

No more libraries for EJ schools?

BY BARBARA CRUDEN
EAST JORDAN - The only thing we may be able to keep operating are the classrooms, and maybe not all of those, is the summation of school superintendent Tom Rossler.

The recent series of proposed cuts includes the entire library/media program for high school, middle, and elementary schools.

Rossler said the libraries would be closed on Friday, Oct. 16. The librarian's position was cut.

"That person will not be re-instated even if the millage passes," Rossler said.

The Nov. 3 millage vote was called following the beginning of the new school year when an enrollment drop of 80 was discovered. The drop meant a loss of close to \$139,000 in state aid as East Jordan operates on a state-aid formula.

Ten teaching positions were also projected to be cut along with band, high school art, and the library.

Rossler said an additional severe restriction in funding may also come with the state-wide property tax revision, but he said this won't be known before Nov. 1.

Thus favorable results of the millage

will save some of the essentials scheduled for limbo on Oct. 30, but the possible further loss of tens of thousands of dollars and the state's restriction on operating on a deficit put the school in such a stringent position, that, Rossler said, the library is a definite casualty.

Board president Mary Jason said she was deeply distressed by the loss of the library. She had been part of the work over a period of years to bring the school library system to a satisfactory level.

"The legislature is influenced by the Tisch thing," she said, referring to property tax revision. She added that

they were also in a position of low credibility because of state budget problems.

With seven out of 10 families in Michigan without children, the legislature appears to be willing to go for that majority vote in an election year, she said, by slashing away at education.

Talk of using our natural resources to build Michigan's economy, she said, ignores the fact that our best natural resource is our children.

Rossler said they would try to work

out ways of using the library. But as library specialist Sandy Spieles of Char-Em Intermediate District pointed out, pilferage, disorganization and lack of knowledgeable ordering would make a shambles of any library.

Spieles noted that one or two other schools in the Char-Em district are also considering library cuts.

Another concern at the last school board meeting was the bus service provided Jordan Valley Christian Academy. It was reported that the

academy lacks complete certification as a non-public school, because, mainly of not having submitted a state required form.

Rossler said the public school's attorney advised continuing bussing until the state superintendent of instruction makes the determination.

Meantime, Rossler said, the cost is no problem because the state pays for the service. If it were to be cancelled, that would not mean any more for the East Jordan public school budget.

Local unions join protest in Washington, D.C.

BY JIM BAUMANN
A number of Charlevoix County union members took part in the recent "Solidarity Day" demonstration in Washington, D.C.

All returned enthusiastic about the impression they had made as more than 250,000 people demonstrated against Reagan administration budget cuts.

"It was really something," said Jim Allport, who works at Bendix-Courter in Boyne City and serves as president of United Auto Workers Local 1403.

"We were standing in front of the Capitol building. Looking back to the Washington Monument, all you could see was people's heads. I think there were a lot more people than the quarter-million that they estimated in the media."

Phyllis Marchinkewicz, also a union official from Courter, said she was most impressed by the wide variety of people represented.

"There were factory workers, school teachers, ERA supporters, politicians

and lots of senior citizens. The senior citizens were really the ones that got me enthused, I guess," she said.

Mainly, they said, the demonstration was an opportunity for working people to speak out about how federal budget cuts will hurt them when they are already hard pressed by inflation and lack of jobs.

Allport and Marchinkewicz mentioned cuts in programs like school lunches, college aid, Medicaid, Social Security and OSHA as examples of how the Reagan budget cuts will hurt the middle class.

The difficult economic times have made the average worker bitter and distrustful of government and society in general, Allport said.

"People tell me how their backs are to the wall already. In most families, both the husband and wife have to work just to make ends meet."

Marchinkewicz added: "Most people can't even afford to buy a house any more."

The local union from Bendix-Courter sent 14 people to the Washington demonstration, while Local 1503 from Gulf & Western in East Jordan sent 10 people.

All went by car or bus, because they wanted to honor the strike by the air controllers union.

Attending the rally from Boyne City Local 1403 were, in addition to Allport and Marchinkewicz: Rexine Dutcher, Mickey Walker, Laura Genson, Marve Potter, Kathy Odway, Shirley Blecken, Sheryl Denny, Sheila Miner, Ruth Hartwick, Phyllis Rogers, Nancy Anderson and Randy Hardy.

Representing Local 1503 from Gulf and Western in East Jordan were Preston Laisure, Harry Rideout, Don Clark, DuWayne Dougherty, Ruth Vermillion, Lillian Wiser, Nellie McBee, Marilyn Williams, Ruth Crawford and Rose Fitch.

Allport said he talked to a number of demonstrators who vowed to return next year. "If we didn't get our message across this time, we'll come back next year, and we'll have twice as many people with us," he said.

School to get new gym floor

BOYNE CITY - Without a gym floor this fall the children in elementary school have had their "phys. ed." outdoors.

The school board at a special meeting Monday night voted to have a new floor put in by someone besides North Kent Wall and Floor Tile Company of Grand Rapids, which put in the floor when the school was built. It is the failure of this floor that has prevented use of the gym this fall.

At its last meeting the board approved sending letters to the architects, Wakely Associates; the flooring distributors, Don Brann Associates; the contractors, Elzinga-Volkers; the surety company; and North Kent.

The letters set a deadline—September 28—for correcting the problem. The responses varied. The one from North Kent was a proposal to put in another floor for \$500 off their price tag, plus their stipulation for collection from the school of about \$4,000 outstanding.

The school has withheld a portion of payment because of their dissatisfaction with the floor and two other items.

The total floor cost was about \$11,000. The board refused to consider paying for new flooring when the first one buckled and was torn up twice in a fruitless effort to correct the problem.

