Director's CORNER

October 1st is the beginning of our fiscal year and for those of you who come to any of the Charlevoix County Senior Centers or are on Beaver Island using our voucher system, you will need to complete a Nation Aging Program Information System (NAPIS) form to participate in our Nutritional Program.

Now, before you all start to ask, “Why do we need to fill out this form again?” The short answer is that it has ALWAYS been a requirement that begins October 1st each year. It is in place to help us obtain funding from both the Older American's Act and the Older Michiganian's Act. It is a requirement from the Area Agency on Aging for partial reimbursement of each meal cost. This form also helps to:

- Track how many meals and people are being served in each location.
- Better understand the needs and situations of the people we serve.
- Help evaluate the effectiveness of our services.
- Help our legislators set priority funding for the Older Americans

Act Programs.

As an agency, we also focus on if an individual answers yes to a specific question such as, “Does care recipient have tooth or mouth problems that make it hard to eat?” We can help with a referral to Dental Clinics North and even look at their current Medicare/Medicaid coverage to see if it could be tweaked to provide more dental coverage.

We are committed to protecting all information you disclose on the NAPIS Form and will not share your information with any other entity other than for its intended purpose. Of course, it is your right not to complete the NAPIS form, but by doing so you forfeit the \$3.00 donation per meal and will need to pay the \$8.00 charge.

Our Nutritional program is growing as our aging population in Charlevoix County is growing. Help us keep this good thing going and our costs low for everyone.
