

older as soon as possible. If parents have any concerns or questions about whether the vaccine is right for their child, they should consult with their primary care provider," Dr. Meyerson added.

Although children are at a lower risk of becoming severely ill with COVID-19 compared with adults, children can:

- Be infected with the virus that causes COVID-19
- Get very sick from COVID-19
- Have both short and long-term health complications from COVID-19
- Spread COVID-19 to others

The Health Department is hosting clinics especially geared toward children 5 to 11 years old. These separate clinics will accommodate children in numerous ways, including clinics outside of school hours, allowing parents to comfort their child by having them sit on their laps and be more intimate, and smaller than clinics held for adults.

A parent/guardian must accompany anyone younger than 18 to a COVID-19 clinic. Please bring an insurance card to the appointment.

Anyone may call 800-432-4121 if they have questions or are not able to find a time or date that works for them and/or their child.

Rep. Borton, House say 'no' to discriminatory teaching in Michigan

State Rep. Ken Borton and the Michigan House of Representatives on Tuesday approved a plan to prohibit race and gender stereotyping in public school curriculum.

"An extreme movement wants students to be ashamed of themselves or judge others based on skin color or gender," said Borton, of Gaylord. "That is just wrong. This plan will put a stop to this movement in Michigan and help students learn kindness instead."

House Bill 5097 would prohibit the promotion of any form of race or gender

stereotyping in state or local public school curriculum. Prohibited race or gender stereotyping would include a variety of teachings that make assumptions about people based on race or gender. The plan also prohibits curriculum that pushes the premise that individuals bear collective guilt for historical wrongs committed by their race or gender.

HB 5097 passed the House unanimously, and it now advances to the Senate for consideration.

Governor veto of bird-feeding plan echoes unilateral pandemic action

BY STATE REP. KEN BORTON

When Gov. Gretchen Whitmer vetoed my plan to override a bureaucratic order that has effectively made feeding birds a crime in most of the state, it wasn't exactly an unprecedented move for her. Over and over, the governor has shown a preference for broad restrictions on the people of Michigan by executive order — going around the people's voice in the Legislature.

The order against bird feeding was handed down by the Natural Resources Commission (NRC), and not for any reason related to helping Michigan's bird population. It is supposedly intended to reduce the spread of disease in deer and elk, such as chronic wasting disease (CWD) and bovine tuberculosis, but the order is so broad that it prohibits any animal feeding if deer or elk get at the feed.

I introduced House Bill 4088 to protect bird-watchers from prosecution by specifically authorizing wildlife and bird feeding. A person intending to view animals recreationally or to prevent starvation would have been allowed to place, scatter or

distribute up to two gallons of feed within 300 feet of a residence.

When she vetoed the bill, Gov. Whitmer said the restrictive order from the NRC that practically bans bird feeding is "based on strong scientific evidence." However, when representatives from the Department of Natural Resources testified in the Legislature against my bill, the Wildlife Division chief admitted he was not aware of any history, science or study demonstrating that backyard bird feeding leads to the spread of CWD or bovine tuberculosis.

The governor's veto and NRC order are a ridiculous overreach into the lives of Michigan residents. In 2010, I was ticketed under an earlier version of the feeding order because some deer came to my bird feeders in Gaylord. Thankfully, my case was dismissed. That ban was lifted in 2011, but the order reemerged a few years ago to hang over people who feed and watch the birds that live in our state.

The feeding ban is concerning not only because of the consequences it has on Michigan bird-watchers, but also because of how it was put in place. The order was

adopted by bureaucratic appointees on the NRC, not by the people's elected representatives in the Legislature. Lawmakers are chosen by the citizens to represent various viewpoints and local interests across Michigan. They bring the perspectives of their communities to the forefront when laws are made. But far too often, governors and bureaucrats claim their own authority to create consequential restrictions for our state.

During the pandemic, we witnessed this claim of unilateral authority applied far beyond outdoor recreation, impacting families' very livelihoods. For well over a year, Gov. Whitmer and her administration imposed strict requirements by unilateral orders. The orders limited and closed businesses and required people to stay home, all without approval from the representatives of the people. As with the NRC, the governor often listed science as the basis for her orders, while providing few specifics about the actual scientific evidence.

