BOYNE CITY – Opportunity knocks! Here is your chance to pick up this one acre parcel with a 24 x 32 pole building with electric. There is a well and septic in working condition on the property. There was a mobile home that was on the property and removed last year, and you are allowed by the township to put a mobile back on the property as long as it is 980 sq. ft. or less. If you wanted to just have the property without a home put back on it you would need a variance from Melrose Township. Buy your piece of paradise! **\$59,900.**

Looze sentenced for malicious destruction at Veteran's Memorial

BY TINA SUNDELIUS AND DAVE BARAGREY

Boyne City - Boyne City resident Elizabeth Looze had her day in court Thursday, February 17 in front of Judge Angela J Lasher. Looze pled guilty to malicious destruction of property less than \$200, a second charge of larceny was dropped.

She was sentenced on March 24, 2022 to: fines-fees of \$725.00, 8 months probation, 80 hours of community service, writing a "paper" on proper Flag etiquette to the court & a written apology to the Boyne Area Veterans Memorial committee for her actions. Both of which going to the court for its approval and forwarded if/when approval is reached. And an 8 month delayed sentencing.

Looze found herself facing criminal charges for the first time, after, in a moment

of passion, she removed the Bennington Flag from the Boyne City Veterans Memorial. "I was not there to take the flag. It was an emotional frustrated action. I took it because no one was listening to me. I thought, a private citizen put this up, I'm a private citizen," said Looze. Once she realized the potential implications of

what she had done she left the memorial leaving the POW flag which had flown under the Bennington, on the ground. Shortly later she folded the Bennington flag, packaged it and mailed it to City Hall.

Prior to that emotional day Looze had approached the city administration, had a meeting with the memo-

rial committee and even spoke at a city commission meeting about her interpretation of the Bennington flying in place of the typical stars and stripes. "For me, this was an act of protest against a symbol that they raised in place of the American flag," she said. Looze was prepared with a great deal of research on the origins of the Bennington flag including having made contact with the national flag

foundation in Pittsburg PA. The flag was not present at the Battle of Bennington but created in celebration of the battle probably in 1876. She is a patriot at heart and because she believed the flag was being flown as a right wing protest against the present government, took offense. "I did not remove an American flag, I re-

OBITUARIES

Frederick C Brosfoske, 74

(APRIL 18, 1947 - APRIL 16, 2022)

Frederick Charles Brosfoske (Fred) of Charlevoix passed away on April 16, 2022. Although his battle with dementia in recent years was difficult, it could not take away his strength of spirit or love for his family.

Fred was born on April 18, 1947 to Edward and Hazel (Angevine) Brosfoske. He was a carpenter by trade and worked for over 40 years for Harbor Industries in Charlevoix. He loved being outdoors and enjoyed fishing, hunting, camping, and being in the woods. He could fix almost anything and enjoyed working on cars and anything mechanical, spending much of his time tinkering. He was always reading, usually a good western, and enjoyed a good puzzle as well. He taught all his children and grandchildren how to be creative, solve problems, have a good time, and make a good mess (much to his wife's dismay).

Fred married the love of his life, Mattie Stoneburner, on August 30, 1965. They celebrated their 50th anniversary in 2015 before Mattie's death in 2016.

Fred is survived by his four children, Rhonda (Phill) Skeel, Kimberley Brosfoske, Sandra (Tim) Cole, and Frederick W (Starr) Brosfoske; four grandchildren, Jessica (Jake) Jensen, Dyllan Skop, Jason Brosfoske, and Madison Brosfoske; three great-grandchildren, Kelsey Seymour, Hayden Gardner, and Kaitlyn Jensen; two sisters, Jeannette Inch, and Carol (Richard) Chase; and many nieces and nephews.

He is preceded in death by his beloved wife, Mattie, his parents, and a sister, Sue Brokenshire.

Fred developed a special relationship with the staff and residents in Glacier Hill House at Meadow Brook Medical Care Facility in Bellaire over the past 3 years. He formed a new, nonbiological family who will be missed.

A memorial service celebrating Fred's life will be held on Friday, April 22nd at 11am at Stone Funeral Home in Petoskey, where the family will receive friends from 10am until the time of service. Burial will be in Greenwood Cemetery. The family will also host a gathering following the service at 9332 Harris St in Ellsworth.

In lieu of flowers, please consider a small donation in Fred's memory, made payable to Meadow Brook

Medical Care Facility. Please send donations c/o Rhonda Skeel, PO Box 131, Ellsworth, MI 49729.

Andrew Kipapa, Jr., 76

(MARCH 18, 1946 - APRIL 14, 2022)

Andrew Kapuakela Kipapa Jr of East Jordan passed away peacefully on April 14th 2022. He was the husband of 15 years to Catherine Kipapa.

Born March 8th 1946 in Honolulu Hawaii, to Andrew & Elizabeth Kipapa. Andrew is survived by children Kailani, Kaleimomi, Kuuipo, Kapuakela, 6 grandchildren and 4 great grandchildren. He was preceded in death by first wife Lois Jo Kipapa, parents, brothers and sisters.

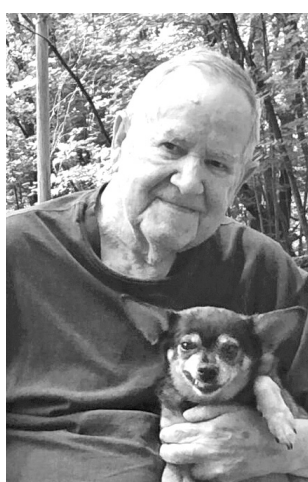

Andrew was employed as a bus driver for many years within the Boyne community and enjoyed early morning scripture reading. He shall be remembered for his effortless ability to brighten up any room with his infectious smile and positivity.

His celebration of life will be held 1:00 PM on April 20th, 2022 at the St. Matthews Church in Boyne City. Following the service will be a luncheon at the Boyne City Eagles Hall.

