BOYNE CITY COMMISSION MARCH 22 MEETING

Heckler disrupts Boyne City Commission meeting

BY TINA SUNDELIUS

Boyne City - The Boyne City Commission March 22 meeting started with an outburst during a public comment in support of the marina expansion project and Commissioners supported the application of three more grants for the marina.

Mayor Hugh Conklin had to quell the dissenting heckler in the audience. "Is that

appropriate behavior for someone to have in a public meeting? No, this is just what we're coming down to," he stated after he offered to eject the heckler who chose to leave the meeting while threatening the speaker.

City Manager Michael Cain presented an opportunity to apply for three Michigan Department of Natural Resources Waterways grants that would support the marina expansion upgrades. The grants that each require

a 50% match and must be submitted by April 1, would be for landside utilities in the amount of up to \$327,319 with a total cost of \$654,638, two floating wave attenuators in the amount of up to \$419,470, with a total cost of \$838,939, and the replacement of Dock E including utilities in the amount of up to \$824,621, with a total cost of \$1,649,242. "The vision for the community for nearly 20 years has been for significant replacement of the marina. It's been

in the last year and half or so that there's been much more in the way of community conversation about doing something different than what has been planned for these last 20 years," said Cain.

Harbormaster Barb Brooks stated in her recommendation "Whether that vision remains the same or changes, the grants being recommended today should help us maintain and improve long term marina oper-

ations." A representative from Abonmarche Engineering was present via Zoom. Mike Morphey answered questions about how securing the grants could ease the city's share of the marina project. Mayor Conklin asked Morphey twice if there was any risk in applying for the grants and both times he stated that there was not.

"None of this says we have to do any of it," said Cain. "We need to put the whole package together before we do anything. We've been told over and over there's no risk to the city to apply for these grants, I guess I don't see why we wouldn't at this point," said Commissioner George Lasater. Moody objected to the rushed timeline for the grant submittals. "I have no problem waiting until next April first," he said. Conklin stated that he was disappointed that the deadline was 'last minute.' A motion to approve the recommendation was made by Neidhamer, seconded by Lasater and passed with Moody and Nemecek voting against.

North Country CMH hosts First Responder training

After a year in the planning, North Country Community Mental Health (NCCMH) hosted an intensive two-day Behavioral Health Partnership Training for first responders in Northern Michigan. Twenty law enforcement officers and EMS responders from four counties convened at the Kirtland Gaylord M-TEC on March 15-16.

The Behavioral Health Emergency Partnership (BHEP) training was designed to equip first responders with the tools they need to effectively recognize, respond, and mitigate a behavioral health emergency.

According to Carole Doherty, NCCMH Director of Crisis Services, "Peace officers in Michigan and across the nation are frequently called upon to manage incidents involving people with mental illness in crisis. Specialized training on the topic of mental health helps to prepare peace officers and other responders to resolve these incidents in a safe and effective manner. Officers learn to identify signs and symptoms of mental illnesses, and how to utilize a range of stabilization and de-escalation techniques, and they learn about disposition options, community resources, and legal issues."

"The primary goals of behavioral health emergency trainings are to reduce injuries to first responders and the person experiencing a mental health crisis, and to appropriately redirect the person in crisis from the judicial system into the services and support they need,

Joseph Reid, Executive Director of Broken People, shared his recovery journey and the need for officers to also take care of themselves.

Eric Waddell, Chief Learning Officer at the Cardinal Group II which facilitates and conducts the training and Carole Doherty, NCCMH Director of Crisis Services

and reduce future contact with police," said Doherty.

The Behavioral Health Emergency Partnership Training consists of three linked training segments: Pre-Course Online Training, Classroom Instruction and Scenario Based Training. The scenarios include situations involving delusions and hallucinations, medical emergencies, and recovery.

A presentation by a per-

son with lived experience with mental illness provided perspective at the end of the training. Joseph Reid, Executive Director of Broken People, shared his recovery journey and the need for officers to also take care of themselves. "I go through most days feeling broken and having thoughts of suicide. Being patient and caring is one of the most important things I would ask of you. Also, as first responders, you all have very tough jobs. I really encourage you all to find ways to take care of yourself. If you don't take care of you, you can't take care of me, and I need you!"

Eric Waddell, Chief Learning Officer at the Cardinal Group II which facilitates and conducts the training, said, "We appreciate the commitment of North Country Community Mental Health to bring the law enforcement community together in partnership to learn new perspectives and ways of serving people

with mental illness, at what is often some of the worst times in their lives. We look forward to providing a second training in Northern Michigan this May."

Funding for the training was provided by the Michigan Department of Health and Human Services (MDHHS) Mental Health Division Council and the Michigan Commission on Law Enforcement Standards (MCOLES).

North Country Community Mental Health provides services to residents of Antrim, Charlevoix, Cheboygan, Emmet, Kalkaska and Otsego Counties experiencing a serious mental illness, severe emotional problem, or intellectual/developmental disability, including individuals with co-occurring substance use disorder. Persons wishing to know more about North Country Community Mental Health are encouraged to visit www.norccmh.org or to access services call 877-470-7130.

OBITUARIES

Sally Kaye (Moore) Scott, 86

(MARCH 9, 1936 - MARCH 13, 2022)

Sally Kaye Scott passed away suddenly Sunday, March 13th at her home in Boyne City.

Sally was born on March 9th, 1936 in North Branch MI, daughter of Ivan and Hazel Moore. She attended North Branch schools and nursing school at Burns Clinic in Petoskey. She went on to work at Burns Clinic & Little Traverse Hospital as a surgical nurse. Sally was united in marriage to Mike, the love of her life, on June 15, 1957 for more than 54 years making Boyne City their home. She was a loving, caring and kind wife, mother, grandmother, great-grandmother and friend, with her family

being her whole world.