Unfortunately, state laws often contribute to claims of unilateral authority by the administration. Supporters have often argued both the

feeding ban and the pandemic-era orders were supposedly legally authorized. But our laws should not undermine the Michigan Constitution, which outlines the importance of the separation of powers between the Legislature, administration, and courts. Neither the governor nor a bureaucratic commission should be able to have such broad discretion over the people of Michigan. In the Legislature, I am working with my colleagues to clean up our laws to prevent executive overreach. For instance, we approved the Unlock Michigan citizens' initiative — which was unable to be vetoed — to repeal one of the unconstitutional laws Gov. Whitmer used for her COVID-19 orders.

There is much work to be done to rein in unilateral orders. I will continue standing up for the people of Northern Michigan by opposing any overreach, from bird-feeding bans to forced business closures.

State Rep. Ken Borton, R-Gaylord, represents Michigan's 105th House District, which includes the counties of Antrim, Charlevoix, Montmorency, Oscoda and Otsego.

Rayders season ends on heartbreaking Two-Point Conversion

BY: DOM SANTINA

The Charlevoix Rayders would travel to play Ishpeming Westwood on Saturday, November 6 for a chance to win their first District Championship in program history.

The Rayders would get off to a great start as Caleb Stuck would connect with Patrick Sterrett for a 78-yard touchdown. They would be able to convert the two-point try to give themselves an 8-0 lead. It would not take long though for the Patriots to respond with a touchdown and a conversion to tie the game at 8-8. That is where the game would remain at the halftime break.

In the third quarter, the Pa-

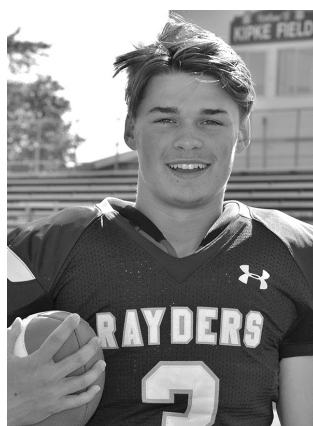

triot's would be able to get a rushing touchdown to put themselves up 14-8 after a missed two-point conversion. The Rayders would find themselves in a deeper hole, as the Patriots would have their next drive find the endzone as well, putting them up 22-8 after the two-point conversion.

As the game wound down, the Rayders did not give up, they would march down the field and cap the drive off with a touchdown run from one yard out by Henry Herzog. Sterrett would end up converting the two-point attempt to put them down just 6, 22-16.

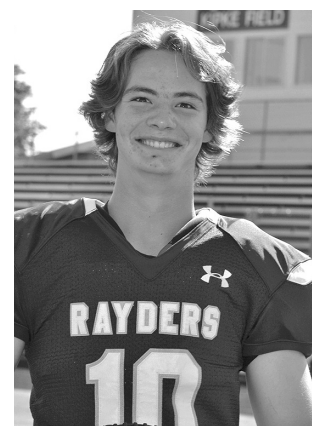

However, the Patriots would respond with another score coming through the air

to stretch the lead back out to 30-16. The Rayders would keep fighting though, as they would get a connection from Stuck to Sterrett for a 63-yard touchdown. The Rayders

would be able to get into the endzone again to cut the lead to 30-28 with under a minute remaining. The Rayders would try to go for two to tie the game, but would ulti-

mately be stopped by the Patriots. With that stop, the Patriots would run out the clock, putting a heartbreaking end to the Rayders season.

The team would be led by Sterrett who had 9 catches for 238 yards and 3 touchdowns. While Stuck ended the day going 13 for 14 for 300 yards, 3 touchdowns and 1 interception. On the defensive side of the football, Landon Swanson would lead the way with 10 tackles.