It is North Kent's contention that the floor job was spoiled by water seeping in possibly from below. Don Brann Associates, suppliers of the Tarkett flooring, also makes this claim.

The school's position is that they paid for satisfaction and didn't get it. The architect and contractor were thus also involved in responsibility.

On Monday night, Mike Montieth, the construction manager for the new school, told the board that the 10-day deadline letter put his company, Elzinga-Volker, on the defensive.

"We have represented you—been on your team—until now," he said. He warned that being put on the defensive would have them testifying against instead of for, should the case go to court.

Montieth asked that the board rescind the letter, reminding board members that for 16 months past the

guaranteed one year after completion he has worked to resolve the floor problem.

He also said he would be willing to continue to act as contractor-manager to line up bids from approved firms to get a vinyl-asbestos tile floor put on. He noted that the cafeteria had such a floor and although, three feet lower, was having no problems with water.

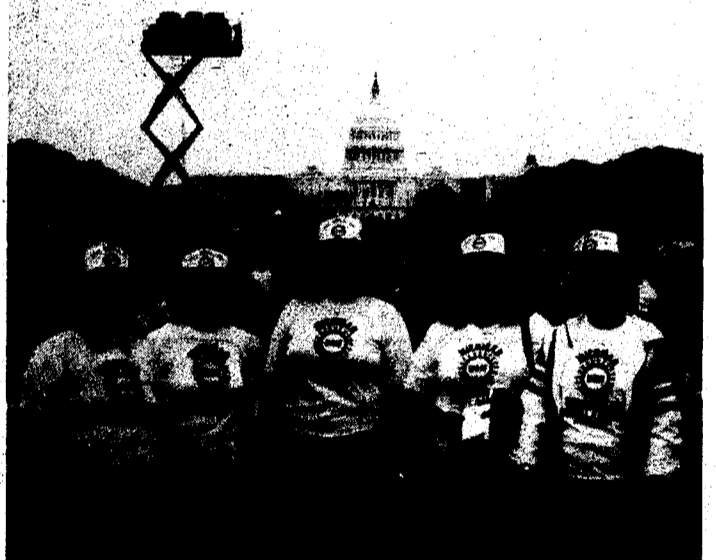

Montieth added that he thought a negotiator should be appointed to arrange for at least partial refund on the failed floor from the other parties. Montieth has collected no fees for his additional service.

The vinyl-asbestos tile floor will cost about \$5,000. The board approved Montieth's recommendations.

Another puzzling problem with the new school construction has been the accumulation of ice under one of the eaves. Pointing out its danger to children as well as to the building in the process of snow removal, the board asked renewed effort to correct whatever it is that causes the ice to form.

Thousands of demonstrators carried a variety of signs saying: "Jobs and justice," "Buy American, save jobs," "Unemployment isn't working," "Defend civil rights," and "Give controllers jobs back." [Photo by Nancy Anderson]

United Way drive starts next week in Boyne City

BOYNE CITY - Plans for the 1981 Boyne Area United Way drive set for Oct. 12 to 19 are underway, according to Tony Salmeto, chairman of this year's fundraiser.

A goal of \$16,200, the same as last year's goal, has been set by the organization's board of directors, Salmeto said. The kick-off breakfast will be held Monday, Oct. 12 at 10:30 a.m., at the Country Star Restaurant in Boyne City.

Salmeto, a loan officer at North-

western State Bank, was named drive chairman in June. He attended a Michigan United Way workshop in July.

Contributions through payroll deductions are encouraged, Salmeto said. More than \$1,500 has been given by Boyne City school district employees in the first weeks of school, he said.

Local organizations receiving funds from Boyne Area United Way include the Boyne City Swim School, Camp Daggett, the Boyne City Nursery Center, Charlevoix County Hospice and CHIP Foundation.

Recreation survey planned

Two county offices are working together to conduct a survey on recreation.

About 400 surveys will soon be mailed randomly to county residents.

The survey is the first step in updating the county's recreation plan, which is being done by the Charlevoix County Planning Department and the Youth Activities Program.

Mike Davis of the Youth Activities

Program said the survey is being conducted to find out what types of recreation and facilities are wanted by area residents. The two-page survey is accompanied by a stamped and addressed return envelope.

Sometime this winter, Davis said, public hearings will also be held to gather more input on recreational needs. Questionnaires will also be sent to local government officials for their input.

Boyne candidate slams city manager

BOYNE CITY - One more candidate has filed his petition to run for one of the three vacancies appearing this fall on the city commission.

Rudolph Florenski, a native of the city and graduate of Boyne City High School, is running because, he said, "I don't think the city manager is running the city right."

Among Florenski's objections were: the cost to the taxpayers for rebuilding the downtown block of Water Street, \$100 bonuses to some city employees but not to all, and bulk rate water/sewer meters permitted to condominiums.

He said of the water meters that a single household pays more for the same amount of water than someone

connected to a bulk rate meter would pay.

Another of Florenski's concerns was the investment of funds the city holds. He did, however, spend an hour with the city treasurer, Edith Beck, and verified that in spite of inflation's drain, the city funds have been making money.

Of the bonuses, he said a number of the employees feel that giving bonuses to only some of the city personnel is against their union contract.

Florenski emphasized these are reactions. He will go after the actual figures now that he has decided to be a candidate.

With City Manager Tim Clifton out of

town. The Press contacted another official at City Hall who verified the bonuses were awarded to workers on the Water Street job.

"They did more than the call of duty," was the way it was put. Their efforts resulted in putting the work a week ahead of schedule and possibly more.

In appreciation for the spirit and labor put in, Clifton awarded the bonuses.