Memorial donations may be made to Cathy Kipapa.

Gordon A Stanley, 85

(JAN. 1, 1937 - APRIL 8, 2022)

Gordon A. Stanley of Mancelona passed away peacefully in his sleep on April 8, 2022 at Eden Center Long Term Care Facility in Kalkaska.

Gordon was born on January 1, 1937 at home in Boyne City to Wallace and Hazel Weeks. At about age five, he was adopted by his aunt and uncle, Keith and Violet Stanley, in Boyne City, and grew up there until he was inducted into the U.S. Army in 1958.

He married Nelda Kindy from Boyne City in 1958 and together raised 5 children. He was divorced in 1990 after 32 years of marriage.

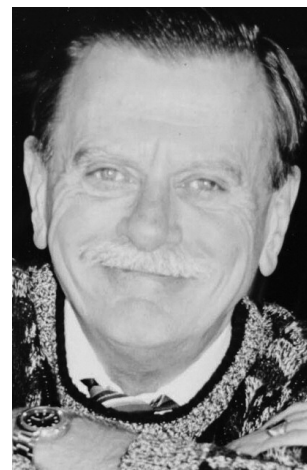

He was preceded in death by his son, Russell Wallace Stanley; both sets (birth and adopted) parents; brothers Edward "Bud" Weeks, Bob Weeks, Orvel Weeks, Bill Weeks, and Gerald Green; sisters Mildred Weeks Nessen, Esther Weeks Sehr, Maxine Weeks TenHopen, Eleanor Weeks Tudor, and Phyllis Stanley Bradley.

Gordon is survived by his former wife and friend, Nelda; three sons Gordon E. Stanley, David K. Stanley, and Mark A. Stanley; daughter Kim E. (Bill) Davis; a brother, Joseph Dressler; and several grandchildren and great-grandchildren.

Funeral services for Gordon will be at 1:00 p.m., Thursday, April 21, 2022 at Stackus Funeral Home in Boyne City with a gathering of family and friends being held from 12:00 noon until the time of service. Interment will be at Maple Lawn Cemetery in Boyne City.

Theodore W. Schinkath, 84

(JAN. 12, 1938 - APRIL 12, 2022)

Theodore Walter Schinkath of Boyne City passed away peacefully in Petoskey on Tuesday, April 12, 2022.

Ted was born in Detroit, on January 12, 1938, to Walter Schinkath and Marie (Behlhorn) Schinkath.

On August 29, 1997, Ted married his wife, Molly, and together they made their home in Boyne City, Michigan.

Ted is survived by his loving wife, Molly Schinkath of Boyne City; his three daughters, Lisa (John) Murphy, Deborah (Thomas) Pavlak, and Amy Gillespie; as well as his three stepchildren, Kimberly (Jim) Brooks, Brenda (Harley) Vaughn and Kenn (Jenny) Young.

Ted was fortunate enough to have 12 grandchildren and six great grandchildren.

Ted was preceded in death by his parents, Walter and Marie; his daughter, Pam Schinkath; uncle, Harold Schinkath; aunt, Gertrude Schinkath; and good friends, Kenneth and Sherry Willson to whom he adored.

Ted spent much of his life working sales for Brown Motors in Petoskey. Ted enjoyed camping, spending time with his family and friends, casino trips and he especially loved trips to the Upper Peninsula of Michigan.

The family has chosen to have a private memorial to honor and celebrate Ted's life.

Dennis R. Christensen, 78

(MARCH 1, 1944 - APRIL 8, 2022)

Dennis R. Christensen, born March 1, 1944 in Petoskey passed away on April 8, 2022 following a long illness in Petoskey. A lifelong Boyne City resident, Denny was preceded in death by his father Henry E. Christensen and his mother Dorothy (Vought) Christensen as well as his brother Robert Christensen and sister Lelah Louise Giem. He is survived by his wife, children, grandchildren, brothers Ted, Bill, Tom, Mark, and many other members of his extended family.

Following his military service in the U.S. Navy, Denny married his beloved wife Betty Meadows on August 23, 1969 and raised two sons, Michael (Jennifer) Christensen and Nikolas (Nikki) Christensen, in Boyne City. He enjoyed the time he was able to spend with his family and with his grandchildren Mathew, Kyra, and Kenna.

An avid hunter and fisherman, Denny could often be found casting a line near the mouth of the Boyne River when the walleye were biting. (He was slightly more difficult to find during deer season due to the camouflage.) At times, Betty could tell when the fishing was good... by the number of walleye swimming in the bathtub when she woke up in the morning.

As a great music lover, Denny enjoyed singing and playing the guitar. In years past, he could often be found singing The Rose or In the Ghetto at karaoke nights. He loved playing his guitar and instilled a love of music in both of his sons. Nothing quite tickled him last Christmas like the toy guitar purchased for his granddaughter (3) as she danced and "played" for the family.

Golfing and riding his motorcycle were two of Denny's favorite summer pastimes. He greatly enjoyed the times he was able to share them with friends and family.

Denny often reminisced about his last conversation with his father during which they were playing cards. Denny told his father that he had to leave, but would beat him when he came back. They were unable to play that next game. We can only presume that they've finally been able to pick up where they left off.

Denny will be remembered fondly by his friends and family. Per Denny's request, no funeral arrangements are being made.

Easter Fun and Games

Grand prize winners of bicycles in the East Jordan Lion's Club Easter Fun and Games event are Stella Barrow and Oliver Bayless. More than 100 kids took part in the activities on Saturday, April 16th at the Elementary School.

The East Jordan Lions had 14 games set up and gave away prizes and candy. The Easter bunny showed up too! The Lions would like to also thank our volunteers, Levi and Drew Heise, Granger Kitson, Mason Malpass and Katie Black.