The loss puts an end to the season for the Rayders, who finish the year at 8-2. The Rayders will lose seven players to graduation this year. Those graduating from the team are : Stuck, Evan Solomon, Jake Clafin, Max Ostrum, Cam Vrondran, Richie Cunningham and Will Glass.

Strong start doesn't hold for Ramblers against Standish-Sterling

BY: DOM SANTINA

The Boyne City Rambler Football team found themselves with the same chance they had just one year ago. To bring the town and head coach Dave Suttle a District Championship. The Ramblers would travel to play Standish Sterling in the District Final on Friday, November 5.

The Ramblers would get off to a great start, as they would pick up their rushing attack right where it left off all season. Bobby Hoth would get into the end zone once again this season. Along with an Aaron Bess score, that would put the Ramblers up 14-0 early.

However, that is when the Panthers would get their passing attack going. With their backs against the wall, the Panthers would be able to hang 21 unanswered points on the Ramblers before halftime. What was once a 14-0 lead for the Ramblers, now was a 21-14 deficit heading into halftime.

In the second half, it would not be much of anything for the Ramblers. As they could not get their offense going like it was in the first quarter or even all season long. The Ramblers would struggle and the Panthers would wear the Ramblers down with size and toughness. The Panthers would end up adding another 13 points on in the second half to secure a 34-14 victory, putting an end to the Ramblers season.

For the second season in a row, the Ramblers fall short in the District title game. The Ramblers rushing attack would be led by Bess with 59 yards on seven carries. While Quarterback Jack Neer had 4 completions on 14 attempts for 47 yards and 2 interceptions. On the defensive side of the football, Joey McHugh would lead the team with 13 tackles.

The loss ends the Ramblers season at 9-2 overall. The Ramblers will lose Hoth, Bess, Kaden Jewett, Kolton Stadt, Riley Dittmar, Hunter Paquette, Liam Chapp and Scotty Haley to graduation this year.

Rayders battle back from two sets down to win District Championship

BY: DOM SANTINA

The Charlevoix Volleyball team traveled to East Jordan to play the Red Devils in the District Semi-Finals.

The Rayders would have to battle early with the Red Devils. As the Red Devils would come out with passion against the Rayders. The game would be tied at 16-16 until Claire Scholten would help the Rayders go on a run to take a 21-16 lead. Taylor Petrosky would help the Rayders finish it off with a 25-18, opening set victory.

In set number two, the Red Devils jumped all over the Rayders to gain a 9-2 lead. The Rayders would have to climb back into it, which they would do eventually at 14-12 in favor of the Red Devils. The Red Devils would hold a 24-23 lead before a Rayders timeout. That would be exactly what they needed, as they would go on a run to win the second set 26-24. This was one of the most exciting games of the season between the in-county rivals.

The Rayders would head into the final set, just one win away from the District Championship game. The Rayders would come out and take control of the third and final set. As they would win the third set 25-9.

The team would be led by Petrosky with 19 digs, 7 kills and 2 aces. Grace Lentz would contribute 13 kills, 3 blocks and 5 digs. Scholten would add 30 assists and 15 digs.

take this matchup easily. The Cardinals came out with a lot of fight and it would show in the first couple sets.

The Cardinals would end up winning the first set by a narrow 2 points, 25-23. The Rayders now down a set would look to try it up in set two. However, the Cardinals would jump on the Rayders once again, winning the second set 25-20.

Now with their back against the wall, just one set away from their season coming to an end the Rayders dug deep and worked just one set at a time. They would battle back to take the third set 25-20. Now down just one set but still one loss away from it being over. The Rayders would fight hard again and be able to take the fourth set 25-19 to send it to the fifth and final set.

In the final set, 15 points would not be enough either, as the teams would push it to extra points. In the end, the Rayders would be able to battle back and win the set 18-16. The win brought them back from two sets down to win the District Championship.

The team would be led by Lentz with booming hits recording 24 kills and 13 digs. Scholten would add in 47 assists and Patria Muriel would contribute 34 digs. The Rayders will host Elk Rapids on Tuesday, November 9 in the Regional Semi-Finals.