Florenski, unmarried, is self-employed in construction/carpentry work and works part-time at the Boyne City Fochtman Motor Company. He served two years on the county board of commissioners.

Color tours are continuing on the newly-revived Boyne Valley Railroad. The scenic train rides begin in Boyne City at 11 a.m. and 1 and 3 p.m. on Saturdays and Sundays. You can also catch a ride in Boyne Falls at 12 and 2 p.m. The sale of the railroad to a new group of investors is still being negotiated and had not been finalized as of Monday. What's Happening

Fall is always a busy time around the mouth of the Boyne River in Boyne City, especially in the evenings. Salmon fishermen converge on the river in the early evening and many bring lanterns and stay late. Successful fishermen can even win money or fishing equipment if they catch a big one, as a local fishing shop is sponsoring a salmon contest. Details are on the sports page.

Beautician opens a salon

BOYNE CITY - Mary Lou's Beauty Salon, located on Tomkins Road, opened its doors on Sept. 28. The shop is just off Pleasant Valley Road. Owner-manager Mary Lou Richards said she owned a shop previously in Royal Oak.

Richards, who belongs to the National Hairdressing Cosmetology Association, is a stylist, doing both men's and women's hair.

Actually, she said, she was born into the profession. "It's been in the family," she explained.

Born in California, Richards was licensed there, and also here in Michigan.

She and her husband Richard Richards live with their three dogs next door to the shop.

Earn 17.14% Interest TAX FREE

With a Northwestern State Bank All Savers Certificate
\$500 minimum deposit - one year maturity

If you and your spouse are wage earners with significant taxable income, you should consider signing up for the new tax-free All Savers Certificate that will be available at Northwestern State Bank on October 1, 1981. When your income, plus interest earnings, places you in a higher taxable income bracket, you may find you'll receive a greater REAL return on your investments by reducing the amount of tax you must pay.

The All Savers Certificate helps you to have more in spendable income as versus taxable income (check the tax table below for your income bracket).

****ALL SAVERS CERTIFICATE AVAILABLE OCTOBER 1, 1981 AT ALL OFFICES OF NORTHWESTERN-STATE BANK.**

****You'll receive the highest rate allowed by law.**

****The interest earned is tax-free up to the first \$2,000 of interest earned by married couples filing joint returns and \$1,000 for individuals. (The "tax-free interest" is a one-time total lifetime exclusion of interest income regardless of the number of certificates purchased or the number of years in which exclusions are taken. Any interest earned above the \$1,000 or the \$2,000 limit is fully taxable.)**

****The term is for one year and the minimum deposit is \$500. Rate at which**

you open the account is set for the term of the account.

****There is a substantial interest penalty and loss of tax exemption for early withdrawal.**

****Deposits are insured to \$100,000 by Federal Deposit Insurance Corporation.**

Should you have a 26-week Money Market Certificate which has the same, or higher rate of interest coming due before the October 1st date, here is what you do.

Beginning October 1, savers may convert 26-week Money Market Certificates to the new tax-exempt All Savers Certificates in mid-term without paying an interest penalty for early withdrawal. This means you can renew a 26-week Money Market Certificate that comes due prior to October 1st and then convert your funds to an All Savers Certificate on October 1 without facing an interest penalty.

So, if it makes sense to make a move to tax-free interest—it makes sense to be on the move with Northwestern State Bank's All Savers Certificate. Call or visit us today for more details.

Boyne woman to lead Cancer Society

Lynda Christensen of Boyne City has been elected president of the Charlevoix County unit of the American Cancer Society.

Her election came during the board of directors Sept. 28 meeting. At the same time, Keith Kenney and Jane Russell, both of East Jordan, were elected vice-presidents.

Others elected to the board included Chris Anderson of Charlevoix, secretary; Hugh Mason, Charlevoix, treasurer; Dr. Michael Engel, of Boyne City, professional education chairman; Joanne Curtis of Charlevoix and Ginny Carey of East Jordan, crusade chair-

persons; Mary Ann Bishop of Boyne City, public education; Joan Hoffman of Charlevoix, former unit president, service and rehabilitation; and Phil Loomis of Petoakey, public information and special events.

It was reported that the Charlevoix County unit reached 91 percent of its 1981 crusade challenge, raising \$10,915 as of Sept. 14. The year's challenge has been set at \$12,000. However, it was noted this year's total was higher than the 1980 total of \$10,454.

Statewide, the American Cancer Society reached 95.6 percent of its challenge, raising \$3,681,007.

Loomis reported the Charlevoix County unit raised more than \$800 in its first annual Walter Hagen/Babe Zaharias Golf Tournament this summer. He noted 49 such tournaments around Michigan raised approximately \$300,000 which is \$50,000 more than was raised last year.

Board members also voted to participate in "Daffodil Days" next April and in "Bowl Down for Cancer" Dec. 1-15. These two events are aimed at informing area residents of the services the Cancer Society provides and to help raise additional funds for research, education and service.

Moll, Shumway wed on Oct. 3

Kati Moll, the daughter of Charles and Donna Moll of Boyne City, was united in marriage with Frank A. Shumway on Oct. 3.

The wedding was performed by Father Medard Buvala at St. Francis Solanus Church in Bay Shore.

Both the bride and groom received bachelor's degrees at Michigan State University in East Lansing.

Kati went on to receive a master's degree in finance from MSU, while Frank earned a law degree from Wayne State University. The groom is the son of Frank and Kitty Shumway of Harbor Springs.

The bride, who was given in marriage by her father, wore a long gown of silvesta knit with silk venise. The gown featured a V-neck, straight sleeves, fitted waistline and a circular skirt with a chapel train and long veil.