COVID-19 VACCINES AVAILABLE TO HOMEBOUND RESIDENTS

The Health Department and EMS services in Charlevoix County have begun offering Covid-19 vaccinations to the homebound population in Charlevoix County. This service is intended only for individuals unable to travel to an established vaccine location—the Office of Emergency Management schedules appointments for home visits. The Johnson & Johnson single-dose vaccination shots will be given during these visits. Please note that EMS paramedics will not show up at your residence in an ambulance but another fully equipped vehicle. Paramedics will be prepared to provide medical service immediately in the rare event of an adverse reaction to the shot. They would dispatch an ambulance only if one is needed for transporting a patient to the hospital. Persons who are homebound or otherwise unable to travel but want a vaccine are encouraged to contact Emergency Management at 231-541-4461 (Sheriff's Dept Office Line) to schedule an appointment.

Grants for Environment, Land Use, and Recreation Awarded

The Community Foundation, through its first grant cycle of 2022, responded to requests from nonprofit partners in the areas of environment, land use, and recreation. Thanks to donors who look to the Community Foundation to make a difference close to home, a total of \$142,725 in grants have been awarded to nonprofits who will work on protecting the Lake Charlevoix shoreline and watershed, introducing composting to school age kids, addressing invasive species, improving recreation opportunities and more.

Two organizations will work on protecting or restoring the Lake Charlevoix Watershed. The Conservation Resource Alliance is embarking on the construction phase of their three-year plan to

upgrade river crossings on the Jordan River and Deer Creek. They will be replacing three crossings that currently have culverts with single span timber bridges that allow both the river and wildlife to flow more naturally. Lake Charlevoix Association will be teaming up with Tip of the Mitt Watershed Council and Land Information Access Association to work with communities surrounding Lake Charlevoix on visioning for the future and reviewing zoning that will protect the Lake Charlevoix shoreline.

Other organizations will help to address and manage invasive species. The Charlevoix Antrim Kalkaska Emmet (CAKE) Cooperative Invasive Species Management Area (CISMA) will re-

lease Galerucella beetles to feed upon the invasive purple loosestrife at the mouth of the Jordan River in East Jordan and at a site on Six Mile Lake. Walloon Lake Association and Conservancy will install a solar-powered boat washing station at the Sumner Road boat launch on Walloon Lake, to help people wash their boats to prevent the spread of aquatic invasive species in the area.

The East Jordan Public Schools, Åo Shoe Club will move forward with its ,ÅuSeed to Salad,Åu project to increase the growing season and improve the school garden. In addition to renovating a greenhouse and adding a hoop house to the garden, the schools will also now implement a composting program at all levels, teach-

ing kids that all food has value, and helping the garden to grow. At Raven Hill Discovery Center, kids of all ages will learn more about solar energy, with the new Solar SMART exhibit that will be installed this summer with grant funds. On Beaver Island, Tara,Åos Meadow will continue working on energy sustainability initiatives, too.

Recreation will also get a boost in Charlevoix County, with Little Traverse Conservancy,Åos new equipment that will help to keep trails maintained, Charlevoix Township,Åos new screening that will go up around the tennis and pickleball courts, and Wilson Township,Åos new basketball hoop and half court, to be installed this summer.

For a complete list of grants, visit c3f.org. A portion of the grant funds were produced by a fund that is being invested in a socially responsible way. By investing these dollars in environment, social, and governance investments (ESG), the fund will continue to grow, while also supporting and being supported by income from socially responsible companies.

A charitable organization dedicated to improving and enriching life in the area, the Charlevoix County Community Foundation accepts gifts from individuals, families, businesses and civic groups and manages them as permanent endowments. While a portion of the funds are utilized to support grantmaking, the principal of the

endowment continues to grow, providing ongoing charitable capital to benefit Charlevoix County,Åos residents,Åinow and in the future.

The next grant cycle is called Community Priorities. Applications are now being accepted. This cycle will focus on requests from eligible nonprofit partners for county-wide projects, arts and culture, and health needs, and the organizations that make this work possible. In 2022, requests for general support are being accepted in all grant cycles. Applications are due by Sunday, May 1, 2022. The Community Foundation welcomes inquiries about applying for grants anytime at acousens@c3f.org.

Leadership Is About Our Relationships

BY JOHN KEYSER

While business is complicated, and managing our time is challenging, I do believe that leadership is basic; it's common sense; it's about our earning the respect of our people and continuing to earn relationships founded on trust.

Early in my career in New York City, I attended a Dale Carnegie training program and found it very helpful. The two fellows who taught our program were amazing. I was totally taken by their quiet confidence, poise and ability to communicate.

Here I am many years later, now a leadership consultant and coach. I am an ardent believer in reading leadership books like Carnegie's enduring classic, *How to Win Friends and Influence People*, which was published in 1937 and still holds true!

Like most people, I love the theory that simple is good. That's exactly what *How to Win Friends* is, the basics of

JOHN KEYSER

leadership, and it makes so much sense. In fact, I fervently believe it makes even more sense today than when it was written 85 years ago. I'll mention below some of the "golden rules" that are Mr. Carnegie's principles. These were keys to success then, always have been, and just think how vital they are

now in our crazy busy world when so many, unfortunately most, senior managers are nearly constantly in meetings, on their computers, conference calls, in conversation in the C-suites, and maybe now traveling again. What would I like to see? As people return to working in their company's offices, I'd

like leaders to be intentional about having conversations with their internal clients – the people in their company – doing the work of their company – all the people, not just with other senior executives. And I encourage leaders to check in with those working remotely, and not just by email or text. Pick up the phone. Conversations are way more important and effective than emails.

To be very successful consistently, year after year, leaders must make conversations a top priority. Quality conversations that treat each person as a teammate and show a genuine interest in them and their well-being.

Conversations are the work of a leader, and Leadership is one conversation at a time.