Most of her 28 years with the Boyne City school system she worked as the Elementary School Nurse. One of her greatest joys was helping elementary kids through difficult days. Sally loved being outside, spending many summers at their cabin in the UP, boating and swimming. In the winters, she would be snowmobiling and tending bonfires, cooking dinner on the fire. Driving by the house you may have seen Sally mowing the lawn or taking walks with her little dog. Sally and Mike traveled throughout the United States and ended up spending many winters in Arizona. They loved playing golf, square dancing, playing cards and spending time with new friends made along the way.

Sally is survived by her daughters, Terrie (Mark) of Boyne City and Florida, Ginnie (Mike) of New Mexico and Cindi (Ford) of Michigan and Arizona, five grandsons, Chad, John, Scott, Patrick and Matthew; two great-granddaughters Acacia and Aneliese and several nieces and nephews. Preceding Sally in death was her husband Mike, her parents Ivan and Hazel Moore, infant son Jeffrey, sister Iva Strich and brother Alvin Moore.

A Celebration of Life

service will be held on Saturday, March 26 at 1:00 at the Boyne City United Methodist Church. A reception will immediately follow the service.

In lieu of flowers, the family requests donations be made to a memorial fund in honor of Sally Scott to the Boyne City United Methodist Church. Please make checks payable to Boyne City UMC with Sally Scott Memorial in the memo line. The mailing address is 324 S Park St, Boyne City MI 49712.

Family and Friends wishing to share a thought or memory are encouraged to do so online at www.stonefuneralhomeinc.com

nephew, Steven Frank Koutz.

Cremation has already taken place and a celebration of life will be announced at a later date.

Verl M. Wolgamott, 94

(SEPT. 9, 1927 - MARCH 19, 2022)

Verl Milan Wolgamott passed quietly into the arms of his Savior on March 19, 2022. Verl's wishes were to die in his home, and due to the loving care and dedication of his wife and son Bud, his wishes were granted.

Verl's life began on September 9, 1927, in Navarre, Ohio. He was born to Lawrence and Amy (Shonk) Wolgamott, the oldest of six children. When he was a young boy, his family moved to the Ellsworth area and he would grow up there on the family farm. In 1948, he enlisted with the US Air Force, and while working at Luke Airforce Base in Phoenix, AZ, he would meet his beautiful bride-to-be, Carolyn Kramer. Their blind date would ultimately lead to marriage and they wed on June 4, 1951. At the time of Verl's passing, they had been married for 70 precious years. They had a large family of eight children.

After his enlistment, the young couple purchased a one-bedroom log home in Central Lake, and it would become their life long residence. Verl was a wonderful provider for his family starting with converting their small cabin into a four-bedroom home, to accommodate his large family. He did all of the work himself, including hand digging the basement. He always had a beautiful garden which provided much of the family's food. His tomatoes and sweet corn were a summer delight. He also grew a

variety of fruits and was one of the first in the area to "graft" fruit trees, allowing him to harvest multiple varieties from a single tree. For a while he had several cows, chickens, was a beekeeper and tapped trees each spring. He hand-chopped all of the firewood to heat his home. This was his favorite hobby and he continued it into his nineties. He was a talented wood worker and made many fine furniture pieces for his home, and that of his children. He converted an old school bus into a camper and he and Carolyn took the family on summer vacations to Baja, Mexico, Washington DC and many points in between. He could fix most anything, seldom buying new parts. Instead, he'd scrounge around his shop and make do with what he had.

Verl retired from the Antrim County Road Commission after 31 years of dedicated service. A large part of his time was spent in the grader, and a road trip through Antrim County was always an opportunity for him to point out the different projects he had worked on. He took great pride in his work.

Verl was a man of immense faith and a humble servant. He was a life-long member of Belltower Reformed Church where he served as both deacon and elder. For a time, he was their handyman and initiated the church participating in the Adopt-A-Road Program. He was well loved and respected in his faith community. He donated blood for many years and was a volunteer with Meals on Wheels. He assembled boxes by the hundreds, for the Operation Christmas Child Program, which serves underprivileged children around the world.

Verl is survived by his wife Carolyn, children Verlyn (Dave) Gank, Kathy London, Bud (Deb) Wolgamott, Lisa (Bob) Wilsie, Karen (Phil) Schaub, Dianna DeYoung and Kevin (Cindy Graham) Wolgamott, 17 grandchildren, 23 great grandchildren (with 2 more on the way), 1 great-great grandchild, brothers Gordon, Bub (Wanda), Don (Pat), brother-in-law Bob Loper and many nieces and nephews. He was pre-deceased by his parents, in-laws, brother John, sister-in-law Shirley

Warner, sister Nancy Loper, brother-in-law Bill Kramer, son Milan and grandson Joseph Schaub.

The family would like to thank the absolutely fantastic hospice team that cared for Verl before his passing, especially Jennifer, Jenny, Sara and Mark. You were truly Verl's earthly angels!

Visitation will be on Friday, March 25, 2022 from 6-8 p.m. at the Central Lake Chapel of Mortensen Funeral Homes.

Funeral Services will be on Saturday, March 26, at 11:00 at the Belltower Reformed Church in Ellsworth. There will also be visitation from 10:00 a.m. until the time of services at church.

Military honors will be performed at the end of services in the church.

Burial will be at a later date when weather permits in the Atwood Cemetery.