Maid of honor was Julie Roberts, while Pat Barbour served as best man.

Bridesmaids were Connie Collins and Chris Mol, while Chuck Shumway and Jim Shumway were groomsmen. Cam Moll served as usher.

After a reception at the Boyne Mountain Beach House, the couple left on a wedding trip to Toronto. They will make their home in Lansing.

Mary Lou Murphy, Joseph Sale united at Missionary Church

The United Missionary Church of East Jordan was the setting for a double ring wedding ceremony uniting Mary Lou Murphy and Joseph Sale on Saturday, Aug. 29.

Rev. Dale Turner performed the ceremony.

The bride was given in marriage by her mother and father, Ervin Murphy Jr. and Ms. Betty Murphy, both of East Jordan. The groom's parents are Mr. and Mrs. Wilbur Sale of Springfield, Ohio.

The bride wore an empire waist sleeveless gown of satin and lace.

Maid of honor was Cindy Murphy, sister of the bride, and the brides-

maid was Penny Gothro, friend of the bride.

Flower girl was Laurie Murray, second cousin of the bride, and Alan Murphy Jr., nephew of the bride, served as ringbearer.

Ushers were Alan Murphy Sr., brother of the bride, and Jeffrey Sale, brother of the groom.

After a honeymoon trip to Mackinac Island and Pentwater, the bride has returned to Wurtsmith Air Force Base, Mich., where she will remain until her discharge in February. At that time she will join her new husband in Colorado Springs, Colo., where Joseph is employed as a computer programmer.

Screening clinics for pre-schoolers

A developmental screening clinic will be held Oct. 14 in Boyne City for all children who will be entering kindergarten in the fall of 1983.

The clinic is sponsored by the Charlevoix-Emmet Intermediate School District for children in the Boyne City and Boyne Falls School Districts.

The purpose of the clinic is to provide parents information regarding normal child development, an opportunity to interact with parents of other three-

year-old children, and to have children informally screened in order to identify potential learning difficulties which may arise during the school years.

The clinics are a free service with appointments made on a first-come, first-served basis.

Anyone interested in attending the above clinic should contact Joan Smith, 547-9947, at the Charlevoix-Emmet Intermediate School District for an appointment or for further information.

CABBAGE UN-ROLLS AND GREEN TOMATO PIE

The stillness this morning reminds me that the purple martins and other swallows have left and it saddens me temporarily until I remember the brilliant fall days that follow their leaving.

I think of picnics still to be had around open fires, football games, wondering who will be the homecoming queen this year, and harvesting the last of the garden.

Our warm kitchens are a welcome haven now when autumn chills the air and Mother is canning peaches or making jelly and jams from the last of the fruits to ripen.

Cabbage rolls are good to satisfy those quickened appetites these cool brisk days and my friend Erna Mills makes them the easy way without making the rolls. It has all the familiar ingredients of cabbage rolls without the work to make them.

CABBAGE UN-ROLLS
1 small head of cabbage
1 lb. hamburger
1/2 cup rice, uncooked

1 small onion, chopped
1/2 teaspoon salt and a little garlic salt if you wish.
1 can tomato soup
1 can water
Brown the meat and onions, drain off the fat and liquid, season with the salt, add the rice and mix well.

Slice the cabbage or cut in small chunks and line the bottom of a baking dish, then add the meat mixture. Mix one can of water with the can of tomato soup and pour over the meat. Cover with foil and bake one hour at 350 degrees. Remove the foil when the meat and rice are cooked, cover with slices of cheese if you wish and return to oven to melt the cheese.

Elizabeth Welch left this recipe with a bowl of green tomatoes on my porch the other day. I made it and was delighted with the results.

GREEN TOMATO PIE
3 cups chopped green tomatoes
2 cups raisins soaked and drained
1 1/2 cups brown sugar
3 1/2 tablespoons flour
1 teaspoon cinnamon

1/2 teaspoon nutmeg (optional)
1/4 teaspoon salt
7 tablespoons lemon juice
4 tablespoons butter or oleo
Combine sugar, flour, salt, lemon juice, spices, raisins and tomatoes. Line a 9 inch pan with pastry, pour in filling, dot with butter and cover with top crust. Bake in very hot oven, 450 degree, for 10 minutes, reduce heat to 350 degrees and bake 45 minutes or until tomatoes are tender.

Serve these good things with a relish tray of some of those pickles, celery, cherry tomatoes and a bowl of fruit for your centerpiece and give your family a real at home party. They will love it.

P.S. Is my face red? I hope all you wonderful people who tried to make zucchini cookies will forgive me for leaving out the one cup of sugar in the recipe. How could I? Imagine cookies without sugar.

Sorry!
Bea

Local church starts appeal

BOYNE CITY - Local residents will be participating in the 73rd annual World Service Appeal this month.

Boyne City solicitors, members of the local Adventist Church, will make door-to-door visits. "These volunteers carry official credentials issued by the church," says Gordon Moody, Personal Ministries Director for the Boyne City Seventh Day Adventist Church.

Funds collected extend the church's hand of physical, educational and spiritual aid in 190 countries, including the United States. On a world-wide basis, Seventh Day Adventists aided 11 million people last year. They gave more than 18.5 million items of clothing, donated more than \$10.9 million dollars in food and cash, and gave 16 million hours of volunteer service to those in need.

Boyne City Community Service Center operated by Adventist volunteers is known in the area for its readiness in helping the needy with clothing. Home burn-out victims also receive new bedding, clothing and food.

Lobenherz is Realtor of Year

Richard (Rik) Lobenherz of Ski and Shore Real Estate, Charlevoix, has been named 1981 Realtor of the Year for Charlevoix County.