Think about these golden rules offered by Dale Carnegie (and these are just some examples). By embodying these, we'll cultivate enthusiastic organizational cultural and a winning team. Don't criticize or complain. Give honest, sincere appreciation.

Be genuinely interested in other people.

Remember and call people by their name.

Be an attentive and interested listener.

Encourage others to talk about themselves, and do a great deal of the talking.

Help others feel important, and do it sincerely.

Show respect for another person's opinions.

Begin in a friendly way.

Use encouragement.

Let people think the ideas are theirs.

Try to understand what others think and their reasoning.

To me, these are the ABCs of leadership, the fundamentals. If we abide by these principles, with sincerity, be-

cause we genuinely care about our people and are not self-absorbed, those on our team will very likely look up to us and be motivated to do their very best work, going the extra mile when needed. Happy employees do better work!

We must bear in mind the importance of asking open-ended questions, asking people for their ideas, opinions, input, and feedback. We'll learn a lot, gain great ideas, and our people will feel appreciated. This is very much of a success factor as the best ideas are bottom up ideas!

There is also the very effective approach of leadership by questioning. For example, when someone asks what action we should take, ask that person what she recommends and why. Leadership by questioning helps our people learn and grow. And isn't that our responsibility as a boss, as a leader?

Recently, while reading a paper, I highlighted a manager likes to talk, a leader likes to listen, and a manager thinks first about numbers, while a leader thinks first about people.

I hope these golden rules ring true to you, as they do for me, even more so many years after Carnegie's debut in my life.

John and his wife, Kerry, live in Charlevoix now, was a senior executive in the corporate world in NYC, DC and Chicago, then founded Common Sense Leadership, a leadership coaching and consulting practice, have been helping senior people in the business, academic and religious worlds improve leadership, their own and their team's. John is a graduate of Georgetown's Institute for Transformational Leadership and Life Purpose Institute.

SENTENCING FROM PG. 1

moved a piece of propaganda," she said.

Ron Crozier, Dean Kleinschroder and Skip Hall are three of a twelve member committee that are caretakers of Veteran's Park. These men are also patriots. "The memorial is a memorial, so is the Bennington flag," said Hall with tear filled eyes. "It was flown for those who fought in the war of 1776." The memorial committee was offended by comments made at the meeting with Looze. "They said it was a political movement for us to put up that flag," said an exasperated Kleinschroder. "The memorial is for all veterans, from all wars. She felt it didn't represent her brother (who died in service)," said Crozier. After hearing Looze's complaints the committee took the Bennington that had flown in the most prominent place on the poles since late April down for Memorial Day Services because they did not want to cause hard feelings but returned it shortly thereafter. "It's very clear that her intentions were to disrespect the 1770's flag," said Crozier.

The Veterans were also angered by Looze's comments at a commission meeting in early June that the flag represented white supremacy. "It's not the Bennington flag used by those groups that's the Betsy Ross flag," said Crozier. Also, the flag left on the ground was very egregious to them. "We did the same research, he (Hall) interpreted it incorrectly," said Looze. Two other veterans, non-committee members, attended the court hearing in support of the committee.

Messages From A Successful Woman Business Owner

BY JOHN KENYON

Dr. Kristen McClure owns **Ricks McClure Chiropractic** in Charlevoix, a beautiful town in Northern Michigan. Dr. Kristen focuses on one of the most powerful areas of the spine, the upper cervical spine—the upper neck. This area of the body is unique, as it is one of the most movable and dynamic joints of the body. Misalignments in this area of the spine can cause changes in body balance and function.

As background, her dad, Jeffrey Ricks, was a highly regarded chiropractor in Charlevoix, and Dr. Kristen began in business in the interior design field, and knowing her, I am sure she was superb at it. However, she became more and more convinced that her dad's chiropractic practice was making a very positive difference in the lives of a great many in the community, and by nature she is a caring per-

Dr. Kristen McClure

son and eager to help others with their well-being. So, she followed her heart and off she went to chiropractic school to study and earn her degree. In time, she took over her dad's practice.

Dr. Kristen has the benefit of having a good sense of her capabilities, thanks to her parents, who guided each of their children to pursue their dreams with appropriate preparation.

As a wife, mother of three young children, and having her own and very successful medical practice, work/life balance is a huge challenge for Dr. Kristen. She, like other business owners, men and women, lead very full and intentional days. She drops her children off at school, sees patients and studies their X-rays and files and is not home till 7:30, then dinner and family time with the children and her husband, and being the perfectionist that she is, then comes her continuous learning, studying patients files and the latest developments in her field. Fortunately, as an early morning runner, she listens to relevant podcasts on ear phones during her runs.

I asked Dr. Kristen what she believes has enabled her success. After thought, she shared:

She knows as a child of God, she can do anything. While she would like more time to read the bible and to

journal, she does pray throughout the day, often for and sometimes even with her patients.

She has received great inspiration from Nick Vojcic, who was born without arms and legs and has a wonderful life, e.g., he is a husband, a dad, offers motivation to a great many, is an author, golfer, and a swimmer. Dr. Kristen believes that if he can do it, there isn't anything I cannot do.

She is managing her schedule by setting boundaries, with the great help of Leslie, her assistant.

She recently engaged a business coach to help her develop systems as well as help her evaluate her values and areas of fulfillment in her life. Dr. Kristen is a people person, cares deeply about others, wishes she had more time beyond her family and medical practice for friends, and that is an intention of hers to address.

She is disciplined, e.g., never skips a meal, eats nu-

tritional food, exercises regularly, drinks lots of water.

Dr. Kristen does admit that getting adequate sleep is an ongoing challenge, yet to be mastered.

The principal message that Dr. Kristen would share with other women (and men!) is that we are children of God and that we can do anything. Follow our dreams. When we set our minds to it and have the discipline to do the right things, not to compromise our standards, they will likely come true.