Memorial donations can be made to Belltower Reformed Church or Moms and Tots of Ellsworth.

Luke 23:43 - And he said to him, "Truly, I say to you, today you will be with me in Paradise."

Arrangements have been handled by the Central Lake Chapel of Mortensen Funeral Homes. Please sign his online guestbook www.mortensenfuneral-homes.com.

Peace on Earth

From 2017 through 2019, Northern Community Mediation (NCM) placed two peace banners in the Charlevoix and Emmet County libraries on a rotating basis during the holidays. Because of COVID, the peace banners were not distributed in 2020 and 2021.

During a recent staff meeting, the staff was discussing the horror of the situation in Ukraine. A light bulb went on in the head of Case Manager Karen Cole. Why not make use of the peace banners now? With the exception of one caveat, it took only minutes for Case Manager Laura Buckingham and Executive Director Jane Millar to make the decision to go forward with the idea. Rotating the two banners among the libraries, however, did not make sense. Therefore, it was decided that NCM would bite the bullet and pay to have four more banners made so that the message of peace could be displayed at six of the local libraries con-

tinuously.

Within half-an-hour, the Marketing Committee headed by Jenny Brower and Lisa Hoyt were in complete support of the idea, and within an hour the four additional banners were ordered and available for pick-up the next day. When contacted, all six library directors were pleased to be able to display the banners. And, within two days, all six banners were in the six libraries: Boyne City, Charlevoix, East Jordan, Harbor Springs, Pellston and Petoskey.

NCM asks that you take the time to go to your library, look at the peace banner and reflect upon what is happening in our world, specifically Ukraine.

the cooperative's IT depart-

ment, Shaun's role has grown over time into manager, director of information technology, and vice president. Shaun also serves as CEO of Truestream, the fiber internet subsidiary of Great Lakes Energy.

"Bill Scott and I have worked together for the past twenty years, and I would like to thank him on behalf of our Board of Directors, our employees, and myself for his contributions to GLE. We have seen tremendous growth under his leadership, and he will be greatly missed," Lamp said. "These are exciting times ahead of us, and I am honored, humbled, and thrilled to continue on this journey."

Lamp attended Lake Super-

rior State University, where he earned a Bachelor of Computer Science. He later obtained a Master in Business Administration from Central Michigan University and completed the Robert I. Kabat Management Internship Program provided by the National Rural Electric Cooperative Association. He currently serves as a board member for the Petoskey Regional Chamber of Commerce, as well as Networks Northwest. Shaun is also a member of the Top O' Michigan Officials Association through which he officiates local high school basketball games.

St. Michael High School Announces an All-New Board of Directors

PETOSKEY – March 15, 2022 – St. Michael High School (SMHS), Northern Michigan's only Classical Catholic high school, today announced the appointment of an all-new Board of Directors. The new Board members are:

- Mrs. Julie Wieman, President – Owner and COO of MacGregor Plumbing & Heating of Harbor Springs;
- Mr. Josh Mercer, Vice-President – Editor of The Loop, a CatholicVote newsletter with 200,000 subscribers;
- Mr. Doug Buday, Secretary – local entrepreneur with prior Board experience at St. Michael;
- Mr. Bret Keefe, Treasurer – Private Banker with Fifth Third Bank, Petoskey branch;
- Mrs. Kendall Hayes – Business Manager, St. Mary Parish of Charlevoix, and;
- Mr. Bryan Nolan – local licensed civil engineer.

The new Board members are talented professionals, each with decades of experience and long-term ties to the Little Traverse Bay region and its Catholic community. Commenting on the appointment, SMHS Board President Julie Wieman stated, "We are excited to lead and serve St. Michael and its families as we continue forward as a fully-integrated member of the Chesterton Schools Network. We remain committed to a culture of excellence, professionalism, and transparency as we've consistently demonstrated through our management of the school during the transition period of the last nine months."

Please visit... <https://chestertonschool-network.org> to learn more about the Chesterton Schools Network.

Covid-19 Vaccines Available to Homebound Residents

The Health Department and EMS services in Charlevoix County have begun offering Covid-19 vaccinations to the homebound population in Charlevoix County. This service is intended only for individuals unable to travel to an established vaccine location—the Office of Emergency Management schedules appointments for home visits. The Johnson & Johnson single-dose vaccination shots will be given during these visits. Please note that EMS paramedics will not show up at your residence in an ambulance but another fully equipped vehicle. Paramedics will be prepared to provide medical service immediately in the rare event of an adverse reaction to the shot. They would dispatch an ambulance only if one is needed for transporting a patient to the hospital. Persons who are homebound or otherwise unable to travel but want a vaccine are encouraged to contact Emergency Management at 231-541-4461 (Sheriff's Dept Office Line) to schedule an appointment.

6 tips to have a safe, healthy spring break

Starting next week or later in April, you may embark on travel as many of our area schools dismiss for Spring Break. Enjoy, if you have some fun adventures planned! These top tips can help you have a safe and healthier spring break:

1. Stay up to date with your COVID-19 vaccines, as well as all routine vaccines. The Health Department of Northwest Michigan offers convenient COVID-19 vaccination clinics across its four-county region of Antrim, Charlevoix, Emmet and Otsego counties.
2. Check the travel requirements

and recommendations for your destination. View CDC's website for health risks or requirements at your destination. As a reminder, masks are required to be worn in many public places while traveling.