The award was made on behalf of the Antrim-Charlevoix Board of Realtors at a recent general membership meeting.

Presenting the award was Richard O'Neill, executive vice-president of the Michigan Association of Realtors.

Lobenherz is currently president of the Board of Realtors and has been active in the board's Political Affairs

and Grievance Committees. He has also been a member of the Millionaire Club, signifying sales of more than a million dollars in a year.

Lobenherz holds a business degree from the University of Michigan and a Graduate Realtor Institute degree. He is a candidate for Certified Commercial Investment Membership certification.

The realtor board also announced that Bruce Hawkins of Hood-Meeskne Realty, Bellaire, was the recipient of the Realtor of the Year award for Antrim County.

Are you sure your wife is all there? Marshall Sayles

Thoughts while waiting for Water Street to become a regular part of the city:

The Census Bureau now says there are millions of homes in the country housing 1.9 people. If just you and your wife live in your house, one of you is a point nine person. But which one? That's a real problem. Only my wife and I live in our house, but in no way am I

going to figure out which one of us isn't all there. I wish the Census Bureau would keep that stuff to itself.

I asked one of my older friends if he had lived in Boyne City all his life. "Not quite yet," he said.

When Ronald Reagan spoke of fiddling with Social Security payments, the hair on my chest stood up. I don't understand how the President could do something like that. Especially since I don't have any hair on my chest.

One of those men who became a psychoanalyst, instead of working for a living, made a sage remark in a magazine article the other day. He said that if a man were to marry a woman who was perfect in every detail he wouldn't be able to live with her. That got me to thinking. But I'm not going to say a word about what I was thinking.

A reader called to say, "From your writings, I can tell that you are over the hill." I sure am. And I'm glad I made it.

I don't go along with those who believe that without television life would be a mistake. Sometimes a person can find more entertainment flipping through the pages of a Sears

Roebuck catalog. So postage is going to 20 cents. Hang on. It won't be long before your talk about this column. "It's interesting," he said. "Most men who don't tell lies are bores." That could be one key to its success. For whenever I write something that seems to make sense, I strike it out. Some of the things you have been doing lately will make rattling good history for your grandchildren. So watch it.

Obituaries

JOHN WESLEY HARRIS

John Wesley Harris, 86, a native of Boyne City who lived all of his life here, died Sept. 29 at the Petoskey Nursing Center.

Mr. Harris was born Aug. 15, 1895. He was employed by the Charlevoix County Road Commission from 1923 to 1943 and from 1948-1970 was employed by the Boyne City Co-op.

On June 15, 1929 he married the former Beatrice Lone Johnson in Boyne City.

Survivors include his wife; two sons, John William Harris of Boyne City and Thomas Harris of Hastings; two daughters, Mrs. Edgar (Flora) Jensen of Boyne City and Mrs. Douglas (Phyllis) Hausler of Boyne Falls; 17 grandchildren; several great-grandchildren.

Rev. Rodney Ward of the Walloon Lake Community Church officiated for funeral services held Oct. 2 at Stackus Funeral Home. Burial was in Boyne Valley Township Cemetery.

WILLIAM D. DUNSON

Retired electrician William Donald Dunson, 64, of East Jordan, died Sept. 28 at Lockwood-McDonald Hospital in Petoskey.

Born in Bellaire April 13, 1917, Mr. Dunson lived in Alden until moving to East Jordan with his family at the age of seven years.

On April 12, 1941, he was married to the former Neva V. Hitchcock at Boyne City. They always made their home on Deer Lake Road in Wilson Township.

He was employed at the East Jordan Co-operative as a licensed electrician until he retired in 1979. He was interested in farming, hunting and horses.

Surviving are his wife; four sons, William S., John E. and Wayne D. of East Jordan and Louis R. of Parma; five daughters, Mrs. Jane DeNice of Boyne Falls, Mrs. David (Susan) Underwood of Boyne City, Mrs. Francis (Carol) Lyons and Mrs. Ron (Nancy) Schroeder of East Jordan and Brenda at home; 10 grandchildren; a sister, Mrs. Jerry (Georgia) McKenney of East Jordan and a step-sister, Mrs. Inez Zinck of Boyne City.

Funeral services were held at Vanderwall Funeral Home on Sept. 30 with Rev. Dale Turner of the Missionary Church officiating. Burial was in Sunset Hill Cemetery.

The family suggest memorials to the American Cancer Society.

HELEN DAMER

Funeral services were held Oct. 2 for Helen Damer, 69, of Boyne Falls, who

died Sept. 29. Mrs. Damer died after a long illness at the home of her daughter in Elwell.

Services were held at Schnepps Funeral Home in Riverdale, with burial in Riverdale Cemetery.

The former Helen Czarnecki was born Aug. 8, 1913 in Detroit. She married Stephen Damer on Jan. 7, 1930 in Cheboygan County and the couple have resided in Boyne Falls for many years.

Mrs. Damer was a member of St. Augustine Catholic Church in Boyne Falls.

Survivors include her husband; two sons, Frank of Boyne Falls and Larry of Ohio; two daughters, Cecelia Newville of Elwell and Irene Reynolds of Arkansas; 17 grandchildren; 17 great-grandchildren; one brother, John Czarnecki of Dearborn; two sisters, Wanda Dopuskowi of Taylor and Freida Kerske of Dearborn.

Vote for Elmer Crain Boyne City Commissioner

CREATING BLACK BAG TOWN

The present City Commissioners are closing streets and alleys as fast as they can. I am for keeping the airport, streets and alleys. They are creating a black bag town. Why not keep our alleys and pick up the garbage in the rear where we can in the summer. There are black bags in front of some houses every day of the week.