I respect that Dr. Kristen sets high standards and expectations for herself and is disciplined in her family life and her practice, and she has exceptional self-awareness. And thankfully, she seems to always be smiling and joyful.

Thank you, Dr. Kristen, for being a role-model. Yours is a life well inspired and well led.

Arbor Day Foundation Names the City of Boyne City As a Tree City USA Community

The National Arbor Day Foundation, in cooperation with the Michigan Department of Natural Resources and the USDA Forest Service has announced that Boyne City has been awarded the designation of Tree City USA for the 18th straight year.

"We commend Boyne City's elected officials, volunteers and its citizens for providing vital care for its urban forest" said John Rosenow, chief executive and founder of the Arbor Day Foundation. "Trees provide numer-

ous environmental, economical and health benefits to millions of people each day, and we applaud communities that make planting and caring for trees a top priority"

In observance of Arbor Day, Boyne City's annual seedling giveaway will take place on Thursday, April 21st from 7:30 am to 4:30 pm in the lobby of city hall. This year the city will be giving away White Pine, Red Pine, Norway Spruce and Colorado Blue Spruce. We are asking that each individual limit their selection of trees

to a total of two bundles.

With continued efforts through Boyne City's Urban Forestry and street tree programs the city is currently taking names and address of city residents who would like to have a tree either planted, trimmed or removed from the city right – of – way at their property.

For additional information about any of the tree programs offered by the city, please contact Darcy Kotalik, Interim Public Works Director at (231) 582-0375.

Making your Home more Energy Efficient

Proper insulation on the attic and walls make it more energy-efficient. Proper insulation slows down the heat that flows out of your home in winter or summer, thus less energy is needed to cool or heat your home. Foam insulation materials, cellulose and fiberglass reduce the heat conducted on the wall system when they are properly installed.

Use energy-efficient models to replace your leaky and old windows to boost the efficiency of your windows. Consider putting up storm windows or weather stripping. You will be able to save from 7 to 24 percent of your air-conditioning and heating costs when you replace old windows.

Planting shrubs and shade trees help you save more energy. The trees could block the heat of the sun in summer and the bare branches of the trees allow heat radiation to your home during winter.

Use more energy-efficient bulbs like the compact fluorescent lights instead of your old incandescent light bulbs. While compact lights are more expensive, they last much longer and provide great savings because they less use energy.

If the furnace you have was built before 1992, it is likely to waste about 35 percent of fuel and most probably at the end of its service. Replace your old furnace with a new highly effective system such as the condensing furnace. It provides up to ninety per-

cent yearly efficiency. This type of furnace wastes not more than 10 percent of natural gas and lets you save 27 percent on your heating costs.

Turn your hot water system to the warm setting to improve efficiency. Insulate the hot water lines so they will not cool off easily. Use low-flow showers in your baths.

It would be preferable to schedule an energy audit on your home so you can get expert advice from energy auditors and raters. They use special tools and skills to evaluate your home and recommend the most cost-effective measure to enhance the efficiency and comfort of your home.

Release trapped air by bleeding radiators. Shut down heating and loosen the bleed valve located at the top of the radiator carefully. Do not forget to use rags in catching drips.

Double glazing helps in cutting heat loss on your windows by half. The costs of double-glazing vary but you can enjoy great savings on your utility costs every year.

A more energy-efficient home means you can get big savings on your utility bills and is a good way to do your share in protecting the environment and preserve nature. Remember that the lesser carbon footprint your home leaves, the better it will be for everyone.

Red Devils fall to Central Lake

The East Jordan Softball team would look to get their first couple of wins of the season against Central Lake on Thursday, April 14.

The Red Devils would have RevaSue Norton start in the circle once again. The Trojans would grab the 2-1 lead after the first inning. They would expand the lead in the second inning to 5-2. The Red Devils would end up trying to come back in the fourth inning adding two runs close the score by one run. As the teams would head to the fifth inning the Trojans would lead 7-5. The teams would trade runs in the fifth inning and the Trojans would take the win by a final of 8-6. Elliona Leaman would lead the way with a triple and a single. Rhyen Olson and Lindsey Cross would each have an RBI single.

The Red Devils would be looking for the split in game number two. Lillian Stone would get the start in the circle. Which would turn into a rough

first inning for Stone. She would end up allowing four runs in the first inning. The Red Devils would be able to add a run to make it 4-1 after the second inning. The teams would keep each other scoreless until the fifth inning. The Red Devils would only be able to add one run, while the Trojans would add another 2 runs and secure a 6-2 victory. Stone would end up allowing 2 walks and 7 hits in her start in the circle. Norton would have an RBI single, while Olsen would have a triple and a single on the game.

“The weather conditions were super tough on both teams. Central Lake was more aggressive at the plate, which proved to be the difference,” said Head Coach Meg Kitson.

The two losses move the Red Devils to 0-3-1 on the early season. They will be back in action on Tuesday, April 19 against Traverse City West.

Boop has strong start in net for Rayders

BY: DOM SANTINA

The Charlevoix Rayders Girls Soccer team would look to continue winning and give themselves a winning record for the first time this season.

The Rayders would take on Buckley on Wednesday, April 13. The Rayders would get on the scoreboard just under 7 minutes into the game when Camryn Turkelson would get on the board with an assist from Anna Kate Smith. That is where the score would sit as the teams would head into half-time.

In the second half, the Rayders would get their second goal of the game from Smith with a big pass coming from Clair Scholten. It would be just a few minutes later when Smith would have a shot stopped but would be deflected to Kylee Rice who found the back of the net. The three-goal lead would turn into four when Smith would finish off her hat trick with a goal in the second half. As Turkelson would pick up another assist on the goal. The Rayders would be led by Addison Boop in goal, earning her second shutout of the season.