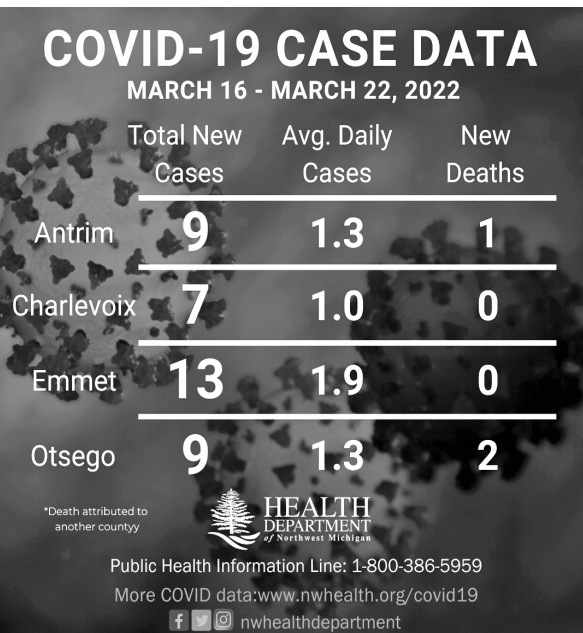

3. Visit your healthcare provider. They can help you get destination-specific vaccines, medicines, and information.
4. Plan for unexpected issues. Doing so can help you get quality health care or avoid being stranded at a destination if you become hurt or ill.
5. Protect yourself during travel.

Take COVID-19 precautions. Practice road safety. Wear sunscreen. Avoid bug bites by using insect repellent. Ensure contaminated food or drinks don't make you become ill.

6. Do not travel if you are sick, tested positive for COVID-19, are waiting for results of a COVID-19 test, or had close contact with a person with COVID-19 and are recommended to quarantine. Learn more about when to avoid travel. The Health Department of Northwest Michigan has testing clinics with quick turnaround results so there is no interruption to your travel plans.

No symptoms or doctor's order is necessary. All ages are welcome, and no appointment is needed, although pre-registration via this link or by calling 1-800-432-4121, will save time at the testing location.

"We want everyone to enjoy their well-deserved time off from school or work – whether you're traveling or taking a stay-at-home vacation," said Dr. Josh Meyerson, Medical Director of the Health Department of Northwest Michigan. "So, enjoy...but do so safely and stay healthy," he added.

When to Wear a Well-Fitting Mask

Please be respectful of others' choices.

MDHHS recommends mask use in the following settings:

- Stay Home:** During Isolation and Quarantine. Those with COVID-19 infection and their contacts should wear a mask when around others.
- Buildings:** When you are in a congregate setting. Long term care, health care or correctional facility.
- Masks Required:** When you are in an area with a local or federal mask policy. Counties, schools, businesses or other settings may have mask policies.

You might also consider masking in these settings:

- If you, or those around you, are at high risk for infection or severe disease.
 - Immunocompromised or have other medical conditions that increase risk.
 - Unvaccinated.
- If you feel the risk of exposure is high.
 - Crowded indoor settings; a potential for unvaccinated individuals.
- If you simply feel more comfortable wearing a mask.

This graphic from the Michigan Department of Health and Human Services indicates when you may want to wear a mask.

Governor Whitmer Announces Michiganders to Receive Additional Assistance in March to Lower the Cost of Groceries

LANSING, Mich. – Governor Gretchen Whitmer today announced all Michigan families who are eligible for food assistance benefits will receive at least an additional \$95 monthly payment in March to help lower the cost of groceries and ensure Michiganders can keep more of their hard-earned money. The additional assistance will help approximately 1.31 million Michiganders in more than 700,000 households.

"Michiganders will receive additional assistance to put food on the table in March as we continue growing our economy," said Governor Gretchen Whitmer. "This relief ensures that families can thrive and help us build on our economic momentum. We will continue collaborating with our federal partners to get things done by lowering out-of-pocket food costs and put money in people's pockets with our proposals to roll back the retirement tax, triple the Earned Income Tax Credit, and lower the cost of gas."

In April 2020, some Michigan residents began receiving additional food assistance under this program. In May 2021, all eligible households began getting extra monthly benefits. Federal approval is necessary every month. Eligible clients will see addi-

tional food assistance benefits on their Bridge Card from March 19-28. These benefits will be loaded onto Bridge Cards as a separate payment from the assistance that is provided earlier in the month.

All households eligible for the Supplemental Nutrition Assistance Program (SNAP) receive an increase of at least \$95 monthly, even if they are already receiving the maximum payment or are close to that amount. Households that received over \$95 to bring them to the maximum payment for their group size will continue to receive that larger amount.

Below are the maximum allowable benefits for SNAP customers based on their respective household size:

- One Person: \$250
- Two Persons: \$459
- Three Persons: \$658
- Four Persons: \$835
- Five Persons: \$992
- Six Persons: \$1,190
- Seven Persons: \$1,316
- Eight Persons: \$1,504

The federal government is providing additional funding to states for food assistance under House Resolution 6201, the Families First

Coronavirus Response Act.

Eligible families do not need to re-apply to receive the additional benefits. People who receive food assistance can check their benefits balance on their Michigan Bridge Card by going online to www.michigan.gov/MIB-ridges or calling a consumer service representative toll-free at 888-678-8914. They can ask questions about the additional benefits by calling or emailing their case-worker.

Customer service is available 24 hours a day, seven days a week. Spanish and Arabic service is available. If you are deaf, deaf-blind, or hard of hearing or speech-impaired, call the Michigan Relay Center at 7-1-1.

More for MI Money Plan Governor Gretchen Whitmer outlined her priorities to save Michigan drivers, seniors, and working families money. The More for MI Money Plan builds on proposals announced by the governor during her 2022 State of the State address to eliminate the retirement tax on seniors and triple the tax credit for working families and temporarily pausing the state sales tax on gas.