They are only thinking about changing zoning to protect future growth, which is fine if handled right.

If they haven't closed West Main Street to the lake, my pet project would be to use city crews and open the street for parking to the lake and for a new beach.

I don't approve of the city spending thousands of dollars to find out if a wind generator would pay for itself, or if solar energy would pay for its installation as long as they are not prepared to proceed; it is money wasted to be replaced by taxpayers. Let's look at the perspective, they are giving the downtown businesses a tax break for the next 12 years so who will pay for all the new streets and sewers downtown? **Someone has to find out.**

School saving labels again

BOYNE CITY - The middle school is participating again this year in the Campbell Labels for Education program which in the past several years has provided many items for the media center.

"Everyone has been very cooperative in the past in helping to collect these labels so that each year we have more than met our goal," said librarian Flossie Brinley.

The Labels for Education programs consists of collecting labels from 118 Campbell product varieties packed in 26 different sizes, which include V-8 juice, Franco-American foods, and Swanson canned foods in addition to pork and beans and all the soup varieties. The complete front portion of the label is needed.

The sixth, seventh and eighth grades have a contest to see who can collect the most labels and the winning grade gets a reward. The library picks out the premiums the school needs and sets a goal of the number of labels to collect.

Last year's goal was 16,000 labels, and with a great deal of community assistance, a total of 23,000 labels were turned in.

The contest does not start until later this fall, but the middle school is asking area residents to start saving labels now.

Devils get big win, more injuries

EAST JORDAN - The Red Devils knocked off undefeated Harbor Springs last Friday, but they lost the second of their three all-conference running backs for the season with an injury.

Halfback Tom Peters suffered a concussion in the game, and he won't be playing any more football this year.

The Devils have had incredibly bad luck with injuries this season, starting with the first game when Steve Graham broke his leg.

"I started the year with all these great runners, and now Billy Spence is the only one left," said Coach Buck Cihak.

"If he gets hurt, I'm quitting," he joked.

Spence was practically a one-man

offense last Friday as he ran for a career high 262 yards in 32 carries.

He had touchdown runs of 1, 10 and 27 yards, plus a two-point conversion run in East Jordan's 36-20 victory over the Rams.

The victory over the state-ranked Harbor Springs team was quite an effort.

Starting halfback Barry Mumich missed the game with a leg injury, and starting center Pat Slate sprained his ankle in the first quarter. By the end of the game, East Jordan had only three reserves on the bench who weren't injured.

"The kids had a lot of guts and a lot of heart—plus we had Bill Spence, who just ran right over everybody," said

Cihak in answer to the question: "How did you do it?"

By the end of the game, the injuries forced the Red Devils to play all kinds of unfamiliar positions. End Mike Sheridan and backup fullback Jim Archer were playing halfback. Dave Morris, also an offensive end, was playing defensive cornerback.

The injury report says Mumich is due back at halfback for this week's game at Mancelona, and Brad Mayhew will be returning from a foot injury.

Mayhew is being groomed as the backup quarterback to Dan Nachazel, who Cihak says has been doing a "wonderful" job lately.

Peters is out for the season, and Slate has been told to stay off his ankle for the week, so he will miss the Mancelona game. But junior Scott Meade is a strong replacement who has plenty of playing time, Cihak said.

Steve Graham's younger brother Mike, a 5-9, 168-pound sophomore, is being brought up from the junior varsity to fill in for Peters at halfback and defensive cornerback.

Graham, who ran for 184 yards in his last JV game, will probably be in the

starting line-up right away this Friday, Cihak said.

Mancelona, the next opponent, is usually a Ski Valley League power but the Ironmen are down this year, having won only one of four games this fall.

"They're a real young team," Cihak said. "They've got a lot of sophomores, but they're always a physical team. They'll give us a good game on their home field. They're all going to be tough for us from here on."

But, he noted, "I'm glad we don't have to play Gaylord St. Mary this week."

That game against the undefeated league leader will be the following week, Oct. 16, and it will be East Jordan's homecoming.

Jogger will try Detroit marathon this Sunday

BY JIM BAUMANN

If you've driven around Boyne City or between Advance and East Jordan, you've probably seen Sandy Kadrovach running on her lunch hour or after work.

She's been a jogger for eight years, but for the last 12 weeks, she has become very serious about it. She has been training to run 26 miles, 385 yards in the Detroit Marathon.

The race will be this Sunday morning, and she's glad it's almost here.

When she jogged for fun and fitness, she ran about 25 or 30 miles a week. But lately she has been on a training program that has her running 60 miles a week, an average of 10 miles a day, six days a week.

She has always enjoyed jogging, but "Right now, I'm getting tired of running," she said. "It gets to you after awhile, and I'm anxious to run the marathon and get on with something else."

Kadrovach says she "definitely" will finish the marathon race barring a "catastrophe" like leg cramps or a turned ankle.

She has been active locally in organizing the annual Independence Day Race in Boyne City, and she has entered some shorter races around Northern Michigan.

But she decided to enter the marathon when her boss, dentist Rob Polleys, clipped out a day-by-day marathon training schedule from the Detroit Free Press, which sponsors the race.

The longest distances the training program calls for are 16 and 18 mile runs—two of each. Kadrovach said she felt good after running 18 miles the first time, but "horrible" the second time.

The difference was having company. The first time, she was accompanied by friend Vicki Robinson on the last 10 miles of her run. It's more difficult to run alone, which she did on her second 18-miler.

The excitement generated by hundreds of runners and cheering spectators ought to help her pull through the 26-mile marathon Sunday.