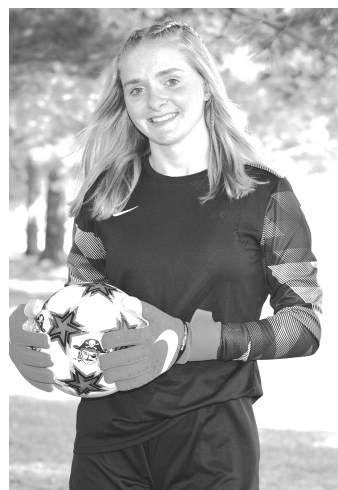

“I was pleased to see us play with more patience tonight. The girls did a great job passing the ball around and created a great deal of opportunities,” said Head Coach Peter Scholten.

The Rayders would move to 2-1 overall on the season while moving to 1-1 in the Lake Michigan Conference. The team will travel to play Traverse City St. Francis on Monday, April 18.

TRAVERSE CITY ST. FRANCIS

The Rayders would set up a battle on Monday, April 18 against Traverse City St. Francis. The game would remain scoreless in the first half of the game. Not much would change in the second half of the game either. As the game would end up in a complete draw. Boop would end up making 8 stops on the night and earn her third straight shutout.

The tie moves the Rayder’s record to 2-1-1 overall and 1-1-1 in conference. They will travel on Thursday, April 21 to play Boyne City

LOCALLY OWNED, LOCALLY OPERATED LOCAL NEWS, LOCAL SPORTS

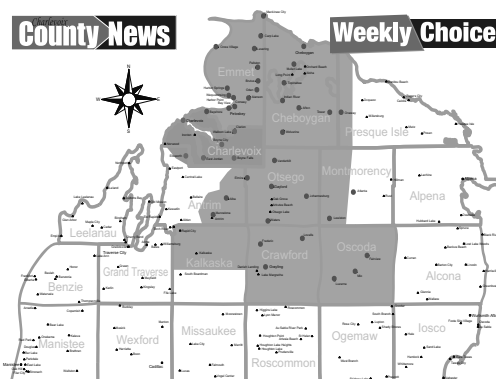

The Weekly Choice and Charlevoix County News are locally owned newspapers

We are independently owned newspapers based in Gaylord, Michigan

Dave Baragrey and the staff of news writers, sports writers, photographers, graphic designers, delivery people and sales people all live and work here and care about our local communities we serve.

We hear from readers every week how much they appreciate all the local coverage. We appreciate all the positive response from both readers and advertisers to our newspapers that we hear so frequently.

So many newspapers in the area have dropped 30% and as much as 50% in circulation over the past year. Our newspaper distribution has remained steady and in many towns has grown in circulation.

We of course REALLY appreciate the advertisers. That is our primary source of revenue that allows us to publish our popular newspapers every week covering all over Northern Michigan.

If you are an advertiser that has become disappointed with the results of your

newspaper advertising that is costing you way too much while reaching way fewer readers, you should try our newspapers. You will likely pay less money for far more circulation and reach readers in a much larger area.

The Weekly Choice is distributed free every Thursday at almost 600 locations around Northern Michigan.

The Charlevoix County News is distributed every Thursday in Boyne City, Boyne Falls, Charlevoix, East Jordan and Ellsworth to subscribers and on newsstands and wherever newspapers are sold. Cost is still just 75 cents (not \$1.25 or \$2.00).

If you want to reach more consumers with your advertising and pay less money for advertising, give Dave Baragrey a call or email. You can even stop into our office (we still have our office open).

COLLEGE SIGNINGS

Jacob Bush, a senior at Boyne City High School, has signed to play Baseball and Wrestle at Cornerstone University next year.

SOFTBALL

Lancers struggle against Elk Rapids

The Ellsworth Softball team would get their season started against Elk Rapids on Wednesday, April 13.

In-game number one, Avery Strange would get the start in the circle. The Lancers would struggle to get the offense going against the Elks pitching. This would prove to be a problem, as Strange and Jasmin Adams would have two hits each to lead the way. Olivia Strange, Jackie Gibson, Molly Muladore and Lexie Mont-

gomery would have hit as well. This would not be enough though, as the Elks would end up taking game number one by a final score of 7-2.

The second game of the doubleheader would not be much different for the Lancers. As Avery Strange would get the start pitching. While Maddie Zipp, Gibson and Anabell Bartman would have a hit each. As with game number one, the offense would not stand up to the

Elks. The Lancers would end up falling to the Elks by a final score of 9-2.

"It was our first time outside period and the girls were a little nervous. We did not play to our expectations, but I expect that will show itself soon. When it does it will be fun to watch.

We haven't been able to cover much of anything defensively or base running-wise. We just cannot get outside due to the weather," said Head Coach Andy Mont-

gomery.

The Lancers will see their season hit full swing, as they travel to Onaway on Monday, April 18. Then they will host Glen Lake on Wednesday, April 20. The Lancers will then travel to Pellston on Thursday, April 21 and will wrap up the week on Saturday with a tournament in Charlevoix.

SOCCER

Ramblers stay undefeated in Lake Michigan Conference, Fall to TC West

By: Dom Santina

TC ST. FRANCIS

The Boyne City Girls Soccer team would look to continue a strong start to their conference play against Traverse City St. Francis on Wednesday, April 13.

The Ramblers got their offense going early, as Elly Day would score 9 minutes into the game, with an assist coming from Hailey Rykse. The Ramblers would be able to double the score just 24 minutes in when Day would get her second goal. This

time the assist would be given to Braydin Noble. The Ramblers would allow a Gladiators goal with 9 minutes remaining in the first half. Which would have them hold a 2-1 lead heading into halftime.

The score would remain the same through the second half. As the Ramblers would be able to hold the Gladiators at bay and secure a 2-1 victory. Mya Profahl would get the win in net, by stopping 3 shots.

The win would move the Ramblers to 3-1 overall on the season and to 3-0 in the Lake Michigan Conference.