Retirement Tax Repeal: Governor Whitmer is proposing a repeal of the retirement tax, which

would save half a million households an average of \$1,000 a year. By the end of 2024, Governor Whitmer's proposal would again exempt public pensions and restore deductions for private retirement income, including private-sector pensions, withdrawals from individual retirement accounts (IRAs), and the portion of a 401k account that is subject to an employer match. Read more here.

Tax Credit for Working Families: Michiganders who work hard every day to provide for their families deserve a break and a bigger tax refund. Governor Whitmer is calling on the state legislature to restore the Michigan state Earned Income Tax Credit to its original amount and deliver an average tax refund of nearly \$3,000 to over 730,000 working people. Read more here.

Lowering Cost of Gas: Governor Whitmer is proposing a temporary pause on the state sales tax on gas that would lower the price at the pump and put money back in Michiganders' pockets. Governor Whitmer has also called on Congressional leadership to pass the Gas Prices Relief Act to suspend the federal gas tax.

DAVE Says

(Stronger and in good financial shape)

Dear Dave,
My husband and I are getting a divorce, and everything will be final in less than a month. I haven't worked outside the home

Starla

Dear Starla,

in a few years, but according to the terms of the divorce I'll receive \$75,000 in cash on the day the divorce is finalized. I also have about \$5,000 in debt on a credit card I am responsible for paying. Other than that, I have no debt. Can you give me some advice for moving forward in my life?

I'm truly sorry to hear you're going through this. If you're not already connected to a good church, I hope you'll consider finding one. Having caring people of faith around you in times like this can help a lot.

The credit card debt is a small part of your financial picture right now. Still, my advice is to go ahead and pay it off as soon as you receive the settlement money. That way, you'll be completely debt-free and still have \$70,000 in the bank. There's a little bit of a catch, though. You'll need to live for a while like that money isn't there. Use just enough to get yourself settled somewhere else, if that's a consideration, and then start looking for a job so you can eat and pay the utilities. There are tons of places hiring right now, and the money's decent, so it shouldn't be too hard to start generating a regular income soon.

If you'll do this, that big chunk of cash will still be sitting there a year from now when the pain of the divorce has lessened a bit. At

that point, you'll be stronger and more emotionally and mentally ready to think about the future and make real plans.

And if you haven't already, cut up that credit card and close the account. The last thing you need right now is an avenue to more debt. God bless you, Starla.

— Dave

SNO CROSS

COLLEGE SIGNINGS

Hauger earns third career win

BY: DOM SANTINA

The Amsoil Championship Snocross series would make one of their final two stops for the 2022 season. The series would make their way to Lake Geneva, Wisconsin for rounds 13 and 14 of the Amsoil Championship Snocross series. Boyne City's Inanna Hauger, who is in the middle of a championship battle and having the best season of her career would look to continue her success in the last two weekends of the season.

Hauger would get off to a good start on Friday night, when she would win her first heat race. In round two, Hauger would not have as great of a round of qualifying, as she would take third in her heat race, behind Taven Woodie and Tausha Lange.

That would set up the final, where once again the top three in points would get to the front once again. The track at Lake Geneva was held on a ski resort, so the track would go up and down multiple hills.

Hauger would gain the early advantage and jump out to the lead for the opening couple laps. However, points leader Malene Cottew would be more willing to push the limits on the down hill and would eventually be able to get

around Hauger. After falling back to second Hauger would feel the pressure from Woodie for the second position. Woodie would try and get passed Hauger with some aggressive riding, but in the end Hauger would hold on. It would be another podium for Hauger on the season.

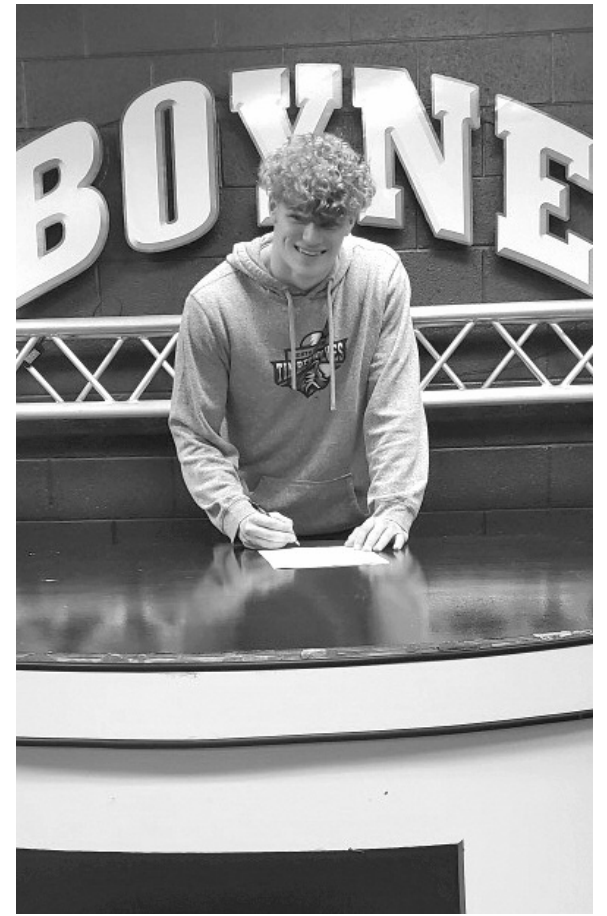

On Saturday, Hauger would be paired up with her title combatant Cottew in both of her heat races. She would ultimately end up finishing second in both of her rounds of qualifying. Which would give her a good pick for the starting

line for the main event.