"I thought I'd feel cocky if I finished the training program and made it all the way to the marathon," she said. "But I don't. It has really humbled me. I have a great respect for people who are real athletes."

"I'm hoping to finish this race in five hours with a good tailwind. But some of these guys can do it in a little more than two hours."

She says running takes more mental discipline than physical strength. "If I can do it, anybody can. But the mental part is the hardest. I've learned a lot about discipline."

"It really takes a lot of mental

Sandy Kadrovach

discipline to get out and run no matter what the weather is like. I've never done anything like this before, but it has really shown me that if you set your sights on something, you can do practically anything."

Sandy and her husband Bill live on Leu Road between Boyne City and East Jordan. They have four girls, ranging in age from 10 to 19.

She started jogging in 1973 after reading a magazine article about aerobics. She advises beginning joggers not to un too far or too fast at first.

Bikeathon boosts sports

EAST JORDAN - The Lionesses are sponsoring a bike-a-thon on Saturday, Oct. 10 to raise money for the Athletics Boosters Club. The club is again this year paying to have an inter-school athletics program for the students.

With Wendy Brunell as chairwoman and Kathy O'Rear assistant-chairwoman, the bike-a-thon is scheduled to start at 10:30 a.m. and proceed along the 17-mile route the Lionesses have used in other years.

O'Rear said forms may be picked up

at the high school or from a Lioness Club member.

First, second, and third place prizes, supplied by the Lionesses, will be awarded on the basis of the amount of money the biker turns in. O'Rear said first prize would be a 10-speed bike, second prize, an AM-FM recorder-radio, and third, a biker's backpack. Prizes will probably be awarded at a home football game, O'Rear said.

A barbecue lunch will be provided for bikers. The tour is not open to bikers under ten years old.

New leader in fish contest

BOYNE CITY - Rollin Engle has taken over first place in a fishing contest sponsored by a local fishing shop.

Engle caught a 26 1/4-pound, 42-inch salmon to drop John Nelson back to second place with his 25 3/4-pound fish. John Howard currently holds third place with a 23 3/4-pounder.

The salmon fishing contest, which runs until Oct. 31, is sponsored by the Sportsfisherman bait and tackle shop at 470 N. Lake Street, Boyne City.

First prize is \$100, with fishing equipment offered as second and third prizes. Contact the fishing shop for registration information.

Brabbs first but Boyne runners lose

BOYNE CITY - Rambler runner Jim Brabbs finished first, but Boyne City lost a cross-country meet with Petoskey last Tuesday, 21-40.

Brabbs ran the Boyne Mountain

course in 16:48, beating out John Goble of Petoskey by eight seconds.

John Brabbs was Boyne's next fastest finisher in sixth place at 17:47.

Boyne City will host the Michigan-

Huron Shore Conference meet at 4 p.m. next Tuesday, Oct. 13. The meet will be held on the Boyne Mountain golf course, starting near the pro shop on Deer Lake Road.

EJ girls varsity splits; JV rolls to 7-0 record

EAST JORDAN - The varsity girls' basketball team split a pair of games last week, while the junior varsity won two more to keep its record perfect at 7-0.

Both squads had their stiffest tests of the year last Tuesday at Harbor Springs, with the varsity losing 55-28 and the junior varsity winning 30-27.

The JV team fell behind 14-4 at halftime but outscored the Rams 26-13

in the second half to pull out a victory. It was Harbor's first loss of the year.

Danielle Baker led East Jordan in scoring with 10 points.

For the varsity, DeEtte Looze and Gayle Crick led the way with eight points each.

The varsity bounced back with a 57-48 win over Inland Lakes last Thursday with Crick pouring in 22 points.

Looze added 10 points and 18 re-

bounds, while Anne Crawford scored 13 points and had 15 rebounds.

The victory raised East Jordan's varsity record to 5-3 overall and 3-1 in the Ski Valley League.

The junior varsity also whipped Inland Lakes by a 42-29 margin. Baker led the scoring with 12 points, and Lauri Stanek had nine.

Three home games are coming up next for East Jordan. East Jordan hosts Mancelona on Oct. 8, Gaylord St. Mary on Oct. 13 and Harbor Springs on Oct. 15.

Baier gets 4 TD's in JV romp

EAST JORDAN - Mike Baier scored four touchdowns to lead the Red Devil junior varsity to a 48-0 victory over Harbor Springs last Wednesday.

The win raised East Jordan's record to 3-0-1 for the season and extended their unbeaten streak to 33 games.

Baier gained 153 yards for East Jordan, and two other runners also broke the 100-yard mark in the romp.

Mike Graham ran for 184 yards and two touchdowns, and Darryl Spence picked up 121 yards and scored a TD on

a 15 yard pass from quarterback Joe Buick.

The Harbor Springs game may have been Graham's last for the JV, as he is being promoted to the varsity for this Friday's Mancelona game.

Defensive leaders for East Jordan last week were Darryl Burt with 12 tackles, Graham with 11 and Jim Roberts with 10.

Upcoming games for the JV are Wednesday, Oct. 7 at home against Mancelona, and Oct. 14 at Gaylord St. Mary.

Finally...a close one goes to Ramblers

BOYNE CITY - After three near-victories, the Rambler football team finally had luck on its side in a close game last week.

And since it was homecoming, Friday's 8-6 win over Grayling was even more satisfying for Boyne City.

The Ramblers had lost their first three games by margins ranging from one point to one touchdown, so Boyne and its fans could rightfully feel that it was about time for some good luck.

The fans had plenty of excitement as the game went down to the wire—just like the three previous contests.

Boyne had taken an early 8-0 lead which held up until Grayling scored a touchdown with about three minutes left in the game.