The team would play Traverse City West on Thursday, April 14.

TRAVERSE CITY WEST

The Ramblers would look for another solid test to start the season. The Titans would have a strong close to the first half. As they would pile in 3 goals to hold a 3-0 lead at halftime.

The Titans would continue to hold the momentum in the first five minutes of the second half. As they would add 2 more goals to take a 5-0 lead. The Titans would end up adding 2 more

additional goals later in the second half to secure a 7-0 win.

The Ramblers would only be able to get 3 shots on goal. Pofahl would end up making 14 saves in the loss. The Ramblers would move to 3-2 overall on the season and 3-0 in the LMC. The team would be back in action on Wednesday, April 21 against Charlevoix. Then will have two games back to back on Monday, April 25 and Tuesday, April 26. As they will play Alpena and then Cheboygan.

BASEBALL

Red Devils power past Central Lake

BY: DOM SANTINA

After having a split with Inland Lakes earlier in the week. The East Jordan baseball team would compete against Central Lake on Thursday, April 14.

In the first game of the doubleheader, Dawson Carey would get the start on the mound. The offense would get going early for the Red Devils and would be very effective. As Tommy Reid would hit two home runs and would drive in four runs. Carey would help himself out as well, as he would add 3 doubles and 2 RBIs. The offense would continue as Ben Reid would have a triple and a single with 3 RBIs. Hayden Peck would add in 2 singles and 3 RBIs. The team would have a couple of others have some hits and a couple of RBIs as well. Carey would end up going 3 innings on the mound allowing 1 hit and 4 walks while striking out 8. The Red Devils would end up winning the game by a final of 17-2.

The second game of the doubleheader would

end up seeing almost the exact same thing. As Tommy Reid would get the start on the mound. The offense would continue to roll, as it did in the first game. Carter Sherman would lead the way with a double and single and drive in 3 RBIs. Peck and Ethan Antaya would each pick up a couple of RBIs. Reid would end up throwing 3 innings while allowing 2 hits, 1 unearned run on one walk and striking out 8. The Red Devils would pick up the victory by a final score of 16-1.

"It was a fun night of baseball despite the relentless freezing cold wind. Our bats definitely came to life and we really played well throughout the lineup. Both of Tommy's bombs were no-doubters and the rest of the team fed off the success of our 9-run first inning. I'm very pleased with tonight's outing," said Head Coach Tom Reid.

The Red Devils will be back in action on Wednesday, April 20.

Ramblers get roughed up by Clare Pioneers

BY: DOM SANTINA

The Boyne City baseball team opened up the season against Clare on Friday, April 15. The Ramblers would end up starting the season off with Aaron Bess starting on the mound.

The Pioneers would get on the board first as they would score 3 runs in the first inning. The Ramblers would end up getting three runs back in the second, but the Pioneers would add 2 more runs. The three runs in the second for the Ramblers would be their only runs in the game. The Pioneers would add 1 run in the third and 8 in the fourth. This would be more than enough to secure a 14-3 win over the Ramblers. Bess would end up pitching 3 innings, allowing 9 runs, only 3 would be earned. He would also allow 5 hits and strike out 7. On the offensive side of things, Mason Wilcox, Gavin Hewitt and Chas Stanek would all have hits.

In-game number two, the Ramblers would have Jewett start on the mound. The Ramblers would end up scoring 6 runs in the first inning. However, the Pioneers would end up adding 2 runs for themselves. The Ramblers would end up holding a 7-5 lead after the second inning. The third one would be rough for the Ramblers. As they would end up giving up 8 runs and losing the game by a final score of 17-7. Jewett would end up pitching 3 innings, allowing 8 hits for 6 earned runs, while striking out 5. The lone hit for the Ramblers would be by Hewitt.

The Ramblers would have a very rough first doubleheader of the season. Ramblers will be back in action on Thursday, April 21 against Gaylord. Then they will host the Boyne Invitational on Saturday, April 23. Next week they play state ranked Gaylord St. Mary on Monday, April 25.

Section 1. Title.

This Ordinance shall be known and cited as the Village of Boyne Falls Domestic Poultry Ordinance.

Section 2. Definitions.

As used in this Ordinance, "Domestic poultry" means domesticated chicken hens, ducks, geese, and turkey hens. Domestic poultry, however, shall not include chicken roosters or turkey cocks (a male turkey).

"Dwelling" means a single unit building, or portion thereof, providing complete independent living facilities for one (1) family for residential purposes, including permanent provisions for living, sleeping, heating, cooking, and sanitation.

"Family" means an individual, or two (2) or more persons related by blood, marriage, or adoption, together with not more than three (3) persons not so related, occupying a dwelling and living as a single nonprofit housekeeping unit with single culinary facilities, as distinguished from a group occupying a boarding house, lodging house, hotel, club, fraternity, or similar dwelling for group use.

"Owner" means a person holding any legal, equitable, option, or contract interest in land.

"Parcel" means an area of land, two or more contiguous areas of land, or two or more contiguous platted lots that are under single ownership and used or designated by the owner for treatment as one development site.

"Principal residence" means the main or primary dwelling in which the owner habitually sleeps, keeps his or her personal effects, and has a regular place of lodging.

"Totally enclosed structure" means a building with a roof, floor, and walls, or a building with closable doors around its perimeter, or a building otherwise capable of being sealed on all sides.

Section 3. License Required.

No person shall keep or confine domestic poultry within the Village without first obtaining a license from the Village pursuant to the requirements of this Ordinance.

Section 4. Application and Fee Requirements.

A person seeking a license under this Ordinance shall submit a complete application to the Village Clerk, or other official designated by the Village Council, and pay the required fee, which shall be determined from time to time by resolution of the Village Council. The application shall include proof of ownership of, or proof of a leasehold interest in, the property on which the domestic poultry will be kept or confined and all information reasonably necessary for the Village Clerk, or other official designated by the Village Council, to determine whether the standards for approval provided in Section 6 of this Ordinance have been met. If the applicant is a tenant, then the application shall include a written statement from the owner of the property approving the submission of the application.