In the main event, Hauger and Cottew would resume their battle from the night before. As they would fight each other for the race lead. Hauger would push Cottew to the top of the corner and as Cottew tried to charge out of the corner, her sled got tipped over and allowed Hauger to run away and hide up front. Cottew would end up charging back for second, but would not be able to come anywhere close to Hauger. As Hauger would pick up her third win this season and of her career.

As the series heads into Grand Rapids for the final two races of the season on Friday, March 25 and Saturday, March 26. Hauger sits 33 points out of first place and 45 points up on second place. She would need some help in order to bring home the championship, but will be looking to add a couple more wins to her total in front of her family and friends at her home track.

You can catch all Snocross racing action live on Flosports or re-aired on CBS Sports.

At their regular meeting held on March 21, 2022 the Norwood Board of Trustees passed an Amendment of the Short-term Rental Licensing Ordinance.

NORWOOD TOWNSHIP Amendment of the Short-term Rental Licensing Ordinance Ordinance No. 2 of 2022

AN ORDINANCE TO AMEND THE NORWOOD TOWNSHIP SHORT-TERM RENTAL LICENSING ORDINANCE

NORWOOD TOWNSHIP HEREBY ORDAINS:

Section 1. Amendment of Section 3.

Section 3 of the Norwood Township Short-term Rental Licensing Ordinance is hereby amended to add the following definitions in their appropriate alphabetical locations, which new definitions shall read in their entirety as follows:

“Cap” means the limit on the number of short-term rental licenses that may be issued by the Township each year, as established by resolution of the Township Board beginning on or before the first Township Board meeting in April 2023, and on or before the first Township Board meeting in April in subsequent years.

Recreational Unit: Means a tent or vehicular-type structure, primarily designed as temporary living quarters for recreational, camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle which is self-powered. A tent means a collapsible shelter of canvas or other fabric stretched and sustained by poles and used for camping outdoors. Recreational unit includes the following:

1. A travel trailer, which is a vehicular portable structure, mounted on wheels, of such a size or weight as not to require special highway movement permits when drawn by a vehicle, primarily designed and constructed to provide temporary living quarters for recreational, camping, or travel use.
2. A camping trailer, which is a vehicular portable structure mounted on wheels and constructed with collapsible partial sidewalls of fabric, plastic, or other pliable material which fold for towing by another vehicle and unfold at the campsite to provide temporary living quarters for recreational, camping, or travel use.
3. A motor home, which is a vehicular structure built on a self-propelled motor vehicle chassis, primarily designed to provide temporary living quarters for recreational, camping, or travel use.
4. A truck camper, which is a portable structure designed to be loaded onto, or affixed to, the bed or chassis of a truck, constructed to provide temporary living quarters for recreational, camping, or travel use. Truck campers are of 2 basic types:
5. A single sectional mobile home used only to provide temporary living quarters for recreational, camping, or travel use. Recreational unit does not include a mobile home used as a permanent dwelling, residence, or living quarters.

Section 2. Amendment of Section 3.

The definition of “Short-term rental” within Section 3 of the Norwood Township Short-term Rental Licensing Ordinance is hereby amended to read in its entirety as follows:

“Short-term Rental” means a dwelling unit, or portions thereof, that is available for use or is used for accommodations or lodging of guests, paying a fee or other compensation, for a period of less than 30 days at a time. A recreational unit may not be used as a short-term rental.

Section 3. Amendment to add new Sections.

The Norwood Township Short-term Rental Licensing Ordinance is hereby amended to add new Sections 4a and 4b, which new sections shall read in their entirety as follows:

Section 4a. Limitation on Number of Short-term Rentals.

The cap on the number of short-term rentals allowed within Norwood Township shall be no more than as established by the Township Board annually – currently fifteen (15).

Section 4b. Time for Filing Application.

Due to the limited number of short-term rentals permitted under this Ordinance, when a short-term rental license(s) becomes available and the Township desires to accept applications for the short-term rental license(s), the Zoning Administrator shall publish a notice in a newspaper of general circulation within the Township specifying a 45-day period during which the Township will accept applications for a short-term rental license(s) under this Ordinance.

Section 4. Amendment of Section 5(d).

Section 5(d) of the Norwood Township Short-term Rental Licensing Ordinance is hereby amended to read in its entirety as follows:

- (d) Complete application. The Zoning Administrator shall within ten (10) business days after an application is filed review the application and information submitted to

determine if all required information was supplied and if the required fee has been paid (i.e., whether the application is administratively complete). The Zoning Administrator shall note the date and time each application is determined to be administratively complete. Each application that is administratively complete shall be valid for one (1) year from the date the Zoning Administrator determines it is administratively complete. If the Zoning Administrator determines that all required information was not supplied, he or she shall send written notification to the applicant specifying the deficiencies. If the deficiencies are not corrected within fourteen (14) days of the notice from the Zoning Administrator, then the application shall be deemed administratively incomplete and shall be deemed withdrawn and/or may be denied by the Zoning Administrator on that basis.

Section 5. Amendment to add new section.

The Norwood Township Short-term Rental Licensing Ordinance is hereby amended to add a new Sections 5a, which new section shall read in its entirety as follows:

Section 5a. Excess of Administratively Complete Applications; Procedures; Waiting List.