The score came on a short screen pass that was tipped into the hands of a Viking receiver by a Boyne defender. It ended up as a 48-yard play.

But defensive backs Shawn Aimesbury and Todd Rickard saved the game by tackling a Grayling runner on the one yard line, denying the Vikings the conversion points that would have tied the game.

Boyne's defense played a big role throughout the game as the offense had

Martin Neumann, left, and Shawn Aimesbury were defensive standouts in Boyne City's first victory, an 8-6 decision over Grayling last Friday. Both intercepted passes and had key tackles in the game.

trouble making sustained drives. The Ramblers were forced to punt seven times, so the defense spent a lot of time on the field.

The defense set up Boyne City's only touchdown by stopping Grayling for no gain on a fourth down at midfield early in the game.

Fullback Todd Rickard, who ended the night with 61 yards rushing, ran the ball on six of the 12 plays in the touchdown drive.

Quarterback John Tompkins scored on a one-yard sneak, and Rickard ran a quick pitch in for the all-important conversion points.

Boyne City's defense shut down the Viking passing attack, allowing only two completions in 18 attempts. Aimesbury and Martin Neumann had pass interceptions.

This Friday the Ramblers journey to Rogers City. The Hurons are winless in four games, but Boyne Coach McCullough said they looked good in a 43-20 loss to powerful Cheboygan last week.

Boyne City girls split first conference games

BOYNE CITY - The Rambler girls' basketball team opened conference play last week with a win over Grayling and a loss to Charlevoix.

Boyne beat Grayling 59-41, despite numerous turnovers, which Coach Steph Moody says have become the team's worst problem.

The Ramblers' height allowed them to win despite the many miscues,

however. Center Lori Paquette scored 19 points and hauled down 25 rebounds. Judy Upton added 10 rebounds, and Sheila Smith had 10 points.

At Charlevoix last Tuesday, Boyne City fell behind 32-24 at halftime, couldn't catch up, and eventually lost 56-48.

Besides a number of turnovers, poor free throw shooting hurt the Ramblers in that contest, as they made only two of eight shots.

Julie Paquette led Boyne in scoring with 12 points, and Smith and Michelle Russell both added 10 points.

Overall, Boyne is now 3-3 with a 1-1

mark in the Michigan-Huron Shores Conference.

Next on the schedule is league leader Petoskey, which comes to Boyne City this Thursday, Oct. 8. Petoskey nipped Charlevoix by one point in overtime last week. Next Tuesday, Oct. 13, the Ramblers host St. Ignace.

Cold Loggers fall to Ellsworth

BOYNE FALLS - The Logger girls basketball team suffered a cold shooting night and lost a 57-23 contest to Ellsworth last Tuesday, Sept. 29.

The Lancers led 18-10 after one quarter and then held the Loggers scoreless in the second period to put the game away.

The loss dropped Boyne Falls' record to 4-3 for the season and 1-2 in the Northern Lakes Conference.

Despite the lopsided score, Coach Joel Donaldson said, "We gave them a good game. It wasn't a boring game. We got good shots, but we just couldn't score. I don't know what was wrong."

Senior forward Pat Frankowiak led the Loggers with eight points, 10 rebounds and three assists. Junior Patsy Grubaugh chipped in with seven points and nine rebounds.

In junior high basketball last week, Boyne Falls opened its season with a pair of wins. Both boys' and girls' teams won their games at Ellsworth. No scores were available.

NATIONAL FLOOD INSURANCE PROGRAM Proposed Flood Elevation Determinations

AGENCY: FEMA. ACTION: Proposed rule. SUMMARY:

Technical information or comments are solicited on the proposed base (100-year) flood elevations listed below for selected locations in the nation. These base (100-year) flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES:
The period for comment will be ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in each community.

ADDRESSES:
See table below.

FOR FURTHER INFORMATION CONTACT:
Mr. Robert G. Chappell
National Flood Insurance Program
(202) 287-0270
Federal Emergency Management Agency
Washington, D.C. 20472

SUPPLEMENTARY INFORMATION:
The Federal Emergency Management Agency gives notice of the proposed determinations of base (100-year) flood elevations for selected locations in the nation, in accordance with section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 44 CFR Part 67.4 (a)).

These elevations, together with the flood plain management measures required by section 60.3 of the program regulations, are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their flood plain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, State or Regional entities. These proposed elevations will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and their contents.

Pursuant to the provisions of 5 USC 605 (b), the Associate Director, to whom authority has been delegated by the Director, Federal Emergency Management Agency, hereby certifies that the (proposed) flood elevation determinations, if promulgated, will not have a significant economic impact on a substantial number of small entities. A flood elevation determination under section 1363 forms the basis for new local ordinances, which, if adopted by a local community, will govern future construction within the flood plain area. The elevation determinations, however, impose no restriction unless and until the local community voluntarily adopts flood plain ordinances in accord with these elevations. Even if ordinances are adopted in compliance with Federal standards, the elevations prescribe how high to build in the flood plain and do not proscribe development. Thus, this action only forms the basis for future local actions. It imposes no new requirement; of itself it has no economic impact.

The proposed base (100-year) flood elevations for selected locations are:

State	City/Town/County	Proposed Base (100-year) Flood Elevations
Michigan	City of Boyne City	Charlevoix County

Source of Flooding	Location	#Depth in feet above ground. *Elevation in feet (NGVD)
Lake Charlevoix	Shoreline	583*
Boyne River	Mouth at Lake Charlevoix Just downstream of abandoned bridge (Spring Street extended)	583* 586*

State	City/Town/County	Proposed Base (100-year) Flood Elevations
Michigan	City of East Jordan	Charlevoix County