Section 5. Issuance of License; Conditions; Annual Renewal.

A. After receiving the information required in Section 4 of

this Ordinance, the Village Clerk, or other official designated by the Village Council, shall within ten (10) days decide whether to issue the license for the domestic poultry. If the applicant fails to provide all the information required by Section 4, then the application shall be deemed incomplete and may be denied on that basis. The decision of the Village Clerk, or other official designated by the Village Council, to issue the license shall be made pursuant to the standards contained in Section 6 of this Ordinance. The decision of the Village Clerk, or other official designated by the Village Council, concerning whether to issue the license shall be in writing and shall include findings of fact, based on information presented by the applicant, on each standard for approval.

B. The Village Clerk, or other official designated by the Village Council, may impose reasonable conditions on a license issued under this Ordinance which are reasonably necessary to ensure continuing compliance with the standards for approval provided in Section 6 of this Ordinance.

C. Any license issued pursuant to this Ordinance shall be valid for a period of one (1) year and shall be renewable annually upon inspection of the property by the Village Clerk, or other official designated by the Village Council, to assure continued compliance with this the standards of approval in Section 6 of this Ordinance and the payment of the licence renewal fee, which shall be determined from time to time by resolution of the Village Council.

Section 6. Standards for Approval.

The Village Clerk, or other official designated by the Village Council, shall approve, or approve with conditions, an application for a domestic poultry license only upon a finding that the application complies with all of the following standards:

A No more than a total of four (4) domestic poultry will be kept or confined per parcel.

B The parcel on which the domestic poultry will be kept or confined is the principal residence of the owner of that parcel.

C The parcel on which the domestic poultry will be kept or confined has no more than one (1) dwelling located on that parcel. Domestic poultry shall not be kept or confined on a parcel on which two-family or multi-family dwellings are located.

D The domestic poultry will be kept or confined in a totally enclosed structure located in the rear yard of the parcel, with an optional covered fenced enclosure. In addition, the structure will be constructed and maintained to prevent the structure becoming a breeding ground, food source or habitation place for rats, mice, or other rodents.

E The feed and other items associated with the domestic poultry will be kept in a totally enclosed structure which shall be constructed and maintained to prevent the structure becoming a breeding ground, food source or habitation place for rats, mice, or other rodents.

F The structure in which the domestic poultry will be kept or confined, any optional covered fence enclosure,

and any structure in which the feed and other items associated with the domestic poultry will be kept are located on the parcel no less than twenty-five (25) feet from any dwelling on an adjacent parcel.

G No domestic poultry will be slaughtered on the parcel outdoors.

Section 7. Nuisance.

A violation of this Ordinance is hereby declared to be a public nuisance, a nuisance per se and is hereby further declared to be offensive to the public health, safety and welfare.

Section 8. Violations.

Any person who violates any provision of this Ordinance shall be responsible for a municipal civil infraction as defined in Public Act 12 of 1994, amending Public Act 236 of 1961, being Sections 600.101-600.9939 of Michigan Compiled Laws, and shall be subject to a fine of Five Hundred and 00/100 (\$500.00) Dollars. Each day this Ordinance is violated shall be considered a separate violation.

Section 9. Enforcement Officials.

The Charlevoix County Sheriff officers for the Village of Boyne Falls are hereby designated as the authorized officials to issue municipal civil infractions directing alleged violators of this Ordinance to appear in court.

Section 10. Civil Action.

In addition to enforcing this Ordinance through the use of a municipal civil infraction proceeding, the Village may initiate proceedings in the Circuit Court to abate or eliminate the nuisance per se or any other violation of this Ordinance.

Section 11. Repeal.

The Village of Boyne Falls Ordinance No. 60 is hereby repealed in its entirety.

Section 12. Severability.

If any section, provision or clause of this Ordinance or the application thereof to any person or circumstance shall be invalid, such invalidity shall not effect any remaining portion or application of this Ordinance which can be given effect without the invalid portion or application.

Section 13. Effective Date.

This Ordinance shall become effective twenty (20) days after its enactment.

Ordinance No.60 was adopted on the 12th day of April, 2022, by the Boyne Falls Village Council as follows:

Notice of Public Hearing

On Special Assessment Roll for Six Mile Lake Special Assessment District

Township of South Arm
Charlevoix County, Michigan

TO: REAL PROPERTY OWNERS AND ANY OTHER INTERESTED PERSONS WITHIN THE SIX MILE LAKE SPECIAL ASSESSMENT DISTRICT

PLEASE TAKE NOTE that the South Arm Township Board will hold a public hearing on **Wednesday, May 4, 2022, at 5:00 p.m. at the South Arm Township Hall**, located at 2811 M-66 S., East Jordan, Michigan. The purpose of this public hearing is to review the estimated costs and to redetermine the required special assessments for the eradication and/or control of aquatic weeds and plants within Six Mile Lake for the next succeeding year within the Six Mile Lake Special Assessment District. The special assessment district was previously established pursuant to law and affects all taxable real property in the Six Mile Lake Special Assessment District.

Take further notice that appearance and protest at this public hearing is required in order to appeal the amount of the special assessment to the State Tax Tribunal, if an appeal should be desired. A property owner or party in interest, or his or her agent, may appear in person at the hearing to protest the special assessment or may file his or her protest in writing delivered to the Township Clerk on or before the date and time of the public hearing as set forth above, in which case his or her personal appearance shall not be required. The property owner or any person having an interest in the property subject to the special assessment may file a written appeal of the special assessment with the State Tax Tribunal within thirty (30) days after confirmation of the special assessment roll, if that special assessment was protested at this hearing.