(a) If the Zoning Administrator determines that there administratively complete applications in excess of the short-term rental cap, then the Zoning Administrator shall prioritize the applications based on the following (in the order of priority):

- (1) Whether the applicant; any officer, director, and managerial employee of the applicant; and any person who holds any direct or indirect ownership interest in the applicant has ever been delinquent in township or other municipal property taxes, state or federal income taxes, or any state or federal business taxes.
 - (2) The chronological order of when the Zoning Administrator determines that a filed application was administratively complete.
- (b) After being prioritized as provided in subsection (a) above, those applications remaining there are in excess of the short-term rental cap shall be placed on a waiting list in the same order as their priority status. If at the time an applicant on the waiting list is eligible to proceed with consideration of his, her, or its application and chooses not to proceed, then that application shall be removed from the waiting list.

(c) The Zoning Administrator shall send a copy of his or her written decision to each excess applicant. Any excess applicant aggrieved by a decision of the Zoning Administrator under this section may appeal that decision to the Township Board as provided in Section 8a of this Ordinance.

(d) Any applicant selected under this section shall then have his, her, or its applicant considered pursuant to the remaining requirements of this Ordinance.

Section 6. Amendment of Section 6.

Section 6 of the Norwood Township Short-term Rental Licensing Ordinance is hereby amended to add new subsections (g), (h), (i), and (j) which new subsections shall read in their entirety as follows:

(g) No delinquent taxes. The applicant shall be current in all property taxes, state and federal income taxes, and state and federal business taxes.

(h) Minimum rental period. Any short-term rental shall be for a minimum period of no less than five (5) days.

(i) Ownership Limitation. A person applying for a short-term rental license under this Ordinance shall not hold any form of ownership or leasehold interest in more than one (1) short-term rental within the township. In addition, a person applying for a short-term rental license under this Ordinance, including an individual and any entity included in the definition of a person, shall not hold any form of ownership interest in any other firm, corporation, association, partnership, limited liability company, or other legal entity when that other firm, corporation, association, partnership, limited liability company, or other legal entity already owns any form of ownership or leasehold interest in a short-term rental within the township.

(j) Unauthorized advertisements. No person shall advertise a short-term rental for which a short-term rental license has not been issued under this Ordinance.

Section 7. Amendment to add new section.

The Norwood Township Short-term Rental Licensing Ordinance is hereby amended to add a new Sections 6a, which new section shall read in its entirety as follows:

Section 6a. Duration of License; Renewal.

A license issued under this ordinance shall remain in effect for a period of one (1) year from the date it was issued.

The license holder or local agent may request the renewal of a license upon submitting an application for such renewal to the Zoning Administrator and the payment of the renewal fee, as determined from time to time by the Township Board.

All information submitted with the prior application(s) shall be deemed submitted with the application for renewal. The license holder or local agent shall only be required to submit new information with the application for renewal when that application information has changed since the last application was filed.

A renewal license for a short-term rental shall be issued when all of the standards and regulations then in effect in Section 6 of this Ordinance are met and the Zoning Administrator has determined that there has not been a pattern of substantial violations of the standards and regulations of Section 6 of this Ordinance related to the short-term rental for which a renewed license is sought within the past one (1) year license period.

A current licensee aggrieved by a decision of the Zoning Administrator under this section may appeal that decision to the Township Board as provided in Section 8a of this Ordinance.

Section 8. Amendment of Section 8.

Section 8 of the Norwood Township Short-term Rental Licensing Ordinance is hereby amended to add new subsections (f) and (g), which new subsections shall read in their entirety as follows:

(f) Existing contracts. Existing short-term rental contracts up to 60 days beyond the beginning date of any suspension/revocation may be honored by the license holder with approval by the Township Board. Those existing contracts beyond 60 days shall be canceled. The time period approved to honor existing contracts shall be added to the end of any suspension period.

(g) Fraudulent complaints. Any person who knowingly files a fraudulent, false, or fictitious complaint about a short-term rental shall be deemed to be in violation of this Ordinance and may be subject to court enforcement proceedings and the penalties under Section 9(a) of this Ordinance.

Section 9. Amendment to add new section.

The Norwood Township Short-term Rental Licensing Ordinance is hereby amended to add a new Sections 8a, which new section shall read in its entirety as follows:

Section 8a. Appeal.

Any person aggrieved by a decision of the Zoning Administrator under Section 5a(d) or Section 6a(e) of this Ordinance may appeal that decision to the Township Board following the procedures of the Norwood Township Zoning Ordinance, as amended, for appeals to the Zoning Board of Appeals. Any such appeal shall be filed within thirty (30) days from the date of the decision from which the appeal is taken. During the appeal, the Township Board shall conduct a de novo hearing of the matter and to that end shall have all the powers of the Zoning Administrator. In rendering its decision, the Township Board shall receive and consider evidence and data relevant to the case and shall issue its decision in writing within a reasonable period of time after receiving all evidence and data in the case. The decision of the Township Board shall then be sent promptly to the applicant, to the person who filed the appeal (if different than the applicant), and to the Zoning Administrator.

Section 10. Severability.

If any section, clause, or provision of this ordinance be declared unconstitutional or otherwise invalid by a court of competent jurisdiction, said declaration shall not affect the remainder of the ordinance. The Township Board hereby declares that it would have passed this ordinance and each part, section, subsection, phrase, sentence and clause irrespective of the fact that any one or more parts, sections, subsections, phrases, sentences or clauses be declared invalid.

Section 11. Effective date.

This Ordinance shall become effective the day following its publication in a newspaper of general circulation within the Township.

**Making your Home
more Energy Efficient**

Below are a few tips on making your home more energy-efficient:

Proper insulation on the attic and walls make it more energy-efficient. Proper insulation slows down the heat that flows out of your home in winter or summer, thus less energy is needed to cool or heat your home. Foam insulation materials, cellulose and fiberglass reduce the heat conducted on the wall system when they are properly installed.