The Rayders would move on to face Johannesburg Lewiston in the District Final

on Friday, November 5 in East Jordan.

Nancy Whitley, 71

(JUNE 11, 1950 - NOV. 3, 2021)

Nancy Jean Whitley of Charlevoix passed away peacefully on November 3rd, 2021. Nancy was preceded in death by her Mother and Father, Bill & Ella Hoffman, and two husbands, Jerome "Jigs" Whitley and Jack Balchik.

Nancy is Survived by her Sister Kathy (Rick) Luther of Vacaville, CA, Brother Ron (Mary) Hoffman of Greensboro, NC, her three children and grandchildren, Jessica (David and Enzo) Bertinelli, Ben (Maya and Kai), and Lukas (Merissa) Whitley.

"I Couldn't Love You More" Those were some of the last words my Mom said to me during her final days here on Earth. I thought those words were a beautiful encapsulation of her life, and the way she lived it. Her Love for family was endless, but also extended beyond her family. She sponsored a child from El Salvador named Roxana that ended up being a lifetime relationship. This involved my Mom traveling to El Salvador twice to visit her and her family. This relationship was extremely meaningful to her, and went above and beyond the normal sponsorship of a child in need. She also sponsored a couple other children from different areas of the World.

My Mom had a magnificent and full life, but it was not without extremely difficult circumstances. She lost two of her husbands prematurely to illness. This must have been unexplainably hard on my Mom, and some people may have given up on what life had dealt them. This was not the case. Despite the tremendous pain she endured, she went on with life in a loving and positive way. Her faith in God, and love for family and friends truly helped her through the darker times.

My mom had the ability to find happiness in the simplest things presented in nature. Whether it be the birds buzzing at her bird feeder, a

beautiful sunset, or the blooming of wild daisies in the early summer (Which she told us her whole life, bloomed for her Birthday). She adored her dog Pearl, who was her main companion later in life, along with her cats Victor and Benson.

Family was by far the most important thing for my Mom. She loved nothing more than visiting with her kids, brother & sister, grandchildren and all the extensions of that core family. It wasn't really about what we did, it was about spending time together that she loved the most. My mom simply "Couldn't Love you More". It was impossible

for her to care and love her family and friends more than she did. Her being missed doesn't come close to explaining our feelings for her. A part of all of us is gone forever, but I take solace in knowing with a doubt that she's up in heaven with my Dad (Jigs) right now. Re-united at last, and forever more.

David Lee Kenney, 35

(OCT. 19, 1986 - NOV. 3, 2021)

David Lee Kenney died unexpectedly on Wednesday, November 3rd, 2021, at his home in Jordan Township, Antrim County.

He was born on October 19th, 1986, in Petoskey, the son of David Allen and Melissa Lynn (Fuller) Kenney.

David graduated from Alanson High School in 2004. He worked as a logger.

He is survived by a daughter, Nikki Isabella Kenney of Burton; his parents, David A. and Melissa L. Kenney of Harbor Springs; a brother,

Nicolas A Kenney of East Jordan; his grandmothers, Carol Kenney of East Jordan and Linda Bavin of Petoskey; one great grandmother, Viola "Vi" Smith of Petoskey and his fiancée, Gayle Wingo of East Jordan. He was preceded in death by three grandfathers, John Drabik, Michael Bavin and Clifford "Dave" Kenney; great grandfathers, Alfred L. Smith and Cash Kenney; and one great grandmother, Eunice Kenney.

A memorial will be announced in the spring of 2022. The family was served by the Penzien Funeral Home, East Jordan.

ADVICE FROM GOD

Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break

in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also.

ORDINANCE NO. 265 CITY OF EAST JORDAN

An Ordinance to secure the public health, safety and general welfare of the residents, property owners of the City of East Jordan, Charlevoix County, Michigan, by the regulation of noise within said city; to prescribe the penalties for the violation thereof.

THE CITY OF EAST JORDAN HEREBY ORDAINS:

An Ordinance to Amend Chapter 24 Offenses, Article VI Offenses Against Public Peace of the Code of Ordinances of the City of East Jordan

Section 1. TITLE

This Ordinance shall be known and cited as the City Anti-Noise and Public Nuisance Ordinance.

