M-TEC, UNIVERSITY CENTER

& You

WE ARE YOUR HOMETOWN COLLEGES.

- Our programs and partnerships have contributed to growth in this community. In 2000, 79% of people had a high school diploma or higher. In 2016, we have 91.5% of our citizens with a high school diploma or higher—20.5% with a bachelor's degree or higher. Even better, the median household income in the same time period has increased from \$26,356 to \$50,793.
- Kirtland offers 37 certificates, programs and transfer degrees designed to prepare students for success. We offer an impressive selection of online courses, plus degree programs students can complete entirely online!

- The University Center has established and nurtured partnerships with four-year universities across the state, provides community computer labs, free wi-fi, public meeting spaces and GED and professional testing services, along with learning opportunities for youth, adults and families year-round.
- As partners in Otsego County, the University Center and M-TEC never stop looking for ways to make achieving dreams more accessible.
- You might be surprised at what your hometown college and the University Center have available

for students! We partner with students so they can make the most out of their future and contribute to building a stronger community for each of us to live and thrive in.

- The University Center and the M-TEC in Gaylord has opened doors so students can build their futures and contribute to building better communities, stronger businesses and thriving industries.
- At the University Center and Kirtland M-TEC, we are committed to providing access to quality, affordable educational opportunities to improve the lives of the citizens we serve.

*Careers that create choices. We are building foundations for the future.
We are grateful for your partnership. Thank you for your wise investment in education.*

Be sure to vote (or get an absentee ballot) on **November 6, 2018**, for the new, **reduced** millage that will **replace** the two that are expiring.

In January of 2017, the Otsego County Board of Commissioners chose Kirtland Community College to be the management entity for the University Center, which could result in lower property taxes, and has already reduced operational expenses and produced cost savings. Thank you for supporting education.

FIGHT SONG

The logo for Gaylord High, featuring the word "GAYLORD" in a stylized, yellow, blocky font with a blue outline. Below the text is a blue and yellow devil mascot head with horns and a mischievous expression.

**Gaylord High
down the field,
never yield,
raise your shield.
March on to victory for Gaylord High
In maize and blue.
Gaylord High,
we're for you.
Here for you,
to cheer for you.
We have no fear for you,
for Gaylord High!**