Use energy-efficient models to replace your leaky and old windows to boost the efficiency of your windows. Consider putting up storm windows or weather stripping. You will be able to save from 7 to 24 percent of your air-conditioning and heating costs when you replace old windows.

Planting shrubs and shade trees help you save more energy. The trees could block the heat of the sun in summer and the bare branches of the trees allow heat radiation to your home during winter.

Use more energy-efficient bulbs like the compact fluorescent lights instead of your old incandescent light bulbs. While compact lights are more expensive, they last much longer and provide great savings because they less use energy.

If the furnace you have was built before 1992, it is likely to waste about 35 percent of fuel and most probably at the end of its service. Replace your old furnace with a new highly

effective system such as the condensing furnace. It provides up to ninety percent yearly efficiency. This type of furnace wastes not more than 10 percent of natural gas and lets you save 27 percent on your heating costs.

Turn your hot water system to the warm setting to improve efficiency. Insulate the hot water lines so they will not cool off easily. Use low-flow showers in your baths.

It would be preferable to schedule an energy audit on your home so you can get expert advice from energy auditors and raters. They use special tools and skills to evaluate your home and recommend the most cost-effective measure to enhance the efficiency and comfort of your home.

Release trapped air by bleeding radiators. Shut down heating and loosen the bleed valve located at the top of the radiator carefully. Do not forget to use rags in catching drips.

Double glazing helps in cutting heat less on your windows by half. The costs of double-glazing vary but you can enjoy great savings on your utility costs every year.

A more energy-efficient home means you can get big savings on your utility bills and is a good way to do your share in protecting the environment and preserve nature. Remember that the lesser carbon footprint your home leaves, the better it will be for everyone.

REAL ESTATE FEATURE

**WONDERFUL HOME ON FIVE ACRES NEAR
BOYNE CITY AND WALLOON LAKE**

BY JIM AKANS

Perched atop a gorgeous five-acre parcel, this wonderful home is in a great location near Boyne City, Walloon Lake and Petoskey.

This three bedroom, two bath home has approximately 1,456 square feet of exquisitely appointed and designed space. Interior highlights include an open kitchen, dining and living room plan, with cathedral ceilings, wood flooring and a beautiful wood

burning fireplace in the living room. The en-suite master bedroom features an oversize walk-in closet and a large soaker tub, and the two additional bedrooms are located at the opposite end of the home and share a common full bath.

The spacious yard has terrific panoramic views, includes two large storage containers for additional storage needs and there are fire pits in front and in back of the home. The location is near snowmobile trails, and

is to the shopping, dining and entertainment options offered in Boyne City, Walloon Lake and Petoskey. This is truly a northern Michigan paradise.

This wonderful ranch style home on five acres is located at 2755 Old State just north of Boyne City, and it is listed at \$204,900. For more information or to arrange a home

tour, call Marty Moody, Associate Broker or Christopher Christensen, Associate Broker, at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email at Marty@lyndasrealestateservice.com or Chris@lyndasrealestateservice.com.

LOCALLY OWNED, LOCALLY OPERATED LOCAL NEWS, LOCAL SPORTS

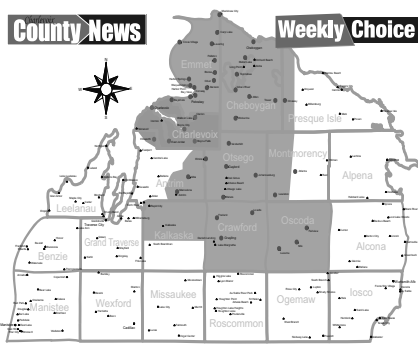

The Weekly Choice and Charlevoix County News are locally owned newspapers

We are independently owned newspapers based in Gaylord, Michigan

Dave Baragrey and the staff of news writers, sports writers, photographers, graphic designers, delivery people and sales people all live and work here and care about our local communities we serve.

We hear from readers every week how much they appreciate all the local coverage. We appreciate all the positive response from both readers and advertisers to our newspapers that we hear so frequently.

So many newspapers in the area have dropped 30% and as much as 50% in circulation over the past year. Our newspaper distribution has remained steady and in many towns has grown in circulation.

We of course REALLY appreciate the advertisers. That is our primary source of revenue that allows us to publish our popular newspapers every week covering all over Northern Michigan.

If you are an advertiser that has become disappointed with the results of your

newspaper advertising that is costing you way too much while reaching way fewer readers, you should try our newspapers. You will likely pay less money for far more circulation and reach readers in a much larger area.

The Weekly Choice is distributed free every Thursday at almost 600 locations around Northern Michigan.

The Charlevoix County News is distributed every Thursday in Boyne City, Boyne Falls, Charlevoix, East Jordan and Ellsworth to subscribers and on newsstands and wherever newspapers are sold. Cost is still just 75 cents (not \$1.25 or \$2.00).

If you want to reach more consumers with your advertising and pay less money for advertising, give Dave Baragrey a call or email. You can even stop into our office (we still have our office open).

COVID-19 Home Testing FAQs

1. Pickup will be a drive-thru format. Please remain in your vehicle and allow a volunteer to come to you.
2. Please only take 2 test kits per family member per week.
3. At Home Testing Info - Before you begin the test, it's important to first read and closely follow the detailed user instructions included in the package.

If you test **POSITIVE** with the QuickVue At-Home COVID-19 Test you should self-isolate and seek follow-up care with your healthcare provider as additional testing may be necessary.