Section 2. DEFINITIONS

The following terms used in this Ordinance are defined as follows:

- A. "Decibel" is a unit used to express the magnitude of sound pressure and sound intensity. The difference in decibels between two sound pressures is twenty (20) times the common logarithm of their ratio. In sound pressure measurements, the sound pressure level of a given sound is defined to be 20 times the common logarithm of the ratio of the sound pressure to a reference pressure of 2×10^{-5} N/m² (Newtons per meter squared). As an example of the effect of this formula, a 3 decibel change in the sound pressure level corresponds to a doubling or halving of the sound intensity, and a 10-decibel change corresponds to a 10-fold increase or decrease to 1/10th the former intensity.
- B. "dB(A)" means the sound pressure level in decibels measured on the "A" scale of a standard sound level meter having characteristics defined by the American National Standards Institute, Publication ANSI sl.4-1971.
- C. "Engine Brakes" mean an exhaust or an exhaust manifold powered auxiliary braking system installed on motor vehicles, including on "trucks" and "truck tractors," as those terms are used in the Michigan Motor Vehicle Code. "Engine Brakes" are commonly referred to as "jake brakes," and the two terms shall be deemed equivalent for purposes of this ordinance.
- D. "Motor vehicle" means every vehicle which is self-propelled whether or not licensed or intended for use upon public roads or streets.

Section 3. ANTI-NOISE REGULATIONS

General Regulation.

- A. No person, firm or corporation shall cause or create any unreasonable or unnecessarily loud noise or disturbance, injurious to the health, peace, or quiet of the residents and property owners of the City.

B. Specific Violations.

The following noises and disturbances are hereby declared to be a violation of the Ordinance; provided, however, that the specification of the same is not thereby to be construed to exclude other violations of the Ordinance not specifically enumerated:

- The playing of any radio, phonograph, television, or other electronic or mechanical sound producing device, including any musical instrument in such a manner or with such volume as to unreasonably-upset or disturb the quiet, comfort or repose of other persons.
- Yelling, shouting, hooting or singing on the public streets between the hours of 11:00 p.m. and 7:00 a.m., or at any time or place so as to unreasonably upset or disturb the quiet, comfort or repose of any persons in the vicinity.
- The emission or creation of any excessive noise which unreasonably interferes with the operation of any school, church, hospital or court.
- The keeping of any animal, bird or fowl, which emanates frequent or extended noise which shall unreasonably disturb the quiet, comfort or repose of any person in the vicinity; such as allowing or permitting any dog to bark repeatedly in an area where such barking can be clearly heard from nearby residential property.

5. a) A motor vehicle, including a motorcycle or moped, shall at all times be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and annoying smoke. A person shall not remove, destroy, or damage any of the baffles contained in the muffler, nor shall a person use a muffler cutout, bypass, or similar device upon a motorcycle or moped on a highway or street.

b) The engine and power mechanism of a motor vehicle shall be so equipped and adjusted as to prevent the escape of excessive fumes or smoke.

c) A motor vehicle shall at all times be equipped with a properly operating exhaust system which shall include a tailpipe and resonator on a vehicle where the original design included a tailpipe and resonator.

d) A motor vehicle, while being operated on a highway or street, shall be equipped with an exhaust system in good working order to prevent excessive or unusual noise and shall be equipped to prevent noise in excess of the limits established in this act.

6. The sounding of any horn or other device on any motor vehicle unless necessary to operate said vehicle safely or as required by the Michigan Motor Vehicle Code.

7. The discharging outside of any enclosed building of the exhaust of any steam engine, internal combustion engine, motor vehicle, or motor boat engine except through a muffler or other similar device which will effectively prevent loud or explosive noises. The modification of any noise abatement device on any motor vehicle or engine, or the failure to maintain the same so the noise emitted by such vehicle or engine is increased above that emitted by such vehicle as originally manufactured, shall be in violation of this section.

8. The erection, excavation, demolition, alteration or repair of any building or premises in any part of the City, and including the streets and highways, in such a manner as to emanate noise or disturbance unreasonably annoying to other persons, other than between the

hours of 7:00 a.m. and sundown on any day, except in cases of urgent necessity, in the interest of public health and safety. In such case, a permit shall be obtained from the Building Inspector or Ordinance Enforcement Officer of the City, which permit shall limit the periods that the activity may continue.

9. The creation of a loud or excessive noise unreasonably disturbing to other persons in the vicinity in connection with the operation, loading or unloading of any vehicle, trailer, railroad car, or other carrier or in connection with the repairing of any such vehicle in or near residential areas.

10. The use of any drum, loudspeaker or other instrument or device for the purpose of attracting attention to any performance, show, sale, display or other commercial purpose which, by the creation of such noise, shall be unreasonably disturbing to other persons in the vicinity.

11. The operation of any loudspeaker or other sound amplifying device upon any vehicle on the streets of the township with the purpose of advertising, where such vehicle, speaker or sound amplifying device emits loud and raucous noises easily heard from nearby adjoining residential property.

12. The operation of any machinery, equipment or mechanical device so as to emit unreasonably loud noise which is disturbing to the quiet, comfort or repose of any person.

13. The operation of any race track, proving ground, testing area or obstacle course for motor vehicles, motorcycles, boats, racers, automobiles or vehicles of any kind or nature in any area of the City where the noise emanating from there would be unreasonably disturbing and upsetting to other persons in the vicinity. Under no circumstances shall any race track, proving ground, testing area or obstacle course operate after 11:00 on any evening.

14. The use and application of engine brakes on any public road, street or on any public property or right-of-way within the City of East Jordan.

C. Exceptions

None of the prohibitions hereinbefore, enumerated shall apply to the following:

- Any police vehicle, ambulance, fire engine or emergency vehicle while engaged in necessary emergency activities.
- Warning devices emitting sound for warning purposes as authorized by law.

SECTION 4. ANTI-NOISE REGULATION BASED UPON dB(A) CRITERIA

In order to regulate and prove violations occurring under Section 3 of this Ordinance, any noise in excess of the maximum decibel limits according to the regulations stated below is deemed to be in violation of this Ordinance.

A. Regulations for Decibel Measurement of Noise Originating from Private Properties.

Noise emanating from the following uses, as measured at the boundaries of the property, which is in excess of the dB(A) established for the districts and times herein listed shall constitute prima facie evidence that such noise unreasonably disturbs the comfort, quiet and repose of persons in the area and is therefore in violation of this Ordinance. Violations shall exist when the source or sources exceed the following limitations. As an example, such noise shall include that emitting from the production, processing, cleaning, servicing, testing, repairing and manufacturing of materials, goods or products, including vehicles.

| | Limitations 7 am- 11 pm | Limitations 11pm-7am |
|---|----------------------------|-------------------------|
| Residential | 55 dB(A) | 50 dB(A) |
| Any use within 500 feet of a hospital | 55 dB(A) | 50 dB(A) |
| Agricultural or commercial uses within 500 feet of a residence | 55 dB(A) | 50 dB(A) |
| Agricultural or commercial uses more than 500 feet from a residence | 65 dB(A) | 55 dB(A) |
| Industrial uses | 65 dB(A) | 55 dB(A) |

Harmonic or pure tones, and periodic or repetitive impulse sound shall be in violation when such sounds are at a sound pressure level of 5 dB(A) less than those listed above.

Where property is partly in two zoning districts or adjoins the boundary of a zoning district, the dB(A) levels of the zoning district of the property where the noise is emanating shall control.

The following exceptions shall apply to these regulations under, this Section 4, subsection A:

- Construction projects shall be subject to the maximum permissible noise levels specified for industrial districts, as long as a valid building permit has been issued by the City and is currently in effect.
- All railroad operations shall be subject to the maximum permissible noise levels specified for industrial districts, regardless of the zone where they are located.
- Noises occurring between 7:00 a.m. and sundown caused by home or building repairs or from maintenance of grounds are excluded, provided, such noise does not exceed the limitations specified in Section 4A by more than 20 dB(A).
- Noises emanating from the discharge of firearms are excluded, providing the discharge of the firearms was authorized under Michigan law and all local ordinances.

B. Regulations for Decibel Measurement of Motor Driven Vehicles on Public Roads.

1. After April 1, 1978, a motor vehicle shall not be operated or driven on a highway or street, if the motor vehicle produces total noise exceeding 1 of the following limits at a distance of 50 feet except as provided in subdivisions 2(c) and 3(c):

- A motor vehicle with a gross weight or gross vehicle weight rating of 8,500 pounds or more, combination vehicle with gross weight or gross vehicle weight ratings of 8,500 pounds or more.
 - Ninety dB(A), if the maximum lawful speed

on the highway or street is greater than 35 miles per hour.

- Eighty-six dB(A), if the maximum lawful speed on the highway or street is not more than 35 miles per hour.
 - Eighty-eight dB(A), under stationary run-up test.
- b. A motorcycle or a moped:
- Eighty-six dB(A), if the maximum lawful speed on the highway or street is not more than 35 miles per hour.
 - Eighty-two dB(A), if the maximum lawful speed on the highway or street is not more than 35 miles per hour.
 - Ninety-five dB(A), under stationary run-up test at 75 inches.
- c. A motor vehicle or a combination of vehicles towed by a motor vehicle not covered in subdivision (1) or (2):
- Eighty-two dB(A), if the maximum lawful speed on the highway or street is greater than 35 miles per hour.
 - Seventy-six dB(A), if the maximum lawful speed on the highway or street is not more than 35 miles per hour.
 - Ninety-five dB(A), under stationary run-up test 20 inches from the end of the tailpipe.

2. A dealer shall not sell or offer for sale for use upon a street or highway in this city, a new motor vehicle manufactured after April 1, 1978, which produces a maximum noise exceeding the following limits:

- A motor vehicle with a gross vehicle rating of 8,500 pounds or more -83 dB(A).
- A motorcycle or a moped - 83 dB(A).
- A motor vehicle not covered in subdivision a. orb. - 80 dB(A).

3. A person shall not operate a vehicle on a highway or street if the vehicle has a defect in the exhaust system which affects sound reduction, is not equipped with a muffler or other noise dissipative device, or is equipped with a cutout, bypass, amplifier, or a similar device.

4. A person, either acting for themselves or as the agent or employee of another, shall not sell, install, or replace a muffler or exhaust part that causes the motor vehicle to which the muffler or exhaust part is attached to exceed the noise limits established by this act, or a rule promulgated under this act.

5. A person shall not modify, repair, replace, or remove a part of an exhaust system causing the motor vehicle to which the system is attached to produce noise in excess of the levels established by this act, or operate a motor vehicle so altered on a street or highway.

6. A dealer shall not sell a used or secondhand motor vehicle for use upon a street or highway which is not in compliance with this act.

C. Measurement of Noise

All measurements of dB(A) pursuant to subparagraph A of this Section shall be made by using a sound level meter of standard design and operated on the "A" weight scale, with "slow" meter response. All measurements of dB(A) pursuant to subparagraph B of this section shall substantially conform to the requirements of Section 707e of the Michigan Vehicle Code.

Section 5. PUBLIC NUISANCE REGULATIONS

No person, firm or corporation shall create, cause or maintain any public nuisance within the City by the unreasonable emission of dust, smoke or noxious odors which are offensive or disturbing to adjacent property owners and residents or persons in the area.

Section 6. VALIDITY

The several provisions of this Ordinance are declared to be separate if any Court of Law shall hold that any section or provision thereof is invalid, such holding shall not affect or impair the validity of any other section or provision of this Ordinance.

Section 7. PENALTIES

- A. A violation of Section 3.B.5(d) or 3.B.14, or Section 4.B.1, 4.B.3 or 4.B.5 is a municipal civil infraction, for which the fine shall be not less than One Hundred Dollars (\$100.00) nor more than Five Hundred Dollars (\$500.00) for the first offense and not less than Five Hundred Dollars (\$500.00), nor more than One Thousand Dollars (\$1,000.00) for a subsequent offense, in the discretion of the court, and in addition to all other costs, damages, expenses and actual attorney's fees incurred by the City in enforcing the ordinance. For purposes of this section, a "subsequent offense" means a violation of this ordinance committed with respect to a separate incident by the same person within twelve (12) months after a previous violation of the ordinance for which said person admitted responsibility or was adjudicated to be responsible. Each day that a violation occurs shall constitute a separate offense.

B. A violation of any other provision of this ordinance is a misdemeanor, punishable by a fine of One Hundred Dollars (\$100.00) or ninety (90) days in jail or both.

C. If it is shown that the noise level of a motor vehicle is in excess of the dB(A) levels established in this ordinance, that evidence shall be deemed *prima facie* evidence that the motor vehicle was producing excessive noise in violation of this ordinance.

Section 8. EFFECTIVE DATE

This Ordinance was approved and adopted by the City Commission on 11-02-2021, and shall be effective seven (7) days after publication.

LOCALLY OWNED, LOCALLY OPERATED LOCAL NEWS, LOCAL SPORTS

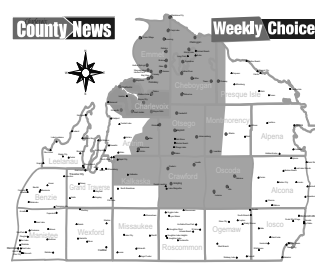

The Weekly Choice and Charlevoix County News are locally owned newspapers

We are independently owned newspapers based in Gaylord, Michigan

Dave Baragrey and the staff of news writers, sports writers, photographers, graphic designers, delivery people and sales people all live and work here and care about our local communities we serve.

We hear from readers every week how much they appreciate all the local coverage. We appreciate all the positive response from both readers and advertisers to our newspapers that we hear so frequently.

So many newspapers in the area have dropped 30% and as much as 50% in circulation over the past year. Our newspaper distribution has remained steady and in many towns has grown in circulation.

We of course REALLY appreciate the advertisers. That is our primary source of revenue that allows us to publish our popular newspapers every week covering all over Northern Michigan.
If you are an advertiser that has become disappointed with the results of your

newspaper advertising that is costing you way too much while reaching way fewer readers, you should try our newspapers. You will likely pay less money for far more circulation and reach readers in a much larger area.

The Weekly Choice is distributed free every Thursday at almost 600 locations around Northern Michigan.

The Charlevoix County News is distributed every Thursday in Boyne City, Boyne Falls, Charlevoix, East Jordan and Ellsworth to subscribers and on newsstands and wherever newspapers are sold. Cost is still just 75 cents (not \$1.25 or \$2.00).
If you want to reach more consumers with your advertising and pay less money for advertising, give Dave Baragrey a call or email. You can even stop into our office (we still have our office open).

REAL ESTATE FEATURE

Price reduced on 80-acre “Gentleman’s Farm” near East Jordan

BY JIM AKANS

This week’s feature listing is a rare opportunity to own a gorgeous 80-acre farm situated between Lake Charlevoix and Lake Nowland, centrally located between East Jordan and Charlevoix. Recently, this offering also undergone a recent price reduction.

The possibilities for this beautiful property are virtually endless. It could easily serve as a “Gentleman’s Farm,” with the existing home, several outbuildings including a barn, pole barn and more. This could also become a gorgeous vineyard, or a private northern Michigan expansive retreat. Another option is a great land development with rolling terrain yet just a few miles from East Jordan, Charlevoix,

2505 Sequanota Road, about halfway between East Jordan and Charlevoix and the listing price has been reduced to \$799,900. For additional information or to arrange for a tour, please call Mike Stark or Holly Stark, Associate Brokers, at EXP Realty – 109 Mill Street, East Jordan, at 231-536-7700 or email HollisUpNorth@gmail.com
